Organization building

individual Room

Contacts and Papers

Sanctuary 1319

Very well, I shall return for you in a few minutes
Continue in your state of relaxation where body relaxed - mind alert.

→ Access that which described as papers when I read
the coordinates

→ 1324 Coord - Rest at convenience

Highly interested - men on high mission - they
come together - people flying out
involved →

- deal w objects that then rounded at bottom
and top - especially big round - objects that
stand +

- papers concern this object - objects way
down road - different location.

Express areas of interest as you receive data

Deal with Overall Plan, executive
finalizing - where to put things
where to set up - where area

where to put open strategic study
papers

on any project - placement of objects
in different.

⊖ people use older people to help them.
not such - on old people's knowledge
much respect - for older people w/ expertise.

main man is in a military uniform
blue -

⊖ SKEP/SCKEP/
Papers/ loose leaf/ not joined
together - each page separately
try (plan) try my to understand
not how not when not w/
- the east what cost/ cost
run their own show -

⊖ deal with objects - movement
of objects and vehicles - technology

⊖ deal with people

→ address object

fall rounded top rounded bottom
red - green - hard hard
rugged lines inside

→ guess where does what
res

⊖ Type of meeting occurring / will take
place - objects find answers

6 about two weeks -

OWARY NOUS PPAR

6 Vehicles associated w pu
sounded at bottom
Placement of vehicle ^{on or} near water

land vehicles having an ability to stay
behind.

6 Papers of the project - man - strategic
planning on org any other part
good - ideas - conservative, realistic
hard nose approach -

6 yet (plan) blocked - get it straight
out - vote for it - steamline.

6 Man has done some outside contacts
outside preparations - he likes
special project will go - will not be kept
both or hidden much longer

6 make the organization -

6 Green coat - ^{man needs} underrail jacket

→ Formal dress representative

6 Comm order - ^{blue} each year
Gold around sleeves -

four gold bars on skin
→ served sea duty

→ Place him with the air

o not flown professionally

o was commander in military

(troops) - has papers highly regarded
needed -

o married dresses a jeep -
do younger than -

→ In every day duty wear suit w/ gold bars.

o man sat at desk - papers are in light

brown envelope two claw taken out

of area - taken papers into a

private place (normally papers

travelled back and forth) - in some

like a book shelf built into a

the wall - on top of the containers

- Papers on top of container.

looks at frequently - studied - go^{est} question.

- cover

brown - red - black black on back

red on top - brown casing - brown

enclosure - thick -

⇒ symbols

" J P W
 (books)

pages 11 and 14

→ Red Port is title

Class number

WH-11 in left
WH-12
WH-14

refers to inside

→ Powers Generating - Matching
closely to them - Sabotage

→ markings

⊗ wrapped - deals w/ generally pane

comes down middle - letter
and running -

no bulletin

Work done someplace - physical labor.
working for organization.
