IT WILL BE BETTER FOR YOU IF YOU FIRST APPROACH THE AREA WHERE THIS PERSON WORKS BEFORE ATTEMPTING ACCESS TO THE PERSON DIRECT."

ERU

Accessed a person whose thoughts  
are very jumbled + disorganized,  
difficulty (on his part) constantly experienced  
in keeping track of subject at hand. His  
mind seems to vividly experience each  
thought in the form of pictures, smells,  
tastes, etc. Has difficulty thinking in  
word-type thoughts, and would probably  
(my judgment) never be able to think in  
entire, well formed whole sentences or "idea  
"packets".

His self-esteem seems to be low,  
but not necessarily bad. He knows that

HE CAN'T MENTALLY COPE WITH <sup>EITHER</sup> HIS  
WORK OR PERSONAL  
ENVIRONMENT, BUT ALSO KNOWS THAT  
HIS DIFFICULTY SEEMS TO HAVE LITTLE EFFECT,  
SO "THINGS GO ALONG". HE ACCEPTS THIS  
AS JUST ANOTHER PART OF THE JUMBLE.  
HAS NO CLEAR CONCEPT OF HIMSELF.

WHEN ASKED ABOUT ANOTHER MEETING,  
HE HAD A "PERSONAL" FEELING + CLEARLY  
PICTURED A (AOL) HOME-LIKE SETTING. I TOOK  
THIS TO BE A REQUEST FOR MEETING HIM  
AT HOME NEXT TIME.
