 DATE: 29 Jan 87 SANCTUARY: \_\_\_\_\_  
 SESSION: 02 TARGET: 0855  
 SOURCE: 021 FINISH: \_\_\_\_\_

COORDINATE: 467700 / 506198

FRONTLOAD:

"In the previous session your interest shifted to an individual and therefore our interest also lie, for the immediate time, with that person. In this session we will want you to again access that person. It will probably be best to go first to the area where this person is located and when the proper time comes you can access him. At that time you need to know that your initial impressions may only be the obvious responses and may actually overlay this person's true character. You need, therefore, to affect a deep and probing access. When you have exhausted this well of knowledge you may be asked to move on."

\* Source commented to experiencing difficulty in relaxing.

NOTES:

- ① WEATHER clear but cold. Expectations of another storm this evening.
- ② No known or stated inclemencies.
