Page 1

- (a) a ~~long~~ Bright white Rod glowing or Hot with tentacles on end - seem to be flexible
- (b) bumpy land or covering

Page (2)

- (a) some sort of motor - maybe propeller.
- (b) an object with that same bumpy pattern
- (c) cone like thing - seems to have something overflowing
- (d) Rounded object with fur or seaweed covering it

Page 3

- ① Again, a Rod (with energy in it with something on top)
- ② Something powerful - freeful, with stuff falling out of the Top
- ③ Dammed, if I know. (how glass?)
- ④ A cone shape, again but turned around.
- ⑤ Inside a conduit of some sort with stuff stuck to its sides
- ⑥ Deep crevices, with these set in place.
- ⑦ Rod with metal sticking out every which way
