NOTE THRU CHIEF OF STAFF, U.S. ARMY

FOR ASSISTANT TO THE CHAIRMAN, JCS

SUBJECT: GRILL FLAME

1. On 14 July you verbally tasked me to provide you a paper on a close hold project (GRILL FLAME). As you will see from the attached information paper, GRILL FLAME is an unusual and often controversial subject, but I believe it is of great importance that we continue at least the existing level of effort.

2. My office will respond to your further questions and provide briefings and pertinent literature as you may desire. A great deal of both open source and classified material is available.
