SUMMARY OF INFORMATION

The target personality is a happy man who lived around the turn of the century and is now dead. He was born in a farm land area and then married. He is healing, military related, and responsible for a personal war. He had religion in his life. Newspaper articles and books published are written in his name. He was popular, part of the hierarchy, (had money) and was intelligent. He also traveled. He was a writer, philosopher, and was involved with hypocrisy for political benefit. Phonetics include the name William and the search location result was England.
