C. Rationale for source evaluation. Provide rationale/analysis which led to your evaluation of responses provided above. Include confirmatory/new confirmatory data and whether collection requirements are currently validated/tasked to either obtain or verify such data. Please provide your written evaluation by source.

SG1A Source A - [redacted] is a fishing vessel involved in drug smuggling from Colombia to Mexico. A woman closely matching the report's description is involved in the organization. Her role with the vessel is, however, unknown. [redacted] was suspected of making a drug run from Colombia to western Mexico in mid to late May 94.

Source B - N/A

SG1A Source C - [redacted] was known to have been modified with secret compartments prior to Apr 94. Report's description of vsl is reasonable (actual length is about 90ft). Crew size varies but is usually around 6.

Identify and describe activities of:
