SG1A

The target is already known to the customer. He is associated with a long, sleek sailing vessel not unlike a sailing yacht. He collects northern Pacific artifacts or art work and comes from a family of local, or indigenous, healers or shaman.

He is arrogant, wealthy, speaks several languages and is very thin. He enjoys the company of young caucasian women. He is nothing more than a "punk" attempting to break into the big leagues. He is non sequitur to anything of importance.
