STRUCTURE

S<sub>2</sub>  
boxy  
squared  
high  
narrow  
wide

all - ship

all - cargo / container vessel

~~FROM THE TOP~~ FROM THE TOP OF THE STRUCTURE. SOMETHING  
SHOULD BE VISIBLY

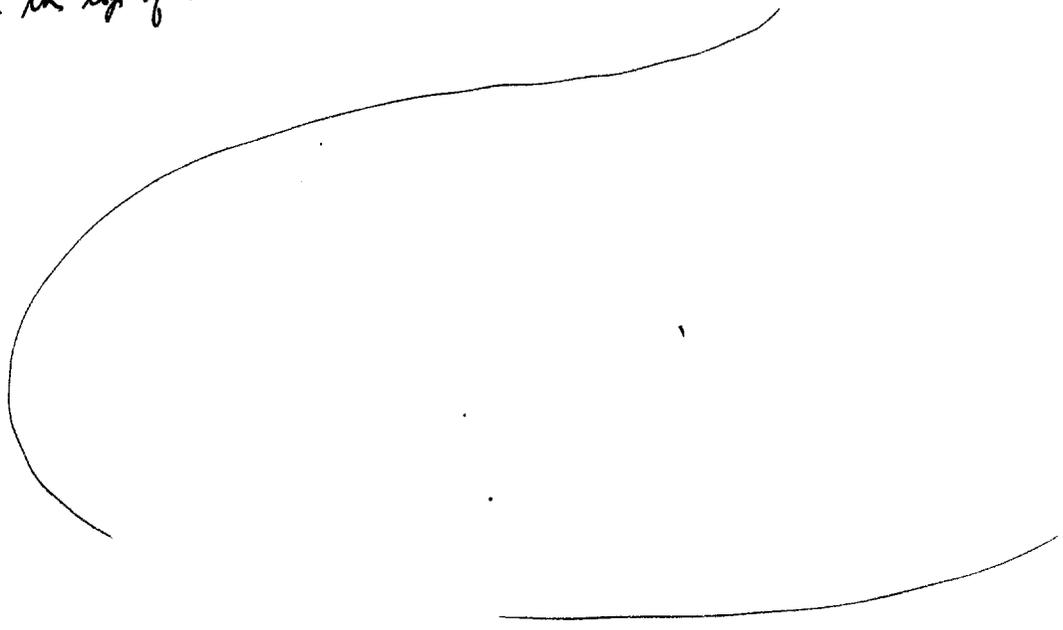

A - curved and not too  
hard

B -

S<sub>3</sub>  
oil-coated rubber feel, like tool handle  
hard.  
solid

From the top of the structure, something should be visible

A- horizontal  
curving around  
flat  
soft  
water

B- harbor/bay

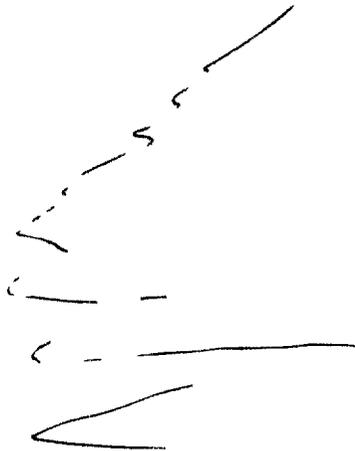

To the West of the structure similarly should be visible

From the base of the structure, south, should be visible

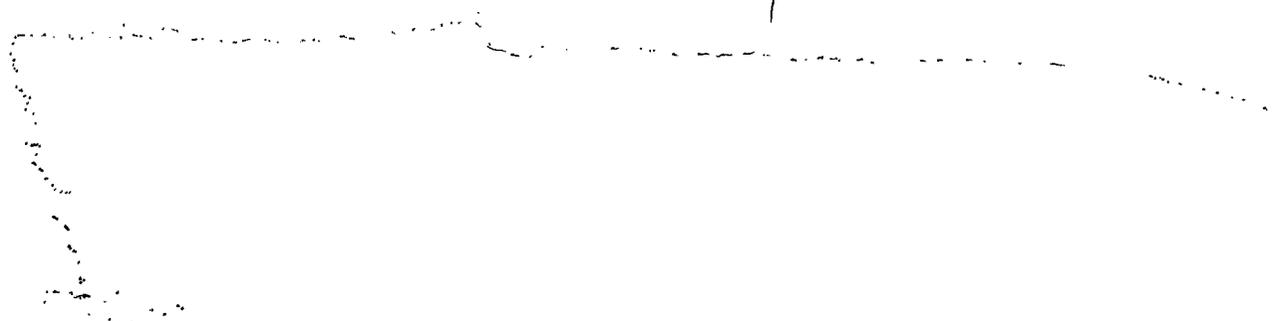

A. wavy down  
AOL - rope

~~FOR~~  
FROM 50' TO THE SOUTH

als - actual  
fishing - pretending to be fishing

als - tug boat shape

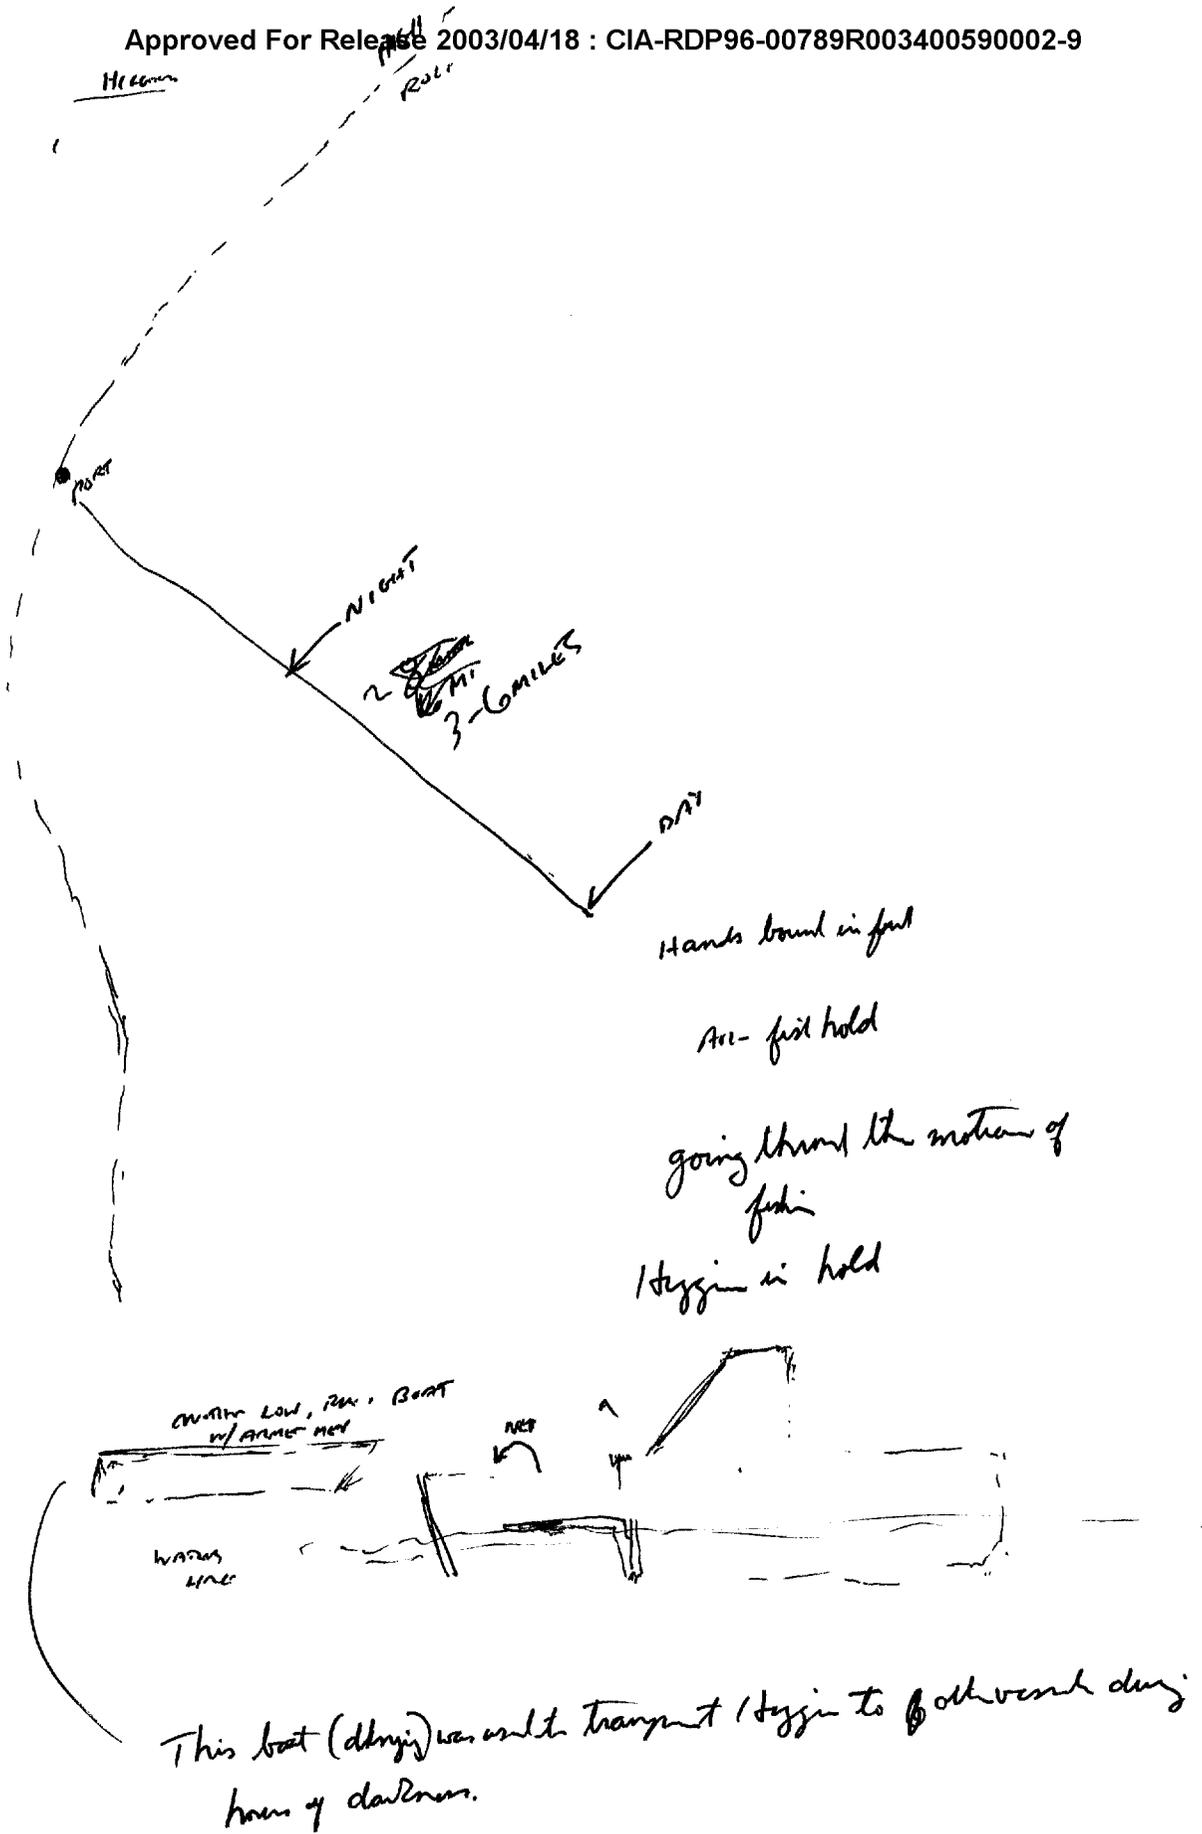

PROMINENT LANDMARK SHOULD BE VISIBLE

 BUD  
/ ALL CHANNEL MARK

AOL - Sea of Malille

People on deck (seems to be two, maybe three) only go thru the motions of fishing when approached. They are not producing a "haul" "catch" is in the vessel "hold"

This is "home" for their abduction...

Small boat "patrol" w/ 4 men, always on the water. Very alert <sup>armed</sup> shift to surveillance vigilant
