MEMORANDUM FOR THE RECORD

SUBJECT: INSCOM GRILL FLAME Briefing for Congressman Rose,
16 January 1980 (U)

1. (U) PURPOSE: At 1400 hrs, 16 Jan 80, I briefed Congressman Charlie Rose (Chairman, Evaluation Subcommittee of The House Permanent Committee on Intelligence) on the INSCOM GRILL FLAME Project. The briefing had been requested by Congressman Rose via Dr. Jack Vorona, DDST, DIA and had been approved by the ACSI.
2. (U) The following personnel attended the briefing:
 - Congressman Rose
 - MG Thompson, ACSI
 - Jake Stewart, NSC Staff Member
 - Dr. Jack Vorona, DDST, DIA
 - Dick Giza, Office of Congressman Rose
 - LTC Watt, INSCOM
 - Recorder (Identity unknown)
3. (U) Congressman Rose stated that he wanted the briefing taped so that other members of the House Subcommittee would have the opportunity to review the proceedings. MG Thompson replied that he had no objections to taping the briefing.
4. (U) Inclosure 1 shows the outline of my presentation. Page 3 of Incl 1 was not provided to the audience at the direction of MG Thompson.
5. (S) Congressman Rose was very receptive to the briefing (which lasted a little over an hour). He stated that we had made more progress than he had realized and encouraged us to continue with our program. He expressed strong concern about the Soviet threat that might be posed in this field and hoped that the U.S. Intelligence Community would rapidly make some "break-throughs" of parapsychology.
