Dear Senator Cohen:

SG1J

On behalf of [redacted] I would like to thank you for giving us the opportunity to meet with you yesterday and discuss our current activities regarding Project STAR GATE. We have taken all of your advice and comments to heart (in fact, during the ride back from our meeting, we developed a couple of new avenues of approach to address some of the main points you raised).

It was an honor for us to have the time with you yesterday. Thank you again for your kind considerations and your candid and very useful suggestions.

Very respectfully,

JOHN T. BERBRICH
Assistant Deputy Director
for Scientific and
Technical Intelligence
