SUBJECT: Summary of Events and Information Concerning
the Unidentified Flying Object Program

1. Attached is our effort to summarize the Unidentified Flying Object Program. The intent of this report is to service numerous civilian requests that are received by your office, and sure, for facts concerning Air Force progress in this program.

2. We would like to solicit the support of your office and the Air Force Press Desk, USAF, to deny civilian requestors further information. As you realize, these individual requests only retard progress in our analysis. From time to time we will seek additional information to your office as indicated in the report.
