The Air Force has no films or photographs that indicate any planet has been visited by extraterrestrial vehicles. Photographs that have been submitted for evaluation in conjunction with UFO reports have undergone an intensive photographic analysis and none have provided evidence to substantiate the presence of extraterrestrial vehicles. Many widely circulated photographs have some been submitted to the Air Force for a comprehensive analysis. The Air Force returns all photographs and negatives to the owner upon completion of the analysis.

The Air Force possesses only record copies, and thus does not have for distribution outdated reports on, Project Blue, Project Spine, or Blue Book Special Report No. 14. Copies can be made by the Project Blue Book Information Office at the expense of the requester at a rate of twenty (20) cents per page. Project Blue Book Special Report No. 14 contains 303 pages; Project BLUE, 44 pages; and Project SPINE, 485 pages. Each report must be reproduced in its entirety.
