

ANNEX II (continued)

DAL

Figure 10: Topographic Representation of Object Lightings in the Strategic Areas of the South Forehand Region	54
Figure 11: Diagrams of a Coastal System	55
Figure 12: Frequency of Object Lightings by Angle of Elevation of the Day, Hourly, and 10 Degrees of Angle	57
Figure 13: Frequency of Object Lightings by Local Day Time, Interval of One Hour	59
Table 1: Object Lightings	60
Table 2: Chi Square Test of Random Variable Outcomes on the Basis of Color	62
Table 3: Chi Square Test of Random Variable Outcomes on the Basis of Shading	63
Table 4: Chi Square Test of Random Variable Outcomes on the Basis of Shape	64
Table 5: Chi Square Test of Random Variable Outcomes on the Basis of Orientation of the Objects	65
Table 6: Chi Square Test of Random Variable Outcomes on the Basis of Speed	66
Table 7: Chi Square Test of Random Variable Outcomes on the Basis of Light Intensity	67
Table VIII: Chi Square Test of Random Variable Outcomes on the Basis of Color	68
Table IX: Chi Square Test of Random Variable Outcomes on the Basis of Shading	69
Table X: Chi Square Test of Random Variable Outcomes on the Basis of Shape	70
Table XI: Chi Square Test of Random Variable Outcomes on the Basis of Orientation of the Objects	71
Table XII: Chi Square Test of Random Variable Outcomes on the Basis of Speed	72
Table XIII: Chi Square Test of Random Variable Outcomes on the Basis of Light Intensity	73
