Incident 200- [redacted] - [redacted] - 4 June 1974

It is expressly advised that this subject was of
astronomical origin. See report on Incident 1194.

Although the base of observation is not stated by
the witness's report on Incident 1194, it is possible, judged
by the information which is given, that 1194 and 200 refer to
the same object or objects.
