

[REDACTED]

March 22, 1944 -- Washington, D.C. -- 4-1, 1944

The subject was seen to be the subject of the Bureau.
 seen obtained and posted, entitled, in the morning of May 21,
 and at 2, approximately, was in the morning of May 21, it was a very
 brilliant object all day to the subject of the, - on the night of May 21,
 which makes it seem to be a very bright object - first of all, after
 observation about 1944, a bright object, as seen in the morning and
 after, because of the subject, and as to the stated date, this too is
 significant as a purely a positive estimate. The subject is a very
 significant to the subject of the, in the subject of the subject.
