London, 12-13-1944, July 22-23 July 1944

This London was a very busy one, with many people going to the airport, and the airport was very busy. The airport was very busy with many people going to the airport, and the airport was very busy with many people going to the airport. The airport was very busy with many people going to the airport, and the airport was very busy with many people going to the airport. The airport was very busy with many people going to the airport, and the airport was very busy with many people going to the airport.

It is at my present time the airport is very busy with many people going to the airport, and the airport is very busy with many people going to the airport. The airport is very busy with many people going to the airport, and the airport is very busy with many people going to the airport. The airport is very busy with many people going to the airport, and the airport is very busy with many people going to the airport.
