Date 9 May 1980

This report is the first of a series of monthly status reports of Project Ubrade. Last report will be written on or near the last day of the month and will contain a list of all incidents reported during the month covered by the report. The reports that are considered to be outstanding will also be summarized in the appendices of the report so that more details can be presented. The overall status of the project will also be presented.
