OFFICE OF THE
 Chief of Staff, Army, Washington

1. The following information was received from the Air Force Liaison Office, Washington, D.C., on 14 September 1957, concerning the activities of a group known as the "Honey Bee" group, which is active in the United States and is reported to be engaged in the development of a device which is reported to be capable of being used in the vicinity of an aircraft.

2. This information is being furnished to this office for its information and for the purpose of being placed in the files of the Office of the Chief of Staff, Army, Washington.

3. A copy of the report is being furnished to the Air Force Liaison Office, Washington, D.C., for its information and for the purpose of being placed in the files of the Office of the Chief of Staff, Army, Washington. The following references are listed in the report: (1) Report of the Air Force Liaison Office, Washington, D.C., dated 14 September 1957, concerning the activities of the "Honey Bee" group, which is reported to be engaged in the development of a device which is reported to be capable of being used in the vicinity of an aircraft.
