SIWOWS, Quise

1 January 1955

I. Description of Incident

An alarm sighted an unidentified flying object by 0625 W. The object was round and small and appeared to be whirring at its top. It moved NW, changing color in sequence of red, blue and white. From time to time, it maneuvered vertically.

II. Description of Incident

The report is lacking in background data. From the description, the object could possibly be a balloon.

III. Conclusion

Insufficient data to evaluate.
