Therefore, we would like to discuss the above and other reports we have gathered, with you in person. If it is possible to do so, we would like to visit the Air Force School of Aerospace Medicine, at the near future. At such time we would like to discuss how we might best aid you in such a way as we can in your program. Jim Schuster, Co-ordinator of A.T.R.O., was myself would represent our group. He will be free the weekend of August 5-10 and 16-17.

If you are in doubt as to the reliability of this letter, please bear in mind that I plan to attend the University of Pennsylvania; this will on a 4 year Full-Tuition Alumni Scholarship.

May I thank you for wishing for success in your research.

Very truly yours,

Robert C. Bartlett Jr.
