GRADE 2

20. In the following sketch, imagine your eye at the point shown. Place an "A" on the curved line to show how high the object was above the horizon when you first saw it. Place a "B" to show where it was when you last saw it.

21. In the following sketch place an "A" at the position the object was when you first saw it, and a "B" at its position when you last saw it.

22. Draw a picture that will show the motion that the object makes. Place an "A" at the beginning of its path and a "B" at the end of the path.
