REPORT TO OFFICIAL REPORT

Date: Jan 11, 1962
 From: [illegible]
 To: [illegible]

Object appeared in the northwest at about 10:00 and disappeared at 10:05. It was visible about 1 minute.

The attached sketch shows the approximate shape which seemed to be a sphere. The object itself was about 100-150 feet in diameter, about 1/2 - 1/4 inch.

It was described as being like the picture in sketch 1.

1. 1/2 inch diameter, 1000 feet
2. Object appeared to be a sphere
3. The object appeared to be a sphere

1000 feet

1000 feet

1000 feet

1000 feet

The above is a true statement.

It is covered
 by the sketch.

A red dot
 was not
 present.

See sketch.

At 10:00 A.M., 1962

Reported to the [illegible]
