21. In your own words please describe the sighting you observed. Be as thorough as desired. All observations from the time of first sighting to the time of disappearance are important. Include a description of the weather, wind, and cloud conditions at the time of this sighting.

OBJECT WAS SIGHTED APPROXIMATELY 1430 (20)
 ON A VERY CLEAR DAY WITH LITTLE OR NO WIND
 AT THE SURFACE. THE OBJECT WAS REPORTED AS
 WAS SWARING FACE UP. I NOTICED IT JUST BEFORE
 IT WENT DOWN THE COAST AGAIN AS IT CAME
 OUT. I WATCHED IT UNTIL IT DISAPPEARED. DURING
 SIGHT IT WAS TRAVELING FROM WEST TO EAST
 AT AN UNDETERMINED ALTITUDE. THE OBJECT WAS
 WHITE IN COLOR AGAINST A CLEAR BLUE SKY. IT
 WAS IMPOSSIBLE TO FIGURE ANY HEIGHT. IT WENT
 ACROSS THE SKY QUITE RAPIDLY, BUT NOT KNOWING
 ITS SIZE OR HEIGHT IT WAS IMPOSSIBLE TO
 ESTIMATE ITS SPEED.
