AIR INTELLIGENCE INFORMATION REPORT

An explanation of Flying Saucer Phenomenon

Italy

AIR ATTACHE, Rome, ITALY

7 August 1952

30 June 1952

ATTACHE J. RAY, Et al., UAF, Act. 2119, Roma TIRAC

Reference is made to the report of the Air Attache, Rome, Italy, dated 28 December 1952, regarding the flying saucer phenomenon.

Transmitted herewith a letter and translation thereof which exhibits an explanation of the flying saucer phenomenon as being due to artificial balloons caused by flight of aircraft in the atmosphere.
