minutes when these caught our eyes  
At first we both thought they were  
meteors but the comparative slowness  
(to a meteor) the size, shape and fact that  
there were two of them made us realize  
they were different objects than we had  
ever seen before

Name Lauren Rhoades  
 Address 2458 Wetherhead Drive  
 Date Alhambra, Cal.  
June 30, 1957
