This time do the people right
and tell them the truth instead
of holding it secret. People are
not quite as dumb as you think
they are. And in this case I am
afraid it belongs to the people.
If you don't let the people know
the truth I can inform you that I
am writing a book on the subject
and at least some of the people on
Earth will know. ~~truth~~

S.F. 17th of Aug. 1960

Sorry it took a long time to make up my
mind about it, if I should tell or not but
I feel it is my duty to tell or else it is
The signing of Red Bluff Saturday
night made up my mind to tell all the people about
it. That the State Police men saw is exact
words at most from the Bible what Ezekiel
saw and what Moses will tell all the people see.
Don't try to give another answer for it
because you know I am right and there
just is no other way of explanation.

Cordially
