is the biggest crime a person can do today
in the United States? Treason? Right.

Well it certainly was not just any
people that committed God to the Jewish
Clergy and his down to earth as he him-
self says that all what he ^{the Bible} says is told
in parables because the people of the time
did not or would not understand the real
truth if he told them. Which prove that
it certainly ~~is~~ not very bright people
living here at the time of Moses let us
say, which is the first books of the Bible
and apparently God told him about the
beginning of the world while they followed
him across the desert for over 40 years.

What, who followed who across the
desert you're wrong! You heard me right
God and angels too.

Now remember, that God himself
said that he made the human beings
