This cloud, God himself plus a number of Angels, let's take a look at this. Can anyone of you Gentlemen climb up on a cloud and stand on it. I don't think so. Get this cloud carried several people ~~of~~ made of flesh and blood. Now really, we all know a cloud can not carry even a little bird it has to fly right through it. How ignorant are we going to be to the facts Gentlemen.

~~and~~ You show me a cloud that will stop and go as this one did when it pleased them for over 40 years. It even stood on the ground beside Moses tent and covered ^{above} ~~about~~ the ~~Tabernacle~~ Tabernacle. Gentlemen please, I am not quite that dumb, and this in the hot desert even. My goodness if there is clouds that behave that way in the
