Garden of Eden if you please by a ship
from there. Now it says that Cain went
out and got married. Who did he marry?

Read on Gentlemen and you'll find
it also says that "at this time there
were Giants living on Earth, and the
children of God took a liking to their
daughters and married them."

It seems like this would tell you
a lot, if you only would use your heads.

The children of God was the people
that was put here by God, but there
was Giants here at the time. Who were
the Giants, none other than Earth's
own beings born here from scratch so
to speak. But God's children definitely
was not from this planet.

I can relate the entire thing
about the Bible the Great Mystery
or to speak if you wish. It has
