(S.A.S.F. Attention Sps. Mdr. 1915)

AIRMAIL AERIAL PHENOMENA

Submitted herewith are details of aerial phenomena phoned to Headquarters Southern Area, by Southern Command, Intelligence Officer.

(Signed: by W. R. ROSE)

"At 0845 2nd May, 1950, in ESW North Balgon a bullet nose object travelling at high speed and leaving a vapour trail.

Colour: Like a white hot metal.

Speed: Faster than anything seen before.

Height: Approximately 5,000 feet.

Size: Approximately same length as "Flying Fortress" but much wider.

Orientation: From Melbourne to East.

Visibility: About half light and cloudy with a slight break of about five miles off clear sky.

(Signed) E. F. MOORE

Squadron Leader
