<u>SUMMARY</u>			
15 May 1952			
<p>I was flying Major MacCrotte wing on a fighter sweep of North Korea this date when I called him a bogie at 9 o'clock position, object flashed in the sun. I quickly called him to roll up in a right turn as object was going under us from the left to right, when I saw object again it was almost out of sight and seemed to be rolling with puffs of white (2 or 3) behind it.</p>
