You are invited to attend an important meeting of your organization.

DATE: Sunday, January 13, 1980, 1 p.m.

LOCATION: 6161 Bathurst Street, Apartment 502, Toronto, Ontario, Canada. This is one block south of Steeles Avenue West, on the east side of the street, and is the residence of CUFORN's President Joe Muskat. Refreshments will be served.

AGENDA

1.00 p.m. Introduction of members

1.30 p.m. Presentation of complete results of 5-person investigation of double abduction incident in Toronto, a CE4 which occurred on August 4, 1979.

Included will be tapes and transcription of tapes of regressive hypnosis of one abductee, soil analysis results by the Ontario Government, Geiger counter data, photos of flattened grassy area, photos of marks on abductee's hand, statement by independent observer, descriptions of UFOs seen August 2, 3 and 4 by 21 observers, newspaper clippings from member John Musgrave describing similar UFOs seen August 2 in Nebraska and Kansas, U.S.A. one hour after objects seen in Toronto, drawings of three UFOs by three observers, completed sighting report forms, and drawing of Man in Black by one abductee.

3.00 p.m. Assignment of voluntary research projects in various areas of ufology.

These are to be assigned according to member's background knowledge, training and interests. The projects are long-term and could take as long as one year, using some of your spare time.

CUFORN has a comprehensive list of recommended books and magazines which can be used to obtain data. You can also try your local library, your own newspaper clippings or items from UFO clipping services, your own books, magazines and magazine articles.

Completed projects in written form will be edited by CUFORN's Larry Fenwick, an experienced journalist and magazine editor.

We will compile a list of completed projects, mail these to you and you may then order copies of any or all of these articles. Costs for the articles ordered, including xeroxing and postage, will be paid for by you, the member ordering them. Mail your order to CUFORN headquarters, stating which articles you wish. CUFORN will
