REPORTS

SMALL OBJECT IN THE GARDEN.

DECEMBER 5'TH, 1968. SWEDEN.

MRS S.H. FROM SLEMMESTAD HAD A STRANGE EXPERIENCE THE NIGHT BETWEEN 4'TH AND 5'TH OF DECEMBER 1968.

SHE WAS SITTING BEHIND HER WINDOW AT 0,35 PM. THE NIGHT WAS DARK AND THE SKY CLOUDY BUT THE GARDEN WAS LIT-UP BY THE STREET LAMPS.

WHEN SHE LOOKED OUT OF THE WINDOW HER ATTENTION WAS DRAWN TO A LITTLE LUMINOUS "THING" HOVERING IN THE GARDEN ONLY ONE METRE FROM THE WINDOW. IT WAS LIKE A FLATTENED BALL AND THE DIAMETRE WAS ONLY 2-3 CENTIMETRES. THE LIGHT WAS CONSTANT.

"FOR ABOUT ONE OR TWO MINUTES I WAS SITTING AND WATCHED THE "THING" WHILE IT HOVERED QUITE SLOWLY AT ABOUT 1,50 METRES OVER THE GROUND", MRS S.H. TOLD.

SUDDENLY THE "THING" CHANGED COLOUR TO RED IN THE EDGE AND THEN IT DISAPPEARED IN A WAY THE LADY COULDN'T EXPLAIN.

EDITORS NOTE: POSSIBLY THE LITTLE "THING" WAS A TELEMETERDISC. THIS KIND OF UFO'S IS VERY OFTEN SEEN IN SCANDINAVIA.

PHENOMENON IN THE SKY OVER FALUN.

FEBRUARY 10'TH, 1969. SWEDEN.

A STRANGE PHENOMENON IN THE SKY WAS SEEN ABOUT 8 PM BY ANITA ERIKSSON FROM STENSLUND IN FALUN WHEN SHE WAS WALKING HER DOG. IT WAS CLOUDY, WHY

A SCIENTIST FROM ASTROPHYSICAL INSTITUTE, OBSERVATOR ROLF BRAHDE, SAID THAT THE PHENOMENON WAS VENUS!

SO FAR THE SCIENCE. MR HANSEN HAVE NO DOUBT. HOW CAN A PLANET BE PLACED 100 METRES OVER THE ROAD?

A HOAX

10'TH YEAR ANNIVERSARY OF A HOAX.
.....

IN LOOK MAGAZINE'S FLYING SAUCER EDITION YOU FIND ON PAGE 30 A PHOTO CLAIMED TO BE REAL. IT ISN'T.

THE PHOTOGRAPH WAS TAKEN IN JUNE 1959 BY TWO MEN NAMED OLE STRANDGAARD 21, AND JORGEN EKVALL 23. IT WAS TAKEN EARLY IN THE MORNING, AND THEY GAVE THE PHOTOGRAPH TO THE NEWSPAPER "B.T."

THE NEWSPAPER USED THE WHOLE FRONTPAGE TO THE STORY AND THE TWO MEN CAME IN THE DANISH RADIO AND TELEVISION. THE SWEDISH TELEVISION WAS ALSO ASKING FOR THEM.

NEXT MORNING THEY TOLD THAT THE WHOLE STORY WAS A HOAX AND THEY LEFT THE MODEL USED IN THE OFFICE OF THE NEWSPAPER.

WW

ON THE NEXT PAGE YOU SEE A COPY OF THE PHOTOGRAPH IN THE NEWSPAPER "DAGENS NYHEDER".

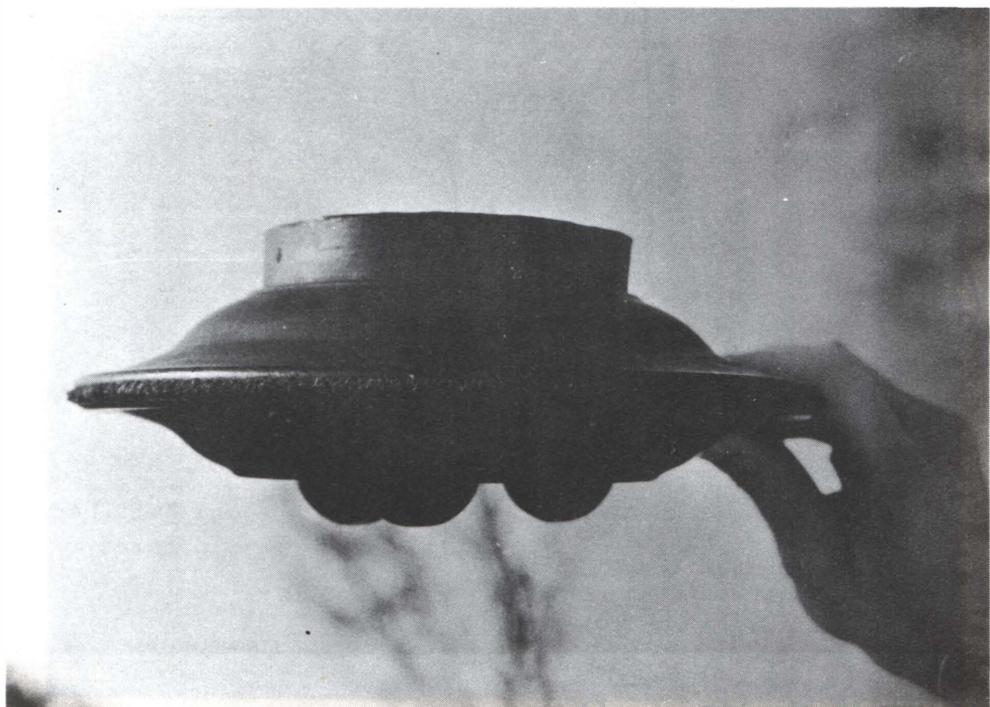

THE MODEL USED FOR THE HOAX IS SHOWN BY ERLING JENSEN FROM SUFOI'S CENTRAL OF REPORTS.

SUFOI have more than 60 contact addresses in Scandinavia, where people always can get informations about the UFO-case.

S.U.F.O.I.

Scandinavian U.F.O. Information is the largest UFO-organization in Scandinavia. S.U.F.O.I. was founded 1957; today it represents more than 5000 Scandinavian UFO-„fans“, most of them being Danish. S.U.F.O.I. greatly emphasises effective research and serious, sober, and objective information. We are editing a magazine in danish, UFO-NYT (UFO-NEWS) which is published 8 times a year, and besides we send out information in the form of pamphlets and books.

SUFOI-Reporter is a magazine that will inform you about development of the UFO-case in the Scandinavian area (Norway, Sweden and Denmark). We will welcome any kind of information from foreign organizations, magazines or persons concerning the UFO-Enigma.
