Dear Members:

Volume 25, Number 6 is the 150th and final issue of Ancient Skies, which we have published every two months without interruption for 25 years.

Those of you with paid memberships in the Society extending beyond February 28, 1999 will receive a letter from us within the next few days advising you of your options.

All 150 issues of Ancient Skies are available for US\$ 1 for each issue; however, if you order all the issues, the amount is US\$ 75 for members in the United States, Canada and Mexico. For all other members the amount is US\$ 100, which includes the cost of air mail postage. If you order the complete set you will receive free the Index of the first 132 issues.

Sincerely,
