THE AQUARIUS SEE-SAW

In our last Bulletin we had discussed the release of letters by the NSA to Senators John Glenn and Pete Domenici virtually affirming the existence of Project Aquarius. Their exact words were:

"Apparently there is or was an Air Force project by that name which dealt with UFOs. Coincidentally, there is also an NSA project by that name."

Based on this information, Peter Gersten conducted a phone inquiry and spoke to an NSA representative. It seems that the NSA did not really mean what they said! Instead, they explained that they had assumed that the Air Force had such a project based on public inquiries saying this was so. It was not based on any internal information acquired from the Air Force. The NSA emphasized that their "Aquarius" had no relationship to UFOs.

Either the NSA is trying to cover a slip or their letter writing leaves something to be desired. See more on Aquarius in Just Cause.

NOTES

- We have been informed through radio broadcasts that UFO sightings occurred during the middle of May for a two night period in Colorado. It was reported that NORAD had confirmed the sightings but we have seen nothing in the print media about it. Could a reader supply us with a clipping mentioning the sightings and particularly the NORAD confirmation?

- We will still cover the JAL/ Alaskan incident when the MJ-12 matter quiets down. We can say that we have the FAA file on the incident and can recommend to our readers that they select carefully the files they wish to purchase (see CAUS Bulletin #7 for ordering details). Pick one photo set, preferably a color one. Omit the tapes, there are printed transcripts for much less cost. Omit the computer printouts, they are useless to the average person. This would bring your costs down below \$20, a far cry from the \$194.30 the FAA wants for the whole package and you would have essentially the entire story in front of you.

- The joint CAUS/Mass. MUFON files in Stoneham, Massachusetts now contain the collected HUMCAT files of Ted Bloecher, who has retired from organized UFOlogy. It is contained in approximately ten boxes and is truly an awesome amount of raw material on humanoid reports through the decades. We are currently organizing the folders and have spotted several cases of interest to CAUS members. Serious researchers desiring non-confidential data from the files should write: Box 176, Stoneham 02180.

SECRETY FORM REVEALED

We have heard many times through the years of how UFO witnesses in the military have been forced to signed "secrecy forms" to prevent them from discussing details of their sightings. Reproduced below is a copy of a "Classified Information Nondisclosure Agreement" taken from a Department of Defense pamphlet (DoD 5200.1-PH-1, SF 189). We have shown the pamphlet with the form to several military UFO witnesses who have confirmed that they recognize the language used and the general format.

One can see clearly the threatening nature of the language in the form and the reason for the fear sometimes exhibited by witnesses after they sign it. We aren't sure we would discuss a UFO sighting after signing this paper!

An Agreement Between _____ and the United States
(Name - Printed or Typed)

1. Intending to be legally bound, I hereby accept the obligations contained in this Agreement in consideration of my being granted access to classified information. As used in this Agreement, classified information is information that is either classified or classifiable under the standards of Executive Order 12356, or under any other Executive order or statute that prohibits the unauthorized disclosure of information in the interest of national security. I understand and accept that by being granted access to classified information, special confidence and trust shall be placed in me by the United States Government.

I hereby acknowledge that I have received a security indoctrination concerning the nature and protection of classified information, including the procedures to be followed in ascertaining whether other persons to whom I contemplate disclosing this information have been approved for access to it, and that I understand these procedures.
3. I have been advised and am aware that direct or indirect unauthorized disclosure, unauthorized retention, or negligent handling of classified information by me could cause irreparable injury to the United States or could be used to advantage by a foreign nation. I hereby agree that I will never divulge such information unless I have officially verified that the recipient has been properly authorized by the United States Government to receive it or I have been given prior written notice of authorization from the United States Government Department or Agency (hereinafter Department or Agency) last granting me a security clearance that such disclosure is permitted. I further understand that I am obligated to comply with laws and regulations that prohibit the unauthorized disclosure of classified information.
4. I have been advised and am aware that any breach of this Agreement may result in the termination of any security clearances I hold, removal from any position of special confidence and trust requiring such clearances, and the termination of my employment or other relationship with the Department or Agency that granted my security clearance or clearances. In addition, I have been advised and am aware that any unauthorized disclosure of classified information by me may constitute a violation or violations of United States criminal laws, including the provisions of Sections 641, 793, 794, 798, and 952 Title 18, United States Code, the provisions of Section 783(b), Title 50, United States Code, and the provisions of the Intelligence Identities Protection Act of 1962. 5. I hereby assign to the United States Government all royalties, remunerations, and emoluments that have resulted, will result or may result from any disclosure, publication, or revelation not consistent with the terms of this Agreement.
6. I understand that the United States Government may seek any remedy available to it to enforce this Agreement including, but not limited to, application for a court order prohibiting disclosure of information in breach of this Agreement.
7. I understand that all information to which I may obtain access by signing this Agreement is now and will forever remain the property of the United States Government. I do not now, nor will I ever, possess any right, interest, title, or claim whatsoever to such information. I agree that I shall return all materials which have or may have come into my possession or for which I am responsible because of such access, upon demand by an authorized representative of the United States Government or upon the conclusion of my employment or other relationship with the Department or Agency that last granted me a security clearance. If I do not return such materials upon request, I understand that this may be a violation of Section 793, Title 18, United States Code, a United States criminal law.
8. Unless and until I am released in writing by an authorized representative of the United States Government, I understand that all conditions and obligations imposed upon me by this Agreement apply during the time I am granted access to classified information, and at all times thereafter.
9. Each provision of this Agreement is severable. If a court should find any provision of this Agreement to be unenforceable, all other provisions of this Agreement shall remain in full force and effect.
10. I have read this Agreement carefully and my questions, if any, have been answered to my satisfaction. I acknowledge that the briefing officer has made available to me Sections 641, 793, 794, 798, and 952 of Title 18, United States Code, Section 783(b) of Title 50, United States Code, the Intelligence Identities Protection Act of 1962, and Executive Order 12356, so that I may read them at this time, if I so choose.
11. I make this Agreement without mental reservation or purpose of evasion.
