Roy H. Neuberger's Personal Interpretation of the Bible and the Christmas Story.

There is evidence that many things about Jesus were told long before his birth through the word of the space people. It states in the Bible, Jesus went on a long journey fulfilling the prophecies of 12 planets like our own. He will return to fulfill the word on this planet which is "Thy will be done on Earth as it is in Heaven." The time of Christ began about 100 B.C. when the Baby Jesus was born. The reason I say 100 B.C. is because the English Calander has lost about 100 years through the eons of years since Jesus's birth. An Angel appeared unto three shepherds (Angel: A Space messenger from Heaven today called flying saucer men.) tending their flock. The vehicle which transported the Angel from Heaven (I call them Angel's because they have been commonly referred to as such down through the ages.) is what we call flying saucers, but in the Bible termed as cloud, fiery chariot, whirlwind, black cloud, rools, fiery dragon, tabernacle, throne, etc.

Jesus was born on this planet because He, out of all the people here or out there volunteered to be born into the worlds of exiled people..Jesus is on a mission which is to bring the ways and life of those in Heaven to Earth, as for many other exile planets like ours. Many of us on this planet, although we do not realize it consciously, volunteered ourselves to be born into this world for a mission, which is to teach a lost people, lost in the midst of their own ignorance. If you have had a sighting you have received something out of God's eternal Heaven that you can use to benefit your life, or destroy it. For the Devil also has the power to call down the fires from Heaven.

When the word was given by the space people telling us of the coming birth of Jesus, many did not believe it, and do not to this day. Some call it the work of the Devil. One must realize one can not go far in saucer research without accepting the Holy Bible. Remember, Minority shall see, Majority will not see and be led astray. The Jews, Protestants, etc., do not realize the things that they have been predicting out of the Biblical scriptures, is all included in Revelation of the Holy Bible, little do they realize most of the predictions are happening right now. If information were released as to prove this point, it would shatter a foundation of an unprepared world.

We celebrate Christmas because we are rejoicing over the birth of Jesus and His mission thereof. But, what we do not celebrate and accept is the true meaning of Jesus's teachings, and the great and tremendous affect it will have on our lives, our hapiness and our future. Only, the time has come, for you, the public, to partake and teach the happenings which are upon us.

Jesus is not the most advanced being in existence, for He said himself there shall come others greater than me. Into His words above fit the Cosmic Beings who live in a entirely different vibration than our own. The Cosmic Beings are advanced souls who in turn, like us, are striving to become something better.

The coming of Jesus shall be known to the Minority, it will be announced when a total of three days darkness shall dawn upon an unprepared world. It shall come at the Midnight hour. World War III is the last World War to have been sponsored by the Beasts, for they and their followers shall collaspe after the troubles over in Europe and Asia develop into a world war.

Dear Mr. Neuberger:----- I wondered what was wrong, and now that the matter is cleared up with your explanation of being on vacation, I figured that they either had you in the "NUT HOUSE,"-----or that one of the "Space Brothers," had teleported you to Saturn-----298 years to make the trip at 600 M. P. H.

As a Psychiatrist-----I take pleasure in sending enclosed here-with a picture of a "Psychopathic Nut," who used to have "sane Intelligence," and drove a TRUCK-----He probly was endowed with "what we all have," that God given instince-----of Theological, Physical, and Posative state of reasoning called "COMMON SENCE." HE PIDDLER THESE MENTAL ATTRIBUTES AWAY, BY CONCENTRATEING **** (UPON WHAT SOME OF OUR FLYING SAUCER NUTS ARE THINKING ABOUT****)

I-N-C-A-R-N-A-T-I-O-N----- (which is a damed lie) and figured that he was the personification in bodily form "through incarnation," of the African GOD KIBUKA --- (GOD OF WAR) well he got a lot of such-ers as followers, worked up a frenzied stink among people-----got a police officer murdered-----and is new 20 years behind the bars. HE WAS INTERCEPTED BY THE GOD THING!

I have got a good set of brains-----I think?

But I don't seem to be able to follow your line-----and you can't hook me-----about this crap of the "Interception of the God thing". If you are not able to explain what you mean in plain english-----and are useing this as a cover up-----implying you'r Super-duper Intellectualism-----as one endowed with the supernatural instincts on the highest pedestal of authentication, outside of the mythological-----then you are a super-genius, that will put our meta-physical philosophers out of the hall of fame.

You know the Visitors & etc.-----and where to find them?

You cant scare me a damed bit-----by this threat-----and when you make this kind of a statement-----you are dodging the issue-----like a little school kid that got hell licked out of him by another play-mate -----Hes said-----"MY DAD, CAN LICK YOUR DAD!" Why don't you stand up

and do your own argueing about Flying Saucers and the Devil-----you are dodging my truthful word-----YOU HAVENT EXPLAINED JUST WHO THE VISITORS ARE-----and like to keep me guessing? Well being a student of Theology, Demonology, Palentology, Astronomy, Geology, and much other higher learning----- (Watch it Mr. Lamb, you might bump your head!) I am able to detect that these VISITORS are demons you mention!

DONT BOTHER YOU ABOUT THE DEVIL----- I have correspondence from some of the "Civilian Saucer Intelligence," of New York-----one of the fore-most scientific U.F.O. investigators in the U.S., and they are now promulgateing the facts----- that Flying Saucers," are sky piloted by Devils. (And so you are not so smart----- other people have a right to think, and tell others what you might think, they think.-----BUT YOU ARE AN EXCEPTION----- (Like Geo. B. Williamson, of Prescott, Ariz.) (I used to correspond with him about his teleonic device----- (a tropospheric scatter brained radio modulation apparatus, designed to intercept SIGNAL Conversation from the Saucer Space Men & etc-----) and I told him it wouldn't work, and it don't.-----

IN MY ESTIMATION YOU STAND ALONE----- with you'r Visitors? No body but SUCKERS-----will believe you-----Suckers that are teleported to the Planets-----that take trips inside Flying Saucers-----that communicate through Mental Telepathy, & extra-sensory preception & etc-----with the Space Brothers-----who are "Greatly Evolved Beings," and Chief. Uniphysicists, & etc-----and all such B*S, and poppy cock. And so I am beginning to believe that you are minus the "Theological, Physical, and Posative mental state-----as you can not discuss the "Theological,"-----without discussing "GOOD AND EVIL,"-----and this brings in a personal author of all EVIL-----

Now with no malace-----this ends the discussion-----and be sure and continue--my subscription to your good "COSMIC NEWS," Kindest wishes--Mr. Wm. C. Lamb.

Dear Mr. Neuberger:

On the night of September 30, 1956 Fred Mayer, Bill Zeller, and myself all observed a strange V formation of tiny lights flying over Cuyahoga Falls, Ohio.

We only had the objects in sight for about 3 or 4 seconds, but nevertheless we got a good look at them.

There were about 20 of them, 10 on each side, and there seemed to be a hazy glow surrounding the group.

I am trying my best to find out if anyone else observed them.

In a recent issue of COSMIC NEWS you mentioned that there is a group in Cuyahoga Falls who watch for U.F.O.'s every night.

Could you possibly give me the name of this group so that I can find out if they witnessed this same flight of "saucers"?

I would also appreciate it very much if you would send us one of those 8-page question sheets. After we fill it out I will return it to you.

An amazing "saucer" sighting took place over Akron, Ohio on October 4, 1956. Hundreds of people, including police, viewed strange red and green objects in the night sky.

I learned of this incident through the news on the radio. But strangely enough our newspaper, "THE AKRON BEACON JOURNAL", didn't say a thing about it.

As a matter of fact they never print anything on "saucers". Maybe once in a Blue Moon but usually it's something so silly, no one will believe it.

I have been a "saucer fan" for about two years now and just recently I joined a newly formed club called the "Akron-U.F.O. Research Association".

I am having a small article published in their first issue of "THE AKRON U.F.O. RESEARCHER." It will be titled "WHAT ARE THE FLYING SAUCERS?"

And I was wondering if you accepted manuscripts from your readers.

For some time now I have been thinking about printing my own "saucer magazine". I have a friend who would go in with me

(Next column)

on the project. He also has all of the equipment I would need.

But the problem is, where do I get my news and information? I don't want to copy out of other publications. If there is some way you know of where I could get some "fresh news" I would be very thankful.

I plan on having about 10 pages and it would come out every 3 or 4 months.

Am hoping to hear from you soon.

Sincerely,

John L. Zeller

Ed-

Thank you for your very interesting letter. I am sure our readers will try to help you out in getting information by sending you news clippings from various parts of the country. Maybe even some of them will want to become a reporter on different U.F.O. sightings for you in their area.

I will send you the 8-page questionnaire as soon as we have them mimeographed.

The group I was refering to in the last issue of COSMIC NEWS is "UFO RESEARCH ORGANIZATION, 1309 Forest Glen Drive, Cuyahoga Falls, Ohio. I am sure you will be able to get in touch with them, and will be able to receive much information through them.

YES, by all means we accept manuscripts from our readers. We have been trying to encourage that for some time now.

A good source for information is in the Holy Bible. The SUM of the saucer mystery is within the Bible. It is like working an Algebra problem in trying to find the parts that make up the sum.

Cosmic News wishes you the best of luck.

FLYING SAUCERS AND THE AIRFORCE

Flying saucers from outer space
 Has got the Air Force high command!
 Chasing saucers at super-sonic speeds
 The saucers can't find a place to land!

People in the U.S.A. would like to know
 Why saucers are soaring through our skies!
 The Air Force in this respect, it seems,
 Don't give us the facts, and nothing but lies

Our Scientists are creating Atomic bombs,
 Guided missiles, and Space Satellites as well!
 Saucer sightings have now disappeared—
 They don't want to be blown into Hell!

They seem to recognize our coming fate,
 We are going to commit International suicide!
 When the bombs, and rockets blow up the world,
 We will not be able to save our hide!

And after every thing is said and done,
 The astounding facts will still remain!
 That the Air Force has gone completely NUTS—
 The rest of us ADJUDGED as INSANE!

GEORGE ADAMSKI AND HIS CONTACTS WITH OUTER SPACE

Many of us still can not see ourselves through Mr. Adamski, however, I must say it could not be any other way than the way he has told us about life among the people in outer space. Of course, Mr. Adamski's contacts were in our own realm of existence, they were not in other realms of space time and matter. As Mr. Adamski has said, some of the saucers are evil, however, the larger percentage of them are not. Most of us are acquainted with Lucifer who is an evil man. He also has under him space people. At this very moment Lucifer is in or around Egypt, he is under the name of Abdul Baraba Baha. He has himself all set to fulfill the prophecies in which he shall deceive many because he shall claim to be Jesus. At this time, right now, we are living Revelation Chapter 12. Concerning the false rumor about Earth-made flying saucers, the people who try to make up such explanations are not considering facts, but they are still doing it for a GOOD reason. Confusing is it not?

May I quote from the Seventh Book of Moses. "IN THE LONG PASSAGE OF EONS OF YEARS, THE WORKS OF THE WORLD SHALL BE GOVERNED BY THE INHABITANTS OF MARSIA WHO SHALL BRING PEACE TO A TROUBLED WORLD FOR A THOUSAND YEARS, THUS ENDING WARS AND RUMORS OF WARS." Mark 16:10 "AND OTHER SHEEP HAVE I WHICH ARE NOT OF THIS FOLD, THEM ALSO I MUST BRING AND THEY SHALL HEAR MY VOICE, AND THERE SHALL BE ONE FOLD AND ONE VOICE". (Next column)

There have...been people that have been with Mr. Adamski while being contacted in one way or another. Mrs. Laura Marxer of THE INTERPLANETARY FOUNDATION is listed among them. Really contacts with space people from this realm or another happens every day. Contacts with saucers have been going on for hundreds of years, few knew about them. In fact, Abraham Lincoln is connected in the saucer mystery in this way. Mr. Adamski's books are excellent for the beginner, and help him to go into this field in the right way. But 90% of the time after reading Mr. Adamski's books or hearing one of his lectures the affect will wear off in time. THIS MUST HAPPEN, FOR IN ORDER FOR ONE TO TRULY SEE THE TRUTH YOU HAVE TO GET ALL ANGLES, THAT IS, INVESTIGATE THE EVILNESS OF THE SAUCERS TOO. But finally after all is said, you will come to the conclusion Mr. Adamski has had the answer right along. DO NOT BE FOOLED, MR. ADAMSKI KNOWS MUCH MORE THAN HE LETS ON. Of course, by the time you realize these points you will find Mr. Adamski's books are a bit primitive in form for you. In other words, you will want to investigate each and every topic deeply. Some people say it is not good to go into things too deeply. THEY ARE WRONG, IF IT WERE NOT FOR PEOPLE DOING SO, YOU WOULD NOT EVEN BE HEARING ABOUT THE REALITY OF THE FLYING SAUCERS THEMSELVES.

The secret of the saucers takes in the following, The journey of the soul, the hereafter, the truth about reincarnation, spiritualism, astrology, the Bible, the KOSMON BIBLE, Atlantis and countless other civilizations of the past like ours, the Dero and the Tero, the COSMIC BEINGS, the planet Lucifer and Lucifer the man who is on this planet, Occult, SILENCE GROUP "BIG" "BOYS", legends of the Indians, celestial beings, religions of all types, Mount Sahsta and Mental contacts. ATTENTION, notice that this list is not complete, there are countless other things. Please note: I did not mention Earth-made saucers--WHY?--I think you "know".

Now do you see why Mr. Adamski's books ARE IMPORTANT, for him to write what he did he would have had to have contacts. There is no doubt in my mind as to whether he did.

Mr. & Mrs. Reeve authors of the coming book THE FLYING SAUCER PILGRIMAGE know Mr.

(Continued on page 7.)

Adamski and have worked with him. In fact, they have had a very interesting sighting of a cigar shaped craft, which are the mother ships.

If you do not consider this article an article of truth, then you have completely dismissed the teachings of Jesus. Of course, many of you will say you have not, in that case I advise the following--COSMIC NEWS HIGHLY recommends UFO AND THE BIBLE by M. K. Jessup, and PRIVATE GROUP LECTURE FOR ADVANCED THINKERS by George Adamski, FLYING SAUCERS AND THE BIBLE by Rev. John Miller. The items above will open up a hidden door in your mind and will cause you to THINK, after this drop us a line and we will recommend something more advanced yet!

PRIVATE GROUP LECTURE FOR ADVANCED THINKERS \$1.50 and FLYING SAUCERS AND THE BIBLE \$1.00 can be obtained through THE INTER-PLANETARY FOUNDATION, 643 West Forest Ave., Detroit 1, Michigan.

Many authors of saucer books are against George Adamski, did you ever stop to think that there is a DIVINE reason for everything. Each and every saucer researcher and what he has to say is important, because what they say leads you to a conclusion, they are just as important as anyone in this field. BUT STILL, DO NOT BE LED ASTRAY.

Although you may not understand the following THE LAWS OF THE COSMOS ARE EXTREMELY IMPORTANT.

The whereabouts of Elijah and Moses are known. It would surprise many to know where they are.

In closing this article, telling the truth is part of Jesus, and the truth is Jesus. We find the old saying true--the truth does hurt sometimes. For all of you will just close this page and read another and forget this article. Remember in the future, the hints of the secret of the saucers was partly hidden in COSMIC NEWS. We find as we go on in saucer research, the more we find out, the more we realize we don't know. Some time in the future you will realize the same.

ALBERT K. BENDER

Mr. Albert K. Bender is one of many saucer researchers that has been shut up by the Silence Group. Many people, in fact,
(Next column)

about one fourth of everyone who reads about the hush up in THEY KNEW TOO MUCH ABOUT FLYING SAUCERS by Gray Barker will not believe it. Visits from the Silence Group is nothing new. It has happened to many others. In fact, people could have found out the answer MANY years ago, some did.

PLANE FROM BRITAIN TO AZORES MISSING, VERY IMPORTANT PART OF REPORT CENSORED FROM PUBLIC

Early on Friday, October 12, 1956 there was a DEFINITE SOS picked up by a Pan American plane over the Atlantic west coast of Ireland. The SOS came from a four engined C-118 carrier. The last time it was heard from was 180 miles off the southwest tip of England. All together on the plane were 59, 9 crewmen, two officers and 48 airmen from the Strategic Air Command Base at Lincoln, Neb. The plane completely disappeared and as yet there has been no trace found of wreckage. GET THIS, THIS IS THE POINT, around 11:15 Friday night while Mr. Pierce was talking to Gray Barker over the phone, Mr. Neuberger was watching a news broadcast over the TV. THEY STATED THAT A BARREL-SHAPED OBJECT WAS RIGHT ALONG SIDE THE PLANE. THE FOLLOWING DAY IN THE NEWSPAPERS AND EVEN ON THE RADIO THERE WAS NO MORE MENTION OF THE BARREL-SHAPED CRAFT. "THIS WAS A RESULT OF CENSORSHIP." As far as we know it was only mentioned once over the news broadcasts. We would like to hear from others AS SOON AS POSSIBLE WHO HEARD THIS SAME BROADCAST ABOUT THE BARREL-SHAPED OBJECT. The craft was most probably a mother ship. Lee Childers a man in Detroit, Michigan asked one of his saucer contacts why they took planes and crews off ships, etc. The spaceman got red in the face, and quickly got off the subject not wanting to answer the question. Mr. Childers did not like this too much, although now there is a reasonable explanation.

Hints in the movies "Red Planet Mars", and also "Immediate Disaster." Many good hints in the Book of Revelation, Chapter 11 of the Holy Bible. There is a certain group that thinks they are more powerful than the forces in Heaven. It is being proved otherwise to them. Of course, some of the saucers are of evil origin. For

(Continued on page 8.)

Lucifer can also call down "THE FIRES" from Heaven. So right there it shows us that some of the saucers are of evil origin. Of course the evil saucers are only from our own realm.

ATTENTION: DON'T FALL FOR THE HOAX OF NOVEMBER 7.

It has been said that on November 7, 1956 there is to be a contact with the people from Mars over Los Angeles. COSMIC NEWS has found all this TO BE A HOAX. The group that perpetrated this hoax has completely broken up and its head has left the country. Most probably not to face the results. Its too bad things like this happen in the saucer field. It leads many astray, and many of them never return because then they begin to think everything is a hoax. There is a "VERY" slim chance the alleged contact on November 7th is true.

ATTENTION SILENCE GROUP

We would like to upbraid for not contacting us as yet. People will know if and when you do if CON does not get out. COSMIC NEWS IS READ BY SPACE VISITORS AS WELL AS ALL OTHER PUBLICATIONS

While starting out with our publication, we received many subscribers from all over the country. We have found that a large percentage of the very first subscribers are on almost every U.F.O. publications mailing list. It must be quite amusing for the space people to read about themselves and to see how much the editors of different publications really know. Do you realize that out of the very same press from which this very issue came, some of the issues are most probably on a different planet.

ENOUGH SPACE SHIPS IN ATMOSPHERE TO EVACUATE EVERYONE—Next column.

CONGRATULATIONS

The Interplanetary Relations Group, 90 Pingre Street, Detroit 2, Michigan sponsored a convention in Detroit in which two representatives from almost all the Michigan flying saucer clubs and organizations attended. All in all, there were about 150 people at the convention. Many interesting points were brought out. There wasn't one delegate who didn't leave that convention richer than when he came. The gathering was very well executed and Cosmic News wishes them all the success the future has in store for them.

ATTENTION! Ye old Devil chaser:

Mr. Lamb's letters are the type used by the Airforce to show people, that saucers are nothing but crackpots bunk.

In one letter Mr. Lamb stated he understood exactly everything I told him. But when Gray Barker, Mr. Pierce and I went to Detroit we saw a letter by Mr. Lamb asking Gray "what he knew about this Interception of God 'thing", when he told us he knew all about such matters. (Mr. Lamb your slipping).

Everything with Mr. Lamb seems to happen between the house and the barn. He should get off his chicken roost and try to see what's going on in the world.

Mr. Lamb stated in one of his Devil-scorching letters that he was offered 60 thousand dollars to lecture for 3 days. There is but one thing I do not understand Mr. Lamb, and that is, why don't you get a new typewriter, and I mean a new one! And you had better go back to school again or us so-called higher learned people (as you would say) won't believe your chicken scratch. Even Mr. Moseley our Earthmade saucer man has gotten disgusted with you. From what I hear, Mr. Williamson is disgusted with you also.

You had better learn more about saucers ye old Lamb, before you get YEE'OR wig powdered by the Devil himself. In other words Mr. Lamb, don't fly to high when your

AUGUST 25, 1956

While Howard Neuberger and I were on our way down to Clarksburg, West Virginia to see our good friend Gray Barker, there was a strange phenomena which was sighted by me out over the fourth engine of the plane. It was what most saucer researchers call a scanner. These scanners are probably like our radio and TV and serve them in much the same purpose. We do know that each and every one of us is watched from time to time by the space visitors. This object had somewhat of a distinct shape to it, and followed the plane for a little way. Mr. Neuberger did not see it, he was not paying attention to things out the window at the time. This sighting inspired me greatly afterwards and I told Gray about it the same night. Howard and Gray asked me a swarm of questions about it and it inspired them greatly to know by my experience that what they say is true, "WE ARE ALL WATCHED, EACH AND EVERY ACTION IS KNOWN.

To my knowledge, no one on board except me did actually see the object. Most of the people in the plane were not paying attention.

This is not an authentic photo. Its a superimposure of what was actually seen.

he turned on the power suddenly disappeared. He said it disappeared so rapidly that he couldn't see it go. He is in the act of constructing another one so that he can find out just what went wrong with the first one. He wants to keep his research a secret until he gets a patent on his new machine. Carpenter is a bit eccentric, but seems to know what he is doing.

BOOK REVIEW

"STRANGEST OF ALL" by Frank Edwards' is an excellent collection of intriguing 'mysteries'. A few stories in his books would be considered 'classics' as they appear in nearly every book dealing with similar subjects. Many of them were entirely unfamiliar subjects which he presents in a clear, concise manner. Others are modern occurrences in which he relates the facts without personal consent. All the stories are interesting, fact reading and fantastic.

Dear Mr. Neuberger

to this planet when a baby, and left to grow up here?

You asked for sightings. I saw a group of saucers September 21, 1956 at 2:30 P.M. There were from 50 to 75 saucers, very high, and traveling south-east. I first saw them while I was in the middle of the block. I stopped, then continued to the corner so I could watch them longer. They finally disappeared in the distance. The time I was able to see them was about one minute. The day was sunny and warm. No clouds. I didn't notice too much else about them.

Ed. I received the information about the 12,000 people in the United States through Mrs. Laura Marxer of THE INTERPLANETARY FOUNDATION, and from other sources.

YES, a baby could be brought here to grow up as one of us on this planet. There have been stories of things like that told in many flying saucer books. WHO KNOWS, maybe your next door neighbor might have been a baby brought here from outer space. I AM NOT JOKING.

In the following story, we will not give the names or the place in which the following story took place. We are going to report it EXACTLY as we received it.

WILL 1956 BE THE YEAR THAT CHANGES THE WORLD?

"After careful consideration of the momentous and seemingly unbelievable facts I am about to present to you in the following report, I must ask your cooperation in seeing to it that these facts do not reach the ears of the public as that could cause a panic or disturbance of such gigantic magnitude it would cause the rulers of the Earth to tremble in their boots. Please try and remember how Orson Wells caused a panic when he described a fictitious Martian Invasion some years ago. This report might well cause a similar episode right here in this UFO meeting now.

To begin my weird tale of woe, may I say I was not drinking an intoxicating beverage when this secret interview took place, as a matter of fact I was listening to my television when the whole matter arose. All of a sudden my phone began to ring. I sprung up, ran to, and grabbed the receiver and blurted out, Mr. X speaking. The voice on the other side of the phone answered in a very low voice "Meet me in ten minutes at the corner of XXXX. I will be wearing a black tuxedo with a black topper hat and wearing gold rimmed spectacles.

When I asked him who was calling he quickly replied, "I am a well known explorer and geographer from another solar system who has come to give you a special message to give to the people of the planet Earth," and before I could utter another word the mysterious voice had hung up. I immediately became suspicious of someone trying to pull some kind of a practical joke on me and I thought to myself, "Why couldn't I pull a practical joke on this rather wise guy who goes around maybe trying to get people to come out of their homes on corny wild goose chases. However I combed my hair and proceeded to walk toward the corner of XXXX. But before this I went to my dresser drawer, took out my trusty 38 colt, loaded it with bullets and strapped on my special shoulder holster. I meant to take no chances whatsoever.

As I walked toward the corner I became aware of the fact I was being followed, or tailed as I call it by a group of men in black suits driving a 1956 black Eldorado Cadillac automobile. When I reached the corner the Cadillac pulled over to the side of the curb beside me and a voice shouted out "hey you, what's your name?" I immediately replied Mr. X. To this another voice said hop in the car if you know what's good for you bud. "I obliged, and was immediately whisked off to the other end of the city where I first came into contact with a very small sized man named Otto Von Mobile. Mr. Von Mobile explained to me that he was part of the Interstellar Bankers Association which meets regularly on this planet every 10 years in order to talk matters to chop over with the International Bankers on this planet.

Mr. Von Mobile asked me if I would mind taking a little ride with him to a field

near the corner of XXXX. I gave my consent and we began our journey of which I will never forget, because while on this journey I learned more about the Universe than I would probably would have normally in 100 years otherwise. Mr. Von Mobile began to relate a rather strange story of a man in Los Angeles, known to few as "The voice of two worlds". It seems that this strange man in Los Angeles has received through very strange circumstances the prophecies of this world covering these times in which we now live. The "voice" stated there is great dangers in this world to look forward to in the threat of an invasion by the armies of another planet whose sole purpose is to destroy us in one way or another. However the "voice" went on to say that although there is the presence of Great Danger, there is also greater opportunities for us to save ourselves of this disaster if we would heed his advise and prepare to meet the foe as soon as possible.

Mr. Von Mobile went on to tell me how the "voice of the two worlds" could lead us to victory by his powers of increased bodily strength, magnetic personality, courage and poise. He stated we could find these strange methods in far-off and may I say mysterious Tibet. He says our personalities would be almost unbelievably improved in the power of mind which would cause the achievement in our business and professional lives causing success and new happiness, thus causing others to possess increased bodily strength, magnetic personalities and the power to fight for selfpreservation which was the chief cause for the group. We must however exercise the hidden practices which were hidden from the people of the majority and allowed to flursigh in the people of the wealthy of their day. These hidden practices were very wicked and employed the use of witch craft, voo doo and yogge. Mr. Otto Von Mobile went on to explain how he wished I would join up with this group of difnitaries as soon as possible before it was too late.

I replied in a very stubborn manner by advising Von Mobile that I felt he was not giving us a fair chance to settle all our important affairs of state. He replied in a distastefull way, "Beware" of these last days". "Mars is about to attack Earth. He

went on and on explaining what his part is in the matter. All of a sudden Von Mobile disappeared from the spot without even saying goodbye to anyone around the hospital for insane inmates. The field disappeared also and I found myself standing all by myself in a farmers orchard. I drove around the orchard to find a way out, however to my surprise there was absolutely no way out of the orchard. All of a sudden Von Mobile was back again with me only this time he held a scroll of names of the International Bankers on this Earth. I examined it thoroughly to make sure it was not a fraud and to check the names over to see if I might have recognized any of them. Well I must confess I did recognize a few names that was listed thereon. I found all of our names listed in alphabetical order. However Mr. R's name was underlined in red ink and I asked him why his name was underlined in red ink and he replied by saying Mr. R. was one of their chief interests and that he was so high up and important in the field of Unidentified flying Objects.

I began to worry about Mr. R. very much and I did not know what to say to him about this strange meeting of the black suited bankers or what part he fitted into the picture. However I have since made up my mind as to what I must do and that is to back Mr. R up to the hilt in the investigations of UFO's. People of the executive council please pay heed to my advise and support Mr. R. as he is the only possible way out of a very distasteful situation. Please keep this letter strictly confidential as it contains strictly classified reports herein.

I shall let you know what results in this matter as soon as I finish attending the school of hard knocks. So till then I remain your Vice President and Asst. Director, chief project coordinator and chief investigator.

One by one, the leading figures among flying saucer reseachers, who have challenged the government denial that saucers come from outer space, have been silenced.

Outwardly, nothing seems to have happened to these men. They are still alive, still living where they used to. But they no longer publish saucer research material and they will not talk about saucers or why they no longer will speak of them.

Three men in dark suits have visited these saucer researchers. Nobody knows what they said, but it was enough to reduce their hearers to silence.

Perhaps the silenced men know who the three dark-clad visitors are, but they won't talk about this either. And nobody else seems to know who these men are. They might be government agents, they have muscled into a situation fraught with many possibilities.

This is part of the ture story told by an otherwise prosaic and successful Clarksburg, West Virginia, business man, Gray Barker, whose busy film booking and buying agency in Clarksburg News Building scarcely seems to be the place to give forth this story stranger than that of any of the pictures that Mr. Barker is booking.

Mr. Barker never was interested in flying saucers until 1952 when one of the most - astonishing ones allegedly landed near his home in West Va. and he investigated the story and found the shaken and fearful eye witnesses convincing enough to go on with further investigations.

Then, after several years of close contact with leading men in the field, he found them, is told in his book.

H. G. Rhawn, publisher and owner of the daily Clarksburg News, the author's home town paper, has authorized University Books to publish a letter from him which, while carefully disclaiming any credence in flying saucers, concludes that when sober and successful a business man as Mr. Barker finds the field important enough, flying saucers deserve serious investigation.
