In the latest issue of Proceedings, Vol 5, No 4, Mr. G. W. Van Tassel brought up one of the most important points ever to be brought to the light in flying saucer research for quite a while. This point mainly was that there are saucer organizations that are really anti-saucer designed by the hush-hush group. These saucer organizations have put forth an effort to discount anything which is found to be authentic, mainly contacts with the space people.

The International Bankers, (meaning the Illuminati), are under a leader who we have known in the past as Satan, have conquered the entire world. Their empire today remains hidden, but they are planning the day when they may claim themselves rulers "OPENLY" to the general public. Thus saucer people being largely uninformed on this matter have to be brought up-to-date and warned as to the Illuminati and how they HAVE ALREADY entered into the saucer field.

Before we go on much further, we have to first learn what the terms "Illuminati, and International Bankers mean. One of the foremost writers on this subject is a Mr. Wm. Guy Carr. We wish to quote from his book "Red Fog Over America".

Illuminati: A small but powerful group of wealthy men; scientists, industrialists, military and political leaders who give allegiance neither to God or any world Ruler. They are loyal only to their chosen leader. They worship wealth and power, and Satan. They breed, and train, and educate their agents from early youth to act as false "Specialists", "Experts" and "Advisers" to the remaining National governments. They constitute "The invisible government behind governments. They work to bring about a One World Government which they intend to place under the King-Despot of their choice. The Protocols are their "Scheme" by which they hope to achieve their goal—"The Despotism of Satan."

So many ask: "Why is it when I read saucer publications and different periodicals they are always different and contradict one another? The answer to this question is quite a simple one. 1. If one of these certain saucer groups are not one of the many Anti-Saucer groups themselves—really the Illuminati, then they are just following the pattern put forth by the real Anti-Saucer Groups blindly. IF they are, they must be brought out of this daze before IT IS TOO LATE! 2. One may ask 'why the Illuminati have penetrated saucer research, and now constitute the larger makeup? Mr. Wm. Guy Carr answers this very well in his book "Red Fog Over America." "These money barons have their agentur in every country in the world. The agentur consist of men and women of ALL nationalities. They work to bring about a One World Government either because they believe in it as the only solution to the present political, social, and economic problems, or because of the rewards they receive for serving the Illuminati. These rewards consist of: 1. Funds and influence to obtain leadership in politics, commerce, or industry. 2. Rapid promotions in the Government's services—the Civil Service—Diplomatic Service—the Armed Forces, etc., etc. 3. Publicity, prestige, and honours in the Social Sciences. 4. Wealth and social security in the luxury class.

It is frankly admitted that many outstanding citizens who have been made into Agentur by the directors of the Illuminati are blissfully ignorant that they are serving the cause of Satan. They have simply been sold on the idea for a One World Super-Government. They have not delved into what is behind the promotion of such a idea. It is for the information of such men that "The Red Fog Over America" is written. After reading the evidence in this book they will no longer be able to say, "I did not realize what I was doing."

Let me give you a few reminders of the amendments of different U.F.O. groups today. 1. Their aim is to disprove contacts to the best of their ability—when St. John 1:51 reads: "AND HE SAITH UNTO HIM, Verily, verily, I say unto you, HEREAFTER ye shall SEE HEAVEN open, and the Angels of God ASCENDING and DESCENDING upon the Son of man." This was the DIRECT words of Jesus. 2. Their aims are to unite saucer groups under one head, and have them responsible to this one International head. 3. On their staffs they have men who come from the VERY classes of people who are covered in "Red Fog Over America." Although we do not have room to go into detail here about Aluminum, which in a small way does have a bearing on the saucerdom, Aluminum utensils are poison even to cook in for a short time, all the time they are slowly poisoning the system. Floride in water comes from Aluminum. (The Illuminati are well aware that Aluminum poisons, and they are now using it against us today in water—floride, and cooking utensils. They do this because in A.D. 1914 was the beginning of the final era for the Illuminati to infiltrate over the entire planet, they were given a very short period in which to accomplish the enthronement of Satan over the entire planet. Their time is almost run out). What does Aluminum have to do with a certain big International saucer organization? On the staff of this "certain" organization is a person who is head of a big Aluminum firm.

"Due to the confusion and doubt created purposely by "The Red Fog" of subversive propaganda which originates from many sources but is in reality controlled only by those who organize, finance, and direct the "long range" plan for bringing into being their idea of a super-government or International Dictatorship, it took me forty years to fathom out the many apparent contradictions and arrive at the TRUTHS as they are recorded in this book. In order that the reader may be better able to understand the revelations I make in regard to the development of the international conspiracy in Canada and the United States during the past 35 years I ask them to study what I have to say in relation to the following TRUTHS.

One: The Real issue at stake is whether Christ or SATAN will ultimately reign as King upon this earth. (This you can well tell in saucer research alone and how different people do all they can to down Mr. Adamski, Mr. Angelucci, and Mr. Van Tassel, and many many others. Well their in for a disappointment: THESE MEN ARE AWARE ABOUT WHAT THEY ARE DOING. AND AS LONG AS THEY ARE AWARE THESE PEOPLE WILL NOT ACCOMPLISH WHAT THEY HAVE BEEN SENT OUT TO DO.)

Two: The supreme directors of the Satanic conspiracy are a small group of men who believe in the supernatural but who DELIBERATELY ORGANIZE Atheistic-materialism to lure human beings away from Almighty God. The Devil, their Master, wins every soul who has DENIED the existence of God and refused to love, serve, and OBEY Him.

Three: The fundamental principle of the Satanic Illuminati is to divide different races, religions, political groups, social classes, and nationalities, etc., and make them fight each other so they become weak in manpower and ruined economically. This plot leads them towards internationalism.

Four: In the 20th Century there have been five fields of thought trying to influence the course of world events.

A. Christianity. Which teaches that Jesus Christ is the Son of God and that he will some day come back on earth in majesty and glory, to restore the law and order of ALMIGHTY GOD.

B. International Communism. Which teaches Atheistic-materialism and claims that everything starts from MATTER (energy) and returns to MATTER. Its leaders work to bring about an International Atheistic dictatorship.

C. The ILLUMINATI who USED ALL OTHER to reach their goal to establish the Despotism of Satan upon this earth.

D. Political Zionism which aimed at control by the Jews.

E. International Naziism. Which taught the deity of man and that the STATE is ALL SUPREME. The leaders sought to impose their ideas for a militarist dictatorship upon the people.

Christ told the Pharisees that they were of the Synagogue of Satan. The Illuminati of THAT TIME scourged the Apostles and then turned them loose with orders they were NEVER to mention the word CHRIST again. The very same evil men also introduced the various divisions into the CHRISTIAN RELIGION. It was their EVIL ADVISERS that caused the POPES to DEPART from the teachings of Christ, in the matter of the Inquisition, and substituted the practices of Satan.

The Inquisition gives us a perfect example of how the agentur of the Illuminati first created heresies and the subverted high officials of both Church and State into committing atrocities which caused many Christians to defect from their religion. If the promoters of Satanism could deceive POPES why then shouldn't they be able to make JEWS and GENTILES believe untruths also? In order to understand the diabolical conspiracy we must first of all realize that it is the conspiracy of SATAN against the OMNIPOTENCE of ALMIGHTY GOD. Because Satan is a supernatural being he can, and DOES, deceive human beings into doing what is wrong. A human being cannot compromise with Satan or his agentur.

THE DIRECTORS OF THE INTERNATIONAL CONSPIRACY HAVE OTHER THAN JEWS IN THEIR SERVICE BECAUSE ARTICLE 9, PARAGRAPH 4, OF THE PROTOCOLS SAYS: "WE HAVE IN OUR SERVICE PERSONS OF ALL OPINIONS, OF ALL DOCTRINES, RESTORING MONARCHISTS, DEMAGOGUES, SOCIALISTS, COMMUNISTS, AND UTOPIAN DREAMERS OF EVERY KIND. WE HAVE HARNESSSED THEM ALL TO THE TASK; EACH ONE OF THEM ON HIS OWN ACCOUNT BORING AWAY AT THE LAST REMNANTS OF AUTHORITY, IS STRIVING TO OVERTHROW ALL ESTABLISHED FORMS OF ORDER. (SAUCER GROUPS—CONTACTER'S ARE BEING OVERTHROWN BY GROUPS THAT ARE REALLY PART OF THE ILLUMINATI) BY THESE ACTS ALL STATES ARE IN TORTURE: THEY EXHORT TO TRANQUILLITY, ARE READY TO SACRIFICE EVERYTHING FOR PEACE; BUT WE WILL NOT GIVE THEM PEACE UNTIL THEY "OPENLY" ACKNOWLEDGE OUR INTERNATIONAL SUPER-GOVERNMENT."

Internationalism, be it Communistic or Capitalistic, is controlled by the Illuminati. The Illuminati use Communism to work at YOU from the bottom, and they use Capitalism to work at YOU from the top.

The Protocols mention the possibility of a "newcomer" challenging the supremacy of the Head of the Illuminati. Article 5, Paragraph 6, says: "IT IS THROUGH ME THAT KINGS REIGN".... "Were genius in the opposite camp it would struggle against us, but even so a newcomer is no match for the OLD-ESTABLISHED settler; the struggle would be MERCILESS between us, such a fight as the world has never yet seen. Aye, and the wheels of the machinery of ALL STATES go by the force of the engine, WHICH IS IN OUR HANDS, and that engine of the machinery of States is--GOLD."

What can WE do? Is there an answer? YES! There is an answer. Even though a "newcomer" does not have a chance, the Kingdom has already been established in the heavens, (outer space), it has yet to come against Satan's entire world of wickedness and completely destroy it. Until such time, the servants of God will continue to pray for its coming. Seek NEUTRALNESS, obey what you have been taught by people like Mr. Adamski, and Mr. Van Tassel. Be like Jesus and the Apostles, "I am in the world, but I am not part of it." (Ephesians 6, 10-17.) says, "Brethren, be strengthened in the Lord and in the Might of His Power. Put on the armour of God, that you may be able to stand against the wiles of the Devil. FOR OUR FIGHT IS NOT AGAINST FLESH AND BLOOD, BUT AGAINST PRINCIPALITIES AND THE POWERS, AGAINST THE WORLD RULERS OF THIS DARKNESS, AGAINST THE SPIRITUAL FORCES OF WICKEDNESS ON HIGH. Therefore take up the armour of God, that you may be able to resist in the evil day." etc.

II Thes. 1:7-8; "When the Lord Jesus shall be revealed from heaven with his mighty angels, (flying saucers--machines for the angels), in flaming fire taking vengeance on them that know not God, and that obey not the gospel of our Lord Jesus Christ." To follow the space people which are Jesus's Angels, it "means everlasting life." How long do you choose to live? You can choose to live "threescore and ten," or you can choose to live FOREVER in a perfect new world of righteousness. Fantastic? No, for everlasting life is no wild dream; it is the hope God's Word validly offers those willing to obtain the right kind of knowledge. Most people scoff because they lack knowledge. Yet life-giving knowledge is available. The present system of things will go, and I for one want to help it go. Then truly after the day of Almighty God with His legions in the Heavens (there is a now estimated millions of space ships around the Earth) will come down and literally DESTROY the present system of things. (This article is dedicated to Mr. Munsick of TNJUFOG in Morristown, New Jersey, who does not have - UNDERSTANDING.)

The picture below was taken from a Civil Defence skywatch tower in the winter of 1952. The Air Force Filter Center was very interested at the time of this "object" sighting. The group on duty that night, was requested to keep watching the "object". It was seen approximately three miles or so west of the tower. The case was reported and logged into the log book.

Dear Friends:

Since it is known that various researchers are now discussing Buck Nelson's claimed Christmas Day "trip" in an inter-planetary spaceship, and errors creep in, it is desirable to set the record straight. Whether it was the same ship in which Nelson claims to have been to Mars, Venus, and the Moon in 1955, he does not say. But two of the crew members were allegedly his former inter-planetary companions "Bucky" and "Bob Solomon" of Venus.

According to the information given by Mr. Nelson to several sources, the following events took place: "Bucky of Venus" arrived at Nelson's Mountain View Ranch late Dec. 25, 1956. After a few minutes in the house "Bucky" declared, "Let's go down to the ship." Both went down to where the ship was waiting and entered. There Nelson was greeted by "Bob Solomon," the commander of his alleged 1955 flight to Mars, Venus, and the Moon. A third crew member was a "trainee," a stranger to Nelson.

After all was ready, the ship quickly took off and, following a quick flight through space, came down in Colorado, where Buck and his inter-planetary companions were received and treated to a late Christmas dinner. They visited only a comparatively short time with their Colorado hosts before "Bucky" announced, "We must go." They walked back to the Saucer and flew back to Mountain View, Missouri, where Buck was deposited at his home, and the ship and crew took off for the planet Venus."

I have asked Mr. Nelson for the necessary details, but for personal reasons he does not wish to answer me. Nonetheless, if his claims are true, the details should be known. If they are not true, the alleged details will make that clear, also. If details are refused to honest seekers of truth, it will be evident that there is deliberate concealment.

What makes this claimed "trip" of far greater importance than the alleged 1955 flight to Mars, Venus, and the Moon, is that here at last we have a claimed, verifiable flight in a spaceship between two points on Earth. Nelson's former "inter-planetary" claims (concerning which he has lectured and written widely) were of such character that nothing tangible could be hoped from them; and they have been received with quizzical tolerance or caustic doubt. But here is a "down-to-Earth" claim that can be checked and validated. It is only necessary that the detailed questions concerning every foot, yard, and mile of the "trip" shall be asked, including weather data, atmospheric conditions, geography, observation of sun, moon, or stars, along with details of operation of the craft, conversations of the crew, descriptions of the exterior and interior of the ship, and the actions of the crew and Colorado hosts.

Inasmuch as the newspapers have not given the "flight" any attention, it is important that you and your readers should not overlook a single intelligent question that needs answering concerning this Christmas Day trip. This is the more important because what you find will throw additional light on the character of the claimed 1955 "flight" to Mars, Venus, and the Moon.

Since Mr. Nelson has consistently maintained that he is a friend of truth and desires the full truth to be known, we have every right to expect that he will want to give all facts and details to those who deserve to have them.

Sincerely yours,

(SIGNED) Rev. Leon C. LeVan

Letters to the Editors - March 29, 1957

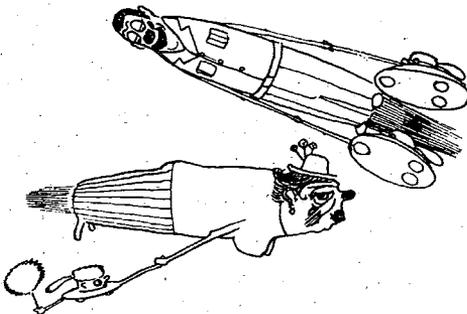

Editor— What a pathetic state this world is in — when a person like this John Pitt spends so much time attacking those who are giving to the world something constructive and uplifting. He said in his article "The Silence Group" that he has no belief in the existence of a Silence Group—while his article from the beginning to the end gives the impression that he himself is one of the Silence Group:

The world is full of people who are always ready and anxious to criticize and pull down those who have risen above them! Is it envy? Or is it jealousy? What? Perhaps just a limited, narrow mind? It would do Pitt good if he'd go up to Palomar Mountain to Adamski's headquarters and study under Adamski for at least two hours. He might at least absorb a little of the brotherly human spirit of those who are more enlightened and working for the good of all.

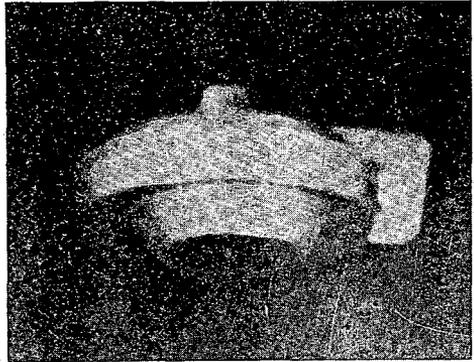

I'm not a writer, I'm only an artist, but if I were able to use big words and fancy phrases I'd answer this conceited, egotistical guy. He has probably never seen a F. S. I have seen them seven times. The Human beings on these "Flying Saucers" must be thousands of yrs. in advance of us on this war-crazy, money-mad earth.

"THEY KNEW TOO MUCH ABOUT FLYING SAUCERS"

IF YOU believe there is "intelligent activity in outer space," then you're among the friends and ripe to join the ranks—presumable level-headed—of a group just forming.

Eschewing any reference to flying saucers, they've settled for UFO Society of Cincinnati as a name, meaning they believe in "unidentified flying objects."

"One of the things we encounter in talking to people about UFOs is the astonishing lack of information about them," says Mrs. Catherine Carter Golden, the temporary chairman, and nobody would quibble with her remark.

"FREQUENTLY people are very interested and ask where they can find out about them. We are planning a circulating library. There are several books which give well-authenticated information, in addition to the ones about trips to the moon and sign-language conversations with men from Mars and Venus, which may or may not be true."

Mrs. Golden, a laboratory worker at the Children's Hospital Research Foundation, believes that UFOs are important because "they may be an indication and eventual proof of intelligent activity outside our Earth."

"It has been 10 years," she says, "since Kenneth Arnold saw his silvery flying objects, and the story of these 10 years has been one of incredible confusion, controversy, startling revelations and censorship."

PART of the story she goes on, has been told by Capt. Edward J. Ruppelt in "Report On Un-identified Flying Objects," He headed the first Air Force project to investigate the "saucers". More is told by Maj. Donald E. Keyhoe in "Flying Saucers From Outer Space" and "The Flying Saucer Conspiracy."

"After the Washington sighting in 1952, when UFOs flew over the White House and other restricted areas, there was so much excitement, which threatened to become panic, that a press conference was ordered to 'play down' the facts," Mrs. Golden says.

Furthermore, she says that Dr. H. P. Wilkins, foremost authority on the moon published recently in London a book called "Our Moon," in which he reports findings "which most probably mean that intelligent engineering construction is in progress on the moon."

Major Keyhoe, director of the National Investigation Committee on Aerial Phenomena, with headquarters in Washington, is expected to address the group. More information on the outfit may be obtained by writing Mrs. Golden at 230 Ludlow Avenue. (Press Clipping)

THE SAUCERIAN THEORY:

IF BOOK IS TRUE, AUTHOR IS IN TROUBLE

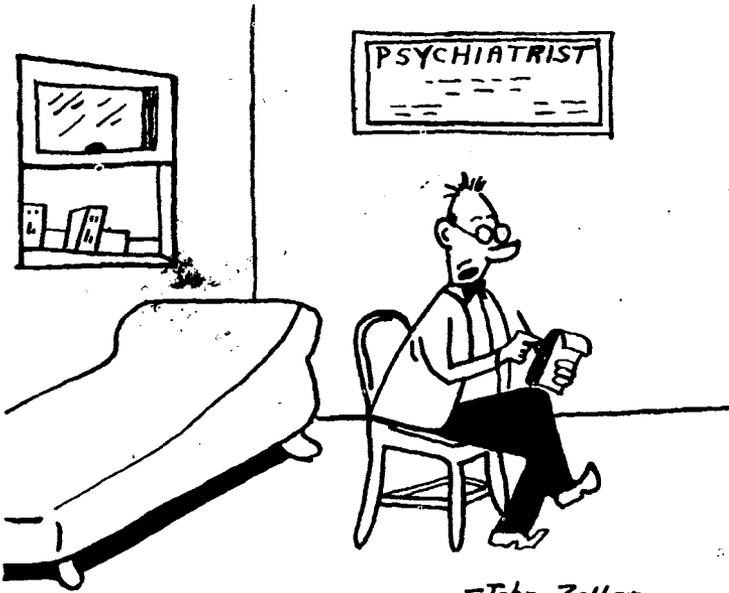

Reviewed by Rexmond Cochrane - Richmond News Leader

Books about flying saucers seem to be as readily produced as the sight of the saucers themselves. Curiosity and speculation were the simple motives in the writing of the first batch. This gave way to scientific interest, in what might prove to be a new unearthly phenomenon. Then came the semi-official reports on Air Force investigations of the sky visitors. Now it is fear, in what may prove to be a handful of dust, that is to provoke the purchase of a new crop of saucer books.

As a running title on the jacket says, this is "The true story of what happened to certain researchers and investigators who found out where the saucers came from."

If this is the true story, if there are "fire-breathing monsters, 10 feet tall with bright green bodies and blood-red faces" debouching from the saucers and waddling about "with a bouncing, floating motion"; if there are three men in black suits who stalk saucer-enthusiasts and sometimes cause them to disappear mysteriously, then Mr. Barker is no longer among the living. He obviously knows too much. Has anyone seen Mr. Barker lately?? (News Clipping)
