**COSMIC SECRETS  
EXPOSED BY REV. WILLIAM  
ALEXANDER ORIBELLO**

# TIME IS RUNNING OUT FOR HUMANITY — BUT THERE ARE THOSE “WISER ONES” WHO ARE OFFERING TO SHOW US A WAY OUT OF OUR CURRENT CRISIS

IN WM. ALEXANDER'S NEW BOOK “THE FINAL SOLUTION” YOU WILL HEAR WHAT THE ASCENDED MASTERS OF UNIVERSAL WISDOM —

JESUS THE CHRIST,  
COUNT ST. GERMAIN,  
KUTHUMI,  
EL MORYA,  
KUAN YIN  
AND MASTER JOHN —

HAVE TO SAY CONCERNING THE FUTURE OF OUR EARTH AND THE OUTCOME OF CIVILIZATION AS WE ENTER A “NEW AGE” OF ENLIGHTENMENT.

## GOOD VS. EVIL THE BATTLE IS BEING FOUGHT THE BATTLE OF MAN'S MIND

Since the fall of Lucifer, a war has been raging in the cosmos—a war for the mass consciousness of humankind.

As we approach the 1990's, battle lines are being drawn as never before. The forces of evil against goodness. The negative against the positive. The darkness against the light. Everywhere we turn we see utter confusion and turmoil as the ominous clouds of man's own destructive nature threaten to span the globe from equator to equator, from north pole to south pole.

**BUT THERE IS HOPE...**

A final “plan” has been drawn up by the Heavenly Hosts which could change the awareness of those living on our planet literally overnight. If this plan is successful our earth will become a paradise with everyone living in peace and harmony—a true brotherhood like none which has ever existed in our physical dimension. If, on the other hand, this plan fails mankind will enter an age of darkness and misery from which there might be no return.

From their lofty position in the mystical land of Shamballa, the Ascended Masters of Wisdom have broadcast a final plea for understanding to us all regardless of nationality, race, creed, religion or political belief. This telepathic broadcast has been made so as to ward off the predicted arrival of the anti-Christ, the nightmarish three days of total darkness, and the coronation of Satan as the undisputed king of the world.

Wm. Alexander Oribello has been in close contact with the Ascended Masters from an early age. While his parents were asleep in another part of the house, he entertained three visitors who materialized at his bedside. These strangers were the “Wisemen” or “Magi” of the Bible who proceeded to show Bill a great book about the universe's complex mysteries, the contents of which would be etched in his consciousness, and from which he would teach when he grew older.

Since that day, several other mysterious individuals have appeared as if out of nowhere to share with him information that has been kept well hidden from mankind for ages.

These strangers with their vast understanding of metaphysical and spiritual laws appointed William Alexander Oribello to be one of their avatars, instructing him to go forth and spread the news about the Second Coming of Jesus, and the arrival of the New Age. In addition, they gave their blessings and showed their willingness to share with

all those “students” who were interested a form of positive thinking, meditation and cosmic awareness which they guaranteed would “lift man out of the depth of fear and limited consciousness and inspire him to soar God-ward without restriction.”

“THE TEACHER WILL  
EMERGE WHEN  
THE STUDENT IS  
READY”

Down through the ages many *secret societies* and *mystery schools* have formed, thru which the inspired words of the Masters could be preserved and taught to those select few who were advanced enough to appreciate and understand this material.

Just as Jesus taught a secret wisdom to his disciples the ancient mystery schools of Atlantis, Egypt, Rome, and Greece strove to circulate the wisdom among the most influential members of society. And while those selected to be given this knowledge have always been understandably “few in number” as our mass spiritual consciousness continues to rise with the lifting of many veils, more and more are those who are being chosen to share in this vital—“End Times”—information. This is why INNER LIGHT has decided, at this time, to release this vital book—THE FINAL SOLUTION—to the world.

### SECRET SIGNS & WORDS EXPOSED

During the past few months, Rev. Oribello of the MYSTIC LIGHT SOCIETY of Philadelphia, Pennsylvania, has been channeling brand new messages from the Ascended Masters. THE FINAL SOLUTION is, in their own words, a manuscript through which they hope to offer protection to every reader from evil, and at the same time allow them to gain universal understanding for greater health happiness and prosperity “which will shine in our lives in the days, months, and years yet to come.”

THE FINAL SOLUTION not only exposes how Satanic influences have hindered man's progress, but offers a solution as to what every thinking man and woman can do about it.

In this most unusual volume you will learn of the SECRET SIGNS and WORDS which put you in touch with God's World of Light so that you personally may overcome all evil and advance spiritually.

“There is,” says the author. “an evil plot being planned at this very

# YAMAMOTO RETURNS!

by Dennis Dallison

On April 18, 1943 I died! At the time I was an officer in the Japanese Navy and I was flying up to the front when we were jumped by American P-38's. I caught a bullet in my head. The bullet entered my right cheek and passed out my left temple, nor only killing me instantly, but also causing me to be born in March 1948, a labotomized child with a birthmark where the bullet entered and an indentation in my skull where the bullet exited. In my childhood I had no drive nor mentality, I was considered mentally retarded and put in all the "slow" classes throughout school. During the 50's and early 60's my education was augmented by World War II movies which depicted the treachery of the "dirty Japs". Succumbing to this brain washing, I would cheer whenever one of the "Japs" would fall dead.

Then came Viet Nam and I found myself in the middle of the 1968 Tet offensive, struggling to survive another day while all around me the world seemed to be collapsing.

I was totally traumatized by Viet Nam and thereafter found myself pulling a two year tour of duty in Japan.

In Viet Nam I had become thoroughly reattuned to World War II, but now, in Japan, I began to become confused and disoriented. I had died a Japanese Officer at sixty and now twenty five years later I was a twenty year old American.

I had been programmed to believe all my life that I was "slow", but now I was reattuned to my former life as a Japanese named Isoroku Yamamoto who had attended Harvard University.

Within a few months I had taught myself to speak, read and write Japanese. I became a different person—one who loved to learn.

As my confidence began to grow, I began teaching myself to speak, read and write Korean.

However, the more I became re-attuned to my former life the more alienated I felt to the other Americans I was stationed with. It was almost as if two people were living within me. The conflict was depicted graphically in my dreams which were in both Japanese and English.

Since during my stay in Japan I had spoken more Japanese than English, I had a difficult time overcoming a slight Japanese accent when I returned to the states. Yet, I could no longer sanction the image that everyone held of me as a retarded idiot. No one seemed to understand why I wanted to go to college. Thus, a stranger, I had to go off where no one knew me to pursue my dream of getting an education. Once I started I could't seem to get enough of school.

Within me I felt a tremendous feeling of alienation as I devoured my studies searching for clues that would help me to alleviate these pangs I felt.

In the first four years I learned a lot about academics but little about myself. It was in my last semester before receiving my bachelor's degree that I got my first clue.

It happened while I was driving on the freeway one evening. There suddenly appeared before me a bridge of the most intense white Light! It was seemingly twenty miles long and brightened the night to day. Interestingly enough, no one saw this lighted bridge but myself. At least no one else on the freeway gave any indication that they saw it, yet how could they miss it? After a few minutes the bridge streaked across the sky leaving a white line in the dark heavens above at the end of which the bridge disappeared.

Though its appearance was gone, the mystery and paradox of it was indelibly ingrained within me.

Ten years later I read in one of the Unarius texts about Uriel's channeling the Infinite energies of the spiritual Brotherhood to polarize the planet Earth and prepare it for the new age of Spiritual Renaissance. I was shocked to see that the date and time was exactly the moment I saw the beautiful bridge of Light.

After this psychic sighting, the whole axis of my life began to shift. This Lighted bridge was now a part of me and though I didn't know that this was the Bridge to the Inner Worlds of Spirit, this is the direction my life began to take. In the next six years as I received one masters degree and then another, I studied at a fevered pitch everything I could get my hands on relating to life on other planets, reincarnation and the spirit of man. Though I didn't have much money, it was not uncommon for me to spend my savings to attend seminars several states away.

Once again the perfect timing of spirit was not to be denied. It was my last semester before completing my second masters degree that spirit again came knocking on the door of my consciousness.

I was sitting in class when a very relaxed feeling came over me and somehow I knew I had to go home and turn on the TV. I was not a big TV watcher, yet each time I thought of going home and turning on the TV a feeling of warmth and relaxation overcame me.

Once home, I immediately turned to a station on the UHF band that I normally never watched. Here I saw Uriel speaking on the David Susskind show about life on other planets, the spiritual nature of man and reincarnation. The host asked Uriel about Socrates. Uriel replied that she had lived the life of Socrates. When she said this I saw her change right there on TV into Socrates-Greek robes and all!! Not only did my jaw fall on my chest, but I almost fell out of my chair. Again, as

Dallison, age 18, taken after graduating from U.S. Air Force basic training in 1966.

# A YOUNG AMERICAN SOLDIER BELIEVES HE LIVED A PREVIOUS LIFE AS COMMANDER OF THE JAPANESE NAVY IN WORLD WAR II.

before, no one seemed to see this but me, yet, to me, it validated that this woman was exactly who she said she was and what she was saying was true! That day—that moment—began a new me. I started studying the books that Uriel and the Moderator had written and two years later, moved to El Cajon, CA. where I could study more in depth at the Unarius Center.

With the help and guidance of my Loving teacher, Uriel, I was able to face and accept the guilt I had incurred as Yamamoto leading men to kill others to be killed themselves.

After two years of wrestling with this individual I had been, I was finally able to get free of him during a dramatic episode in the astral. It happened while my body slept; I found myself once agin facing the men I had led to their deaths and who where now earth-bound spirits believing they were still fighting the war though they jeered at me, I stood up in front of this scheming sea of souls and told them that the

war was over. By standing up for Truth, no matter the consequences, I had changed the hineous nature of my past and could be taken to a healing ward in one of the spiritual dimensions where I saw myself and Yamamoto separated.

From that day on I have been a changed person. I am much freer and the results of this healing have shown in my life. I live a much more integrated life. By this I don't mean to imply in any way that I don't have any problems, but I have now learned the scientific principles of cause and effect and Past Life Therapy which give me the tools I need to work through my problems and overcome them. Instead of being overwhelmed by life's set backs I now apply scientific principles to resolve my problems. Life for me has become a schoolroom and each day provides an opportunity to see Infinite Principle in action.

—Dennis C. Dallison

THE ANCIENT HIGH PRIESTS OF EGYPT KNEW IT AS "SOUL SEPARATION." RELIGIOUS MYSTIC AND SAINTS PRACTICED "BI-LOCATION," WHILE TODAY SCIENCE HAS COME TO DEFINE THE PHENOMENON AS "OUT-OF-BODY," OR "ASTRAL" PROJECTION.

NOW YOU CAN LEAVE YOUR PHYSICAL BODY BEHIND TO EXPERIENCE...

# SUPER SUCCESS

**NEWSFLASH!!!  
IMPORTANT SCIENTIFIC  
BREAKTHROUGH**

Parapsychologists working with trained scientists have recently developed a simple method by which almost everyone can leave their body behind to find valuable treasures, explore spiritual realms and heavenly dimensions, as well as tap the collective unconscious to solve all personal problems that may be ruining your life.

Now it is possible to LET YOUR SPIRIT SOAR. Furthermore, we guarantee that once you learn this method for out-of-body projection that you can be among a growing number of individuals who have changed their hum drum lives for the better and have actually...

- Made millions on a new invention they "discovered;"
- Come out a big winner in the stock market, in real estate, or at gambling—even if they thought they had no talent for such things;
- Found a prestigious-high paying-job and climbed the corporate ladder, despite all attempts to hold them back;
- Started a successful business of their own, even if the "odds" were stacked against them;
- Overcome great pain, personal suffering, or healed themselves—or someone they love—of supposedly "incurable" diseases or ailments;
- Lost the exact amount of weight they wanted to;
- Overcome any phobia that might have been holding them back in life;
- Tapped the subconscious to learn anything they wanted to know, and instantaneously;
- Seen their own past lives, as well as traveled to the future, or other dimension, and even alien worlds deep in space.

Researchers have for hundreds of years known that all individuals are made of two bodies—the non-material etherical or astral body and the physical body. Both exist in the same space, but under the right conditions may separate. During the separation the consciousness remains with the astral which is able to see and pass through walls and travel vast distances to obtain knowledge not available otherwise. Various saints and popes have adapted soul separation as part of their religious practices, and hundreds of successful individuals worldwide are now adapting an easy method they have learned to leave the body and perform incredible feats.

## ASTOUNDING CASE HISTORIES

Personal testimonials validating an astounding new method of astral projection or soul separation are being reported on a daily basis as indicated in the following case histories:

### • CASE 461 — FROM POOR BOY TO \$100,000 A YEAR WAGE EARNER

Edward P. of Michigan wanted to attend an Ivy League college, but his parents couldn't afford to send him. There was so much Edward wanted to learn, but tuition costs were staggering and even the books he needed were so high priced that he could never be able to purchase them. That was ten years ago. Today, he is considered one of the most educated men in America. Besides holding a tremendously important government job, Edwards constantly in demand to lecture and conduct seminars at universities around the country. Much of his education came about without leaving home, by "visiting" the great museums, art galleries and libraries of the world and by "tapping" their resources with his mind by mastering soul separation.

### • CASE 874 — WOMAN SUCCESSFULLY OVERCOMES PAIN

Betty A. was in an auto accident so serious that there were fatalities. Her own injuries were so critical she spent long months in the hospital under heavy sedation, and the doctors said she would have to continue medication even at home. Rather than become a drug addict, she wondered if there was some way she could mentally rise above the pain. Lying in bed, tormented by the agonies afflicting her, she learned to project her thoughts to a beautiful, cool, place where her mind could remain at ease. Eventually the pain disappeared altogether.

### • CASE 88 — THE MAN WHO BROKE THE BANK AT ATLANTIC CITY

Larry T. was broke. He was to be evicted from his one room apartment. He was hungry and cold. With nothing to do and nowhere to go he had no reason not to accept an invitation to join a junket to Atlantic City since he knew he would be entitled to \$10 in quarters and a meal. Over the years, Larry had made a living as a magician and a mentalist. On the way to Atlantic City he remembered reading several texts on astral projection. That day, he applied what he learned and was able to "see" into the machinery of the one armed bandits and was able to tell which slots were ready to pay off. Before leaving the boardwalk he had won six figures with soul separation.

### • CASE 193 — WOMAN LOSES POUNDS

Susan W. was so disgusted with herself that she couldn't stand to look in the mirror. She was extremely overweight, so much so that it had become a health problem. None of the diets she had tried worked at all and she was getting desperate to the point of suicide. One night, Susan successfully left her body and saw her true self minus all that unattractive fat. While out of her body, she had a divine revelation and in no time she lost seventy pounds with soul separation. Today she is married and has two children ...and isn't afraid to look into the mirror anymore.

### • CASE 16 — MAN MARRIES WOMAN HALF HIS AGE

Tony B. was aged fifty-six when his beloved wife passed away of cancer. Tony felt helpless and alone. He took to drinking and being by himself. He was very shy and had a difficult time meeting women. There was, in particular, a very beautiful younger lady who lived in the apartment across the hall, but he couldn't bring himself to speak with her. By mastering out-of-body travel Tony was able not only to attract this woman, but eventually—even though she was twenty years his junior—got her to marry him.

### • CASE 269 — PAST LIFE RECALL ELIMINATES PHOBIA

Mary B. was deathly afraid of heights and was claustrophobic, so much so that she had to quit her job in a high rise office building. It got so that she had to walk up and down eight flights of stairs to get to her own apartment. Finally Mary solved her problem by traveling back in time via soul separation to a previous life time where she saw herself falling from a great height. Realizing this was the root of her current difficulties her phobia was quickly resolved and today she leads a normal life.

## COMPUTER AGE TECHNOLOGY

Parapsychologists in conjunction with computer experts have recently developed a method of enhancing a person's ability to leave their body and let their spirit soar freely wherever it wants to go. Utilizing the ancient art of creating a "Mandala" as a psychic tool, it is now possible to become a SUPER-BEING. The "Mandala" is a highly symbolic design which represents the unity of life and the integration of a person's true spiritual soul. The Buddhists have used "Mandalas" in their meditations for centuries. Now computer experts have stumbled upon certain combinations of patterns which when meditated upon cause a shift in consciousness and allow a person to alter their brain waves and astral project with little difficulty.

## FREE MANDALAS

When you order your copy of SUPER SUCCESS THROUGH SOUL SEPARATION you will receive as part of your order six reproductions of these computer age graphics which will assist you in doing the amazing things others have accomplished with relative ease.

The mandalas printed in SUPER SUCCESS THROUGH SOUL SEPARATION are by necessity reproduced in black and white simply because to publish them in color would be so expensive that it would place this book out of the financial reach of a majority of our customers. We have found, however, that the colored computer mandalas increase out-of-body travel about five to seven percent, and for those who want to have a set of original colored patterns (six different ones not printed in the book) we will include them in our special deluxe edition.

Now thanks to serious work in the field of parapsychology and soul

separation you can have the healthy body you long for. You can have that prestigious job, that beautiful mate, all the wealth and power you want, to say nothing of that elusive peace of mind you've dreamed of.

With our simple method you can literally do the following:

- Pass through walls;
- Live a longer, more productive life;
- Discover past lives;
- Project yourself into the future and reshape what is to come;
- Enjoy a more fulfilling relationship with others, and find your soul mate;

# THE CHRISTMAS OF THE ANGELS

By Dora van Gelder

To students of the hidden side of life Christmas is a most wonderful reality—a far greater reality than most of us think since it involves the whole course of Nature, and not humanity alone. With us, Christmas is the Birthday of Our Lord, the anniversary of His physical Incarnation upon earth; and because of that we try to make it a time of peace and good will toward men, of very close unity and brotherly love. But have we ever wondered how such a unity is possible at Christmas, or why it is at this time of the year alone that men do really feel good will toward each other and think only of giving and not taking? For the "Christmas spirit" is proverbial; and it is so widespread, so genuine and so real that we must look deeper for an explanation of it than can be found in the mere commemoration of the Nativity of the Christ, whom so few today seem really to worship in their hearts.

Those who have awakened the inner vision know that there is a hidden side to Christmas which the ordinary man hardly suspects, although he reacts to its influence. We must remember that the whole earth is thronged with hosts of superphysical beings, angels and archangels and all the Company of Heaven, who stand for the most part at a higher level of evolution than ourselves and who are responsible for the guidance and control of the manifold processes of Nature. It is their thoughts and feelings and activities which play so important a part in the creation of that peculiar atmosphere of good will so noticeable at Christmas; and at this time of the year the whole earth thrills with the wonderful forces outpoured by the angels and with the mighty blessing of the Christ which descends in response to their adoration. All through the Advent Season, and indeed for many weeks before, preparation is made in the inner worlds in various ways for the celebration of the great festival; the influences grow stronger and more intense as the days go by, till at length on Christmas Day the culmination is reached, the world opens its heart to the Lord as a flower opens its petals to the sun, and a mighty flood of love and power is out-poured by the Christ Himself as the Incarnation upon earth of the Second Persons of the Ever-Blessed Trinity.

But we must not imagine that it is any physical birth that the angels celebrate with such power and joy at Christmas. The Lord Christ is indeed their Lord and Teacher, as He is ours; but they regard Him not as a man but as an angel, and the details of His physical Life on earth belong rather to the human than to the angelic conception of Him. Indeed the whole angelic outlook upon life differs very considerably from the human. We generally look upon the universe from the standpoint of form, thinking first of the form and only then of the life which energizes and ensouls it—that is the typically human point of view. And even when the inner visions is opened and sight of the invisible worlds is gained, the human observer still looks first at the form-side of those worlds, and only subsequently at the consciousness playing through the different forms. The angel's point of view is exactly the opposite; he looks first at the life or consciousness, and then, only as a secondary consideration, at the form in which that life is enshrined—that is the typically angelic point of view. If we look at a man, for example, we should look first at his physical body, then at this emotional, mental and causal bodies, seeing their different colors and striations, and judging his character and inner possibilities according to their delicacy and arrangement. But the angel would regard the man from the standpoint of consciousness, would look too see how far God's Life was manifested in the man, how many forces were able to play through him; and only then would he look at the form of the higher bodies. This is a fundamental difference in outlook belonging to two separate lines of evolution.

The angels' conception of Christmas is likewise very different from ours. We regard Christmas as the commemoration of Christ's Birth as a man, and it is for us very largely the observance of a ceremony, of a form; even in the traditional services of the Church the form side of the festival is predominant. But the angels see Christmas from the life-side, as a turning-point of all the forces of Nature on every plane and at every level, as a time in which a direct and mighty outpouring of creative power and spiritual energy from God Himself takes place. Christmas in the Northern Hemisphere (from which all the great religions and civilizations of the world have sprung) occurs just after the shortest day in midwinter, while in parts of the Southern Hemisphere it is celebrated just after the longest day in mid-summer; and thus throughout the whole world it marks a point of balance of deep significance in the hidden life of Nature. The change between the negative forces which bring about the cessation of creative life in winter, and the positive, dynamic energies which cause the earth to burst into blossom in the spring takes place at Christmas, and it is to initiate and make possible this tremendous change in polarity that the Christmas festival is celebrated so joyously both in Heaven and Earth. It is in very truth a birth that is celebrated—not only the physical birth of the Christ in Palestine, not only the symbolic birth of the Sun, but the far more splendid birth of the Indwelling Christ in Nature, the yearly renewal and reawakening of creative Life, so gloriously to be consummated in the great festival of Easter—the supreme triumph of light over darkness, of beauty over form. Because of the union of the Christ in the heavens with the Christ incarnate both in Nature and in the heart of man, the solar symbolism—for the Sun is ever the symbol, and even in some mysterious way the very vehicle of the Christ Himself—has figured most prominently in all the great religions given by Christ the World-Teacher, the Sun of Righteousness; and these great Nature festivals have been observed by man from age to age precisely because man is a part of Nature and shares her hidden life, whether he be aware of the fact or not.

Now the angels are the active agents of the Christ in Nature; they control and balance her mighty forces, direct her evolution in all its many aspects, and act as the channels and instruments of the life and energy of God throughout the whole of creation. The rhythmic changes of the seasons are indeed expressions of the consciousness of God; but it is the angelic hierarchies who are His intermediaries and who are responsible for the bringing about of the changes in the lower worlds. Christmas, therefore, is a time of enormous activity in the angelic kingdom; the forces of that kingdom are temporarily concentrated upon the great work of preparation for the influx of the new life, and all angels, whether their work is primarily connected with Nature or not, lend their aid at this great cosmic festival. They give themselves to the service of the Christ by helping to bring about this inner birth; they watch the changes with deepest interest and enthusiasm and throw all their power into the work—and very naturally they evolve by so doing. This ability to work with Nature's processes is due to the fact the angels' consciousness is directed toward the life-side of evolution, and, therefore, that which has to do with the down-pouring and outflowing of life to a great extent comes through them and is in their charge.

There is a very noticeable difference between the influences outpoured during the Christmas festival in the Northern and in the Southern Hemispheres. For various reasons the Northern Hemisphere is the center of life on earth, contains the channels of those energies which shape the evolution both of Nature and of man; while the Southern Hemisphere has in the past in many ways been less creative, less vital in its natural forces—a fact which may to some extent account for the difference between Australian and European vegetation. There is a difference, too, in the angels who direct the evolution of the two hemispheres; and generally speaking we may say that the two halves of the earth's surface contain complementary characteristic, positive and negative, which, united, form a perfect whole. While in the Northern Hemisphere it is a true birth which corresponds very closely and beautifully with the birth of a little child, in the Southern Hemisphere it is rather a deepening of life which occurs, a further descent of the life of the Christ into forms already prepared to receive it. The birth of a human child marks the first touch of the Soul with the little new-born body, and it is a time of much joy and beauty. But a deepening of life takes place, when the child is about seven years old, and the Soul successively puts more and more of himself down into his new vehicle, until he assumes full control of it at manhood. This is a faint analogy of the difference between the Christmas of the Northern and the Christmas of the Southern

Hemispheres. In the North joy and love and beauty are the predominant influences; in the South power and strength are outpoured—a veritable deepening of the life of Christ in Nature rather than His mystic birth. The difference in influence is striking and most interesting to the student able to perceive it.

The great work of angelic preparation for Christmas begins even before Advent, and gradually reaches its climax toward the end of December. It has two aspects, the one a working from below upward, a manifestation of the power of that creative life of God whom we call the Holy Ghost—a process of vivification of the forces of Nature, of reconstruction and of opening; the other an outpouring from above downward, a veritable descent of God the Son—a process rather of inspiring and ensouling. The first aspect concerns the outpouring of tremendous energies from the center of the earth, that heart of the world in which the Holy Ghost is so especially manifest, the power radiating through the whole world, from center to circumference, and being distributed by the Hierarchies of angels connected with the life and evolution of Nature—to be used by them in their work of preparation. These are the cleansing, the purifying, the creative forces which make the downpour of the new life possible, which prepare the world to receive the Christ in its heart; and it is interesting to note that we in our Churches are instructed to draw upon those same great cleansing forces during the Advent Season. But the work of preparation does not only concern those angels who are especially in charge of sections of the earth's surface, though they play a very large part in that work; it extends in many unexpected and interesting directions.

Certain orders of angels take it as their especial work to concentrate their energies upon this aspect of the life of God, and to generate by the power of their thought forces which can be utilized by the angels of Nature. Others work rather from the intuitional and emotional levels, and evoke enormous forces by their wonderful adoration, forces which are likewise employed in the general work of preparation. Yet others assist in the work by taking part in the angelic ceremonies which are held in Nature at this time, and the power outpoured through their rituals is also used in the creative process outlined above. The very ceremonies of the Church which are celebrated during the Advent Season bear their share, and thus humanity likewise joins, even though unconscious-

ly for the most part, in the mighty preparation for the birth of the Christ in Nature. Such is the first aspect of the preparation, that aspect in which God the Holy Ghost is especially manifest.

The second aspect of the angelic preparation concerns the descent of God the Son, that mighty event which is the characteristic feature of the Christmas festival. For just as the descent of the Christ into Incarnation is the main purpose of the Eucharist; just as the whole work of building a Mystic Temple in the inner worlds, of the outpouring of power and love and devotion on the part of angels and men, has no other object but the preparation of a channel for that descent and for the reception and distribution of the forces then outpoured so freely by the incarnated Lord; so the main purpose of the Christmas festival is the birth of the Christ in the world of Nature. That is the central point, the climax toward which all the long preparation has been leading. And that descent is a very real and a very wonderful fact; for just as at Allhallowtide the inner worlds are in especially close relation with the outer world, and thus intercommunion between them is far easier than at other seasons of the year, so at Christmas the Christ Himself especially close to all His creatures, is far nearer than at other times both to angels and to men. It is as though a fuller degree of power became manifest through the Person of Our Lord the Christ, from that other aspect of Himself which is Very God of Very God, as though the hidden light shone yet brighter through Him who is the light. These things are sacred and hard for us to understand; but at least we may say that at Christmas the angels and indeed the whole hierarchy of Nature draw especially close to Our Lord, and realize Him with deepest adoration as a definite and wonderful Personality, as the incarnation of God Himself upon earth. And His Life descends into Nature in ways that we can scarcely grasp, so that the whole world is filled with His mighty benediction, thrills to the vibrations of His love and peace. That is why Christmas is always said to represent the First Great Initiation, the birth of the Christ in man; for the descent of the Christ into Nature is mirrored in the descent of the personal Christ, the hidden light in man, into our own hearts, who is likewise a manifestation of the Second Person of the Blessed Trinity. The same aspect of the Divine Life is manifested in Nature at Christmas, in man at Initiation, and in the Host at every celebration of the Holy Eucharist; and thus at

# MASTERING THE DIVINE FLAME

Columba  
Krebs

History tells us that the majority of artistic geniuses have been "inspired" by a higher calling. Many of the Old Masters, for example, credited God or a "Divine Presence" for their creativity, declaring that they were only an "instrument," by which He could communicate to humankind.

Artist Columba Krebs might not claim to be in the same league as these great men of wisdom, though from her paint-

ings it is apparent that she too has been touched by the hand of God. Early in life, Columba found herself intrigued with life after death, astral projection and other mysteries of this world and the next. As the years passed she began to express what she was experiencing through her art. Over the years, Columba has had any number of her works printed, including the cover of a British edition of UFO contactee George Adamski's popular book *INSIDE*

THE SPACE SHIPS. Just recently she had published a stunning portfolio of some of her best works. Titled *IMAGO VERI* (An Artist's Vision of Universal Truths), each of the illustrations presented in this collection is accompanied by an explanation of its symbolism, thus initiating an inspirational-literary effort aimed at expansion of the viewer's awareness and inducing a higher state of consciousness. The illustrations which accom-

pany this article are reproduced from this very special portfolio which is available directly from the artist for \$8.95 (including postage) at Box 529, Mt. Grove, Mo. Columba says she will be happy to autograph the cover of this collection for those *INNER LIGHT* readers who are seriously interested in her art.

And while she has had many spiritual and psychic experiences, a few of them follow in this very intriguing article.

**FIRM, UNSHAKABLE FAITH** in our talents and powers, as well as full reliance upon the Higher powers of the Infinite Creator, lifts us away from the realm of error and danger.

One of the greatest sources of power is the awareness that "Heaven is within". This gives an ever clearer understanding of the Creator's omnipotent love! We are his/her sons and daughters.

Through this awareness we cast off the cloak of misunderstanding and discord, moving out from under the clouds of negativity into the sunshine of harmony and growth. The inner peace is not dependent upon the outward world. The path of loving service and idealistic spirituality leads to greater realization of oneness with all planes of existence and to increased celestial guidance throughout eternity. The gains one achieves in this life are not lost. Quite the contrary—"their works do follow them."

Here are some shining examples of the truth that the "Prayers of the just availeth much" and that if we live UP to our highest Light we can depend upon Divine Protection! That is why I try to

treat all others fairly, no matter how difficult it may be to do so! The more difficult they make it, the greater is the merit. So, when I ask for aid, I can better believe it will come—and it always does,

even if in the nick of time, and takes a marvelous miracle! If we do our best, God will do the rest, but first we must do our part!

Being of a very sensitive nature I feel more things, and therefore

sensed a "presence" in my bedroom, when we moved into a house in my childhood. Fear of the unknown made me hide under the covers at night, with one arm out for air, until one day,

## THE WAVE OF THE FUTURE

IF A WORLDWIDE ATOMIC WAR breaks out on earth will extra-terrestrials come in waves to counteract these bombs?

All the solar system planets are held in their courses by the huge energy field of the sun. Radiation from earth's atomic explosions may well affect this bonding and the nearby planets.

Through their advanced scientific technology, highly developed codes of morality, advanced intelligence and psychic powers, spacemen know how to perform wonders.

Sightings of unidentified flying objects over the millenia suggest that wiser heads and warmer hearts from "out of this world" are taking a serious view of the danger of world-suicide and social system derangement through a nuclear holocaust.

The knowledge that these super-beings are watching over us should bring the greatest consolation and encouragement, for progress toward world peace ultimately brings mutual progress, prosperity and perfection.

I saw a grey cloud rise from the floor and fashion itself into a threatening figure with clawlike hands reaching out towards me. Naturally, I fell screaming to the floor, which brought my mother to the rescue. Whatever influence she had, it never bothered me again, and I could sleep with my head out!

When I was fifteen years old, I had the bad habit of reading the Old Testament for its salacious parts, and suddenly felt ashamed of myself. So, I struggled with the evil spirit, until I conquered that low yen, and the victory was enduring. My reward was in being visited by a shining figure. My consciousness seemed to be drawn out into space for millions of miles, to begin with, until a presence hovered right outside my window. Then, that old fear of the unknown made me turn to the wall—until it lighted up! Then, curiosity overcame my fear, and I turned to see "it" standing at the bottom of my cot,—so full of light

I couldn't distinguish it's face. It was dressed in long flowing robe, with long sleeves, that were so transparent I could see the wall through the folds. When it raised it's arms to bless me, and then vanished, I fell back on the pillow, and was in seventh heaven the rest of that memorable night! If that is a foretaste of heaven, it is worth our every effort to reach it!

When I was sweet sixteen I woke up one morning so see a cloud hovering over the bottom of my double bed. A colorful young man's head, (blue eyes and blond hair) appeared in the center. His throat looked as though it had been cut off. When the cloud slowly approached me, with him smiling at me, that old fear of the unknown made me turn my face away. Was I afraid of possession? No, I just didn't know what he would do, and wondered why he didn't speak. Maybe it was because I was more clairvoyant than clairaudient!

But, I immediately regretted it,

when I saw (like wisps of smoke) trailing into the wall beside me, I grasped after it, but when my fingers went through the "smoke" to pull him back, then I wept as though I had lost a good friend! Years later, when I described his presence to a friend in Singapore, Malaya, he told me that was his buddy in the trenches of Belgium during the First World War. Also, that he had his hand shot off as he walked ahead! I wonder whether this spirit had any thing to do with the long-distance telepathy experiments we had, after I left Singapore?

On boardship (1929) to Japan en route home, I dreamed about my psychic friend walking down a long tunnel. I had to yank myself away from entities crowding around, and clutching for my coolie—coat, and followed him, calling: "Bill! Bill! Bill!"

My call bridged the distance to wake him up! He saw me

standing in the doorway, still clutching my coolie-coat as I gazed sadly at him, as though to say: "It can never be!" Then, I disappeared, after I had seen him (also in full color) sitting up in bed, staring at me! I was pulled back into my body by my sliver cord. Our letters in crossing, independently verified this amazing phenomena. I seemed to have more projective powers that he had in our long distance experiments. One time, he saw me gazing out of an open window, and described the new dress I wore. Another time, he saw me pulling on my stockings, and described my new kimono.

The White Flame Phenomena had the most witnesses...three young couples at a party my neighbor invited me to, (May 1950). At the hosts request, I brought a few of my symbolic paintings that might give the guests some high ideals. But,

Christmas it may be said that the whole world is initiated anew each year, ascends each year into richer levels of consciousness never before reached. Truly, the mighty power of God made manifest at Christmas is drawn from Heaven above and from Earth beneath, and the whole wide world rejoices at the wealth of love and joy outpoured so freely during this wondrous season.

It is in connection with this second aspect of the preparation that the most marvelous features of Christmas are revealed. All during the weeks of Advent, but especially just before Christmas itself, the whole angelic kingdom pours out the very fullness of its love and adoration at the feet of Our Lord the Christ, the Incarnate Lord of Love; and the mighty response which descends from Him is likewise poured down upon Nature, giving it power from a new source, from a fresh aspect of the Divine Life. This wonderful adoration reaches its climax upon Christmas night, when the whole earth pulses and thrills with the waves of adoration ascending to the Lord from His countless hosts of angels throughout the world, waves which flood the earth with delicate rose and heliotrope. And in response the Lord's power pours down in a marvelous benediction of peace and love.

Can we wonder that with all this hidden adoration and blessing the "Christmas spirit" should be abroad in the world, and that men should feel kindly disposed toward each other and toward God? For the angels help man as far as he can be helped, intensify all his highest aspirations, stir up his adoration and his love, and to give effect to the ancient and beautiful words of their traditional Hymn: "Glory be to God in the highest, on earth peace to men of goodwill." And yet even this is not all; for the Mystic Birth is celebrated not only in color but in sound also, and the great angels of music have their wondrous part to play in the Christmas festival, lending a still greater enchantment to its celebration in the inner worlds. But their celestial music no longer resembles that of harps and violins, but rather the chiming of myriads of sweet-toned silver bells. Each angel is, as it were, a bell; each bell a note in the mighty harmony. The chiming of the Christmas bells may be heard all through Advent, but on Christmas night and throughout the following day the angels gather round the Lord in all their hosts; the whole angelic choir is united into one glorious chant, and the swelling music of the bells peals forth in a single hymn of worship to the Lord of Love. That music draws all living things together, harmonizes and attunes the whole world, floods it with divine beauty, beauty which is reflected in the beauties of woods and mountains, of lakes and trees and flowers, and all the lovely things of earth.

Such is the festival of Christmas in the inner worlds—a time of wonderful power and realization for both angels and men, a time of close communion with our Lord the Christ. If we would cooperate with the angels in their work we must fully realize the "Christmas spirit" for ourselves, put aside all selfish and self-centered thought and throw ourselves heart and soul into the service of others. The keynote of the season is adoration and love, adoration to the Christ and love to our brother-men in whom He is veiled. One practice will be of assistance to those who wish to realize the Christmas spirit more deeply, and that is the endeavor to blend their consciousness with Nature, to try by looking at some beautiful scene from the life-side to see it as the angels see it, to realize something of the hidden forces which shape it and make it beautiful and to draw those forces into themselves. Thus we may experience that sense of unity and love and joy which so especially characterizes the Christmas season, and so open ourselves to be channels for the forces outpoured. Above all there must be perfect harmony between ourselves and others, if we would celebrate Christmas aright; for that is a necessary condition if the Christmas forces are to flow through us. For Christ reigns in the heart of every man, and in

#### DIVINE FLAME

Cont. from last pg.  
when I explained their meaning most of them were (more or less) skeptical of anything "supernatural!" Before I conquered my smoking habit, I laid my cigarette down in an ashtray, while sensing a high "presence" behind me. Then, a loud "bang" introduced a white flame that rose up like a tall candle, and went out at its zenith, had no heat, color or smoke, and did not singe the delicate cigarette paper. An ordinary flame comes down first before going out. But, before it did, a tiny, crinkled

brown ball dropped into the tray, with a peculiar odor! Nobody but I saw it drop, so they thought I was playing tricks on them, to get them to believe my pictures! So, the hostess emptied the tray in the bathroom, although I wanted to put it in a bottle to have it examined at a lab. After all, such things don't happen every day!

Then, she offered me one of her cigarettes saying that they would all believe if the flame happened again from it! So, I took one puff amid a tense silence, and when I laid it in the tray, the same phenomena hap-

pened, only this time the flame reached and licked across the ceiling! This frightened the girls so much that they threw themselves around, yelling for me to DO something about it! So, I raised my hand and it went out at its zenith again. After such reassurance, they wanted to see it again, so it happened a few times from their cigarettes, if I was close by and talking with them. but only short spurts. But, one flew in a curve to land in the mock fireplace, where it flamed up for a moment!

Then, they all looked at my paintings again with more open, hence understanding, minds. This was the purpose of it all, so they would gain some benefit from my works. At the next party,

a rich lady came, and wanted to hire Carnegie Hall in New York for a demonstration after seeing the flame perform. But, I told her I couldn't guarantee that it could be re-enacted on stage.

While driving along the Hudson River, we turned in on a roadway that had steep sloping sides. Some protective presence (guardian angel?) saved our lives, when I lost control and the car began to slide on the slippery road, by clamping invisible hands over mine, to turn the wheel just at the right second, to avoid toppling over the edges, as the car skidded from one side to the other until it lost momentum. I was in such sudden shock that I would never have had enough

## YOU CAN FIND LUCKY NUMBERS IN YOUR DREAMS

Down through history dreams have held special significance. A window to other realms, dreams have been thought to provide answers to questions which our conscious minds finds baffling. Dreams have also foretold the future, been of great spiritual value, and have provided insights where all else has failed.

Even the birth of Jesus was foretold in a dream. According to the Gospel of St. Matthew an angel appeared to Joseph in a dream and told him that his wife, Mary was expecting a child, but that Joseph would not be the father. "Joseph, thou son of David, fear not to take unto thee Mary thy wife: for that which is conceived in her is of the Holy Ghost. And she shall bring forth a son, and thou shalt call his name Jesus: for He shall save His people from their sins." Later, Joseph had yet another dream. This time an angel told him to take the infant Christ and flee into Egypt, so that He would not be killed by the Herod's army.

Many of the great—as well as infamous—men and women of history have had their "fortunes told" through their dreams. King Richard III, for example had a dream the night before the battle of Bosworth Field in which "horrible images" danced before him predicting his defeat. Similarly, Napoleon dreamed that a black cat ran before him at Waterloo, and Antoinette saw a ominous "red sun" in her dream which has been interpreted as a sign of her being beheaded. Also, President Lincoln saw himself lying in a coffin in a dream in the White House shortly before his assassination, and several friends of John Kennedy warned him not to go to Dallas because of what they had seen in their dreams.

But, like everything else in the universe, there is a positive side to our dreams. Often if we act upon what we see in our dreams, something very beneficial may come about. Let us not forget for one moment the fact that many great works of literature, unforgettable musical scores, and numerous movie and TV scripts found their birth place in a dream. Treasures have been found, lost children located, and disasters prevented because someone took their dreams seriously. More close to home, is the fact that our dreams can even make us rich by providing us with numbers which often times can prove to be very beneficial in winning games of chance, such as picking the correct lottery number or that underdog in the sixth race at Belmont.

We should remember that everyone dreams, even though most people forget their dreams upon awakening. For the most part, only the most vivid and most terrifying dreams stay in our minds, while all others fade away with the opening of our eyes and the break of day. Some people feel that eating foods that are high in Niacin (i.e. black strap mollasses, rice, bran syrup) will give you clearer vision and improve your dream recall. The only way to accurately recall a dream is to record it as soon as possible. And furthermore I personally feel that the best way to interpret a dream is by putting the dream on tape.

Throughout the years I have had numerous dreams that proved to be of personal benefit. Some have been clairvoyant in that they predicted things to come, while others have been just the result of too much pressure and mental anxiety in my life. One thing is certain, you can interpret any dream. As a psychic I find all dreams fascinating particularly when names and numbers pop up in my head. I remember the time I awoke in the middle of the night about a year ago from having a dream about someone's birthday. The trouble was, I couldn't remember whose birthday I had dreamed about. All I could remember was looking at a calendar and see July 14, and saying this is a birthday I must go to.

Ironically, the time on my clock when I awoke from the dream was 4:17 which is the date July 14 backwards. The next day I played New York's Lotto with a combination of these numbers and won \$500.00. Other people have done the same thing and also came way even bigger winners. As it turns out, sometimes this is the only way that our ESP can come through to us. I have a friend, Barry, who one day purchased some food in a deli and the total of the cash register was \$4.70. Later the same day he went to pick up his dry cleaning and the bill came to the identical amount. A few hours went by and his tab at

the local pharmacy turned out to be—you guessed it—exactly \$4.70. Not finished yet, that night Barry had a dream in which the number 470 played an important part. The next morning he phoned me frantically telling me that "the numbers just seemed to light up like a neon sign in my dream." He urged me to go play the number as he was about to do. Well, the thought of playing the number just slipped my mind, and truly it was a bad mistake as my friend won quite a few hundred dollars that same day playing *his* number.

Often times we're given lucky numbers and don't realize what's happened. Some times we'll see a street sign in a dream or a house from our childhood. The number on the street sign or the house are almost always sure fire winners. Frequently, these numbers tie in with a relative or a close friend who has passed on and may be sending us a helpful message through our dreams. My grandmother has come to me many times in dreams and gives me numbers to play. Most times I have luck with these numbers.

But perhaps you have never been shown a street number or had any other number given to you in a dream. There is, however, a way of finding a number in a dream when one may not be so apparent.

There is a numerical alphabet that can be used to get the number of a name of a person, place or thing. The numbers begin at one and go through nine. The numerical alphabet I am referring to looks like this:

1	2	3	4	5	6	7	8	9
A	B	C	D	E	F	G	H	I
J	K	L	M	N	O	P	Q	R
S	T	U	V	W	X	Y	Z	

Here's how this works...

Say you have a dream about a dog. Look to where "d" is in the numerical alphabet. The letter "d" falls under the number 4. The letter "O" is under the number 6. And the letter "g" comes under the number 7. That gives you the three digit number 467. But we're not

# CALL UPON YOUR GUARDIAN ANGEL FOR GUIDANCE AND PROTECTION

Psalms 90:11-13 states: "The Lord hath given his angels charge over thee, to keep thee in all thy ways."

Evangelist Billy Graham tells us: "When Christians die, an angel will be there to comfort us, to give us peace and joy even at that most critical hour, and to usher us into the presence of God, where we shall dwell with the Lord forever..."

Jesus himself revealed the wonderful truth that the faithful each have a guardian angel to attend to them throughout their life: "Behold! I will send my angel, who shall go forth before thee, and keep thee in thy

journey, and bring thee into the place that I have prepared."

Now for the **FIRST TIME**, you can learn all there is to know about God's special helpers—why angels were created; what their purpose in the Lord's scheme of things really is; and most important of all, how you can call upon them directly for guidance and protection, in order to make your own life more peaceful and fruitful.

Here's a sample of what you can expect to read in an amazing new book just released titled **ANGELS OF THE LORD**:

## ANGELS WALK AMONGST US!

It may come as a shock to many, but according to evidence, we are often confronted by angels, but do not know it. Yes, angels are visible quite often, only they don't always appear to us as spiritual beings with wings, but rather as men, and even as strangers. They come when they are most needed. You may even pass an angel on the street who is bent on doing some good for someone that can't be accomplished in his invisible state.

## NINE SPECIFIC WAYS OUR PERSONAL ANGEL PROTECTS US

Biblical scholars insist that angels do more than follow us about. It is said that they have a special mission that they must carry out. Among other things they must protect our spirituality; defend us from the seduction of Satan; shield us from sudden dangers; help in the saving of our soul; pray for and with us; assist us in praising God and help when it is time for us to "cross over." Each of the nine ways is described in detail so you will know what to expect from your personal angel and what you must do in return.

## HIERARCHY OF ANGELS

Generally, it is not known that there is an actual organization of angels. The divisions include: Archangels, Seraphim, Cherubim, Principalities, Authorities, Powers, Thrones, Might and Dominion. Find out how these various angels are ranked and what their individual duties consist of.

## DOCUMENTED CASES OF PEOPLE HELPED BY THEIR GUARDIAN ANGEL

Many startling, modern day case histories are written about. For example:

- The New York woman whose guardian angel led her to a job when she was totally destitute.
- The "Angel of Mercy" who prevented the killing of Chinese citizens by the Japanese during World War II.
- The battalion of angels who fought it out with the enemy in the skies over Europe as testified to by Lord Hugh Dowding.
- The band of angels that prevented dozens of GI's from freezing in Korea.

## ROLE OF ANGELS IN HISTORY

- George Washington had a vision in which an angel appeared to him and foretold the future history of the United States.
- The famous flying ace, Charles Lindberg, claimed that his guardian angel was with him in the cockpit of the Spirit of St. Louis as he crossed the Atlantic.
- Saintry Padre Pio, the stigmatic priest, frequently carried on conversations with not only his guardian angel, but the guardian angels of others.
- St. Benedict claims that angels actually joined the holy monks in song.
- St. Nicholas was permitted to hear his guardian angel and other angels for the last six months of his life.
- St. Frances often read at night by the light given off by the glowing hair of her guardian angel.
- There is even evidence that the writing of the Constitution was done with the help of an angel.

## UFOS OR ANGELS?

Some experts now believe that the strange objects observed in the sky may actually be angels and not extraterrestrial craft. The fact that UFOs do not show up on radar screens is significant, since angels are not usually of flesh and blood, and therefore would not register on even our most advanced technical equipment. Scriptures tend to verify this theory.

## LANGUAGE OF ANGELS AND HOW THEY TRAVEL

We are told that angels have a language all their own which we may possibly learn to speak. Also, angels can travel thousands of miles in the twinkling of an eye utilizing a method which science has only begun to dream of.

## WAR WITH SATAN

Not all angels are good. The Bible tells us that Satan was once an angel and that he was thrown out of heaven. One third of all angels could be demons and we are warned that the devil is out to take over the world and capture our very souls. Learn of the tools which Satan uses to trick us, and how we can prevent being possessed. Discover why baptism is important in this age old war, and what it means to follow the "Great White Light."

## A POWERFUL FREE GIFT TO ENRICH YOUR LIFE

# SACRED MAGIC

**NOT OF THE DEVIL — BASED ON GOD'S WORD**

## THE SACRED MAGIC

As a youngster, William Alexander Oribello constantly asked questions about the mysteries of life and the Almighty Power of God. His parents and the family's minister answered his probing questions the best they could, but their answers were lacking until one day when little William was touched by the thunderous power of the Lord. A beautiful light surrounded him and he was given a divine message that he had been selected to receive and teach the most powerful lost secrets of THE SACRED MAGIC to all the world at the dawn of the GOLDEN AGE.

THE SACRED MAGIC is the essence of the mystic teachings given by the Magi and the Masters of Wisdom to Rev. Oribello. To determine if you have been so CHOSEN to receive this hidden knowledge, answer the following questions truthfully to yourself:

- ( ) Do I want peace, joy, love and prosperity to fill my life completely?
  - ( ) Do I desire to know and work with the unseen forces of the universe for dynamic success in all that I do?
  - ( ) Do I desire to help others overcome their problems through and by the great magical power I gain?
  - ( ) Do I want total control of all situations which manifest in my life?
  - ( ) Do I possess an unrelenting need to know the answers to the mysteries of life, death, and the workings of the universe, both quickly and easily?
- If you can answer "YES" to a majority of these questions then this is obviously the path for you... Here is a mere sample of what you can expect to learn from Rev. Oribello's SACRED MAGIC manuscript:

finished yet. These three numbers can still be "reduced" down further to the one—"lucky"—number that has special significance.

In our writing down of numbers the numbers associated with consonants in a name are placed on top while the numbers associated with vowels (a-e-i-o-u) go on the bottom as indicated in the following example:

$$\begin{array}{r} 4 \ 7 \\ \hline \text{DOG} \\ \hline 6 \end{array}$$

Now you have to add the numbers remembering that our numerical chart does not go past the number nine, and therefore when we pass this number we have to start at the beginning once again as displayed below.

$$\begin{array}{r} 4+7=2 \\ 6=6 \\ \hline 2+6=8 \end{array}$$

Using the above formula, if you dreamed about a dog your lucky number would be the number eight. To get more numbers from your dreams you have to analyze the rest of the names mentioned or places or objects seen. It's just endless how many numbers you can get out of a single dream. The important thing to remember is to find the object or person most prominent and assign the proper numbers to them. In doing so you will be on your way to winning big.

Here's still another case history. Another friend of mine, a psyhic named Jackie, had an experience with a dream that proved to be most interesting. Jackie played her fathers birthday and won the exacta. She told me she dreamed she went to Off Track Betting and saw her father and it was his birthday. Jackie said that "he spoke to me very clearly, and told me to play his birthday which was January 6."

As it turned out, Jackie followed her father's instructions, played the number six with the letter "A" in front of it substituting the first letter of the alphabet for the first month of the year) and came away a winner. In need of extra cash, she asked her father in her dream if she could win still more money and he indicated she could if she played his birthday backwards. The next day 6A popped up as the winning number and Jackie was in the chips once again; and all because she had followed her dream as you can now do.

Want another example?

My sister-in-law, Sharon, dreams of numbers very clearly on a Lotto card every now and then. She has still to win big with her numbers, but plays these numbers regularly.

Give me a few more minutes because I'm not finished yet!!!

There is still another method that you can get a lucky number. This number is based upon your birthdate and is your personal lucky number which is likely to crop up on and off throughout your entire life.

What you do is take your birthdate, add the numbers of the date, month and year together and then reduce it using the method we talked about previously.

As an example, let's say you were born 8/26/1953. We would add this birthday the following way: 8+26+19+53 comes out to a total of 106. Now what we have to do, since in numerology we don't use double digits, to drop the 0 in the middle and add 1+6 giving us our birth path lucky number—number seven.

Actually, we're not finished yet, but from here on out the methods numerologists use get very complicated and there is a tendency to lose interest on the part of those who are not into numbers.

Remember though, your numbers are part of you. We dream numbers all the time even if we don't realize it. So look for them in your dreams and you could be lucky too!

**NOTE:** For those readers who would like us to do the figuring and provide them with lucky numbers, in 500 words or less tell us about your most recent significant dream and Maria Carta will give your lucky number and a brief, one page, interpretation. For this service send payment of \$10 to INNER LIGHT (Dreams & Numbers), Box 753, New Brunswick, N.J. 08903.

# I Am that I Am

## A Metaphysical Course on Consciousness

- EXPERIENCE LIMITLESS FREEDOM.
- FEEL UNCONDITIONAL LOVE WHENEVER YOU WANT IT.
- BE IN THE PLACE OF ALL KNOWINGNESS.
- FEEL THE STRENGTH OF YOUR OWN PERSONAL POWER EXPAND BEYOND IMAGINATION.
- LEARN THE COSMIC LAW KNOWN TO THE MASTERS OF ALL AGES.
- EXPERIENCE YOUR OWN GOD PRESENCE.
- LEARN THE SCIENTIFIC FOUNDATION THAT WILL CREATE THE ABUNDANT FLOW OF ALL YOUR DESIRES, INCLUDING MONEY.
- TALK TO GOD DIRECTLY.
- SOLVE THE CORE ISSUES OF THE RECURRING CONFLICTS IN YOUR LIFE.
- BE TOTALLY FREE TO FULFILL YOUR GREATEST DREAMS.

These must seem like some pretty outrageous claims to make. But you would like to be able to "talk to God directly," wouldn't you? Or be in a position to fulfill every desire or dream that you've ever imagined? Right?

Jesus, Moses, Krishna, and Buddha experienced and possessed all that claimed above. And all of them taught the same basic truths clothed in one social/psychological garment or another. One winding path. These beloved Masters taught with the metaphysical wisdom of all ascended beings. These truths have always been universal, and till now shrouded in mystics of organizations, traditions and cultures. However, with the dawning of the New Age of Aquarius, anyone who will ask and do, can attain all the things claimed above and more.

I Am that I Am, the God presence in us all, and a metaphysical course on consciousness is now, for the first time, available to the general public. You can understand the inner mysteries and knowledge once reserved only for Masters and their devoted followers. You are initiated in the knowledge of how an individual soul metaphysically and spiritually relates to its whole environment and ones God Presence. This science of the seven major Chakras, Four Lower Bodies, Christ (Krishna, oversoul) and I Am presence are the founding metaphysical truths that define our inner reality. This inner reality controls our destiny and who we are. Master your inner reality and you master the world and heavens beyond.

"I Am that I Am" provides you with all the metaphysical science necessary to understand your complete inner reality. Then shows you how to apply that science to create transformation and expansion of that inner reality, so your full manifestation of all desires will take place in your outer world. The typical core psychological and sociological problems or blocks that occur in each part of your metaphysical structure are discussed, followed by scientific visualizations which will remove the block and expand that part of your consciousness.

Now, you don't have to spend large sums of money or go through endless initiations in secret organizations to understand what the Masters of all time have known, and become the master of your own time. I Am that I Am is complete in itself. Buy it. Know it, and fulfill all your desires and dreams within it.

# DID YOU KNOW YOU HAVE A "HIDDEN" MIND? TAP THE COSMIC POWER OF YOUR SUBCONSCIOUS THROUGH SUBLIMINAL STIMULATION™

You've read in *Time*, *Omni*, *Psychology Today*, *the Wall Street Journal* and elsewhere about the exciting success of subliminal techniques. Now, thanks to recent breakthroughs by leading psychologists, you can use these same innovative techniques to *turn your life around*.

Maybe you want to improve your memory, increase your income, lose weight, build your self-confidence. These are just a few of the accomplishments within your reach.

The subconscious mind is a mysterious thing. We're finding out more about it every year. It's not like your conscious mind. Instead it soaks up impressions. You'll be amazed how fast the "success-mechanism" within you makes big changes in your life.

### SUBLIMINAL TECHNIQUES ARE THE PROBLEM SOLVERS FOR THE 1980s AND BEYOND.

Subliminal Stimulation is used today in countless ways. For example, to reduce shoplifting, department stores nationwide are finding that a "hidden" message in the public-address music cuts pilferage substantially. This message repeats—over and over—such tested phrases as "I am honest; I don't steal."

Customers aren't even aware of it. Yet inventory statistics reveal a big decrease in shoplifting. In fact, in some cases by as much as 67 percent.

### YOUR SUBCONSCIOUS IS YOUR ALLY. LET IT WORK MIRACLES FOR YOU AS IT DOES FOR THOUSANDS TODAY.

Until recently, scientists were unable to harness the powers of the hidden mind. For years we knew it controls our destiny. But the question was: "How can we tap its strength?"

Through constant testing a breakthrough came. The credit goes to some of the top researchers in this country. Their untiring efforts have enabled people of all ages, from all walks of life, to enjoy exciting self-improvement fast.

### EVERY TAPE YOU SELECT BRINGS YOU TWO DIFFERENT KINDS OF STIMULATION.

On one side, subliminal stimulation. You hear waves breaking on the shoreline. But your subconscious hears more. There are subliminally embedded messages at work—literally hundreds. Chances are, you won't be able to hear them consciously. But your subconscious will. And, it will obey. Listen while you work, read, play, relax, watch TV, or even while jogging or driving your car. The sounds of the waves create a pleasant background while alone or with others. A brief introduction on each tape lets you know the exact wording of the subliminal messages coming up.

While you go about your activities, you'll

be fully awake and alert. Yet all the while your subconscious will be *listening and heeding*.

You'll get all the benefits of subliminal stimulation—and more. On the other side of each tape is an audible *Natural Response™* program. You'll hear suggestions, affirmations, in a very real sense "orders to your subconscious." Yet all you do is relax. Put forth no effort whatsoever. You're in full control. Both sides provide you with an experience unlike any you've ever had before. And the results are *sensational*. In fact, these techniques are widely used by professional therapists and hospitals.

Each side inspires you and revitalizes you. So listen again and again. Very soon you'll see an exciting change in your life. That is why more aware people—people who want more out of life—are finding new happiness today. These Subliminal Stimulation™ Tapes are the long-sought answer.

### WHAT AREAS OF IMPROVEMENT DO YOU NEED? THESE TAPES WILL SURPRISE YOU WITH DRAMATIC RESULTS.

By stimulating your subconscious, you'll feel more youthful and dynamic. You'll get more out of life—because you'll be programming your subconscious to bring out all your hidden abilities. Instead of being satisfied with what each day brings, you'll be able to achieve more and enjoy long-held ambitions.

You'll capture opportunities so much more easily because your inner strength, your subconscious, will be working for you, not against you. You'll rid yourself of childhood-acquired hangups and misconceptions about yourself. In their place will be a truly new you—a you you'll like so very much more. You'll gain more happiness, more fulfillment, and a better life than ever before!

**M**any people seek out others who might be able to heal them of physical and psychological illness but they do not realize that there is a miraculous healing ability *within their own beings!* Each and every one of God's children have this gift hidden within themselves! The following transmission was sent by a loving and concerned angelic being who urgently wants you to know about the miracle energy within yourself:

Do you ever get the feeling that you would like to take ten minutes to sit down and talk with yourself, perhaps even figuratively hold yourself in your arms, talking to yourself as an old wise friend?

Do not hesitate to do this in quiet moments, at times of introspection or sadness, or simply to gain renewed energy to face yet another day for this is the first key to unlocking the miraculous healing energy which you yourself possess.

The world teaches children that one should not talk to one's self. How foolish is this teaching! Talking to the self—and to the Higher Self—is the handiest and most-sure way of keying into the energy-conduit within yourself which leads directly to God and God's power! In this way, self-healing can be attained and achieved. And so, to shallowly pronounce that anyone who talks to himself is "crazy" is a serious error on the part of civilization.

We do not mean that you should walk down a crowded city street talking nonsense to yourself but rather that you must know how to reach and talk with your inner self. You must know how to turn to yourself as your best friend, comforter, physician and healer, if necessary!

Now, it is very true that your inner self (your Higher Self) does not exist in a vacuum! When you reach your Higher Self, you also reach God. Prayer is a mighty weapon and it is the "twin energy" of reaching yourself and helping yourself in whatever ills befall it.

You must realize that your inner self is Christed; this higher self is a part of the universal God Force! You are *not*, therefore, a separate entity in the universe but rather are a part of the larger *Whole*. You must know how to reach and work with your higher self in order to provide a direct line to God in order to open up miraculous healing energies within yourself! This is like opening up flood gates which have been closed for years by the pressures of the world around you! The ensuing "flood" will be a flood of healing, cleansing energies direct from God.

No one can deny that the mind can

serenity...and you will be working only with positive energies!

The physical body is a precious vessel for your mind and your soul and it must be kept in excellent condition. Your entire perception changes when you look at your body in this way...and healing may be begun; The world around you may still be a negative one but your precious energy is no longer a part of it! Of course you still function,

cause physical ailments which manifest as real and which are real. There should be no doubt then that the mind and the soul can cure the physical body! Also, your mind and soul can keep the physical body from being dragged into negative energy which causes illness in the

first place! It is easier, it seems, to fall into a negative energy cycle because the world around you is often more negative than positive. What you must do is make your entire being (mind, soul, and physical body) a part of a *higher* reality! In this way you will find fulfillment and

**WHY ARE YOU HERE NOW?**  
by Joyce A. Sanderson

The next 20 years brings us to the year 2000 A.D. What this group of souls inhabiting the Earth do here this time is crucial! Our fates depend on each other! Never, in all history, have we been so directed by teachers and guides — both here and on the other side. What we do is entirely up to us. We may progress as a mass group of souls, or we may fail to recognize truth again. We'll either make our way back to the Source together, or we'll find ourselves having to reincarnate again to balance out more Karma. We need to grow in understanding and Universal Love in order to succeed. Why Are You Here Now? A helpful guide to any seeker.

**LIFE NEVER ENDS**  
by Kay Leedy

HAVE YOU EVER WONDERED... what "life after death" really is? ... Have you ever felt there's more to life than just this world? ... Have you ever experienced the nudging, the nearness or support of someone who has died? What is "heaven"? Do people there see, hear, and touch? ... Can they recognize their friends? — the ones who died before them and the ones who die later? This book offers answers to these and many other revealing questions that man has posed for centuries. It helps us to understand how life never ends...

Dolphins, Extra-Terrestrials and Angels  
by Timothy Wylie

"It is becoming more evident to us that our small planet is considered the pearl of this area of the Universe and its demise amid atomic destruction is simply not being allowed to occur. This is not an act of coercion or a diminishment of our free-will by those whose function it is to watch over Universe affairs because no human being truly desires in their heart to see their planet destroyed. It is the long-awaited helping hand for which we have all so ardently hoped and prayed. The presence of extra-terrestrials and angels, entities from other levels and domains of the Master Universe, seeks to help us mend a situation which has been regarded as immensely difficult for the last 200,000 years, and which happened through no doing of ours." A book for all who seek.

When I was about ten or eleven, I told my parents that the dog belonging to Aunt Fanny gave birth to eight puppies. That same day my parents asked my aunt if it were true. She denied it. As a result, my parents scolded me for telling a lie. Then I told them I meant that the dog will give birth to eight puppies. On the following day it did, indeed, give birth to eight puppies. I have been made aware that in my practice that whenever I operate intuitively, using more my "feel" for the patient's problem rather than my scientific approach, I get much better results. I can then see how a patient improves under my very eyes and remains well thereafter. A truly new insight into the practice of Twenty-First Century Psychotherapy.

perform a job, etc., but your spirit is free and is in contact with higher realms from which its strength and its very being come! And it is these realms who possess miraculous healing powers. Rejoice!

We of the Higher Realms work with ourselves in this way and we urgently want you to know these miraculous secrets, this powerful key!

We have found that the more one keys into the God-force, the more one learns to shut out negativity...the more easy it becomes. You see, the negatives are sieved out, becoming fewer and fewer. And so, the process becomes easier, the hardest part is the initial "weeding out" process.

Specifically, in healing the self (a diseased or damaged area of the physical body), you must first purify your energies, eliminating negatives. Set the Cycle in motion in the positive orbit!

Get in delicate contact with your higher self. This means that you must feel your very life force as it has existed in all lifetimes. Your soul is beautiful and unique; you must reach it, talk with it, allow it to help "you" (the person who exists on 20th Century Earth).

You must also pray...or, if you prefer, simply feel the mighty presence of the Universal God. If you want to pray specifically, that is excellent also. In other words, once the Self (the unique and ageless essence which is uniquely you) has been contacted, connect that beautiful energy to the God-force. We stress to you that the formality or exact method of prayer/meditation is not important. Do it in the personal way which is right for you.

Now, fix your concentration on the damaged or diseased area of the body. If you have a headache or something more serious...this method will work if your mind/soul can gain enough power, can connect to the God-force.

Radiate/spread the healing energies from God-force to Whole Self, through your present mind... onto your troubled area. Do this in full communion with yourself and with God. Experience the feeling of resurrection, re-birth of not only the troubled area but of the entire, timeless essence of you.

If an individual can tap in clearly and "innocently" enough, healing can occur in one session. However, many sessions may be needed. Remember, simply begin them by "talking to self", by getting into contact/communication with the self you knew in childhood, with the Self which connects to the Divine Energy pipeline.

Your problems, both mental and physical, may be complex ones though not debilitating. This is caused by the many years you have lived in the mundane reality...for its negativities have added up! Work with yourself whenever possible, allow the mind to be explored by self and find the many mystical wonders there.★

### REALITY OF REINCARNATION

Academic studies done at several colleges has proven scientifically the reality of reincarnation. More and more, even members of the clergy have come to accept the fact that we live more than once. A number of psychologists are even treating patients with "past life therapy," acting on the belief that past life experiences can cause emotional disturbances, phobias, and a variety of hangups in an individual's present life situation.

# REVELATIONS

HAD A REVELATION? A VISION? BEEN TO HEAVEN? SEEN JESUS? EXPERIENCED A MIRACLE? FELT THE HAND OF GOD? ENCOUNTERED HIGHER BEINGS? SAVED BY YOUR GUARDIAN ANGELS? TELL US ABOUT IT

## OUT OF PLACE-OUT OF TIME

During my life I have had several unexplained experiences happen to me. When I was about 6 or 7, I "awoke" to find myself standing in the bathroom. I looked around a little bit and walked around. Then suddenly there was a high eerie walling sound all around me. It was very loud, but loud is not really the correct word, but one I use for lack of a better one. I was then lifted up and placed in a horizontal position and commenced to float across the floor. I had no control over my actions. As I entered my bedroom I saw myself lying on the bed. I floated to the left side of the bed, my feet then took a right turn then I headed backwards head first to my body while my spirit was screaming and twitching. I finally came together with my physical self and just laid there scared, dazed and excited. I told no one about this for many years.

My next big experience was to talk to an angel. This happened about a year later. He told me that "I had to stay." I was saddened but awoke feeling refreshed. I told my grandparents about this and they just kind of laughed.

My next experience, and the one I am most proud of, happened when I was ten. I was in a room and there were three of us. We were musicians. I played sort of a "guitar," as well as something that resembled an organ. It had keys and assorted buttons. These buttons were many colors and some of them had symbols on them. But the most fascinating thing was I could play any song and sing just by thinking of it in my mind and pressing a series of buttons or keys. Later on when I was in my late teens, I had dreams which kept recurring. One was, I was with a group of Confederate soldiers. We were going to cross a ditch. The weather was warm, the area being out west somewhere. We crossed the ditch and met the opposing army. There were men shouting and dying all around. At this point the dream ends just as if somebody turned off a switch. In yet another dream, I was with a bunch of people and started to float upward. I told them I was leaving. They just laughed. I floated and began to soar with increasing speed and looked around and figured out that I may not be coming back. I didn't care as I soared even higher and faster hearing the wind whispering by. Then I said to myself that I'm not really ready go go. At this instant I woke up in my bed.

I've always felt I don't belong here. I feel out of place, out of time. I know I'm here for a reason, but I don't know what that is.

## CHILDREN IN THE PATH OF LIGHT

There are many children walking the Path. Many aware that they are doing so, many just accepting this as their way of life.

It is important to teach the Truth from the very first. Now, that does not mean that you have to sit down and teach philosophy. What it does mean, is that as each diverse opportunity of life manifests, we have to

be able to pass on the knowledge of how to handle them in the correct way. We teach by discussing, but more so by doing, and showing at the time how to deal with varied situations.

Children have a natural ability to see things as they are. They will follow their first intuitive leads if allowed to do so. They will have an awareness. Knowing that when they really want something positive to happen, it will come to pass. If left to their own devices, they shall also "see" other planes of reality.

It is amazing how many books are written on "how to" develop psychic ability and "how to" teach the young to be more aware. When all that is required to teach them is meditation. To listen to that still voice within, and leave them alone. The biggest problem is to unteach what adults have told them. That they "do not see" things, or "what a cute imagination", when all along it is real.

When you are walking in the Path of Light, it is as though you are on a thin line. One side is our reality, the other side has the different planes. You can see both sides equally, and have only to adjust to differentiate between the two.

Both my sons, Rick and Rob, are clairvoyant and clairaudient. They always have been. The only reason it is more apparent with them than with other children, is that I always listen to what they tell me as *reality*. In which case, you do have to teach them to protect themselves as a precaution. Teach them to put up the shield of White Light. Do so by saying—I am now putting up a shield of Gods protective White Light of Love and Truth. Nothing can get in that is harmful or negative, only good and positive. As you say this, picture white light starting from a few inches above head, and descending in an egg shape to surround your entire body. Ending a few inches below your feet. It is very important they learn this. It is very easy for child, since they already perceive it as real.

There are numerous things that other cultures in the past have done, that I feel could still be used as beneficial to children. For example: there are small dolls that more than one culture has used. They were given to children, who were told what these dolls were for when they had a worry or a problem. They would tell their problems to the dolls. It was a way to learn positive thinking, and not worry constantly. Since they had confidence in these dolls, they went out and solved their own problems. Personally, I gave my children magic rocks to be put in their rooms, and not be touched by any other person. It was used to protect them. To keep away things in the night. Actually they are quartz crystals. The vibration they put out does attract protection. It is only a matter of how you explain everything. Magic rocks when they are little, and quartz crystals when they are bigger.

The important thing to remember is to let them know they are working through Divine Power and Guidance. There will be times when they are "aware" of something that you are not. You have to bear in mind there are experiences that can not be explained. In our world we reason or explain. In the psychic, some things you just KNOW. It is a fact, and that is all there is to it. You will only get you and the child frustrated if you keep repeating "how do you know". There will not always be a sense of time or distance. Nothing is impossible to a child, since they are not aware of limitations yet. Children do not separate the two realities. They only see the One.

Teach them the basic principles we have just covered. Continue to

# Solar Powered Necklace Relieves Anxiety, Depression, And Fatigue, While Increasing Vitality

## Gentle Forces Of Solar Energizer Worn As Necklace Floods Body With Revitalizing Energy From The Sun

### Users Report...

- Increased Energy
- Elevated Mood
- Feeling of Well-Being
- Improved Sleep
- Reduced Tension
- Relief of Pain

### New Science of Bioelectronics

The effects electronic fields on the human mood and energy levels have long been known. Ionized air, lunar cycles and solar flares, and increased electrical activity during and preceding a storm are all known to effect the way we feel and act. But the correct techniques for controlling these forces to improve human health have been very elusive—until a recent breakthrough made by a remarkable Israeli inventor.

### Simple Method of Energizing the Body Discovered by Inventor

In the early sixties, Leon Halfon joined the staff of a famous clinic located near the shores of the Dead Sea in Israel. He began working with a team that was developing methods of treating headaches, tension and insomnia with externally applied electrical energy. The dramatic results achieved by the team inspired him to begin searching for alternative methods of applying this energy to benefit people in all walks of life. His efforts lead him to discovery that a continuous flow of low-yield energy into the body would create a POWERFUL ENERGIZING EFFECT on the physical and emotional state of the recipient. And this energy could be supplied by the small solar cells used to power spacecraft!

### A Functioning Space-Age Power Source

The "Solar Energizer" is more than just an attractive necklace—it is a functioning space-age power cell that delivers a continuous supply of energy when exposed to light. The positive and negative electrodes are formed by the chain, which delivers a gentle and continuous flow of ENERGIZING POWER THROUGHOUT THE BODY of the person wearing it. The energy produces no tingling sensation on the skin but any simple electronic multi-meter will detect its presence and verify that the energizer is working.

### Renewed Energy Lets Body Heal Itself

After wearing the Solar Energizer, most people report increased energy, a feeling of

well-being, more relaxed and restful sleep—and many people report relief from chronic pain and headaches. Relief comes from the body's own natural ability to heal itself once it has the needed energy and vitality to do so.

### Dramatic Improvement Within One Week

Although many people report a definite change in their mood and energy level within the first one or two hours, full beneficial effects take place gradually over a period of days. During tests with volunteers in Southern California most of the participants reported a dramatic improvement within one week! Increased energy, elevated mood, calm restful sleep, and reduced tension were all commonly reported. A common thread with many victims of chronic pain was an initial feeling of needing to sleep which was followed by an improvement of symptoms after the needed sleep was gained.

### U.S. Patent Office Awards Patent

The Solar Energizer is a patented device that has been subjected to a thorough review by the U.S. Patent Office. Patent Number 4,173,229 was issued on November 6, 1979. The Summary Of The Invention begins with: "It is the object of the present

invention to provide an improved and decorative therapeutic adornment or jewelry object operable to generate a beneficial flow of electrical current through the body of a person wearing same".

### 30 Day Money Back Guarantee

Use the Solar Energizer continuously for 30 days and let the results speak for themselves. If you are not satisfied with the performance of the Solar Energizer, return it to us for a full refund!

### For Men and Women

The Solar Energizer Necklace is attractively styled and may be worn by both men and women. Each energizer comes in a velvet jeweler's pouch and includes complete instructions and recommendations for correct wearing and use.

## THE BLUE-WHITE LIGHT THAT SAVED MY LIFE

I would like to tell you something that happened to me on September 13, 1973 about 7:30 in the evening.

I was driving home from Vermont as I had been visiting my brother and his family, not knowing the route very well I made a wrong turn, and headed north instead of south.

While I was debating what to do and being in the right hand lane I spotted a road off to the side of the left lane. I glanced in my rear view mirror and misjudging the distance of a truck in the left lane I turned into the path of the truck.

There was a loud noise, a blinding flash of white light and my whole body began to grow numb. I thought to myself my god I have been hit and as my car was sliding across the medium I fought to gain control of my auto and avoid the traffic in the oncoming southbound lane. I hit my brakes hard and turned sharply at which point my car stalled. I found myself in the middle of the strip between lanes. I then turned the key off and turned on my trouble lights and as I was doing this I felt very dizzy and started to drift off into a deep sleep.

Just before I went to sleep I saw a beautiful blue white cloud form around me. Everything in my car was light blue-white and I then went to sleep. About 30 minutes later I felt someone shaking me and somebody saying he's dead and to send for the bone wagon. About 15 minutes later I came to and as I tried to get out of my car I still had this blue-white glow around me. My left side was numb and my left arm felt like it was dead. I crawled out and went over to the crowd that was gathered around the truck and asked a Vermont State Trooper if anyone was hurt. He told me that a woman in the truck had a cut on her forehead and that two little girls were shook up and the driver seemed to be ok.

Then he asked me where I came from and I told him I was the driver of the other vehicle. He looked at me and told me I'd just come back from the dead. I went to Hanover Hospital and found out that I had a dislocated shoulder and broken collar bone. The trooper took me back to my brother's house and he brought me home. This is the truth.

## PASSPORT TO HEAVEN

I found your book "Passport to Heaven" very interesting. The subject matter was not all new to me, I have been familiar with it for over sixty years and have read a great deal on the subject and once had the great good fortune of attending a seance by a young (17) medium who was an excellent materialization medium. That evening I saw 105 materializations of spirits some who claimed to come from the seventh sphere of heaven—I have no cause to disbelieve them, it was several days before I felt my feet were back on the ground. One of the guides told us we might wonder why they lowered their vibration to contact us, he said they raised our vibration to theirs. It is easy for me to believe that, after my experience.

## A STARTLING VISION

I'm writing this for your Revelations column. About 10 years ago I had a vision that I tell very few people about because most people are so skeptical about miracles. I was working at the Library of Congress in WASH, D.C. at the time where we transferred old books onto microfilm. It was a very boring job where you sat in a cubicle all day under bright lights, pushing a button at least 2,500 times a day and changing film in your camera. I've always been a very religious sort in my own mind and try to live my life as one long prayer, easier said than done, as I've been swayed many times by one temptation or another. At a young age I had a dream and came in contact with a master Soul all in white, sitting on a throne with fog all around him and a cloud below the throne. I came there for the purpose of asking him about a way of life and told him I wanted to

help people who liked experimenting with drugs and these are the type of people I've been around ever since. Giving them advice about living right and bringing them up when they feel down.

At the Library of Congress I started sabbatical with my self for 3 months where as I stay on a very strict diet, no meat, no drugs of any kind (drugs being everything from chocolate, sugar, limited salt and everything else). I stay in a continual state of grace, pondering what Jesus must have pondered at a young age, looking over sheep from a side of a hill on a beautiful spring day and being at as much peace with myself as I possibly could. I use to watch the swirls before my eyes while looking at a blue sky. Anyone can see these. They look like little beads of light with tails, you see them very brightly sometimes when you turn your head too far to look over your back or just before you faint when you're feeling woozy. Anyway I was looking at these swirls one day over top the library when the Sacred Heart appeared and beside it was a tongue of fire. Coming down in the middle of the Sacred Heart was a beautiful sword that I believe was the Sword of Truth. I didn't know what to think. I wasn't looking for it and wasn't expecting to see anything. I didn't feel worthy of seeing such a vision and I turned away and walked back inside. I think that was the worst thing I could have done. I'm always looking back now wishing I had kept looking or got on my knees and said a prayer of thanks before it. I have pondered this vision for many years. I believe the Sacred Heart to be a symbol of peace. The tongue of fire a symbol of speech and how we should speak of God and His power and the Sword of Truth as the sword of victory over all obstacles that come before us in life.

I would be very interested in what William Oribello and Diane Tessman could relate to me about this vision. Please don't print my name as I am an M.D.

**HALLEY'S COMET—COSMIC SHUTTLE BUS**

One of the contributing members of our Journal, Sphaera Imaginatio, recently sent us a copy of an announcement entitled Space Earth: One Universe, urging readers to sign and send to the United Nations. We are indeed in a time when humankind need make a stand for Peace and Cooperation, and open the Eyes toward Within and beyond, and to our Space Sisters and Brothers, such as represented by Ashtar. Those who are of the lineage of the Star Seed are meant to awaken to genetic-imprinted memories of Star heritage, and work with the advance of humanity, those of the lineage of the helpers, ready to take the next step of high evolutionary (so-called) consciousness. Monday night, about 9; to 10:00 PM, 14 October 1985, two of us watched a Bright Light in the East, moving vertically up and down, and then horizontally back and forth, behaving in no manner like plane nor helicopter, nor like planet nor star; flashing various colored lights and accompanied with strong feelings of peace and starship light. Later that evening (about 10:20) I and another saw to the South about 20 degrees of where the bright light had been, small nearly invisible lights darting about the constellation Taurus, where I understand Halley's Comet (Cosmic shuttlebus) will appear in November.

**THE ANGEL'S CHARIOT CAME TO GET SIS**

I would like to tell you about a mysterious light I once saw. I was nine years old and my sister Maude was very ill. I was standing at her bed and she opened her eyes and moved her hand. I took it and patted it and saw her stare straight up and smile. I felt someone take my hand and heard grandma say come with me.

We went outside, out the front door, and around the house and looked up into the sky and saw a light. I will always remember it. It was round and flat. Grandma was in the outhouse and when she came out I told her to take a look at this object in the sky. She just hugged me close to her and said its the angels's chariot coming to take Maude home. She just hugged me closer as the light stopped a second and it was high and traveling faster, but it was just as clear. Then it dissappeared. Grandma cried and we went into the house and walked to my sister's bed. I just stood there numb. I heard my father and mother crying and looked over and saw them in each other's arms. I saw my brother sitting alone at the table and I walked over and sat

down. He said why did sis have to die so young? I told him about the light in the sky.

Another time I was in the hospital and I saw a light like no other light on earth. I was in deep darkness when it happened. I will write more about the experience some other time.

# DOOMSDAY IS AROUND THE CORNER!

# WILL CIVILIZATION END BEFORE THE YEAR 2000?

## PREDICTED:

- APPEARANCE OF THE ANTI CHRIST - 666
- MASS LANDING OF SPACE SHIPS
- THE SECOND COMING
- WORLD WAR III
- THE EARTH FLIPS OVER
- PLAGUES & STARVATION
- CIVILIZATION COLLAPSES
- GRAVES OPENED & CORPSES GONE
- THOUSANDS VANISH

Back in the 16th century the famous — and highly accurate — French seer, Nostradamus, predicted the world would end in the year 1999. During the 1930's the "Prophet of Virginia Beach," Edgar Cayce, foresaw great trials and tribulations sweeping the globe before the turn of this century. Many religious leaders including Hal Lindsay and Dr. Billy Graham proclaim that we are already in the END TIMES as spoken of in the Book of Revelations, and that the great BATTLE OF ARMAGADDON is right around the next corner.

Scientists, psychics, clergy, UFO contactees unanimously agree that time is running out on civilization; that the hands of the cosmic clock are approaching the midnight hour, and doomsday could strike at any moment. They warn that our destruction could come in one of several ways:

- **ATOMIC WAR** — Already many nations have nuclear weapons and many more will have them by the end of this decade. The temptation to PUSH THE BUTTON and end it all grows each day as political ideology moves us further apart.
- **COLLAPSE OF GOVERNMENTS** — More and more people are unemployed, inflation is out of hand, and there seems to be no curbing of this trend. Our money — and the money of all nations — may soon be obsolete, worthless and banks may close one after another. Governments may literally "go out of business," and total anarchy will prevail across the land. The end result — we may go back to living in Stone Age fashion.
- **ENVIRONMENT TO STRIKE BACK** — Recently a representative of one government agency announced that in the next couple of years our planet will be struck by magnetic SUPER STORMS that could cause unprecedented blackouts. Our weather is turning against us. There will be more disasters of this type with an increase in earthquakes, volcanoes and a gigantic shifting of land masses which could wipe out a good portion of the earth's population. Cities such as New York and Los Angeles may soon sink into the sea.

- **UNEXPLAINABLE OCCURANCES** — Psychics tell us that the planet could tip over on its axis and go spinning out of orbit. Some sensitives believe we will be destroyed when another planet or a "Dark Star" crashes into our world. Still other sensitives say it is possible we will be invaded from outer space.

## MASS EVACUATION

But there is also a general feeling that many of us can be saved, that golden ships piloted by human-like beings from other worlds will help mankind through the crisis periods soon to strike. Many of these MESSENGERS OF LIGHT have reincarnated here in recent years and will help in a mass evacuation from this planet of the CHOSEN ONES. Find out if you are a "Cosmic Blend" and just who will be saved in our moment of need.

Learn the following:

- Specific data on land changes — which areas will be safe and which will be in grave danger of being destroyed.
- A time table indicating when these events will begin and the order in which they will transpire.
- Exact SIGNS AND WONDERS to watch for which will indicate that only months are left. Be ready when the time comes. Order a copy of PSYCHIC & UFO REVELATIONS IN THE LAST DAYS before it is too late!

## THE GOALS OF THE "MESSENGERS OF LIGHT" WHO ARE HERE TO ASSIST MANKIND

1. Join earthmen as one of them.
2. Counsel and train man in higher ways.
3. Aid the peace-makers whenever danger threatens them.
4. Help prepare earth for the great trials soon to befall us.
5. Aid man in evolving peace and technology.
6. Reveal high-secret knowledge to those who qualify.
7. Act as a bridge between obsolete beliefs and superstitions.
8. Help establish Universal Brotherhood.
9. Teach secrets of immortality and eternal youth.
10. Aid in reawakening our sixth sense.

presence of mind to turn the wheel quick enough! We just sat there until we recovered from our trembling. I thanked God for such rescue!

I used to smoke in bed, but not after the following phenomena. When I mashed my cigarette out on the headboard of my bed, the tip fell into my pillow unobserved, although I was sure I had put it all out. It smoldered there all night, and at dawn the pillow burst into flames! Instead of running out yelling: "Fire!" I saved that time and placed my life on the line demonstrating my faith in our Creator's Divine Aid. Bouncing on the pillow just made the burning balls of matted material fly out onto the cotton comforter, and flared up all over it.

I prayed fervently, reminding Our Heavenly Father how He had saved the lives of the three men in the fiery furnace of Babylon (of the Old Testament) while I bounced all over the big bed to crush the flames. Strangely enough, I never felt any heat, nor even one tiny twinge of pain in my arms and legs. Instead, a cool breeze was blowing around me, although the windows, were shut! When my landlady rushed in, (from whom I rented my room) she was surprised to see that I was not burned at all! This miracle, by the way, changed her atheism into belief again, on a more secure foundation. There's nothing like an unexplainable miracle to foster belief in the SUPER natural! I was very grateful for such marvelous protection!

Then, there was that scowling man, standing on the corner of Riverside Drive, in New York City, as though waiting for me to return from a lecture at Steinway Hall. When I saw him, I did not hesitate a moment, although I sensed that he boded no good for me. Never show fear to a mad dog. Besides, I had complete faith in our Creator's Divine Protection through my Guardian Angels. Sure enough, another miracle happened! A cloud formed over his head, in the form of a long rope, wide at the top and winding down (like a whirlpool) to a point just a couple of feet above him!

Seeing my eyes bugging out at this amazing sight, his scowl quickly changed to open-mouthed surprise when he looked straight up, which proved that he saw it too! Well, then I could safely sweep past him, as his awestruck eyes followed me. Praise Jehovah! As long as we try to please Him through love of Him, and not because of the "Carrot and stick syndrome" we can depend upon His assistance!

**SECRET FORMULA  
 OF FAMOUS SEER  
 DISCOVERED** <sup>4 5 7 8 9 5 6</sup>

Nostradamus is without a doubt the greatest clairvoyant who has ever lived.

Decades—and in many cases, even centuries—before specific events occurred, the French-born prophet accurately saw them taking place. Prior to his own death in 1566, he foretold of global warfare aerial battles, space flight, vessels that travel under water, the assassination of world leaders (including the Kennedy brothers), the atomic bomb, Hitler's ruthless rule of Germany, the rise to power of three anti-Christ's, the formation of the thirteen colonies ultimately to become the United States, the rise of Russia and China as worldly powers, and most astounding of all, the exact date on which life on the earth will eventually come to an end.

To date, the works of Nostradamus have been translated into just about every language, and books containing his predictions have sold an estimated twenty million copies worldwide. Most recently, a motion picture concentrating on Nostradamus' greatest psychic feats has been playing regularly on national cable television...the response to this program has been reportedly incredible.

Now, due to an amazing discovery of a batch of Nostradamus' long forgotten personal papers, it has become possible for YOU to know what Nostradamus predicted about YOUR future!

What is not generally realized is the fact that Nostradamus was a trained student of the Kabala, those sacred ancient occult texts which may have originated with the scientists of Atlantis, or perhaps, some researchers theorize, on some far distant planet. Nostradamus also studied the Holy Bible and the words of Jesus very carefully and apparently unlocked a secret code which enabled him to combine specific teachings from the Kabalaw lth knowledge from the Scriptures. In his private secluded study late at night, he would burn the midnight oil making extensive notes. Those who were close to him, say that Nostradamus had a keen understanding of numbers and knew all about their magical significance. He also was a master of interpreting dreams, which he did skillfully and regularly for the ruling kings and queens of Europe.

It has been stated that Nostradamus had an instinctively uncanny ability to know which numbers were to be lucky and which were not. He sup-

posedly had the powers of Merlin when it came to telling people when they would come into vast fortunes and when they could expect drastic changes to take place in their lives. The seer also had the bizarre knack of analyzing a person's dreams and interrupting their nighttime visions most accurately.

Not long ago, previously unpublished documents believed to have been written in Nostradamus' own hand began to surface among the wealthy upper crust of European society. Among these documents were Nostradamus notes on the meaning of dreams as well as the lucky numbers which coincided with each dream. Also found among his elaborate maze of notes was a key as to how these dream interpretations could be applied to each and every person, regardless of which century they were to live in.

Thanks to the efforts of famed Nostradamus scholar Arthur Crockett, Inner Light Publications has for the first time, been provided with a modern English translation of Nostradamus' dream interpretations as well as his complete chart of lucky numbers.

Astounding stories have

already reached our shores from lucky Europeans who have tried out Nostradamus' secret fortune telling method and since won their local lotteries, been successful in business transactions, become proud owners of new cars, yachts and homes, as well as finding employment for the first time in years, or going on extensive vacations, or otherwise enjoying the comforts of life which they never had the privilege to enjoy before their luck changed.

Why not let the greatest prophet of all time assist you personally to bring you untold new found riches and good fortune in a once in a lifetime opportunity.
