NEWS & NOTES

A PERSONAL MESSAGE FROM INNER LIGHT PUBLISHER & EDITOR, TIMOTHY GREEN BECKLEY

Dear Reader:

Here we go with yet another exciting issue of INNER LIGHT. As you have probably noticed from previous issues we try to present a variety of material that we hope our friends and customers will be interested in. Frankly, you probably won't find the type of stories featured in our little magazine anywhere else. We print the forbidden, the controversial, the just plain unusual; articles off the beaten path that we believe will be of personal benefit to each and every one of us, as we struggle on to what we hope will be a better world in a Golden Age that's said to be just around the corner.

THE SACRED MAGIC

In this edition of INNER LIGHT you will be introduced to Bill Oribello, a fascinating young man who currently resides in Philadelphia where he writes and lectures on self-help through mystical knowledge. In this, his first article for our publication, Bill tells us about his vision of the Three Wise Men and his unending quest to help others via the spiritual wisdom he has gained. Like many other New Agers who have received the "calling," Bill believes its time to come out into the open and not be afraid to speak about that which has always been kept a closely guarded secret from the general public. Those who want to read more about what Bill has to say will be interested in knowing that INNER LIGHT will be publishing his first book in about a month. Titled THE SACRED MAGIC, this volume promises to be of benefit to those wishing to master their lives through plain and simple methods that have been laid down in hidden books as well as in the Bible. We will be mailing a special announcement about Bill's SACRED MAGIC to everyone on our mailing list as we ask that you keep your eye open for it when it arrives in your mailbox in about a month from now.

TESSMAN & BECKLEY CONSPIRE

Diane Tessman's mark has long been made in metaphysical circles. Her Starlight Mystic Church is made up of hundreds of "starchildren" who feel as if they have simply "walked into earthly bodies, and have come from "elsewhere" to assist mankind at this critical point in our history. Ms. Tessman's article on Heaven in this issue is not taken directly from the book she has just recently penned with me, but it is a good introduction to our writing. YOUR PASSPORT TO HEAVEN has been received with critical approval and we hope that all those who enjoy our writing and who want to take a peek into the "next world" and learn what life in the afterlife is all about will want to order a copy of this volume before the first printing of 2,500 copies is all gone.

NEWSFLASH: THE WEEPING ANGEL PREDICTION

Some of you may have already heard the sad news that our good friend and long time researcher/author Gray Barker has passed on after a lengthy bout with a variety of illnesses. Gray died in a hospital near his home in West Virginia and he will surely be missed by all those who came to know him through such books as THEY KNEW TOO MUCH ABOUT FLYING SAUCERS, as well as through the works of other authors which he published over the last several decades.

Sometime before his passing, Gray gave me a small volume that he thought would interest our readers and asked if I wouldn't publish it since he couldn't fit it into his own schedule. It was a little known manuscript by the popular writer Michael X. Barton on the mystery of a painting of an angel that wept real tears and tied in with the visions of a Christlike being in England.

We've printed up a limited number of this booklet aptly titled THE WEEPING ANGEL PREDICTION and are offering it for sale through an ad on the opposite page. Along with the book we're going to include a special meditation and a glossy photo of the painting itself. Some folks have reported apparitions and visions after handling this photo and we're interested in knowing what may happen to you after you've receive it.

My best wishes and good vibration to everyone reading this out there.

A SCIENTIFIC-PSYCHIC APPROACH...NOT RELIGIOUS DOGMA
CHRIST TO RETURN SOON!

**REVEALED—THE SPIRITUAL SIGNIFICANCE
 OF THE WEeping ANGEL
 PHENOMENA AND HOW IT
 PROVIDES THE MISSING CLUE
 TO THE GREATEST SINGLE
 PROPHECY OF OUR TIME**

- JESUS TO APPEAR IN THE SKY.
- AN END TO SUFFERING.
- EARTH CHANGES HERALD A NEW "GOLDEN AGE."
- ABUNDANCE FOR ALL.
- THE DEAD TO RISE.
- NO MORE ILLNESS.

Based upon Biblical prophecy, most devoted Christians strongly believe that the Son of God, who ascended into heaven after the crucifixion nearly two thousand years ago, will eventually return to rule over a glorious Golden Age of peace and prosperity that will encircle the globe.

Scientific evidence now exists that proves the Second Coming of Jesus will take place in our life, sometime between 1987 and the year 2,000.

This proof has been provided by an Englishman who not long ago discovered a mysterious painting in his garage. The canvas shows the Angel of the Lord announcing the birth of Jesus. Just as the man was about to discard the painting (for he was not particularly religious), a Christ-like figure appeared in front of him, blocking his way. The masterful being reached out his hand and touched the glass-framed picture. The glass on the picture shattered into bits and the mysterious figure then vanished in a blaze of orange light. The Englishman instinctively thrust his left arm upward to shield his eyes, but suffered a burned left forearm and the angel picture was blackened and blistered.

A short time later, however, the print REPAIRED ITSELF and the angel in the painting began to weep real tears, and has continued to do so intermittently ever since. In addition, the Christlike apparition has appeared more than 6,000 times. Dressed in coarse robes with a red outer garment. He always appears REAL and SOLID. The "vision" has brought GREAT NEWS about the SECOND COMING and the true meaning behind the weeping angel in the painting.

Now, by the way of a specially printed report entitled THE WEeping ANGEL PREDICTION, it is possible for YOU to learn what the immediate future holds in store for God's chosen. This report is not based upon any religious dogma, but has been published solely to provide the TRUTH SEEKER with spiritual comfort as well as scientific facts which cannot be disputed.

HIGHER

KNOWLEDGE FROM THE MASTERS OF WISDOM

By William Alexander Oribello

THEY TELL OF A WONDERFUL WORLD TO COME

My name is William Alexander Oribello. I am an ordained minister, and the international director of The Mystic Light Society. You will be hearing a lot from me in the future as *Inner Light* will be publishing some of my metaphysical self help books in the future. I would like to share a beautiful story with you about the reality of the invisible words. My memory takes me back to the first months of my present life and I can recall the frustration of not yet being able to walk or talk, of being an observing infant trying so desperately to understand the new family around me. There were many stages of perception with the flow of soul knowledge brought into this world with me in relationship to what was happening around me. Thus, the first two years of my life were turbulent.

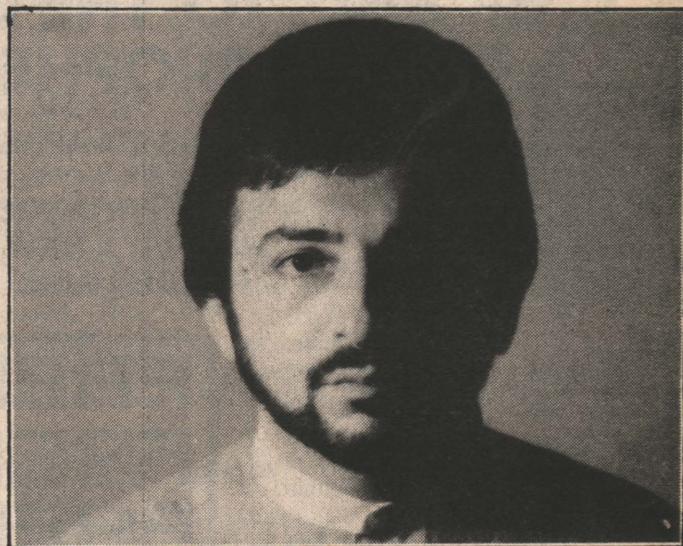

Believe it or not at the age of two I began asking questions about God and life. The older I became the more I seemed to lose the sight of a glorious world before this one, where heavenly sights and sounds dwarf the highest concept of beauty here on earth. My elders answered my questions the best they could but I am sure they did not understand exactly where I was coming from. I continued to ask, observe and learn.

I had many mystical experiences as a child. During the formative years I was visited by various spiritual beings, developed the gift of healing, and began my public work as a minister in 1965 at the age of eighteen.

Among the spiritual visitors were members of a group known as the Ascended Masters of the Wisdom who compose a federation of "Light Workers" in the cosmos. For the benefit of my readers who are not familiar with the Ascended Masters, I give the following explanation.

The Masters are the spirits of human beings who have perfected themselves to the point that there is no need for them to reincarnate in physical life except for special missions. The Masters are perfect examples of the potentiality of all people. Some of them lived their last physical life on earth, others lived on other planets of the cosmos. All of them have one common purpose and that is to remain faithful servants of the Lord in helping humanity. They work through advanced occult teachers, inspiring them to establish mystic schools and organizations. Some of the masters retain physical bodies which have been immortalized as was Enoch and Elijah in the Biblical accounts. Others live in the higher realms of existence, but can materialize a perceivable body through technique of attracting atomic substance.

At the age of seven I went to hear and see a spiritual healer who came to Philadelphia, suddenly, as I stepped into the building a glorious light was all around me and I received a divine message from God. Even before the service began I had received the answers to many of my questions. It was a wonderful feeling which can never be described in human

words. From that night forward I began to be more aware of my spiritual gifts. I was able to read the inner thoughts of others, know if they were ill, and know what to do to bring about a healing. But the ability to see all of these things caused me to be afraid at first and I was being tempted to try and forget it. The next two years of my life were spent fighting my own personal conflicts. I was a victim of child abuse and deliberately kept out of school. This troubled me because I loved to learn and study. During this time I did a lot of praying and wishing for God's help, and received it by being taught to read and learn many things with the aid of Angelic beings. But during this time of help I was still afraid to fully commit to my heavenly calling because I realized the great responsibility it would require. One night during this inner conflict, Jesus suddenly manifested Himself to me in a manner that I am not permitted to fully describe now. I felt powerful rays of peace and love from the Aura of the Master which brought ease and security to my entire being. On this night I was given further instructions concerning my life's work and prepared for the experiences to come.

By the age of ten my ability to read far exceeded the range of the average fifth grade student, although I had little formal education at this time. I also learned the art of inductive and deductive reasoning at this time in life. The only reading material around me was a set of encyclopedias and the Holy Bible, and I read through both of these for hours during the early morning and at night when I had enough privacy. In reading the Bible I sensed that there was a hidden meaning which was not yet revealed to me. It was during this time that I

Nostradamus is without a doubt the greatest clairvoyant who has ever lived.

Decades—and in many cases, even centuries—before specific events occurred, the French-born prophet accurately saw them taking place. Prior to his own death in 1566, he foretold of global warfare, aerial battles, space flight, vessels that travel under water, the assassination of world leaders (including the Kennedy brothers), the atomic bomb, Hitler's ruthless rule of Germany, the rise to power of three anti-Christa, the formation of the thirteen colonies ultimately to become the United States, the rise of Russia and China as worldly powers, and most astounding of all, the exact date on which life on the earth will eventually come to an end.

To date, the works of Nostradamus have been translated into just about every language, and books containing his predictions have sold an estimated twenty million copies worldwide. Most recently, a motion picture concentrating on Nostradamus' greatest psychic feats has been playing regularly on national cable television...the response to this program has been reportedly incredible.

Now, due to an amazing discovery of a batch of Nostradamus' long forgotten personal papers, it has become possible for YOU to know what Nostradamus predicted about YOUR future!

What is not generally realized is the fact that Nostradamus was a trained student of the Kabala, those sacred ancient occult texts which may have originated with the scientists of Atlantis, or perhaps, some researchers theorize, on some far distant planet. Nostradamus also studied the Holy Bible and the words of Jesus very carefully and apparently unlocked a secret code which enabled him to combine specific teachings from the Kabala with knowledge from the Scriptures. In his private secluded study late at night, he would burn the midnight oil making extensive notes. Those who were close to him, say that Nostradamus had a keen understanding of numbers and knew all about their magical significance. He also was a master of interpreting dreams, which he did skillfully and regularly for the ruling kings and queens of Europe.

It has been stated that Nostradamus had an instinctively uncanny ability to know which numbers were to be lucky and which were not. He sup-

posedly had the powers of Merlin when it came to telling people when they would come into vast fortunes and when they could expect drastic changes to take place in their lives. The seer also had the bizarre knack of analyzing a person's dreams and interrupting their nighttime visions most accurately.

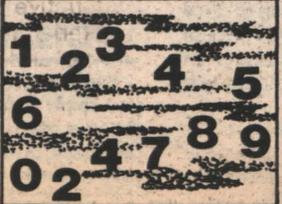

Not long ago, previously unpublished documents believed to have been written in Nostradamus' own hand began to surface among the wealthy upper crust of European society. Among these documents were Nostradamus notes on the meaning of dreams as well as the lucky numbers which coincided with each dream. Also found among his elaborate maze of notes was a key as to how these dream interpretations could be applied to each and every person, regardless of which century they were to live in.

Thanks to the efforts of famed Nostradamus scholar Arthur Crockett, Inner Light Publications has for the first time, been provided with a modern English translation of Nostradamus' dream interpretations as well as his complete chart of lucky numbers.

Astounding stories have

already reached our shores from lucky Europeans who have tried out Nostradamus' secret fortune telling method and since won their local lotteries, been successful in business transactions, become proud owners of new cars, yachts and homes, as well as finding employment for the first time in years, or going on extensive vacations, or otherwise enjoying the comforts of life which they never had the privilege to enjoy before their luck changed.

Why not let the greatest prophet of all time assist you personally to bring you unfold new found riches and good fortune in a once in a lifetime opportunity. DOES HEAVEN AWAIT THE ENTRANCE OF YOUR SOUL?

by Diane Tessman

Is there life after death? Where is heaven? How is one assured of going there? What is the afterlife like? Will I meet my loved ones when I pass over? Finally, there are no mysteries about the great beyond.

These and other similar questions have probably concerned *every* one since the first human died on our planet. Can you imagine the shock and confusion of the first inhabitants of earth as the first of their number died? They certainly shook the body, cried, screamed, and then began to wonder if the same fate would happen to them someday. Adam and Eve confronted all basic, natural problems which have plagued the human race ever since—the final and most lasting being death.

Perhaps the saddest thing to have happened to the human race is that it began to believe that a few privileged men held the key to heaven for the individual soul. These ruthless men told people that if they paid them enough, or gave them enough gifts, they would surely be assured of a seat in God's Kingdom. Not only did these so-called religious men become wealthy in this way, but their methods made people believe that they could not personally find the way to heaven on their own. This practice seemed to tell them that they could not communicate, one by one, with their Creator but that they needed a "middle man" to do so. This is truly sad for each person's soul is indeed a part of the God Flame, and as such can communicate directly with the Divine Creator whenever they wish. They have only to open themselves and their entire being to the beauty and power of God's cosmic energies.

TRUE NATURE OF THE AFTERLIFE

Due to the ruthlessness of some organized religions, people soon forgot how to communicate and be re-energized by The Creator directly. They grew dependent on the "middle man" believing themselves to be too "small" or too inferior to talk with God firsthand. The fear of death grew even greater and though organized religions pretended to tell the people what heaven was like, most people drifted further and further from a true understanding of the afterlife.

We must make a fresh and complete start in understanding the nature of death and the afterlife. We must leave all our pre-conceived notions of what heaven is like behind for a moment (or rather, what religions have tried to tell us heaven is like) and encounter our true religion and our true Christed spirit that exists within all of us! The Christed spirit within all of us is the purest part of our unique energy; it is the God Flame...a true and real part of God consciousness which abounds throughout the universe.

When you get in contact with this Christed spirit within yourself, you will discover the revelation that this flame within you, this *soul*, never dies! How can it? It is pure, unflawed, vital, living *energy* and energy cannot be destroyed! Remember, we are not speaking of your brain and it's computer-like activities; we are speaking of the unique energy which *is* you. It is indeed your life-force. This life-force is an integral part of the universal life-force which is God consciousness! You are eternal by the very nature of your being!

Once you realize this, you will begin to think of yourself and to *feel* yourself as a heavenly, cosmic soul who is currently living a lifetime in the body which you now have. This unique soul which is yours has

experienced other lives and it certainly will again after your current body dies. Your consciousness...your very soul...will still be there!

Now that you have realized that your soul endures after death—not because some religion tells you to believe this but because you feel this *inside yourself*—you may now realize that you may find heaven very, very, easily. Your soul will find its "chosen spot" upon the death of the physical body, as naturally as you now find a place in the warm sunshine to sit for a few moments of rest and relaxation.

To fully realize the closeness of heaven to your own special soul, you *must* feel yourself first as a part of God's universal energy. Stop to think for a moment: where did your life-force come from? Is everything you do powered by your computer-like brain or do you have a spirit, a goodness, a soul within you which cannot be explained away by scientific comments on brain grey matter and electronic impulses? Aren't *you* more than that? If your answer is *yes* and if you feel this answer from deep inside yourself, then you are indeed *more than that!* That is all the proof you need!

The same spirit which just reaffirmed that you are indeed *more than that* is the same special spirit (soul) which will live on past your body's death.

WHAT IS HEAVEN REALLY LIKE?

Find this Christed part of you once again (the soul) and ask yourself...deep within your superconsciousness...what heaven is really like. The vision you receive will be correct!

One thing which all souls agree upon is that there is no money system in heaven! Every person reading this article has worried over money problems and felt that it is a shame that the world we live in is run on wealth and greed instead of goodness and kindness. The soul reassures us that God Consciousness (the frequency of consciousness which exists in heaven) does not allow a system which runs on the evils of greed and power.

We also worry a great deal about crime and/or violence being done to us or those we love. Ask the Christed part of yourself if such practices exist in heaven; should one soul ever hurt another soul? Both are a special part of God's world! (Do not answer these questions too quickly, as organized religion has taught you to, but think and *feel* them within yourself and within your very own soul. Take your time and allow the wisdom which you receive from your Christed soul to wash over your entire being!)

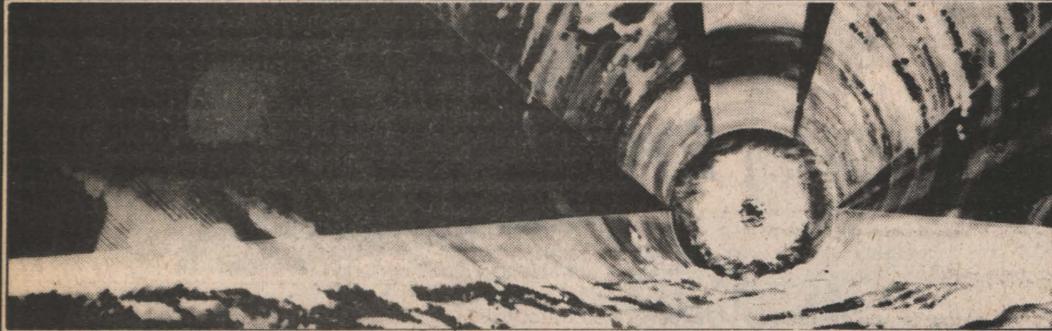

There is so very much you can learn without the middle man! You have only to know how to contact the God Consciousness with yourself. You *do* have a Higher Self, no matter what sins or errors you have made in this life so far. All is not lost. Do not give up on yourself or your basic goodness. You are unique, special and eternal!

CHANGING YOUR SOUL'S PATH

You must know at this time that you can change your life's path. If you seem to be headed away from heaven, if you have hurt others or made a mess of your life, or simply ended up all by yourself with no one truly understanding you or loving you, you must realize at *this very moment* that it is not too late to find inner peace, a simple and

GUARANTEED ADMISSION INTO GOD'S HIGHER KINGDOM

YOUR PASSPORT TO HEAVEN

Are you the least bit curious to find out:

- EXACTLY WHERE IS HEAVEN?
- HOW CAN I BE ASSURED OF GOING THERE WHEN I DIE?
- IS THERE MORE THAN ONE PLANE OF EXISTENCE IN THE AFTERLIFE?
- WILL MY LOVED ONES BE THERE TO GREET AND COMFORT ME?
- CAN I COMMUNICATE WITH THE NEXT WORLD NOW?
- WHO DECIDES IF I'M "GOOD ENOUGH" TO ENTER THE HOUSE OF GOD?
- HAVE PEOPLE ACTUALLY DIED AND RETURNED FROM THE GRAVE?
- WILL I EAT, HAVE SEX, BE ENTERTAINED ON THE "OTHER SIDE," OR WILL I BE EXPECTED TO PLAY THE HARP WHILE FLOATING ON A CLOUD?
- HOW CLOSE IS HEAVEN TO EARTH — CAN WE GO THERE IN A SPACE SHIP OR ABOARD A UFO?
- CAN THE DEAD PICK UP THE TELEPHONE AND CALL THE LIVING?
- WILL OUR PHYSICAL WORLD SOMEDAY MERGE WITH THE SPIRITUAL DIMENSION?

Dear Friend:

Many books have been written on the subject of life after death. In recent years, unlike in decades past, scientists as well as members of the medical profession have joined with theologians in professing a strong belief that the soul does not die the moment our heart stops, but ventures forth into a new realm which under normal circumstances remains invisible to the human eye.

As each and every one of us get older, we spend more time thinking about death and what lies beyond that great door to the unknown. Many of us are needlessly worried that we will not be able to enter Heaven because we have not lead a totally deserving life. Many of us feel we will be damned to an eternity in hell amidst fire and brimstone because we might have enjoyed the pleasures of this world far too much to stand alongside God on His heavenly throne.

To some degree this misconception has been fostered by organized religion and misinformed clergy who are not familiar with the true facts of dying and what awaits us once

our physical bodies have turned to dust. Though they may have read the "Good Book," they have failed in some cases to actually understand what has been said about this very important topic. Nor, have they bothered to talk about the afterlife with those who have left their physical form and been pronounced dead, but who have later re-entered their earthly shell with memories about an existence that is said to be absolute bliss.

Just what is it like after death? Do we go on breathing? Do we have physical bodies? Do we look the same as we do now? And furthermore, is there really such a place as Heaven?

MEETING YOUR MAKER

True to the words of the Bible, there is no pain and suffering in the afterlife. But how do we know these things? We know what life is like after death because many have returned to this world after having gotten a brief taste of what it is like to be reunited with the cosmic essence which we have come to define as

God. Furthermore, despite what you might have been taught or want to believe, actual spoken conversations have been held with the "dead."

Upon "passing over" we guarantee that you will meet your maker and that you will be ushered into a whole new existence that is tailor made to your level of awareness and befitting of your worthiness as designated by your former life style and set of circumstances while you were still on earth. Since no two individuals are alike, so it is that we will find Heaven to be suited to our own individual tastes and desires. We will definitely not be allowed to sit around idle as there is much to be done and we will be taught much by "angelic beings" that will eventually enable our soul to progress to a point where we can eventually be united with the creator of all that is.

COMMUNICATION ATTEMPTS WITH THE DEAD

In our book YOUR PASSPORT TO HEAVEN

— GUARANTEED ADMISSION INTO GOD'S HIGHER KINGDOM, you will be able for the first time to read the personal accounts of those who have conversed, or even held hands with the ones they have loved the most, and who they thought they would never see again.

You'll learn about the amazing work being conducted in laboratories around the world to contact the dead via a device similar to short wave radio. Some of these still primitive attempts to communicate with the heavenly realms have been successful and actual tapes can now be heard which contain conversations between those still living and those who are here no more.

Even the famous have been known to send messages across from the "Summer Land," confirming time after time that we are being watched over by many benevolent spirits who are always willing to give the living a helping hand. Witness the testimony of the late Martin Luther King who says from his home on God's mountain top: "We are not hurried here, nor do we get out of breath. Neither do we walk the golden streets or loiter around in luxurious idleness. We are orderly, busy, neither hurried nor flurried... From here we can look into the hearts and minds of mankind and know what they have done in the past and what they are planning for the future. They have free will and while we may wish to stop them we have no right to interfere forcibly."

FORBIDDEN KNOWLEDGE REVEALED

Due to the unforeseen results general knowledge of a real world in a real afterlife might bring upon our physical existence, much of what is known about life after death has been kept a closely guarded secret by the scientific establishment, the government, as well as all the religious sects who are hesitant to tell the absolute truth.

Find out the answers to such questions as...

- Will we have the same physical characteristics that we had in life upon dying?
- Will we speak the same language we are accustomed to, or will we be expected to learn an entirely new language in the spirit world?
- Will our sensations of smell, taste, hearing and touching be the same, or will we lose all such feelings?
- Exactly what is it that will be taught to us in Heaven and will we have to be taught if we do not wish to be educated?
- Will we take up with a soul mate, marry or have sex on the so-called "other side?"

IS HEAVEN A MILLION MILES AWAY?

Winston Churchill once remarked that when he died he planned to go to a place 5,000 miles above the earth; Was this great man of history only cracking a joke, or did he know something most of us are not acquainted with? Exactly where is Heaven? Can our astronauts eventually learn to travel there in a space craft? Is it a million miles away, or just over the next glade? Though it is still impossible to prove their theory using modern means of technology, the authors have a theory of their own which is definitely food for thought.

IS VISITING HEAVENLY REALMS POSSIBLE ABOARD A UFO?

In recent years, Diane and Tim have been approached by apparently sincere individuals who profess in all earnest that they have been permitted glimpses of the inside of such craft and have on a number of occasions actually seen and conversed with people who have passed on, but who have been "reborn" elsewhere only to travel back to earth in the vehicles we call flying saucers. Are such stories pure hallucinations, is there a gem of truth in them, and if there is how is such an astonishing thing possible in light of what we know about death and other planets?

MORGAN FAIRCHILD'S OTHER-WORLDLY ENCOUNTERS

Morgan Fairchild is a sexy and talented actress. The subject of much gossip in the supermarket tabloids, the star of *PAPER DOLLS* has another side to her personality that few are familiar with. For the bewitching blonde not only has the ability to attract men like a magnet, but psychic experiences as well.

"Years ago, I had a very unpleasant dream," she says of her initial psychic experience. "Well, actually it was more of a nightmare, and in the middle of this, just as I was about to be eaten by a large hairy monster, a man appeared and gently talked to me, trying to calm me down. He told me that there was nothing to be afraid of—to fear—from this level or any other level of existence." Morgan says she didn't give the dream much thought until the next day, when she mentioned the experience to her mother. "During a brief conversation we had, I told my mom what the man had said, and described him. She just sort of looked at me oddly and said, 'Oh, that was your Uncle Jim. He died when you were only two years old. I don't remember you having ever met him. It's really strange that you could describe him so well!'"

Ever since she was a child, which isn't that many years ago (since Morgan was born in 1950), the young and attractive actress says she has felt a particular fondness for certain countries, and has experienced *deja vu* while visiting these nations.

"In particular, I have a very strong feeling," she offered as an example, "for the England of Henry VIII and Elizabeth I. I can't put this period out of my mind. It's as if I were part of that era!"

As for the ghost Morgan encountered, it all began back in Texas, in 1967.

"At the time, I was married and living with my husband and mother-in-law in a big old house in Dallas. On the nights I would be left alone to fend for myself—and this was often, since my husband traveled out of town on business a lot, and my mother-in-law was always involved in one social function or another—I'd be jarred awake by someone

moving around outside the house. At first I thought there was a prowler loose in the neighborhood, but after the same pattern of events repeated itself several times, I began to discount this as a theory."

On these occasions, Morgan says she could hear someone fumbling around on the walkway, trying to put a key into the front door lock. "You could tell whoever it was would eventually get a little flustered and begin turning the doornob hard, as if he were going to force his way in. Failing in such attempts, there would be dead silence for a few moments, and then you could hear the creaking of the old floor boards on the back landing, as if whoever it was had somehow gained entrance to the house. But this I knew was impossible, because the front door never opened or closed—it was as if he had *walked right through the door.*"

It didn't take Morgan very long to ascertain that something mighty peculiar was happening. "It got to where I could feel a presence in the doorway to my bedroom, but I could never see anybody, and eventually it would move away."

After a month or so of such activities, it began to dawn on Morgan that the invisible specter was mainly interested in one portion of the house.

"Every time I would enter my mother-in-law's bedroom, I became aware of this heavy stagnation permeating the air—not hate, but displeasure over my being there in that room."

One night Morgan came down with the flu and went into her mother-in-law's room to lie down. "My mother was visiting me to see that I had everything and she made it a point to change the linens on my bed. Until she finished the task she suggested that I go and take a nap on one of the twin beds in my mother-in-law's room. I was resting on my side with my back toward the door, and really kind of sick but trying to get better, when all of a sudden, I heard what I can only

The presence of someone there with her in the room was stronger than it had ever been before. "At first I thought it was my mother. I imagined that she was thinking I was asleep and not wishing to wake me she was trying to be as quiet as possible. So I turned over to tell her I was awake, and there was no one there!"

Instinctively, Morgan knew she was invading someone's territory. "I knew they didn't want me there in that room, but I didn't know why. Pretending that there was a living person present, I started talking, 'I'm sorry,' I said, 'I won't be here much longer, but I'm very sick and can't move.' Then I said, 'If you can hear me—if you can understand what I'm telling you—give me some kind of sign, like...rattle the venetian blinds!'"

Five or six seconds elapsed and there was a terrific clatter on the opposite side of the room. "Suddenly, the blinds on the window lifted out about three feet and just went WHAM! against the panel of glass. There had been no wind, and the window was shut tight."

That was the last straw for Morgan.

"A few days later, I had a psychic in to see about exorcising the ghost. Now, I didn't tell her anything about my suspicions, like feeling the ghost was definitely a man; I just let her walk around the house on her own.

"Moving from room to room, the psychic told me she got very vivid impressions of an elderly gentleman trying to protect my mother-in-law. She said he was about average height, his hair was thinning on top and he was wearing a flannel shirt with suspenders holding up his pants."

The description as given by the psychic puzzled Morgan. "I didn't

know of anyone who had thinning hair and wore suspenders, but then I finally got the nerve to tell my mother-in-law about the psychic's visit and what she said. Well, my husband's mother was amazed. She never pretended to believe in this type of stuff—not even enough to humor me—and had always dismissed my experiences as so much nervous tension from being left alone at night. She knew something was happening, because she said the psychic's description fitted that of her father, who had passed on several years before. Now, I'd never met this man—never even see a picture of him that I can recall—but apparently the psychic I'd asked in to exorcise the place had picked up on his vibrations."

Since the ghost never harmed her—"he seemed benevolent"—Morgan decided against trying to get rid of him. "Oh, sure, I'd find things missing or out of place every once in a while, but usually they'd turn up sooner or later. After I became aware of who it was, I more or less just let the matter go. To me, it just seemed as if there were four people living in the house, instead of three."

While Morgan has been divorced since 1972, she believes the ghost still haunts the house she was living in. "I haven't returned to Dallas in a while, but the last time I heard from my ex-mother-in-law, she acknowledged that strange things were going on in the house. She never spoke about it much, but apparently her father had been overprotective of her throughout his life. Because of the fear of being thought crazy, she tried to push the matter from her mind, but as far as I know, the ghost of her father still wanders about, keeping tabs on the house and minding everybody's business but his own." ■

REACH OUT TO OTHER DIMENSIONS WHEN YOU WEAR YOUR AMAZING "TELECRYSTAL"

Mystics have long believed that crystals could be used as "healing stones." UFO contactees have always worn crystals because they said it enhanced their telepathic ability and enabled them to operate as a more receptive and open channel with the Space Brotherhood. Ashtar, Commander-in-Chief of the Free Federation of Planets has said: "Wear the crystal at all times." Now you can find out for yourself what the crystal can do. In the book PROJECT WORLD EVACUATION by Tuella we are told that all light workers will be given a specially attuned crystal once aboard the evacuation mothership, and that crystals will power all forms of surface and air vehicles in the New Age. The "TELECRYSTAL" is the most powerful of crystals. We have imported a limited supply from Austria and now you can own your own. Comes complete with sturdy silver chain as well as a beautifully channeled message from "Crystal Love" who dwells in another solar system in a place called "Mirrored City."

Crystal, chain and special channeling sent by first class mail for extra protection. Total price \$15.00. Send now to:

DATA BEAMED DOWN INTO TINY CRYSTAL
NEW YORK - RCA Corp. said its researchers have developed a method of storing photographs, drawings, maps, statistics and computer data in a tiny crystal smaller than a sugar cube.
The system, which is still in the research stage, uses lasers to permanently implant images inside a new specially developed crystal, RCA said. The images are then read out by slowly rotating the crystal in a laser beam.
The company said the system theoretically could store a trillion bits of information in a cubic centimetre of the crystal.

The Therese Neuman Mystery

SHE WAS THE STRANGEST WOMAN WHO EVER LIVED

For over thirty years, a Bavarian woman reputedly fasted totally from all food and drink. This seems unbelievable but it is certainly not more unbelievable than the fact that almost every Friday of each year, she bled from her hands, feet, and side. On Good Friday each year, this woman bleeds from her hands, feet, side, eyes, head, and shoulder. To add to these amazing facts, the daughter of a Konnersreuth farmer assertedly experienced bilocation, awareness of the guardian angel of herself and others, and the ability of discerning genuine relics; not to speak of being able to see into the past and future, and being the instrument for cures.

Fraülein Therese Neumann was a stigmatist. A stigmatist is a person who "bears the marks or wounds of the Passion of Christ on hands, feet, side or brow with corresponding intense suffering."

During her life, Therese Neumann saw throngs of curious persons flock to her bedroom where, about 35 Fridays out of each year, she allegedly relived the Passion of Christ, experiencing the wounds and the physical suffering which Christ suffered almost 2,000 years ago. After World War II, more than 15,000 American servicemen visited the woman who professed to be no saint but merely "an instrument of God."

The following is a report that appeared in a European magazine at the time Therese Neumann was performing phenomena on a regular basis. Her story is among the strangest ever told, yet the miracles she accomplished are very well documented.

Konnersreuth is a small village (pop. 1,200) two kilometers from the Iron Curtain. Here, one would expect to see a colorful town decked with the pomp usually common with famous communities in Germany. but Konnersreuth (Pronounced Coners-roit) is a typically simple, drab country town with no signs pointing the way to the famous stigmatist's home.

The Neumann home is clean but surprisingly bare, with a scanty amount of furnishings.

In her slight Bavarian dialect, the stout, robust woman tells how, when she was a girl of 20, she had dislocated a vertebrae in her back while helping battle a fire which threatened the place of business of her employer. The mishap put the spiritely young woman in bed for what was to be a prolonged period of suffering. During the next seven years, Therese had lain in bed suffering from paralysis, convulsions, bedsores, blindness, deafness, and appendicitis all of which were miraculously cured during that period.

In 1924, she says, her blindness was cured after having a vision of her patron saint, St. Therese of Lisieux, and in May, 1925 on the day of the canonization of St. Therese, all evidence of paralysis, convulsions, bedsores, and deafness vanished. Between the time of her sickness and March, 1926, she claims to have had a series of visions from St. Therese and her Guardian Angel.

In February, 1926, Therese was taken ill while attending services at the village church and was confined to the sick bed which had held her

Fraulein Neumann claims to have abstained from all food and drink during the past 26-year period. She receives Holy Communion daily.

over the long period before. On March 4, as she lay in bed too sick to read her prayerbook, she had a vision. "I saw the Savior praying in the Garden of Gethsemani and then, all of a sudden, I felt a great pressure on my breast and then I felt something warm running down my side," she says. "It was the first wound that opened on my body and it bled from directly over my heart."

A week later, Therese had a vision of Christ's scourging and the wound in her side bled again. On the Friday before Good Friday, she saw Jesus carrying His cross and a wound appeared on the back of her left hand. On Good Friday, wounds opened on the backs of each hand and on the instep of each foot. "When my parents learned that I had such extraordinary wounds on my body, they called Father Josef Naber, the parish priest," Therese remembers. Father Naber was so impressed with what he saw that he was speechless for several moments. He found that the 28-year-old woman bore marks similar to those of Christ when He was crucified. That was the first time that the stigmata appeared on the body of Therese Neumann.

No Food or Drink

Fraülein Neumann says that she receives Holy Communion daily and always sees the Body of Christ instead of the host when the sacred ritual is performed. "It is true that I have not eaten nor drunk since 1927," the amiable woman says. "I have absolutely no desire to eat and I believe it is God's will that I should eat or drink nothing in order to show people that He is all-powerful. My weight is always constant, except when I experience the Friday ecstasies. At these times, I bleed from one to one-and-a-half liters of blood and lose up to three or four pounds of weight."

As Therese Neumann talks, she gesticulates occasionally, showing the large brownish-red scabs on the backs of her hands. Her eyes are wide and blue, showing a peace of mind and, at the same time, fire of conviction with the words she speaks. Her smooth face fails to give away her 55 years of age although she gives her birthday without a moment's hesitation. Quick to answer, the woman, thought by many to someday be canonized a saint, speaks softly and often of how her Savior has bestowed upon her the gift of stigmatization so that others might see and believe in Him.

According to history, there have been 321 cases of stigmatization of which all persons stigmatized were Roman Catholics with only 40 being men. St. Francis of Assisi is believed to be the first to bear the wounds of the crucified Jesus on his body.

Some men of medicine who have seen Fräulein Neumann have diagnosed the stigmata of the woman as catalepsy, somnambulism, hallucinations, hysteria and auto-suggestion. Others have given the opinion that the phenomena can be explained only as a miracle of God. Some have not offered opinions.

Dr. Otto Seidl, Jr. is a young, energetic doctor practicing in the small town of Waldsassen, near Konnersreuth. His father, Dr. Otto Seidl, Sr., became world renowned as the family doctor of Therese Neumann and the only doctor allowed to fully examine the stigmatist. Dr. Seidl, Sr. died in 1945.

Young Dr. Seidl freely discusses medical matters concerning stigmatism and Therese Neumann and refers many times to his father's words and notes. He says that his father had been the first doctor to see the stigmata of Fräulein Neumann and that, at first, he had to treat the wounds but found that salve only made them more painful. He says that his father learned that by wrapping them in gauze, a scab would form until the next ecstasy occurred.

"As far as I know and from my father's notes, I believe that Fräulein Neumann sleeps regularly as anyone else," says the young doctor, concerning her reputedly going with three to five hours of sleep weekly. "I know of nothing in my father's records which show that she slept less than normal people."

Of his personal opinion concerning the stigmata, he says, "I am not a psychiatrist but I have learned that stigmata on one or two places of the body is medically explainable, probably from a form of auto-suggestion but stigmata such as Therese Neumann has, in so many places on her body, has not yet been explained by medical science." He says that her condition during ecstasy seems neurotic but that she normally shows no signs of neuroses.

Although her weight dropped three pounds after a Friday ecstasy, the weight was quickly regained in two days. It was also found that she slept but two or three hours each week. Dr. Seidl, Therese's physician and the physician in charge of the observation, testified in a Munich court in 1929 that there was no question of Therese's having taken no food or drink. Her only reputed nourishment since 1927 was Holy Communion, according to information gathered at the hearing.

"It must be true that Therese can be in two places at the same time," says Father Josef Naber concerning bilocation. "I had been in Berlin on a special visit and had said mass at a church in that city. During the ceremony, I had trouble unlocking the tabernacle and had to find another key. When I returned to Konnersreuth, Therese told me that she had also been in Berlin and explained how I had a difficult time opening the tabernacle door. The same day I learned that she had been in Konnersreuth all the while I had been in Berlin."

The aging priest explains that he believes that the suffering Therese experiences during the Friday ecstasies is to atone for the sins of people as Christ did almost two thousand years ago.

When asked if it were true that Therese knows where the souls of certain persons go after death, Father Naber says, "There is one case I know of. Therese's brother had returned from the war in 1945 and had taken up his position once more as a civil servant. He died soon after and at his side on the day he died was Therese. She experienced an ecstasy immediately following his death and saw his soul leave his body and receive judgement. After the judgement, the soul went to heaven. She told of it after she had revived from the vision."

Father Naber, the priest who first believed that the wounds were the stigmata of the wounds of Christ and has taken a special interest in her since that day in 1927, believes whole-heartedly that the stigmata is the work of God. He says that Therese has not eaten nor drunk anything since 1927 and that she sleeps "very little."

Press reports had quoted Therese as prophesying that she would die at the same age Christ died. Father Naber repeats the statement,

SHE WENT WITHOUT FOOD AND DRINK FOR OVER 30 YEARS, SHE CRIED BLOOD, HAD A VISION OF JESUS, COULD BE IN TWO PLACES SIMULTANEOUSLY, WITNESSED THE DEAD ENTERING HEAVEN, TOLD PEOPLE ABOUT THE FUTURE, AND REPORTEDLY SLEPT JUST THREE HOURS A MONTH...

"Too Thick-headed"

Dr. Seidl claims that his father had been in charge of a 15-day examination during which it was found that Fräulein Neumann had taken no food or drink. However, young Seidl says that his father had crusaded for another, more extensive, investigation but had been refused by both Therese's father and Father Naber, the family priest. "I myself, have even tried to convince her father that an examination is necessary," says Dr. Seidl, "but the old man is just too thick-headed to understand and he absolutely refuses."

It has been published in German news articles that Dr. Seidl, Sr. had reportedly stated, "If we get that Neumann woman in a hospital, we'll make a real Catholic out of her."

Young Seidl tells that upon his father's return from the last war, it was made known by the old doctor that Therese's vertebrae had never been injured. (Most stories dealing with the life of Therese Neumann state that her vertebrae was dislocated during the time she had helped fight a fire in the village. This dislocation, according to most reports, was the basic cause of her becoming bedridden for seven years before the stigmata first appeared.)

A Definite Skeptic

Although Dr. Seidl refrains from giving an opinion on the Neumann case, he shows definitive skepticism that the phenomenon could not be medically explained.

During a 15-day period in 1927, Therese was observed day and night by four Mollersdofer Sisters, members of a nursing order, and it was found that she had not taken any food or drink during that period.

"The rumor is entirely false. I had asked Therese if she had ever made such a statement and she told me 'no.'"

Asked if he believes Therese were a saint, Father Naber says in a tired voice, "We must wait," evidently referring to the usual procedure taken by the Roman Catholic Church in such cases.

Father Naber possesses a set of clothes which Fräulein Neumann had worn on a previous Good Friday ecstasy. The headpiece is unmistakably spotted with several large, red splotches in a ring around it where her head wounds bled. Her bed jacket was originally white but is now mostly red. With the other blood-caked garments, Father Naber has the bandage which had covered Therese's heart. It has a crust of blood which protrudes about an inch from the gauze, showing the depth of the wound graphically.

Lad Gives Impressions

A 17-year-old boy, Franz Wachter, offers the most typical opinion of the people of Therese Neumann's home town. Wachter operates a gasthaus where Therese had worked prior to her illnesses which left her bedridden.

"I've known Therese all my life," the dark-haired youth says. "I have seen her in ecstasy as have most of the people of Konnersreuth. We all believe that this thing must surely be a miracle. I don't think there is anyone in town who doesn't believe in it."

The boy relates that Therese had been employed by his father as a maid in 1917. He says that when his father's barn caught fire, Therese helped with others in trying to extinguish the blaze. It was then, he says, that she became ill and was bedridden for so long a time.

"She sleeps as regularly as anyone so far as anyone in town knows."

Wachter says. "I don't believe this stuff that she sleeps three hours a week."

The young man remembers that Therese had publicly stated that when she is near a dead person and goes into ecstasy, she can see where the soul of the person will go. "She was at the deathbed of my father," the boy relates, "and when he passed away, she went into ecstasy and told us afterwards that his soul went to purgatory. I have heard that when a soul goes to hell, she says nothing but makes terrible faces."

"I believe it must surely be a miracle that she has these ecstasies," the young gasthaus proprietor says. "I've seen her bleeding with my own eyes. And there's nothing on this earth that could bring about a thing like that."

In a small community 15 miles from Konnersreuth, lives the brother of Therese, Ferdinand Neumann. He is a man of small stature who does not show his 44 years of age.

Ferdinand Neumann possesses two-and-a-half reels of 16mm color film which he took of his sister during visions and ecstasies.

The first reel shows Therese moving about in her flower garden behind her house, gathering roses and tulips. She takes part in the baptism of a baby later in the reel, plainly displaying the scabs on the back of each hand as she fondles the baby. Family poses take up the remainder of the first movie reel.

The second reel shows Therese again in the garden sitting in a chair and entertaining guests. A small boy is sitting on her lap when suddenly she has a vision. Her arms reach outwards and a smile plays across her face as she quickly rises to her feet, the boy tumbling to the ground. She takes a step forward and then appears to be talking with someone, a variety of expressions crossing her face.

In another scene, she receives Holy Communion in her bedroom with Father Naber performing the service. The priest makes the sign of the cross with the host very slowly and Fräulein Neumann seems to almost beg, with hands outstretched and a look of utmost tension on her face, for the sacred Host. When the priest finally places the Host on her tongue, the woman's face suddenly relaxes and she collapses on the pillow as if in a trance.

Good Friday Movie

Pictures on another reel were taken on Good Friday, 1949 and the

scene is Therese's bedroom. She sits upright in bed covered with a thick quilt common in most Bavarian homes. Over her head she wears a blood-soaked white cloth, with a number of large red splotches making a ring from one side of her head to the other. From her eyes pour thin streams of blood, running down over her already blood-caked cheeks. A wound on the back of each hand pours blood over her bedskirt which is also stained. Her fingers entwine in a praying position and her hands move constantly, first high and even with her head, and then back as if to grasp her bosom. Her face shows excruciating pain as the bed-clothes become more and more blotted with red.

A closer scene shows the woman lying back on the pillow with her expressions constantly changing as if she were conversing with someone.

Then she twists her face into an agonized expression, seeing Christ dying upon the cross. At the conclusion of the film, she sinks deeply into the pillow as if dead.

The final reel of film shows Therese after the ecstasy talking with Father Naber, telling of the things she had seen in the ecstasy. She gesticulates freely as she explains to him step by step, the happenings which she envisioned.

Ferdinand Neumann claims that Therese is altogether undisturbed by the movie camera when she is in ecstasy or during a vision because she hears and sees nothing which goes on about her. Not once during the entire film does she look in the direction of the camera.

Herr Neumann says that a large American movie company attempted to obtain permission to film one of Therese's ecstasies but "Therese would not allow it."

"I have the only films in existence today which show the visions and ecstasy," says Therese's brother. "But Therese does not want the film publicly shown until after her death."

When asked if he believes the phenomena of his sister's ecstasy and visions are miraculous, his answer is simple, "What else could it be?"

The Roman Catholic Church has not condoned the stigmata of Therese since such an act is seldom made during the lifetime of such a person. But whether the farmer-woman is or is not a religious stigmatist, the fact remains that she is one of the most extraordinary persons living in Europe today. ■

HIGHER KNOWLEDGE: FROM PAGE 4

received my next visitation. It was a glorious vision of the Buddha. Again, I am not permitted to reveal all that took place here. I would like to add that both visitations from Jesus and Buddha will be fully revealed in my future writings as they relate to mystical teachings.

In the years which followed I became very intense with my studies of the mystic way, meeting several people who assisted me on the path. These mysterious strangers were initiates of a secret mystic society which preserved and taught the true inner teachings of Christ. When people ask me how I found such people my answer is simple: I did not find them, they found me. Their visits were spread out over several years in various public places, and even as new friends of my parents, who would drop out of sight as quickly as they appeared after their mission was accomplished. These people all agreed in their messages to me and all revealed certain signs which convinced me of a higher power at work behind the scenes.

In 1964 I was greatly blessed by the appearance of the three Magi, or Wisemen. They are now known as the Ascended Masters: Saint Germain, Kuthumi, and El Morya. One of them showed me a large ancient book and opened it for me to read. On its pages was written (not printed) the many mysteries of life and their meaning. I was instructed not to reveal what I had read until the appointed time when I would both teach and write down the knowledge for the advancement of humankind.

After many years of traveling, I returned to Philadelphia to establish a church. Things were taking place that inspired people to have more faith and reports of notable miracles were being given. Then one day in 1982 the great master Count the Saint Germain revealed himself again and informed

me that I was to go to California for a very special work. I was obedient, and as a result received one of the highest initiations of the Ancient Mysteries. While in California I wrote several lessons, taught a great number of students and received a message from a group known as the Ashtar Command. The Ashtar Command are the Space Federation and are the Cosmic Guardians of Planet Earth. They informed me of coming problems of earthquakes and tidal waves soon to strike the Los Angeles area. I was instructed to inform my students at that time, that they would see the UFOs of Ashtar on a certain night and would receive power to assist me in a group ritual and prayer which would cushion the coming events. Everything took place as predicted causing shore damage in Malibu and Santa Monica, accompanied by earthquakes. However, much more damage was avoided through the cosmic intervention.

In April of 1984, I was instructed to move back to Philadelphia. At this time the name, "Beckley" was implanted within my consciousness. After returning home I discovered in a curious manner that Timothy Beckley was the Editor of *Inner Light Magazine*. I believe that we are living at the dawn of a new day when the Sons and Daughters of Light will work in harmony to bring about a global awareness of the Cosmic Intelligence.

EDITORS NOTE: Bill's first book for *Inner Light* — THE SACRED MAGIC — is due out. DOOMSDAY IS AROUND THE CORNER!

WILL CIVILIZATION END BEFORE THE YEAR 2000?

PREDICTED:

- APPEARANCE OF THE ANTI CHRIST - 666
- MASS LANDING OF SPACE SHIPS
- THE SECOND COMING
- WORLD WAR III
- THE EARTH FLIPS OVER
- PLAGUES & STARVATION
- CIVILIZATION COLLAPSES
- GRAVES OPENED & CORPSES GONE
- THOUSANDS VANISH

Back in the 16th century the famous — and highly accurate — French seer, Nostradamus, predicted the world would end in the year 1999. During the 1930's the "Prophet of Virginia Beach," Edgar Cayce, foresaw great trials and tribulations sweeping the globe before the turn of this century. Many religious leaders including Hal Lindsay and Dr. Billy Graham proclaim that we are already in the END TIMES as spoken of in the Book of Revelations, and that the great BATTLE OF ARMAGADDON is right around the next corner.

Scientists, psychics, clergy, UFO contactees unanimously agree that time is running out on civilization; that the hands of the cosmic clock are approaching the midnight hour, and doomsday could strike at any moment. They warn that our destruction could come in one of several ways:

- **ATOMIC WAR** — Already many nations have nuclear weapons and many more will have them by the end of this decade. The temptation to PUSH THE BUTTON and end it all grows each day as political ideology moves us further apart.
- **COLLAPSE OF GOVERNMENTS** — More and more people are unemployed, inflation is out of hand, and there seems to be no curbing of this trend. Our money — and the money of all nations — may soon be obsolete, worthless and banks may close one after another. Governments may literally "go out of business," and total anarchy will prevail across the land. The end result — we may go back to living in Stone Age fashion.
- **ENVIRONMENT TO STRIKE BACK** — Recently a representative of one government agency announced that in the next couple of years our planet will be struck by magnetic SUPER STORMS that could cause unprecedented blackouts. Our weather is turning against us. There will be more disasters of this type with an increase in earthquakes, volcanoes and a gigantic shifting of land masses which could wipe out a good portion of the earth's population. Cities such as New York and Los Angeles may soon sink into the sea.

- **UNEXPLAINABLE OCCURRENCES** — Psychics tell us that the planet could tip over on its axis and go spinning out of orbit. Some sensitives believe we will be destroyed when another planet or a "Dark Star" crashes into our world. Still other sensitives say it is possible we will be invaded from outer space.

MASS EVACUATION

But there is also a general feeling that many of us can be saved, that golden ships piloted by human-like beings from other worlds will help mankind through the crisis periods soon to strike. Many of these MESSENGERS OF LIGHT have reincarnated here in recent years and will help in a mass evacuation from this planet of the CHOSEN ONES. Find out if you are a "Cosmic Blend" and just who will be saved in our moment of need.

STRANGE BEDSIDE VISITORS

My first unusual experience occurred in Fort Worth, Texas when I was about 5 years old. It was a cold winter night and I had been tucked in bed. I wasn't sleepy so I decided to play with the cover on my bed, gently poking the blanket with my left and right index fingers causing the blanket to go up and down over. Feeling very cheerful I started singing some childish song. After about 10 or more minutes doing this I suddenly became aware of another presence in the room with me. I heard this deep breathing sound. The presence then seemed to come towards me and sat in a chair that was next to the head of my bed. The presence was so strong that it seemed like if I reached out my hand in its direction I could easily touch it. Surprisingly enough I wasn't frightened at that point. I continued playing with my blanket and singing. Then all of a sudden something or someone hit my right index finger rather forcefully. This terrified me tremendously. I looked in the direction of the presence, but didn't see a thing as it was dark in the room. I quickly pulled the blanket over my head as my entire body trembled with fear. When the fear eventually subsided I fell asleep.

The following morning about 5 or 6 a.m. I woke up and just laid in bed thinking, trying to decipher why and what happened to me the previous night. It was very puzzling for my young mind. I happened to turn my head towards the window which was at the left end of my bed. The venetian blind was slowly moving forward as though someone was climbing through the window. Now I was looking at the blind move, but did not see a soul. Suddenly, something or someone shook the foot of my bed several times and in a deep bass male voice said, "Wake up." I became petrified with fear. If I could have gotten under my mattress I certainly would have done so. My heart felt as though it was going to beat right out of my body. I wanted to scream out to my guardparents in the next bedroom, but my mouth would not open, nor could I manage to utter a sound. All I could do was to lie there feeling confused and frightened. I guess the presence must have disappeared because I did not see the blind move again or it exit by the window. As soon as my guardmother got up later that morning I told her what had happened to me that night and earlier the same morning. She told me to ask, "What in the name of the Lord do you want?" the next time I experienced something like that. She said it was perhaps a spirit who wanted to communicate a message to me. I couldn't understand then, nor do I now understand why the presence told me to wake up when my eyes were wide open.

The experience, I feel, has really affected my life. Soon after that incident, for some unknown reason, I just knew within my heart that I had lived on earth before. I never heard the word reincarnation or any discussion about it. I remember playing outside with some neighborhood children one day when out of the clear blue I commented to one little girl that I had a dress just like the one her mother was wearing when I was here before. I can vividly recall the strange feeling I had as I made the comment.

Too, I became more inquisitive of the world and life in general. I

would sit for long periods of time and just look up into the sky wondering how high it was, what was holding the stars in place, why the stars, clouds, sun and moon were there, where I came from, why I was here and what my future would be like. I felt a strong urge to seek answers to these and other questions. Answers offered me by my guardmother and other adults just did not seem to satisfy my curiosity. My guardmother thought that I was called to be a prophetess or minister.

When I matured to adulthood an interest in astrology, ESP, graphology, numerology, astral projection, UFO's etc., emerged within me. I started collecting books and articles on all those subjects. I also began to study about reincarnation just to confirm my own belief, and assure myself that I was not crazy, that there was something to it.

The second experience occurred some 25 years later in San Diego, California. One Friday night I was lying in bed and was drifting off into a trance-like state. I wasn't really asleep because I was aware of everything around me. At first I attempted to avoid falling deeper into the trance-like state. I knew that I was about to experience something that I had never experienced before, so I thought to myself, "I will let go and experience whatever it is." From somewhere came this far away sound which was like a combination of a great body of rushing waters with a strong blowing wind traveling rapidly towards me. It seemed to be a very long way off at first, but slowly came closer and closer.

Time wise I can't say how long this went on when finally there appeared from somewhere a tall, slender black man. He stood at the left side of my bed and had under his arm what looked to be a long wide object. Whoever this man was, while in that trance-like state I knew him. He sat down on the side of my bed. I sat up in bed and we began laughing and talking together. I cannot recall the details of the conversation, but I do remember asking him if he could hear me and he replied, "Yes, I can hear you."

I asked him where someplace or someone was and he extended his hand to me and said, "Come with me and I will show you." I extended my hand to him, but noticed that his fingernails were much too long. They looked more like claws and I pulled my hand back and said, "Go away. I'm sleepy now." He disappeared and I drifted off to sound sleep.

When I woke up the next morning I had a strange feeling. I was bewildered over what had happened to me. I called a friend and related to her my experience. I told her that I know the experience was hard to believe, and that anyone else would probably think I was insane, but that it indeed happened. She told me that she believed me. All that day I was disturbed by what happened. I remember that I got down on my knees and started crying and praying, asking God to show me what that experience meant. I was very frustrated because I couldn't remember all that was said in the conversation between myself and this man.

I asked God for some sign as to what my purpose in this life is. I laid down on my living room sofa and just meditated. All of a sudden my right arm raised up without my conscious help. I couldn't figure out

'CROSS OF CRYSTAL'

Dear Reader:

My name is Diane Tesson. You might have seen me on TV or heard me on the radio telling my incredible story. I am an ordained minister and pastor of San Diego's Starlight Mystic Church. Up until just recently my life was pretty much a shambles. Because of the poor economy, I had lost my job as a teacher and found it impossible to get work. Things rapidly turned real sour — my car payments were overdue, my rent was behind, and I even had to get food stamps to feed my daughter.

But now — THANK GOD! — conditions have vastly improved. My luck has turned from bad to good. Suddenly my cup has runneth over and all because of a strange artifact I came across in my garden, which, I believe, was put there by beneficial beings who have helped guide my life and who have only positive thoughts for every peace loving person on this planet.

But let me start at the beginning...

All my life, I have felt a closeness with God's universe. My experience is no lie! It has been verified by a University Professor who subjected me to a grueling two hour hypnotic session. He wanted to see if I was telling the truth. He is convinced I am, for I relived events that happened many years ago as if they had only transpired recently.

CHILDHOOD EXPERIENCES

It was a warm summer's night and I was playing with my dog outside. It was after dark and a certain stillness filled the air that I shall never forget. As I leaned around with my pet, I noticed a bizarre light a short distance away from

where we were.

Without warning, my familiar surroundings were gone and I was in a completely different environment. All around me were these strange beings, some of them human-like, others radically different than any life form I was familiar with.

But there was one particular being who I found myself more attracted to than the others. I especially was not scared of him. The one I conversed with was human and I loved him, I could feel that there was something — a certain bond — between us and to me he has always been my "Special One." Due to the nature of subsequent contact with these angelic, God-loving beings from another dimension, I feel almost certain that I am only half human, and the other part of me is extraterrestrial. Somehow — and I can't begin to explain this in scientific terms — I believe that the soul of the "Special One" was implanted into me or duplicated into me electronically, and that the "Special One" has been a part of my consciousness ever since I was seven.

SHOCKING REVELATIONS

In recent times my contact with THEM has increased to the point where I have become an accomplished psychic, able to forecast major events before they happen. I have also helped many individuals who feel that they are "different," and that they do not "belong" on this planet. My mission to assist these "Star children" walking amongst us has been a huge success. In addition, I have been doing my best to alert all those who will listen to the coming

changes that are slated to take place here on earth culminating in a collapse of civilization and the end of the world as we know it. Nostradamus, Edgar Cayce and other attuned minds have told of catastrophic events which are to take place during our lives, and my friends from another dimension have added to our knowledge of such a monumental transition that is said to be only years away.

Since that night back in Iowa, I have experienced many things that cannot possibly be explained. I have seen and heard what others cannot see or hear. I have had "flashbacks," of previous incarnations. I have heard strange beeps inside and outside my home which emanate from toasters, radios and stereos. Mysterious voices have come over my CB's. I've encountered ghosts, and had a variety of invisible playmates. One of my most frightening experiences has to do with the time I was levitated off my bed and some invisible entities actually tried to pull me through the wall.

HOW THE CRYSTAL CROSS CAME TO ME

Several months ago, I had a series of very frightening prophetic dreams about the "Last Days," which the Bible refers to as "Armageddon." In these nighttime visions, I witnessed entire cities being destroyed and people looking for places to hide. Mother Nature had turned against humankind. There were floods everywhere, and tidal waves swept across the West Coast, while thunder and lightning the likes of which we have never witnessed flashed everywhere. Wars had broken out in many lands, and from my dreams it looked like there was no way out. That is, until fleets of glittering spaceships filled the sky and started taking deserving souls off this planet in a mass evacuation which was being directed by the mighty hands of Jesus Himself.

These "dreams" were so vivid that I would wake up in a cold sweat. And while these prophetic visions always differed slightly, the one element they all contained was the materialization of a huge crystal cross over the heads of the suffering multitudes.

Upon rising one morning, a voice inside my head directed me to walk outside to my garden. There glittering in the early rays of sunlight was a beautiful cross made of crystal, and though it was much smaller, it was very similar in design to the one I had repeatedly seen in my dreams.

Later that day, my "Special One," who often speaks to me, told me that there was great significance in the cross that I had found in my yard. He reminded me that crystals have always been known for their healing and spiritual powers and that eons ago, on the continent of Atlantis, scientists had harnessed the forces of the crystal and a great technology existed because of the positive use of these crystals.

My "Special One," recommended to me that everyone should own a cross for themselves and promised that those who carry such a crystal will experience many positive benefits throughout their life.

ARE YOU IN NEED?

Does your spirit cry out for relief from worldly tensions? If so I believe I can promise you...

- Financial security.
- A loved one to comfort you.
- A decent job.
- A means to lift all curses that have been placed on your soul, thus improving your karma.
- A way to own a new home.
- A means to win the lottery.
- To drive around in a beautiful new car.
- To have plenty of money in the bank.

And, above all else, would you eventually like to be taken from this planet to either some Heavenly realm, or a more peaceful dimension in space populated by advanced beings like the ones I've met? According to what I have learned, this is also no problem for those who respond to my unusual request.

My contacts with angelic entities from another dimension have indicated all this — and more — is within the realm of possibility, but that your chances of succeeding at WHATEVER you wish to achieve will be tenfold if you carry this powerful crystal cross with you at all times.

NOT FOR SALE

In a nother dream, I was warned that I must never sell the cross, but that it should be given to those who seek eternal comfort and spiritual awakening. Since the crosses are costly, there is no

way that I can send them to the tens of thousands of individuals who are likely to ask for one through this article. Therefore, I believe I have come upon a very fair and just manner in which to put these crosses into circulation as was intended and cover at least part of my expense.

Therefore, anyone who orders a copy of my book THE TRANSFORMATION will receive both a copy of my autobiography [which I think you will agree makes for fascinating reading and will tell you a great deal more about the coming tribulations to strike this planet and how to personally avoid them as much as possible], and a FREE crystal cross.

TAKE PART IN AN EXPERIMENT

I am very anxious to know what effect wearing the cross will have on you, so after carrying it on your person for thirty days won't you please drop me a line and let me know how your life has changed for the better?

I realize in distributing these crystal crosses that I am entering upon a totally new threshold in human understanding. I definitely KNOW from personal experience, that there are advanced beings out there who, with God's help, wish to assist those who will open their hearts and their minds to other realms and realities.

CHRIST'S MOST ASTOUNDING MIRACLES HIS GREATEST SECRETS SUPPRESSED LEGENDS OF THE LORD

Religious scholars and good Christians the world over agree that the Holy Bible is the most important book ever written. Its contents are of tremendous value to every man, woman and child alive today, while the code of morality and ethics it preaches has been the foundation by which all God fearing persons have patterned their lives for the last two thousand years.

Yet, in recent times, it has also become evident with the discovery of the Dead Sea Scrolls and other ancient writings, that, though the Bible was truly inspired by the hand of God, it is by no means complete.

Recently, noted inspirational writer Arthur Crockett began sifting through obscure volumes and what he managed to uncover represents a monumental breakthrough in modern theology. His just recently released book, **STRANGE AND UNKNOWN FACTS ABOUT THE LIFE OF JESUS**, fills in gaps in Christ's life not covered by the New Testament, and proves conclusively that Jesus was a total enigma unto Himself, little understood by his contemporaries and even less understood by modern society, which has often twisted His teachings or eliminated those which would prove him to have been an even greater soul.

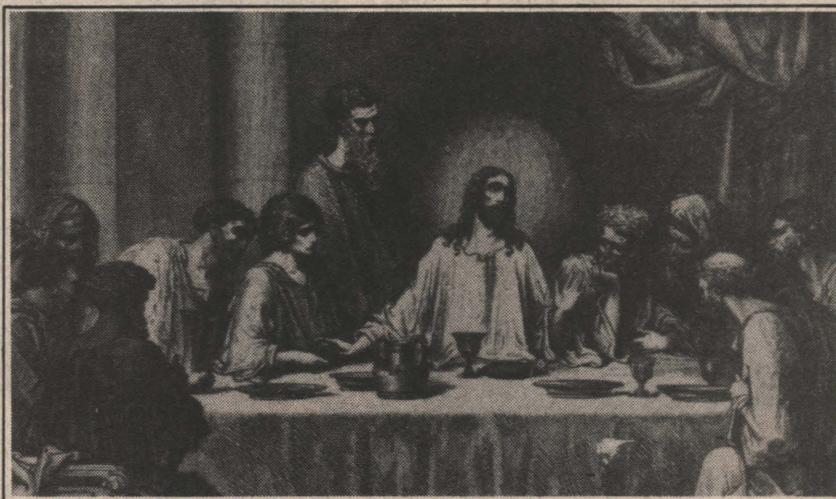

SACRED TRUTHS DISCOVERED

In fact, various sacred artifacts exist to this very day which prove Jesus was the Saviour. In many ways they are as great as the Shroud of Turin, but they are almost completely unknown to most practicing Christians as they have never been publicized.

There is, as described in this wonderful book:

• **THE SEAMLESS HOLY COAT.** This was made from the garment worn by Jesus at the time of His crucifixion. Lots were cast among the Roman soldiers for the garment, but it did not stay long with the man who had won it, but ended up in the possession of a non-believer. The legend of the journey of the Seamless Holy Coat is fascinating reading.

• **THE IRON CROWN OF LOMBARDY.** Also known as "The Crown of the Crucifixion Nails," it was first mentioned in history in 591 A.D., but survived until recently and was said to have great supernatural powers. The authentic crown of nails worn by Jesus on the cross, it has disappeared and is believed to

MORE IMPORTANT THAN THE DEAD SEA SCROLLS REVEALED: STRANGE & UNKNOWN FACTS ABOUT THE LIFE OF JESUS

have been stolen.

• **THE HOLY GRAIL.** Many think they know the story of this great religious artifact, but there is much more to the origin and eventual destiny of the "Cup of the Blood of Christ," which resided with Mary until the day of the Last Supper and is believed to have turned up with the mythical King Arthur in England several centuries later. Now the complete story unfolds!

• **THE HOLY TUNIC.** Each year a remarkable religious ceremony is carried out in Argenteuil, France when in

BIZARRE LEGENDS & MIRACLES

this little village a casket containing the inner robe, or tunic, worn by Our Lord at the time of His death, is carried in a procession up and down the main aisles of the church. Learn the mystery surrounding the tunic and why the casket containing the garment is now sealed and can only be opened by the Pope.

In many ways, Jesus was a

very mysterious person, and apparently, He wanted it this way. For example:

• The Bible does not tell us much about his physical appearance. The best existing description was thought destroyed in one of the early Mohammedan book-fires, yet such a detailed description has been found, and is published here for the first time.

• It is normally assumed that Christ left behind no written works, but again this is a wrong assumption, as correspondence penned by

Jesus has been discovered stenciled on golden plates. Now you can read his actual message to the world.

In addition, many "sacred truths" are revealed for the first time, such as:

• The strange link between Jesus and Adam that is kept hush-hush.

• His exact words spoken upon being nailed to the cross.

• The fallacy that exists regarding the last supper.

• The "Secret Disciple" who claimed the body of Christ and the supernatural occurrences which transpired

• Also, it is not generally realized that Jesus may have actually returned to earth several times since His ascent into Heaven. His most recent "visit" having taken place in the last century to the American Indians who reported a mysterious "white man" with a beard who wandered among the tribes preaching enlightenment and healing the sick.

STRANGE SECRETS

There are also many "secrets" that have prevailed over the years which are not common knowledge regarding events in Christ's life.

• There is the incident involving the doorkeeper at the court of Pontius Pilate who spit at Jesus and yelled "Crucify Him! Crucify Him!" Jesus looked at His tormentor and said, "I am going; but tarry thou until I come again!" The doorkeeper still wanders the earth after all these years seeking rest which he has not been allowed for nearly two thousand years.

• It is generally not realized that Jesus communicated with spirits and He had mediumistic gifts that were of the highest and purest.

THE GREAT PYRAMID SPEAKS

FIRST TO CAST SPELLS

In about 350 B.C. King Nechtanebo found the powers of magic to his liking. When his kingdom was attacked by land or sea he would fight his enemies off with wax figures, animating these "robots" with the breath of life, using a ritual taken directly from the Book of the Dead, which was a stone ledger containing the world's most powerful incantations.

Nechtanebo won his battles time and time again without losing any of his real Army. The early Egyptians knew the importance of casting spells for good and for evil. Now you can learn of the mysterious and forbidden rites of the resurrection of Osiris and the sacred Mysteries of ancient Egypt and how they operated. Understanding these Mysteries enables a person to atone himself with the Heavens and experience spiritual bliss, which apparently only a few great philosophers such as Plato have understood and dared talk about.

PHARAOHS CONTACTED GUARDIAN ANGELS... YOU CAN TOO!

Excavators in Egypt have found both stone and wooden images of

unknown entities in tombs right alongside mummified remains. Many knowledgeable researchers steadfastly maintain these images are of the Pharaohs' guardian angel, said to be a supreme mover, a power, or force which enabled the leaders of Egypt to make their way to the spirit world without obstacle.

In THE GREAT PYRAMID SPEAKS you will find the exact name given to this special angel, and how if you chant its name repeatedly, it is said that you will receive all that you ask

MOSES — MOST FAMOUS INITIATE

While only the most scholarly of Biblical students may realize the fact, the truth is that Moses was half Hebrew, half Egyptian. As verification, the New Testament says, "Moses was instructed in all the wisdom of the Egyptians." What that statement means is that the deepest wisdom were laid open to him, and he was taught that which was forbidden for most others to know.

ATLANTIS AND THE ANCIENT ASTRONAUTS

There remains one great mystery about Egypt which has never been solved. It is the sudden blossoming of civilization. Researchers know that around 3100 B.C. the Egyptians

were still a primitive people. Then quite suddenly, about 3000 B.C., an advanced civilization sprang up almost overnight, a civilization that only 100 years before had used the most primitive of tools, but were now responsible for the construction of the Great Pyramid which remains an architectural marvel.

THE GREAT PYRAMID SPEAKS answers these nagging questions:

- Was this development inspired by God?
- Did members of a super race from the lost continent of Atlantis, visit with the Egyptian high priests?
- Were the Egyptian leaders guided by visitors from another planet?

Among the burning evidence for these theories is the recent research conducted by an outstanding Soviet scientist who says he has concrete proof that extraterrestrial visitations took place during the reign of the early Pharaohs.

A TIME CAPSULE UNDER THE GREAT PYRAMID?

Many famed psychics who have lived in different countries—and in totally different cultures—have repeatedly stated that important information lies buried under the Sphinx as well as the Great Pyramid... information about the future of mankind and whether the human race will survive the atomic age.

Also, according to Edgar Cayce (the Sleeping Prophet of Virginia Beach), buried in a time capsule in a sealed vault beneath the great pyramid is the historical records of Atlantis, as well as unidentified mummies, gold artifacts, precious stones, as well as surgical instruments which could be of medical use today. There may even be, declare others, the secret as to how levitation can be accomplished, and how humans can live for extended periods of 1,000 years.

BONUS DARE YOU OPEN THE TOMB OF THE UNKNOWN MUMMY CONTAINING THE SECRET PROPHECIES OF THE PHARAOHS

Recently a series of startling prophecies were translated from hieroglyphics found on an unknown mummy's case deep inside the Great Pyramid. The actual origin of these predictions is unknown, though those who have seen the mummy's case say it is highly unique, and totally different than any other so far discovered. They describe it as being hot to the touch and very hypnotic so that you cannot pull your eyes away. Researchers are also amazed at the size of the mummy that must have been buried within (the corpse is now missing), since the mummy's case is over eight feet long, indicating that the body that inhabited this death chamber must have been massive, unlike most of us born on earth. Now, for the first time, we are able to reveal the contents of these stunning prophecies smuggled out of Egypt which were made thousands of years ago, but which deal with events of today and the immediate future. Since these prophecies may be highly traumatic to some who read this book, we have decided to place them in a special sealed chamber so that the weakhearted will have to break a seal in order to see what the future holds for us according to the masters of ancient Egypt.

WILL THE CROSS OF JESUS BE FOUND BENEATH THE PYRAMID?

Diane Tessman, a San Diego based minister who had repeated contacts with space beings since the age of seven, has received a wealth of data from her spiritual guides concerning the Great Pyramid what will eventually be uncovered underneath the desert sand in Egypt. The blonde-haired sensitive is able to receive telepathic messages from all sorts of highly evolved entities working on our planet under God's direct command. These entities (many of whom are invisible to the human eye, but can be sensed by those who are cosmically aware) have arrived here at this time to try and push the planet forward on the spiritual scale; earth currently being among the lowest on the evolutionary ladder in the entire universe.

Much of this information which Diane Tessman has "channeled" is of particular benefit for those who seek knowledge which has long been suppressed. In THE GREAT PYRAMID SPEAKS, Diane's ethereal contacts reveal the startling fact that the cross which the Almighty Jesus was crucified on is buried beneath the Great Pyramid and will be found within our lifetime as proof He will return.

MYSTERY OF A SPACE SHIP

In addition to the cross of the crucifixion, beneath the pyramid is also said to be a gigantic spacecraft which though dormant, now, will eventually be activated, and will be responsible for removing people from this planet in case of a global catastrophe. Diane reveals the newsmaking fact that the Israeli government, as well as its opposition forces of the Arab nations, know all about the existence of this spaceship, and are fighting for a lot more than oil in the Middle East—they are fighting for possession of this doomsday craft which can take their rulers to safety should we ever blow ourselves up.

THE GREAT SEAL AND THE NEW ORDER OF THE AGES

Thanks for the copy of *Inner Light*. I am not religious but I did enjoy it and was fascinated by yours and Crockett's article of the Great Seal of the United States. I, too, have an interpretation of this seal which might be of interest to your readers:

First, I see the thirteen levels or courses of stone in the pyramid (not eighteen levels as depicted on page 3 of issue no. 5) as representing a time period for our country during which our science and technology are developed. This period begins in 1776 which upon numerical analysis adds up to 21 which is a multiple of 3, and must end in the nearest year before the beginning of the next millenium which is also a multiple of 3. Thus, the top level of the unfinished pyramid must be the year 1998 which numerically adds up to 27 which is a multiple of 3. The unfinished pyramid therefore represents the years from 1776 to 1998 or a period of 222 years. This time period can further be divided into three periods of seventy-four years and this time is close to the length of a man's life and a Platonic day.

It is generally assumed that the eye inside the triangle represents the all seeing eye of God, but I am convinced that this symbol really represents flying saucers or UFOs...perhaps the ancients occasionally observed a disc-like UFO hovering over them in the sky and assumed it was God's pupil looking down at them! As further support for this interpretation, we can see that the eye in the triangle of the Great Seal both floats and glows and these characteristics are definitely associated with modern UFO reports. The message I see in this symbol is that the people of the United States will develop UFO propulsion by the year 1998 and it is *after* this time that the New Order of the Ages will begin.

As for the triangle associated with our attainment of saucer propulsion, it must represent our final achievement of the ability to produce and control all three of the basic field effects whose interrelationships and existence determine all of the structures and properties of our universe. These field effects are those responsible for electric, magnetic, and gravitational phenomena. We can now produce and control both electric and magnetic fields but are only just beginning to unravel the mystery of the gravitational field...we will not have UFOs until we can similarly produce and control gravitational fields and thereby overcome gravity and inertia as UFO-nauts do.

Again, in reference to the three seventy-four year periods in the yet to be completed 222 year history of our country, we note that at the start of the first period in 1776, we could already produce and control electric fields due primarily to the work of Benjamin Franklin who was one of the people involved with the Great Seal. By the beginning of the next period in 1850, we could produce and control magnetic fields which led to the electric motor. By the beginning of the last period in 1924, radioactivity and Einstein's explanation of the conversion of mass into energy were available. It is interesting to note that research into UFOs is increasing as we hurtle toward the year 1998.

If we manage to develop saucer technology by 1998 then, I believe, it will certainly bring about the utopian world order that so many New Agers hunger for. Once saucer technology gives us the resources we need to finally become free of the present less than perfect world order, we will be able to profit directly off of the inanimate world instead of each other...perhaps then all of the violence, hate, jealousy, illness, etc. that plague this world will finally be laid to rest.

If the above interpretation of the Great Seal is correct, then the careful timing of events involved can *not* be due to mere chance. Most of my colleagues would laugh off as absurd the idea that the destiny of our country or the world is being subtly guided, but I feel that there is the distinct possibility that others in our universe who have already achieved the final levels of their pyramids, may then proceed to locate and guide others such as us so that we too may obtain the benefits that these new realms of science and technology might provide. These benevolent entities might have bizarre paranormal powers at their command which are yet beyond our limited imaginations that would allow them to step into our reality and appropriately modify it

UFOs BROUGHT ME SPIRITUAL GUIDANCE

My first sighting was a UFO (at quite a distance) flying over the Hudson River, heading west. Later, this prophetic sighting was enacted when I flew from New York City out to San Diego, California, to meet the famous contactee, George Adamski. On the way, as the plane soared over the Rocky Mountains, I saw seven circular UFOs on the top of a mountain. They were in the form of a gigantic "V" which brought the thought of VICTORY to me!

A couple (friends of Adamski) met me at the landing, to take me up to Adamski's hilltop house. But instead, I asked them to take me to the Y.W.C.A. to spend the night. Next morning, when they took me to him, he scolded me for not coming directly. I forgot to tell anyone about the sighting, (except my seat companion on the plane, who saw them too. Later I wondered why such an amazing memory slipped my mind). He showed me what he wanted me to paint for the cover of his new book: "INSIDE THE SPACESHIPS." ...but he forgot to tell me what colors!!

In the hotel in San Diego, I had a dream of being inside that spaceship, and I even remembered what all the colors were. There was controls under the control-board, and windows looking out into space. When I showed it to him, he exclaimed: "How did you get every color so exact?" So I told him about the dream. He said "My Space Friends can put ideas into our heads, and then take them out again!"

When I sent my painting for the cover of his book to his publisher in England, it was rejected and returned to me, because his photograph of UFOs flying in and out of a mothership was preferred. But, my Space Friends took pity on me, and performed all kinds of sightings for me to write about for my own book I named: "Visiting Spacemen!" for which I could use my painting as the cover! That shows how kind they are to those who are friendly!

The next sighting was at San Diego, in California, in broad daylight. I saw a little boat coming towards the end of a long pier. It had clouds in the form of a hoop around the one central smoke stack. It had small points of light around on this cloud. There was one light at the 12 o'clock mark. Then, three lights on the 3 o'clock point, one light on the 6 o'clock point and another light on the 9 o'clock point. Then, from the bow a large cloud in the form of a half a mother-ship, with a cloudy figure sitting on the nose, with arms and legs stretched out, ...as though rejoicing!

Maybe I should have run out to the end of the pier, to meet the boat when it docked there; but then I suddenly remembered a friend warning me against doing that, because of strange things happening there! So, instead I fell down in the sand near the entrance to the pier. I tried to send telepathic messages to them; if they were really my Space Friends! I asked them to come pick me up there. But, nobody came after the little ship was docked. So, I returned to my hotel sadly disappointed, filled with wonderment and longing to know the truth about it! Next day, a man (old and burly) stopped me near the pier, to ask me if I had seen anything strange at sea the day before. When I refused to answer, he left in disappointed wonderment. I wondered who he was, maybe some kind of spy, or maybe connected with the little boat in some way?

At an outdoor UFO gathering held at Giant Rock airport in California, I exhibited some of my oil paintings on a clothes-line. I also had a table and two chairs to paint color silhouettes of the visitors from many states. One day I was walking along behind Giant Rock (upon which a podium was built for speakers who had experiences with the UFOs). Suddenly a light shone around me for an instant, but when I looked up I did not see anything. Later, two boys on the rocky hillside nearby told everyone they saw a brilliant football-shaped UFO hover for an instant over me, and then zoom off eastward. In that instant a cop snapped a photo of the Rock, over which the UFO had hovered. It showed a strong light raying down from the UFO.

Everywhere I go, there is some UFO sighting, which gives me wonderful guidance it pays to obey! For instance, while in Missouri, I was invited to move to a commune of young folks, which was based on mutual community exchanges, in the wilderness. Another place was a commune of elderly folks in mobile homes, around a large pyramid, wherein they worshipped Yahweh. In both instances, a UFO

would hover near my mobile home, then zoom off in the direction of the commune I planned to move to. Their telepathic message was: "DON'T go!" I was very grateful for their timely warning, when both places, in turn, broke up and moved away. If I had moved to either place, I would have been left high and dry!

I'm very glad I have such powerful and kind friends somewhere, especially of such high calibre. Their wonderful friendship makes up for my not having much luck trying to make real friends among so many IN-humans on earth! It seems people are getting more hard-hearted in this Bible Belt of blind bigots! Some of them make it difficult for any genius (or saint) to influence them for helpful reasons. It seems all my good advice, and helpful lessons in my symbolic paintings fall on infertile "ground" of closed minds.

I've lived in all four corners of the United States, and the midwest is the latest. Everywhere else I could express my opinions to anyone freely (even in religious beliefs) and meet with understanding and tolerance! Many a struggle in history lifted us out of the Dark Ages, ...so why slip back, or be dragged back into them again?

I believe the UFOs are here to help us go on UP to even higher kinds of civilizations, in every way, but we must do our part, by wise cooperation!

NIGHTVISIONS

In a vision in 1970 I saw myself standing outside at night at the foot of my bed when in the distance appeared a shooting star and then another one, and then all the stars in the sky fell. I then looked up, and noticed a huge opening with red clouds around it, with light pouring from the opening, and inside was the infant Christ and then I saw buildings which formed the letters BBWWAATTCCHH on top. The changing letters then formed into BEWARE THE ANTICHRIST. At that moment an angel appeared and we talked a little, and then he placed his hand on my head and said "YOUR PROBLEMS WILL BE OVER SOON." I began to experience a blessing at this point, in the form of brilliant white light which permeated my entire being. I could see the light as well as feel it, as it pulsated and enveloped me totally.

Eleven years later I had another night vision, this time in three parts which I have translated thusly:

1. The part of the stars falling from the sky has to do with a polar shift which occurs every 26,000 years. There is a passage in Revelation which refers to this. When the poles shift, it will be from east to west which it is now, to north to south. The stars will not necessarily fall from the sky. If you are standing outside at night when the shift occurs, it will appear as though the stars are falling, when in actuality, it is the earth which is moving.

2. This part concerns the opening and the infant Christ, and the buildings.

The opening and the infant Christ signify the coming of a new kingdom of heaven on earth, which is yet to occur. The buildings signify ANTICHRIST which is organizations established by man, the dark forces, the powers of darkness.

3. The last and final part of the vision is about the angel and the revelation of light. This is definitely the most personal part of the whole experience and the translation for this part of it is peace, an inner peace which can only be recognized by direct experience. It is knowing that there is a guiding force which watches over you and protects.

For years I looked for an explanation of this experience. I started noticing a similarity between angels and extraterrestrials. So, for a long time I researched UFOs. I have been greatly influenced by an inventor by the name of Nikola Tesla. He seems to have this mental technique which is quite unique. I gave him some Tesla material to read awhile back, and what he does is he reads whatever he can on a certain subject and tries to first solve the problem in his head, and will later have a dream which reveals the solution. Right now we are working on developing a wireless telephone system which Tesla invented and also used. I am encouraging you to consider converting over to Tesla's ideas, if you are not already familiar with his master plan which was never considered feasible in his time but in reality was a true godsend to our technical problems.

This wireless telephone for example, operates on a nine volt battery and can transmit any distance by means of using the crust of the earth

as a conductor. The device itself is called a transducer and costs less than a hundred dollars to build. Once in operation, both parties can communicate at a low cost rather than having enormous phone bills. If the corporation had listened to Tesla, there would be no more wars, no poverty. We would be as affluent as we were meant to be.

The means of conversion are within our grasp. We have a knowledge of physics and electricity. Parts can be obtained at stores like Radio Shack. It all has to do with the conversion of ideas. There is still enough time to convert.

I hope you get some inspiration from reading about my vision.

PRIME MINISTER WINSTON CHURCHILL HAD ESP

The great World War II leader had a sixth sense which not only saved his life twice, but was also responsible for saving the lives of others.

He had an astonishing ability to see danger in the future. One incident occurred when he got into the back seat of his limousine. Usually, he sat directly behind the driver, but on this occasion he heard a voice say, "Stop, go around to the other side and get in there."

Winston Churchill got out of the car and walked around to the other side. He sat down. Seconds later a bomb went off directly under his seat. Fortunately, his weight was squarely over the blast and it muffled the bomb's force. He wasn't hurt. His driver also escaped injury.

At another time he was supposed to attend an air show put on by the military. The date was April 13, 1942. Again, some inner voice or some feeling of dread told him not to go. Churchill canceled the trip. One of his aides went instead.

When the air show opened, a fighter pilot made a dreadful mistake. He was supposed to sweep low and open fire on a row of dummy soldiers and military vehicles. Instead, he fired on the reviewing stand! Churchill's aide and 26 men were killed by gunfire.

There were many instances in which the great Prime Minister used his power of ESP to good advantage, but the event that occurred in October 1940 was truly uncanny.

At that time the Nazi Luftwaffe was bombing London to her knees. Churchill, not one to run and hide, stayed at his Downing Street home through the fearful times. One night he was about to sit down to dinner when he suddenly felt strange. He had a premonition that a bomb was going to damage the kitchen area.

Outside, warning sirens wailed. The Nazi bombers were coming. Churchill hurried into the kitchen and told his servants to bring his food into the dining room and then get to an air-raid shelter.

The bombers arrived. Churchill sat drinking his wine and eating while explosions rocked the city. Then a bomb hit the famous building at 10 Downing Street. The kitchen and the pantry were utterly destroyed, as well as other parts of the structure. If the famed PM hadn't warned his servants, they would have died in the explosion.

AN ALIEN PROBE

In the *Inner Light* No. 4, I received a startling confirmation through the channelship of Aleuti Francesca, regarding various colored "energy devices" which will be seen in greater numbers in our skies as indicated by the Space Brothers.

But, first, I'd like to add that Aleuti Francesca was a member of our flying saucer group in Pasadena, California, which at that time was known as "Understanding." Francesca later became a channel, and moved to Oregon where she still resides. I want to share with your readers of such an ORANGE—RED device mentioned in her message.

On December 10, 1977, I had just stepped out of the bowling alley, when looking up towards the Sierra Mountains to the north, I observed a round object blinking red and green lights and moving to the right of my vision very slowly. At first I thought it was a conventional airplane. But what surprised me was the fact that the

Researcher Bill Cox has traveled the world learning secrets that have long been known by only a mighty few. His investigations have taken him to South America where he has penetrated the deepest jungles and deciphered the technology of civilizations which vanished centuries ago. In Egypt he has explored the hidden chambers of the high priests whose knowledge of universal laws was supreme.

Bill's relentless search for the truth has drawn him to some definite conclusions: the most far reaching being that our world is literally criss crossed by other dimensions, invisible realms and unseen kingdoms, each one interacting upon all others. Though our eyes may not see them, there are trillions of life forces around us at all times vibrating to high frequencies which put them beyond our spectrum of

POWERS DESCRIBED IN
THIS NEW BOOK**

visibility. Bill Cox says that once we have educated ourselves to understand these things that the cosmos takes on new meaning and we realize that all of creation is UNDER OUR COMMAND.

THE ELEMENTAL & ANGELIC KINGDOMS

When the earth was formed, God made man and woman in his image and gave them power over all domain. But in order to truly establish a rapport with his creations, it is necessary to realize that God also created a host of other kingdoms. Right now—ALL AROUND US—there are uncountable tiny creatures which exist in what is called the "ether." They are just waiting for the instant in which they are called upon to do the work they perform so well. They do not look upon their task as a chore. In fact, they experience great ecstasy when they do what they are meant to do. Whether it is help in obtaining you money, fame, love or anything else your heart desires, they do what you want—as long as you know how to talk to them—without complaint or resistance. It is their nature to obey like we find in a colony of bees or ants. Besides, they

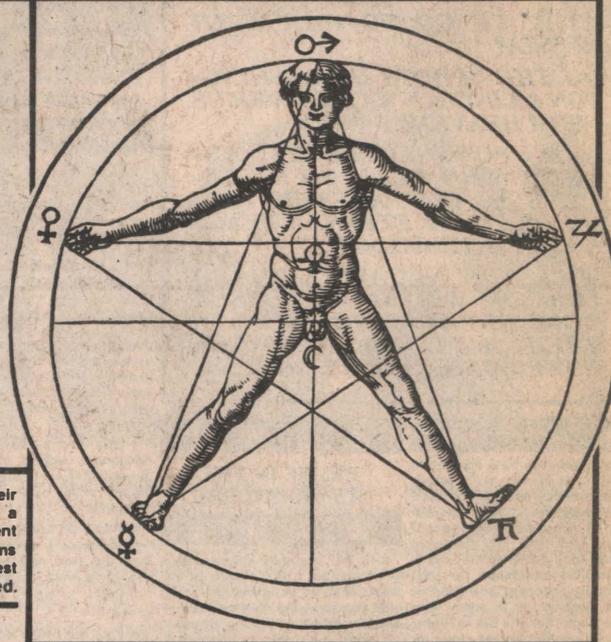

would reject ecstasies awaiting their call should they rebel. There is a hierarchy, an angelic government that exists above these life forms and it too can be put to our best advantage just as the Lord intended.

MIND POWER TO CREATE & TO HEAL

Using mind energy it is possible to move or alter an object at a distance. There is even a practical experiment that everyone can do regardless of training and you will find this fully explained on page 9.

One person who has adapted the principles in this book has been seen by the author to turn ordinary table butter into money. Likewise, there are those now living on our planet who can cure the ailments of others simply by saying a few words, and thinking in the prescribed manner.

The universe, says Bill Cox, can be broken down into several planes, among which there is an order of invisible realms. Turn to page 11, and immediately you will find out the jobs performed by such invisible beings as Devas, Undines, Sylphs and Salamanders, and how these forces can be put to producing

whatever we need to make our life more comfortable on the physical plane. After all why should we go without when God did not intend it that way? In this book you will find out how to create an archetypal form and thus bring into physical manifestation anything you desire no matter how impossible your dream seemed before.

THE ANCIENTS KNEW THE SECRETS

A long way from being uneducated, many ancient cultures existed that were far superior to ours when it came to knowledge of the universe. Time travel, bi-location and energy accumulation were common feats to the masters of the past. For example, they realized that the pyramid shape was of great significance. That is why pyramids can be found not only in Egypt, but

in China, Africa, Mexico, Central America and the United States.

The ancients knew about healing the body and developing the mind. They were familiar with space travel, having established communication with advanced beings from the stars who assisted in their achievements. They knew how to read the aura, and how to project holographic structures in the sky. They were actually able to create "thoughtographs," and upper most they knew how to live in harmony with everything in nature.

Now you too can experience an incredible leap forward in time. No longer do you have to struggle through life. With the knowledge gained from this exciting new book you can now lead the pack and see your wildest dreams become a reality. Don't hold back any longer, become a SUPERBEING and achieve your destiny without delay!

A CURSE ON AMERICA

Over the decades since the founding of our nation, many powerful curses have been placed upon our leaders.

There is evidence that John Kennedy's death was a result of one such curse, and apparently, other presidents have fallen from power because of America's spiritual enemies.

For instance, there's an old legend which says that Chief Tippecanoe, who fought long and hard and was finally defeated by Zachary—"Old Rough and Ready"—Taylor (the 12th President), placed a curse on the nation as he went to his death. Supposedly, the curse ties in directly with the strange cycle of presidential deaths which takes place every twenty years. Even more recently, the Ayatollah Khomeini is said to have asked Satan to help bring down the U.S. from its position of power.

At this very moment there is a war going on in the etherial places between the forces of good and evil. We are told that if the forces of darkness win the world will be in ruin, but if good triumphs there will be a millenium of peace and prosperity for everyone on earth.

As we enter the New Age (often referred to as the Age of Aquarius), scholars have come to realize that it was not mere "coincidence" that the likes of George Washington, Thomas Jefferson and Benjamin Franklin emerged when they did to help lay the foundation for what eventually became the United States. Indeed, it is more than simple "luck" that the Bill of Rights and the Constitution has stood for generations as the inspiration for free men everywhere.

There is now startling evidence received through inspiration, as well as spiritual and psychic means, which indicates that the destiny of America has long ago been revealed to our highest elected officials, in particular to the Presidents of the United States. And while it has always remained a closely guarded secret, a careful check of historical facts show that the majority of our founding fathers held a strong belief in supernatural forces and in the omnipresent power of a superior being.

George Washington, as an example, wrote a letter late in life to the governor of Connecticut in which he stated that it was "almost possible to trace the finger of Divine Providence through those dark and mysterious days which led the colonists to assemble in convention, thereby laying the foundation and prosperity, when we had too much reason to fear that misery and confusion were coming too rapidly upon us." Many Americans may, in fact, not realize that during one of the worst days of the Revolutionary War, in the midst of the Battle of Valley Forge, Washington asked to be left alone so that he could pray for guidance. While secluded in his private quarters a beautiful woman appeared to him materializing in mid air. Her arms were all aglow, and she pointed her hand toward Heaven and repeated the phrase, "Son of the Republic, look and learn." With these words, a spectacular vision unfolded before the great patriot who was to become our first president. The angel showed Washington the next 250 years in prophecy for America, culminating in a third world war with a foreign adversary.

BELIEF IN THE SUPERNATURAL

It is not generally known that a good number of the signers of the Declaration of Independence were well versed in the mystical side of life. Ben Franklin, historians have it on good authority, frequented a coffee house where he met a young medical student and together they practiced various old alchemical formulas, rites and ceremonies. Many of our statesmen have had the power of prophecy. FDR and Abe Lincoln saw their death, and they, along with James Madison, Woodrow Wilson and Eisenhower could actually see into the future. Many of the crises they warned of have come true—while others are yet to occur!

PROPHECIES OF THE PRESIDENTS by Arthur Crockett and Timothy Green Beckley is the only complete source for these divinely inspired revelations. Many of our great forefathers and leaders have even spoken recently to us from the spirit world, and are continually offering guidance every American may accept or reject.

Having researched the subject, the authors offer proof that the United States is to be the New Jerusalem, or the nucleus of the Kingdom of God on earth, as predicted in the Bible's Book of Revelations.

VOICE FROM SPACE OFFERS HOPE & SALVATION

PROPHECIES CONCERNING THE FUTURE FROM THE SPACE BROTHERS BROADCAST TO EARTH

- HUMANITY WILL DEVELOP PHENOMENAL PSYCHIC POWERS.
- NEW FORMS OF ENERGY WILL BE FOUND.
- THE ANTI-CHRIST WILL MATERIALIZE UPON THE EARTH.
- DISCOVERY OF LIFE ON OTHER PLANETS & DIMENSIONS.
- AN END TO ALL WARS.
- MANY WILL BE LIFTED OFF THE EARTH EVEN IF IT IS DESTROYED.
- TO COME: LOVE, PEACE, PROSPERITY FOR ALL RACES & NATIONS.

The NEW WORLD ORDER is destined to become the most important book of our time, a commentary on humanity and what can be done to end the pain and suffering that has encircled our globe. Some of those who have already read the twenty-seven messages broadcast to our civilization by Ashtar and those peaceful beings under his direct command, have stated that the contents of this book are "highly evolved," while at the same time being "most simplistic," just like the Ten Commandments given to Moses thousands of years ago.

Sharing a strong belief in the same God, and in the principles laid down by the Bible, these beings are able to see us as we REALLY are. Ashtar's philosophy will lift the hearts of all people. This is the only book able to offer a POSITIVE means by which we eventually will be able to join our friends among the stars in a bond of universal brotherhood.

NOW THE TRUTH CAN BE MADE KNOWN!

Despite censorship on the part of the government—and the governments of other nations—the reality of UFOs and ETs can no longer be kept a secret. Through their "messengers of light," the Space Brothers have made startling predictions regarding the following topics:

- In a World War there will be NO winner.
- UFOs monitor our radio & TV broadcasts on a daily basis.
- Folly of our political systems.
- The TOP-SECRET mission of the ETs.
- Spiritual development of mankind.
- The selection of the "Chosen Ones" to be removed from the planet in the event of a global disaster.
- The inside of our earth is inhabited.

• The physical changes our planet will undergo in the next decade.

• Many of the inhabitants of earth came from space in another incarnation.

• Upcoming earthquakes.

• The possible destruction of New York & California.

• Life aboard orbiting space cities.

• Meditation for lifting our vibrations.

• Space people will demonstrate their powers on a vast scale.

• Cities to turn into jungles.

• The coming of open relations between earth and other planets.

• Tapping into the universal forces of light.

• UFOs responsible for blackouts.

• Educational craft orbits earth.

• Using the rays of the sun.

• A wealth of plenty for all—no need to be poor.

• Negative beings have infiltrated the military & government.

• Precious minerals stolen from the earth by interplanetary pirates.

• UFOs—symbol of hope for humanity.

• No one in space to welcome "deserters," and earth's return to paradise.

• Teleportation and astral projection become common place.

• More assassination attempts.

• True meaning of "the beast" whose number is "666."

• A warning from Mars.

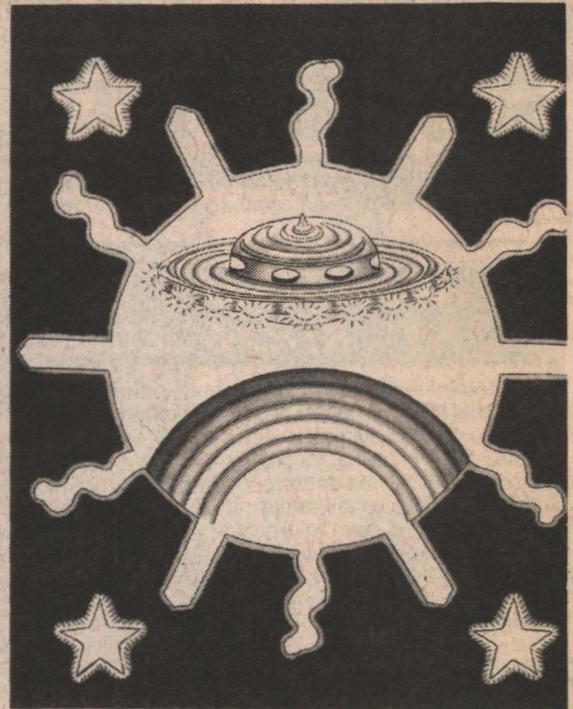

• Solar Star—healer for earth.

• Aura Raines—female pilot of a spaceship speaks her mind.

• There are those in the Universal Council who would like to intervene.

Several years ago a New York businessman went into a light trance. His facial expressions became more intense and his voice changed substantially. Suddenly, an entity identifying himself as "Ashtar—Commander in Chief of the Free Federation of Planets," started to speak. During the course of the next few minutes this alien being told about a wonderful NEW AGE he said earth should ready itself for. This highly advanced spiritual entity expressed concern for our way of life and said that there were thousands of extraterrestrials just like him who are willing to show us that a better way can be found to co-exist with one another and eventually come to live in total peace and harmony. These beings wish to be known as our SPACE BROTHERS.

object suddenly disappeared from view! I thought it strange. It then reappeared to the left of my vision, and made no sound.

The object continued to blink red and green lights. The time, as I checked my watch, read 5:25 p.m.

As I was watching these maneuvers, I got the distinct feeling that the object was signalling the town of Bishop! At this point in time, I alerted some high school students as to what I was seeing, they came running out of the bowling alley to see what was going on. They seemed to be awed as to what they were viewing, when one of the students exclaimed, "It's a flying saucer!"

At about this time, the object began a wide sweep and headed toward Bishop and descending from the north. Another surprise took place: the object turned into a red-orange color as it was continuing to descend, and now heading south on Main Street. Still, no sound was

heard.

At this point, the shape of the object was more discernable, and appeared to be egg-shaped, and about the size of a grapefruit. It continued to head south on Main Street, still descending. When it came in front of the bowling alley, it made a square turn, and headed east toward the Bishop airport—and that's when I lost it over the tree-tops. I immediately reported it to the sheriff's office. They told me they would look into it. That was the last I heard of it.

Upon reflecting on what I saw, I came to the conclusion, that the object was not a spaceship with people on it as we would think of it because the object was too small; but rather it was a probe of some kind. And if it was, what was it probing?

HE HEALED THE SICK, SAW THE FUTURE, & POSSESSED KNOWLEDGE FAR BEYOND OTHER HUMANS

Though he dropped out of school in the sixth grade, Edgar Cayce was able to diagnose the ailments of others while reclining on a couch in a trance-like state. His wife and secretary would be present at his side. After entering in prayer they would simply give Cayce the person's name and address, and without the ill person even being in the same locale, this amazing healer would visualize the state of health of the subject and recommend treatment.

The treatment Cayce recommended was never surgical, but holistic. In fact, Dr. John P. Callan, writing in the Journal of the American Medical Association, proclaimed: "The roots of present-day holism probably go back 100 years to the birth of Edgar Cayce." Cayce's remedies often included the use of vegetables, fruits, herbs, flowers and fragrance, as well as rejuvenation through minerals, gems and stones.

Many of our readers have inquired about Edgar Cayce and his work in the area of health. Therefore we have decided to stock the following items which we feel will be of benefit to our many friends. Naturally, we cannot make any extravagant claims for this research material, but it should be noted that Cayce's group The Association for Research and Enlightenment has thousands of members worldwide, including physicians who have made use of his work in the holistic area.

SECRET PROPHECY OF FATIMA REVEALED!

THE VISIONS

Six visions are associated with the Miracle at Fatima. The first vision was on May 13, 1917 and involved three little children—Francisco, Jacinta and Lucy, who reported seeing lightning on a cloudless day and a globe of light which settled amidst the branches of an old oak tree. Little by little a light appeared to develop in the center of the globe and the figure of a beautiful young woman appeared surrounded in iridescent radiance. The woman spoke to the children. She said, "Do not be afraid, I will not harm you." The lady told them to return to the same spot on the same day of each month and that eventually she would perform miracles and make her presence known to the faithful.

The children suffered numerous persecutions. Their own parents called them liars. The church said the apparition was Satan's handy work, while the government actually threw them in jail and threatened to boil them alive in a vat of oil, if they didn't confess to making up the entire episode. The trio kept to their original story and the crowds grew in hopes of being blessed by Jesus' mother. They came on crutches or were carried in the arms of loved ones. Many miracles were subsequently performed and the spot has since become a shrine.

THE THREE PROPHECIES

During the course of her appearance, the "woman in white," gave the children three prophecies. One prediction involved the end of the first world war, the second concerned itself with World War II, and the rise of Russia as a global threat. A third prophecy was given but it was decided that it was too traumatic to be revealed and instead of being released, the prophecy was placed in a sealed envelope and handed over to the Bishop of Portugal for safekeeping until it was to be opened in 1960 in the presence of the Pope. 1960 came and went without any disclosure from the Vatican, but those who were present at the opening of the envelope say the Pope's face turned white and he felt sickly after reading the contents of the third prophecy of Fatima. To this day the church has never disclosed the final message of the Blessed Mother. Many feel the prophecy deals with Armageddon, but the truth may even be more shocking. What is not generally known is that Lucy (who later became a nun) has continued up to this day to have prophetic visions the contents of which are also utterly startling.

PHENOMENA OF THE FALLING SUN

As 70,000 stood in stunned silence on October 13, 1917 at Fatima, the sun seemed to leave its orbit and come crashing toward earth. It had been raining heavily before the Virgin's promised appearance at noon but suddenly, the rain stopped and many witnesses reported that the sun started to spin in much the same way that a firecracker pin wheel spins. It gave off fiery fingers of light that extended across the sky. The

earth itself changed colors. First it was cast in a sort of red shadow, then orange, yellow, green, blue, indigo and violet. As the sun plunged toward the ground it shimmered violently. The crowd screamed. Some thought it was the end of the world. Thousands fell to their knees in terror. Others went prone, pleading with God to have mercy. The weird display continued for 10 minutes. Finally, the sun halted its devastating approach and started to climb again to its normal position in the sky. The ground dried up immediately. This is generally thought to be the greatest miracle of modern times witnessed by thousands of believers and former skeptics alike. This miracle defies science and it has never been explained—IT NEVER WILL BE!

AN EERIE COINCIDENCE

The coincidence was startling. Just after 5 P.M. on May 13, 1981, Pope John Paul II was shot while riding in a white jeep through St. Peter's Square. It was just after 5 p.m. on May 13, 1917, that the three children while tending sheep saw the Virgin Mary for the first time.

The Pope was still in the hospital recovering from the Turkish radical's bullet when he decided to go to the Basilica of our Lady of Fatima to give thanks to the Blessed Mother for saving his life.

Pope John Paul II is convinced that his remarkable recovery from his bullet wounds was the result of the intervention of the Virgin. In December 1981 he told an audience, "I have seen the extraordinary maternal protection that showed itself to be more powerful than the homicidal bullets."

The Pope's devotion to Mary is unabashed and certainly no secret. His feelings for Mary have been fervent even when he was Bishop of Krakow, Poland. At that time he had an "M" for Mary embroidered on his robes. Now that he is the Pope, his blue-and-white shield bears the same letter and his personal motto is "Totus tuus sum Maria," which is Latin for "Mary, I am all yours."

PHOTOGRAPHIC PROOF

The Middle Ages is generally considered the golden age of the cult of Mary. However, there are many theologians, historians and sociologists who don't agree. One of them is a minister from Washington, N.J. who says: "We have wars, threats of war, cults, drugs, and a thousand other problems. People are looking frantically for help, and in Mary, they find it." The minister is convinced that the 20th Century is the age of Mary. Another who feels the same way is a specialist in the history of Christianity at a university in Pennsylvania. "This is the most active age of devotion to the Virgin...The interest has been building for the past 150 years with more and more reports of Mary in more and more places." This book discusses many of these apparitions in detail and actually published AUTHENTIC photos of the Virgin Mary as snapped by the eye of the camera in several locations over the last few years.

HEAVEN: FROM PAGE 6

fulfilling love of life, and to head your soul back toward heaven's gates. Once you realize this, you will also realize that you can have better mastery over your daily world; you can get on top of money worries with the power of your mind, and you can protect yourself from the violence and negativity of the world around you. First you *must* feel the beauty and power of your soul, as it exists as a part of God.

You are limited only by your soul's unwillingness to have faith in itself and its God and by its fright over reaching out and *trying*. Do not let fear or past failures rule you for then all is lost even before you start: Remember, you are a part of the Universal Flame; without you the universe is not whole!

Who else does the universe need to be whole? It needs all life and all life-forms! Does this include the unique energy which are the souls of loved ones who have passed from this life before you? Of course it does! You need *never* fear that your loved ones simply died or that they will not be waiting for you in heaven: they do await you and will greet you when it is exactly your moment to pass from this life to the afterlife of heaven.

Do you remember how very special and unique your loved one was...he or she who has already passed to the afterlife? Answer deep within yourself at this very moment: was this person so beautiful simply because of the grey matter in his or her brain? Or was there a spirit which was special unto itself? Could this spirit have been found by a team of doctors and put in a jar? Of course not! The spirit and the soul which was and *is* unique to your loved one lives yet and still! It will never die...only his or her physical body died! It indeed was buried, but there is no way to bury or to kill that special spark which made him or her unique and wonderful: that beautiful soul simply passed onto a higher level of consciousness, a different frequency of being. It was as simple as changing the dial on your radio! The "station" which our souls receive when living a lifetime on earth is a different "station" than the heavenly station which a soul which has departed earth receives.

It is time that you stopped allowing yourself to be told all the "religious" answers without truly looking inside yourself for the "Inner light" which exists inside all of us. No "middle man" should step in the way of the communication between your spirit or soul and God!

Life after death continues, to puzzle the human race, but you personally may have the complete reassurance that there is indeed life after death, that heaven awaits your special soul, that God and His Holy Son are there to guide you, and that your loved ones do indeed await. The answers to life after death and many other universal secrets lie just beyond your fingertips; reach out and comprehend—and even better, *be a part of* the celestial, cosmic, heavenly chorus!

THE LOST BOOKS OF THE BIBLE

There are many facts about the life and times of Christ which have not been included in the New Testament. The documents contained in this 290 page, hardcovered, book were written soon after Christ's Crucifixion, during the early spread of Christianity, but before the church was able to censor some of the documents for a variety of reasons.

Now after 1500 years of suppression, the shroud of secrecy has been lifted and sincere students of the Bible will be able to read these original chapters and verses, and decide for themselves their authenticity.

- The Birth of Christ
- The Early Life of Mary
- The Birth of John the Baptist
- The Virgin Birth
- The Baptism of Jesus in the Jordan
- Christ praying in the Garden, Peter Cutting Off the Ear of Malchus, and the Kiss of Judas
- Christ on the Cross
- The Resurrection of Our Lord
- Jesus Ascending to Heaven
- The Red Sea Swallowing Up the Army of Pharaoh
- Christ's Descent Into Hell
- The Last Judgment

The material in THE LOST BOOKS OF THE BIBLE has been translated from the original tongues by the world's greatest scholars, the task taking well over 100 years. This may be your one and only opportunity to learn about that which has been kept out of the public's hands for so many centuries.

We truly believe that you will be satisfied with THE LOST BOOKS OF THE BIBLE and that you will recommend it to your friends. It is not a book you will read in several hours, but a lasting treasure bestowed upon the eyes of mankind by the Son of our God.
