NEWS & NOTES

It's been a fairly busy last few months at our Inner Light office. As expected, the book **YOUR PASSPORT TO HEAVEN** which I co-authored with Diane Tessman is doing extremely well. Our write up in the **NATIONAL EXAMINER's** May 14th edition (see reprint below) brought us a sack full of mail about this very important new title. In addition, I personally have been doing almost daily radio spots to promote this volume on stations all over the U.S. and Canada. If you haven't sent for your copy of this book yet now is an ideal opportunity.

Also, let's not forget Rev. William Alexander Oribello's busy schedule. His book, **THE SACRED MAGIC**, quickly sold out its first printing. Not only did we have to speed the manuscript right back to the press, but we rushed extra hard to come out with his just released second volume, **THE MASTER BOOK OF SPIRITUAL POWER**. You can find our color ads for these two fantastic best sellers in the centerfold of this issue.

As always, I hope you enjoy the stimulating stories and letters we've selected for you. By all means keep us informed of your spiritual progress and definitely don't forget to report your "good luck" to our office and receive a cash reward for your testimonial (vital information to be found elsewhere).

Love, peace & prosperity to all,
Timothy Green Beckley, publisher/editor

P.S. Please note that we are now running ads from various other, outside, advertisers. If you wish any of these products please order such merchandise directly from them at the address provided in each individual offer. And by all means we continue to appreciate your support on behalf of our own books and other products, the sale of which goes to make this magazine possible.

Astronauts' experiences prove there's a heaven

HEAVEN IS not at the other end of the universe — it's right over our heads, say spiritual researchers.

Each planet has its own

spiritual zones populated by evolved beings, say Rev. Diane Tessman and Timothy Green Beckley in the book **Your Passport to Heaven** (Inner Light Publications, 1985).

Each planet in this solar system, as well as throughout the vast cos-

mos, is made up of various spiritual planes, the lower ones purely physical in nature and the people residing there materialistic in overall content," they explain.

"This is the type of plane we currently reside on. As we leave the physical by way of the soul, we discover that the planes directly above us are much like the

... say two spiritual researchers

planet Earth.

"As we journey higher we come closer to God's kingdom, which is spiritual and not physical essence."

Tessman and Beckley feel that the higher realms are located about 5,000 miles up.

Blips

"High altitude radar has often picked up blips of unknown origin coming from just such an altitude," they explain.

"Such blips have often registered as being upwards of five miles across, as if they were some sort of 'sky island' floating in the upward regions of our atmosphere.

"Yet as massive as these blips are, nothing can be seen through a telescope, indicating that we're dealing with unseen realms or kingdoms."

Bizarre

The authors also note that the astronauts' bizarre experiences while in the limbo of space also indicate to them that heaven is nearby.

"Our astronauts heard strange voices coming through their earphones, speaking in languages they are not familiar with," they explain.

"On the Apollo 12 mission, one of our lunar walkers also actually heard the

chords of the song Where Angels Fear To Tread while he was bouncing about in the free-fall gravity of space.

"NASA also picked up the emission but they could not trace its origins.

"Since they were communicating on a special channel with the astronauts, they felt convinced that the song was not being broadcast by anyone here on Earth.

"To our minds," the authors conclude, "this seems to be a way of telling us that the angels of the Lord are always close at hand."

THE GREAT PYRAMID SPEAKS

FIRST TO CAST SPELLS

In about 350 B.C. King Nechtanebo found the powers of magic to his liking. When his kingdom was attacked by land or sea he would fight his enemies off with wax figures, animating these "robots" with the breath of life, using a ritual taken directly from the Book of the Dead, which was a stone ledger containing the world's most powerful incantations.

Nechtanebo won his battles time and time again without losing any of his real Army. The early Egyptians knew the importance of casting spells for good and for evil. Now you can learn of the mysterious and forbidden rite of the resurrection of Osiris and the sacred Mysteries of ancient Egypt and how they operated. Understanding these Mysteries enables a person to atone himself with the heavens and experience spiritual bliss, which apparently only a few great philosophers such as Plato have understood and dared talk about.

PHARAOHS CONTACTED GUARDIAN ANGELS... YOU CAN TOO!

Excavators in Egypt have found both stone and wooden images of

unknown entities in tombs right alongside mummified remains. Many knowledgeable researchers steadfastly maintain these images are of the Pharaohs' guardian angel, said to be a supreme mover, a power, or force which enabled the leaders of Egypt to make their way to the spirit world without obstacle.

In THE GREAT PYRAMID SPEAKS you will find the exact name given to this special angel, and how if you chant its name repeatedly, it is said that you will receive all that you ask

MOSES — MOST FAMOUS INITIATE

While only the most scholarly of Biblical students may realize the fact, the truth is that Moses was half Hebrew, half Egyptian. As verification, the New Testament says, "Moses was instructed in all the wisdom of the Egyptians." What that statement means is that the deepest wisdom were laid open to him, and he was taught that which was forbidden for most others to know.

ATLANTIS AND THE ANCIENT ASTRONAUTS

There remains one great mystery about Egypt which has never been solved. It is the sudden blossoming of civilization. Researchers know that around 3100 B.C. the Egyptians

were still a primitive people. Then quite suddenly, about 3000 B.C., an advanced civilization sprung up almost overnight, a civilization that only 100 years before had used the most primitive of tools, but were now responsible the construction of the Great Pyramid which remains an architectural marvel.

THE GREAT PYRAMID SPEAKS answers these nagging questions:

- Was this development inspired by God?
- Did members of a super race from the lost continent of Atlantis, visit with the Egyptian high priests?
- Were the Egyptian leaders guided by visitors from another planet?

Among the burning evidence for these theories is the recent research conducted by an outstanding Soviet scientist who says he has concrete proof that extraterrestrial visitations took place during the reign of the early Pharaohs.

A TIME CAPSULE UNDER THE GREAT PYRAMID?

Many famed psychics who have lived in different countries—and in totally different cultures—have repeatedly stated that important information lies buried under the Sphinx as well as the Great Pyramid... information about the future of mankind and whether the human race will survive the atomic age.

Also, according to Edgar Cayce (the Sleeping Prophet of Virginia Beach), buried in a time capsule in a sealed vault beneath the great pyramid is the historical records of Atlantis, as well as unidentified mummies, gold artifacts, precious stones, as well as surgical instruments which could be of medical use today. There may even be, declare others, the secret as to how levitation can be accomplished, and how humans can live for extended periods of 1,000 years.

BONUS DARE YOU OPEN THE TOMB OF THE UNKNOWN MUMMY CONTAINING THE SECRET PROPHECIES OF THE PHARAOHS

Recently a series of startling prophecies were translated from hieroglyphics found on an unknown mummy's case deep inside the Great Pyramid. The actual origin of these predictions is unknown, though those who have seen the mummy's casement say it is highly unique, and totally different than any other so far discovered. They describe it as being hot to the touch and very hypnotic so that you cannot pull your eyes away. Researchers are also amazed at the size of the mummy that must have been buried within (the corpse is now missing), since the mummy's case is over eight feet long, indicating that the body that inhabited this death chamber must have been massive, unlike most of us born on earth. Now, for the first time, we are able to reveal the contents of these stunning predicts smuggled out of Egypt which were made thousands of years ago, but which deal with events of today and the immediate future. Since these prophecies may be highly traumatic to some who read this book, we have decided to place them in a special sealed chamber so that the weakhearted will have to break a seal in order to see what the future holds for us according to the masters of ancient Egypt.

WILL THE CROSS OF JESUS BE CRUCIFIED ON BE BENEATH THE PYRAMID?

Diane Tessman, a San Diego based minister who had repeated contacts with space beings since the age of seven, has received a wealth of data from her spiritual guides concerning the Great Pyramid what will eventually be uncovered underneath the desert sand in Egypt. The blonde-haired sensitive is able to receive telepathic messages from all sorts of highly evolved entities working on our planet under God's direct command. These entities (many of whom are invisible to the human eye, but can be sensed by those who are cosmically aware) have arrived here at this time to try and push the planet forward on the spiritual scale, earth currently being among the lowest on the evolutionary ladder in the entire universe.

Much of this information which Diane Tessman has "channeled" is of particular benefit for those who seek knowledge which has long been suppressed. In THE GREAT PYRAMID SPEAKS, Diane's ethereal contacts reveal the startling fact that the cross which the Almighty Jesus was crucified on is buried beneath the Great Pyramid and will be found within our lifetime as proof He will return.

MYSTERY OF A SPACE SHIP

In addition to the cross of the crucifixion, beneath the pyramid is also said to be a gigantic spacecraft which though dormant, now, will eventually be activated, and will be responsible for removing people from this planet in case of a global catastrophe. Diane reveals the newsmaking fact that the Israeli government, as well as its opposition forces of the Arab nations, know all about the existence of this spaceship, and are fighting for a lot more than oil in the Middle East—they are fighting for possession of this doomsday craft which can take their rulers to safety should we ever blow ourselves up.

GOLDEN OPPORTUNITY

EVEN SOME OF LIFE'S SIMPLEST WORRIES CAN BE SOLVED BY

ADVICE FROM THE BEYOND

by Joseph S. Hufham

The accompanying picture is of Mrs. Mary Dew, of Delco, N.C., who got an answer from beyond the grave. But the answer came indirect after she had talked to her husband who wasn't with her, but there were two elderly widows with her.

She and her husband, Roy Dew, had bought a house that has a store-building connected by a passageway. For years they lived in the house and kept the store shut. They were reaching advanced age and Mary got an idea.

"Roy," she said, "this sprawling old house is too large for us. Let's put a partition in the store, put a new roof on, build a porch to it, and we'll move in and see how we like it. If all right, we'll have the house torn down. We'll sow grass and make a beautiful lawn.

Roy was nightwatchman for the Acme Fertilizer Company, at Acme, N.C. He agreed. The store building was just large enough for two comfortable rooms. They had it overhauled and the porch built, and Roy liked it fine. A dirt road that had been made during the horse and buggy days was narrow.

Once the porch was built it was too close to the road. There was talk of the road being widened to sixty feet. Already the road scraper was taking in more of the front lawn—by inches. Mary decided that they should tear both the house and the store-building down and set a modern trailer where a beautiful willow tree stood back of the house. "Then," Mary contended, "we will have a beautiful lawn and I can frame it in with hedges and have some rosebushes.

Roy didn't like the idea. He was almost ready to retire from his job and, being 65 years of age, didn't like the idea of dipping into their savings just to buy a trailer. He complained that they had room in the store-building which wasn't much larger than a trailer, and it looked as good. They had electricity and modern conveniences, so why buy a trailer?

Yet, they kept talking about it from time to time. The subject was very much on Mary's mind the late afternoon that Mrs. Frances Suggs called to visit Mrs. Carrie Reaves, and together they went to visit Mary. It was a chilly afternoon so all sat inside beside the heater.

They hadn't been talking long when a mist of rain started falling. Darkness came and it was still raining. Mary told her guests, "Don't think of going home through this rain. Spend the night with me. I have two beds, and Roy is watching at the mill and won't get here until eight o'clock in the morning.

Mrs. Suggs had come to stay with Mrs. Reaves that night because she had learned that Mrs. Reaves would be alone. The decision was to stay with Mary. Mary then began telling of her plans to buy a trailer and have both the house and the store-building torn down.

And thus they talked until bed time. When they retired it was decided that Mrs. Reaves, younger than Mrs. Suggs would sleep with Mary. That would give Mrs. Suggs a bed herself, but the beds were side-by-side. There was a partition doorway but no door. A thick curtain served the purpose.

Mary fell asleep almost immediately. Eventually both Mrs. Suggs and Mrs. Reaves slept some. Neither knew how long. But both agreed that it was well past midnight because both felt they'd had ample sleep.

Anyway, both were aroused from sleep by a knocking noise. Carrie aroused Mary and said, "Mary, somebody is knocking at the door. Roy must be coming in earlier than usual, for it is still dark as pitch. No light is showing in over the window curtain."

Mary got up and turned the curtain aside. Mrs. Reaves was in a position to see Mary, because the curtain was left partly open by Mary. Mary didn't go to the door, but to the heater. Both Mrs. Suggs and Carrie heard Mary talking but couldn't hear anybody else.

There was a lounge, in case Roy wanted to lie down. Mary could tell him that the beds were occupied. Roy was a very quiet-matured person, hard to engage in conversation. And if he answered it was softly.

Once Mary mentioned the trailer, so both Mrs. Suggs and Mrs.

Reaves thought Mary was talking to Roy about buying one. Anyway, within a few minutes Mrs. Reaves saw Mary turn from the heater and she came back to bed. It was assumed that Roy had let himself in and retired on the lounge. Only a reading lamp was left on through the night, and it lighted only dimly the front room.

It wasn't long before day began breaking, so Mrs. Suggs and Carrie got up preparing to go home. They fully clothed themselves in the bedroom. Carrie roused Mary to tell that they were going and she said, "You reckon we'll awaken Roy going through the room?"

Mary got up. "It isn't time for Roy to come home. I'll have to fix breakfast before he gets here. You two wait until I can fix breakfast. The sun will be up high before Roy gets home."

"Isn't Roy in the front room now?" Carrie asked. And both the visiting women told Mary of hearing the knocking. "But you didn't open the door, Mary," Carrie said. "I saw you stand at the heater talking to somebody, but you didn't open the door. We didn't hear the door open nor close."

Mary looked awestricken. "I don't remember getting up," she said. "You mentioned 'trailer', Mary," Carrie said. "I thought you were talking to Roy about getting one."

"I must have been dreaming," she said. "That door is thumblatched and Roy couldn't have opened it with a key."

By now Mary and her guests were in the front room. The door was locked, and there was no sign of Roy. The visitors went on home to Carrie's house. Mrs. Suggs then told a dream she was having about a young housewife when the knocking had roused her from sleep.

That young housewife was in a Wilmington hospital seriously ill with cancer. Later in the day they learned that she had just died. The substance of the dream was that, "I'm going on and you will soon follow me." That was how Mrs. Suggs interpreted the dream.

Roy got home at his usual time and Mary told him of what the visiting widows had said. He said, "I sure didn't come. It must have been my ghost.

It wasn't but a few weeks after that before Roy retired. He was satisfied with their store-buildings home, but ever so often Mary would try to talk him into buying a trailer and tearing the old buildings down.

Roy worried her in that he'd neither say "Yes" nor "No" He began suffering ill health, so Mary quit talking to him about the trailer. Once

These must seem like some pretty outrageous claims to make. But you would like to be able to "talk to God directly," wouldn't you? Or be in a position to fulfill every desire or dream that you've ever imagined? Right?

Jesus, Moses, Krishna, and Buddha experienced and possessed all that claimed above. And all of them taught the same basic truths clothed in one social/psychological garment or another. One winding path. These beloved Masters taught with the metaphysical wisdom of all ascended beings. These truths have always been universal, and till now shrouded in mystics of organizations, traditions and cultures. However, with the dawning of the New Age of Aquarius, anyone who will ask and do, can attain all the things claimed above and more.

I Am that I Am, the God presence in us all, and a metaphysical course on consciousness is now, for the first time, available to the general public. You can understand the inner mysteries and knowledge once reserved only for Masters and their devoted followers. You are initiated in the knowledge of how an individual soul metaphysically and spiritually relates to its whole environment and ones God Presence. This science of the seven major Chakras, Four Lower Bodies, Christ (Krishna, oversoul) and I Am presence are the founding metaphysical truths that define our inner reality. This inner reality controls our destiny and who we are. Master your inner reality and you master the world and heavens beyond.

"I Am that I Am" provides you with all the metaphysical science necessary to understand your complete inner reality. Then shows you how to apply that science to create transformation and expansion of that inner reality, so your full manifestation of all desires will take place in your outer world. The typical core psychological and sociological problems or blocks that occur in each part of your metaphysical structure are discussed, followed by scientific visualizations which will remove the block and expand that part of your consciousness.

Now, you don't have to spend large sums of money or go through endless initiations in secret organizations to understand what the Masters of all time have known, and become the master of your own time. I Am that I Am is complete in itself. Buy it. Know it, and fulfill all your desires and dreams within it.

THE LOST BOOKS OF THE BIBLE

There are many facts about the life and times of Christ which have not been included in the New Testament. The documents contained in this 290 page, hardcoverd, book were written soon after Christ's Crucifixion, during the early spread of Christianity, but before the church was able to censor some of the documents for a variety of reasons.

Now after 1500 years of suppression, the shroud of secrecy has been lifted and sincere students of the Bible will be able to read these original chapters and verses, and decide for themselves their authenticity.

- The Birth of Christ • The Early Life of Mary
- The Birth of John the Baptist • The Virgin Birth
- The Baptism of Jesus in the Jordan
- Christ praying in the Garden, Peter Cutting Off the Ear of Malchus, and the Kiss of Judas • Christ on the Cross
- The Resurrection of Our Lord
- Jesus Ascending to Heaven
- The Red Sea Swallowing Up the Army of Pharaoh
- Christ's Descent into Hell • The Last Judgment

The material in THE LOST BOOKS OF THE BIBLE has been translated from the original tongues by the world's greatest scholars, the task taking well over 100 years. This may be your one and only opportunity to learn about that which has been kept out of the public's hands for so many centuries.

We truly believe that you will be satisfied with THE LOST BOOKS OF THE BIBLE and that you will recommend it to your friends. It is not a book you will read in several hours, but a lasting treasure bestowed upon the eyes of mankind by the Son of our God.

HOW PAST LIVES CAN HELP BRING YOU GOOD FORTUNE IN THIS LIFE!

by Diane Tessman

I have had the privilege of doing Past Life Readings for many people across the country and around the world. As I receive feedback from my clients, I find growing volumes of testimonials to the tremendous help the knowledge of past lives can be to a person in his or her present life!

First, we must realize that your soul is composed of eternal energy; this energy cannot be destroyed when the physical body dies. Your soul is an energy created by God, it is a part of God's Consciousness, and it is as universal and infinite as the starlight, the solar winds, and the miracle of new life!

When you receive a Past Life Reading from a reputable and talented psychic, you are receiving a precious gift of knowledge, wisdom, and insight which can very possibly break the cycle of bad luck which you experience and cure you of the fears which hold you back from success and fulfillment.

For instance, I received a letter recently from a client which read, "Before I knew about the past life I lived during the Spanish Inquisition, I could never understand why I seemed to invite bad luck at every turn of the road. I was raised by loving Catholic parents and had 6 nice brothers and sisters. Still, I always resented all of them, I hated going to church, and I brought lots of trouble into the family. I didn't really aim to do this but it was as if bad luck just loved to hang around and get me into one hassle after another. Now I understand so much about myself! I understand that the unique energy which is my soul lived through some very rough times during the Spanish Inquisition. I was tortured in the name of the Catholic Church and the family I had in that lifetime deserted me. I was tortured and died a horrible death but I was also a hero because I didn't give the names of my companions...something which saved them from the tortures I experienced. Now I have new pride in my special soul and I know I'm not "all bad." I also have within me the stuff that heroes are made of. Also, I am now able to be loving toward my family because I have let go of the resentment I felt which was not their fault at all. I can now separate that past life from my present life and it has made all the difference in the world. It has done what no expensive psychologist could ever do and I thank you so much, Diane. Once I let go of the old torture memories and resentments, my luck started to turn to the good. I am a positive person now that I have the knowledge of my inner soul. I have a good managerial job now and my girl friend and I are very happy. We visit my family often. It is liking starting all over again...like being re-born!"

Another client writes, "Something always held me back in life, Diane. I was a very insecure child and started to eat too much. Food was my only friend and I would eat even if I wasn't hungry. Of course, I became overweight and the doctors could find no glandular problem. I never had a date in high school but I knew within myself that I was a beautiful person—and very intelligent, too. When I went to get a job, no one would hire me. I told myself that the world was prejudiced against overweight people but inside I knew I also couldn't "project" myself successfully around other people. I not only looked fat but I seemed stupid and backward. Well, I was not stupid and backward! Then I sent for a Past Life Reading from you because some little voice told me to do so. You sent me that long and very personal reading about my past life in Armenia when I was so poor and I discovered that I had slowly, painfully starved to death. I suddenly realized that the fears in my present life were because of severe traumas in that life. It made all the difference! I was able to work it out and to say to myself, "Hey, that life is over now. I should have learned many lessons from it, painful as it was. That life was of no redeeming value if I don't straighten out my act in this life! My soul is beautiful and it deserves a second chance in this lifetime, not just a re-play of the misery of the previous life! Knowing the specifics—the fears and traumas—of that life is the key to a new life for me now, Diane. I now weigh 120 pounds and have a great job as Assistant Sales Manager for a large resort hotel. Would you believe it? My soul is at peace and self-assured. I have learned the lessons God wished me to learn. I am so happy with this whole new life!"

Another client lived a far different past life. She writes, "Diane, since I received your Past Life reading, my sister and I have found peaceful ground in our relationship for the first time in our entire lives. It had always seemed to me that she tried to take everything away from me, from my dolls when I was a kid, to my husband. I felt I had tried to love her but when she broke up my marriage with her adulterous ways, I hated her more than I'd ever hated anyone. That's when I wrote for a Past Life reading. I did not mention my trouble with my sister to you, but the reading you gave me fit my situation perfectly. I know within myself that I did live as a baroness in Germany because I have a fetish for German momentos from the turn of the 20th Century. I also know that I treated my sister very poorly when she was my hand-maiden. Oh, there is so much more to the story, as you detailed in my reading. I definitely owe her a karmic debt and so I will be patient and loving with her in this life. We have talked as we never have before and we both now realize that my ex-husband was not worth much to either of us. We have started anew with this past knowledge and wisdom and I thank you!"

These testimonials—and many, many more—show us that the conscious knowledge of a situation or a happening (indeed, an entire lifetime!), is in-put which flows through the mind and soul as well as the physical brain. This is why you not only have childhood memories but also childhood fears and joys which are still a part of you. The brain stores information just as a computer does. However, the mind and soul also register to the flow of events. This is the same mind and soul which are eternal; there is truly no such thing as Time to energy which is eternal. Therefore, the events of past lives echo forever through the soul. Sometimes these events can haunt a person as surely as a ghost haunts a house. Usually, once you have the conscious knowledge of what is "bugging" your mind and soul, you release the old hurt and anger. Then you are free to start a new and "unhaunted" life—to be the very most that you can be!

Sometimes a past life represents a very noble and wonderful event for your mind and soul to have experienced. Only your computer brain with its storehouse of memories from your current lifetime does not remember days of glory and happiness. Therefore, your spirit may long for a greater destiny and will undoubtedly be attracted without logical reason to a particular country or period of history. You may feel that you don't belong in the 20th Century at all but rather in a time and place which lie just out of reach for your conscious memory.

If this is the case, you have a great destiny to find in your current lifetime but you will not be able to find it until the noble destiny of the past is made known to you. Your mind and soul need this confidence and pride in order to fully believe in self and the positive destiny of the present.

At this moment, you may well be receiving hints of your own past life impression. Just as you do not need a minister to communicate with God, so you do not need a psychic to give you information on your past lives. However, often people have an inkling of a past life—or lives—but need confirmation, specific details, or the whole picture in order to gain the help and understanding which complete insight can give them. A gifted psychic can offer these missing links.

God's cycle of Reincarnation is a complicated, yet ultimately beautifully simple phenomenon. The concept of Reincarnation does not contradict Christian Teachings nor the teachings of any world religions. There is much ignorance on the subject of Soul Rebirth and it is a fascinating journey to unravel its universal truths. On your journey, you may well receive impressions of your individual soul's history and wish to uncover these ancient secrets in order to make a whole new life for yourself now!

Each individual should have an idea of lifetimes lived before. Otherwise, the energy flow of that individual is incomplete, like an electrical wire with a short in it. Once you function at full soul-force, and once you understand God's gift of Soul Rebirth, your fortunes can change from bad to good. The old negative syndromes of financial, personal, and social misfortunes will become the positive energy flows of financial good fortune, personal happiness, and spiritual fulfillment.

REALITY OF REINCARNATION

Academic studies done at several colleges has proven scientifically the reality of reincarnation. More and more, even members of the clergy have come to accept the fact that we live more than once. A number of psychologists are even treating patients with "past life therapy," acting on the belief that past life experiences can cause emotional disturbances, phobias, and a variety of hangups in an individual's present life situation.

GHOSTS YOU CAN SEE ALL THE TIME

**THE SPIRIT WORLD
REMAINS INVISIBLE TO US
MOST OF THE TIME, BUT
OCCASIONALLY THE VOID
OPENS AND WE GET A
GLIMPSE OF SOME OTHER
WORLD.**

by Timothy Green Beckley

You need not be disappointed if you haven't seen a ghost until now. Though you might not realize it, there is a very good chance that you could encounter a phantom spirit if you were to go to the *right* place.

All you need to do is have some free time available so that you can visit the various landmarks in this story. Some ghosts, you see, are "repeaters," in that they appear time and time again in the same spot and are not shy in the least. Naturally, we can't guarantee that you will experience anything unusual. Some people have the ability to see spirits better than others. Nor is it possible to determine exactly what it is people have seen at these particular locales. Perhaps there is some earthly explanation, but researchers have more or less determined that something truly strange is happening at these places. We invite you to see for yourself. But be forewarned, stay at a safe distance—for your own good!

GHOST LIGHT OF THE OZARKS

This ghostly light has been called one of the nation's leading unsolved mysteries. It has been tested, measured, and even shot at, but it remains the same unflinching phenomena, appearing every night in all kinds of weather.

The "Ghost Light of the Ozarks" or simply "Spook Lights" as the locals refer to the mysterious balls of lumination, show themselves regularly on a stretch of highway 11 miles S.W. of Joplin, Missouri, just off the Will Rogers Turnpike on the Oklahoma-Missouri state line road.

The ghost light has become a top tourist attraction in the area, and no one who has seen the phenomena first hand will hazzard a guess as to what it might be. The light first appears very bright in the sky and then bounces over the rolling mountains nearby as if it were a giant ball player playing catch with another invisible entity somewhere off in the distance.

There are any number of Indian legends about the ghost light. The oldest one is handed down by the Quapaw Tribe. According to the story that has been passed from generation to generation, a handsome young Indian brave fell in love with a beautiful Indian maiden. The young Indians were desperately in love and it seems that the old Chief, father of the maiden, tried to take undue advantage of the situation by asking for an unusually large payment for his daughter's hand. Being unable to meet the demands of the Indian Chief, the couple decided to escape and elope. They had scarcely reached the outside of the camp area when their absence was discovered. The Indian Chief became very angry and sent out a large group of warriors to pursue the young brave and his love. The young maiden knew that she would be severely punished and her lover would be killed. Together they decided to commit suicide by leaping from atop a high rocky cliff over-looking Spring River. This spot is now known as "Devil's Promenade," and the Indians believe it is the spirits of the young couple who return nightly to form the phenomenon which has been viewed by thousands who come from all over the country.

Recently, scientists have visited the area and have drawn a blank in being able to explain what is going on. During World War II the U.S. Corps of Engineers spent weeks here testing caves, mineral deposits, highway routes, every possible logical solution, and they too came away baffled.

THE GHOST OF THE CAPITOL AT ALBANY, N.Y.

The area around Albany, New York is rich in American history, folklore and naturally ghost stories. Thus it's not surprising that the State Capitol Building in that city is haunted. What is so interesting is that the ghost that wanders up and down the halls here has been seen over and over again. He's considered almost to be an invited guest, a regular lodger, who can come and go at his leisure.

Those who work in the Capitol Building take the ghost more-or-less for granted, and though they may personally be upset by its presence, they go out of their way no to disturb this invisible tenant.

One long-time cleaning lady insists the building is haunted, as she claims that the various pieces of furniture are always out of their proper place when she returns to work on Monday, after the long weekend when the building is supposed to be empty. The security guards know all about the ghost as well. A few of the men even refuse to work the late

night shift, though they claim "personal reasons" instead of ghostly phenomena, as the cause of their not being able to stand guard

The ghost of the Capitol Building is such a well established phenomena that newscaster Brian Jackson of WAST-TV recently contacted Albany psychic, Ann Fisher, and asked the well known medium to try and contact the spirit who dwells within the structure.

"In certain parts of the building, I found very cold areas and sensed the presence of a spirit whose name I felt had been Sam. My clairvoyant abilities instinctively 'told me' that 'Sam' was hanging around the Capitol Building in order to 'protect' it." Ann, whose particular field of endeavor happens to be Psychometry, the art of receiving impressions from inanimate objects, returned to the scene of the hauntings several times. She wished to obtain all the information possible by paranormal means.

"By checking old records it was discovered that on the night of March 28, 1911, part of the Capitol Building was destroyed by fire. The only fatality was an elderly night watchman by the name of Sam—Sam Abbott. His charred remains were found two days later. The *Albany Times-Union* newspaper reported that the condition of the man's body 'indicated the terrible ordeal he went through moments before his death' and that he made 'a great struggle for freedom and life.'"

At the request of newscaster Brian Jackson, Ann Fisher was asked to try and contact the ghost of poor Sam Abbot. "At first I thought he wouldn't be successful because of the presence of the film crew and the TV lights. As it turned out the camera equipment kept breaking down and the film turned up blank despite hours of shooting in the building."

During the middle of the seance Sam showed up. "After forming a circle we heard a loud, crashing sound although nothing actually fell in the room. I was able to contact Sam's spirit and tell him he was dead and that he should let go of this material world and go on to a higher plane."

Suddenly, there was a cold breeze and another loud crash. "It was at this point I sensed Sam was gone. After carrying out his duties night after night for almost 70 years someone had told Sam he could finally rest at last."

But it remains to be seen if Sam's ghost will continue to haunt the Capitol Building at Albany. It's still a "best bet," a good place to go if you want to encounter a ghost.

PRESIDENT CLEVELAND AND THE GHOST OF A BEHEADED CONDUCTOR

The "ghost light" of Maco, N.C. remains one of the oldest recurring, unexplained phenomena in American history—it even involved the 22nd President of the United States.

An official of the Seaboard Coast Line Railroad Company—current owners of the lonely stretch of track where the mysterious luminosity has been observed—confirmed that Grover Cleveland once stopped in this tiny community and was told the eerie tale.

Existing records show that the event took place during the summer of 1889. As reported in "The Story of the Coast Line" (a pamphlet issued by the railroad), a train carrying the country's Chief-of-State halted briefly at Maco to take on fuel and water. It was a warm, humid evening and the President decided to leave his private coach in order to stretch and catch a breath of air.

Several yards up ahead of the old wood-burning locomotive, Grover Cleveland observed the train's brakeman waving two lanterns in the dark—one green, the other white. "Tell me," inquired the President, "what is the purpose of the two different colored signal lights?"

It was then the President was told how this combination of lanterns was a very special one, used only along this peculiar section of railroad to distinguish signals from those supposedly emitted by the lantern-carrying ghost of conductor Joe Baldwin, who was beheaded in an accident at this precise spot, years before.

According to historian Louis T. Moore, the phenomenon had its origins back in 1869. "At the time, railroad cars were joined by links and pins, and trainmen had to stand between the cars to make a connection. Joe Baldwin was a conductor on a train that became uncoupled near the old station of Farmers Turnout (now Maco). He was killed with a lantern in his hand, as he tried to couple the cars. Shortly after the fatal accident, the mysterious light appeared for the first time. The popular explanation of the mystery is that Conductor Baldwin was decapitated in the accident, and that he is taking nocturnal walks in search of his head."

Since the accident—for more than 100 years—literally thousands of stunned observers have witnessed this peculiar phenomenon along this section of track located approximately 15 miles northwest of Wilmington, N.C. Some of those who have seen the eerie light claim that they actually have gotten close enough to determine that the light

is really a lantern, complete with guards around the lantern shades.

One of those who has seen the "ghost light" several times is Miss Louise Lamica, an editor with the *Wilmington Star-News*. "At first the light is seen from some distance down the track. It starts with a small flicker over the left rail, and continues to grow larger and larger as it moves up the rail toward you. As it grows larger, it seems to pick up momentum. Finally, it dashes forward at a high velocity, while swinging from right to left. When it gets to within 50 feet it seems to stop and stand still. If you try to get closer, it will retrace its movements and disappear back down the track toward the trestle where Joe Baldwin was supposedly killed—it simply vanishes into nothingness!"

THE HOOKMAN

If you live in the New York metropolitan area you don't have to travel all the way down south or to Texas if you want to see something unusual. Just head toward Morris County, New Jersey until you get to a lonely stretch of railroad track in an area known as Long Valley. Don't go in the day, because your efforts won't be rewarded. Instead, select a cool, but clear evening, and you stand a much better chance of getting a glimpse of "the Hookman" as he wanders up and down the side of the track dressed in tattered overalls and suspenders. Those who have gotten close enough to this phantom of the rails, say he has a long beard and carries a lantern in his one good hand. The other hand, those who are familiar with the ghostly explanation for what has been observed, was supposedly lost in an accident, and all that remains is a sharp hook.

"The Hookman was supposedly a train conductor for the High Bridge Railroad, who lost his hand in an accident," one local old-timer recalls. "For years he walked up and down the tracks doing his job with a hooked hand for an artificial limb. When he died it is believed he returned to the place he had worked for over 40 years searching for the arm that he had lost when his limb got in between two train cars that were being coupled."

Teenagers who use the area to drink beer and bring their dates have witnessed the phenomena as well as scientists who have set up sophisticated equipment in the hope of catching the phantom on film. Almost everyone who ventures to this rather remote spot has come away seeing *something*—the big question is, *what is that something?* Is it some sort of electrical energy, swamp gas, or something truly in the realm of the supernatural?

You might be the person to come up with a definite solution, but, I for one, am not that brave at heart.

THE OCTAGON

Washington may be the home of presidents, senators and congressmen, but in addition to important politicians of all types, the District of Columbia, has a few unique "statesmen" to keep everyone on their toes.

The Octagon House, just a stones throw from the White House, was constructed a little over 175 years and remains a curious old building at the corner of 18th Street and New York Avenue North West. Its unusual

AURA BREAKTHROUGH

**NOW—NO GOGGLES
NEEDED!**

**In less than 20 minutes you will
learn to see the human aura with
your naked eye!**

Dr. Kolai Babb spent over 10 years developing a most unique system that assures your seeing the auric force that emanates around all living things. No goggles or other aids to look through, simply a method of training your eyes to focus properly, at will.

Upon receipt of your order, you will be sent a kit containing four business-size plastic cards, beautifully colored, each card embedded with 70,000 microscopic magnifying lenses, perfectly aligned to aid you in learning to properly focus your eyes for aura viewing. Complete, easy-to-follow instructions are included.

After viewing these cards for a couple of minutes, you will see a beautiful hazy glow begin to appear around their

perimeter, and with a few more minutes of practice you will be able to look at any living thing and view its aura. Then, after a couple of practice sessions, you will no longer need the cards, as your eyes will be able to focus naturally, at will. (The cards are reusable. You can give the kit to a friend, or sell it and get back your investment.)

Now, with further practice, you will learn to see trouble spots in the aura and how to correct them. Plus much more!

The kit has been test-marketed at psychic fairs, lectures and training seminars, as well as by mail order. Thousands have been sold and none have been returned. You are assured of a 100% money-back guarantee if you are not fully satisfied.

PSYCHIC ATTACK AND HOW TO AVOID IT

DR. KOLAI BABB is offering a special and comprehensive home study course in preventing and reversing PSYCHIC ATTACKS.

We are all subject to psychic attacks at any time. All it takes is a negative thought, or a wish for revenge, and you can be under somebody's spell. AND it need not be intentional or planned, it can well be a simple sub-conscious thought, and if this is the case, the attacker may not even be aware of what is being manifested.

IF YOU'RE HAVING MORE THAN YOUR SHARE OF PROBLEMS, large or small, and they continue over a long period of time, or if nothing seems to go right for you, then you might be under the spell of someone who is sending you negative thought vibrations. It's as simple as that.

This course, researched and developed by Dr. Kolai Babb at the Universal Awareness Research Center, will quickly teach you the secrets from the ancient past of how to break the hold of the most powerful psychic attacker, and also how

to return this negative force back to the sender.

After less than two hours of study and practice, you will know beyond the shadow of a doubt that you are under the protection of an unimpregnable super shield that positively no negative force can pierce.

You will also learn to protect your loved ones, as well as your pets, your house, your car, a plane, or other vehicle you may be riding in.

Best of all, you will notice a warm glow and peaceful feeling envelop your body within only a few minutes after your first practice session, then, with only a couple of minutes of simple practice every day, you will maintain your beautiful peace and tranquility forever.

This method of protection can be taught verbally, and should become part of the teachings of any metaphysical course. Dr. Kolai Babb feels that the need for this course is so great, that he allows anyone to copy it in its entirety for free distribution to anyone you want to give it to, free.

PAST
LIFE
RECALL
TAPES

Ever since ancient times, man has wondered and speculated on where we came from, and where we're going when we die. The ancient Polynesians believed that mankind actually started in the oceans as the lowliest of plant life, evolving very slowly into the aquatic animal and fish life, always having a level of consciousness that was raised with each incarnation. Eventually, as we lived, died and learned, we came out of the water and onto the land as low forms of animals. With the passage of time our lower consciousness was raised, and finally we incarnated into the form of human beings, where we discovered a new and higher consciousness, and we now call this the God consciousness.

Having evolved from having one consciousness to having two, it was only a matter of time before our present reasoning consciousness evolved.

Now, with this consciousness that allowed us to reason came many new problems. Feelings of remorse for example, abilities to express fear, anger, hate and many other problems known only to mankind. But, the most important factor arising from this newest consciousness has been our unquenchable thirst to explore the unknown.

There is much thought that the person who is slow or limited in intellectual and emotional development as well as academic progress, and we might think of as retarded, is actually a new soul, recently evolved out of the animal world and into the human world.

Dr. Kolai Babb has regressed thousands of people back into their awareness of past lives, working as part of a worldwide research team, searching for evidence of our living past lives, and he has recently completed a preliminary study as a researcher for the U.A.D.D. project. (Life After Death Documentation).

The Universal Awareness Research Ctr. has put together five cassette tapes, four of them will take you into memories of as many as twenty past lives, and the fifth one will take you into memories of your most recent past incarnation, through the experience between lives, the conception, life as an embryo in the womb and the birth into your present incarnation. Also answering many questions you may have such as "did I choose to be born again?" "Did I have an intelligence while in the womb?" "Did I have a choice of who my parents would be?" Plus a multitude of others.

There lives across the bay from downtown San Francisco a young woman destined one day to be the object of profound and humble admiration. It is difficult to say when this payment of homage will take place, for to predict or contrive such an event would serve only to belittle its importance. But it will happen. History and its habit of repeating itself will see to that.

A first glance at Cloretta Robertson would not reveal why. She looks the essence of ordinariness,—a pretty young girl, whose facial lines hold to a certain innocence. Look closer though, and you notice that she has a poise unbecoming of her age. It is not early womanhood; nor is it over confidence. It goes much deeper than that. She has an inner calmness, a certain knowing look, that to some would be disarming. Indeed, it is within these confines that one must begin to unveil her specialness.

For Cloretta is a religious person. She is a Baptist worshipper and many say what she has that's different has come from God. The awareness in her eyes seems to verify that.

So what is it that lies behind the charisma of Cloretta Robertson?

It is a religious phenomenon or "miracle" that already many, including skeptics, have seen and acknowledged with unashamed astonishment. So rare is it in fact, that only some three hundred people worldwide, throughout mankind, have experienced it. St. Francis of Assisi in the 13th century was the first when he bled like the Son of his

Creator, Jesus Christ, from the palms of his hands, his feet, his forehead and his rights side—without wounds. The blood oozed through his skin, preceded by neither cuts nor pain. What happened became known as "stigmata".

Cloretta Robertson bleeds in exactly the same way, every year around Easter, at the time that it is universally accepted that Christ suffered on the cross. She has done so since she was ten and her family, members of her church and doctors who witness it elevate it into the realms of the subliminal.

That same exaltation occurred when the world found out about the German nun, Theresa Neumann, this century's best known stigmatist and the Italian priest, Padre Pio, both now dead but whose fame spanned several decades. Yet Cloretta, in many respects, may be even more special than those and other of history's stigmatists. She is probably the youngest person; the first non-Catholic; and almost certainly, the first non-white to have the experience. So superb an example is she in fact, that three doctors who have examined her can find no medical explanation and pronounce her genuine to the absolute.

Cloretta lives in the predominantly working class city of Oakland, California, on the industrial east side of San Francisco bay. One of Mrs. Alice Robertson's six children, she lives, however, in relative comfort in a detached house, gaily painted in red and white, on 54th Street. The church they attend is nearby, and all around black families have created a community that is both clean and friendly and one in which they take obvious pride.

Inside Cloretta's home there is a deep religious atmosphere. Bibles and prayer books lie at hand in all rooms and the pictures decorating the walls are of the Last Supper and other events in the life of Jesus Christ. The cheerful and rotund pastor of the First Light church is a frequent visitor to the home and though non-believers might miff at the over-abundance of religiosity, the atmosphere is notably one of warmth and loving in a close-knit family. So unsophisticated were they in fact, that the rare phenomenon of stigmata was unknown to them, and when Cloretta first bled as a 10½ year old, the family was cast into panic and fear.

It happened in the classroom at Emeryville High School on March 11th 1972 and Cloretta felt no pain and no physical or emotional changes. She herself was not frightened and wiped the blood away from her left hand, only to have it return several times over the next four days. Eventually, teachers and staff, becoming concerned at Cloretta's condition, sent for her mother who took her to nearby Kaiser Children's Hospital where she was examined by Dr. Ella Collier.

Recalls Mrs. Robertson: "Everybody at the hospital was surprised and shocked. But they didn't have any idea what it could have been, and did nothing. They examined her and said she was healthy.

"I brought her home but it kept on happening...every 30 to 45 minutes. I kept wiping her hand but it kept on coming and I didn't know what to do. I was getting more and more frightened and upset and then she started to bleed on her forehead and her feet; then on her side. There was no pattern. Our pastor prayed with us for help. We did not know what it was."

Eventually Cloretta was taken to the family physician, Dr. Loretta Early, who noted in an account written in the "Archives of General Psychiatry" journal that there were "no cutaneous or mucosal membrane lesions seen then or on subsequent examinations." Dr. Early, who had been aware of previous publicized cases of stigmata, at that point informed the family of her belief that this was such a case, and monitored Cloretta's bleeding until it ceased after the Easter celebrations of that year. Cloretta by that time had experienced bleeding on nineteen separate days, seen by family members, friends, school teachers and, most importantly, by Dr. Early. Clearly there was no question of trickery or magic and the frequency of the bleeding ruled out any possibility of a fake.

Strangely, and there is no explanation, the following year Cloretta didn't experience any bleeding. But every year since then the stigmata has appeared. Mrs. Robertson, the wife of a retired longshoreman, monitored her daughter's bleeding and documented more than fifty occurrences in the weeks leading up to Easter. "I would wipe away the blood but there would be no wound on any part of her body," she remembers.

Mrs. Robertson, who believes God is "trying to show us something" keeps the cloths with the bloodstains in a drawer upstairs at her home and though she doesn't say, she seems to know they will one day have much more importance. She also has photographs of Cloretta's bleeding which she willingly shows to doubting visitors to the home.

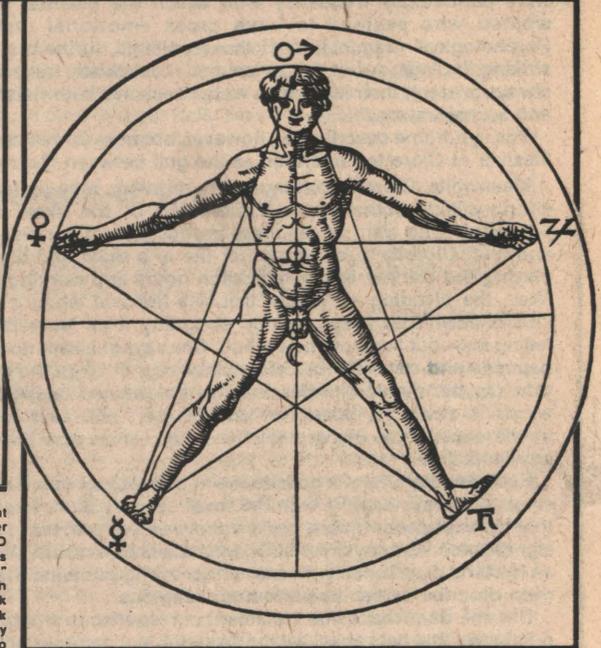

Dr. Early, a private practicing pediatrician in Oakland, confirms her observation of the stigmata: "I have actually witnessed Cloretta bleeding. And once you have seen that you just cannot say 'I don't believe it happens.' I was skeptical at first—who wouldn't be? Then

As we head into the 21st Century, it will become common to see humans demonstrate what we now believe to be supernatural powers such as extended sight (the ability to see lower into the spectrum into the infra-red, or higher into the ultra-violet range), or extended hearing (the ability to ascertain voices and sounds that one perceives from within, but little understood). Others will develop what has been termed "clairvoyance," which is the ability to feel something at a distance without touching it due to an electro chemical change going on in the brain.

As these techniques become more common we will see an abrupt change in society. The human species will suddenly take a giant leap in its ability to control all things created around it. In effect, a utopia will exist on earth. Pain and suffering will be eliminated. By utilizing the 90% of the

mind which now lays dormant, mankind will be in total control of its environment.

GOOD NEWS!!! You don't have to wait. Researcher Bill Cox has traveled the world learning secrets that have long been known by only a mighty few. His investigations has taken him to South America where he has penetrated the deepest jungles and deciphered the technology of civilizations which vanished centuries ago. In Egypt he has explored the hidden chambers of the high priests whose knowledge of universal laws was supreme.

Bill's relentless search for the truth has drawn him to some definite conclusions; the most far reaching being that our world is literally criss crossed by other dimensions, invisible realms and unseen kingdoms, each one interacting upon all others. Though our eyes may not see them, there are trillions of life forces around us at all times vibrating to high frequencies which put them beyond our spectrum of visibility. Bill Cox says that once we have educated ourselves to understand these things that the cosmos takes on new meaning and we realize that all of creation is UNDER OUR COMMAND.

creations, it is necessary to realize that God also created a host of other kingdoms. Right now—ALL AROUND US—there are uncountable tiny creatures which exist in what is called the "ether." They are just waiting for the instant in which they are called upon to do the work they perform so well. They do not look upon their task as a chore. In fact, they experience great ecstasy when they do what they are meant to do. Whether it is help in obtaining you money, fame, love or anything else your heart desires, they do what you want—as long as you know how to talk to them—without complaint or resistance. It is their nature to obey like we find in a colony of bees or ants. Besides, they would reject ecstasies awaiting their call should they rebel. There is a hierarchy, an angelic government that exists above these life forms and it too can be put to our best advantage just as the Lord intended.

MIND POWER TO CREATE AND TO HEAL

Using mind energy it is possible to move or alter an object at a distance. There is even a practical experiment that everyone can do regardless of training and you will find this fully explained on page 9.

One person who has adapted the principles in this book has been seen by the author to turn ordinary table butter into money. Likewise, there are those now living on our planet who can cure the ailments of others simply by saying a few

words, and thinking in the prescribed manner.

The universe, says Bill Cox, can be broken down into several planes, among which there is an order of invisible realms. Turn to page 11, and immediately you will find out the jobs performed by such invisible beings as Devas, Undines, Sylphs and Salamanders, and how these forces can be put to producing whatever we need to make our life more comfortable on the physical plane. After all why should we go without when God did not intend it that way? In this book you will find out how to create an archetypal form and thus bring into physical manifestation anything you desire no matter how impossible your dream seemed before.

THE ANCIENTS KNEW ABOUT IT

A long way from being uneducated, many ancient cultures existed that were far superior to ours when it came to knowledge of the universe. Time travel, bi-

location and energy accumulation were common feats to the masters of the past. For example, they realized that the pyramid shape was of great significance. That is why pyramids can be found not only in Egypt, but in China, Africa, Mexico, Central America and even off the coast of the United States.

The ancients knew about healing the body and developing the mind. They were familiar with space travel, having established communication with advanced beings from the stars who assisted in their achievements. They knew how to read the aura, and how to project holographic structures in the sky. They were actually able to create "thoughtographs," and upper most they knew how to live in harmony with everything in nature.

Now you too can experience an incredible leap forward in time. No longer do you have to struggle through life. With the knowledge gained from this exciting new book you can now lead the pack and see your wildest dreams become a reality. Don't hold back any longer, become a SUPERBEING and achieve your destiny without delay!

STIGMATA

Continued from page 12

when I saw it, I had to change my view. I wiped the blood from her hand and used a high-powered lens to examine her to make sure there were no wounds, even minute ones. There were none and I am satisfied that she is totally genuine."

Dr. Early had Cloretta examined by a haematologist for blood disorders, but again, none were found. And Dr. Collier, the Oakland Kaiser Hospital pediatrician who saw her, admits: "I have no medical explanation as to why the blood appears. I think that you have to accept that it is stigmata. I have seen the blood in her palm and found no evidence of where it has come from."

Cloretta has also been examined by a psychiatrist. That point is made because there is a rare medical condition known as "psychogenic purpura" in which there is bleeding without wounds. More than forty cases of this have been studied by doctors at the Case Western University in Cleveland, Ohio. The group of doctors, led by Dr. O.D. Ratnoff then reported in a paper (Medicine 47: 475-500): "We were puzzled...by frequency with which the disorder appeared in women who seemed to have gross emotional disturbances. Psychological examination of these patients, furthermore, revealed striking findings; severe hysterical and masochistic traits were almost always present; their life stories were checkered with violence, sadism and sexual trauma."

The syndrome described is, however, about as far removed from the lifestyle of Cloretta Robertson as the gulf between Heaven and Hell.

Meanwhile, Cloretta continues her schooling, ably protected by her strong-willed mother from exploitation of the likes of postcard publishers who want to sell mass productions of her bleeding hands and feet. Cloretta goes about her life in a quiet and dignified way, playing the clarinet in her relaxation hours and working steadfastly. Now, the bleeding no longer troubles her and when it occurs she kneels down and prays, calmly accepting it as "something God is telling me—but I do not know what." She says she feels no pain when it happens and once the blood stops oozing through the pores of her skin (as the medical profession has determined happens) she just wipes it away. "It does not trouble me," she says, almost with indifference. "I was frightened when I didn't know what it was...but not any more."

Each Sunday Cloretta goes to the tiny First Light Baptist Church and sings and prays happily with the small congregation. She recognises that her experience is rare, but is not over-awed with the prospect of its significance. As psychiatrist Dr. Lifshutz observed, she does not have a hysterical personality. She is neither a religious fanatic nor does she even describe herself as profoundly religious.

But she does make one statement in response to where she stands religiously that gets above all the arguments of natural or supernatural, Baptist or Catholic, physical or psychological; genuine or fake.

"I do," she replies with chilling candour, "believe in God."

Dr. Joseph Lifshutz the issue is not in doubt.

"Cloretta simply does not have an hysterical personality. Psychogenic purpura does not fit her," states the University of California Health and Sciences Professor. He examined Cloretta's mental state closely, comparing the physiological findings of Dr. Early, and adds: "I believe she (Cloretta) is not a fake. Dozens of people who have seen her bleed have been interviewed by me and I can say with confidence that they were not all hoodwinked."

So clearly, Cloretta has the medical profession on her side. The Catholic Church, however, has yet to define its position. Some indication of where it stands can be found in the dusty pages of the revision of the Catholic Encyclopedia. The solidly entrenched tome gives over some four columns to what basically amounts to non-committal. Nevertheless, its view is relevant as it is a well known fact that the Church and the people rarely line up side-by-side on any issue of controversy, stigmata being no exception.

For instance, there is no division over the stigmata of St. Francis of Assisi, which it acknowledges as genuine, but it gives little credence to Theresa Neumann simply by refusing to pass judgement. Indeed, it gives little credence to many of the 321 stigmatists since St. Francis documented by a French theologian at the end of the last century. "A gilded legend," the Encyclopedia blasts, which includes "many doubtful cases" and henceforth bases its discussion on those cases which have been directly observed or have been founded on irrefutable testimony (ie. Theresa Neumann, Padre Pio, St. Gemma Galgani, Mary Sschumann, Mary Agnes Steiner, Louise Lateau and a few others).

"Some think that stigmatization is attributable to a particular action of God...though many theologians now hold that it is attributable to purely natural causes, so long as the contrary has not been proved," the Encyclopedia states, acknowledging the Church's reluctance to

settle the problem by passing judgement one way or the other. Indeed, it goes on: "Outstanding theologians caution us not to be hasty in attributing stigmatization to a miracle; for psychophysiological sciences may in the future show such attribution to be untenable."

The position of the Church then, comes down in the middle of belief and disbelief and debate for another century or two is more likely than a decision one way or the other. Thus, stigmata has to be acknowledged as an ongoing issue and while it continues to interest theologians, scholars, doctors, writers and, most important of all, the church-going public, many thousands of who regard it as a miracle, it must be taken seriously. It is, in a way, a living example of the phenomena of Lourdes and Fatima, the holy shrines in France and Portugal respectively, that lure thousands of pilgrims annually—some even seeking miraculous healings. Contrary to popular belief, the Church has never seen fit to pronounce those as an article of faith.

"The most the Church has ever said is that 'we see no reason to disbelieve it...that it is not a fraud, and if Catholics wish to believe in it they may; likewise, if they don't it is fine by us,'" points out Father Brian

HOW TO DISCOVER 'THE HEALING CHRIST WITHIN'

REVEALED—SECRET MEANINGS IN THE BIBLE

Copyright 1984, William A. Oribello

1. The Healing Waters

"Now there is at Jerusalem by the sheep market a pool, which is called...Bethesda, having five porches. In these lay a great multitude of Impotent folk, of blind, halt, withered, waiting for the moving of the water.

For an angel went down at a certain season into the pool, and troubled the water: whosoever then first after the troubling of the water stepped in was made whole of whatsoever disease he had. And a certain man was there, which had an infirmity thirty and eight years. When Jesus saw him lie...he saith unto him, Wilt thou be made whole? The impotent man answered him, Sir, I have no man....to put me into the pool: but while I am coming, another steppeth down before me. Jesus saith unto him, Rise, take up thy bed, and walk."

St. John 5:2

As with most Biblical stories there are two ways to consider this beautiful passage of holy scripture—the literal interpretation and the esoteric interpretation. We shall consider both in this article.

The pool of Bethesda was like the several miraculous locations which we have known in our generation such as Lourdes, Fatima and others.

Great crowds of people always gather at such a place to be cleansed and healed of their afflictions. The man in this story was there for thirty eight years because he had no one to help him into the pool. Only the first to enter the pool whenever the angel troubled the water was healed.

One day the Master Jesus, who was greater than the angel, came on the scene. He simply asked the man if he wanted to be well. The reason for His question is very simple, yet very important: There are many people who after a long illness get used to being in their specific condition. They get to the place of welcoming the pity and attention they receive from others. Strange as it seems, there are some people who do not wish to be healed.

As soon as Jesus knew that the man wanted to be well He spoke the healing command, "Rise, and Walk". The Master recognized no excuses as to why the man should not be healed, not even waiting for the angel to trouble the water again.

We will now consider the asoteric consideration of the same story; The pool was located at Jerusalem which means a place of peace and harmony. It is symbolic of a person reaching a consciousness of peace. We are told that the pool was near the sheep market. Sheep are symbolic of innocence, of child-like faith. Water (the pool) is symbolic of spiritual thought. We now begin to understand how to set the stage for a healing to take place. First we must attain a passive consciousness of peace (Jerusalem). Then we must become as a child, in a state of innocent trust and faith (sheep). Finally we must develop spiritual thought (the pool of Bethesda).

We are told that there were five porches surrounding the pool. These are symbolic of the five senses. In this it is revealed that the pool is surrounded by five senses which are always taking our attention away from the inner life. The sick and afflicted lay on the five porches and this tells us that the trouble is caused by our dependence on just what we can see, hear, smell, taste and touch.

The angel who troubles the water is symbolic of those rare times when we feel that stirring of spirit and the inner self. However, we are told that only the first person who stepped into the water was healed. This reveals those rare times when one part of us may reach within and receive a touch. This whole message awakens us to the fact that we do not have to wait until we have the rare moments of realization, for when

the Master arrives it is the right moment of our healing.

The Master Jesus represents our higher awareness, or Christ Consciousness. When we allow our higher awareness to develop and manifest we can be sure that our daily lives will receive great benefits, even to the point of being healed.

2. Forgiveness is the key

"But what ye may know that the Son of man hath power on earth to forgive sins, (he saith to the sick of the palsy,) I say unto thee, Arise, take up thy bed, and go thy way into thine house"

St. Mark 2:10,11

In the complete story from which the scripture was taken, Jesus was in a house speaking to a large group. Many people could not get in because of the great crowd. Among the people on the outside of the house was a man sick of the palsy, lying on a cot. This man was brought to Jesus by his loved ones in hope that the Master would touch and heal him. How disappointed he must have been when he was told of the seeming impossibility of ever attracting the Master's attention. But where there is a will, there is a way. Someone got an idea to lift the man, cot and all, to the roof; Break part of the roof and let the man down, through the roof, into the house in front of Jesus. The first thing Jesus said to the man was, "Son, thy sins are forgiven."

There is a deep inner symbolism in this story which I will now reveal to you: Many people are beset by a guilt complex (or several) which stand in their way to block from coming into their life. If we interpret this story in an esoteric manner we see that he has a difficult time getting inside the house. The outside is the unreal world of chaos, and the inside is symbolic of entering the inner temple, or the inner life. Within is where we find the healing Christ. It is a difficult task to withdraw our attention from the world of illusion and direct it to the inner temple of prayer (I describe this process in my book: "THE SACRED MAGIC"). However, if we are determined to meet the master then we will find the way. The prime difficulty lies in the fact that we may not feel worthy of divine blessing because we feel guilty about wrongs we have done. This scripture reveals that divine consciousness is willing to forgive us as exemplified in the statement of Jesus, "Thy sins are forgiven."

As a person thinks back over their life and remembers the wrongs they have done, and the ones done to them, it becomes a very depressing affair. This is because they just keep rehashing these things over and over with no objective solution in view. If, however, they find some means to work out the problems of the past, then they would find a release from the limitations of guilt.

In the Lord's prayer we find the words, "And forgive us our trespasses as we forgive those who trespass against us". If we intentionally repeat this prayer while remembering our past, we will begin to feel the forgiving power of Christ lifting the heavy burden of guilt from our lives.

We must understand that we have done wrong and made mistakes only because we were not in an understanding of life's universal laws. We must also understand that it is for the same reason that others have wronged us. Therefore, be forgiving of others and also forgive yourself.

The information I have just given is the key to the healing presence of Christ within. We must also understand that good health is a two way street; We should not just pray for health, but do our part to maintain good health. We do this by resting, eating and living properly. Stress has been called the silent killer because it causes a breakdown

As life has turned out, have you ended up feeling emotionally insecure, timid and unable to obtain that which would make you unequivocally successful?

Do you view others basking in material wealth...living in beautiful homes, driving in the latest model cars, holding hands with an attractive member of the opposite sex, or enjoying the fruits of an influential and prestigious job? Above all else, are you the least bit jealous when you see even your closest neighbors able to relax, as they seemingly watch the world roll by without a care to their name?

Finally!!! the door to your innermost dreams are unlocked. God has a master plan for us all. With a little bit of knowledge and practical application of seven simple formulas your life can change drastically.

Just recently a "Being of Spiritual Light" told Rev. William Alexander Oribello of the Mystic Light Church (Philadelphia) to share with deserving souls secrets of the "Seven Fold Path", which when learned properly can lead the initiated to a state of never ending personal bliss.

CASE HISTORIES

By using the special methods revealed in Rev. Oribellos' **MASTER BOOK OF SPIRITUAL POWER** others have obtained startling results:

- A woman attracted B-I-G money \$25,000, by simply taking advantage of symbols.
- A very unattractive woman found herself a good husband by doing a simple ritual with candle wax and water (the process is as simple as one-two-three).
- A poor man became financially independent—worth over a million—by repeating the right magical words (we'll tell you what these words are).
- A loving father saved the life of his three children by listening to an inner voice that we often neglect (find out how to turn on your "psychic receiver").
- A lonely widow uncovered a plot by a stranger who befriended her to steal her money and turn her family against her (protect yourself against all foes).
- A young man saw Heaven by mastering the ability to communicate with his soul's spirit guardian (you can contact master teachers, guardian angels and departed spirits by the time you put aside this book).

THE PATH

THE MASTER BOOK OF SPIRITUAL POWER is divided into seven POWERFUL sections for mastering all which exists in God's universe.

1. THE SEVEN-FOLD PATH: This arcane ritual reveals how you may rip away human limitation and become a super-human.

You will be instructed point by point on how other people like yourself gained true happiness by following this sacred formula.

2. DREAM MAGIC: Discover how a real Genie can change your life through dreams. You will be given the "Dream Potion Formula" handed down from Count Cagliostro, the 18th Century mystic master, said to help you have the dreams you desire so that you can take con-

trol of your life by the wisdom you receive. Four simple ingredients which make this secret formula may already be in your home.

3. INSTANT SOUL POWER: Tap the wisdom of the cosmos. Answer your most important questions about the people and events in your life. You will be able to take ordinary items and transform them into powerful psychic tools to look into the future. You will be told how to make an "Astral Tube" to see through walls, look into other dimensions, see and hear what others are really thinking about you. These simple techniques are fun to work with and spiritually potent. They are all based on sound metaphysical laws of God's Hidden Knowledge.

4. BANISH CURSES: The author reveals how a negative person can curse or jinx you. Discover the "12 Day Program" to rid yourself of all evil influences, not only from this life, but from all past incarnations. Learn how to make your own "Protectogram" which serves as a wall of protection to ward off future negative vibrations.

5. LIVING PRAYERS: Discover the prayer secrets of the ages, such as the right prayers to say, and when and where to pray. You will be taught the ancient wonder prayer (over nineteen hundred years old) which delivers its owner from all misfortune and brings success and power. You will be given the secret exorcism prayer to fight against evil spirits and the forces of darkness.

6. NAMES OF POWER: You will learn of mysteries too sacred to be revealed to all, by the highest of mystical initiates. Words and sounds have an uncanny power than can transcend space and time and attract the Lord's goodness without hesitation. These words are now yours to utter.

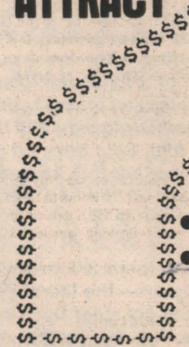

7. YOU CAN BE HEALED: Revealed at last are the six ways which God heals the sick, the four levels of the average existence, and how to align them with God's healing power.

SACRED MAGIC

THE SACRED MAGIC

As a youngster, William Alexander Oribello constantly asked questions about the mysteries of life and the Almighty Power of God. His parents and the family's minister answered his probing questions the best they could, but their answers were lacking until one day when little William was touched by the thunderous power of the Lord. A beautiful light surrounded him and he was given a divine message that he had been selected to receive and teach the most powerful lost secrets of THE SACRED MAGIC to all the world at the dawn of the GOLDEN AGE.

THE SACRED MAGIC is the essence of the mystic teachings given by the Magi and the Masters of Wisdom to Rev. Oribello. To determine if you have been so CHOSEN to receive this hidden knowledge, answer the following questions truthfully to yourself:

- () Do I want peace, joy, love and prosperity to fill my life completely?
- () Do I desire to know and work with the unseen forces of the universe for dynamic success in all that I do?
- () Do I desire to help others overcome their problems through and by the great magical power I gain?
- () Do I want total control of all situations which manifest in my life?
- () Do I possess an unrelenting need to know the answers to the mysteries of life, death, and the workings of the universe, both quickly and easily?

If you can answer "YES" to a majority of these questions then this is obviously the path for you...Here is a mere sample of what you can expect to learn from Rev. Oribello's SACRED MAGIC manuscript:

THE SACRED MAGIC AND MY PROPHETIC DREAM

Up until I read William Alexander Oribello's **THE SACRED MAGIC**, I'd always thought that so-called psychic phenomenon was a manifestation of the devil. I never realized that such things could be from God and therefore I shut out my own natural abilities when I could have been using them for my betterment.

From what I've read on the subject, we all have the power to influence people and make things better.

Frankly, before I finished reading **THE SACRED MAGIC** I never really paid that much attention even to my dreams. Then I found your dreams can often tell you a lot about yourself and give you clues as to what you can expect to happen in the future.

For about three nights in a row after completing some of the rituals in **THE SACRED MAGIC** I had this dream where I would be walking across the street and the wind would be blowing in my face. In my dream there was money floating down out of the sky and landing in a pile at my feet. A crowd was gathering and people started to fight over the tens and twenties that came down like mana from heaven.

On the following Sunday I was walking the short distance home from church when I happened to look down in the gutter and there was a thick business size envelope which caught my eye. I stooped down and opened it up and inside was a batch of fifty dollar bills. Immediately, I looked around to see if anyone had dropped the envelope, but there wasn't another person in sight. For the next couple of days I watched the classified section of our local newspaper to see if anyone had lost money, but apparently no one had. The amount I found was exactly \$2,000.00.

My feeling is that if I hadn't paid particular attention to my dream I would never have bent over and looked inside that envelope as I had always felt nothing like this could happen to me.

By the way, don't print my entire name or address as I don't want the IRS claiming I made extra money that I didn't report as legitimate income.

EDITOR'S NOTE: I don't believe it's necessary to report "Money from Heaven" as taxable income. Besides, you could always list it as a "gift" from God.

THE CROSS OF CRYSTAL BROUGHT ME GOOD LUCK

Just thought I'd drop a line to let you know how wonderful I think you all are, and specially thanks to Diane Tessman because I believe that her Cross of Crystal not only turned my life around, but brought me

good fortune that I would never have received otherwise.

Let me explain...I read her story in the National Enquirer and although I was skeptical I thought what the heck its only \$9.95 for **THE TRANSFORMATION** book and you get a free crystal cross besides. If nothing else I figured it would be an interesting conversation piece.

And how right I was!!!

About three weeks after I ordered the package it arrived via the mails. I immediately read Diane's strange life story and thought how wonderful it would be to have the same type of adventures she has had since she was a small girl growing up in Iowa. You see, most of my life I've worked in an office and there are very few people around who I dare discuss the fascinating ideas and theories that pass through my mind all day long. I especially liked the part of the **TRANSFORMATION** where Dr. Leo Sprinkle placed her under hypnosis and she relived her first meeting with the interdimensional being she calls "the special one."

Mesmerized by the cross, I hung it on a chain and placed it around my neck. A few of the other girls at work complimented me on my new piece of jewelry and wanted to know where I got it. I hemmed and hawed as I didn't feel like telling them the truth for fear they would kid me to death about being so gullible as to order a good luck cross through the mail. So, finally, I just told them that a friend sent it to me which really isn't a lie since I feel so close to Diane, Tim and the rest of the Inner Light people (I've ordered quite a few books in the past).

Well, let me tell you, my luck started to change immediately. That night my boss called me into his office and said he liked the way I worked and would I please take on some extra duties for which he would give me a raise of \$70.00 a week? Naturally, I accepted the offer. Next, a few days later, I went to play bingo like I do every Wednesday night. This time I was luckier than usual, as I won the big pot at the end of the night and took home a \$750 prize. But most important of all, I began to experience a heightened degree of ESP. It got so that I felt like I could almost read another person's mind and know what they were really thinking about me. This ability or gift from God, really saved me a great deal of grief a couple of times, as I was able to get myself out from under a potentially sticky situation.

Anyway, keep publishing your lovely **INNER LIGHT** and **UFO REVIEW** and may you continue to bring enlightenment and prosperity to those souls who have never had a decent break in life and deserve it, for after all our life on earth is only a schoolroom and we have much to learn.

THE UFO THAT CHANGED MY LIFE

Solar Powered Necklace Relieves Anxiety, Depression, And Fatigue, While Increasing Vitality

Gentle Forces Of Solar Energizer Worn As Necklace Floods Body With Revitalizing Energy From The Sun

Users Report...

- Increased Energy
- Elevated Mood
- Feeling of Well-Being
- Improved Sleep
- Reduced Tension
- Relief of Pain

New Science of Bioelectronics

The effects electronic fields on the human mood and energy levels have long been known. Ionized air, lunar cycles and solar flares, and increased electrical activity during and preceding a storm are all known to effect the way we feel and act. But the correct techniques for controlling these forces to improve human health have been very elusive—until a recent breakthrough made by a remarkable Israeli inventor.

Simple Method of Energizing the Body Discovered by Inventor

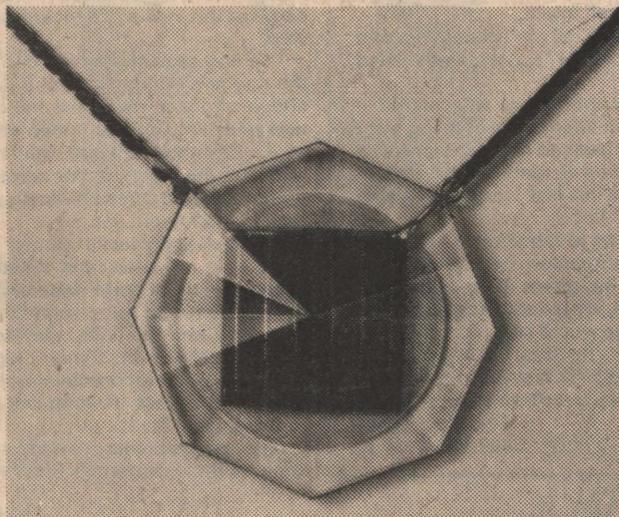

In the early sixties, Leon Halfon joined the staff of a famous clinic located near the shores of the Dead Sea in Israel. He began working with a team that was developing methods of treating headaches, tension and insomnia with externally applied electrical energy. The dramatic results achieved by the team inspired him to begin searching for alternative methods of applying this energy to benefit people in all walks of life. His efforts lead him to discovery that a continuous flow of low-yield energy into the body would create a POWERFUL ENERGIZING EFFECT on the physical and emotional state of the recipient. And this energy could be supplied by the small solar cells used to power spacecraft!

A Functioning Space-Age Power Source

The "Solar Energizer" is more than just an attractive necklace—it is a functioning space-age power cell that delivers a continuous supply of energy when exposed to light. The positive and negative electrodes are formed by the chain, which delivers a gentle and continuous flow of ENERGIZING POWER THROUGHOUT THE BODY of the person wearing it. The energy produces no tingling sensation on the skin but any simple electronic multi-meter will detect its presence and verify that the energizer is working.

Renewed Energy Lets Body Heal Itself

After wearing the Solar Energizer, most people report increased energy, a feeling of

well-being, more relaxed and restful sleep—and many people report relief from chronic pain and headaches. Relief comes from the body's own natural ability to heal itself once it has the needed energy and vitality to do so.

Dramatic Improvement Within One Week

Although many people report a definite change in their mood and energy level within the first one or two hours, full beneficial effects take place gradually over a period of days. During tests with volunteers in Southern California most of the participants reported a dramatic improvement within one week! Increased energy, elevated mood, calm restful sleep, and reduced tension were all commonly reported. A common thread with many victims of chronic pain was an initial feeling of needing to sleep which was followed by an improvement of symptoms after the needed sleep was gained.

U.S. Patent Office Awards Patent

The Solar Energizer is a patented device that has been subjected to a thorough review by the U.S. Patent Office. Patent Number 4,173,229 was issued on November 6, 1979. The Summary Of The Invention begins with: "It is the object of the present

invention to provide an improved and decorative therapeutic adornment or jewelry object operable to generate a beneficial flow of electrical current through the body of a person wearing same".

30 Day Money Back Guarantee

Use the Solar Energizer continuously for 30 days and let the results speak for themselves. If you are not satisfied with the performance of the Solar Energizer, return it to us for a full refund!

For Men and Women

The Solar Energizer Necklace is attractively styled and may be worn by, both men and women. Each energizer comes in a velvet jeweler's pouch and includes complete instructions and recommendations for correct wearing and use.

saw it. I told my husband about it, but he did not believe me. It was very early in the morning, as I sat at the kitchen table waiting for my husband to come for breakfast. I was gazing out the window when all of a sudden I saw this strange object about 500 feet above my street. It was gray in color and I saw no windows, no doors, nor markings of any kind on the craft.

Eventually, I got up to get a better look, when all of a sudden it started to speed up and as I got to the window all I saw was red-orange flames shoot out the rear end of the craft and it disappeared out of sight. I just could not believe my eyes. Shortly after the sighting, I felt an impulse to go and buy all the material on the subject of UFOs where before I had no interest in the matter. Shortly after the sighting I began to see outlines of electrical energy moving all around the kitchen, and when it would move close to me, the hair on my arms would stand out straight and tingle. I even got sores on my head and these were not bug bites either.

A couple of years later I developed mental telepathy, and the ability to see into the astral realm. The voices I hear are always waging war in my mind, and I get so sick of it, that I would love it to stop. I don't drink, I don't smoke pot, I drink coffee and smoke cigs that's all. I feel like they're sitting up there in their craft judging me, because one night I heard some one drag a chair across a metal object, and another time I heard some one grab a microphone and yell into it.

They yell and curse at me all the time and tell me I'm nothing, and what are you going to do with the rest of your life? My name was called and I did not know who called it.

One night I was in bed and an unearthly entity came and dwelled in my body. It was a very nice experience, but after that everything went sour. It was watching TV one night and it seemed like some one was telling me to look up, and when I did I saw two almond-shaped sinister looking eyes staring down at me. Now a normal woman probably would have screamed, but I did not.

I'm a good person. I go to church. I sing in the choir. I have nine children, I've been married for 28 years and now I am besieged with all of this unholy garbage. They won't leave me alone. People have told me to get out of this house that it's haunted. Where am I supposed to go? I've lived here for 14 years and to move would cost too much. I've written to so many places, but no answer to my plea. I'm beginning to think no one believes in spiritual matters. All I know is I've been through a terrible experience and no wants to believe me.

WEIRD PEOPLE

I've read some pretty weird stories about UFOs and aliens and I can't help but believe an experience I had may be connected.

About three or four years ago, my husband and I drove over to Nashville to the hospital to see my brother-in-law who had been shot and was very ill. On our way back later we were on the Interstate and the traffic was bumper to bumper. As we came down a decline in the highway there was a car just ahead of us and in the back window there were at least six helmets placed in a row. Later, we drove side by side with the car and it looked rather big, and I saw that inside there were six "people" sitting in the front and back seats. They all had gray looking hair and their clothes were also gray. They all looked pretty much the same. They were really strange. After a while we lost them. My husband was scared. I haven't told too many people about this. Another time I saw a box-like object in the sky covered with lights. This was near Nashville. A policeman also reported seeing UFOs near Madison, Tenn. above the trees. This isn't too far away. This is another reason why I believe UFOs are real.

STRANGE ANIMALS

It was with considerable interest that I read the article on pets having souls which appeared in a recent issue of INNER LIGHT. Along this same line, I recall an experience that happened to me many years ago. I was attending a picnic at a friend's house in the country. There was a single seat horse drawn buggy that everyone wanted to go for a ride in, including me.

It was while waiting my turn for a ride that this incident occurred. The road in front of my friend's house was a narrow black top running east and west. There were fences on both sides. It was the middle of the afternoon with the sun shining very brightly when suddenly right in front of me, not over ten or fifteen feet away, dashed two dogs, a large, light brown and white collie followed on its heels by a small, black and brown coon dog. They came right through the wire fences from north to south. The amazing thing about it was that I could see right through them. It was like holding a film up to the light and looking through it. They were very real, but probably in normal light they would not have been visible. Something exists that we do not see except on occasion. Call it another dimension or plane of existence, or whatever, but it convinced me that dogs have souls.

The other incident also occurred under somewhat similar conditions in bright sunlight.

At that time my father and I operated a service shop. In the rear of the shop was a narrow sidewalk that ran about seventy feet to an alley. It was a little past noon on a Saturday. I had just finished lunch and was standing by the rear door looking at nothing in particular when suddenly I saw a small brown dog come down the walk towards me. Immediately, I thought of my old dog who had died several years before of old age and who I called "Midge." As the dog came closer I saw that this was just a brown dog with white paws, sort of a mongrel type.

The dog seemed friendly and came right up to my feet. I looked at the dog and thought that at a distance it looked somewhat similar to Midge who was also small and dark brown. The dog looked up at me and said "I'm Brownie," then in a flash the animal disappeared right before my eyes like a puff ball. I could not believe it, as the dog seemed to talk to me telling me its name and then disappearing. It was either my imagination or an hallucination probably brought about by my thinking of my old pet.

It was after the last customer left the shop that I related the whole episode to my father and asked him what he thought it could have been. He did not seem surprised. Here is what he told me. "Bill, when you were around three years old, we had a small brown dog like you described and we called the dog Brownie. You probably could not even remember him. The only logical explanation I can give is that way back in your subconscious something came to the surface like a waterlogged piece of wood that had lain dormant and suddenly came to the surface."

I wanted to put this in writing so that people who have lost pets might know of the experiences that I've had.

UFOS & THE WITCHDOCTOR

I read your book PSYCHIC & UFO REVELATIONS IN THE LAST DAYS and it reminded me of a psychic man I met in the Phillipines eight years ago. My sister and been plagued by trouble after a voodoo curse was placed on her. She began acting real weird and the doctors were unable to tell us what was causing this terrible situation.

We took her to see a witch doctor or a healer in the Phillipines but he didn't seem to have a positive effect on her condition, either. Then one day a friend suggested we see a man who had helped a member of his family overcome a similar condition.

Upon visiting him, I remember him mentioning that he had seen a flying saucer with bright lights around it. He told me that since the flying saucer hovered over his head that he had developed the power to cure people's ailments. Actually, I just sort of ignored what he was telling me, but after having read your book I began to realize that maybe what he told me was true. He also told me that sometimes he could hear the sounds of the flying saucer, but that the ship it self wouldn't be visible. I never thought he'd be able to cure my sister, but he did. I saw how he treated her. He was really great. I received a letter from him in February and will write him back to ask more about the flying saucer that he sees.

Good luck in all things that you do.

BURN AWAY BAD LUCK

The Strange Secret of a Dime-Store Candle.

I used to curse my luck. Anything I tried, anything I touched, turned to ashes. Tearfully, I joked about having all the luck. All bad.

In desperation, I wasted my time and money on charms, talismans, amulets, oils, even beads. Still no good luck.

Suddenly, An Inspiration!

"It is better to light one candle than to curse the darkness... or your luck." Reading those few words in a magazine one day gave me an inspiration—and hope. I had tried everything else, why *not* a candle?

That very night, I composed a plain, straight-from-the-heart prayer. I lit a small, cheap candle, said the prayer, and fell sound asleep.

When I awoke the next morning, I felt absolutely wonderful. For some reason, I forgot all about the candle and the prayer. But what I believe is a *miracle* brought them both forcefully to mind again.

The \$100.00 Convincer!

It was summer and plenty hot. To cool off, I went to the beach. While swimming in the ocean, I spotted a flat piece of paper floating on the water a few yards away.

The waves seemed to be *pushing* the paper to me. I reached out and grabbed it tightly in my fist. Peeking through my fingers, I was astonished to see that the paper was a bill of some kind.

The ocean had put money in my hand! I looked closer. I saw one zero, then another zero. It was a *hundred* dollar bill. Talk about *luck*! What are the odds against finding any money in the ocean—much less \$100.00!

Luck, Incredible Luck!

From that moment on, my life started to change. The bad luck which had plagued me for so long seemed to disappear. Extraordinary good luck took its place.

Money began to flow toward me from unexpected sources. A long over-due loan to a friend was suddenly repaid. One business deal after another started to pan out. My income hit the roof. Hardly a day went by that I didn't find money in the street, at my feet. How? Why?

The only explanation for my new-found luck was my simple candle prayer. So why fool around with a good thing! Needless to say, I didn't. And my good fortune kept right on multiplying by leaps and bounds.

Now, It's Your Turn!

Then an idea hit me. To form an organization to help others burn away bad luck with my mystical revelation.

That's how CANDLECULT was born. I pay for ads like this with my own money to tell my story to people whose luck is bad. And to offer them (and *you*) the opportunity to change it with my miraculous candle prayer.

I have no idea why my prayer works. Maybe it's the magic power of the words; maybe it's the special ritual I use with them. But who cares when the results are so fantastic!

If you'd like to try my personal ceremony to burn away your bad luck, I'll gladly send you my copyrighted prayer and ritual. To order, clip and mail the coupon right now.

Judge For Yourself!

I am not asking you to believe a single word that I've said. I do ask you to try my prayer just *once* as a favor to the only person who will know the truth: *You!*

When you light a candle and repeat my short prayer, what happened to me could happen to you. Soon, you could be the one who is always lucky... who always wins contests... who attracts unexpected huge sums of money... who always escapes unharmed when disaster strikes... whose faithful, constant companion is *Lady Luck!*

So much in this world cannot be explained. There's no rhyme nor reason why my candle prayer works wonders. But you cannot argue with facts. Honest facts you can witness with your own eyes. Or your money-back anytime.

the north wall of my livingroom. My children started having trouble with our knees, so we thought we were to pray. We knelt in the livingroom and prayed for my sister. We said the Lord's Prayer. When we stood up there was Christ's face in front of us.

About three months before my brother John died, I told my mother the day he would pass away and that it would be sudden as he would be feeling better than ever by noon that day. He died on November 14th. His spirit appeared in my livingroom, and I knew it was him because he conversed with my youngest son who was about three years old at the time. My mother agreed that I told her of his passing ahead of time, but she never questioned me as to how I knew. I was very close to my brother.

The day my mother died was a beautiful day—sad but beautiful. When we were asked to view her body after she was pronounced died, I turned to leave the room she spoke to me. "Eve it's beautiful here. You needn't be afraid to die. You'd like it here."

I loved my mom very much. To have her talk to me and say what she did was a most reassuring fact and proved to me that there is life after death. Interestingly, my brothers and sisters who were with me in the room when my mother spoke from beyond death's door did not hear her. Only I could!

ADVICE FROM BEYOND

Continued from page 4

Roy was hospitalized and was kept in intensive care a few days. He recovered that time and returned home, but his health stayed poor. He was overweight, went on a diet, and lost seventy pounds.

He began taking long walks, and at sundry times he'd jog some. He was appearing in better shape when he had to be hospitalized again. He had taken pneumonia and this time he died. About a year later Mary decided to get a trailer. She began shopping around and bought one.

She had it set well back even beyond the willow tree. Then she had the house torn down and gave the lumber away just to get the site cleared. She gave the store-building to her brother Rufus who had it moved to his plantation to serve as a crib.

Mary then had all the yard cultivated and lawn grass sowed. In time she had the hedges and roses bushes set out. After that she had time on her hands and began worrying. She wasn't much more pleased with her trailer than she was her store-building residence.

It so happened that at age six Roy and a pal he called "Sam", became buddies. They hunted, fished, trapped, and worked together on many jobs. Just a few days after Roy was laid to rest Sam told Mary, "Roy came to see me last night and we were boys again climbing trees."

After that Sam told Mary of Roy making other visits to see him in his dreams. "In my dreams I'd tell him that I knew he was dead but he'd look real, and we'd talk the same as when he was alive."

On one occasion Sam said, "Mary, you came to see my wife in a dream that I had last night. And upon leaving you stopped beside the front door and leaned your back against the wall, and was saying a few final words to my wife. Then Roy came in the back way, and upon seeing you he walked to you, put his hands on the wall over your shoulders and with his face close to yours he said, 'Mary, I have something to tell you'. What did he tell you? He lowered his voice so that I didn't catch what he said."

"I didn't see him," she said. "I wish I could dream of him but I've not once dreamed of him. Since he's coming to see you so often, Sam, and you talk to him, you ask him what it is that he has to tell me. I would sure like to dream of him and talk with him some. Something is worrying me."

Sam dreamed of Roy three or four times before he remembered to ask Roy what he wanted Mary to know. On one occasion he dreamed that he was on a hunting trip with Roy. On another they were going up the local creek in a boat—fishing. Mary kept inquiring. Laughing, Sam said, "I'm going to drop off to sleep with my mind made up to ask Roy for you."

And about three days later Sam told Mary. "I have your answer! Roy came to see me in a dream last night and I told him you were worried. He looked real as life, and this is exactly what he said: 'Tell Mary that it is all right that she has bought herself a trailer and that I say it is all right for her to eat and sleep in it.'"

Mary then confessed that it was the answer to her worry! For she had felt like Roy had set his head against their ever buying such a place!

shape and dimensions accounts for the name associated with the red-bricked structure.

No one knows for certain who is haunting the place, but Dolly Madison and Aaron Burr are among those who once resided in this three story dwelling. Guests maintain that they have seen chandeliers swaying back and forth, they've heard bells, and apparently, have even seen ghostly figures in white walking up and down the halls.

According to yellowed newspaper clippings the Octagon ghost—or ghosts!—has been making the rounds for one hell of a long time. Says one newspaper story from 1888: "The hours wore quietly on. The party was dispersed from garret to cellar, and at the hour of midnight I and two others were crossing the threshold of a room on the second floor. Three feminine shrieks rose from the center of the room. We stood aghast, unable to move. From all quarters of the house, the other members of the party rushed to us. What? Where? How? They were eager to question us, but not so eager to explore. Somehow, we gathered courage and entered the room again, all huddled in a group. Someone suggested that it might have been a cat that frightened us. Hoping devoutly that it was, we rushed to the window and looked out. Directly behind us, those three shrill, horrid screams tore the air anew. We did not separate again, but stayed together until dawn listening to the noises—the clanking of sabers and trampling footfalls. I vouch for this, but I cannot explain it."

Today the property is owned by the American Institute of Architects who use the building as their main headquarters. The Octagon House is open to the public and guided tours are given. But it might best be advised that you not wander off on your own, as who knows what you might come across around the next bend!

In a conversation I held with Don Martin, an official of the Seaboard Coast Line Railroad, he confirmed the story concerning President Grover Cleveland. "I can confirm the report that President Cleveland was told about the ghost light of Maco. This account is a part of the legends and history of railroading in America. The various stories about Joe Baldwin and his lantern-carrying spirit are well-known to people who live near this small community. Some believe the accounts about Joe's lantern—others do not. That folks have seen *something*, is obvious."

Whatever the explanation may be, the Maco, N.C. ghost light is considered one of the greatest of our time.

BROWN MOUNTAIN'S MYSTERY LIGHTS

While I was in North Carolina collecting ghost stories several years back, I decided to drive over to Hickory which is the nearest town to the Brown Mountain region of the state. I had read many magazine articles to the effect that nearly every night along the mountain ridges here, mysterious lights could be seen for which scientists have failed to find any logical explanation.

From sunset until dawn, globes of various colored lights, ranging in size from mere points to twenty-five feet in diameter, can be seen rising above the tall trees and flickering off again, as they fall to the mountain passes below.

Brown Mountain first received national attention in one of the books written by the late Charles Fort, a man who collected strange and unusual stories from all over the world. Fort had stated that the lights would chase early settlers along the various trails that lead to the sparsely placed cities. Various legends have sprung up about the origin of the lights. One is that they are caused by the spirits of Cherokee and Catawba braves who search the valley for maiden lovers.

According to Paul Rose, who accompanied Jim Moseley and Allen Greenfield, (two researchers of the paranormal), as well as myself to the lookout point on top of Grandfather Mountain, his first sightings of the lights occurred in 1916. At the time it was thought that the mystery lights might have been caused by the headlights on locomotives or cars running through a nearby valley. However, during the spring of that year, all bridges were knocked out by a flood and the roads became too muddy for cars to travel; yet the Brown Mountain ghost lights were seen in greater number than before.

Since 1916, Rose has seen the lights hundreds of times and has come to the conclusion that there is an intelligence behind them. He claims that on one particular night in the late 1950's, two of these lights appeared out of the valley, approached a tower he had built for the purpose of watching them over the trees, and climbed to within a few

ANGELIC, GOD-LOVING, BEINGS FROM ANOTHER DIMENSION HAVE INSTRUCTED ME TO HELP EARTH BOUND SOULS RECEIVE ALL THEY DESIRE BY DRAWING UPON THE SPIRITUAL AND HEALING POWERS OF THE POWERFUL...

Cross enlarged to show detail

'CROSS OF CRYSTAL'

Dear Reader:

My name is Diane Tossman. You might have seen me on TV or heard me on the radio telling my incredible story. I am an ordained minister and pastor of San Diego's Starlight Mystic Church. Up until just recently my life was pretty much a shambles. Because of the poor economy, I had lost my job as a teacher and found it impossible to get work. Things rapidly turned real sour — my car payments were overdue, my rent was behind, and I even had to get food stamps to feed my daughter.

But now — THANK GOD! — conditions have vastly improved. My luck has turned from bad to good. Suddenly my cup has runneth over and all because of a strange artifact I came across in my garden, which, I believe, was put there by beneficial beings who have helped guide my life and who have only positive thoughts for every peace loving person on this planet.

But let me start at the beginning... All my life, I have felt a closeness with God's universe. My experience is so real it has been verified by a University Professor who subjected me to a grueling two hour hypnotic session. He wanted to see if I was telling the truth. He is convinced I am, for I relived events that happened many years ago as if they had only transpired recently.

CHILDHOOD EXPERIENCES

It was a warm summer's night and I was playing with my dog outside. It was after dark and a certain stillness filled the air that I shall never forg... As I looked around with my pet, I noticed a bizarre light a short distance away from

changes that are stated to take place here on earth culminating in a collapse of civilization and the end of the world as we know it. Nostradamus, Edgar Cayce and other attuned minds have told of catastrophic events which are to take place during our lives, and my friends from another dimension have added to our knowledge of such a monumental transition that is said to be only years away.

Since that night back in Iowa, I have experienced many things that cannot possibly be explained. I have seen and heard what others cannot see or hear. I have had "flashbacks," of pre- & incarnations, I have heard strange beeps inside and outside my home which emanate from toasters, radios and stereos. Mysterious voices have come over my CB set. I've encountered ghosts, and had a variety of invisible playmates. One of my most frightening experiences has to do with the time I was levitated off my bed and some invisible entities actually tried to pull me through the wall.

HOW THE CRYSTAL CROSS CAME TO ME

Several months ago, I had a series of very frightening prophetic dreams about the "Last Days," which the Bible refers to as "Armageddon." In these nighttime visions, I witnessed entire cities being destroyed and people looking for places to hide. Mother Nature had turned against humankind. There were floods everywhere, and tidal waves swept across the West Coast, while thunder and lightning the likes of which we have never witnessed flashed everywhere. Wars had broken out in many lands, and from my dreams it looked like there was no way out. That is, until fleets of glittering spaceships filled the sky and started taking deserving souls off this planet in a mass evacuation which was being directed by the mighty hands of Jesus Himself.

These "dreams" were so vivid that I would wake up in a cold sweat. And while these prophetic visions always differed slightly, the one element that all contained was the materialization of a huge crystal cross over the heads of the suffering multitudes.

Upon rising one morning, a voice inside my head directed me to walk outside to my garden. There glittering in the early rays of sunlight was a beautiful cross made of crystal, and though it was much smaller, it was very similar in design to the one I had repeatedly seen in my dreams.

Later that day, my "Special One," who often speaks to me, told me that there was great significance in the cross that I had found in my yard. He reminded me that crystals have always been known for their healing and spiritual powers and that eons ago, on the continent of Atlantis, scientists had harnessed the forces of the crystal and a great technology existed because of the positive use of these crystals.

where we were.

Without warning, my familiar surroundings were gone and I was in a completely different environment. All around me were these strange beings, some of them human-like, others radically different than any life form I was familiar with.

But there was one particular being who I found myself more attracted to than the others. I especially was not scared of him. The one I conversed with was human and I loved him. I could feel that there was something — a certain bond — between us and to me he has always been my "Special One." Due to the nature of subsequent contacts with these angelic, God-loving, beings from another dimension, I feel almost certain that I am only half human, and the other part of me is extraterrestrial. Somehow — and I can't begin to explain this in scientific terms — I believe that the soul of the "Special One" was implanted into me or duplicated into me electronically, and that the "Special One" has been a part of my consciousness ever since I was seven.

SHOCKING REVELATIONS

In recent times my contact with THEM has increased to the point where I have become an accomplished psychic, able to forecast major events before they happen. I have also helped many individuals who feel that they are "different," and that they do not "belong" on this planet. My mission to assist these "Star children" walking amongst us has been a huge success. In addition, I have been doing my best to alert all those who will listen to the coming

My "Special One," recommended to me that everyone should own a cross for themselves and promised that those who carry such a crystal will experience many positive benefits throughout their life.

ARE YOU IN NEED?

Does your spirit cry out for relief from worldly tensions? If so I believe I can promise you...

- Financial security.
- A loved one to comfort you.
- A decent job.
- A means to lift all curses that have been placed on your soul, thus improving your karma.
- A way to own a new home.
- A means to win the lottery.
- To drive around in a beautiful new car.
- To have plenty of money in the bank.

And, above all else, would you eventually like to be taken from this planet to either some Heavenly realm, or a more peaceful dimension in space populated by advanced beings like the ones I've met? According to what I have learned, this is also no problem for those who respond to my unusual request.

My contacts with angelic entities from another dimension have indicated all this — and more — is within the realm of possibility, but that your chances of succeeding at WHATEVER you wish to achieve will be terrific if you carry this powerful crystal cross with you at all times.

NOT FOR SALE

In another dream, I was warned that I must never sell the cross, but that it should be given to those who seek eternal comfort and spiritual awakening. Since the crosses are costly, there is no

way that I can send them to the tens of thousands of individuals who are likely to ask for one through this article.

Therefore, I believe I have come upon a very fair and just manner in which to put these crosses into circulation as was intended and cover at least part of my expense.

Therefore, anyone who orders a copy of my book THE TRANSFORMATION will receive both a copy of my autobiography (which I think you will agree makes for fascinating reading and will tell you a great deal more about the coming tribulations to strike this planet and how to personally avoid them as much as possible), and a FREE crystal cross.

TAKE PART IN AN EXPERIMENT

I am very anxious to know what effect wearing the cross will have on you, so after carrying it on your person for thirty days won't you please drop me a line and let me know how your life has changed for the better?

I realize in distributing these crystal crosses that I am entering upon a totally new threshold in human understanding. I definitely KNOW from personal experience, that there are advanced beings out there who, with God's help, wish to assist those who will open their hearts and their minds to other realms and realities.

feet of his position. The next day both he and a friend who had been with him became violently ill. This led Rose to the conclusion that the lights might be radioactive.

Unfortunately, I arrived at Brown Mountain in the middle of winter and encountered a snow storm that prevented us observers from even getting a good view of the mountains from where the ghost lights bob up and down. However, the manager of the motel where I stayed just outside of Hickory said she had seen the phenomena many times and that upon one occasion she hurt herself when a glowing orb got too close and she tried to jump into her parked auto real fast. The result was that she injured her knee pretty badly, and refused to go out there again.

Take my advice and go to Brown Mountain in the spring or summer. Seeing one of these ghost lights is a frightening experience in itself, and you won't want to add frost bite to your list of possible worries.

KEEP AWAY FROM SARATOGA

Many of the residents who live in the town of Saratoga, Texas are scared to leave their homes at night and go driving in the dark. For generations the stories about the "Ghost Road Light" have been told, and most of their grandparents and parents encountered this luminous sphere themselves. Of course, the brave venture to this Southeast Texas town hoping to see something strange, and most of them have gotten their wish.

"I saw it in the middle of the road. Then it went into the woods and burst into sparkles," states Mildred Bracken who lives in nearby Honey Island. "Then it went out like that," she insists, clapping her hands in demonstration.

James R. King a reporter for the Associated Press says that witnesses usually describe the light as being various colors. He notes that he can dart, jump, float or remain stationary depending upon the circumstances. Some individuals who don't seem the type to be making this all up, say the light has emerged from a cluster of pine trees and chased their automobiles at high speeds.

"It came down the road traveling right toward me and then went off the road through the woods and disappeared," said Harold Nicholas. "It was about the size of a person's head, maybe a little larger. It was real bright. It was orange and looked like the light of a train." He added that the light made absolutely no sound. ■

STIGMATA

Continued from page 14

Joyce of Oakland Catholic Diocese Chancery Office. "The Church is saying that it sees no objection to it, but it is not part of the Scriptures—an article of faith—and it is not what all Catholics must accept."

The Cloretta Robertson case has been treated with the same sort of restraint by the Oakland clergy. Despite mounting publicity over her case in the past years, no official investigation has yet been carried out. And that is a pre-requisite of any, even skeptical, recognition by the Church. Her biggest problem is that she is Baptist—though Father Joyce insists that does not affect his present inactiveness. "We would be just as cautious if it were someone in our own church, but we do not see any reason to investigate at this stage. At the same time, that does not mean that we dismiss it lightly. I suspect that many cases of stigmata could be attributed to psychological reasons. Though on the other hand, the Catholic tradition has always stressed the unity of the body and spirit and it is no surprise when someone's spiritual life and devotion finds expression physically.

So ironically, while medical opinion favours the stigmata of Cloretta Robertson, the Church remains immovable on its monumental fence, and even in these days of everyman's clout, that situation seems unlikely to change. The eras of this century's stigmatists, Theresa Neumann and Padre Pio, are gone. As too are their audiences. And though, in the arena of religious phenomenon, these are early days for Cloretta Robertson, the question must be posed.....Will she replace them? In many ways she is probably a more genuine case as she bleeds from all points of the body—which is rare among stigmatists.

At the moment, the issue of what is probably the USA's first stigmatist remains at grass roots level. Californians know of her and Canadian television viewers have seen a movie about her. Each year when the press and TV report her Easter bleeding, the audience gets bigger. Letters are received from people whose hearts and hopes have been lifted by what they call Cloretta's "sign from God." If history is any indicator, the word will keep on spreading until the Stigmatist of Oakland is as familiar as the names of Sister Neumann and Padre Pio. ■

CALL UPON YOUR GUARDIAN ANGEL FOR GUIDANCE AND PROTECTION

Psalms 90:11-13 states: "The Lord hath given his angels charge over thee, to keep thee in all thy ways."

Evangelist Billy Graham tells us: "When Christians die, an angel will be there to comfort us, to give us peace and joy even at that most critical hour, and to usher us into the presence of God, where we shall dwell with the Lord forever..."

Jesus himself revealed the wonderful truth that the faithful each have a guardian angel to attend to them throughout their life: "Behold! I will send my angel, who shall go forth before thee, and keep thee in thy

journey, and bring thee into the place that I have prepared."

Now for the FIRST TIME, you can learn all there is to know about God's special helpers—why angels were created; what their purpose in the Lord's scheme of things really is; and most important of all, how you can call upon them directly for guidance and protection, in order to make your own life more peaceful and fruitful.

Here's a sample of what you can expect to read in an amazing new book just released, titled **ANGELS OF THE LORD**:

ANGELS WALK AMONGST US!

It may come as a shock to many, but according to evidence, we are often confronted by angels, but do not know it. Yes, angels are visible quite often, only they don't always appear to us as spiritual beings with wings, but rather as men, and even as strangers. They come when they are most needed. You may even pass an angel on the street who is bent on doing some good for someone that can't be accomplished in his invisible state.

NINE SPECIFIC WAYS OUR PERSONAL ANGEL PROTECTS US

Biblical scholars insist that angels do more than follow us about. It is said that they have a special mission that they must carry out. Among other things they must protect our spirituality; defend us from the seduction of Satan; shield us from sudden dangers; help in the saving of our soul; pray for and with us; assist us in praising God and help when it is time for us to "cross over." Each of the nine ways is described in detail so you will know what to expect from your personal angel and what you must do in return.

HIERARCHY OF ANGELS

Generally, it is not known that there is an actual organization of angels. The divisions include: Archangels, Seraphim, Cherubim, Principalities, Authorities, Powers, Thrones, Might and Dominion. Find out how these various angels are ranked and what their individual duties consist of.

DOCUMENTED CASES OF PEOPLE HELPED BY THEIR GUARDIAN ANGEL

Many startling, modern day case histories are written about. For example:

- The New York woman whose guardian angel led her to a job when she was totally destitute.
- The "Angel of Mercy" who prevented the killing of Chinese citizens by the Japanese during World War II.
- The battalion of angels who fought it out with the enemy in the skies over Europe as testified to by Lord Hugh Dowding.
- The band of angels that prevented dozens of GI's from freezing in Korea.

ROLE OF ANGELS IN HISTORY

- George Washington had a vision in which an angel appeared to him and foretold the future history of the United States.
- The famous flying ace, Charles Lindberg, claimed that his guardian angel was with him in the cockpit of the Spirit of St. Louis as he crossed the Atlantic.
- Sainly Padre Pio, the stigmatic priest, frequently carried on conversations with not only his guardian angel, but the guardian angels of others.
- St. Benedict claims that angels actually joined the holy monks in song.
- St. Nicholas was permitted to hear his guardian angel and other angels for the last six months of his life.
- St. Frances often read at night by the light given off by the glowing hair of her guardian angel.
- There is even evidence that the writing of the Constitution was done with the help of an angel.

UFOs OR ANGELS?

Some experts now believe that the strange objects observed in the sky may actually be angels and not extraterrestrial craft. The fact that UFOs do not show up on radar screens is significant, since angels are not usually of flesh and blood, and therefore would not register on even our most advanced technical equipment. Scriptures tend to verify this theory.

LANGUAGE OF ANGELS AND HOW THEY TRAVEL

We are told that angels have a language all their own which we may possibly learn to speak. Also, angels can travel thousands of miles in the twinkling of an eye utilizing a method which science has only begun to dream of.

WAR WITH SATAN

Not all angels are good. The Bible tells us that Satan was once an angel and that he was thrown out of heaven. One third of all angels could be demons and we are warned that the devil is out to take over the world and capture our very souls. Learn of the tools which Satan uses to trick us, and how we can prevent being possessed. Discover why baptism is important in this age old war, and what it means to follow the "Great White Light."

A POWERFUL FREE GIFT TO ENRICH YOUR LIFE

When you order your personal copy of **ANGELS OF THE LORD** we will send you free of charge a special talisman in the form of a prayer printed on quality parchment which will enable you to contact your own guardian angel. To evoke this special blessing, it is necessary to carry this talisman on your person at all times. God wants you to be in touch with your personal guardian angel, and you will be properly equipped.

Teenager Describes "Apparition of the Virgin"

The Blessed Virgin has appeared with yet another message about world peace and unity, at Ponce by the beach, according to 19 year old Ileana Diaz, who is a resident of that area, and says that she was first visited by "The Virgin" three years ago.

With a joyous expression, Ileana explained to a reporter from the paper *EL Vocero* the manner in which her initial sighting occurred. "The Virgin appeared to me on October 30th 1982, while I visited the Holy Mountain of Cayay, where there were thousands of people gathered, having heard that a strange apparition had presented itself.

"The Vision first appeared as a very bright star and then later took the form of a beautiful woman. Later at about 7:30 P.M., I saw her by a tree in my yard. Except for a few rare occasions, she always gives me a message for the people.

"Recently, she appeared in my bedroom looking like the Virgin of Guadalupe. From her head to her feet there was a bright glow around her body. She was right next to my bed and had her hands on her chest in a meditative pose. I saw her clearly. She was small, slender and fair. I noticed some sadness in her expression. She stood there for ten minutes before slowly starting to fade, first turning into a bright star which also eventually disappeared altogether. She wore a blue tunic and a white dress.

"The Blessed Virgin asked that we all pray for world peace and learn to love one another. She has also appeared to my parents, William Diaz and Sofia Albino, as well as to my brother and two sisters.

"The Holy Mother has also appeared next to a palm tree a short distance from our home. Her apparition always begins as a bright light before turning into her image. The messages have mainly been directed towards the young, that they should try to turn away from the wrong path. The Virgin asked that we all do penitence during the month of April."

Ileanas' mother confirmed that the Virgin has also appeared to her recently. "We always get a sign when she is about to appear and also when she is about to leave. A bright star always appears first," confirming what her daughter has stated.

Similar reports of apparitions continue to be filed. Over 200 documented sightings of the Virgin Mary have been made in this century alone.
