AMERICA'S LEADING NEW AGE WRITER REPORTS ON...

INVISIBLE ENTITIES THAT POSSESS AND DESTROY

by BRAD STEIGER—AUTHOR, "DEMON LOVERS"

Is it possible that the evil thoughts and the emotions of the dead can overpower the brain of a healthy, normal person?

The skeptics state with finality that the thoughts of neither the living nor the dead can affect in any way the mind of another human being. They insist that the healthy mind cannot be subdued unless by physical distortion or disease.

There are, however, intelligent men and women who feel otherwise. Sober and rational individuals have become convinced that they have felt the touch of demons. Even though some of these people are not particularly religious, they have come to believe that the admonition, "Get thee behind me, Satan," is by no means a fanciful directive.

During the course of my more than thirty years as a Psychical researcher and a phenomenologist, I have investigated the cases of serious-minded men and women who have claimed to have undergone fearsome ordeals in which either they or their loved ones became the targets of vile entities. In these individuals' opinion, these unseen demons were actually seeking

the possession of physical bodies and minds so that they might enjoy the sensations of demonically aroused mortals.

Certainly, a good many of these cases were quite likely expressions of psychological disorders. On the other hand, in other instances it seemed equally clear that we were not dealing with mental instability. It appeared that we were encountering those "things" that my wife Frances calls "Limbo Spirits."

I must state that in the majority of instances with which I am familiar the possession was only temporary. During this hellish time, however, the unfortunate individuals who were possessed appeared unable to control themselves—although they may have been entirely conscious and aware of the fiendish manipulation of their mind and body. In many cases, these people claimed to have actually seen grotesque and devilish faces appear before them.

A NEW AGE AWARENESS LESSON FROM DIANE TESSMAN

“BEAM UP” TO HIGHER WORLDS

To understand the ease and beauty of astral travel, we must forget the old myths and think of astral travel as being similar to the new science of holography. Holograms are rapidly becoming functioning reality in the modern world; and pretty soon world leaders will be able to have a summit conference while staying in the safety and comfort of their own cabinet chambers. Through an energy beaming technique, images of the world leaders can be projected in “3-D” form so that they could talk and relate to one another yet remain thousands of miles apart. The way this would happen is that these leaders would have their images turned into HOLOGRAM form, and then projected into space through ENERGY BEAMINGS!

Let us apply the wonders of holography to ourselves! When your image is projected as a hologram, you appear completely solid and three dimensional, however, you needn't open the door because you can be projected right THROUGH it! Gravity is not weighing you down anymore as it does the physical body, so you may float to the top of the ceiling and through the ceiling out into the blueness of the sky. You may walk through the forest, stroll through the trunks of large trees and you are one with nature as never before!

The word “through” is very important here for as a hologram what you are doing is BEAMING THROUGH the molecular structure of the door, the ceiling, the air, or the tree.

We must realize that holograms are mere projections beamed from a scientific source. However, YOU are much more—and in astral travel, you project your image AND your life force. You are an energy body, a life force, as you project yourself in astral travel. Your astral body is safely connected to your physical body by a silver “umbilical” cord which we will talk about in a moment.

This ENERGY BODY, which is YOU in astral form, is not a fanciful thing! Your conscious mind—which is doing your thinking at this moment—does not have immediate access to your energy body's memory. However, you do have this energy body just as all life-forms do and your DREAMSTATE is the path through which you link into this energy body all of us possess. As well as understanding astral travel by considering holograms, let us now turn our attention to the art and science of Kirlean photography. This will also help you understand astral travel better, and when you understand it better, you will be able to happily, safely, and successfully go on astral trips. Kirlean photography is the technique which photographs the ENERGY OUTLINES of objects and people. For instance, if you photograph a leaf with the Kirlean technique, you will see the dark form of the leaf surrounded by a beautiful, colorful outline which shows the leaf's ENERGY OUTLINE. Now, if you tear the leaf and photograph it using the Kirlean techniques, you will see the dark form of the part of the leaf which is left, but you will also see the colorful ENERGY OUTLINE of the entire leaf, just as if it were still a whole leaf. If the area of a newly amputated leg were photographed through Kirlean techniques, you might well see the ENERGY OUTLINE of the entire leg, as it was before amputation!

In astral travel, your energy body is much like the colorful auras photographed through the Kirlean technique. If you feel that your consciousness rises above your physical body on its own when endeavoring to astral travel, you have a slightly mistaken concept. Instead, your entire body with your consciousness in it rises up, only it is your ENERGY BODY which leaves. When it returns after your astral trip, it settles back into your physical body, SUPER-IMPOSING over it again. In your waking state, your energy body and your physical body are settled and mingled with each other. It is natural for your energy body to travel on its own during your sleepstate, just as it is natural to dream. This process keeps both your physical and your energy bodies healthy and growing.

Yes, all people do go astral traveling, but if you do not understand the process—if you are afraid of it because of old myths—or if your conscious waking mind wants desperately to dominate you, then you

simply DO NOT REMEMBER YOUR ASTRAL TRAVELS. Once there is understanding, once fear is removed, and once your waking mind learns that it will not lose its importance, then you will begin to remember your astral travels—and also have more exciting and spiritually fulfilling journey's out of the body.

Remember, your waking mind will ignore experiences which it does not understand; it will not record them in its conscious memory. However, those experiences are there for you on a higher level.

The silver “umbilical” cord from your physical, sleeping body to your energy body is one which cannot be cut or destroyed, anymore than your mind's link to controlling your physical movements could, for no reason, suddenly be severed. The link is so strong between your mind's order to your arm to move and your arm's movement, that you are not even aware that the link is there. You simply move your arm. Astral travel is just this natural and normal. God gave you your mind, your muscles and nerves, and your energy body with a silver cord link to the physical body. It is unfortunate that humankind has come to believe that astral travel is scary or unnatural. Dreams are a wonderful way of working out daily stresses and also for experiencing higher worlds. So it is when the dream world goes “a step further” and the energy body goes on a journey.

There are many documented cases of astral travel in which the astral body is able to interact with the physical world. Usually, astral forms cannot be seen, but an astute astral traveler can, for instance, move a vase which stands on a dresser over to a table within the same room. Upon slipping back into the body he may or may not remember his astral travels, but he will find that the vase has “mysteriously” moved to the table overnight!

Without the restrictions and fears of the waking, physical body, the energy body allows itself to interact with beings of Higher Realms, to experience cosmic truth and wisdom. In other words, the waking mind specializes in computerized fact and experience whereas the energy mind specializes in symbolism, spiritual experience, and lesson, while plugged into the universal flow.

It is a myth that the astral world to which the energy body travels is a world all made up of terrifying entities and two headed monsters. Just as there are bad dreams, there are also bad astral experiences. However, one should not stop dreaming because without the process of dreaming, the mind would soon go insane. So it is with astral traveling. The energy body needs to exercise on its own and it will, regardless of your waking mind's fears. And astral travel is a process which can be directed toward “Light and Goodness” simply by being a good person and by having only good intent toward your fellow human beings and other lifeforms which share the planet with you! Usually a person who runs into astral monsters is not leading as good a life as he or she could. And almost all astral experiences are wonderful ones, not frightening, anyway. Your beautiful astral travels may well be a “secret” which your higher self is keeping from your waking self. The waking self simply refuses to remember.

If you have studied spiritual concepts, if you understand astral travel and the energy body, and if you are of godness, remembering your astral experiences will become easier and easier for you—and your astral travels will become more and more elevated in tone. You will reach worlds of greater and greater beauty, peace, and love, as you study this concept more fully. Ignorance about this field really hurts you in attempting to experience it!

Through my own experience, I have proven that while in an out-of-body state it is easier to tap into universal consciousness, and thus it can help you deal with life's problems with greater wisdom—a knowledge which transcends the ages. It can help you deal with mundane problems with psychic/spiritual power which you do not have access to in the waking state alone. And, in your astral state you can touch the face of God, offering a myriad of experience, a rainbow of color and knowledge! This energy body is closer to God's life-force than your physical body is. It is in essence the spirit the Bible and Christ speak of. Even the saints practiced soul separation. They called it “Bi-location” and it is accepted as a miracle by the church to this day.

Remember, you can walk through that wall, float through the clear, blue sky, and above all else, interact with loving, higher beings of God's light and love...and become an experienced and happy universal traveler!

DIANE TESSMAN (AS WRITTEN ABOUT IN RUTH MONTGOMERY'S NEW BOOK "ALIENS AMONG US")

'CROSS OF CRYSTAL'

Dear Reader:
My name is Diane Tessman. You might have seen me on TV or heard me on the radio telling my incredible story. I am an ordained minister and pastor of San Diego's Starlight Mystic Church. Up until just recently my life was pretty much a shambles. Because of the poor economy, I had lost my job as a teacher and found it impossible to get work. Things rapidly turned real sour — my car payments were overdue, my rant was behind, and I even had to get food stamps to feed my daughter.

But now — **THANK GOD!** — conditions have vastly improved. My luck has turned from bad to good. Suddenly my cup has runneth over and all because of a strange artifact I came across in my garden, which, I believe, was put there by beneficial beings who have helped guide my life and who have only positive thoughts for every peace loving person on this planet.

But let me start at the beginning... All my life, I have felt a closeness with God's universes. My experience is no lie! It has been verified by a University Professor who subjected me to a grueling two hour hypnotic session. He wanted to see if I was telling the truth. He is convinced I am, for I relived events that happened many years ago as if they had only transpired recently.

CHILDHOOD EXPERIENCES

It was a warm summer's night and I was playing with my dog outside. It was after dark and a certain stillness filled the air that I shall never forget. As I floated around with my pet, I noticed a bizarre light a short distance away from

where we were. Without warning, my familiar surroundings were gone and I was in a completely different environment. All around me were these strange beings, some of them human-like, others radically different than any life form I was familiar with.

But there was one particular being who I found myself more attracted to than the others. I especially was not scared of him. The one I conversed with was human and I loved him. I could feel that there was something — a certain bond — between us and to me he has always been my "Special One." Due to the nature of subsequent contacts with these angelic, God-loving beings from another dimension, I feel almost certain that I am only half human, and the other part of me is extraterrestrial. Somehow — and I can't begin to explain this in scientific terms — I believe that the soul of the "Special One" was implanted into me or duplicated into me electronically, and that the "Special One" has been a part of my consciousness ever since I was seven.

SHOCKING REVELATIONS

In recent times my contact with THEM has increased to the point where I have become an accomplished psychic, able to forecast major events before they happen. I have also helped many individuals who feel that they are "different" and that they do not "belong" on this planet. My mission to assist these "Star children" walking amongst us has been a huge success. In addition, I have been doing my best to alert all those who will listen to the coming

changes that are slated to take place here on earth culminating in a collapse of civilization and the end of the world as we know it. Nostradamus, Edgar Cayce and other attuned minds have told of catastrophic events which are to take place during our lives, and my friends from another dimension have added to our knowledge of such a monumental transition that is said to be only years away.

Since that night back in Iowa, I have experienced many things that cannot possibly be explained. I have seen and heard what others cannot see or hear. I have had "flashbacks," of previous incarnations. I have heard strange beeps inside and outside my home which emanate from toasters, radios and stereos. Mysterious voices have come over my CB set. I've encountered ghosts, and had a variety of invisible playmates. One of my most frightening experiences has to do with the time I was levitated off my bed and some invisible entities actually tried to pull me through the wall.

HOW THE CRYSTAL CROSS CAME TO ME

Several months ago, I had a series of very frightening prophetic dreams about the "Last Days," which the Bible refers to as "Armageddon." In these nighttime visions, I witnessed entire cities being destroyed and people looking for places to hide. Mother Nature had turned against humankind. There were floods everywhere, and tidal waves swept across the West Coast while thunder and lightning the likes of which we have never witnessed flashed everywhere. Wars had broken out in many lands, and from my dreams it looked like there was no way out. That is, until fleets of glittering spaceships filled the sky and started taking deserving souls off this planet in a mass evacuation which was being directed by the mighty hands of Jesus Himself.

These "dreams" were so vivid that I would wake up in a cold sweat. And while these prophetic visions always differed slightly, the one element they all contained was the materialization of a huge crystal cross over the heads of the suffering multitudes.

Upon rising one morning, a voice inside my head directed me to walk outside to my garden. There glittering in the early rays of sunlight was a beautiful cross made of crystal, and though it was much smaller, it was very similar in design to the one I had repeatedly seen in my dreams.

Later that day, my "Special One," who often speaks to me, told me that there was great significance in the cross that I had found in my yard. He reminded me that crystals have always been known for their healing and spiritual powers and that eons ago, on the continent of Atlantis, scientists had harnessed the forces of the crystal and a great technology existed because of the positive use of these crystals.

My "Special One," recommended to me that everyone should own a cross for themselves and promised that those who carry such a crystal will experience many positive benefits throughout their life.

ARE YOU IN NEED?

Does your spirit cry out for relief from worldly tensions? If so I believe I can promise you...

- Financial security.
- A loved one to comfort you.
- A decent job.
- A means to lift all curses that have been placed on your soul, thus improving your karma.
- A way to own a new home.
- A means to win the lottery.
- To drive around in a beautiful new car.
- To have plenty of money in the bank.

And, above all else, would you eventually like to be taken from this planet to either some Heavenly realm, or a more peaceful dimension in space populated by advanced beings like the ones I've met? According to what I have learned, this is also no problem for those who respond to my unusual request.

My contacts with angelic entities from another dimension have indicated all this — and more — is within the realm of possibility, but that your chances of succeeding at **WHATEVER** you wish to achieve will be amplified if you carry this powerful crystal cross with you at all times.

NOT FOR SALE

In another dream, I was warned that I must never sell the cross, but that it should be given to those who seek eternal comfort and spiritual awakening. Since the crosses are costly, there is no

way that I can send them to the tens of thousands of individuals who are likely to ask for one through this article. Therefore, I believe I have come upon a very fair and just manner in which to put these crosses into circulation as was intended and cover at least part of my expense.

Therefore, anyone who orders a copy of my book **THE TRANSFORMATION** will receive both a copy of my autobiography (which I think you will agree makes for fascinating reading) and will tell you a great deal more about the coming tribulations to strike this planet and how to personally avoid them as much as possible, and a FREE crystal cross.

TAKE PART IN AN EXPERIMENT

I am very anxious to know what effect wearing the cross will have on you, so after carrying it on your person for thirty days won't you please drop me a line and let me know how your life has changed for the better?

I realize in distributing these crystal crosses that I am entering upon a totally new threshold in human understanding. I definitely **KNOW** from personal experience, that there are advanced beings out there who, with God's help, wish to assist those who will open their hearts and their minds to other realms and realities.

Biblical Knowledge For The New Age

The Esoteric Meaning of the Ten Commandments

by William Alexander Oribello
Author Sacred Magic, Final Solution,
Sealed Book Of Moses

Greetings, readers of Inner Light. In this issue we begin a new series of articles on Esoteric Bible Interpretations. The word "esoteric" represents the inner meaning behind words and symbols. The characters, stories and illustrations found within your Holy Bible are there for a purpose. They reveal the inner path of mystical development, and the various stages of that development. There has always been secret mystery schools or orders who were the custodians of the inner teachings of all scriptures. The students were initiated into a secret code by which the symbolism within the Holy Writ may be understood. In this New Age, this knowledge shall become more widely known as the instruments of light teach humankind the meaning of our existence.

Before beginning this discourse, I am happy to announce that Inner Light Publications has just published my new book entitled, "The Sealed Magical Book of Moses." This book reveals the magical system which gave Moses his awesome power.

Throughout the middle ages, numerous manuscripts appeared that allegedly revealed the secret of Moses' magical art. However, these were difficult to understand and some of them were marred with the ideas of misguided magicians of that time. In this book I have attempted to simplify the system for the busy person who wishes to enhance their life's experience in using this system. One thing that does not appear in the book is now revealed in this article: The Esoteric Meaning of the Ten Commandments. This is the result of a channeling I had from the entity who lived on earth as the great prophet Moses. As with many scriptures, the Ten Commandments were misinterpreted by misguided theologians who used them as a means to control the masses through fear. Here now, for your consideration is the hidden meaning behind this powerful portion of scripture.

1. YOU SHALL HAVE NO OTHER GODS BEFORE ME.

The meaning of this commandment is to tell us that we should look to no other source but the First Cause, the Universal Mind, to

God for our help. The original teaching that went along with this commandment also revealed that the I AM PRESENCE in man was the only reliable source of divine inspiration. The ancient sages embodied this truth in the statement, "God dwells within you, as you in the capacity of your higher awareness."

2. YOU SHALL NOT MAKE FOR YOURSELF ANY GRAVEN IMAGE.

An old teaching revealed that from the Primordial Light everything came into existence. However, in a state of unregenerated thinking, the average human sees matter as reality and adores the material thing. This is an illusion and keeps us from the illumination of knowing the true reality. We should be aware of the light that gives manifestation to the image and adore the Light or God—not the image.

3. YOU SHALL NOT TAKE THE NAME OF THE LORD IN VAIN.

The power of the spoken word is an awesome power that we possess, for words can create a positive or negative condition in our lives and those around us. To swear, using God's name is very negative, but there is even another way in which we may be guilty of taking the name of the Lord in vain: The hidden name of the Lord is exemplified in the words, "I AM." Therefore, when we speak negative things of ourselves using the term I AM, we are taking the name of the Lord in vain, for are we not made in the image of God?

4. REMEMBER THE SABBATH DAY TO KEEP IT HOLY.

It is said that God created all things in six days and rested on the seventh day. We should also set aside a special time to rest from our life's efforts, that we might have that quiet time to meditate and evaluate our experiences. The Sabbath could be an entire day, or a few moments each day in which we rest from our labors to go within to the holy place of the heart. There we worship God within the inner sanctum.

5. HONOR YOUR FATHER AND YOUR MOTHER.

This does not only mean to respect our earthly parents, but to also give reverent consideration to our Father-Mother God within. Let us also remember that the dual aspect of divinity manifests within us as our inner and outer mind.

6. YOU SHALL NOT KILL

We are connected to every other being in the cosmos by reason of our mutual creator. We cannot do anything to another without affecting ourselves in some way. Therefore, we must respect life in all forms to the best of our ability.

7. YOU SHALL NOT COMMIT ADULTERY

This does not relate to sexual matters. It has a deeper meaning: Our conscious awareness, which manifests through the five senses, is the masculine form of our being. The subconscious, or inner mind is the feminine aspect of our being. When we consciously ignore our inner mind and look for truth and satisfaction in the illusion of matter, we commit the sin of adultery. We must return to our first love and true counterpart—turn our awareness inward to enjoy the sacred union of our outer and inner selves.

8. YOU SHALL NOT STEAL.

When we take something we have not earned we are guilty of stealing. Everyday of our lives we take the blessings of God. Yet, how many of us give anything in return. When do most of us think about or talk to God, except when we are having problems?

9. YOU SHALL NOT BEAR FALSE WITNESS AGAINST YOUR NEIGHBOR.

We must learn to look beyond the illusion of the lower personality in ourselves, an all others we come into contact with. If we fail to do this we bear false witness against our neighbor, seeing only the lower manifestation of the form and failing to see the true self.

10. YOU SHALL NO COVET THAT IS YOUR NEIGHBOR'S.

When we seek to have anything that belongs to another, we really lack faith in our own ability to achieve our own success. Each person has achieved success in their own fields of labor because of hard work. We must wish them well in a pure conscience, while we follow our own path of achievement.

Next issue we shall explore the esoteric meaning within the Bible even further. Readers who have a specific question about scripture are invited to submit it and I will attempt to answer your questions in future columns. You can contact me care of Inner Light, Box 753, New Brunswick N.J. 08903.

SEE A VAST IMPROVEMENT IN YOUR LIFE

MAGICAL FORMULAS THOUSANDS OF
YEARS OLD

FREE!!! 21 TALISMANS OF
THE PROPHET MOSES & THE
SECRET HOLY WORDS USED
TO ACTIVATE THEM

THE SEALED MAGICAL BOOK OF MOSES represents more than two decades of study, research and personal sacrifice by the author, and is based upon teachings, not only from the Masters of Universal Wisdom who regularly channel through him, but upon secret techniques as applied by the prophet Moses to produce miracles in the days of the Old Testament.

THE SECRET OF MOSES

In an ancient age, when magic was an everyday occurrence, there existed a race of "wise ones" who preserved and taught a higher form of knowledge that attuned the practitioner with the highest manifestations of universal wisdom. Such a super being was the great prophet Moses who helped preserve and pass down a sacred magical/spiritual system which is only now starting to be brought to light at this critical time in earth's history. For in addition to the five biblical books that have been attributed to Moses, there has long existed a belief that Moses personally wrote five additional books which revealed the true secrets behind his power to work seemingly impossible wonders. Throughout the centuries, manuscripts have emerged which described mysterious talismans and practices which had been censored from the Christian Bible. However, the manuscripts—when available—have always been difficult to understand in that they were written in symbolic terms to hide their true meaning from the masses who were uneducated in such matters.

THE ORIGIN OF MOSES' MAGICAL ART

It is said that the magical art of Moses originally was told to select angels by none other than Almighty God. Later, when the race of spirits now called humans were expelled from the Garden of Eden and were plunged into a state of dense, physical matter, the angels taught this wisdom to mankind as a means for the human race to find its way back to the perfection of God. Select individuals became masters and custodians of this secret knowledge and passed it down from teacher to pupil from generation to generation. This powerful teaching was imparted by a graded system, termed degrees of initiation, by which the students received instructions step-by-step until they saturated his or her total consciousness.

It is claimed that many of the world's most gifted and wisest individuals have secretly studied that which Moses knew in order to have complete control over their own destiny as well as to be in a position to influence others.

According to Wm. Oribello, "Moses possessed the wisdom to communicate with nature's finer forces in such a manner so as to display what may be called a miracle by the uninitiated." This knowledge included the "virtues of certain herbs and roots, the powers within certain symbols and words when inscribed on talismans, and the ability to communicate with angels, spirits of the departed, and elemental beings who exist all around us in invisible—but all to real—ethereal realms."

Now, Rev. Oribello says anyone who has "serious motives" can harness this mystical power for themselves as long as they do not pervert its use and harm others with what they have learned. Wm. Oribello's pledge is as follows: "Once the material given in THE SEALED MAGICAL BOOK OF MOSES has been mastered, the process will open dormant centers within the mind, which will give YOU power over the spirits and the elements, as well as provide the inner wisdom needed to compel the forces of nature to assist in your work with God and in the good of all humanity."

UNBELIEVABLE POWERS CAN BE YOURS!

THE MOST HAUNTED HOUSE IN AMERICA

- by James W. Moseley -

They never again will extinguish all the lights at The Myrtles, a 189-year-old plantation house near the sleepy little town of St. Francisville, Louisiana. The present owner, Ms. Frances Kermeen, told us that she turned off the power in the main house one evening recently, just as an experiment. She and her several guests suddenly fell into some sort of hypnotic trance until the power was restored.

That's the kind of thing that happens at The Myrtles, a place that ghost expert Richard Winer calls "the most haunted house in America", in his book *Houses of Horror*. No one knows for sure just how many ghosts there are, or how many murders have occurred over the years. The first series of murders was way back in 1817 and the most recent one was in 1929, when a workman met an unsolved death on the grounds of the old plantation.

I heard about The Myrtles while visiting New Orleans recently, and decided to drive the hundred or so miles north to St. Francisville. I first phoned for a reservation, as The Myrtles is now a "bed and breakfast" guest house, listed as such in various directories.

My call to the plantation was answered by Kevin Roberts, who has worked there for the past few months as a tourist guide. I told him of my sincere but somewhat skeptical interest in UFOs, ghosts, and psychic events of all sorts. He promised to give me their most haunted room, the Peach Room, though he wouldn't tell me what had happened in it. Quite rightly, he felt that I would be more objective in my assessment if I didn't know ahead of time exactly what to expect.

3:30 p.m.: It is a sunny, warm Thursday afternoon in early Fall as I drive past the little guard house that marks the spooky private road from Louisiana Highway 61 to The Myrtles. When I reach the house, Kevin Roberts is busy giving a guided tour of the first floor furnishings to three ladies from nearby Baton Rouge. It turns out that the women have been here before, and in fact a friend of one of them has taken a ghost photograph here. (I look at the picture later, and see what is supposed to be two faces shinning

through the glass next to the mansion's big front door. The picture, however, is inconclusive.)

I join the tour in progress, and learn a little about the authentic period furnishings in the two parlors, gentlemen's game room, dining room and downstairs bedroom. The tour does not include six bedrooms upstairs because most of the furniture is modern up there. I am assured, however, that the bed and other items in the Peach Room are authentic.

I am also told that I am to be the *only guest* that night! I will have the main house all to myself. Whereas a lesser investigator might have run screaming into the swamps at that point, I am pleased at the opportunity to wander around as I please. Also, I will know that if there are eerie sounds of crying, talking, footsteps, etc., as have been reported, the noise does not come from any other paying guest.

Meanwhile, there is quite a bit of time to kill before dark. I carry my suitcase up to the Peach Room, and then hang out in the plantation's private bar, in a nearby little building converted from an old carriage house. Continued next page

ABOUT THE AUTHOR

Jim Moseley became interested in pre-Columbian antiquities in the late 1950's, when he did extensive digging in various archaeological sites on the coast of Peru. Having been an antique collector ever since those adventurous days, in 1984 he and his wife Anna opened their present primitive art gallery in Key West, Florida. The gallery features pottery from Mexico, Peru, and various other areas of artistic interest, in Central and South America. Also for sale is museum-quality antique gold, ancient tribal art from Africa, rare books, and even a shrunken head from the Jivaro tribe of Ecuador!

Jim Moseley's other unusual interest through the years has been in UFOs (Unidentified Flying Objects). In this regard he has appeared on countless radio and television shows throughout the United States. In the late 1960's and early 1970's, he lectured as an expert on UFOs to over one hundred colleges around the country. Beginning in 1954, he published a semi-professional magazine called SAUCER NEWS, which reached a peak subscription circulation of about 10,000.

Currently Moseley publishes a (free) UFO "trade journal", mainly of interest to a few hundred people who make up the "hard core" of flying saucer buffs. Humor and UFO-related gossip are the main characteristics of this non-scheduled newsletter, which is called "Saucer Smear". This newsletter takes an attitude of benign skepticism toward the more extreme UFO beliefs, and generally reflects the various ways in which Moseley has mellowed in his thinking over the years.

In recent radio and TV appearances, Jim Moseley has tried to emphasize such intriguing possibilities as: Ancient Astronauts having greatly aided the progress of South American civilizations; Oriental and/or European invaders having left their influence centuries before the arrival of the well-known Spanish and Portuguese explorers; and, in general, Moseley discusses the various unsolved mysteries which make this planet Earth such a fascinating place to live!

Said to be the most haunted house in America, the Myrtles estate is the home of the famed Gen. David Bradford, leader of the Whisky REBELLION. The Myrtles was built in 1796 on a Spanish Land Grant. The architecture, elaborate plaster work and lacry ironwork make this twenty room mansion one of Louisiana's most unusual plantation homes.

One by one I meet the little band of regulars at The Myrtles. Kevin Roberts has heard weird noises a few times, but has seen nothing, he says. He surprises me by stating that most of the plantation's ghosts are seen in broad daylight.

Next, Guy Nurdin comes by. He is also a tourist guide as well as an amateur historian. He sincerely believes himself to be reincarnated from one of the house's former owners. He tells me that just two weeks ago, in daylight, he was checking a couple into one of the guest rooms when a tall figure resembling a Confederate soldier appeared briefly between the heads of the two guests. After a few seconds the apparition just faded out.

Then there is Larry Williams, a part-time handyman at The Myrtles, who has often heard low voices and crying in the house when there was absolutely no one else around. "Some days I just can't work here at all," he tells me, "and when I don't work, I don't get paid." There is sincerity and agitation in his voice. "I really don't like to talk about it," he adds.

Finally, I talk to Ms. Kermeen, an attractive young woman from California, who purchased the house only about five years ago. She claims she knew little about the ghosts when she bought The Myrtles, but has become fascinated by them over a period of time, and is even writing a book.

Do the ghosts help business or hurt it, I ask. Her answer is that some guests arrive not knowing about the ghosts and some don't care. A handful have actually left hurriedly after a frightening experience. Will I be one of these? Only time will tell.

Ms Kermeen goes on to tell me how she has organized occasional "who-done-it" weekends at The Myrtles, where a group of guests actually re-enacts one of the house's unsolved murders. Most recently the 1871 killing of former owner William Winter was re-enacted by a well-heeled group of mystery buffs, who also were treated to a mock 19th Century wedding reception and several cocktail parties. It seems that the unfortunate Mr. Winter was hit in the face by a shotgun blast when he went to answer a knock at the front door.

9:30 p.m.: Darkness has fallen, there is no one left to interview, so I go to my room. It is a large room with adequate electricity and a modern private bath, but the furniture consists entirely of antiques including a large four-poster bed. I am really not afraid, but it is too early to sleep and I decide to go over my notes.

Named for the pink flower, The Myrtles was built in 1796 by General David Bradford, a leader of the Whisky Rebellion fleeing George Washington's army. The plantation's most famous killings occurred shortly after its sale in 1817 to a philandering judge named Clark Woodruffe, who was General Bradford's son-in-law.

The judge lost interest in an affair with a slave woman named Cleo and eventually cut off one of her ears as a penalty for eavesdropping. For revenge, Cleo mixed poisonous oleander flowers into a birthday cake for Judge Woodruffe's oldest daughter, thus killing two daughters and the judge's wife. Other slaves hanged Cleo for this crime and today, it is said, she still haunts the house, wearing a green turban to hide disfigurement.

Another 19th Century owner died of a gunshot wound on the 17th step of the main stairway. Heavy footsteps are still sometimes heard going up the stairs, always stopping at the place where the man collapsed while trying to reach help.

There have been so many murders at The Myrtles that the exact number is a matter of dispute. A good estimate would be ten—five of them unsolved. This has given rise to an almost endless assortment of ghostly sights and sounds. Of the apparitions, the most common include Cleo and the two blond-haired daughters of Clark Woodruffe. According to a study made last year by the prestigious *Wall Street Journal*, there is also a black-dressed dancer and another young girl who enjoys hopping on upstairs beds. And, of course, one or more Confederate soldiers.

It is perhaps a relief to know that the ghosts are quite civil most of the time. Ms. Kermeen told me that the number of poltergeist phenomena (flying objects, etc.) is relatively small. But the ghostly sounds run

the whole range from music to whispered voices to unexplainable laughing or crying.

Current neighbors in St. Francisville are divided over whether the place is really haunted or not; but one recent owner named John Pearce has been quoted as saying, "If there's such a thing on this earth as a haunted house, The Myrtles is it."

It is now a little after midnight. I have stopped reading, but I have left the light on in the bathroom, not because this is a haunted house but because it is my habit. I don't like to stumble around in the dark no matter where I am staying.

I don't seem to be going to sleep as early as I had intended. There are occasional creaky noises coming not from my room but from the adjoining bedroom. I learn the next day that the adjoining room is called the Twin Room or the Children's Room. It is where Woodruffe's daughters slept before having eaten the wrong birthday cake, though the twin beds now are not original.

I get out of bed and walk into the Twin Room. My own footsteps make

disturbingly loud sounds across the ancient floor—all the more so because at this hour there is absolutely no other noise around. I stop walking and simply meditate a few minutes on the eerie silence.

I hear nothing and I see nothing, but something moves me to take a fast-film picture toward the far end of the room, which faces onto the front of the house. The picture, when developed, shows what I presume to be some kind of reflection in the far window. Since I don't really believe in ghosts, I can only assume that the picture is, at best, inconclusive.

2 a.m.: I am back in bed, and it is now becoming evident that I am not going to get as much sleep as I had thought I would. I amuse myself by wondering if my arch-skeptical friend Philip J. Klass would be asleep by now if he were here. I start wishing that he (or almost anyone) were here, so that I would have someone with whom to share this adventure into the unknown.

Eventually I do drift off to sleep. The next morning I talk briefly with Ms. Kermeen before leaving The

DISCOVER YOUR SOUL MATE

THE BOND BETWEEN EXISTING LOVERS & FRIENDS MAY GO BACK A LONG TIME...EVEN BACK TO A PREVIOUS LIFE

by Maria Carta

Have you ever wondered why sometimes it is possible to instantly like someone or, on the other hand, to dislike them immensely without them ever having caused you any harm?

We often laugh at the idea of "love at first sight," but the reason behind our gut reaction to individuals we hardly know may be buried deep within our subconscious. Research into the soul mate phenomena indicates that friends and lovers pass our way time and time again. Often they add color and excitement to our lives. Or, on the other side of the coin, they can torment us and we seem powerless to do anything about the situation. Sometimes, karmically we end up having to put up with their mental and often physical abuses...even if we don't understand why we enjoy being treated this way.

There can be no question but that karma can span several life times. Past actions in current life situations affect us, so why shouldn't what transpired in prior incarnations have an impact on us today?

As I write this article, there is every indication that more and more people than ever before are becoming interested in who they were and what they did—or did not—accomplish in previous lives. Superstar actress, Shirley McClane, has written extensively about soul mates and reincarnation, thus helping to popularize the topic. Likewise, noted author Brad Steiger has written a best selling book for Prentice Hall titled *THE LOVE FORCE* with literary assistance from his beautiful wife Francie. Brad's previous accomplishments include having written over 100 books on psychic and New Age subjects with a combined global circulation of 15 million books in print. In *LOVE FORCE*, he covers the subject quite extensively, enabling thousands more to become acquainted with this material.

Another reason soul mates and reincarnation are of such concern is the simple fact that as we enter the New Age, which has been so widely talked about, such areas of interest will take on a greater importance and have more bearing in our day-to-day lives. My own experience has shown me that it can be important to know *who* we were before. However, it is potentially more important to discover *what* kind of person we were, and what we are meant to learn this time around so that the karmic circle can be broken and it becomes possible to move on to some higher lesson in cosmic learning.

Haven't you ever met someone of the opposite sex whom you felt extremely comfortable around even though you really didn't know him or her all that well?

In such cases, we often tend to "let our hair down," because we feel comfortable and carefree when we are close to this person. It seems as if we've known them for ages, even if we've only met them recently. These individuals probably mean a lot to us and are "soul mates" from dusty, bygone days of which we may have only hazy memories at best.

Soul mates can either be lovers, or they can be close friends.

They are often members of the other gender, but it is possible that they are members of our own sex. The reason being is that in the higher planes, our organs have little relevance and, karmically, our soul may find it necessary to make the switch back and forth from man to woman, or woman to man, whatever the case may be.

What is happening, is that these soul mates are people we are destined to meet over and over so we can teach each other some important lessons in universal awareness.

This doesn't mean, however, that every time we meet someone who is a soul mate, that we are instantly attracted to them.

In addition to the marvelous feeling of "being one" with another human, it is also possible to have a great fear of someone for a totally unknown reason. Other times we may like someone tremendously, but find ourselves not wanting to become too attached. Amidst all this confusion in our personal relationships with others, there is a logical explanation for all that we go through in life's course.

Let's take the case of two friends of mine, both of whom just happen to be practicing psychics. Brian and Jeanette have been together now for 15 years, but at first things did not appear to be going so good for this couple.

Maria H. Carta, nationally known psychic, gifted clairvoyant, and New Age astrologer maintains that we *do not* have to go through life alone...that there is someone SPECIAL waiting just for us. But how do we find this man or woman? Is it through pure chance? In a singles bar? At a New Age conference? Or is there a divine plan we can "tap" into that will lead us in our search to the "right" person.

For a limited time only, Ms. Carta will provide a clairvoyant-astrological-numerological reading which will greatly assist you in how to meet your soul mate, how to identify your past life lover, and to discover what your Karmic lesson in this life is.

Also included in this reading will be a formula which will enable you to draw your soul mate you and keep him or her if you wish. Maria H. Carta is also gifted with clairaudience powers and will provide an all around accurate description of your previous incarnation.

For a reading send a photograph of yourself, your birthdate, your time of birth, as well as your place of birth. Also include your name as it appears on your birth certificate. Send a check or money order in the amount of \$35 and in return a complete karmic reading and attraction formula will be sent your way. SECRETS OF THE POPE'S

"Thou art Peter and on this rock will I build my church, and the gates of Hell shall not prevail against it. And I will give unto thee the keys of the Kingdom of Heaven."

Christ gave this command to Peter and it was recorded by St. Matthew in Chapter 16, Verse 18 of his gospel. It marks the birth of the papacy and the inception of the prince of the Apostles as the first pope.

Today, millions of Catholics the world over view the Pope as the spiritual link between Jesus and ourselves. Other Christians generally think of the Pope as a wise and holy man who has his feet planted firmly on the ground, one who is aware of all things worldly and all things beyond the pale.

However, when it comes to the most mystical powers and supernatural experiences of the Popes, the church has remained overly secretive. Perhaps fearing this information would be used unwisely by the uninitiated. For historical reference shows that many Popes possessed powers that were awesome, or were involved in paranormal events so devastating that scribes were told to record them for the upper echelon of cardinals and bishops, but at the same time to go to their grave without breathing a word of what they knew to another living soul. Many of the manuscripts containing such information have either been burned or have been kept under heavy lock and key to prevent their release.

Now, thanks to the tireless efforts of religious historian Arthur Crockett, ancient texts as well as the sacred writings of the priests and saints have been dusted off and are presented in a

thoroughly modern manner, with the intention of enforcing currently accepted beliefs, but going beyond even what one has already been taught through regular channels.

In this startling new book you will read the following stories as well as many other astonishing—but all incredibly true—accounts not written of in ordinary religious works:

MYSTERY SURROUNDING THE DEATH OF THE FIRST POPE

St. Peter—the first pope—was said to have been crucified upside down. For centuries his exact burial place was unknown until a sixteenth century excavation of Rome uncovered an underground chamber, and removing some bricks, a worker uncovered a grizzly site—a decomposed skeleton. Pope Clement VIII was summoned; with members of his papal court, he hurried to the dark cavity carrying a flaming torch. Clement VIII peered into the void and pulled back momentarily, a look of utter shock on his face. Initially, he was too stunned to speak. Later, he reported that he had had a dramatic vision inside the crypt which ties in with a prophetic warning and a subsequent death. The chamber—thought to be that of St. Peter—was sealed up at once and was only exhumed centuries later by another Pope (again under a veil of mystery and foreboding).

A POPE'S VISION OF JESUS

Though it is not generally acknowledged, one pope on his death bed had visions of Christ and the Virgin Mary, and later experienced another phenomenon often associated with the apparitions at Fatima—the falling of the sun toward the earth. This pope survived his crisis and eventually became a great healer, going as far as to enable a blind boy to see.

THE POPE WHO WAS AN ALCHEMIST AND THE SAINT WHO CREATED A MAN FROM METAL

Alchemy, the ability to turn base metals into gold, was the "chemistry" of the Middle Ages. One pope was known to possess this ability which many good churchgoers associated with the devil. He denied he had this ability, but when he died no one could explain his vast personal treasure including 18 million florins in gold, and 7 million in jewels. In his notes found after his death, he told how he accomplished this feat of magic.

**WHICH POPE . . .
TURNED WORTHLESS METAL INTO GOLD?
SPOKE WITH JESUS? COULD READ MINDS?
ENVISIONED THE END OF THE WORLD?**

This pope also canonized a saint who built the first robot—a man made of metal whom he later broke into pieces, "because the image would not cease talking to me."

THE POPE PREDICTED WORLD WAR I

Over fifty years before the outbreak of the first World War, a pope wrote a letter to the Bishop of Vigevano in which he predicted a terrible outbreak of world tensions and bloodshed, like nothing that had ever engulfed the globe previously. This same pope also possessed the uncanny ability to foresee who was about to die and to heal the ailing.

REVEALED: PROPHECY OF THE POPES

Among the most startling prophecies to be found outside of the Bible were those made by St. Malachi in the 12th century. They concern each unborn pope starting with Celestine II and coming to a halt with the 111th pope (who remains unknown as yet) and the "end of the world." This chapter reveals the untold story behind St. Malachi's prophecies and the forebodings his yet unfulfilled predictions hold for our

immediate future. Careful analysis shows that St. Malachi's forecasts strike an unrealistic similarity to those of the famed seer, Nostradamus.

LEVITATION AND TELEPORTATION

Unbeknown to most is the fact that there are many references of priests, nuns and saints being able to transport themselves from one place to another instantaneously or even to be in two places at the same time. **SECRETS OF THE POPES** tells of many such instances and even recounts how the house the Virgin Mary was born in, later teleported to a town many miles away from its original location (where it remains a shrine to this very day). Learn how this may tie in with the appearance of UFOs in our sky and current research being done by parapsychologists in various research facilities.

DEMONIC POSSESSION

Few can deny the power of the devil and his legion of demons whose ability to possess even the strongest believer is said to be truly awesome. Case histories are given where saints and bishops tackled demonic possession first hand.

THE DEVIL'S HOOFPRINTS OF by Cosette Willoughby NEW MEXICO

THE GOVERNMENT HAS LONG BEEN ACCUSED OF WITHHOLDING INFORMATION ON UFOS. YET, DESPITE THEIR CONSTANT DENIALS, THIS REPORT MADE BY ONE OF OUR OWN READERS CLEARLY INDICATES THAT THEY KNOW A LOT MORE ABOUT ALIEN BEINGS AND THEIR CRAFT THAN THEY HAVE LEAD THE PUBLIC TO BELIEVE.

One bright winter morning my friend Mildred Saunders and I decided to make a trip out 35 miles southwest of Las Cruces, New Mexico to a volcanic area to look for a gem stone called peridot. In this area it is only found around one of the old extinct volcanoes called Kilburne Hole. The road to this volcano is winding and goes about seven miles before you arrive at your destination. Before the end of the journey you have to go through the Braidfoot ranch, a way that is closed to the public last time I was out there. However, years ago we were quite friendly with Mrs. Braidfoot and she told us we were welcome to go through the ranch anytime.

Finally, we arrived at Kilburne Hole around 10:30 A.M.

There is a high sand dune that surrounds the crater and you have to climb it to get into the main volcano. When we climbed to the top of the sand dune we found about 35 or 40 curious looking disc-shaped tracks in the sand. They consisted of four concentric circles with an indentation in the middle. Well, to make a long story short, Mildred told the army at White Sands Proving Ground about it and I told a couple of local newspaper reporters. About a week after seeing the tracks I happened to be down visiting Mildred. (She lives about 15 miles from Las Cruces due south). There was a man sent by the army, who came down from Santa Fe to question us about the tracks we had seen. About a week after that the army and the newspaper reporters spent the night out there. I went out there myself that night and watched for about three hours.

I saw lights on the desert where there shouldn't have been any lights. The crater of Afton is about four or five miles due north of Kilburne Hole and it sticks up like a cone where Kilburne Hole is more flat. Off the top edge of the crater of Afton that night there was a big amber light which would go on real slowly. It was really weird. Another odd thing is this crater is real shallow. I've flown over it and it just looks like an indentation made by a giant ball would if one was set down on the top of it. There is another curious thing and that is in the inside of the cupped-out center there is a hole about a foot across at the most where cool moldy air is blasting out of. The hole is lined with a little moss and is on the south side of the crater. The side facing Kilburne Hole.

While watching that night at Kilburne Hole I also counted eight or ten "things"—objects—that seemed to come right out of the black sky and shoot down into the middle of Kilburne Hole. I call them "tracer bullets" for lack of a better name. The next day when the newspaper fellows came back into town they told of being shot at the night before, and they accused the army guys of shooting at them, but they denied it. Some of these "tracer bullets" I saw that night were red, some were amber and some were green.

Several years passed; then there was a radar station built on the north end of Las Cruces, that is in a direct line with Kilburne Hole. My ex-husband ran a theatre at that time in a little suburb of Las Cruces, called Mesilla Park. Every week, a group of the radar men would come to our theatre to see the show. I got to know some of them quite well and told them once about my experiences at Kilburne Hole.

One evening a Lt. Krunkie called me from the radar base and asked me how to get out to Kilburne Hole. Well, it's a complicated route even if you're familiar with it so I asked him to wait till I talked to my husband and maybe he would be able to take him out there. When I told Jack about it he said "Sure, if he wants to wait till midnight after I close down the show and can get a truck with a four-wheel drive from the C.A.P. So I called Lt. Krunkie back and it was agreed that we would leave right after we closed the theatre.

Lt. Krunkie brought two of his men, and our projectionist wanted to go too. Those three rode in the back and Lt. Krunkie and Jack and I rode in the cab of the truck. The trip was peaceful till just before we came to the gate of the Braidfoot ranch then we noticed the fellows in the back of the truck were seeing something. When we got to the gate leading into the Braidfoot ranch the fellows in the back of the truck were really having fits. We all jumped out of the truck and on the

horizon towards the east were two beige lights which would pop up high in the sky and then go down again. One light was white and one green. This lasted for a few minutes, then we all got back into the truck and headed on to Kilburne Hole.

We arrived on the south side of the crater and I wanted to get as near the north side as we could, so Jack skirted the crater and drove to within about a mile of the spot where I had seen the disc tracks before. After climbing the high sand dune Jack and the theatre operator were too worn out to go any farther, on the other hand, I was bound and determined to see if there were any more disc tracks where we had seen them before. I took a flashlight and struck out down the dune, walking on the top edge. In a few minutes the Lt. and his men caught up with me and we walked quite a little ways when we came to a place in the sand where it was all torn up. For a radius of about six or eight feet it seemed to have been sort of packed down again, and off from this place went (we couldn't tell whether they were going or coming) a set of most peculiar footprints. They were about a foot long and were pointed at one end and seemed to be like a cloven hoof at the other.

These tracks were somewhat like a man's (two in place). We tracked "whatever" it was for about a quarter of a mile and the tracks went on beyond, but we had arrived at the spot where I had seen the disc tracks so we didn't go further.

As it turned out, that evening there weren't any disc tracks and just as we were preparing to go back and join the others, an airplane flew over. We stood and listened till the motors died out in the distance then suddenly from out of nowhere these little rectangular ships appeared. They were about the size of a Piper Cub airplane but looked nothing like one. They made all kinds of funny maneuvers and they didn't make a sound. They seemed to be all lit up inside by a dull fluorescent light and one had a bright white light in the center that blinked. They did all kinds of crazy things. They would fly at one another and you'd just swear that they were going to crash, but right at the last second they would swerve and avoid colliding.

As always happens with the Air Force, Lt. Krunkie swore they were airplanes, while, I for one had never seen airplanes that looked like that, nor have I since. Suddenly the two little ships weren't there anymore and we went back and joined the others. I decided I'd sit in the back of the truck going back so if there was anything else to see I wouldn't miss it. Well, before we reached the Braidfoot ranch one of the fellows pointed straight up in the dark sky and there directly over us but high up was a huge red-gold disc. It looked like it was red hot, gliding leisurely across the sky.

As the years passed, I watched the sky and that area as often as I could. I saw many peculiar things. One thing I observed quite often at night way out on the mesa there would be two lights like the headlights of a car but it would be in an area where it was too rugged to drive even in a jeep and there were no roads. The lights would blink like it was signaling to something or someone. One night while driving out to Kilburne Hole with some other friends, there were two lights that followed our car almost all the way out there and the lights at that time were too wide apart to be a car and they were amber lights. When we would stop the car the lights would also stop. They would come just so close and no closer. Another thing I saw quite often was a circle of light. It would sometimes cross the road right in front of me and several of my friends and my kids saw it too.

During the course of time I got acquainted with Charles Marcoux and his wife. They came down to visit me and we went into the crater area and spent a whole day and that is the time Marc took the movies where the flying saucer flew over my head. That night we drove out again to within good sight of the crater of Afton. The one that sticks up like a cone, and while watching we saw several UFOs fly over this

HOW TO READ ANYONE'S MIND

Truly incredible! Incredibly true! Finally, you can crash the barrier to genuine person-to-person thought communication as you never could before. All alone, with no help, no tricks of any kind, perform the fantastic feat that defies explanation: *Actually visualize ideas, images, and words from someone else's mind right in your own head—as if you were reading the pages of a book!*

Forget about distance! Your subject can be in the same room with you, chatting with you by telephone, or completely out of sight across the country. You still can do it. Accept the unprecedented proposal offered to you in this announcement—and I'll prove it to you.

I know exactly what you are thinking right now.

You are quite intrigued. And most skeptical. You sincerely believe that is absolutely impossible. That *no one* can really read anyone else's mind. From miles away? *Never!*

You have every right to be unconvinced. "Mind-reading" is usually a stunt performed on TV or in a club. We all know that such demonstrations rely on some kind of secret gimmick.

That while it's great entertainment—it's an out and out fake. Certainly not the *real* thing.

The real thing—for use in real life—is what I am talking about. Like you, I was totally doubtful that it could ever be done "off-stage." Especially by the *average* person.

AT LAST! THE REVOLUTIONARY TECHNIQUE THAT TURNS FANTASY INTO SHEER REALITY!

Something happened that converted me from a die-hard cynic into a fervent believer. *The "Mind-Read" Manuscript crossed my desk.*

As a publisher, I read many manuscripts. Yet, this particular one caught my eye at once. I had heard about the author. He is a highly-gifted psychic with a record for pioneering in the field of extra-sensory perception.

His manuscript stunned me. Practically knocked me off my chair. Any lingering doubt I ever had about the "impossibility" of person-to-person mind communication went flying out the window!

I just couldn't believe my eyes. Here it was, in black and white. Written in simple language anyone could understand. An easy-to-learn *break-through* technique to enable an ordinary man or woman to read someone else's mind. Anytime. Anywhere. *At will!*

A TECHNIQUE SO POWERFUL IT MIGHT EVEN BE ILLEGAL!

My first inclination was to burn the manuscript. To destroy it entirely. In the wrong hands, it could be *dynamite!*

Then I had second thoughts. Why should I be a censor? I believe in a free press. So I printed up a limited edition for distribution *only* to those who will use the technique carefully and wisely within the law.

If you are such a person, I am more than willing to let you try it out without your risking one cent. That's how confident I am of the integrity and power of this most innovative technique.

Everything is explained in easy, step-by-step detail. No special experience or education is required. That's what makes it so *workable*.

START READING MINDS TO START A WHOLE NEW WONDERFUL LIFE!

Imagine what it would mean to you to have instant access to another person's thoughts whenever you wished.

You would have immediate, lifetime control over your family, friends, neighbors, business associates—even perfect strangers.

Like it or not, they would come under your direct personal domination. You would know what they were thinking at any given time. No one, not even the sharpest human, could hide a thing from you. Others might be fooled by their words. *But not you!*

You already know why. You would be able to read their inner-most, hidden thoughts. As clearly as if you were looking at the pages of a book set in type one inch high. Without their ever knowing about it! *Unless you, yourself, told them!*

Dealing with the opposite sex would be a pleasure. Imagine knowing in advance just what to expect from your date or mate. No more guesswork. No more wasted time. No more frustration. *For once, you are boss!*

And watch the money roll in. You could out-negotiate anyone in any business situation. "See-through" sales double-talk straight to the plain facts. No one gets the better of you. *Not when you can read minds!*

Whether you're quoting a price or asking for a raise, you'll never short-change yourself. You'll always know the other party's bottom line. *And get it!*

There's no "gamble" in gambling when you bet on a sure thing. You'll smile when you sit down to play poker or blackjack. When you know the other players' cards, *it is hard to lose!*

When a loved one is far away, you'll be at ease. Merely follow the technique to find out what he or she is feeling and doing. It's a lot *cheaper* than a long-distance telephone call!

This is just the beginning. Day-in and day-out for the rest of your life, you will enjoy using the technique in countless ways. To be happier, richer, more fulfilled.

YOU DON'T HAVE TO BELIEVE IT. YOU RISK NOTHING TO TRY IT!

If you still insist that "it's impossible", consider this: Have you ever said something to someone only to have him reply; "Funny, I was just thinking the very same thing"?

Coincidence? Maybe. Or perhaps you have *unconsciously* used the technique without even being aware of doing so. Now you can consciously engage in true thought communication with valuable knowledge like this:

- The first key to mind-reading success.
- 4 ways to reach crystal-clear reception.
- Why an angry person's mind is easy to read.
- How to secretly verify another's thoughts.
- How to read many minds at the same time.

RE-SHAPING AMERICAN HISTORY

THE GHOST OF PRESIDENT ULYSSES S. GRANT ON THE FUTURE OF THE U.S.A.

By William K. Fiaherly

During the first weeks of the cold January of 1981 the Civil War between the States was far from my mind. Here, in Philadelphia, I was much more concerned about the future and had been discussing it with my parapsychology class for several weeks. It was the final week of a ten-week course in studies of unknown phenomena, the subject matter concerning validity of psychic predictions. The Civil War or any reference to it never entered our curious minds. I have never felt any affinity to that particular period in history, my only interest the movie version of *Gone With The Wind* which I must have seen five times!

This, however, is an account of the continued existence of one of the most famous men in American history whose physical death did not at once spell out the end of his many earthly sufferings and mental torments, who found his spirit wandering in the grayness of some kind of purgatory of his own making until one day eleven years ago he received his heavenly peace through the kindness and understanding of a gentleman in Illinois.

I knew little of President and General Ulysses S. Grant. Until that winter I knew scarcely more about him than his fame as the leader of the Federal Army in 1861-1865 and later as President of the United States with a record of scandalous administration. Being a southern sympathizer of sorts—having lived in Virginia and West Virginia most of my life—I have always sided with the Confederacy in some obscure way, Lee seeming a much more romantic figure than the brooding Grant.

It was a cozy winter evening just before Christmas in 1980 and the fifteen students in my large living room were excited not only because of the holiday season but because I had promised them that we would devote the closing hour of the class trying to establish a direct contact, if I could, with some unknown spirit or something similar before winding things up for the evening. It would have been all but impossible for us to conduct a formal seance under the noisy conditions in my spacious apartment, but I volunteered to unearth an old Ouija board for the group and explain its working to them. Some of them wanted no part of this mysterious little composition board with its letter and numbers

and spooky symbols. But one gentle lady of Indian descent, Lois B., agreed to work the instrument with me. Though Lois and her husband, Jerry, were both students of mine, neither had ever had contact with a Ouija board.

Since 1969, when I had taken occupancy in a so-called haunted

house, the spirit world had quickly opened up for me and no contact with those who have passed beyond has since frightened me in any way. My five years in that house with its resident spirit (and several others as well) had been the turning point in my accounting career and rather empty pursuit of the meaning of life. I

began a serious study of the occult world and before long was head over heels into the bright science of metaphysics with its unrevealed mysteries. In time I began to teach subjects of which I had had no knowledge five years earlier. Not only had a new world opened for me but an entire universe unseen and unheard. Before long my own mediumship was a recognized gift in the Delaware Valley. With a prior religious background I later began my own spiritual church services.

Ouija boards were not new to me, but I had never become really interested in that type of a spirit communication except on one occasion in 1971. A friend had suggested to me that he would like to work a board with me and we would invoke anyone available! Both of us were skeptical but we did manage that evening to carry on a three-way conversation with an aged Indian who said he had died in Utah many years ago. There must be millions of Indian spirits running around in the unseen worlds, everyone seems to latch on to an Indian sometime or another! The Indian had absolutely nothing profound to say to us. I believe he was as bored as we were. We cut the evening short and learning nothing. Besides, during that period, I was much more enthralled with the actual voice I heard of my own earthbound entity who resided with me in the small townhouse that had been built in 1880. In addition, there were three other "higher" spirits who had made a sudden appearance at the foot of my bed one evening. These beings claimed their intentions were to provide me with knowledge and instruction for my future work in the metaphysical field.

"It is time you began to work," one of them said.

The Ouija board went back into the closet until December, 1980. I had moved from that house in 1976 into a large high-rise complex but I carried the board with me. Who knows when it might come in handy? Besides, it cost money.

Lois and I sat down at a small table and placed our fingers on the triangular pointer. It moved almost at once in a circular pattern, then stopped abruptly. In another moment it began to move again from letter to letter until a word, GUNTHER, was spelled out. It stopped and we stopped. My other students became panicky at the probable intrusion into their class of some unknown force! They insisted we stop with the board at once or they would all leave. So we stopped.

Months later, Lois and I were told that GUNTHER was actually a

friendly spirit who had once been a European clown in earthly life and roamed about now still trying to amuse people when he could make contact.

Communication with spirits, any kind, good or bad ones, is frowned upon by major religions and with that terse statement I must leave you to judge for yourselves not only my own intentions but the motives of those who seek to prove that death is truly only a new beginning to an existence beyond any stretch of the imagination.

A medium is a person gifted in any way with the faculty of being able to communicate with the spirit world. Some mediums have more diversified talents than others. Some go into trances and allow spirit voices to speak through them, others are able to see and hear the unseen and unheard presences around the rest of us. There are mediums who practice automatic writing and there are what we call mental mediums whose abilities include "listening to voices" inside the head. Actually the voices seem to penetrate the mind and being rather than heard through the ears. The validity of such powers one must judge for himself. My own abilities seem subject to change. In the present day and age communication with spirit beings to be on the increase. Development of mediumship has become openly available through courses from many serious teachers but I feel true mediumship a trait dependent upon many factors in one's life.

I had my first actual vision of a speaking, materialized spirit form in 1955 on the night of my mother's death when she visibly appeared and spoke to comfort me and verify her own survival. Today, I hear the voices both mentally and audibly. I am able to accomplish some automatic writing but I am not proficient at it.

Early in January, 1981, Lois and her husband Jerry asked if I would be willing to participate in another session with a Ouija board, this time privately in their home. I agreed and on January 5 we began to continue the experiment with the little board, this time Jerry and Lois' own board which they had just purchased at a toy store. The pointer moved rapidly, so fast we requested that it slow down! Within minutes we found ourselves in deep conversation with a long-dead Irishman who pleaded with us to help him escape from his dark tormenting world. He insisted he had known Jerry in a prior lifetime in Ireland. We asked prayers and help for him and to the best of our knowledge he left us that evening on his way to a brighter world.

Three days later we decided to try again. It was becoming interesting to my two friends, their first contacts with the unknown. On this occasion Gunther answered us and gave us a long description of his life in Russia. Several hours later we took a refreshment break and when we returned to the board a new

personality was there to greet us. Gunther was gone.

The pointer moved slowly and deliberately without any effort.

I HAVE WAITED UNTIL NOW.

"Tell us your name," I inquired.

MY NAME IS BRIAN MACGUIRE.

The letters were spelled out with no hesitation.

Brian Macguire informed us that he had been following me about silently for several months hoping for some opportunity to communicate with me but had been unable to do so until this time. He had waited, he said, for the Irishman and Gunther to leave for that opportunity. That evening he gave us a description of his early life as a railroad man in Portland, Oregon, passing on in 1929 from a heart attack. Brian Macguire exists, he said, in one of the bright heavens on what we in the metaphysical field call the Astral Plane. We spent the entire evening conversing with him and he provided as much knowledge as he could about his home sphere and its eight million souls. He seemed happy and content.

Now, over four years later, Brian Macguire and I have become close friends, though worlds apart, and the communication barrier no longer exists; we converse quite well both mentally and audibly. Since I am not a trance medium a planchette can be used if others wish to hold a three-way conversation with him. This early form of communication grew unnecessary once Brian stated that I had enough mediumistic talents, as well as Lois, to enable us to converse in other ways.

What about Ulysses S. Grant?

Several sessions later Brian Macguire answered when I asked, "Have you had any contact with anyone on your sphere who was once famous on earth?"

"Yes," he replied, "Grant...sorry, President Grant. Also, I have met Andrew Jackson."

President Andrew Jackson?

"Where is Jackson?" I asked.

"I don't know," Brian answered, "Possibly back on earth by now. I haven't seen him in a long time but Grant is still here."

NEWSFLASH! From across America comes

Here is undisputable proof that Lucifer, God's "fallen angel," is alive today and thirsting not only for human souls, but is determined to possess and ravish our physical bodies. Through such ravishings he is able to increase both his physical strength and grow in power until he engulfs the entire planet.

Even now, reports of actual "physical attacks" of a bizarre sexual nature are increasing in number on almost a daily basis.

DEMON LOVERS is not fiction! And while it may read like a bone chilling novel similar to "The Exorcist" or "The Omen," parapsychologist Brad Steiger certifies that every story in this book is absolutely TRUE! Much of the spellbinding information contained within its pages is, in fact, based upon personal correspondence between the author and readers of his many books which number 100 different titles, with well over 15 million copies in circulation internationally.

Brad Steiger is a former teacher of world literature and creative writing who is recognized as both a talented Hollywood script writer and America's foremost authority on psychic phenomena. Because of the controversial nature of the subject matter in DEMON LOVERS, Steiger and the publisher warn that this book is NOT for the squeamish, "It is," says Steiger, "for those who seek spiritual enlightenment and wish to know what these negative, demonic, forces are up to and possibly how to stop the 'Prince of Darkness' before he has gotten totally out of control."

The following is just a partial sample of the dramatic material exposed in DEMON LOVERS.

Find out about:

- Ghosts that torment lovers and create havoc in the bedroom.
- The mysterious link between puberty and poltergeist.
- The terrible hungers of real-life vampires, werewolves, and ghouls.
- What love is like in the spirit world.
- Out-of-body astral sex.
- Possessed love affairs.
- The dark passions of Satan.

PLEASE NOTE that while DEMON LOVERS is sensational in content, it is also highly authenticated with an introduction by noted psychologist, Dr. Barbie Taylor. Also, DEMON LOVERS is not a small pamphlet. It is 200 pages in length, with a three color, laminated cover and is richly illustrated. It should, without a doubt, prove to be one of the most unusual books you will ever own as nothing has ever been published like this before

FREE "DEVIL'S TRAP"

WILL PROTECT YOU FROM HARM

WARD OFF EVIL

The ancients—as well as many people today—believe strongly that evil can be warded off through the use of magical charms and amulets. During Biblical times the Magi, or "Wise Men" carried with them a sacred talisman they received on their JOURNEYS to Fes. Known as the DEVIL'S TRAP, it had secret Arabic hieroglyphics inscribed on it which they claimed enabled them to do God's work without undergoing any harm from Satan. This talisman has been handed down and preserved to this day by students of the occult mystery schools, though it is not in wide circulation otherwise. Readers of DEMON LOVERS will receive a copy of this DEVIL'S TRAP talisman printed on fine quality parchment-like stock, FREE of additional charge. Post the talisman over your doorway to protect and bless your home, or carry it on your person to ward off negativity and attract good luck. (Talisman not necessarily endorsed by the author.)

SUPER DELUXE EDITION A LIMITED COLLECTORS ITEM

Serious students of the mystical arts and spiritual subjects may wish to receive the super deluxe edition of DEMON LOVERS which has been beautifully hand bound between hardcovers for permanency. Each copy is gold lettered on the spine and has been numbered inside, making this a true collectors item. In addition to this very special edition of the book, we will also send to each buyer the DEVIL'S TRAP as detailed above—except the super deluxe edition will include this charm in the form of a gold plated amulet suitable to be worn as a necklace or pendant. Please check the appropriate box in the order form for this additional value.

BRAD STEIGER

In 1977 Brad Steiger's biography of Rudolph Valentino was made into a motion picture by British director Ken Russel, starring ballet great Rudolf Nureyev as the immortal silent screen lover. His most popular books in the New Age/Occult field include the "Star People" Series, LOVE FORCE, MYSTERIES OF TIME AND SPACE, THE DIVINE FIRE and GODS OF AQUARIUS: UFOs AND THE TRANSFORMATION OF MAN. He has appeared as a guest on the Mike Douglas and David Susskind shows, and his TRUE GHOST STORIES is in the process of being made into a Broadway musical.

Frances' abilities as a channel and her visionary insights into what she interprets as the Divine Plan of the Source, have been able to assist many to free themselves from such negativity. Frances stresses that one must live in harmony if he or she is to avoid what is known commonly as "evil," and her clear instructions make certain that everyone may exorcise such negativity from the personal life experience.

The following tragic case from my files came to us as a report from a registered nurse. Regretfully, the unfortunate events had played themselves out before either Frances or myself could interact with the Limbo Spirit. This case remains, however, as a very frightening and graphic instance of possession as told by an intensely rational and practical individual, whom we will name Caroline Spencer for purposes of this narrative.

Nurse Spencer specializes in private care. Some years back she received a job offer from a young businessman whose wife had become crippled in a bizarre hunting accident. The couple had no children, and the wife was greatly in need of regular professional care. She was also quite lonely, as her husband was forced to travel a great deal because of the nature of his business.

"Mr. Easton had told me that his wife was an absolute saint," Caroline stated in her harrowing experience. "He told me that Sarah never complained."

Almost within an hour of making the necessary introductions between nurse and patient, Mark Easton left for a three-day business trip. "I know that you and Sarah will get along just fine," he said as he kissed his wife goodbye and shook Caroline's hand.

Caroline smiled her agreement, puffed up Mrs. Easton's pillows, and left the bedroom to make her patient a light lunch. When she returned a few minutes later, she was shocked at the change in Sarah Easton.

"Her eyes had a strange cast to them. There almost seemed to be a dark flame flickering behind each of them."

Caroline set the bowl of soup down next to the bed. "Is there something wrong, Mrs. Easton?"

Sarah Easton winked at her and licked her lips in a suggestive manner. "Nothing at all, babe," she said in peculiarly deep voice. "I know you will make things right!"

Then, according to Nurse Spencer, her supposedly saintly patient, the one who "never complained," forced her to put in an exhausting night. Every few minutes Mrs. Easton would summon Caroline to her bedside on some pretext—to fluff up her pillows, to bring her a glass of water, to adjust the television set. When, after several hours of such demands, Caroline suggested that they both get some sleep, Mrs. Easton laughed and told her: "I don't need to sleep, and you, my dear, are not going to get any!"

The next morning, she mocked Caroline by telling her how tired and worn out she looked. "You could use a beauty nap, my dear!"

Nurse Spencer decided to call Mrs. Easton's doctor and arrange for some tranquilizers. She had had enough of the *unsaltny* woman who *never ceased* complaining. Tonight she would get some rest.

Caroline had no sooner cradled the receiver when she was startled to hear a deep male voice singing the bolsterous lyrics to an obscene song. Incredibly, the voice was coming from Mrs. Easton's room.

"For a moment I thought I was losing my mind," she admitted in her report to us. "The deep, foul voice was coming from Mrs. Easton's own throat."

As Caroline Spencer stood there in astonishment, the coarse voice scolded her for having been a tattletale and having called the doctor. "You're going to be in for a real surprise, you worthless slut," the voice warned grimly.

Caroline met Dr. Phillips at the door. "Mrs. Easton kept me up all night with senseless errands and lectures about my incompetency," she said. "Now she is somehow speaking in a coarse, masculine-sounding voice and shouting obscenities at me."

The patient's voice was anything other than coarse when Dr. Phillips entered the bedroom. Mrs. Easton spoke in a cultured, well-modulated tone. She was sweet, pleasant, the very picture of the long-suffering, but understanding, ideal patient.

The doctor seemed very annoyed with the nurse who had summoned him out in the country for what would appear to be a fool's errand. "Before he left," Nurse Spencer recalled, "he told me that he could see no reason to prescribe additional medication for Mrs. Easton. In a very curt manner, he suggested that I could benefit more than she from such a prescription."

Dr. Phillips had been gone for only a few minutes when Mrs. Easton's bedroom was filled with the sound of the deep voice howling with laughter and delivering ugly curses at Nurse Spencer.

"For two nights I bore the curses and the foul language of that terrible deep voice that boomed from within the crippled woman," Caroline Spencer said. "I am sorry to admit that I once actually thanked God that the patient was crippled, because I had come to fear for my life. Once when I was attempting to bathe Mrs. Easton, her hand shot up to grab me

by the throat! I nearly blacked out before I managed to tear those awful, grasping fingers from my throat."

After Caroline had collapsed to the floor and sat there gasping for breath, the perverse voice growled approvingly at the display of her legs as her skirt hiked above her thighs. "I know that you'd be great in bed, honey. I bet you can really show a man a good time. Maybe I'll come into your bed tonight and find out."

Caroline Spencer told us that she looked up in horror at the black eyes that were gazing down at her with such lustful approval. Dimly, in the back of her mind, strange thoughts were beginning to form, thoughts that had long ago been banished by her scientific training.

The foul voice laughed in raucous recognition of the unspoken process churning around in the nurse's mind. "I think you're beginning to get the picture now, eh, sweetheart? Mrs. Easton, like hell! You come close to me again, you slut; and you'll find out who I really am."

The nurse confessed that she withdrew from the room in terror. She was confused by the bizarre behavior of her patient. She was frightened by the implications. Was she safe alone with a potentially violent woman? My God, she wondered, what if the patient was not really crippled and would attack her while she slept. What about the threat to "come to her bed" that night?

Caroline had finally dropped into a fitful sleep when she was awakened by the sound of soft weeping coming from Mrs. Easton's room. When she investigated, she found the woman lying in a state of confusion.

"Who are you" she demanded tearfully. "Where is my husband?"

Nurse Spencer softly explained who she was and the absence of Mr. Easton. She was amazed to see that, in spite of the ravages of the accident and her previously haggard appearance, Sarah Easton was now much more attractive.

Mrs. Easton clutched at the sleeve of Nurse Spencer's uniform. "Oh, please, Caroline, keep him away from me. Whatever you do, keep that ugly brute away from me. I can't stand his touch on my flesh. I cannot bear his loathsome manners."

Nurse Spencer fed Mrs. Easton some soup and took advantage of the change in behavior to bathe the woman. She talked soothingly to the trembling woman, held her in her arms for a few moments after she dressed her in a clean nightgown. She left her patient sleeping peacefully.

"If I hoped that I would have some sleep of my own that night, I soon found that I was mistaken," Caroline reported. "I had barely lain down on my own bed when I heard Mrs. Easton vomiting."

And above the sound of the violent retching came the sound of that same, gruff, angry voice, "No food for you, my lady Sarah! No food for you, you fancy wench. No food for you, you slut!"

Caroline ran to her patient's room, shuddering her own confusion and fear. The deep voice roared over and over again the threats of "no food," as the poor woman continued to retch.

Nurse Spencer ran to Sarah Easton with cold cloths, but she was given no opportunity to clean up the mess. "Let the slut lie in filth and vomit!" the angry voice commanded her. "Let the wench die. I'm about to stop her heart and take her away with me. You come closer, and I'll wring your silly neck. I'll snap it like a bird's."

The unfortunate woman's body was writhing about on the bed as if some terrible puppetmaster were yanking at invisible strings. It was at that time that Caroline permitted the previously unrealized thought to escape from a corner of her brain where she had kept it chained: *Sarah Easton was possessed*. In a way Carolina might never understand, she stood before another human being who somehow harbored an alien entity within her body.

Nurse Spencer thought back to the religious training of her youth and her childhood. "I know what you are now," she spoke, timidly at first. "I will not permit you to have this woman."

"You cannot stop me, you pitifully weak pig!"

"With God's help, I shall!" Caroline answered the threat.

The nurse spoke on of God's love and of how God answered prayers. The thing that had entered Mrs. Easton clamped palms to her ears and screamed that it would not listen to such talk. While the blasphemous entity was thus distracted, the nurse cleaned up the vomit that had spewed out of the woman.

"I spent the night singing the old hymns that I had loved so well as a girl attending the old country church of my childhood," Caroline said. "The voice tired to drown me out with its own obscene songs, but I did, at last, manage to quiet it down enough so that both Mrs. Easton and I could get a little rest."

When Mark Easton returned that next afternoon, Caroline's haggard appearance told him that his worst fears had been realized.

"I had hoped she might be different for you," he said after he had begged the nurse's forgiveness for having deceived her about the true nature of his wife's affliction.

"I was too exhausted to be angry at him," Caroline wrote in her report, "but I did insist that he tell me the entire story."

Easton told the nurse of how they had found his wife's body lying inside an old stone hut on that day of the hunting accident. No one could ever understand why she had gone into the hut or how she had accidentally shot herself. The only theory that they had developed was that she had set her shotgun against a wall and it had slipped off the moist rock and gone off when it had struck the floor. The pellets had damaged her spine and had rendered her paralyzed from the waist down.

For some reason, Caroline wanted to know about the old hut. To whom had it belonged?

"No one special," Easton answered her. "Just some crazy old recluse. Used to hear him singing dirty songs when I was a kid. The rumor was that he had once raped and murdered a woman. It was pretty well established that he had been a wife-beater. He died in that old hut hating mankind—and especially womankind."

Easton seemed annoyed with the digression. He could not understand why the nurse wanted to hear about some old hut while his wife lay in pain and in mental confusion.

"The important thing," he continued, fighting to hold back tears, "is that my poor, kind, beautiful wife has been transformed into some kind of lunatic by that awful accident. How that deep voice comes out of her, I'll never understand. And she never used language like that before in her life, I swear it to you!"

All that night, the voice kept up a dreadful howling sound, supplemented by snarls and curses of a particularly obscene nature. Caroline spent most of the night in prayer, beseeching the heavenly forces to spare the woman such awful torment.

At almost the same instant over a small breakfast that Mr. Easton had prepared for the two of them, the exhausted nurse and the grieving husband realized that it had suddenly become silent in Sarah's room.

"I have seen death in many manifestations," Caroline commented, "but I know that I shall never see the equal of what I saw in that room on that morning. Sarah Easton's facial features had been distorted into an expression of malignant evil. The face lying on that pillow resembled that of a gargoyle or some hideous demon."

"Somehow I managed to control my revulsion and check for pulse and respiration. There was none. Perhaps God had heard my prayers and granted Sarah release from the obscene entity that had possessed her."

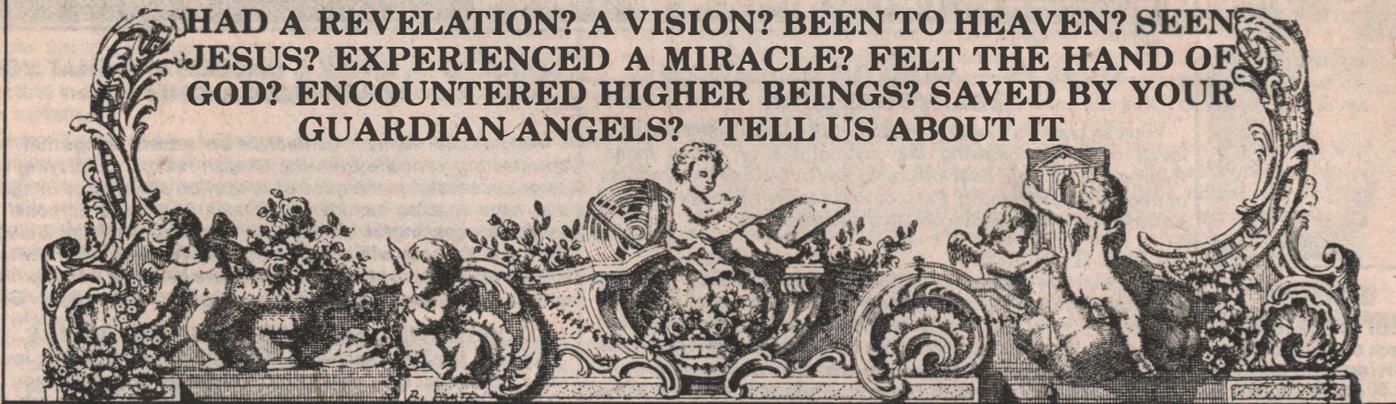

"I returned to Mr. Easton and told him that he should not enter the bedroom. He should remember his once-beautiful wife as she had been. He would not have recognized the features that had replaced her attractiveness."

Caroline Spencer later learned that Sarah Easton had been buried quietly with a closed-casket funeral. Someone close to the Easton family informed her that the mortician had worked for several hours on Sarah's face, but her features continued to slip back into that horrible grimace. "While it is true that whatever had possessed Sarah Easton appeared to have won a physical victory," Caroline Spencer concluded her report, "I pray that it had not been able to claim her soul as well as her body."

SIGN OF THE TIMES

Toward the close of the last World War, some American G.I.'s visited Theresa Neuman of Bavaria during the German occupation. As devout Christians, they asked the Stigmatist to come to America where she would be safe.

Theresa replied that she liked and appreciated the American soldiers, but her place was in Bavaria. She offered them help, though, through the following prediction concerning the United States.

Theresa said that America's charity pleased God: America's kindness to those in need; her sharing her blessings with less fortunate members of the human race. As a reward, Theresa said God would spare America the scourge of concentration camps, but He would bring Americans to their knees and away from sin through the elements. He would purify our Country with disturbances in nature until Americans learned to do God's will and keep His commandments.

The events of the last few years would indicate that there is something to this prediction. There has been an increase in earthquakes, volcanic eruptions and disasters of all kinds. The recent tragedy with the nuclear power plant in the Soviet Union is another "sign of the times." Your message in *PSYCHIC & UFO REVELATIONS IN THE LAST DAYS* is more important than ever before. Mankind must learn to live in peace and harmony.

AMERICAN INDIAN PROPHECIES

I received Tim Beckley's "PSYCHIC & UFO REVELATIONS" book and, believe it or not, I see these things that are written in there. Two days before the space shuttle blew up, I saw it blow up and called a high school teacher friend and told him what I had seen. It was shot down by an "invisible ray" from space. This same shuttle, which aborted last October 8th, was bombarded by space rays. I am an 82 year old Indian Chief of the Sioux-Cherokee Nations.

I also saw John Kennedy's death two days before it happened, and this can also be verified by a witness. Most of our people are psychic. I know of another person, a Canadian Indian named Wallace Mountain Horse Sr., who also saw the space shuttle disaster.

EDITOR'S NOTE: Thank you Chief White Wolf for your blessings and your prediction. We have long been aware of the spiritual nature of the Amerindian tribes. In *PSYCHIC & UFO REVELATIONS*, for example, I spoke briefly of the Hopi prophecies concerning the "last days." We have also covered such prophecies in previous issues of this magazine. But our most important contribution to this area of New Age interest is a book we will soon publish. Written by Brad Steiger, "AMERICAN INDIAN MAGIC—SACRED POWWOWS & HOPI PROPHECIES" is guaranteed to become a classic. We are just now having the book typeset and are picking

the photos from Brad's private collection. With a little bit of luck, *AMERICAN INDIAN MAGIC* should be ready to hit the mall in September. Naturally, we will advise all our loyal readers when it becomes available. In the meantime, we continue to look to the American Indian nation for knowledge and guidance to pull us through this troubled era in which we live.

ANGELS & THE SMELL OF ROSES

I thank you for the book *ANGELS OF THE LORD* by Art Crockett. A few days after I started to carry the special talisman and prayer to attract your guardian angel, I began to experience the smell of sweet rose perfume. The first day I had it on me, it was a misty morning and I was out walking when I suddenly realized I was surrounded by a rainbow of about 200 yards in diameter. Please keep me on your mailing list. READER PROCLAIMS: "CROSS OF CRYSTAL ABSOLUTELY AMAZING"

I'm truly shocked. This "Cross of Crystal" that goes along with Diane Tessman's book, *THE TRANSFORMATION*, is absolutely amazing. I have never been so lucky before in my life. On the first day I wore this cross, I got a big raise. It was only like 5 or 6 hours after wearing the cross. Also, I got quite a few invitations to shows, movies, dances, etc. And, I made some new friends, many of them are girls, especially this girl named Sherry. This cross is so amazing, for example, I went shopping and I bought something that I couldn't afford. I paid a little bit—not even half—and the sales person paid the rest including the tax. The cross is also mysterious. Sometimes, when I walk alone in not so well lit places, I will start to run as if I am being controlled or something. I have even gotten some form of ESP, as I'll know when something bad is going to happen. I can sense it. It's truly amazing. So much more I could tell you.

SIGNAL FROM THE BEYOND

Since the age of 12 I have had many experiences which I cannot explain. One of the most recent occurrences took place on October 9, 1985, at 9 A.M.

I was standing at the kitchen sink washing off some grapes to eat after having meditated. I had undergone many months of heavy trials and tests and had asked God to show me a sign...to let me know that he was really with me. But, I had forgotten that I had made such a request when suddenly I felt the presence of something come into the room and stand at my right side. I even turned around to see if anyone was there and that's when I felt the touch of a hand on the right side of my head. I stood frozen for a second or so before I could move again. That same night at 4 A.M. I

NUMEROLOGIST PREDICTS \$25,000.00 LOTTERY WINNER

Lucena Kilburn wins \$3050.00 at Bingo.

"All my life I never win anything. I bought different kinds of good luck charms but it never did help me at all. I'm so disgusted that I was ready to quit playing Bingo. Then I happened to read your advertisement in the newspaper.

I never dreamed that you'd be the answer to my helpless situation. From the bottom of my heart, I thank you very much for helping me out. This I don't believe. I win at Bingo continuously. Three times for \$500.00, twice for \$300.00, three times for \$250.00, and a couple of times for \$100.00.

I can prove it because this town is a small place and they'll know it right away. I was being paid by check. More power to you Gela and keep up the good work."

Sincerely, Mrs. L.D. Kilburn

awoke when I felt a touch on my back. I jumped up in bed but there wasn't a soul there so I went back to sleep.

One thing that confuses me is that if this was a good thing, why did it scare me so?

Bennie Holloway
Millbrae, Calif.

EDITOR'S NOTE: Who wouldn't be scared by someone touching them in the middle of the night? I know I would be. I know I've had several experiences as a child and I was petrified. It's a normal reaction to be scared by something you can't see or touch, but that doesn't necessarily make it bad. One thing I've found out is that like attracts like. So, if you are a person who surrounds yourself with positive vibrations, nothing dark and sinister can get to you. If you want a good background on invisible beings and other realms, may I suggest you read UNSEEN KINGDOMS by Bill Cox which we publish. Bill has been a student of the esoteric for many years, and he has defined for the student many of these entities that co-exist with humans in unseen realms. Many of our readers have told of having experiences concerning their guardian angels. Others say they have spoken with friendly space beings who can dematerialize in front of their eyes. While others speak of spirit entities. There is much to know and learn, but we should search out the good in all of this and not dwell upon the negative, though we certainly should be aware of its existence and know how to combat the dark side of the universe. Best of luck in your search and by all means keep us informed.

—Tim Beckley.

A CHANNLED MESSAGE FROM HILARION

In both UFO REVIEW & INNER LIGHT, you speak of channeled messages from highly evolved extraterrestrial beings. In the book THE NEW WORLD ORDER, you published some 32 channeled sessions from members of the Ashtar Command. Well, this is to let you know that we in Canada also have been receiving messages of a similar nature purported to come from the same sources that you speak so highly of. The following message was telepathically beamed to earth by the space person who calls himself Hilarion. I thought you would like to share this with your readers:

I am Hilarion. The series of messages you have received from this source has been designed to promote group meditation and prayer on a quarterly basis. The results of this enterprise go beyond our expectations by far, and we are overjoyed by the enthusiasm which has been shown not only for the concept, but for the unity of purpose which has been

Solar Powered Necklace Relieves Anxiety, Depression, And Fatigue, While Increasing Vitality

Gentle Forces Of Solar Energizer Worn As Necklace Floods Body With Revitalizing Energy From The Sun

Users Report...

- Increased Energy
- Elevated Mood
- Feeling of Well-Being
- Improved Sleep
- Reduced Tension
- Relief of Pain

New Science of Bioelectronics

The effects electronic fields on the human mood and energy levels have long been known. Ionized air, lunar cycles and solar flares, and increased electrical activity during and preceding a storm are all known to effect the way we feel and act. But the correct techniques for controlling these forces to improve human health have been very elusive—until a recent breakthrough made by a remarkable Israeli inventor during his extensive research in the field of bioelectronics.

Simple Method of Energizing the Body Discovered by Inventor

In the early sixties, Leon Halfon joined the staff of the famous Dead Sea Clinic. He became part of a team that was developing methods of treating headaches, tension and insomnia with externally applied electrical energy. The dramatic results achieved by the clinical team inspired him to begin research on his own into ways of applying this knowledge to benefit people in all walks of life. His effort lead him to the discovery that a continuous flow of low-yield energy into the body would create a POWERFUL ENERGIZING EFFECT on the physical and emotional state of the recipient. And this energy could be easily supplied by the small solar cells used to power spacecraft!

A Functioning Space-Age Power Source

The "Solar Energizer" is more than just an attractive necklace—it is a functioning space-age power cell that delivers a continuous supply of energy when exposed to light. The positive and negative electrodes are formed by the chain, which delivers a gentle and continuous flow of ENERGIZING POWER THROUGHOUT THE BODY of the person wearing it. The energy produces no tingling sensation on the skin but any simple electronic multi-meter will detect its presence and verify that the energizer is working.

Renewed Energy Lets Body Heal Itself

After wearing the Solar Energizer, most people report increased energy, a feeling of

well-being, more relaxed and restful sleep—and many people report relief from chronic pain and headaches. Relief comes from the body's own natural ability to heal itself once it has the needed energy and vitality to do so.

Dramatic Improvement Within One Week

Although many people report a definite change in their mood and energy level within the first one or two hours, full beneficial effects take place gradually over a period of days. During tests with volunteers in Southern California most of the participants reported a dramatic improvement within one week! Increased energy, elevated mood, calm restful sleep, and reduced tension were all commonly reported. A common thread with many victims of chronic pain was an initial feeling of needing to sleep which was followed by an improvement of symptoms after the needed sleep was gained.

U.S. Patent Office Awards Patent

The Solar Energizer is a patented device that has been subjected to a thorough review by the U.S. Patent Office. Patent Number 4,173,229 was issued on November 6, 1979. The Summary Of The Invention begins with: "It is the object of the present

invention to provide an improved and decorative therapeutic adornment or jewelry object operable to generate a beneficial flow of electrical current through the body of a person wearing same".

30 Day Money Back Guarantee

Use the Solar Energizer continuously for 30 days and let the results speak for themselves. If you are not satisfied with the performance of the Solar Energizer, return it to us for a full refund!

For Men and Women

The Solar Energizer Necklace is attractively styled and may be worn by both men and women. Each energizer comes in a velvet jeweler's pouch and includes complete instructions and recommendations for correct wearing and use.

demonstrated by those directly involved in it. We will take a slightly different approach in the succeeding messages, and do so through a new channel, who has a special affinity to this work.

In the months and years ahead, the human family will be required to change its ways radically if it is to survive the cleansing of the planet necessary to its continued ability to support life. To do this, each of you will be required to raise your vibrations to a point where this will be possible. It is not an easy task, nor yet is it difficult; for once begun, it is virtually automatic. Logically, therefore, the difficulty arises at the beginning of the process.

We promise to help you to achieve this goal. It will require your application far beyond the confines of thirty minutes united in the common bond of visualization and prayer for peace four times each year. Indeed, it will require your concentrated efforts for as long as it takes for you to realize your objective. This goal is simply unity with the Source of All Creation, and it is available to each of you who reads this message.

By no means do we intend you to interrupt the pattern of the quarterly meditations. Upon this design has been constructed the basis of a powerful tool for the salvation of the Race. We have demonstrated, to our complete satisfaction, that the power of a sufficient number of human minds lifted toward spiritual goals of Peace and Love can raise the consciousness of all Humanity. We propose to build upon this concept, and guide you into limitless possibilities for the expansion of the Light upon your planet.

This will be accomplished in a number of ways. First and foremost, you must ask. No spiritual entity is allowed to interfere with human action until requested to do so. When you have asked in prayer or meditation for us to assist you, then the door may be opened wide, and help forthcoming. You must never think yourself unworthy of this assistance, nor should you ever consider that it might be inconvenient for us. We receive our greatest reward from service, just as you are learning to do; and it brings us great joy to help our brethren who are struggling to raise the Light of Planet Earth.

That which you have set out to do may at times look very difficult to you. Let that never deter you. We are with you, and hosts of Angels are at your call. Never fear the consequences of your actions for the Light, for all must ultimately turn out for the best when Light is served. Our message to you is clear and simple. As you aspire to raise your consciousness to us, so it will be possible for you to do so. Seek, and you will find. Doubt not this simple statement. As you seek ever more intensity, then you will find you Creator ever more quickly; for you see, He has never been absent. He has been with you always, and your separation but an illusion. We will help you to dispel this illusion as you call upon us to do so.

The time for this action is now, and the Creator of All That Is is waiting for all His children to come home. The banquet table is laden, and all is in readiness for the feast. Come, children of the Light. Reward us by asking us to show you the way. The greatest event in the history of the Race of Man is about to occur. Your part in it is vitally important.

Join in prayer and meditations at the time arranged for you, and take the extra step to help yourself up the mountain side; for by doing so, you raise the level of all your brethren. We, who watch your progress with deepest love, long to help you take your first halting steps toward home.

Hilarion.

For those interested in taking part in this meditation, special days have been set aside for this New Age work. The dates given by Hilarion are June 21, September 21 and December 21. A lot of us here in Canada will be participating on these dates. You are welcome to join us all over the world to meditate and pray for peace.

HERBS AND THE NEW AGE

I have studied herbs for a long time and thought your readers would like some information on this fascinating subject.

There are those that say herbs which are used for occult reasons are evil. Only for harm and destruction. Though opinions often differ on any matter of value, you must admit an herb doesn't have any control over the use it is put to. Only the person using it. Many misconstrue the meaning of the occult and thus confuse the issue. It is only that which is considered mysterious, supernatural, the unknown. With the right knowledge it can do wonders.

As an example: there are sixteen magical plants of power, written of by the well acknowledged Albertus Magnus. He also includes the time, season, appropriate way for picking the herbs, and the uses. To some extent medicinal, some to attract love, money, power, control and numerous other purposes.

Herbs, roots and bark have been employed since ancient times. By

Druids, Romans, Egyptians and diverse unknown cultures, priests and sorcerers down through the ages. The knowledge has been passed through sects and through ones of power.

There exist a number of books available on medicinal herbal uses. Most will say not to use them instead of a physician. There are also a number of books for the occult use which let you know what to mix them with, and for what purpose. Authors of occult and other books don't always give the same uses for an herb; however, that is only due to its versatility. Mainly in dealing with the occult, herbs are utilized to cast spells. They vibrate to certain planets, angels, days and hours.

At times they are used as extracts, in tea, used in baths, worn as a talisman, buried, sprinkled, and thrown to the winds. Used as needed for divergent purposes such as: protection or hexing, to make wishes come true, to attract or hold love, money, power or control. Any intention you may conceive, can be helped one way or another with an herb.

Some of the most well known are chamomile, mugwort, comfrey, vervaine and nettle.

Chamomile for instance, may be incorporated in various ways.

Externally: skin—for wrinkles and facial steaming; hair—for blond highlights as a rinse and for softness; eyes—compress; bath—soothing; pain—as poultice.

Internally: sleep—tea; tonic; appetite—improves; nervous disease; **Occult:** and aides in a weak stomach.

gambling (especially cards)—wash hands in brew for luck ahead of time; love—mix with lavender and put into your clothes drawer.

Herbs, though not necessarily understood in occult use, have been so employed for thousands of centuries. Nothing that stays with us such a length of time, can be said to not work when properly used or to be only harmful. The more regard we pay towards our pasts, the more we may control and enliven our futures.

SOLVE ALL YOUR PROBLEMS IN 24 HOURS FLAT!

Money, Love, Health, Happiness—What's your toughest problem? I personally GUARANTEE that my amazing discovery can work like a charm for you, too ... OR YOUR MONEY BACK!

I want to be honest with you right from the very start. I really can't explain how my **Problem-Solver** miraculously destroyed my heartaches so quickly.

But I can tell you this: *It REALLY works!*

Just a few years ago, nothing was going right. I was **BADLY** troubled by one problem after another.

My husband and I needed a pot of money desperately. I was going into the hospital for an operation. My three children were having a tough time at school. I was out of my mind with worry and depressed all the time.

Worse yet, my 80-year-old mother took sick a 1,000 miles away and I didn't even have enough for the plane fare.

As you can imagine, I was a physical and mental wreck. I walked around every single day waiting and praying for something good to happen to me. Something, **anything**, that would life me and my family out of this "ball and chain" rut. It was the lowest, deepest point of my life—with NO hope of changing it!

THEN A MIRACLE! THE PROBLEM-SOLVER:

Just as I was about to walk off the deep end, it happened. Suddenly, with absolutely no warning at all, I stumbled upon the **Problem-Solver**. I'll remember that day as long as I live. Like a gift from God, everything started to turn around **FAST!**

How I discovered it is a secret I promised never to reveal. Not even to my husband or my closest girlfriend. So please don't even try to get it out of me. I won't tell you.

What I can reveal to you now is this: How the **Problem-Solver** started eliminating all my problems, day-by-day. Until every single one of them were gone from my life **FOREVER!**

****INCREDIBLE!** My husband started to make **THOUSANDS AND THOUSANDS OF DOLLARS** at a clip. For the first time since we were married, we were actually banking money ... and lots of it!

****INCREDIBLE!** My hospital stay was as smooth as silk. Now I feel better than ever and I'm even playing tennis!

****INCREDIBLE!** I got out of my depression. My mother is no longer a problem. To celebrate, off we went to Europe for the best second honeymoon ever!

****INCREDIBLE!** My luck changed! Everything I touched turned to **GOLD**. Even my kids see the **BIG** difference in me.

I'm rich, healthy, lucky and happier than I've been in twenty years. Everything looks great now. I owe everything to my **Problem-Solver** discovery.

IT'S FANTASTIC AND THEN SOME!

Unbelievably, my **Problem-Solver** discovery never quits doing its remarkable job for me. It just keeps on working day-after-lovely-day ... **NONSTOP!**

For instance: 1) My son and his wife gave me the cutest little grandson you've ever seen in your entire life. 2) I've finally found a way to slim down painlessly. 3) My two girls finished school and have excellent paying jobs. 4) The Mercedes I've always wanted was recently delivered right to my front door ... paid in full!

To tell you the truth, I can't believe it myself. Every day something else "GREAT" happens to me. Is my **Problem-Solver** working? You bet your life!

SOLVE ALL YOUR PROBLEMS, TOO!

Would you like to get rid of all your problems just like I did? Would you like to have everything coming your way? Answer "yes," and I'll send you a replica of my sensational **Problem-Solver** discovery.

"Can we communicate with him?" We were excited at the prospect.

Brian paused, "Maybe, but he is very obstinate. I will leave now and try to find him."

We, too, paused and took a short break. The excitement generated in the possibility of talking with a former President of the United States caused the three of us to literally shake and breathe deeply. Is this all true? Will we really meet and talk with Ulysses S. Grant?

We put our fingers on the pointer. Then—

"Well?"

I trembled, visibly, and said, "Is this Brian?"

"No."

"Is this President Grant?" I ventured

"Yes, it is. Brian said you wished to speak with me. What do you want?"

We were lost for questions, we were unprepared. What could we say? I said the first thing that came to my mind, the subject of the recent election of Ronald Reagan to President. I asked General Grant's opinion.

"Support him or he will fail," he replied, "Support his ideals but do not be surprised with a war if you support him with question. We, the United States people, support in name but I know my countrymen and it looks bleak. God be with all of you. Goodbye."

Brian Macguire then told us Grant had left our presence. We discussed the heaviness of Grant's brief message.

In later conversations with Brian he told us that his own friendship with Grant on their common sphere began with their mutual interest in nationalism but that Grant often kept to himself and wandered alone in the bright blue astral realm for long periods. It did not occur to us at the time to wonder why. Two months later the answer dawned on us.

Jerry, Lois and I spent many seance evenings together in conversation with Brian Macguire on his views of a hundred subjects. But here, however, I would like to tell of General Grant since I now consider this famed hero not only an ally in search of spiritual values but one of my most staunch friends. His role as a leader when on earth still shows itself in his determination, his kindness, his willingness to help others still here when it is possible for him and to lead any struggling souls out of the dark worlds on our rescue missions. Not all go to heaven at once upon death I have found over the years!

On March 13 we asked Brian Macguire to invite Grant back to talk with us. By this time we had recovered from our initial shock of meeting him and we were curious about Grant's present ideas of his own existence and what had hap-

pened to him since his death in 1885. Besides, we knew little about him. We had not bothered to do any research on him and he had provided no facts about himself in the short first meeting.

His presence was almost immediate, as if he had been pacing in the room waiting to be asked.

"I will consider your request," he said, when I inquired if he would be willing to help me with the spiritual healing work in a new church I had planned to start in a couple of months.

"It is dull and drab for me here," he added.

Dull and drab? The heavens? We offered to help him if we could.

"I don't think so. Here, there are intellectuals, also thinkers, nationalists, and some healers. Sometimes I try to lend what mental influence I can on the country's leaders."

"Who, for instance?" I said.

Grant replied, "I have tried with Haig, the Secretary of State. But, I don't know..."

"Lots of luck!" I quipped. Haig was said to be as obstinate as Grant was!

"He will listen in time, I feel," Grant said.

I changed the subject. "Is there anyone on your level now that you knew in physical life?"

"Probably," he answered, "But I have not met anyone yet I had known. At Brian's suggestion I think I will stay here with you awhile. The

help you have asked me depends on its nature but I am willing to maintain personal contact."

"May we address you on a first name basis or what name would you prefer?" I asked.

"General," he replied.

I became rather lighthearted with him at this point. We had been having a pleasant evening with some sandwiches and strawberry wine.

"Would you care to have a drink of wine with us?" I asked. I had no idea how he would manage this.

"Not while the lady is present, thank you. I do not mind if you drink, however," Grant said. A Victorian custom carried over, perhaps?

Both Lois and Jerry had been silent with questions but Lois now asked, "President Grant, do you recall how you died?"

In all honesty I must state that none of us had any intimate knowledge of Grant's life and death. Lois' question was spontaneous, we still had not prepared any inquiries for tonight's session.

"Vividly," Grant followed, "I died of throat cancer."

"What does the 'S' in your name stand for?" Lois continued.

He briefed us, "That is a long story. It is for Simpson but that was not my real name. I was named Hiram Ulysses but when I went to West Point an error was made on my record and I was listed Ulysses

THE MASTERS OF UNIVERSAL WISDOM INVITE YOU TO WEAR THIS POWERFUL SYMBOL OF THE NEW AGE

Wm. Alexander Oribello
Internationally recognized
mystic and psychic.

HEART ENLARGED TO SHOW DETAIL

Dear Friend:

Through a series of telepathic contacts with the higher spiritual kingdoms I have been informed that great changes are about to take place on our planet and that each and every one of us should be prepared for what is ahead.

From their lofty position in the mystical land of Shamballa the Legions of Light led by the Master Jesus have announced that time is running out for humanity. They say that our civilization is about to enter a "New Age" of enlightenment and that all deserving souls should be ready to take the next step up in cosmic consciousness to a new spiritual understanding. They also warn that there will be many great disasters taking place as the earth must be physically cleansed to rid it of Satanic forces now poised to take over the world by physical force and destruction.

I have much more to tell you, but before I go on perhaps those of you who do not know of me would like to have some information about my background. My name is William Alexander Oribello and I am pastor of Philadelphia's Mystic Light Fellowship. Since an early age I have been actively engaged in the spiritual field. While my parents were asleep in another part of the house, three strangers who identified themselves as the "Wise-men" or the "Magi" of the Bible appeared at my bedside and proceeded to show me a gold-bound book. The contents of this book would, they said, be implanted in my subconscious to be revealed to the world at the "proper moment," when humanity would be ready to receive the key to many complex mysteries that have long baffled man. Since that day, several other mysterious individuals (including the legendary Count St. Germain, John of Biblical fame and Ashtar head of the Space Brotherhood) have appeared out of nowhere to share with me information which I was told I must teach as I grew older. In my two previous books—THE SACRED MAGIC and the BOOK OF SPIRITUAL POWER—I have talked a great deal about what I have learned...but now there is even much more to say!

COSMIC MYSTERIES EXPOSED

Recently, I had a vision in which the Master Jesus and other Ascended Masters appeared and told me to go forth and spread the news about the Second Coming, and the arrival of a wonderful New Age of peace and abundance that is right around the corner.

They also instructed me to share with all those "students" who are interested a form of positive thinking, meditation, and cosmic awareness which they guaranteed would "lift man out of the depth of fear and limited consciousness and inspire him to soar God-ward without restriction."

"THE MYSTIC CRYSTAL HEART"

THEY TELL OF A
WONDERFUL
WORLD TO COME

FROM THEIR LOFTY POSITION IN THE MYSTICAL LAND OF SHAMBALLA, JESUS THE CHRIST AND THE "LEGIONS OF LIGHT" WISH TO BESTOW ON YOU POWERFUL COSMIC RAYS THAT WILL STRENGTHEN YOUR AURA, BENEFIT YOUR HEALTH, AND BRING GOOD LUCK TO ALL DESERVING SOULS

FREE THE "MYSTIC CRYSTAL HEART"

During one of their visitations the Masters told me that I should invite all true believers to wear a specially blessed "Mystic Crystal Heart" that would act as a powerful symbol of the mystic fraternity in the New Age. And while I would like to be able to give a heart free to all those who request one, financial resources naturally prevent me from doing so. However, for all those who place an order for my manuscript THE FINAL SOLUTION I will personally see to it that the MYSTIC CRYSTAL HEART is included without additional charge. The Heart is a very beautiful and powerful artifact that comes complete with a genuine rhinestone in its center which represents the unfolding soul that shines with the light of the cosmic mind. You will feel the power of God and the wisdom of the Ascended Masters as you display this symbol around your neck. You will feel the negative forces draw back in fear of the

Thus in my latest book, THE FINAL SOLUTION, I offer hope and protection to every reader who has ever been troubled, and at the same time allow them to gain universal understanding for greater health, happiness and prosperity which will shine in all our lives in the days, months, and years yet to come before the "End Times."

In this most unusual volume you will learn of the SECRET SIGNS and WORDS which will put you in touch with God's World of Light so that you personally may overcome all evil and advance spiritually. There is, I have been told, an evil plot being planned at this very moment by the anti-Christ and his legions of darkness. Find out what this plot consists of and what you can do to protect yourself against the greatest diabolical assault ever to be launched on mankind.

THE FINAL SOLUTION

Here then—for the first time—for those of you who feel justified in believing as I do that the "time is right," is a sample of what you can expect to find in my manuscript.

- The manifestation of God, Archangels, Angels and demons, and what kingdoms they rule.
- The "Primordial Light" explained.
- The divine names of God.
- The levels of Angelic Hosts.
- The types of beings who compose the Hierarchy of the finer forces of nature.
- The ten rulers of darkness identified.
- Why God placed us on this world.
- How the mind works.
- Earthbound entities and how to deal with them.
- False Prophets and Vampires.

- Messages from the Christ.
- Directory revealing the identities of the "Masters of Wisdom."
- How to contact the Masters.
- The great invocation or prayer that will put you directly in touch with the Master Jesus.
- Secret signs of contact and protection signs.

"New Power" which flows through your life. You will sense the inspiration and guidance of the LEGIONS OF LIGHT as they assist you in every aspect of your life.

The MYSTICAL CRYSTAL HEART will identify you as one of the "Chosen" elect of the New Age, and remember no additional charge for this talisman will be made. It is priceless and for no amount of money could you pay for the blessings you may receive through its influence. All that the Masters require is that you purchase and read THE FINAL SOLUTION.

AN EXTRA BLESSING

The Masters have further revealed that you would receive an extra blessing if you would order additional copies of THE FINAL SOLUTION to five friends and loved ones. They are available in packages of six along with the crystal heart at a price indicated in the order blank.

Simpson Grant after my mother's name. I don't know if that is recorded anywhere." Grant probably did not remember that he noted it in his own memoirs.

I asked, "General, calling you general now seems formal. Can we use another name, Hiram, perhaps?"

"Not Hiram, please! Grant is fine but I need time with you. I prefer General." Grant sounded definite about this.

Lois continued her questions, "Tell us about your youth."

"I was born April, 1822, in Ohio," Grant resumed, "I went to many schools and I also went to a seminary. I was a terrible student. I had intended to become a teacher but my father got me into West Point. As a child and later as a young man I ran and loved horses. I could ride the worst broncos."

Broncos? The word sounded funny in this age.

"Were you a better student at West Point?" Jerry put in.

"I was a poor student at West Point," Grant said, "I graduated Lieutenant First Class. (This is an error in Grant's memory. He was graduated with a brevet rank of Second Lieutenant. I did not mention this mistake to him at the time because I was unaware of it. It is an unimportant detail. His student record at schools and at West Point has been matter of debate among historians.) I fell in love with my buddy's sister, Julia. But I had to fight in the Mexican War in 1846. After the war I married and worked on a farm. Because of a dispute with my commanding officer I had lost my commission."

Grant paused. "Please," he said, "I am tired now. Please excuse me until another time."

Spirits tire? I found later that in communication work much energy is expended on their part and mental rest is needed.

In all of our communication work Jerry sat with pencil and paper and wrote questions and answers as quickly as he could. His longhand is rapid and his work in this respect is responsible for the numerous seances we logged.

During the coming weeks I personally felt badly that Grant was not entirely happy. What had gone wrong, I asked myself? I went to the Philadelphia public library and found only one good book. In a used bookstore I found two others, a 1929 work by W.E. Woodward and another by General James Marshall-Cornwall. I became absorbed in the life and hard times of Grant and I discovered why he found his heavenly sphere so discouraging, there was no Julia or anyone else he had loved in his earthly existence. He and Julia had four children and Grant had devoted his life to his family

I can detail her methods I pursue discern the whereabouts of the spirit Julia Dent

Grant. Finding their children was another matter, that would have to wait, I reasoned. With the needed assistance of a "high" spirit friend Julia was located on the earthzone and a reunion was planned for several days later according to directions given to us. I informed Grant of our plans.

"I cannot converse with you now!", he exploded. "I cannot think! I must take time to reminisce!" He was delirious with joy.

Grant's reunion with his wife on a Monday evening was a special occasion for all of us. James and Ellen Macguire, Brian's parents, were present in their spirit forms and we were witness to Julia's own exclamations of happiness by her tears and calling Grant, "Lyss", a pet name she had for him in physical life. We were unable to see her but Brian described her as wearing a long, rose-colored dress with pearls about her neck. She appeared about forty years of age, he added, much the same as Grant appears now, he says. Jerry, Lois and myself toasted the reunion with small glasses of scotch and we were told by Brian that similar drinks were astrally created by our spirit friends so they could join the toasts with us!

A memento of this occasion for myself, Lois and Jerry was given through an automatic writing process. Jerry taped a ballpoint flair pen to a small tea box and placed it on a clean sheet of white paper. Lois and I placed our fingertips on the box and closed our eyes. The box with the attached pen moved and we felt writing beneath our fingers. At one point, the box stopped and actually lifted itself slightly and began to write again! When movement stopped we opened our eyes and looked at the paper. The scrawled signatures of Ulysses S. Grant and Julia Grant were clear and legible! There could be no deception. Lois and I had never attempted automatic writing together before and with our eyes closed and Jerry watching us we could not have possibly have forged such a thing! The next day I typed across the top of the paper: IN COMMEMORATION OF THE MEETING OF GENERAL ULYSSES S. GRANT AND HIS WIFE JULIA DENT GRANT AFTER A SEPARATION OF 95 YEARS IN THE ASTRAL WORLD THIS PAPER IS TESTIMONY OF THAT MEETING WITH THEIR SIGNATURES GIVEN BELOW IN THEIR OWN HAND-WRITING THIS DATE MARCH 23, 1981:

I allowed Jerry and Lois to keep the paper as a memento. It is framed under glass and hangs on their dining room wall. Copies were made for myself to keep.

The events and comments I have related so far do not seem to have much to do with the exciting and heroic life Grant led as leader of the Federal troops. I do not think such a comparison can be made of anyone's physical life and the one beyond death. Circumstances and

situations are not even remotely connected. In the years I have known Grant he confesses to some loss of memory of those times so long ago, much the same as any of us can recall details of our childhood. I have shown him many photo books on the Civil War and asked him to identify those officers and other figures he could remember. His memory failed him in only a few instances but details of battles are growing vague since he does not dwell on them any longer. He has recalled for me his friendship with General John Rawlins, his close staff associate in the Civil War, but he has not seen him in the astral world. He has remarked that he would really like to talk with Lincoln. I told Grant that there had been many reports of Lincoln's spirit seen in the White House over the years and that perhaps he should seek there for the assassinated president. I was prompted once by Civil War Times illustrated publisher William C. Davis' book on Confederate General John C. Breckenridge to ask Grant if he remembered their meeting after the war at Grant's summer home in Long Branch, N.J. Grant replied that he recalled the meeting only hazily, remarking that Breckenridge must not have made much of an impression!

My association with Grant deepened in the remainder of 1981 and has continued to this day. In the summer of 1981 he began to take an interest in my spiritual church work and he told me he often now still seeks out persons he feels need comfort and guidance. He says he visits the physically ill and does what he can in the way of healing.

I have amassed quite a literary collection on Grant including original editions of his memoirs. A large framed portrait of him as President hangs on my bedroom wall and when he saw it he said, "One

of the finest even if I say so myself! Julia loves it!"

I would like to add here that late in 1981, asking for "high" spiritual help, three other members of Grant's family were located and united with their parents: two sons Fred and Jesse and their daughter, Nellie. All three had wandered for years, like their parents, in that dim purgatory without knowing how to escape.

Both Jerry and Lois decided to discontinue our seance work the end of May, 1981, and I was left on my own for awhile in pursuing my relationship with Brian, Grant and Julia and others. I have not found this difficult even to this day and others with mediumistic talents have worked with me on occasion. I have tried to record the spirit voices several times but my inexpensive equipment leaves but blank tapes. Generally I adopt Jerry's method of pencil and paper, typing the material later.

In September, 1981, I visited the house in Mount McGregor, N.Y. where Grant died. Considered of historical value, it was left exactly in the condition it was that day in 1885. Original burned candles still remain in the candlesticks, Grant's bedclothes were still there. Furniture coverings were faded. It was startling to see dried funeral wreaths and vases of flowers that had died almost a hundred years before. Grant told me he appreciated the sentiment and memory but he also felt it a little "morbid" to preserve such things as they were.

To Grant I owe a deep interest in his life and era. But to him the Civil War is becoming a dim memory. But in the heavenly fields and pastures he still rides a magnificent horse that bears his grand weight.

crater and also a big circle of light suddenly lit up the whole center.

There was a little UFO that I got to see quite often. It originated from out of Soledad Canyon which is in the Oregon Mountains east of Las Cruces. Soledad Canyon is on the south end of these mountains. This is where I first saw this little UFO merge from. I got to where every time we would go out on this mesa, we would see it. It would come just so close and no closer. We tried everything we could think of to bring it nearer but it reminded you of a friendly shy little animal. Nothing we did would bring it any nearer (I'll bet it's still there). We got to going so often to the mesa that on the nights we didn't go the little UFO would come to the end of our street in town and sit there till we saw it and then it would take off and leave.

There was one whole summer we (my kids and I) tried to track down the sound of a squeaky motor we would hear at night. It would sometimes be in my back yard and sometimes be in my front yard and sometimes in a neighbor's yard. We never did see anything. Only heard the sound.

THE ANCIENT HIGH PRIESTS OF EGYPT KNEW IT AS "SOUL SEPARATION." RELIGIOUS MYSTIC AND SAINTS PRACTICED "BI-LOCATION," WHILE TODAY SCIENCE HAS COME TO DEFINE THE PHENOMENON AS "OUT-OF-BODY," OR "ASTRAL" PROJECTION.

NOW YOU CAN LEAVE YOUR PHYSICAL BODY BEHIND TO EXPERIENCE...

SUPER SUCCESS

**NEWSFLASH!!!
IMPORTANT SCIENTIFIC
BREAKTHROUGH**

Parapsychologists working with trained scientists have recently developed a simple method by which almost everyone can leave their body behind to find valuable treasures, explore spiritual realms and heavenly dimensions, as well as tap the collective unconscious to solve all personal problems that may be ruining your life.

Now it is possible to LET YOUR SPIRIT SOAR. Furthermore, we guarantee that once you learn this method for out-of-body projection that you can be among a growing number of individuals who have changed their hum drum lives for the better and have actually...

- Made millions on a new invention they "discovered";
- Came out a big winner in the stock market, in real estate, or at gambling—even if they thought they had no talent for such things;
- Found a prestigious-high paying-job and climbed the corporate ladder, despite all attempts to hold them back;
- Started a successful business of their own, even if the "odds" were stacked against them;
- Overcome great pain, personal suffering, or healed themselves—or someone they love—of supposedly "incurable" diseases or ailments;
- Lost the exact amount of weight they wanted to;
- Overcome any phobia that might have been holding them back in life;
- Tapped the subconscious to learn anything they wanted to know, and instantaneously;
- Seen their own past lives, as well as traveled to the future, or other dimension, and even alien worlds deep in space.

Researchers have for hundreds of years known that all individuals are made of two bodies—the non-material etherical or astral body and the physical body. Both exist in the same space, but under the right conditions may separate. During the separation the consciousness remains with the astral which is able to see and pass through walls and travel vast distances to obtain knowledge not available otherwise. Various saints and popes have adapted soul separation as part of their religious practices, and hundreds of successful individuals worldwide are now adapting an easy method they have learned to leave the body and perform incredible feats.

ASTOUNDING CASE HISTORIES

Personal testimonials validating an astounding new method of astral projection or soul separation are being reported on a daily basis as indicated in the following case histories:

• CASE 461 — FROM POOR BOY TO \$100,000 A YEAR WAGE EARNER

Edward P. of Michigan wanted to attend an Ivy League college, but his parents couldn't afford to send him. There was so much Edward wanted to learn, but tuition costs were staggering and even the books he needed were so high priced that he could never be able to purchase them. That was ten years ago. Today, he is considered one of the most educated men in America. Besides holding a tremendously important government job, Edward is constantly in demand to lecture and conduct seminars at universities around the country. Much of his education came about without leaving home, by "visiting" the great museums, art galleries and libraries of the world and by "tapping" his resources with his mind by mastering soul separation.

• CASE 874 — WOMAN SUCCESSFULLY OVERCOMES PAIN

Betty A. was in an auto accident so serious that there were fatalities. Her own injuries were so critical she spent long months in the hospital under heavy sedation, and the doctors said she would have to continue medication even at home. Rather than become a drug addict, she wondered if there was some way she could mentally rise above the pain. Laying in bed, tormented by the agonies afflicting her, she learned to project her thoughts to a beautiful, cool, place where her mind could remain at ease. Eventually the pain disappeared altogether.

• CASE 88 — THE MAN WHO BROKE THE BANK AT ATLANTIC CITY

Larry T. was broke. He was to be evicted from his one room apartment. He was hungry and cold. With nothing to do and nowhere to go he had no reason not to accept an invitation to join a junket to Atlantic City since he knew he would be entitled to \$10 in quarters and a meal. Over the years, Larry had made a living as a magician and a mentalist. On the way to Atlantic City he remembered reading several texts on astral projection. That day, he applied what he learned and was able to "see" into the machinery of the one armed bandits and was able to tell which slots were ready to pay off. Before leaving the boardwalk he had won six figures with soul separation.

• CASE 193 — WOMAN LOSES POUNDS

Susan W. was so disgusted with herself that she couldn't stand to look in the mirror. She was extremely overweight, so much so that it had become a health problem. None of the diets she had tried worked at all and she was getting desperate to the point of suicide. One night, Susan successfully left her body and saw her true self minus all that unattractive fat. While out of her body, she had a divine revelation and in no time she lost twenty pounds with soul separation. Today she is married and has two children...and isn't afraid to look into the mirror anymore.

• CASE 16 — MAN MARRIES WOMAN HALF HIS AGE

Tony B. was aged fifty-six when his beloved wife passed away of cancer. Tony felt helpless and alone. He took to drinking and being by himself. He was very shy and had a difficult time meeting women. There was, in particular, a very beautiful younger lady who lived in the apartment across the hall, but he couldn't bring himself to speak with her. By mastering out-of-body travel Tony was able not only to attract this woman, but eventually—even though she was twenty years his junior—got her to marry him.

• CASE 269 — PAST LIFE RECALL ELIMINATES PHOBIA

Mary B. was deathly afraid of heights and was claustrophobic, so much so that she had to quit her job in a high rise office building. It got so that she had to walk up and down eight flights of stairs to get to her own apartment. Finally Mary solved her problem by traveling back in time via soul separation to a previous life time where she saw herself falling from a great height. Realizing this was the root of her current difficulties her phobia was quickly resolved and today she leads a normal life.

COMPUTER AGE TECHNOLOGY

Parapsychologists in conjunction with computer experts have recently developed a method of enhancing a person's ability to leave their body and let their spirit soar freely wherever it wants to go. Utilizing the ancient art of creating a "Mandala" as a psychic tool, it is now possible to become a SUPER-BEING. The "Mandala" is a highly symbolic design which represents the unity of life and the integration of a person's true spiritual soul. The Buddhists have used "Mandalas" in their meditations for centuries. Now computer experts have stumbled upon certain combinations of patterns which, when meditated upon cause a shift in consciousness and allow a person to alter their brain waves and astral project with little difficulty.

FREE MANDALAS

When you order your copy of SUPER SUCCESS THROUGH SOUL SEPARATION you will receive as part of your order six reproductions of these computer age graphics which will assist you in doing the amazing things others have accomplished with relative ease.

The mandalas printed in SUPER SUCCESS THROUGH SOUL SEPARATION are by necessity reproduced in black and white simply because to publish them in color would be so expensive that it would place this book out of the financial reach of a majority of our customers. We have found, however, that the colored computer mandalas increase out-of-body travel about five to seven percent, and for those who want to have a set of original colored patterns (six different ones not printed in the book) we will include them in our special deluxe edition.

Now thanks to serious work in the field of parapsychology and soul separation you can have the healthy body you long for. You can have that prestigious job, that beautiful mate, all the wealth and power you want, to say nothing of that elusive peace of mind you've dreamed of.

With our simple method you can literally do the following:

- Pass through walls;
- Live a longer, more productive life;
- Discover past lives;
- Project yourself into the future and reshape what is to come;
- Enjoy a more fulfilling relationship with others, and find your soul mate;

We urge you to act today ordering your book right away.

Brian tells the story this way: "When I met Jeanette, I knew I felt attracted to her, but I felt that I couldn't develop a steady relationship with her because I would lose her in the end. Because of these feelings I was afraid to show any kind of affection to her."

As it turned out, Brian worked out his problem, but it took a long time to straighten the situation out in his head.

"Also, any time she encouraged me to make love to her, I noticed a peculiar sensation overtaking me, which I found hard to define."

Through the use of regression therapy, Brian eventually discovered that Jeanette had been his sister in not one, but two former lives. Each time, they were separated from each other after having grown up together. Later in life they would be united, but his sister would wind up being killed. Torment would overcome my friend.

This, of course, explains why Brian had the fear of losing Jeanette. Also, since she had been his sister, he felt guilty about being her lover in this life, thus the "odd feeling" that overcame him at the moment of intimacy.

Then there are the "karmic enemies." These are people who, in past incarnations, did something to hurt us either mentally, emotionally or physically. Now, this doesn't necessarily mean that this person will try to hurt us again, but there is often an "inner" feeling that overtakes us and we become legitimately fearful of this individual. This fear can scar or even destroy a potentially best relationship and is a pitfall we should be careful to avoid if at all possible. Hating someone never does our spirit any good, especially when the hatred isn't even deserved.

The million dollar question is, of course, how can you tell who your true soul mate really is and who you do and do not have karmic ties with?

Over the years, I've discovered several different ways to have such questions answered through the help of those who practice the psychic arts, astrology and numerology.

Several popular movies have been made and books written dealing with hypnotic regression. After being put into a trance, an individual is taken back step by step to a previous incarnation and asked to describe what he or she sees. This method is fairly successful, but the drawback is that a lot of people cannot be hypnotized. Also, some find their memory a blank, even if they can successfully be placed into an altered state of consciousness.

There are some people that I've worked with who are super sensitive and can pick up on karmic patterns and soul mates through clairvoyance by doing a psychic reading on a person. Numerology can also be an aid in that it is possible to see if there are numerical similarities, such as identical or similar birthpath numbers, which would indicate that a couple was meant to be together again. Frequently, one person may have the numbers in their name that the other half of the "team" is missing. This is also excellent evidence that this couple was "meant to be."

By checking on the positions of the planets, we can usually find out who we have a karmic bond with. By looking at the twelfth house of our horoscope, we may be able to determine who our karmic enemies are. Likewise, we can find our karmic lover by comparing the south nodes of the moon to the other person's chart. We should also take into consideration the aspects of the planets Neptune and Saturn.

Another thing I've discovered is that soul mates are not always very happy together. There can be many reasons why this is so.

At this point, I should tell you about my own personal experience with karmic relationships. The story centers around my ex-husband. For almost seven years we were unhappy together and yet, when we were apart, we would also be unhappy without each other. About one month before separating for good, it became apparent to me just what had happened between us in a past life.

My ex-husband found a copy of a woman's portrait in a widely read artist magazine. The portrait was of a woman who looked exactly like me. The date on the painting was 1893, and the name of the woman was Elizabeth Winthrop Chapman. The portrait had been done by a well known American artist, John Singer Sargent.

It turned out that my ex-husband was also my lover previously, and we had been engaged to be married by our parents. The portrait was to be painted before we were married. I (Elizabeth) had an affair with the artist. My fiancé found out and never forgave me, even though we went ahead with the wedding.

For years I was faithful to my husband, but I could never quite erase the memory of my brief, passionate affair with the artist from my mind.

In this life, my husband's name was John and he is an artist. What had happened is that this time around he came back with the same name and same occupation as the man I previously fell in love with, so that he could win my heart the way my past life lover had.

Unfortunately, my ex-husband carried the anger, the resentment and the jealousy from our past life into this one. He never forgave me for what I did. Thus, the marriage ended in divorce, but each of us learned an important lesson in karma from the experience.

Finding a photograph of Elizabeth's portrait also confirmed a lot of stories psychics had told me in the course of their past life readings. And, it is no coincidence that I've always loved the clothing, jewelry and hair styles of the late eighteen hundreds and feel really comfortable when wearing the frilly, lace, clothes of this era.

Knowing about your past life and your soul mate will teach you an awful lot about yourself, your relationships with others and how you express your love.

Having insight into such matters will enhance your personality and show you who you really are and what your true purpose in life is. It will make it a lot easier to relate to others, especially when it comes to identifying and getting along with your soul mate.

SACRED MAGIC

NOT OF THE DEVIL — BASED ON GOD'S WORD

THE SACRED MAGIC

As a youngster, William Alexander Oribello constantly asked questions about the mysteries of life and the Almighty Power of God. His parents and the family's minister answered his probing questions the best they could, but their answers were lacking until one day when little William was touched by the thunderous power of the Lord. A beautiful light surrounded him and he was given a divine message that he had been selected to receive and teach the most powerful lost secrets of THE SACRED MAGIC to all the world at the dawn of the GOLDEN AGE.

THE SACRED MAGIC is the essence of the mystic teachings given by the Magi and the Masters of Wisdom to Rev. Oribello. To determine if you have been so CHOSEN to receive this hidden knowledge, answer the following questions truthfully to yourself:

- () Do I want peace, joy, love and prosperity to fill my life completely?
- () Do I desire to know and work with the unseen forces of the universe for dynamic success in all that I do?
- () Do I desire to help others overcome their problems through and by the great magical power I gain?
- () Do I want total control of all situations which manifest in my life?
- () Do I possess an unrelenting need to know the answers to the mysteries of life, death, and the workings of the universe, both quickly and easily?

If you can answer "YES" to a majority of these questions then this is obviously the path for you... Here is a mere sample of what you can expect to learn from Rev. Oribello's SACRED MAGIC manuscript:

According to history, King Solomon had a vision in which the Lord appeared and told him many wonderful things that would help his people. God told Solomon that there should be no suffering and that each and every person could have all his desires fulfilled by following certain prescribed cosmic laws and rituals and by calling upon God's angels for assistance whenever spiritual and material help was needed. God gave King Solomon exact mystical formulas for communicating with the special angels which govern over us and are always at our beck and call. Solomon forged these mystical formulas, based upon the planets of our solar system, into metal amulets and though they have been kept secret from the world for centuries, exact replicas of these most powerful amulets are once again available to bring you eternal rewards and unsurpassed strength in all problems and situations.

The following amulets from King Solomon's Treasure Trove are now available in limited supply and may be worn around the neck (each comes with a FREE 18 inch chain), carried in purse, wallet or pocket, or put under a pillow to work wonders for you while you sleep.
