REVEALED: THE HIDDEN, ESOTERIC, MEANING OF "JACOB'S LADDER" — DECODED BY "SACRED MAGIC" & "GODSPELLS" AUTHOR, WILLIAM ORIBELLO

NOW YOU CAN USE THE "LUCKY STONES" OF THE AMERICAN INDIANS! — BY BRAD STEIGER

HOLLYWOOD ACTOR RICHARD CONTE RETURNS FROM THE WORLD BEYOND

A NEW AGE AWARENESS LESSON BY DIANE TESSMAN LIGHT WORKERS OF THE WORLD— THE TIME HAS COME TO UNITE!

Perhaps the reason that Earth seems to be heading straight down the tubes, straight toward "the end times," is that those people of love and light who we call Light Workers cannot seem to unite on exactly who is in the Higher Realms to help us. Furthermore, Light Workers on Earth just cannot seem to decide on how to reach out to those Higher Realms for help, or what type of help to ask for.

For instance, there are sincerely religious people who know without a shadow of a doubt that there are angels out there who can and do assist us mere mortals. These angels may be prayed to—as the Catholic Church teaches—and they may even manifest at a person's side during times of extreme danger or stress. Those who are sincerely religious are well-studied in the names of the angels and their specialties (such as St. Christopher being the patron saint of traveling). Not only do people know the details of these angels and their work here on Earth, but they relate to these angels by placing statues of them in the car, adorn their homes with images of Jesus Christ and His angels, and they support wholeheartedly the churches which do good work in the name of the angels and the Savior. Above all, each Light Worker who is formally involved with religion (we refer to Roman Catholics in particular), is given a special angel to be his or her own personal guardian and guide throughout life.

As another example of a diverse Light Worker, let's consider the "UFO buff". In a few cases, some UFO buffs never do decide if the UFO occupants they have spent a lifetime chasing are of good or of evil. However, most decide what is obviously true—that the UFO occupants must indeed be very peaceful and loving or they would have enslaved Earth ages ago.

UFO buffs are more "science fiction" types than religiously oriented. They enjoy trying to guess the method of propulsion UFOs utilize, and they even attempt to build similar craft based on newly developed perceptions of quantum physics and null gravity fields. They attempt to study the UFO occupants in terms of information from those who have encountered them face-to-face. Though the UFO buff may seem more like a skeptic than a believer at times, he or she is actually very much a Light Worker, for all agree that actually making contact with advanced Space Intelligences would change the course of human history forever. Ufologists realize that contact with UFO occupants is the grandest thing which could happen to the human race, making such pettinesses as racism, religious intolerance, nationalistic prejudices, and war of any sort, completely obsolete. Suddenly, all humans everywhere would be "Earthers," united as one. We would stride forth to meet the Space Intelligences and take our place in the galactic community, proving that the human race is not so bad after all. Many UFO buffs became obsessed with alien space craft because at some point in their lives, they have seen such an object. Though they try to analyze this scientifically, the experiences stay with them always, driving and motivating them. It is personal unto them thus is "religious" in a sense.

Another kind of Light Worker might be called "the spiritualist." These gentle people are students of metaphysics who firmly believe that the higher realms may be contacted. These Light Workers aren't concerned with UFOs being "solid craft," for they realize that all the Universe is "energy" and "vibration." The thought of other dimensional planes seems simple and obvious to these students, and so all the scientific studies of the ordinary UFO buffs seem irrelevant and time-consuming.

The spiritualist is also a person who does not necessarily attach "space" to the higher realms anyway. Until her book *ALIENS AMONG US*, Ruth Montgomery might be considered an excellent example of a Light Worker

who is a spiritualist. Messages of help to individuals—and to Earth as a whole—come through from those who have passed on. If involved with Eastern philosophy, messages come from the "Masters" and from the "Spirit Guides" of traditional metaphysics. These Light Workers have long seen the dangerous path which Earth has taken, putting technology ahead of spiritual enlightenment. It has been difficult in some cases for these spiritually-oriented Light Workers to accept the channeled messages of "space aliens", as sent through human channels who often feel themselves to be "star people." Ruth Montgomery made the leap from completely traditional spiritualism to considering space messages and contact in her from *ALIENS AMONG US*. For this leap toward universal understanding, she is to be commended.

This brings us to perhaps the most obvious group of Light Workers on Earth today...the New Agers, the space channels, and the star people. Though often versed in metaphysics, these people connect most dynamically and vigorously with space intelligences usually known as The Free Federation. Many different types of aliens are represented by these Federation members and so messages and contacts tend to vary. However, almost all messages ring forth with the concepts of unconditional love and universal peace. Often star people have a "star guardian," almost as the traditionally religious people believe they have a "guardian angel." The star guardian is a space contact for the individual Light Worker throughout the human lifetime—and beyond.

There are other groups of Light Workers whom we should also mention. There are, for example, Light Workers who work entirely through the love and magnificent vibratory rays of Jesus Christ. These are Christians who are of goodwill and good intention, without prejudice and without religious malice. Quite simply, Jesus is in their hearts and souls and this pure presence makes them wonderful human beings. Many star people consider themselves to be good Christians, as do many spiritualists. Incidentally some of these groups interact and yet there has never been conscious "coming together" of these subgroups of Light Workers.

The final group of Light Workers are the peace activists and environmentalists. In every corner of the globe, there are people working for world peace, nuclear disarmament, universal brotherhood, and for a clean, healthy environment for humans and all lifeforms. While some Light Workers in this group do not think of themselves as religious or spiritual, they are indeed working to bring the Light to a presently dark planet. While others in this group might embrace one of the other religious and philosophies mentioned, we usually think of this group as simply worshipping *the future* of the planet. They possess a future human consciousness which involves loving all life, never going to war, and living in a non-nuclear, advanced world. Here are *future* humans, on Earth in the latter part of the 20th Century!

So, which of these groups has the best concept of the Higher Realms and who has the best message connection? Whose prayers are answered quickest and most thoroughly? Who is asking the "right source" for help, both for individual needs and also for planet-wide concerns?

Should the Light Worker who depends on traditional religious ritual and the personal guardian angel suddenly begin calling their angel a "space entity" instead? Should everyone try to find their Star Guardian?

The answer is, No! If an individual relates *best* to the traditional religious concepts and the angelic world, then this connection to the Higher Realms is *right* for that person. If the individual works within this framework for the enlightenment of planet Earth, then he or she is certainly a Light Worker!

Conversely, if an individual feels irrevocably linked to "space" and to far distant planets, times, or dimensions, then that person has a right to call themselves a star person. There is still a responsibility before God and The Universe to work for Love and Light; it is not enough to simply feel "alien" and not reach out to help. However, the star person or space channel should never be forced into becoming a traditionally religious person. If the star guardian sails through space in a starship, the star person should not be forced to believe that the guardian really has a pair of wings which he files with. What is right at a "gut level" for each person is "the truth" for this individual!

Dear Friend:

Many books have been written on the subject of life after death. In recent years, unlike in decades past, scientists as well as members of the medical profession have joined with theologians in professing a strong belief that the soul does not die the moment our heart stops, but ventures forth into a new realm which under normal circumstances remains invisible to the human eye.

As each and every one of us get older, we spend more time thinking about death and what lies beyond that great door to the unknown. Many of us are needlessly worried that we will not be able to enter Heaven because we have not lead a totally deserving life. Many of us feel we will be damned to an eternity in hell amidst fire and brimstone because we might have enjoyed the pleasures of this world far too much to stand alongside God on His heavenly throne.

To some degree this misconception has been fostered by organized religion and misinformed clergy who are not familiar with the true facts of dying and what awaits us once

our physical bodies have turned to dust. Though they may have read the "Good Book," they have failed in some cases to actually understand what has been said about this very important topic. Nor, have they bothered to talk about the afterlife with those who have left their physical form and been pronounced dead, but who have later re-entered their earthly shell with memories about an existence that is said to be absolute bliss.

Just what is it like after death? Do we go on breathing? Do we have physical bodies? Do we look the same as we do now? And furthermore, is there really such a place as Heaven?

MEETING YOUR MAKER

True to the words of the Bible, there is no pain and suffering in the afterlife. But how do we know these things? We know what life is like after death because many have returned to this world after having gotten a brief taste of what it is like to be reunited with the cosmic essence which we have come to define as

God. Furthermore, despite what you might have been taught or want to believe, actual spoken conversations have been held with the "dead."

Upon "passing over" we guarantee that you will meet your maker and that you will be ushered into a whole new existence that is tailor made to your level of awareness and befitting of your worthiness as designated by your former life style and set of circumstances while you were still on earth. Since no two individuals are alike, so it is that we will find Heaven to be suited to our own individual tastes and desires. We will definitely not be allowed to sit around idle as there is much to be done and we will be taught much by "angelic beings" that will eventually enable our soul to progress to a point where we can eventually be united with the creator of all that is.

**COMMUNICATION ATTEMPTS
WITH THE DEAD**

In our book YOUR PASSPORT TO HEAVEN

— GUARANTEED ADMISSION INTO GOD'S HIGHER KINGDOM, you will be able for the first time to read the personal accounts of those who have conversed, or even held hands with the ones they have loved the most, and who they thought they would never see again.

You'll learn about the amazing work being conducted in laboratories around the world to contact the dead via a device similar to short wave radio. Some of these still primitive attempts to communicate with the heavenly realms have been successful and actual tapes can now be heard which contain conversations between those still living and those who are here no more.

Even the famous have been known to send messages across from the "Summer Land," confirming time after time that we are being watched over by many benevolent spirits who are always willing to give the living a helping hand. Witness the testimony of the late Martin Luther King who says from his home on God's mountain top: "We are not hurried here, nor do we get out of breath. Neither do we walk the golden streets or loiter around in luxurious idleness. We are orderly, busy, neither hurried nor flurried...From here we can look into the hearts and minds of mankind and know what they have done in the past and what they are planning for the future. They have freewill and while we may wish to stop them we have no right to interfere forcibly."

**FORBIDDEN KNOWLEDGE
REVEALED**

Due to the unforeseen results general knowledge of a real world in a real afterlife might bring upon our physical existence, much of what is known about life after death has been kept a closely guarded secret by the scientific establishment, the government, as well as all the religious sects who are hesitant to tell the absolute truth.

Find out the answers to such questions as...

- Will we have the same physical characteristics that we had in life upon dying?
- Will we speak the same language we are accustomed to, or will we be expected to learn an entirely new language in the spirit world?
- Will our sensations of smell, taste, hearing and touching be the same, or will we lose all such feelings?
- Exactly what is it that will be taught to us in Heaven and will we have to be taught if we do not wish to be educated?
- Will we take up with a soul mate, marry or have sex on the so-called "other side?"

**IS HEAVEN A MILLION MILES
AWAY?**

Winston Churchill once remarked that when he died he planned to go to a place 5,000 miles above the earth; Was this great man of history only cracking a joke, or did he know something most of us are not acquainted with? Exactly where is Heaven? Can our astronauts eventually learn to travel there in a space craft? Is it a million miles away, or just over the next glade? Though it is still impossible to prove their theory using modern means of technology, the authors have a theory of their own which is definitely food for thought.

**IS VISITING HEAVENLY REALMS
POSSIBLE ABOARD A UFO?**

In recent years, Diane and Tim have been approached by apparently sincere individuals who profess in all earnest that they have been permitted glimpses of the inside of such craft and have on a number of occasions actually seen and conversed with people who have passed on, but who have been "reborn" elsewhere only to travel back to earth in the vehicles we call flying saucers. Are such stories pure hallucinations, is there a gem of truth in them, and if there is how is such an astonishing thing possible in light of what we know about death and other planets?

THE INDIANS KNEW HOW TO PROTECT THEMSELVES FROM PSYCHIC ATTACK BY USING...

MEDICINE STONES & CRYSTALS

BY BRAD STEIGER

AUTHOR:

AMERICAN INDIAN MAGIC—

For many years, whether or not I was wearing a three-piece suit and tie, I proudly wore about my neck my medicine stone on its rawhide thong.

"Does that mean," I was frequently asked, "that American Indians worship stones?"

Not at all. The Indian who practices traditional Medicine Magic, as I share in my book *AMERICAN INDIAN MAGIC*, sees the stone as a reminder of the Oneness of all creatures of the universe and that the same spiritual energy flows through all things.

In other words, you might say that the radiance and energy of the Creator settles into solid form in a stone or a gem.

As my teacher, the great and wise Twylah of the Seneca told me: "The foundation of the universe is a stone. A stone is a common denominator of the universe. You can find one wherever you go."

"A stone has form and spirituality. When this Earth is cleansed, it will be the stone that will be the nucleus and expand or contract."

The medicine stone can absorb prayers and positive energy and store it as a battery until such time as you need it.

One time an acquaintance of mine came to me with a most remarkable problem that had become a living nightmare. He had been driving across the country in his truck delivering a shipment of produce. It was while he was moving across the great expanse of Montana that he came upon a most unusual hitchhiker. A hitchhiker that had stepped right out of some eerie twilight zone.

At first the young man had not seemed at all out of the ordinary. He was just a bit above average height, blonde, with large blue eyes. He was dressed casually in a flannel shirt and blue jeans. Worn, roun-toed boots completed his traveling apparel.

"He started to talk about some really 'way out things,'" my friend Ed told me. "He talked about death and dying and about how demons possess people. He said that there were people walking around who were really demons in disguise, looking to snatch people unaware."

"Brad, I gotta tell you, this was real spooky talk in a trucker's cab at midnight, streaking across those great, shadowy plains."

Ed felt the gooseflesh crawl as the hitchhiker continued to speak about evil spirits occupying the bodies of normal appearing men and women. He asked to change the subject, but the hitchhiker laughed in a crazy, high-pitched giggle. Ed tried to turn on the radio and get some rock 'n' roll music to drown out the man, but all he could pick up was static. It was as if something like an electrical storm was interfering with radio reception.

"Then when I looked over at him," Ed told me, a shiver of memory moving his body nervously, "His eyes seemed to be glowing red, and he was staring at me like a madman. Maybe his eyes were just reflecting the lights from the dashboard, but I swear that his large blue eyes were now burning at me like red coals. And then, honest-to-God, the guy smiled at me, and I swear that I saw little fangs glistening from his mouth. I tell you, that did it for me!"

Ed pulled his truck over to the side of the road, and scooped up the .45 revolver that he kept under his seat. He ordered the hitchhiker out of the cab or he promised to blow him away.

"He just kept staring at me, still smiling, like he really wasn't the least bit afraid of the .45 in my trembling hand," Ed said. "Thank heaven he got out of the cab. I slammed the door behind him and tore off down the highway, leaving him to stand there glowering at me."

Ed was so shaken by the experience that he plowed up another one hundred miles or so before he swung his truck into an all night dinner for some coffee.

"I was on my second cup and half way through some strawberry pie when I glanced up at the mirror above the counter," Ed continued his account to me. "I nearly choked when I saw that same dude sitting in a booth behind me. He was staring at me, and he had that same evil grin on his face. I swallowed my coffee in one gulp, paid my tab, and got the hell out of there. I figured the guy must have hitched a ride in one of those fast sports cars that had passed me."

Ed did not stop again until nearly morning. He was getting groggy. He was in a hurry to get home to his bride of only a few weeks, but he knew

that it was better to stop for a nap than to come home to Jenny in a box.

"Brad, I know that I hadn't been sleeping for more than a half an hour when I was awakened by a tapping at my window. I sat up and nearly screamed. It was the same red-eyed hitchhiker staring at me through the window. There was no way that the creep could have come up on me that soon."

"I had had it, man," Ed shook at his recollection. "I grabbed my .45, and I was about to tell this creepy-eyed so-and-so that if he bugged me again, I would put six pieces of daylight through him. And then, speaking of daylight, the first streaks of the morning sun cut through the new day. Honest-to-God, Brad, this creep just faded from sight. He just disappeared."

Ed swore to me that the events that he described were true. He had no theories, no explanations. He only knew that he had lived through a waking nightmare.

Even worse, he informed me, the nightmare was not over.

"I've been seeing the guy in my dreams," he said in a hoarse whisper. "But they seem like more than dreams. Somehow, I think maybe this creep really is some kind of demon, and he is trying to possess me. I wake up screaming nearly every night. Jenny thinks she married some basket case. Brad, you have to help me."

Ed was so earnest that I had to believe him. It was apparent to me that whatever the actual facts of the matter, Ed believed the hellish drama exactly as he had described it to me.

Ed had once heard me lecture about American Indian Magic and how I was able to apply it to the tasks and challenges that I faced in my daily living process. I knew from the question-and-answer period that he was receptive to such concepts as medicine and magic.

"Ed," I said softly, intensely, "I am going to permit you to take my personal medicine stone with you tonight. That is something I have never allowed anyone other than a member of my own family to do. I feel, though, that your problem merits my making that exception to my rule."

Ed took the rawhide thong in his hands and studied the stone. "I should just wear it around my neck like you do?"

I nodded in agreement. "This stone has been blessed and charged with the energy of medicine men and women from many tribes. It has powerful vibrations of love and light. Wear it around your neck...and leave it on while you sleep tonight."

Ed smiled. "Jenny will think I'm weird."

"Not half as weird as when you wake up screaming," I reminded him.

The next day Ed reported to my office in a cheery manner. He had had a vision-like dream in which the evil, leering, hitchhiker had appeared floating above him and Jenny while they slept. Then the entity seemed to sense the powerful emanations of medicine-blessing from the stone, and he shrank back from its vibrations.

"It was like he was afraid of the stone," Ed said. "Or maybe like he felt weak trying to penetrate the barrier that it set up."

Ed returned my stone. He was confident that he would not need it again. "But how do I get my own medicine stone?" he wanted to know.

I took a leather bag from a drawer in my desk. "Here," I replied as I dumped a number of stones on the floor. "Choose your stone from among these. I have collected them from holy places throughout the United States, Canada, and Hawaii. Pass your hand over them, Ed. And keep doing so, taking a few moments to 'tune into' each stone. When one sends out a vibration that you *know* is yours, that will be your medicine stone. You may wear it around your neck or carry it in a medicine bag."

Ed later attended one of my workshops wherein I demonstrated how one might use the power of medicine stones to build a more positive and constructive future for himself and his family. The essence of many such workshops I have distilled in my book *AMERICAN INDIAN MAGIC*.

Many Native American Medicine practitioners also use crystals in their healing work. Crystals they believe, possess remarkable powers of magic. Some Medicine people feel that crystals offer the key which will enable them to travel between this world and the reality beyond.

Oh-Shinnah, who is of Mohawk and Apache heritage, is outspoken if someone should criticize the Indians for "superstitiously" believing in the

POWER • LOVE • GOOD LUCK • MIRACLES GALORE • EARTHLY RICHES
NOTHING IS IMPOSSIBLE ONCE YOU HAVE UNLOCKED THE SECRETS OF HOW...
AMERICAN INDIAN MAGIC CAN WORK FOR YOU!
SACRED POW WOVES & HOPI PROPHECIES THAT ARE GUARANTEED TO CHANGE YOUR LIFE

Dear Friend:

My name is Brad Steiger. You most likely have heard of me as I've written over 100 different books with total worldwide sales topping ten million copies.

Though I am of Scandinavian heritage, nonetheless I am one of a handful of outsiders to have been honored by being initiated into an American Indian tribe. For you see, the Seneca have claimed me as Medicine Man and permitted me to witness many of their magical and highly spiritual rituals, and to learn firsthand many of the mysteries of the Sacred Pow Woves which have been kept a closely guarded secret until now.

Over the centuries since they arrived in North America from parts unknown (perhaps originating in the distant past on Atlantis or Mu, or in ancient Egypt), the native American priests—the Medicine Men and Women of the Amerindian tribes—have practiced a system of magic so powerful that it enables them to control the winds and the weather, to foresee coming events, and sometimes even to change the future. They have always possessed the ability to heal the sick, to walk over burning coals, to read minds, to send and receive telepathic thoughts, to communicate with the dead, speak to animals, and control others at a distance.

Now, after spending a great deal of time with these Medicine People, I have learned what I believe to be the most essential elements of Medicine Power or Native American Magic, which I am willing to share with those of you who sincerely wish to utilize this knowledge to better your own life, and, in general, bring about a more peaceful world.

EIGHT STEPS TO PERFECTION

Though it may be presumptuous of me, I believe it is possible to distill into eight easy steps the very essence of the cosmology of the American Indians. Once learned, anyone may be able to master all aspects of their life and reap valuable rewards consisting of good luck, fantastic riches, improved health, love, power and influence. These "EIGHT STEPS TO PERFECTION" are outlined in the opening chapter of my new book and should take only a few minutes to put into practical use.

For the first time anywhere, I am going to tell you how to...

- Hold your own "Vision Quest."
- Communicate with spirits and angels, and get them to assist you in all that you desire.
- Take total command of every situation and through a formal agreement with the forces of nature, receive incredible benefits that will

turn your life around for the better in just one day.

- Prepare your own "Medicine Bag" containing common objects that after a simple ritual become sacred and highly charged to the bearer.
- Accurately understand your dreams, which the Indians say are really "messages" from the next world that are given nightly to our subconscious and which we are meant to act upon when awakening.
- Ward off evil spirits and protect yourself from any harm others might be trying to send your way.
- Create a direct "link-up" with the Earth Mother herself in order to generate peace and harmony in your life, and to get others to like you instantaneously.
- Develop your Third Ear as well as your Third Eye.
- View the future and change it to suit yourself.
- Become a great "Spiritual Alchemist," the American Indian way.
- Send out "smoke signals" using your mind to contact and influence others many miles away.
- Break the "shackles of time" and travel out of body.

In addition, I will instruct you on how to focus all your energies on that which you consider to be the most important in life. I will show you how to attract all that is good for you, and turn negativity away before it can take root. I will teach you sacred Indian chants as well as a safe and easy method to meditate which will materialize into this world that which is deepest in your heart. And above all else, I swear none of this is difficult to accomplish, nor do you have to perform complicated and time consuming rituals. The Seneca showed me that the mind is your greatest tool; the most important friend you will ever have.

HOPI PROPHECIES AND SURVIVING THE "GREAT PURIFICATION"

And there is more! I have been instructed to reveal to those wise enough to listen, the truth about what the Indians call "The Great Purification," which is predicted in Biblical Revelations. It is said, that we are living in the "End Times" or "Last Days", and that the Earth is about to undergo a "cleansing" period during which there will be drastic changes in both land placement and in the structure of society. The Hopi tribe says that those who survive will join together and harmony will overcome the land. Find out what the vital signs of this "Doomsday" prophecy are, and how salvation is possible to deserving souls. Learn the role UFOs play in these matters and how the American Indians, tie in with God's divine plan for all of us now through the year 2000.

SECRETS REVEALED

Biblical Knowledge For The New Age

"SYMBOLIC MEANING OF JACOB'S LADDER"

by WILLIAM ALEXANDER ORIBELLO

SCRIPTURE TEXT: GENESIS CHAPTERS 27-30.

©1986 Wm. A. Oribello

JACOB HAD, LIKE MOST OF US, PROBLEMS WITH FINDING HIMSELF. HE EVEN WENT SO FAR AS TO DECEIVE HIS FATHER FOR HIS BROTHER'S BLESSING. BUT GOD HAD BIG PLANS FOR JACOB. FOLLOW ME NOW IN HIS UNUSUAL STORY, AND DISCOVER WHAT IT MEANS TO US IN OUR SPIRITUAL QUEST...

Jacob left his family and went to Haran (an even higher state of consciousness), and as night fell (the dark night of the soul) he rested and fell asleep using a stone for a pillow. This portion of the story is symbolic of the periods of darkness and seeming inactivity which we experience on the path. The stone is symbolic of the pineal gland as will be revealed shortly. Jacob had a dream of a ladder which extended from earth to heaven. Angels ascended and descended the ladder and God almighty stood at the top. Jacob heard God's message and awoke saying, "The lord was in this place and I knew it not."

Many years ago a great spiritual teacher revealed this mystery of Jacob's ladder to me as I now reveal it to you: There are seven steps on Jacob's ladder. The ladder is symbolic of the seven ductless glands within our physical body and their corresponding energy centers (chakras or wheels) within the spinal column of the vital-physical body or etheric double.

The glands are conductors of energy currents which manifest as physical appetites and emotional expressions. The two upper glands are called the pituitary and the pineal. Through lack of development these glands have a sand-like substance around them which gives the appearance of stones. We will return to them in a moment, but first we must further elaborate on the spine.

At the base of the spine is an oil like substance of a gaseous nature which evaporates if exposed to air. In the vital body this substance is felt as fire. Recall the illustration of the coiled serpent at the base of the spine as I further explain. When this substance is raised through the spinal column and into the brain, it activates the pituitary and pineal glands and in the vital body it activates the brow and crown chakras. Thus begins a process of regeneration in the physical body. The stones are covered with the miraculous oil and reawakened.

The motion of this life giving force may be caused by a strong emotional expression or by specific practices. When we exalt our consciousness in all that we do (even eating and sex) we direct this force into the brain centers for higher purposes. Practices such as meditation and breathing exercises arouse this energy. However, the right attitudes are what help make the practices potent and successful. Another way that this energy is awakened is by the "MANNA FROM HEAVEN" or "BRAIN DEW."

Every month, during the days when the moon is in the astrological sign under which you were born, a mysterious substance issues from the pineal gland. One of the abilities given to the initiate is the technique to direct this substance to stimulate the cosmic fire.

When Jacob used stones for pillows this was symbolic of working to activate the psychic centers within the body. When he awoke from sleep he came to the great realization that "God is in this place, and I knew it not." In other words, he realized that the kingdom of God was within him and that within man is the gate which leads to heaven. He called the place "BETHEL" which means, "THE HOUSE OF GOD". Are you not the temple or house of God? In the morning (the dawn of illumination) oil was poured over the stone which means that the psychic centers are activated by the oil and the fire.

"AND THERE APPEARED... TONGUES... OF FIRE AND SAT UPON EACH OF THEM." ACTS 2:3

Jacob continued his journey to another place and prospered in all he did. Then one day he decided to go back and face his brother Esau. As he got closer to where his brother was he became afraid. This is symbolic of the doubts we face when we must come down from an exalted mental state into the material dimension. Jacob sent his family and servants ahead so he could be alone to pray. That night an angel passed by and he wrestled with the angel until daybreak.

As the dawn was breaking the angel was still in the grip of Jacob. The angel asked his name, then said, "Thy name shall be called no more Jacob, but Israel: for as a prince hast thou power with God and with men, and hast prevailed." This is symbolic of man coming into his true manifestation as one who is in control of his higher faculties (power with God) and his lower faculties (and with man). wrestling with an angel is symbolic of the determination and patience one must apply when attempting to unite the physical with the spiritual. "And Jacob called the name of the place Peniel: for I have seen God face to face, and my life is preserved (see genesis 32:24-30)".

Peniel may be interpreted to mean pineal. When we develop the powers of the higher mind by activating the pineal gland, we come into the Israel consciousness and become a prince (a son) of God.

When Jacob finally met his brother Esau, they had a friendly and loving reunion. The fear had vanished and the two enemies were now brothers (as one) again. Jacob to Esau, "I have seen thy face, as though I had seen the face of God (see genesis 33:10)." When we accomplish the union of flesh with spirit we realize that the physical body is a manifestation of spirit, the word made flesh.

Jacob had twelve sons and a daughter who are symbolic of the twelve signs of the zodiac. In my seminar and work shops I teach that the zodiac is one of the ten sephiroth of the tree of life in the world of Assiah (the physical). I also teach that one should develop the higher qualities in each sign. The twelve tribes of Israel are symbolic of powers within man corresponding to the influences of the twelve signs of the zodiac. However, these are imperfect powers which develop into the perfect manifestation, or the twelve apostles of Christ, which we will consider as we progress.

Here is the symbolic relationship between the signs, the tribes of Israel, and the powers of man:

1. REUBEN (A SON LOOKED UPON) is symbolic of the power of observation and corresponds to the sign of Aquarius;
2. *SIMEON AND LEVI (LISTENING AND CONCENTRATION) are symbolic of the powers of attention and concentration, and corresponds to the sign of Gemini. They also represent good and evil or the duality of man.
3. JUDAH (PRAISE TO GOD) is symbolic of, the power of adoration of appreciating life and corresponds to the sign of LEO;
4. ZEBULUN (THE SEA DWELLER) is symbolic of the balance of emotions in the sea of life, and corresponds to the sign of Pisces-the fish.
5. ISSACHAR (REWARD) is symbolic of the power of enthusiasm and corresponds to the sign of Taurus.
6. DAN (JUDGEMENT) is symbolic of our sense of justice and corresponds to the sign of Scorpio.
7. JOSEPH (Increase) is symbolic of progress on the path and corresponds to the sign of Sagittarius.
8. GAD (POWER) is symbolic of facing life with strong will and corresponds to the sign of Aries;
9. ASHER (RIGHTEOUS) is symbolic of balance in life and corresponds to the sign of Libra.
10. NAPHTALI (VICTORY) is symbolic of mastering life's problems and corresponds to the sign of Capricorn.
11. BENJAMIN (THE RIGHT HAND PATH) is symbolic of faith and corresponds to the sign of Cancer.
12. DINAH (LOVE) is symbolic of refined emotions and corresponds to the sign of Virgo.

So far we have considered just a few symbolic examples from the book of Genesis. To continue with the rest of the holy bible would take a book of several thousand pages. Perhaps one day, I will write such a book. In the mean while, I invite you to read my many books published by Inner Light, including the recently released **GODSPELLS**.

DESERVING SOULS**

Do you sometimes hear strange "voices" seemingly coming from "out of nowhere?" Do you believe there is a secret society of masterful beings with superhuman powers who have the ability to control others and help shape the destiny of mankind?

If you are anything like me, immediately you will know what I'm talking about. For ever since I was a young boy living in Philadelphia, I realized that there were invisible dimensions and many other "realms" which only a few individuals could see, but which were real enough to the true, mystical, adept.

Since I was in my early teens, I studied every bit of literature I could get my hands on which dealt with spiritual and supernatural matters. I even had several visions in which beings in flowing white robes appeared at my bedside and communicated with me a plan that they said would improve not only my own life, but the lives of everyone I came in contact with. These beings showed me many remarkable things sharing knowledge that

was to guide and shape my character for years to come.

Little by little, these "Wisemen" revealed their true identities. They told me that they, in fact, lived in a spiritually advanced utopia known as the city of Shamballa located inside the Himalayan Mountains near Tibet. For centuries they have been projecting both their astral bodies, as well as telepathically beaming their thoughts to the most advanced souls they could find in the "outside" world. They stated that they were in communication with the founding fathers of the great United States who, themselves, had formed a ultra "secret order" based upon the teachings of this group known as the "Masters of Universal Wisdom," or the Great White Brotherhood.

THE FINAL SOLUTION

Recently, I was contacted and told that the Masters would like to contact more and more individuals who are pure in thought and wish to achieve stability and abundance. The Master known as Count St. Germain specifically informed me that I should spread the news about the Second Coming, and the arrival of a wonderful New Age of peace and harmony which is just around the corner, and which will come as soon as the "Agents of Darkness" have been defeated for the last time.

They also instructed me to share with all those "students" who are interested a form of positive thinking, meditation, and cosmic awareness which they guarantee will lift those practicing their methods into a higher state of consciousness enabling them to attract ALL which they desire.

In my book, THE FINAL SOLUTION, I offer hope and protection and reveal the SECRET SIGNS and WORDS that will place you in touch with God's "Legions of Light" allowing you to overcome all evil and negativity that may be aimed at you.

Here then—for the first time—is a sample of what you can expect to find in my manuscript:

- The manifestation of God, Arch-angels, Angels, demons, and what kingdoms they rule.
- The levels of Angelic Hosts.
- The divine names of God.
- The types of beings who compose the Hierarchy of the finer forces of nature.
- The ten rulers of darkness identified.
- Why God places us on this world.
- Earthbound entities and how best to deal with them.
- Identifying false prophets.
- Identifying good spirits of the departed.
- Revelations from outer space.
- Secret signs of contact and protection.

To communicate with them directly, a person need only rub the center of the heart in which there has been placed a genuine rhinestone, and repeat the invocation given on page 48 of THE FINAL SOLUTION. DO DEMONS WALK THE EARTH?

FREE
"DEVIL'S TRAP"
TALISMAN

ALL
TRUE

HAVE THEY MATED WITH HUMANS?

• A Virginia man says that when his wife was pregnant with their first baby, she had nightmares in which a demon was trying to possess her. One night the man stared into the darkness in the direction of where his wife was sleeping when he saw, "...an enormous, faintly luminescent face of greenish hue. It had a deathly appearance, with grey-blue lips, dry-looking white fangs and flowing greyish hair. Furthermore, its orange-colored eyes glowed feverishly, and it leered down with lustfulness upon the half-naked person of my lovely wife..."

• An attractive New York woman felt a presence in her bedroom. She felt a "very light and exceedingly hot" pressure and than the incubi (male entity) forced himself upon her. He returned numerous times until only the presence of a crucifix kept him at bay.

• A 14-year-old Wisconsin girl called upon her priest in an attempt to shake loose the devil that was inhabiting her. Strange markings appeared on her body, she jerked about violently while levitating above a bed in the parish. She also began to speak in "unknown tongues" and physically attacked those who were attempting to assist her. Beelzebub himself appeared as did other demons from Hell.

No matter if you wish to take these "possessions" literally, or as manifestations of deep psychological disturbances, internationally recognized researcher and author of over 100 books, Brad Steiger takes you on a quest for the absolute truth concerning the real life appearance of demonic beings, as taken from documents and letters sent to him from ordinary people who have felt Satan's unholy presence.

For even though many of the stories within these pages may read as if they have been taken directly from some bone chilling novel like "The Exorcist" or "The Omen," the author certifies that they are all absolutely TRUE!

In addition to being warned how the "devil wants your body as well as your soul" the author explored other aspects of sex and the supernatural. Says Steiger: For some time during interviews with those gifted with "psi" abilities (i.e., telepathy, clairvoyance, precognition, mediumship), I have been asking questions concerning sex and psychic phenomena. Many interviewees have responded to my queries in a frank and open manner.

"Mediums have told me they often experience extreme pleasure upon the arrival of a spirit during seances.

"Many psychics have admitted their sexual appetite is greatly increased during and after a session of psychic endeavor.

"In many cases, I have found that the psychically gifted are also the sexually confused. Many are oft-divorced; some fall in and out of love with a carelessness that borders on promiscuity; others need sexual stimulation before demonstrating their psychic powers."

America's number one parapsychologist states that it is his opinion that, "a great deal of paranormal activity, from poltergeist to certain types of haunting, to prophecy and certain kinds of mediumship, may either function simultaneously and in connection with sexual expression, or be a by-product of sexual frustration."

The 200 page book DEMON LOVERS fully explores such controversial topics as:

- Ghosts that torment lovers and create havoc in the bedroom.
- Out-of-body astral sex.
- What love is like in the spirit world.
- The terrible hungers of real-life vampires, werewolves, and ghouls.

This is the book everyone is talking about. Dr. Barbie J. Taylor Ph. D. (clinical and media psychologist) in her introduction writes: "This book allows us to glimpse the dark side of the supernatural without fear of recrimination. It will hopefully, increase our awareness of the overlap between sex and PSI... This very interesting and enlightening book focuses on the darker side of these primordial forces—both in ourselves through our repressed sexual urges, and within the outer realms of paranormal powers." INNER LIGHT publisher Timothy Green Beckley says; "Far better than a Stephen King novel. I highly recommend it for all serious students of psychology, theology and demonology." And John A. Keel, noted author of JADOO proclaimed as the greatest book ever on the black magic of the Orient rightfully concludes; "No library on this subject can ever be considered complete without this fascinating work by one of the world's best paranormal writers."

SECRETS OF ASTRAL PROJECTION AND PSYCHIC POWER

by ARLENE, director of Psychic Research, Earthlight Center, California

You've read about people who have psychic abilities, who travel to the astral plane, who can see auras and communicate with spirits, who can find missing objects and see into the future and distant past. These people all have one thing in common. They know how to tap the powerful abilities hidden deep within their inner minds. Now, thanks to miraculous breakthroughs by famous psychic Arlene, you can use these same secret techniques to enter your ASTRAL BODY and explore the MIRACLES OF THE HIDDEN REALM.

The door into the hidden realms of the astral plane: METAPHYSICAL VISUALIZATION™.

Until recently, psychic abilities were thought to be an accident of birth. For years, we knew the ASTRAL PLANE was the key to true psychic power. But the big question was: "How can we transfer awareness from the physical body to the ASTRAL BODY?"

Through deep trance meditation, Arlene was guided to realize the answer. By loosening the bonds of the flesh through complete relaxation and metaphysical guided visualization, the essence of a person's awareness can be freed to soar in the ASTRAL SKY. Once experienced in this method of ASTRAL TRAVEL, it is easy to transfer awareness at will any time, both to and from the ASTRAL REALM . . . while retaining the infinite knowledge and wisdom of these incredible travels.

Your new powers will bring you gifts of health, wealth, creativity, and good fortune.

Once you have learned to transfer at will to the ASTRAL REALM, you will have access to all kinds of secret knowledge and abilities. A feeling of peace and contentment will come into your life as you gain more and more control over your ASTRAL JOURNEYS . . . and learn to tap the incredible power of your natural psychic abilities.

Using your powers of ASTRAL PROJECTION, you will gain the ability to soothe away stress-related health problems and worries . . . You'll feel younger and more energetic . . . Your mental powers will soar, helping you to solve all problems quickly and easily. Your creativity will increase dramatically . . . you will understand more about yourself and your vast potential as a Cosmic Being of Light.

Each tape is a personal session with Arlene, as she guides you through two different Astral Journeys.

On Side One, deep relaxation and mind conditioning prepares you for your entrance into the psychic realms. Side Two completes the process, bringing you through the full ASTRAL EXPERIENCE. The power of psychic vibration permeates Arlene's highly-charged yet soothing voice. She speaks from a trance state, over a background of cosmically beautiful new age music, also performed in a state of deep meditation. The combined effect of this music with Arlene's voice guides you easily into a state of heightened awareness, allowing you to re-discover your natural psychic abilities.

Four easy steps to Psychic Power and Astral Travel—

Arlene's complete program consists of four Metaphysical Visualization™ Cassette Tapes, described in detail below.

Step 1 - RIVER OF LIGHT—Total relaxation is crucial to successful ASTRAL TRAVELS, especially during the entry and re-entry phases. Arlene gently guides you to visualize and merge with the "River of Light," which will cleanse your body/mind of harmful stress and negative thoughts. Feel all tension wash away as you immerse yourself in Arlene's soothing voice and the healing sounds of a bubbling river, blended with cosmic music.

Step 2 - CREATIVE DREAMING—Before engaging in conscious waking ASTRAL PROJECTION, it is important to learn control of Dreaming. Listen to side one as you drift off to sleep, and you will learn the power to recall your dreams. This is an excellent way to solve problems and resolve inner conflicts. On side two, you learn to consciously experience and control your dreams through the process of "Psychic Daydreaming."

Step 3 - MIND EXPANSION—Through these guided meditations, you will transcend identification with your own negative thoughts and be free to re-establish your connection with all things. Arlene guides you to immerse yourself into stillness . . . feel your "Self" as unlimited . . . and then expand your mind beyond your body and out into the universe. Now, deeply relaxed and totally aware, you can see yourself in a new light—the light of "universal vision."

Step 4 - ASTRAL MEDITATIONS—With the metaphysical visualizations on this tape, you will finally transfer consciousness from the physical to the ASTRAL BODY. You will transcend negative attachments and experience higher states of awareness. Side one contains a special deep relaxation, preparation and focusing process, bringing together everything you have already learned . . . culminating in the gentle directed out-of-body experience on side two. Numerous students have written to Arlene describing successful ASTRAL

JOURNEYS, and we welcome you to report your similar successes.

A NEW AGE OF MAGIC IS DAWNING

We live in a day and age when people are once again beginning to understand the true meaning of words like "spells" and "magic."

Now, at the dawn of the New Age, people are becoming their own scientists and priests, looking to the universe within for answers. They now realize that the mystical science is a great power, NOT OF THE DEVIL, but the true heritage of all humankind. Between the lines of sacred scriptures such as the Holy Bible we find many cryptic messages to establish the facts I speak of. Even the word "Gospel" is taken from ancient words meaning "God Spell," and with that thought I give you the gift of my latest book in the hope that it will help build a better world.

SPELLS IN RELIGION

All religions contain spoken and written spells in the form of prayers and blessed items. The Rosary is an enhancer by which a person concentrates and focuses their attention on prayers which they repeat over and over again. This repetition accompanied by concentrating on one bead after another is in reality a spell to awaken the inner consciousness to reach for God and higher inspiration. Prayer beads and wheels are used in other forms in Eastern and other religions, as well as in Christianity.

The various medals upon which are inscribed Latin phrases and images of holy characters are, in reality, talismans or written spells, designed to focus the believer's attention on the Saint or Angel for the purpose or invoking the illustrious being to grant favors of protection, good fortune, healing, etc.

In Lord Jesus' famous Sermon on the Mount, as recorded in St. Matthew's Gospel, Chapter 5, 6 and 7, He gives unmistakable formulas of words and actions for dealing with the problems of life. Also, when asked, "Lord, teach us to pray," He gave an actual spoken formula which is embodied in The Lord's Prayer.

Many people find comfort each day by reading the Biblical book of Psalms, yet, little do they know that this is a book of magical sacred spells, that when used in a certain manner can work seeming miracles. The secrets of the power of the Psalms have been used by mystics for centuries.

HOW TO BENEFIT FROM THIS BOOK

There is so much to tell you about my new book that I hardly know where to begin. In total, I tell you how to perform over 40 spells that are of the Lord Almighty. These GODSPELLS are very positive and are meant to enhance your life and enable you to fine tune your mental powers and take control over ALL situations. Here is just a sample of what I am offering:

• **LEARN TO PERFORM THE COMPLETE RITE OF THE MAGICAL WORD "ABRACADABRA."**—This is actually three spells using one of the most magical words of all time in order to attune with the Cosmic Mind for more wisdom, power, guidance and help in all matters of life. In addition, proper use of this spell is believed to remove illness by God's power according to your faith, and to invoke the Divine Presence to descend into our mundane lives and help us banish negative conditions.

• **POWERFUL BEAUTY SPELL**—This amazing spell is believed to help a person become more beautiful in all areas of their lives and thus become instantly more attractive to others.

• **SPELL TO CONQUER FEAR**—Fear is a negative force that keeps many people from attaining the great blessings of life. There is a fear of failure, death, illness, poverty, love, family, friends, etc. Now you can

overcome all these negative conditions.

• **SPELL TO OVERCOME WICKED PEOPLE**—If you feel troubled by wicked people who try to make trouble through slander, gossip, or by causing problems on the job or at home, this is the way out of your current situation.

• **SPELL TO CONQUER CROSS-ED CONDITIONS AND EVIL SPELLS**—If you are being attacked by evil spirits in any way, or are the victim of the negative application of psychic energy sent to you by an evil person, perform the ritual as given.

• **CONQUER ACCIDENTS AND PHYSICAL HARM**—If you find you are having too many accidents you will be taught what steps to follow.

• **PSYCHIC DEVELOPMENT SPELL**—If you have found it difficult to develop your psychic and spiritual powers now you can become a highly regarded mystic through the utilization of this simple spell.

• **GOOD FORTUNE SPELL**—If you have been unlucky in matters of business, the heart, or just about any situation in life, perform this spell using a copper penny and by reading a few words from the Bible.

THE LEGENDARY POWER SQUARES

The legendary Power Squares have been handed down throughout the centuries and while a few sacred volumes tell about these talismans none give specific instructions for how to bring their power to the surface. This one section of GODSPELLS may alone be classified as a dictionary of mystic techniques, for there is a spell for just about every need. You will receive

• **THE POWER SQUARE OF SOUND BUSINESS**—This square should be burned when one needs guidance in any business decision and is said to be of great benefit in legal cases and influencing their outcome.

• **CANDLE BURNING**
• **SECRET SPELLS**
• **POWERFUL RITUALS**
• **THE MAGIC OF THE THREE WISE MEN**
• **PROPER USE OF OILS & INCENSE**

Many of those who have ordered my previous works have expressed a desire to obtain the sometimes difficult to find spiritual and occult supplies used in some of the spells, and which may not be available in their area.

In GODSPELLS, I am proud to introduce my own daughter, Olivia, as being perhaps the youngest channel and spiritual light worker whose mentor from the Hierarchy include the Ascended Masters Kwan Yin, Kuthumi and Jesus the Christ. Despite her age, Olivia has already spoken to study groups in the field of Holy Magical Rites and spells. Her abilities have been demonstrated in the preparation of mystic oils for various blessed purposes. In the Bible, the prophets would touch people with olive oil. Sometimes they would mix flowers and herbs in the oils and use these different oils for a variety of spiritual purposes.

As part of the specially blessed ingredients kit that accompanies this super deluxe edition of GODSPELLS, I am making available to serious students the following oils:

New SEVEN GOLDEN PROPHECIES

**PREDICTIONS FOR THE YEAR 2000 & BEYOND
PEACE ON EARTH & A SPIRITUAL AWAKENING
WILL YOU BE ABLE TO HANDLE THE TRANSFORMATION???**

"Michael X." Barton is considered to be one of the most accurate prophets of all times. His understanding of cosmic truth and the workings of inner dimensions cannot be surpassed. His following among New Age truth seekers is worldwide.

Before going into seclusion several years ago, Michael X. left behind a manuscript which he asked to have privately distributed to a few select students. Michael believed that most students along the path were not equipped emotionally or spiritually to consider the "mind-blowing" prophecies contained in his inspired work. Since the prophecies were to be fulfilled during the so-called "End Time" (end of the Piscean Age), he believed they should be released during the last two decades of the 20th century, when a higher spiritual awareness had been brought about by the continuing visitation of UFOs, and by the inspiring words of other New Age teachers.

Now that we are moving closer and closer to the transformation period which he spoke about, we feel his manuscript can now be released to the general public, though there is still a warning attached to the disclosures to be found in this book.

Let it be understood, however, that Michael X never inspired this volume to be a frightening book. Although there will be indeed, physical upheavals, the SPIRITUAL UPHEAVALS will more than balance the trials that will accompany the introduction of the coming GOLDEN AGE.

MERLIN'S SEVENTH PROPHECY

1. The Magi's Millennium: A time of Increased Spiritual awareness on earth. This prophecy says that the earth will be "levelled" but does not mean a physical but rather a spiritual levelling. Everybody will speak the same language and there will be a world-wide (non-Communist) government.

2. The Sibylline Prophecy of New World Peace and the Reign of Heavenly Justice: No wars, no droughts, but a great Peace in all the earth. The true and only God will raise a Kingdom forever over all men. No longer will gold and silver rule, but all things shall be common in the lives of men.

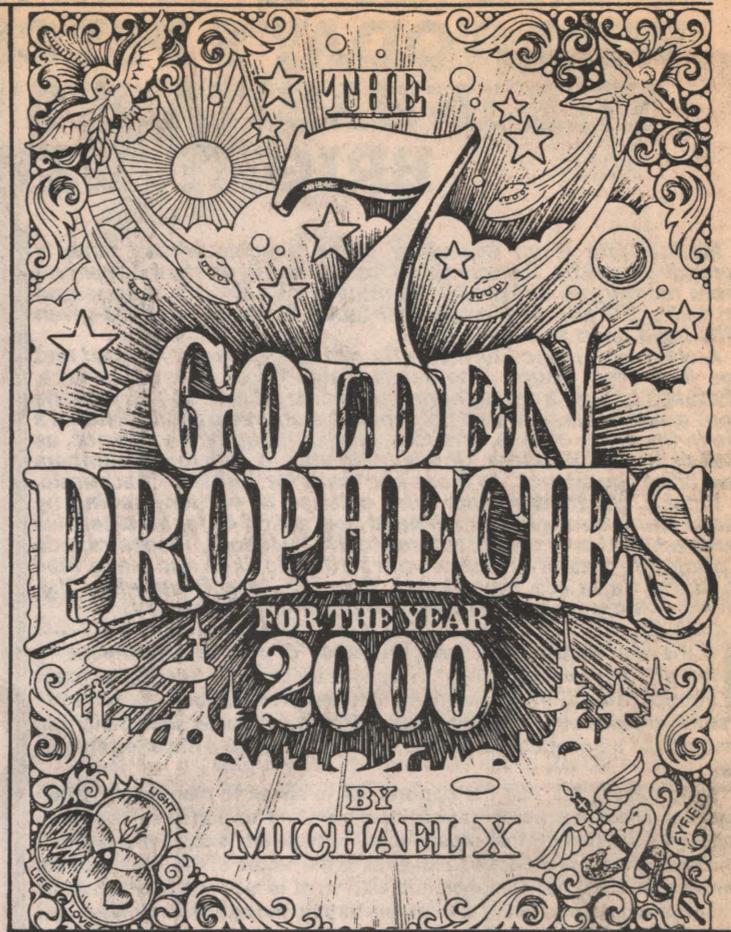

3. Enoch's World Prophecy: After the "Power Group" burned the wonderful Library of Alexandria, Egypt, the human race lived in mental and spiritual darkness for two thousand years! We're now coming into the true light. The Power Groups who rule our lives will be defeated by the Eternal One.

4. Mica's World Prophecy: In the last days of the Piscean Age the strength of the house of spiritually awakened New Age souls shall be established in the very highest spiritual consciousness of Life, Love and Light. War is to be abolished, and there will be no fear of a "Gestapo," "Secret Police" or "CIA" looking down our necks.

5. Elder Edda's Prophecy: The greatest Sooth Sayer for the Ancient Norsemen, one of the greatest prophets who ever lived. How the "Solar Force" slumbers quietly in a large center of "chakra" which is situated at the base of the spine. New Agers are to be spiritually awakened individuals when the Solar Force is activated. New Ager will become aware of who they were in previous lives.

6. Our Biblical Prophecy: The Bible prophecies World Peace, and outlines how a true Adept is able to ascend to the Mountains (higher states of consciousness). The New Age vibration is like clean water, which shall purify the people if all believe, and cause them to labor as one for the establishment of WORLD HARMONY.

7. Merlin Speaks — To You: Merlin lived as an actual personality, though somewhat colored by imaginative folklore. His prophecy deals with the coming of a "Savior," which is in reality a "Super Solar Force"

IS A GREAT "VISITOR" SOON TO ARRIVE WITHIN OUR MIDST?

ALL THE "GOOD THINGS" WE CAN LOOK FORWARD TO AS PREDICTED BY A MASTERFUL BEING — THE MYSTERIOUS "MICHAEL X"

LIVING AMONGST US ARE VERY "SPECIAL PEOPLE"...

WILL TODAY'S PSYCHIC CHILDREN BE THE INHABITANTS OF TOMORROW'S BRIGHT, NEW, WORLD?

by Maria H. Carta

Maria Carta is an especially gifted psychic whose fame is spreading rapidly. Reincarnated from Atlantis, ancient Egypt and more recently as a Hawaiian Kahuna priest, Maria has appeared on radio, TV and in the national tabloids where her God-given gifts have been acknowledged.

A clairvoyant since birth, Maria can chart a person's past and see into their future. She reads Tarot cards, can see auras, channels beings from higher dimensions, talks to spirits, can see your guardian angels and help map the course of an individual's life in the areas of love, finances, employment, family, friends, as well as karmic patterns. She is often able to give lucky numbers and bring "good luck" to those she reads for. She is 90% accurate.

Inner Light readers who wish a taped or written reading by Maria Carta through the mail need only send \$40 for an extensive forecast. You may ask from three to five questions. Please include a photo of yourself as well as your birth date, time and place. Mail to Maria Carta c/o Inner Light, Box 753, New Brunswick, N.J. 08903 (Kindly make payment to Inner Light, thank you).

In the last couple of decades, the study of psychic phenomena—known as parapsychology in academic circles—has made great inroads. Still, to my amazement, little research has been done in the area of exceptionally "psychic children," and yet this is something that should hold tremendous interest to any of us who have offsprings of our own.

In my travels, I've had the opportunity to speak to many other gifted psychics, and a high percentage of them have told me that as children they had numerous paranormal experiences. Perhaps this is due to the fact that children have no preconceived ideas as to the nature of the world and the universe, and are not so concerned with what is "scientifically" possible and what is not. One theory is that from birth to the age of six or seven, we are ruled by the moon. This lunar influence gives us a keen psychic awareness.

A close friend of mine who is a child psychiatrist says, "children are well aware of every little detail that goes on in their lives, as well as in the lives of their parents," despite what we might want to believe. A "closet parapsychologist," my long time friend insists that "on many occasions children pick up psychically what is going on in the minds of other family members." For example, she says that children often know "when their parents are stressed and upset, as well as when there is a threatened breakup of the family."

After a divorce, for instance, there seem to be impressions that are embossed in a child's brain. My own son, John Michael, was sitting nearby watching me intently as I did a Tarot reading for myself. Since he loved the pictures on this particular deck on cards, he decided that he would help me out with my reading. He mixed the cards around on the table and pulled out the Eight of Swords and proceeded to study the card. Lifting his face from his hands he told me that, "Daddy had put those swords there. He put them there on purpose, and then he blindfolded you and tied you up!" My reaction was one of surprise and shock. How could he have known the meaning of this card? I had never discussed the Tarot with him as I knew he was much too young to understand. I had thought that I could hide my emotions from a child, and I found out how wrong I was.

Isn't it strange to think that my son could be an experienced psychic reader without spending years studying the meaning of the cards? Yet, despite this fact, the card that he selected at "random," means exactly what he had said it did. As anyone who knows their cards can tell you, the Eight of Swords does represent restrictions in which a seeker is fearful of moving out of a situation of bondage. "Those around him hold to him tightly. Censure. Temporary illness has left the seekertoo weak to fight for his rights." All these are mentioned in Eden Grays' **MASTERING THE ART OF THE TAROT**.

I have every reason to believe that John Michael is one of the youngest Tarot readers around—as at the time he gave me this reading he was barely three years old.

Children also make excellent mediums. In upstate New York over a century ago, the Fox Sisters started the whole spiritualist movement with their claims of having established ongoing conversations with the departed spirit of a man who was killed and buried under their parent's home. Both sisters were mere teenagers when the strange knockings on the humble walls of their house began. These knocks would be repeated over and over again, and eventually thousands from all walks of life make the trek to the site in order to pay homage to the two plain and simple

sisters who could "communicate with the dead."

During my conversations with youngsters, I've found that many children hold regular conversations with the spirits of their grandparents and great grandparents. Often, the spirits act as "guides" offering advice and seeing their grandchildren through every day situations. And while we may laugh at such things as "invisible helpers," many cultures take such things more matter-of-factly than we do. The Hawaiian Kahuna just about worshipped the souls of their forefathers. They called ancestral spirit guides by the name "Aumakua," and the belief persists to this day in many parts of the island where magic is still king.

Even as far as my own life goes, I can remember quite a few psychic experiences I had as a child. I can remember seeing colors around the heads of people, and it wasn't till many years later that I came to understand that these colors represented the human aura.

As a child of the Fifties, I grew up watching lots of television. Many times while watching a particular program or a movie that I had never seen before, I would be able to figure out what was going to take place on the screen. I would tell people the names of characters, give them an outline of the rest of the story and tell them what the eventual outcome would be. I could also look at a picture in a book of a place half way around the world and tell you a great deal about this locale, even though I had no way of knowing anything about this place.

With my son, John Michael, I found he was displaying mediumistic tendencies at about two months old. I can remember seeing a big shadow that seemed to hover in from of the both of us while we were lying in bed together. I would stare at the shadow and slowly as I gazed at it, I could make out the face of my deceased grandmother. Several times, my son would wake up from a deep sleep only to look up at the figure and just smile before dozing off again.

Now, here's a bizarre episode that happened to my own mother...and it involved me even though I wasn't even born as yet.

During her pregnancy with me she had a dream that turned out to be a "blessing" or "warning" from above.

In the dream, my mother was at the shore, and I was about four or five years old. I was wearing a little flowered swimsuit with a matching bonnet, and a woman with a big brimmed straw hat was approaching us while walking her retriever.

To this day, my mother recalls vividly the dream, because it seemed so real. "It was just like watching a movie," she recently reminisced. According to her, the woman wearing the hat suddenly came over to me, bent down, picked me up and started running off in the opposite direction.

Apparently, she started screaming, "Help me! "Help me! That woman's just kidnapped my child!"

My mother says that in spite of all screaming and pleas for help, no one came to our rescue. At this point in the nightmare, she awoke and had trouble going back to sleep. That's how much this dream disturbed her.

Well, the story has a Twilight Zone-like twist to it. Four or five years later, after I was born, my mother and I were at the Jersey shore and this woman, dressed exactly like she was in the dream, approached us seemingly out of nowhere. "The woman's face looked exactly the same as it did in the dream," she insists, "and when she got within a few feet of us, I scooped you up in my arms and walked away quite fast."

The thought has crossed my mind that, if she hadn't, I might not be writing these words today!

Our own INNER LIGHT editor, Timothy Green Beckley, had a number of paranormal experiences as a little boy growing up in New Jersey. It seems that the house his parents lived in, had a reputation for being haunted. One night, the acknowledged authority on things that go "bump in the night," woke up at about the same time his mother did. Their sleep had been disturbed by the sound of a baby crying.

"The sound was coming from outside," as Beckley tells us. "My mother and I went to the back door and opened it. It was snowing outside— maybe there was an inch or two on the ground— and there in the snow we saw the unmistakable footprints left by a baby's shoe. We followed the prints to the back gate and there they stopped."

Later, Tim and his mother found out that a young child and it's mother had both died in the house many years ago— shortly after the turn of the century from some form of the plague— and were laid out in a coffin together in the livingroom. Tim also had an early out-of-body experience, and a sighting of two UFOs at the age of ten which made him a confirmed believer in the many topics that are discussed in his two publications, INNER LIGHT and UFO REVIEW.

Another friend of mine, Geri, had a frightening premonition as a child. "I heard a very loud noise that shook me out of a sound sleep. I ran into my parent's bedroom and I was crying. Trying to ease my nerves they told me there hadn't been any loud noise and that I must have imagined it in a bad dream." As Geri recalls the episode, her nightmare became reality within a half hour as there was a loud explosion right outside their front door. "A car had exploded, and the sound was exactly like it had been in my dream!"

Maria with her son John Michael.

metal bender, Uri Geller who started his "career" when he was a little boy. When Uri appears on television around the world twisting spoons and forks in all manner of shapes and patterns, at home many youngsters find they have this same extraordinary ability. And a word of advice, if your child is able to bend metal—even at the dinner table— don't send him off to bed without his supper. Instead, compliment him or her on a job well done for your child may grow up to be a gifted psychic someday.

If there is a psychic child in the home, we adults should try to provide soothing, trouble free environment in which their consciousness can grow. These "psychic children" need all the love they can get.

I need not tell you that we live in very difficult times, growing up in today's world is certainly no easy task. But, interestingly enough, we are finding out more and more, that children are able to cope with what is going on all around us, better than most oldsters.

While for the most part, the mass media has had little to say about the subject of psychic children, there are a few books you might turn to for added information. PSYCHIC CHILDREN by Samuel H. Young (Doubleday) is an excellent reference work. And in Brad Steiger's AMERICAN INDIAN MAGIC (Inner Light Publications) we are treated to information on how the Indians handled their young braves as related to ghosts and spirits. Tim Beckley and I even touch on the subject somewhat in the forthcoming book, KAHUNA—CHANTS, PRAYERS & RITUALS OF THE HAWAIIAN PRIESTS to be published early in 1987 by Inner Light.

Both the Hawaiians and the Indians accepted the psychic side of their children, so when they grew up, they had no trouble consorting with spirits, angels and nature elements because they had never been told to deny the existence of the "invisible world."

Make no mistake about it, all children are psychic. If you want to bring out and develop your son's or daughter's natural abilities in this area it's a good idea to employ certain tools.

ESP cards, with their colors and symbols, are a great help and can be used as if they were a game.

It also helps if children are exposed to music since this helps them visualize things clairvoyantly in their mind. If left in front of a piano or other musical instrument, often times kids instinctly "know" how to play. Some researchers explain this talent in terms of remembering past lives, and in bringing certain gifts and abilities with them from a previous incarnation.

In Mexico, China, the Soviet Union, and other countries, young preschool children have been taught to "see" while blindfolded. They can pick out colors, shapes and sometimes can describe exact scenes from magazines even though their sight has temporarily been taken away from them during these experiments. And let us not forget super psychic and

Even Biblically, there are references to the importance of children in the New Age just around the corner. The Good Book makes reference to the fact that "a little child shall lead them." And, in the area of UFOs and extraterrestrial contacts, there has been a marked increase in the number of sightings and reported contacts involving children. Producer Steven Spielberg amply illustrated this point when he made the stars of both CLOSE ENCOUNTERS and his later hit ET, young innocent children with no fear of the unknown. The number of children being taken on board flying saucer-like craft both in "dreams" and during waking hours, cannot be shrugged off as fantasies and daydreams. Some children have actually disappeared for hours and days and then turned up claiming to have been removed briefly from this planet.

And let us not forget that Inner Light's own Diane Tessman had her first experience while she was five or six. As she relates her experience under hypnosis, she was outdoors playing with her dog when a craft landed nearby. The next thing she knew, she was inside a ship from another world. The angelic-like beings on board told her that they were here to help spiritually uplift those so guided, and to assist God in the salvation of this planet. Ms. Tessman has had other experiences since her original encounter, but her meeting with her "special one" remains strongly fixed in her mind.

Many believe that a sizeable percentage of those to be taken off this planet should a global catastrophe strike will be children as they have their entire lives ahead of them. In the last few years, we've found that any number of New Age Light Workers have entered the teaching profession, as well as child psychology. They strongly feel they that they are being educated by the "Boys From Topside," to give the best guidance they can and to work hand-in-hand with the youngsters of this planet should that

SOME RELATIONSHIPS ARE MADE IN HEAVEN. RICHARD AND COLLEEN CONTE SEEM TO BE KARMICALLY BOUND.

ACTOR RETURNS FROM THE SPIRIT WORLD

by Timothy Green Beckley & Harold Salkin

Having met and married in this life seems not to have been coincidental, but preordained. Richard Conte, the usually "mobster-cast" Hollywood actor, who played "Barzini," a Mafia Don, in the screen classic, *The Godfather*, knew his wife long before he was born, and apparently has managed to remain in close contact with her since his death little more than a decade ago.

And while the star of such other motion picture epics, as *The Brothers Rico* and *A Walk In The Sun*, is no longer able to provide us with a first hand account of his deep involvement with psychic phenomena, Richard's widow is more than willing to talk about her husband's—as well as her own—interest in this fascinating topic.

In fact, the story Colleen Conte relates only goes to prove that death is not the ultimate event. Colleen sincerely believes that a couple does not have to say goodbye when death reaches out for one partner, that it is possible to keep in touch with a loved one after his transition from this three dimensional world.

Although they weren't married until August 9, 1972, Richard and Colleen had been together almost four years when they decided to officially tie the knot. Upon first meeting, the two instantly "recognized" each other. According to Colleen, "We both had identical dreams concerning one another, two years before we even met. Strangely enough, that first night we knew what our future together would be like, and how we had been related in past incarnations.

"The whole sequence of events was downright mysterious," confesses Colleen. "In our identical dreams, we never uttered a word. We just knew we were married and living in some Spanish speaking country as spies on a secret mission. The dream never varied. Nicky (Nicholas was Richard's real given name) was kidnapped by a gang of revolutionaries and badly tortured. Upon our reunion after his rescue, he was so ill that he couldn't move, but he did show great joy because, at the moment of his release from captivity, I was giving birth to a child. I was holding the baby in my arms and showing him the child, and tears of joy were streaming from his battered eyes. And how I remember those eyes—they were tormented, so sad."

Later, after being introduced to her husband-to-be, Colleen came to understand the symbolic meaning of these dreams, "It turned out that just before we met, Nicky had some very delicate surgery done on his eyes, and the operation didn't come out well. His eyes looked just the way they did in the dream. The similarity was uncanny."

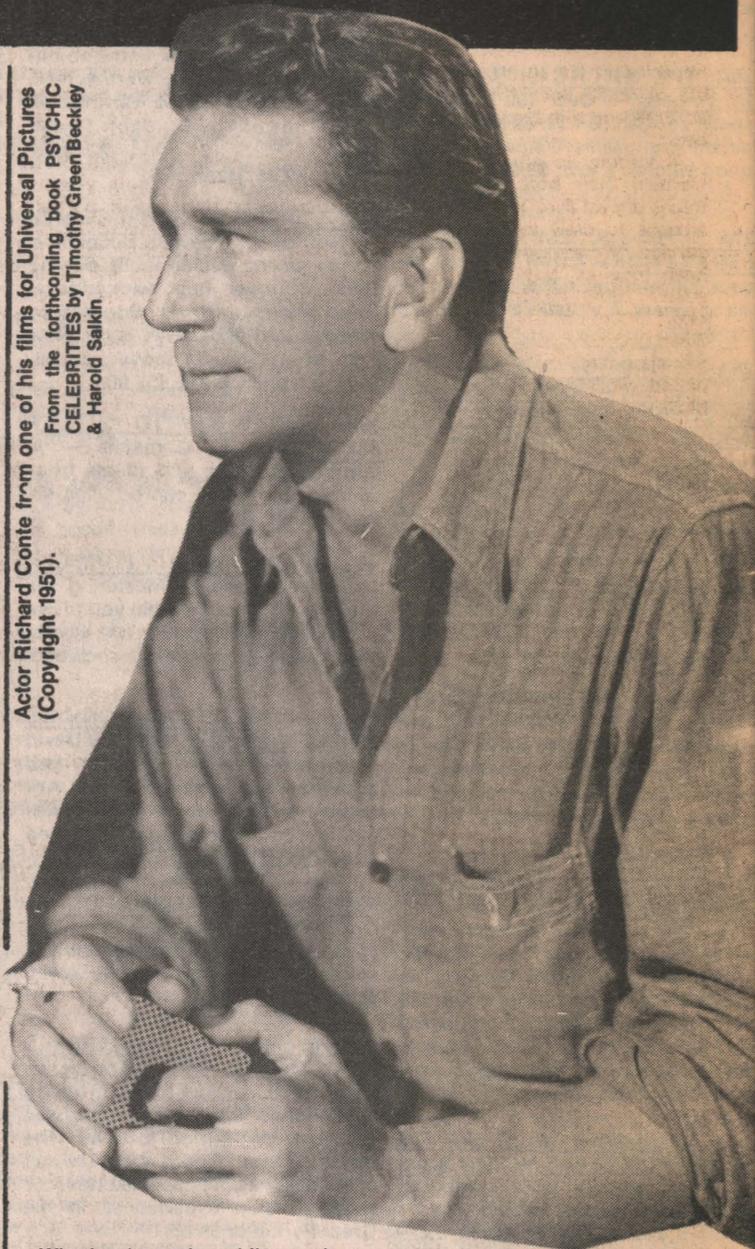

Colleen admits that it wasn't until Richard's death that she fully realized just how symbolic their identical dreams had been. "We always thought we would have a child because of the dream, but we never did. Sure enough, our travels did eventually take us to South America, and we did have trouble with revolutions breaking out wherever we went, and us leaving the scene pronto, just to make sure that Nicky wasn't taken into custody. But there never had been a baby, until the very end, when I realized that Richard represented the crying infant I held in my arms. Suffering a combination stroke and heart attack, he was lying in the hospital, unable to speak—thus the silence in our dream—but each day when I came to visit, he would greet me with a big smile, and tears would form and roll down his cheeks."

Before Richard's untimely death, he and Colleen were the perfect pair, going everywhere and doing everything together, "We were close, so close," she insists, "that we began to practice thought transference, sending impressions to each other telepathically."

Over the years, their ESP developed to such an extent that they could read each other's mind at will. It got to the point where telepathy was so common between them that they endeavored to make a game of it.

"We'd really get a kick out of using our abilities at a press conference," Colleen muses. "In London, it got to be very funny, because the reporters there just love to throw all sorts of embarrassing questions at you. If you don't watch your step, sometimes they'll trick you and make you tell them things you had no intention of revealing. If the press was trying to corner Nicky, I'd send my thoughts to him real quick-like, and before I knew it, he'd give them the answer. In fact, we used to amaze the interviewers by answering their questions before they were even asked!"

Whether it was in public or private, the Conte's always managed to utilize their psychic abilities to the fullest. "At home, we took it for granted. If one of us was in the kitchen and the other wanted something, the first one would bring it right away without a word being spoken."

Three weeks before Richard took fatally ill, UCLA contacted the Conte's explaining that the university's parapsychology department wanted to conduct a series of psychic experiments with them, as they had heard about the couple's

mental capabilities from several sources. "Nicky was very much interested in parapsychology as a science and was anxious to accommodate them, but I refused, because there was hardly a corner of our minds left that was private. It got so that we were afraid to think a harsh thought to ourselves. There was no keeping secrets from each other. If we got angry, we'd have to suppress it, because sometimes you think somethings to yourself that in reality you don't really mean, that could hurt the other's feelings. I felt that if we went through with the tests,

it would open up the last vestiges of privacy that remained in our minds, and I didn't want that!

"Nicky was terrified of death," Colleen points out. "That's the real reason he began studying this subject in earnest. I was trying to teach him that when the 'time comes', we don't need to give up what we have at the moment, that it's not a total leaving. He finally understood and became very interested in religion, philosophy, history—everything he could tie this in with. He was anxious to prove to himself that the soul survives, that life is continuous, that it doesn't abruptly end with the last beat of the heart."

According to this soft-spoken woman, they both had memory traces of past lives which they were anxious to draw to the conscious surface. "We were positive that we'd been together centuries before in several other incarnations." In an effort to find out who they were and when they had lived, they purchased a Ouija board, which they sincerely hoped would fill in the missing blanks in their memory.

They placed the moveable message indicator on the board held on their laps, and began to receive information which they felt certain was 100 percent accurate. It told them about previous lifetimes they had spent in Lebanon and Spain.

"In Lebanon the board told us that we resided in a town that isn't even on the map anymore. It hasn't existed for well over 200 years. We were able to find the place only after checking old maps in Europe. According to what the Ouija said I was born in Beirut, and at the age of seventeen I was sent to this little village to marry a young boy the same age. Nicky's name was Waso then, and mine was Biera. The boy's father, Ali, the one who came through to us and provided us with all the details made the necessary marital arrangements. Well, it seems that he was in actuality a lecher who liked young girls, and one day while Waso was away from home, Ali came after Biera and raped her. In despair, she ran from the house and threw herself into a nearby lake and drowned. When Waso came back and discovered that his fiancée had committed suicide, he didn't even wait to find out why, but drowned himself in a similar manner."

From what the board spelled out, Waso's father is still seeking forgiveness for his grave misdeed. "All's spirit has been carrying the guilt all these centuries, and apparently the fact that Nicky and I had gotten together again in this life has helped to ease some of his mental suffering. It's really funny, in a sense," Colleen adds, "because you know you were personally involved, but it's more like watching a scene unfold in a movie."

Not one to jump to hasty conclusions, Colleen actually traveled with her husband to Spain, in order to verify another of their incarnations. "We both had scant recollections of being killed during

the Inquisition, but we knew there was no way of proving it even to ourselves until we found the actual spot where we died."

One day, while driving in the Spanish countryside, both Richard and Colleen were overcome by a sudden fear as they neared a tiny village not far from Madrid. "We couldn't move to get out of the car. That's how absolutely petrified we were! The driver couldn't quite understand our unexplained dilemma, but muttered something to us to the effect that this particular area was where the bloodiest aspect of the Spanish Inquisition had taken place. Eventually, after a few minutes, we managed to get ourselves together enough to go through some of the ancient structures that are still partially standing. When we entered this one church, we both freaked out. This was it! This was where we felt the strongest vibrations of fear in our heart of hearts." Colleen suspects this was the very spot where individuals were killed for their beliefs, centuries in the distant past.

As sad as these past recollections were to recall, it was also with a great deal of sorrow that Colleen began describing her husband's final illness, which ended his career as a fiery leading man in motion pictures.

"On April 3, 1975, he suffered a simultaneous stroke and heart attack, and was rushed to the hospital, where he remained in critical condition for thirteen days before he passed over." Colleen says that for the first eight hours there appeared to be no sign of life. "They had him on oxygen and were applying electric shock to get his heart beating again. Finally, at about 3:00 in the morning, they injected an experimental drug into his system which produced a slight positive reaction."

The thirteen-day period was excruciating for Colleen. "They had him hooked up to all these lifesaving machines. The doctors kept telling me, 'He's dead, he's dead,' but I wouldn't give up hope. We tried everything possible to get through to him, but we seemed to have no luck. Finally, on the third day his eyes

opened and I was able to reach him mentally, and from then on we continued to 'speak' in this fashion."

Due to the fact that oxygen was being pumped into his system through a long tube extending down his throat, the doctors advised Colleen that her husband shouldn't try to speak out loud. On the eleventh day the actor lost his will to live.

Look and feel younger ... almost instantly!

THE LEGENDARY "Fountain of Youth" is fact, not fiction, and once you learn its secret, you can look and feel years younger — almost instantly.

That's the promise of an exciting new book called *Ancient Secret of the Fountain of Youth*.

Guaranteed to work

It guarantees you'll benefit in ways you thought impossible.

The book tells the story of a retired British Army Colonel and his expedition to a remote corner of the Tibetan Himalayas.

There, in a hidden monastery he discovers aging Lamas who live, look and act like healthy, strong young men.

"There was a man whom you would have sworn was not over 35, who acted like a man of 25," reports the Colonel.

"He was actually more than a hundred years old. If I told you how much over a hundred, you wouldn't believe me."

Miracle

The Colonel goes on to fully reveal the secret of this miracle: five ancient Tibetan rites which normalize invisible energy vortexes in the body.

After performing the rites just once a day for a

month, the Colonel claims he turned back his age fully 15 years.

And he insists that anyone else can benefit too — including you!

"The hospital's medical staff came to me and said there had been severe damage done to my husband's vocal chords, and if they kept this tube in his throat another day, it would definitely wreck the larynx for good. On the other hand, they informed me, if they removed the tubing he would most certainly expire during the night. Of course, I told them to leave it in under any circumstances."

Later that day, Colleen visited the hospital, walked into her husband's private room, and found all the lifesaving machinery cut off, and the intravenous lying in a heap on the floor instead of being in his arm.

"The head nurse was standing over Nicky in a state of panic. She told me she had heard a commotion and had come running into the room, only to find everything in disarray. The nurse couldn't understand what had happened, but I did. Nicky was trying to end it! His will power had blown all the hospital's equipment, and he had somehow managed to remove all the needles from his arm. He knew he'd never talk again, and for any actor this would be impossible to live with."

Richard Conte died in his sleep at 9:25 A.M. on Tuesday, April 15, 1975.

Within five minutes of his death strange things started to happen around Colleen!

"I was at home in Beverly Hills, in my bedroom, when I saw this painting that I had done, lift up from its hook and crash to the floor. The painting was my impression of what Nicky must have looked as a little boy. One day he told me that his grandfather loved to play the mandolin, so I painted a little Italian boy leaning on an old man with just such an instrument in his hands."

Moments after this painting fell, the telephone rang. It was the hospital calling with the sad news.

Soon afterwards, objects began flying about the household, and other paintings fell to the floor, often in front of dumbfounded witnesses!

"Upon investigation, we found that the nails which held the paintings in place had been pushed flush against the wall, as if someone had pounded on them with a hammer." Colleen maintains that the nails were so twisted out of shape that it took a good deal of effort to pull them out of the wall with pliers.

In total, more than a dozen paintings were affected in this peculiar way!

There was plenty of other evidence, as well, that Richard's soul had separated from his body at the moment of clinical death, and had managed to travel to another plane of awareness. One of the sure signs that his spirit lingered, was the appearance of brilliantly plumed blue jays to everyone he loved and had been close to as he neared the transitional stage.

The significance of the bird is explained by Colleen this way:

"About two weeks before the fatal attack, while he was still in apparently good health, Nicky and I

were fooling around, reading a book on spells. It was a rather old volume, and I remember how carefully he went about studying it. There was this one spell which he called to my attention, which said that if you could pluck the feather of a blue jay, then you could fly with it. I kind of laughed at this and said, 'How can we capture any type of bird, when we live in a penthouse apartment and our terrace is enclosed?'

"Three or four days later, we were in the living room and Nicky started raising his voice, something he seldom did, and began shouting, 'There's a bird out there, there's a bird out there!' Indeed there was, and it was circling over the patio. Suddenly, it swooped down, and perched itself on the table and drank from a cup. Then, just as suddenly as it arrived, it disappeared, flying out of a tiny opening in the canopy over the patio, through which it had apparently entered—quite a feat.

"The bird was a beautiful, crested blue jay."

Funeral plans called for Richard to be buried that coming Saturday. On Friday, Colleen visited the cemetery to inspect the gravesite and look over the chapel where his body would rest so that it might be viewed by his many friends. She was greeted by an unusual sight.

"There were wild parrots all over the place, and a single blue jay which kept flying around and around above the chapel. Occasionally, it would land on the bushes and peer inside, and then it would fly over the grave, look down, and come to rest in a nearby tree." Colleen asked the caretaker if the rash of birds were nesting on the grounds, to which he replied that he'd never seen them before.

Following the funeral, Colleen says she received over twenty phone calls from people who were shocked to see a blue jay perched on their window sills. "One call was from a young nurse in intensive care whom we'd never known before, but who had given up her free time to take care of my husband, and both Nicky and I became very fond of her. She told me a chirping blue jay had shown up outside her bedroom window that morning.

"Another woman, who worked at the City National Bank on Wilshire Boulevard, was emotionally upset when she learned of Nicky's passing. He had always been sweet to her, and she was having a hard time adjusting to the fact that he wouldn't be coming into the bank any more. She told me, 'As I came to work, I saw there was this pretty blue jay perched right over the entrance to the bank, and he didn't go away all day!'"

Several months after Richard's death, Colleen purchased a house in the suburbs, to avoid being reminded of the tragic turn of events in her life. But even here, the blue jay sought her out.

"The house was owned by a very staunch English couple. I told them

about the appearance of the blue jay, but they were skeptical, until a blue jay arrived and began tapping on the windows and roof. The lady of the house said it was driving her crazy and scaring her silly. Because of this, they moved out ahead of schedule."

To this very day, the blue jay continues to hang around. "Personally, I don't think that Nicky has taken over possession of the blue jay's body as some people have suggested, but I do consider it a good omen. One time when the press was here interviewing me, I told them about the bird, and they thought it was mildly humorous. At that moment, the blue jay flew by and he was with another blue jay, so I said, 'That must be Nicky now with Susan Hayward,' because he'd played with her and Edward G. Robinson in *House of Strangers*."

Associated with the blue jay's appearance is a story Colleen tells

which borders on the incredible. "We had a giant bookcase which stood for years without once ever causing us any trouble. Then one day, it toppled over with such a crash that the entire building shook. The room was a shambles, books were everywhere, and everything had been tossed on the floor including several heavy metal trophies which were smashed beyond repair. The only thing that was left in one piece was a Tiffany glass lampshade that a friend had made for us, which we had never found the right vase for. Immediately, I realized it was odd that the lamp shade hadn't broken, because it was so fragile. Yet I didn't understand why it had been saved until later, when I got someone to help me put the case upright again and place the books back where they belonged. The reason the lamp shade hadn't broken was because

ENABLES YOU TO:**

CALL UPON YOUR GUARDIAN ANGEL FOR GUIDANCE AND PROTECTION

Psalms 90:11-13 states: "The Lord hath given his angels charge over thee, to keep thee in all thy ways."

Evangelist Billy Graham tells us: "When Christians die, an angel will be there to comfort us, to give us peace and joy even at that most critical hour, and to usher us into the presence of God, where we shall dwell with the Lord forever..."

Jesus himself revealed the wonderful truth that the faithful each have a guardian angel to attend to them throughout their life: "Behold I will send my angel, who shall go forth before thee, and keep thee in thy

journey, and bring thee into the place that I have prepared."

Now for the **FIRST TIME**, you can learn all there is to know about God's special helpers—why angels were created; what their purpose in the Lord's scheme of things really is; and most important of all, how you can call upon them directly for guidance and protection, in order to make your own life more peaceful and fruitful.

Here's a sample of what you can expect to read in an amazing new book just released titled **ANGELS OF THE LORD**:

ANGELS WALK AMONGST US!

It may come as a shock to many, but according to evidence, we are often confronted by angels, but do not know it. **Yes, angels are visible quite often, only they don't always appear to us as spiritual beings with wings, but rather as men, and even as strangers.** They come when they are most needed. You may even pass an angel on the street who is bent on doing some good for someone that can't be accomplished in his invisible state.

NINE SPECIFIC WAYS OUR PERSONAL ANGEL PROTECTS US

Biblical scholars insist that angels do more than follow us about. It is said that they have a special mission that they must carry out. Among other things they must protect our spirituality; defend us from the seduction of Satan; shield us from sudden dangers; help in the saving of our soul; pray for and with us; assist us in praising God and help when it is time for us to "cross over." Each of the nine ways is described in detail so you will know what to expect from your personal angel and what you must do in return.

HIERARCHY OF ANGELS

Generally, it is not known that there is an actual organization of angels. The divisions include: Archangels, Seraphim, Cherubim, Principalities, Authorities, Powers, Thrones, Might and Dominion. Find out how these various angels are ranked and what their individual duties consist of.

DOCUMENTED CASES OF PEOPLE HELPED BY THEIR GUARDIAN ANGEL

Many startling, modern day case histories are written about. For example: • The New York woman whose guardian angel led her to a job when she was totally destitute. • The "Angel of Mercy" who prevented the killing of Chinese citizens by the Japanese during World War II. • The battalion of angels who fought it out with the enemy in the skies over Europe as testified to by Lord Hugh Dowding. • The band of angels that prevented dozens of GI's from freezing in Korea.

ROLE OF ANGELS IN HISTORY

• George Washington had a vision in which an angel appeared to him and foretold the future history of the United States. • The famous flying ace, Charles Lindberg, claimed that his guardian angel was with him in the cockpit of the Spirit of St. Louis as he crossed the Atlantic. • Saintry Padre Pio, the stigmatic priest, frequently carried on conversations with not only his guardian angel, but the guardian angels of others. • St. Benedict claims that angels actually joined the holy monks in song. • St. Nicholas was permitted to hear his guardian angel and other angels for the last six months of his life. • St. Frances often read at night by the light given off by the glowing hair of her guardian angel. • There is even evidence that the writing of the Constitution was done with the help of an angel.

UFOS OR ANGELS?

Some experts now believe that the strange objects observed in the sky may actually be angels and not extraterrestrial craft. The fact that UFOs do not show up on radar screens is significant, since angels are not usually of flesh and blood, and therefore would not register on even our most advanced technical equipment. Scriptures tend to verify this theory.

LANGUAGE OF ANGELS AND HOW THEY TRAVEL

We are told that angels have a language all their own which we may possibly learn to speak. Also, angels can travel thousands of miles in the twinkling of an eye utilizing a method which science has only begun to dream of.

WAR WITH SATAN

Not all angels are good. The Bible tells us that Satan was once an angel and that he was thrown out of heaven. One third of all angels could be demons and we are warned that the devil is out to take over the world and capture our very souls. Learn of the tools which Satan uses to trick us, and how we can prevent being possessed. Discover why baptism is important in this age old war, and what it means to follow the "Great White Light."

CHRIST'S MOST ASTOUNDING MIRACLES HIS GREATEST SECRETS SUPPRESSED LEGENDS OF THE LORD

Religious scholars and good Christians the world over agree that the Holy Bible is the most important book ever written. Its contents are of tremendous value to every man, woman and child alive today, while the code of morality and ethics it preaches has been the foundation by which all God fearing persons have patterned their lives for the last two thousand years.

Yet, in recent times, it has also become evident with the discovery of the Dead Sea Scrolls and other ancient writings, that, though the Bible was truly inspired by the hand of God, it is by no means complete.

Recently, noted inspirational writer Arthur Crockett began sifting through obscure volumes and what he managed to uncover represents a monumental breakthrough in modern theology. His just recently released book, **STRANGE AND UNKNOWN FACTS ABOUT THE LIFE OF JESUS**, fills in gaps in Christ's life not covered by the New Testament, and proves conclusively that Jesus was a total enigma unto Himself, little understood by his contemporaries and even less understood by modern society, which has often twisted His teachings or eliminated those which would prove him to have been an even greater soul.

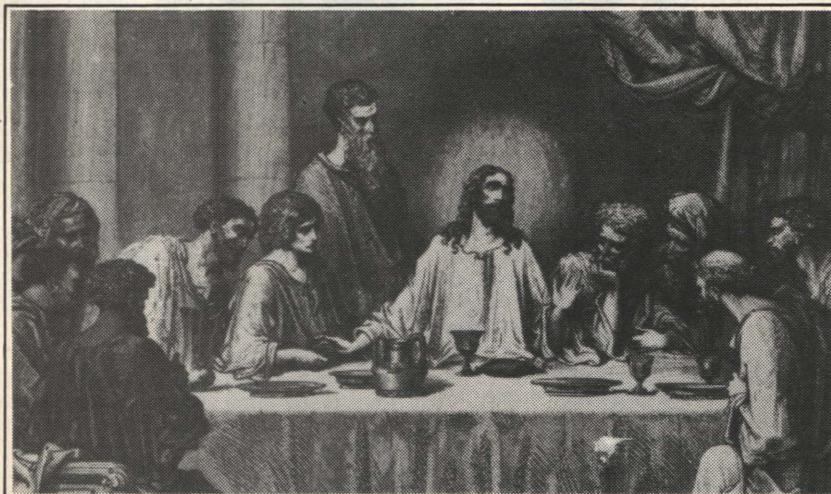

SACRED TRUTHS DISCOVERED

In fact, various sacred artifacts exist to this very day which prove Jesus was the Saviour. In many ways they are as great as the Shroud of Turin, but they are almost completely unknown to most practicing Christians as they have never been publicized.

There is, as described in this wonderful book:

• **THE SEAMLESS HOLY COAT.** This was made from the garment worn by Jesus at the time of His crucifixion. Lots were cast among the Roman soldiers for the garment, but it did not stay long with the man who had won it, but ended up in the possession of a non-believer. The legend of the journey of the Seamless Holy Coat is fascinating reading.

• **THE IRON CROWN OF LOMBARDY.** Also known as "The Crown of the Crucifixion Nails," it was first mentioned in history in 591 A.D., but survived until recently and was said to have great supernatural powers. The authentic crown of nails worn by Jesus on the cross, it has disappeared and is believed to

MORE IMPORTANT THAN THE DEAD SEA SCROLLS REVEALED: STRANGE & UNKNOWN FACTS ABOUT THE LIFE OF JESUS

have been stolen.

• **THE HOLY GRAIL.** Many think they know the story of this great religious artifact, but there is much more to the origin and eventual destiny of the "Cup of the Blood of Christ," which resided with Mary until the day of the Last Supper and is believed to have turned up with the mythical King Arthur in England several centuries later. Now the complete story unfolds!

• **THE HOLY TUNIC.** Each year a remarkable religious ceremony is carried out in Argenteuil, France when in

BIZARRE LEGENDS & MIRACLES

this little village a casket containing the inner robe, or tunic, worn by Our Lord at the time of His death, is carried in a procession up and down the main aisles of the church. learn the mystery surrounding the tunic and why the casket containing the garment is now sealed and can only be opened by the Pope.

In many ways, Jesus was a

very mysterious person, and apparently, He wanted it this way. For example:

• The Bible does not tell us much about his physical appearance. The best existing description was thought destroyed in one of the early Mohammedan book-fires, yet such a detailed description has been found, and is published here for the first time.

• It is normally assumed that Christ left behind no written works, but again this is a wrong assumption, as correspondence penned by

Jesus has been discovered stenciled on golden plates. Now you can read his actual message to the world.

In addition, many "sacred truths" are revealed for the first time, such as:

• The strange link between Jesus and Adam that is kept hush-hush.

• His exact words spoken upon being nailed to the cross.

• The fallacy that exists regarding the last supper.

• The "Secret Disciple" who claimed the body of Christ and the supernatural occurrences which transpired

• Also, it is not generally realized that Jesus may have actually returned to earth several times since His ascent into Heaven. His most recent "visit" having taken place in the last century to the American Indians who reported a mysterious "white man" with a beard who wandered among the tribes preaching enlightenment and healing the sick.

STRANGE SECRETS

There are also many "secrets" that have prevailed over the years which are not common knowledge regarding events in Christ's life.

• There is the incident involving the doorkeeper at the court of Pontius Pilate who spit at Jesus and yelled "Crucify Him! Crucify Him!" Jesus looked at His tormentor and said, "I am going; but tarry thou until I come again!" The doorkeeper still wanders the earth after all these years seeking rest which he has not been allowed for nearly two thousand years.

• It is generally not realized that Jesus communicated with spirits and He had mediumistic gifts that were of the highest and purest.

NOW YOU CAN HAVE EVERYTHING YOU WANT...THE EASY WAY!

MANIFESTING YOUR OWN FUTURE THROUGH THE POWER OF BELIEF

by Rev. Maria D'Andrea

Have you ever noticed how some people always have everything they want in life? Money, good relationships, success in business as well as in all aspects of life. For other people everything seems to always be going wrong. Have you ever wished your life could improve?

NOW is the time to make that very important change come about. God wants us to be happy, and to prosper. He did not say, I want you to have *some* things, but not money. The Bible says in Psalm 23:1, "The Lord is my shepherd; I shall not want." And in Psalm 122:7, "Peace be within thy walls, and prosperity within thy palaces." He wants us to be happy on ALL levels. How can a person be happy when they do not have enough money for food, or when they are tense, or feel frustrated with the path their life is headed?

If God created man in His image, then we should have some control over our lives, and be able to create positivity in it.

Belief is what opens doors to unlimited power. As the Bible in one form or another keeps reaffirming, there is Power in the Word, or thought.

We get so tangled up in our every day lives on a material plane, that we forget to step back. To see things in the right perspective. That the material plane is not all there is. We need to deal with our lives from a spiritual outlook to a material one, not the other way around.

There are many strong examples of belief. We only need to look.

Fire-walking is achieved in this manner. It is considered an art. It is still practiced in Africa, India and the West Indies among other places. The fire-walkers walk barefoot through a trench of burning logs and charcoal, or stones. They do not need to talk themselves into this action. They know or BELIEVE they will not get hurt. That is enough to gain the desired results.

Many people utilize subliminal tapes. The tapes help to get rid of bad habits, or to better one's self. The messages are given below your threshold of awareness. In utilizing this method, you will hear varied sounds, the wind, waves, or some other soothing sound. The information comes to you on the subconscious level.

You will then put this into motion due to an inner knowing, a BELIEF in what is expected of you.

Then there is the fakir, who will sit or lay on a bed of nails, eat glass, swallow swords, or practice other methods to achieve nirvana. He KNOWS he can do this without pain. He BELIEVES.

There are many factors to be considered when you contemplate what the different beliefs are. In the end, however, what it all comes back to is that if the belief is strong, you can accomplish anything. There aren't any limits. What the mind can conceive, can come to pass. Whatever your needs are, you can manifest them on the earth plane.

For example: If you would like to own a car, but you feel there isn't any way at this particular time in your life, then you simply will not have one. However, if you KNOW you will have the car, and you do not think of all the negative aspects—If you put your faith in Divine Power, and believe—then you *will* acquire the car. You will not know ahead of time how to get to your goal. It does not really matter. The important part is to believe in the outcome. In this way, it will manifest.

In essence, you are going from a thought form, to a spiritual level, and then it comes back down to a material plane. Your belief can accomplish anything on a multi-level, whether you are putting something into motion on a physical, emotional, or spiritual level.

The main concept we have to remember, is that what we believe, we attract into our lives. If we believe we are always ill, we will be. If we believe we are healthy, then it is what will manifest into our lives. There is Power in belief, and if you work *with* it, you open doors to a limitless dimension.

The power of the Word has been known throughout the ages. When we make a positive affirmation through Divine Power, knowing it will come to pass, it *will* manifest. You must realize that *you* have infinite supply through Divine Intelligence.

Anything positive or good that you want can come into your life, but you have to change your outlook first. If you think "poor," that is what you will

attract. If you think "rich," then that will be attracted to you. The power of the Word is very real. It influences your subconscious, your actions, as well as the astral and physical planes around you.

First, see in your mind what you want in as much detail as possible. Concentrate on it. Feel it. Known in yourself that it will happen. Then say it aloud to provoke a positive affirmation, adding: "I am God's child and He will take care of my every need."

THINGS TO REMEMBER

1—*Through Divine Power:* You are saying everything comes from God.

2—*In A Perfect Way:* What you want will happen in a positive way. Not harming others. As an example: If you see a house you love, and desire that house, you will get it. If you do not say In A Perfect Way, however, you may get it due to the current owners going bankrupt and having to sell their home fast and at a low price. Then you may be able to afford it. On the other hand, if you say the affirmation, you might get the house because they had a better job offer at a distance. Then they would want to move. They would still sell fast and at a low price.

3—*I Want This Or Something Better.* You want to make sure that if you can't have the exact thing you want, you will at least get the equal. If you do not say "Or Something Better," you might be closing off an opportunity to do better, thus, putting a limit on yourself.

4—*Thank God.* As if it has already come to pass. Matt. 7:7, "Ask and it shall be given you, seek, and ye shall find, knock, and it shall be opened unto you." The Bible does not say *maybe*. It says "shall be".

This works on all levels. You might need a new job, a new or better relationship, improved health.

Words and thoughts form our lives. You have to *relax* and spend 15-20 minutes *concentrating* on what you desire each day *knowing* that it will come. Matt. 9:29, "According to your faith be it unto you." In essence, what you expect from life will be what you get. *Expect good. Expect prosperity.*

Make yourself interested in those around you. Be happy, and let others see you care. Don't dwell on your past, but think of all the good to come in your future. Be receptive to God, and Spiritual Law. It is like a magnet. You attract what you want, and *repeal* what you do not.

Work with the Spiritual Law. If you have a situation in your life that is negative, do NOT fight it. By concentrating on it, you are giving it power. Relax and leave it in the hands of God. It will be taken care of.

We are all part of God. You have to act in a positive way. Use the Power of The Word. Knowing that you will receive what you ask for. Remember at all times, "All things whatsoever ye ask in prayer, believing, ye shall receive."

1. Write a separate letter to each person you wish to contact. Seal the letter(s) and print your name and return address in the upper left hand corner of each envelope. Put the person's name in the middle of the envelope followed by a dash and their individual identification number. Attach a 22¢ stamp to each envelope to cover postage.

Below is a sample:

FREE!!! 21 TALISMANS OF
THE PROPHET MOSES & THE
SECRET HOLY WORDS USED
TO ACTIVATE THEM

THE SEALED MAGICAL BOOK OF MOSES represents more than two decades of study, research and personal sacrifice by the author, and is based upon teachings, not only from the the Masters of Universal Wisdom who regularly channel through him, but upon secret techniques as applied by the prophet Moses to produce miracles in the days of the Old Testament.

THE SECRET OF MOSES

In an ancient age, when magic was an everyday occurrence, there existed a race of "wise ones" who preserved and taught a higher form of knowledge that attuned the practitioner with the highest manifestations of universal wisdom. Such a super being was the great prophet Moses who helped preserve and pass down a sacred magical/spiritual system which is only now starting to be brought to light at this critical time in earth's history. For in addition to the five biblical books that have been attributed to Moses, there has long existed a belief that Moses personally wrote five additional books which revealed the true secrets behind his power to work seemingly impossible wonders. Throughout the centuries, manuscripts have emerged which described mysterious talismans and practices which had been censored from the Christian Bible. However, the manuscripts—when available—have always been difficult to understand in that they were written in symbolic terms to hide their true meaning from the masses who were uneducated in such matters.

THE ORIGIN OF MOSES' MAGICAL ART

It is said that the magical art of Moses originally was told to select angels by none other than Almighty God. Later, when the race of spirits now called humans were expelled from the Garden of Eden and were plunged into a state of dense, physical matter, the angels taught this wisdom to mankind as a means for the human race to find its way back to the perfection of God. Select individuals became masters and custodians of this secret knowledge and passed it down from teacher to pupil from generation to generation. This powerful teaching was imparted by a graded system, termed degrees of initiation, by which the students received instructions step-by-step until they saturated his or her total consciousness.

It is claimed that many of the world's most gifted and wisest individuals have secretly studied that which Moses knew in order to have complete control over their own destiny as well as to be in a position to influence others.

According to Wm. Oribello, "Moses possessed the wisdom to communicate with nature's finer forces in such a manner so as to display what may be called a miracle by the uninitiated." This knowledge included the "virtues of certain herbs and roots, the powers within certain symbols and words when inscribed on talismans, and the ability to communicate with angels, spirits of the departed, and elemental beings who exist all around us in invisible—but all to real—ethereal realms."

Now, Rev. Oribello says anyone who has "serious motives" can harness this mystical power for themselves as long as they do not pervert its use and harm others with what they have learned. Wm. Oribello's pledge is as follows: "Once the material given in THE SEALED MAGICAL BOOK OF MOSES has been mastered, the process will open dormant centers within the mind, which will give YOU power over the spirits and the elements, as well as provide the inner wisdom needed to compel the forces of nature to assist in your work with God and in the good of all humanity."

UNBELIEVABLE POWERS CAN BE YOURS!

Throughout the pages of THE SEALED MAGICAL BOOK OF MOSES, the reader will find explicit instructions on how to undergo spiritual preparation, how to prepare an altar, a list of the magical tools that are needed, the best time for this work, meditations and breathing techniques to be utilized, as well as a wealth of information that will set you along the proper path. But the most important material will be the 21 MAGICAL TALISMANS OF MOSES that you will receive FREE along with your book, which you will be able to put into effect almost immediately. Here is a list of some of the talismans and what they can be used for:

- SEAL OF THE CHOIR HOSTS — to bring you the highest possible good fortune.

- MASS LANDING OF SPACE SHIPS
- THE SECOND COMING
- WORLD WAR III
- THE EARTH FLIPS OVER
- PLAGUES & STARVATION
- CIVILIZATION COLLAPSES
- GRAVES OPENED & CORPSES GONE
- THOUSANDS VANISH

Back in the 16th century the famous — and highly accurate — French seer, Nostradamus, predicted the world would end in the year 1999. During the 1930's the "Prophet of Virginia Beach," Edgar Cayce, foresaw great trials and tribulations sweeping the globe before the turn of this century. Many religious leaders including Hal Lindsay and Dr. Billy Graham proclaim that we are already in the END TIMES as spoken of in the Book of Revelations, and that the great BATTLE OF ARMAGADDON is right around the next corner.

Scientists, psychics, clergy, UFO contactees unanimously agree that time is running out on civilization; that the hands of the cosmic clock are approaching the midnight hour, and doomsday could strike at any moment. They warn that our destruction could come in one of several ways:

- **ATOMIC WAR** — Already many nations have nuclear weapons and many more will have them by the end of this decade. The temptation to PUSH THE BUTTON and end it all grows each day as political ideology moves us further apart.
- **COLLAPSE OF GOVERNMENTS** — More and more people are unemployed, inflation is out of hand, and there seems to be no curbing of this trend. Our money — and the money of all nations — may soon be obsolete, worthless and banks may close one after another. Governments may literally "go out of business," and total anarchy will prevail across the land. The end result — we may go back to living in Stone Age fashion.
- **ENVIRONMENT TO STRIKE BACK** — Recently a representative of one government agency announced that in the next couple of years our planet will be struck by magnetic SUPER STORMS that could cause unprecedented blackouts. Our weather is turning against us. There will be more disasters of this type with an increase in earthquakes, volcanoes and a gigantic shifting of land masses which could wipe out a good portion of the earth's population. Cities such as New York and Los Angeles may soon sink into the sea.

- **UNEXPLAINABLE OCCURRANCES** — Psychics tell us that the planet could tip over on its axis and go spinning out of orbit. Some sensitives believe we will be destroyed when another planet or a "Dark Star" crashes into our world. Still other sensitives say it is possible we will be invaded from outer space.

MASS EVACUATION

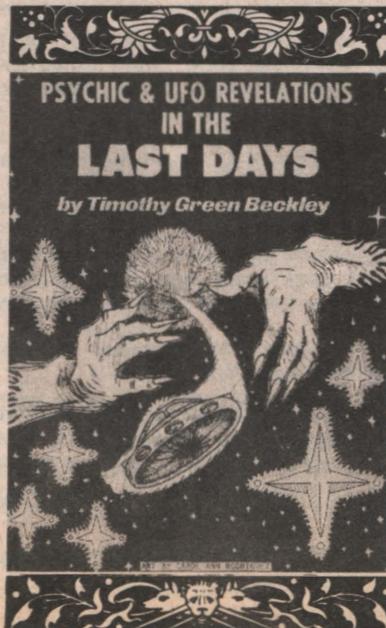

But there is also a general feeling that many of us can be saved, that golden ships piloted by human-like beings from other worlds will help mankind through the crisis periods soon to strike. Many of these MESSAGERS OF LIGHT have reincarnated here in recent years and will help in a mass evacuation from this planet of the CHOSEN ONES. Find out if you are a "Cosmic Blend" and just who will be saved in our moment of need.

Learn the following:

- Specific data on land changes — which areas will be safe and which will be in grave danger of being destroyed.
- A time table indicating when these events will begin and the order in which they will transpire.
- Exact SIGNS AND WONDERS to watch for which will indicate that only months are left. Be ready when the time comes. Order a copy of PSYCHIC & UFO REVELATIONS IN THE LAST DAYS before it is too late!

**THE GOALS OF THE
"MESSAGERS OF LIGHT"
WHO ARE HERE TO ASSIST
MANKIND**

1. Join earthmen as one of them.
2. Counsel and train man in higher ways.
3. Aid the peace-makers whenever danger threatens them.
4. Help prepare earth for the great trials soon to besiege us.
5. Aid man in evolving peace and technology.
6. Reveal high-secret knowledge to those who qualify.
7. Act as a bridge between obsolete beliefs and superstitions.
8. Help establish Universal Brotherhood.
9. Teach secrets of immortality and eternal youth.
10. Aid in reawakening our sixth sense.

YOU CAN PHOTOGRAPH GHOSTS, SPIRITS, ENTITIES & UFOS

PHOTOGRAPHIC EXPERIMENTS ANYONE CAN DUPLICATE OFFER STARTLING PROOF OF PHYSICAL & SPIRITUAL LIFE AFTER DEATH WHY DID THE COURTS & U.S. FEDERAL GOVERNMENT TRY TO HUSH UP THE AUTHOR OF A STARTLING NEW BOOK ON THE BASIS OF "NATIONAL SECURITY?"

My name is Rod Edwards and I want to tell you my shocking story. And though what I have to say is incredible, every word is absolutely true...I swear it! In 1973, I discovered a means to photograph spirits of the dead as well as other wordly beings and UFOs. By utilizing the proper mathematical equations and chemical formulas, I was able to produce at will pictures of ghosts from almost any film negative. As fantastic as my discovery might have been, I was continually harassed, my telephone tapped and illegal entry and searches were made of my apartment. I was arrested on a trumped up charge, thrown in jail and, in front of a judge, it was declared: "He found the key to life...Unless he is heavily sedated until death, he will cause the downfall of Orange County, the United States and the world!"

At considerable expense, I have
"HE FOUND THE KEY TO LIFE"

decided to share my findings with the rest of the world. I have turned down offers of millions of dollars from those who would use these discoveries for their own financial gain instead of the betterment of humankind. Because of what I found out, I am able to:

- Understand Revelations within the Bible without difficulty.
- Know where the gates of Heaven are.
- Know where Jesus currently resides upon the earth, since he really never left.
- Defeat Satan against his many challenges, and

- Teach the "Key of Life" to all those who seek such knowledge.

I hope you will send for my book right away as it will no doubt answer questions about many of the things that have long been troubling you. A vast amount of my knowledge is contained within these pages. I have even included many glossy photos from my private collection (the same collection the government wanted so desperately to get their hands on), as well as instructions of how you can actually duplicate my own work with an ordinary camera and standard film.

Don't delay! Order direct from the author by sending cash, check or money order in the amount of \$9.95 plus \$2.75 shipping & handling to:

Solar Powered Necklace Relieves Anxiety, Depression, And Fatigue, While Increasing Vitality

Gentle Forces Of Solar Energizer Worn As Necklace Floods Body With Revitalizing Energy From The Sun

Users Report . . .

- Increased Energy
- Elevated Mood
- Feeling of Well-Being
- Improved Sleep
- Reduced Tension
- Relief of Pain

New Science of Bioelectronics

The effects electronic fields on the human mood and energy levels have long been known. Ionized air, lunar cycles and solar flares, and increased electrical activity during and preceding a storm are all known to effect the way we feel and act. But the correct techniques for controlling these forces to improve human health have been very elusive—until a recent breakthrough made by a remarkable Israeli inventor during his extensive research in the field of bioelectronics.

Simple Method of Energizing the Body Discovered by Inventor

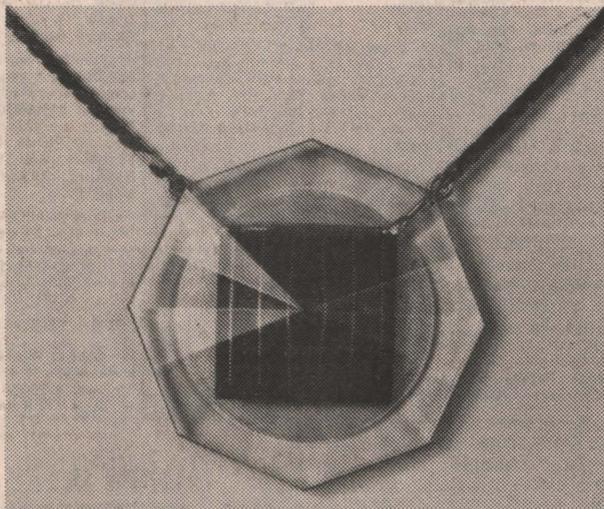

In the early sixties, Leon Halfon joined the staff of the famous Dead Sea Clinic. He became part of a team that was developing methods of treating headaches, tension and insomnia with externally applied electrical energy. The dramatic results achieved by the clinical team inspired him to begin research on his own into ways of applying this knowledge to benefit people in all walks of life. His effort lead him to the discovery that a continuous flow of low-yield energy into the body would create a **POWERFUL ENERGIZING EFFECT** on the physical and emotional state of the recipient. And this energy could be easily supplied by the small solar cells used to power spacecraft!

A Functioning Space-Age Power Source

The "Solar Energizer" is more than just an attractive necklace—it is a functioning space-age power cell that delivers a continuous supply of energy when exposed to light. The positive and negative electrodes are formed by the chain, which delivers a gentle and continuous flow of **ENERGIZING POWER THROUGHOUT THE BODY** of the person wearing it. The energy produces no tingling sensation on the skin but any simple electronic multi-meter will detect its presence and verify that the energizer is working.

Renewed Energy Lets Body Heal Itself

After wearing the Solar Energizer, most people report increased energy, a feeling of

well-being, more relaxed and restful sleep—and many people report relief from chronic pain and headaches. Relief comes from the body's own natural ability to heal itself once it has the needed energy and vitality to do so.

Dramatic Improvement Within One Week

Although many people report a definite change in their mood and energy level within the first one or two hours, full beneficial effects take place gradually over a period of days. During tests with volunteers in Southern California most of the participants reported a dramatic improvement within one week! Increased energy, elevated mood, calm restful sleep, and reduced tension were all commonly reported. A common thread with many victims of chronic pain was an initial feeling of needing to sleep which was followed by an improvement of symptoms after the needed sleep was gained.

U.S. Patent Office Awards Patent

The Solar Energizer is a patented device that has been subjected to a thorough review by the U.S. Patent Office. Patent Number 4,173,229 was issued on November 6, 1979. The Summary Of The Invention begins with: "It is the object of the present

invention to provide an improved and decorative therapeutic adornment or jewelry object operable to generate a beneficial flow of electrical current through the body of a person wearing same".

30 Day Money Back Guarantee

Use the Solar Energizer continuously for 30 days and let the results speak for themselves. If you are not satisfied with the performance of the Solar Energizer, return it to us for a full refund!

For Men and Women

The Solar Energizer Necklace is attractively styled and may be worn by both men and women. Each energizer comes in a velvet jeweler's pouch and includes complete instructions and recommendations for correct wearing and use.

BURN AWAY BAD LUCK

The Strange Secret of a Dime-Store Candle.

I used to curse my luck. Anything I tried, anything I touched, turned to ashes. Tearfully, I joked about having all the luck. All *bad*.

In desperation, I wasted my time and money on charms, talismans, amulets, oils, even beads. Still no *good* luck.

Suddenly, An Inspiration!

"It is better to light one candle than to curse the darkness... or your luck." Reading those few words in a magazine one day gave me an inspiration—and hope. I had tried everything else, why *not* a candle?

That very night, I composed a plain, straight-from-the-heart prayer. I lit a small, cheap candle, said the prayer, and fell sound asleep.

When I awoke the next morning, I felt absolutely wonderful. For some reason, I forgot all about the candle and the prayer. But what I believe is a *miracle* brought them both forcefully to mind again.

The \$100.00 Convincer!

It was summer and plenty hot. To cool off, I went to the beach. While swimming in the ocean, I spotted a flat piece of paper floating on the water a few yards away.

The waves seemed to be *pushing* the paper to me. I reached out and grabbed it tightly in my fist. Peeking through my fingers, I was astonished to see that the paper was a bill of some kind.

The ocean had put money in my hand! I looked closer. I saw one zero, then another zero. It was a *hundred* dollar bill. Talk about *luck*! What are the odds against finding any money in the ocean—much less \$100.00!

Luck, Incredible Luck!

From that moment on, my life started to change. The bad luck which had plagued me for so long seemed to disappear. Extraordinary good luck took its place.

Money began to flow toward me from unexpected sources. A long over-due loan to a friend was suddenly repaid. One business deal after another started to pan out. My income hit the roof. Hardly a day went by that I didn't find money in the street, at my feet. How? Why?

The only explanation for my new-found luck was my simple candle prayer. So why fool around with a good thing! Needless to say, I didn't. And my good fortune kept right on multiplying by leaps and bounds.

Now, It's Your Turn!

Then an idea hit me. To form an organization to help others burn away bad luck with my mystical revelation.

That's how CANDLECULT was born. I pay for ads like this with my own money to tell my story to people whose luck is bad. And to offer them (and *you*) the opportunity to change it with my miraculous candle prayer.

I have no idea why my prayer works. Maybe it's the magic power of the words; maybe it's the special ritual I use with them. But who cares when the results are so fantastic!

If you'd like to try my personal ceremony to burn away your bad luck, I'll gladly send you my copyrighted prayer and ritual. To order, clip and mail the coupon right now.

Judge For Yourself!

I am not asking you to believe a single word that I've said. I do ask you to try my prayer just *once* as a favor to the only person who will know the truth: *You!*

When you light a candle and repeat my short prayer, what happened to me could happen to you. Soon, you could be the one who is always lucky... who always wins contests... who attracts unexpected huge sums of money... who always escapes unharmed when disaster strikes... whose faithful, constant companion is *Lady Luck!*

So much in this world cannot be explained. There's no rhyme nor reason why my candle prayer works wonders. But you cannot argue with facts. Honest facts you can witness with your own eyes. Or your money-back anytime.

LIGHT WORKERS UNITE! Continued from page 2

In other words, there all kinds of Light Workers who connect to all kinds of sources out in the Universe. As long as the source is one of Love and Light, then we must rejoice in the diversity of sources, not be divided because of them.

Just think how much healing psychic power would envelop Earth if all people of Love and Light everywhere across our planet joined together in prayer and meditation for ten minutes! As it is now, star people have special days of healing and cleansing the world's frequency; peace activists have days of demonstrations; Catholic have world prayer observances; Born-Again Christians have prayer services; spiritualists have days of fasting and periods of meditation, and so on.

Certainly all of these members of humankind are working for the same basic thing which includes unconditional love, an end to war, and an end to bigotry and crime. All of these good people want a cure to be found for cancer and they wish no one to suffer the hunger which famine and poverty bring. Yet, these Light Workers are not united because they follow different members of the Higher Realms. Some follow Jesus, others follow Buddha, others connect to Space intelligences, others feel they must work through scientific means, etc.

The key to this problem of disunification is: Regardless of which personal connection you make to the Higher Realms (regardless of which is right for you), your special connection is still TO A MEMBER OF THE HIGHER REALMS!

The Spirit World to whom spiritualists often connect are loving souls who have passed on to other dimensions. The Spirit World has always given messages of personal help and inspiration to those still living. Also, the Eastern philosophies with their studies of hierarchies and masters, are certainly connected to worlds of peace, love, and light. The Space Intelligences are certainly of the Higher Realms for one has only to read the messages delivered through channels and contactees to know this! And of course Jesus Christ and the other immortal prophets of history are vital members of the Higher Realms.

The members of the Higher Realms are as diverse as are Light Workers on Earth! The Universe is a vast, endless, place full of life. Most of this life has evolved beyond Earth's present spiritual level. All of these loving beings are concerned whether they are physical aliens who fly star-ships or angels who protect heaven. The Eastern masters, Jesus Christ, and even humankind's own technical genius are all created by The Creator Spirit (God). They are of God!

Light Workers of all kinds are the ones who will save Earth and who will usher in a beautiful New Age where all people can live in peace, equality, happiness and the Light of God's love. We can have an Earth which shines in The Light rather than one which wallows in darkness and the threat of oblivion. We must unite, regardless of the source of our inspiration to work together toward that one goal—bringing The Light to Earth!

MEDICINE STONES Continued from page 4

power of crystals. Science, she points out, has created a crystal technology for our modern world.

"The major component of watches is a crystal. In computers, the crystal is the memory bank. That indicates to me that what my great grandmother told me about being able to charge and to program crystals makes absolute sense. I can take a crystal, and I can breathe my intentions upon it and program it to do a certain work for me."

Oh-Shinnah also makes the powerful point that the human body itself is a liquid crystal. "If you examine the skin with a microscope, you will see little crystals—not to mention the blood and urine crystals."

Oh-Shinnah stresses the importance of understanding that crystals magnify intention. "I work primarily with quartz crystals. I literally breathe into a crystal, and while I am doing that, I am thinking my intention. I am breathing my intention into the crystal. There is power in the breath."

Crystals can be used effectively in healing by "programming" them to help individuals to be cured of whatever disease is afflicting them. You can select your special healing crystal in the same manner as you tune into your stone. By "breathing" or projecting your healing thoughts into the crystals, you can bring out healing and accomplish the transmission of curative vibrations.

Always visualize the power of love and light as you breathe your intentions of healing and aiding others. Visualize the person as being already well and cured.

Remember that the only limitations that can be placed upon the powers of your medicine stones are the ones which you accept. If you use your medicine stone or crystals properly and with the firm convictions of your belief in the Oneness of the Creator Spirit, then you have in your hands the key to unlock the secrets of the Universe.

PSYCHIC CHILDREN Continued from page 13

"horrible time" ever arrive when our planet will be made uninhabitable (even if only for a brief period before it can be cleansed by our other-worldly friends).

Of course, this is all speculation. But it's a possibility that we shouldn't dismiss out of hand. From what I've personally seen, and from what other researchers have told me, there is ample evidence that there are especially gifted children living amongst us today, almost as if they were a race by themselves.

It may just turn out that these children are the very future of our troubled world.

RICHARD CONTE Continued from page 18

blue jays were painted in the glass!" That was not to be the end, by any means.

"Recently, two of our television sets blew simultaneously. They both went on the blink after I heard little explosions coming from inside. The television repairman came and removed the back of the sets, and there inside both TV's was a perfectly formed hand print. It looked as if it had been burned into the set."

Also, that same day, several large mirrors fell from their mountings in a small dress shop Colleen owns. "The

store was full of customers, and every mirror in the place came crashing down at once. There were six large mirrors and they all shattered. Luckily, nobody was hurt but everyone became frightened and we had to empty the store. At this point I began yelling, 'Nicky, I know you're here! For God's sake, it's going to cost me a fortune!'

As far as Colleen Conte is concerned, all the wellmeaning investigators can continue their search for evidence of the soul's survival, but she has progressed way beyond the research stage.

Archaeological & Biblical Proof of

"GOD'S SECRET WEAPON"

THE ARK OF THE COVENANT EXISTS!

**A POWERFUL NUCLEAR REACTOR?
A RADIO TRANSMITTER**

TO TALK TO GOD?

Though the phenomenal motion picture THE RAIDERS OF THE LOST ARK helped popularize the topic, the mystery and power of the Ark of the Covenant has long been known—and respected!—by members of both the Christian and Jewish faiths. Its very existence plays a prominent role in the scriptures that make up the Old Testament.

Atop Mount Sinai Moses spoke directly to the Lord. The clay tablets with the Ten Commandments written on them were brought down and instructions were given to Moses to build a special "container" into which the tablets of stone were to be kept. A vessel or hollow receptacle used for conveyance was called an ark. The commandments were known as the covenant (thus the term "Ark of the Covenant" came into being).

FIERCE SUPERNATURAL POWERS

The lid of the ark was called a mercy seat and was made of pure gold. At each end there was a cherub or angel, looking toward the other across the seat, with their wings spread high, so that they covered the mercy seat (see above illustration). According to the instructions given to Moses, God would speak to him from above the mercy seat, between the two cherubim. Moses was also given very specific directions on constructing a tabernacle which would be used to house the Ark. Only the priests were supposed to go near the ark and they had to wear special vestments consisting of twelve jewels when using it to communicate with the Lord. Moses was told that if these instructions were not followed the Ark would become activated and could possibly endanger the lives of those who came into contact with it. The Ark proved to be a powerful nuclear reactor. On one occasion 50,000 Philistines died when they came into contact with the Ark having captured it from the Israelites during a fierce battle. "And there went a fire out from the Lord, and devoured them, and they died."

It has been estimated that the power of the Ark is greater than any atomic bomb ever exploded on earth, and yet at the same time, its energies could be used to benefit all when—and IF!—God's words are obeyed. It even supplied a primitive form of electricity which helped the Israelites to escape their tormentors and provided manna for them to eat in the desert.

THE TRUTH BE KNOWN

Biblical student David Medina has thoroughly researched the story of the Ark. In GOD'S SECRET WEAPON he explores its varied uses, how it was constructed, what it was to be used for, and what made it so powerful. His conclusions are explosive and controversial. His work is sound and scientific. He theorizes that the Ark's current resting place will soon be discovered—AND THE ARK POSSIBLY USED!—within our lives.

CAN ITS POWER BE ACTIVATED EVEN TODAY?

FASCINATING READING

The spellbinding subjects covered in this book include: • The Breastplate of Judgement. • The cloud that hovered above the tabernacle. • The mysterious death of Aaron on Mount Hor. • The crown of gold. • Electrical effects and fire from "upon high." • Leprosy and plagues caused by the Ark. • The sacrificial altar. • The Temple of the Sun.

This is the first time an entire volume has been devoted to the Ark of the Covenant. GOD'S SECRET WEAPON is fastpaced, easy to follow and MUST reading. It is the most exciting Biblical story ever told... a story that every person who believes in the almighty power of God should read.
