A PROBING INTERVIEW WITH BRAD STEIGER AVATAR OF THE NEW AGE

by Timothy Green Beckley

QUESTION: *Inner Light is re-releasing your classic work REVELATION: THE DIVINE FIRE. Of all your over-100 books, few have received as much critical acclaim as this book. How do you feel about its publication at this time?*

BRAD STEIGER: The timing could not be better. Upon its initial publication, DIVINE FIRE, together with the Jane Roberts' Seth books (also originally published by Prentice-Hall) were largely given credit for putting in motion the more solid and serious aspects of the New Age. DIVINE FIRE was the first book to speak of revelatory experiences being possible for every sincere and disciplined seeker. Jane was the first of the deeply philosophical channelers to touch a mass audience.

DIVINE FIRE was a feature of many book clubs, including Literary Guild, and sections of it were reprinted widely — even in orthodox Christian publications.

Wherever I have lectured or made personal appearances in the fifteen years since its initial publication, people have approached me and told me how much this single book has changed their lives. I truly feel that I felt the presence of the Holy Spirit while writing this book, and just as much so when I sat down in my study to work on the new edition.

QUESTION: *It is interesting that you use terms like "Holy Spirit." That seems such an orthodox Christian term.*

STEIGER: But you must remember that I was reared in an evangelical Norwegian-Lutheran community, which, in those days, would be considered very fundamentalist. I have always considered myself to be a universalist, a transcendentalist, but also an esoteric Christian. I have wanted my most important works to serve as bridges between the orthodox and the New Age communities. I have always tried to remind people that we are more alike than we are different.

One of my basic creeds lies in the words of the poet Edward Arlington Robinson who commented that the world was like a vast spiritual kindergarten wherein everyone was trying to spell "God" with different alphabet blocks.

I believe that we must emphasize tolerance in regarding the various paths of spirituality which our brothers and sisters might walk — and recognize that all paths of light sincerely trod eventually reach the same Source.

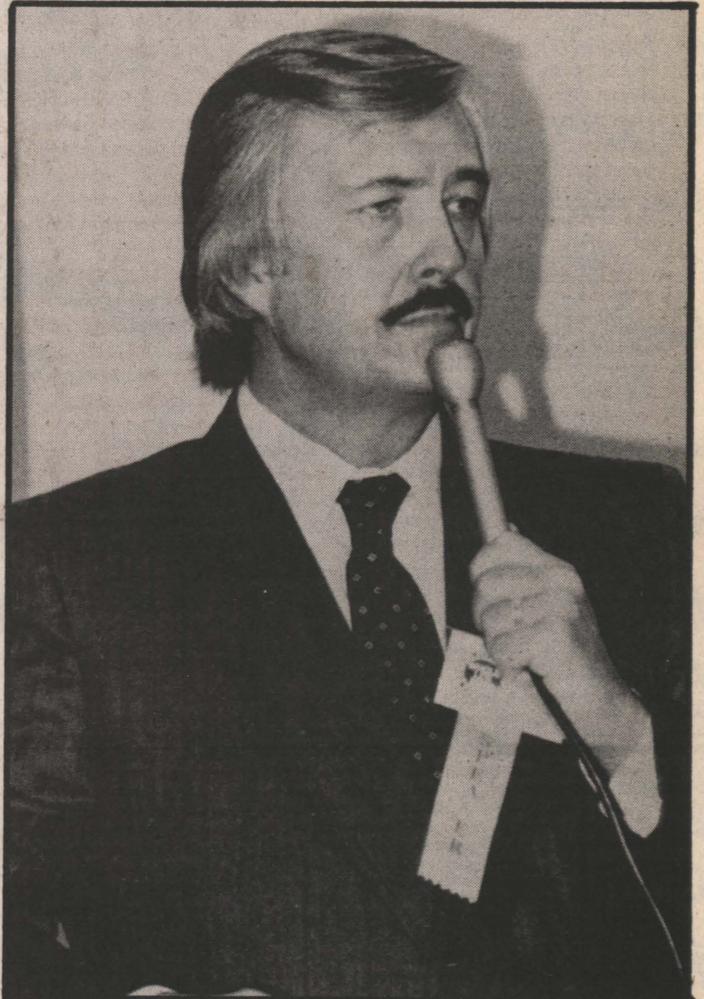

THE DIVINE FIRE has often been compared to William James' VARIETIES OF RELIGIOUS EXPERIENCE, which I considered a high compliment. In a letter to one of his friends, James expressed another of my creeds, for the emphasis of my own work has most often been the individual mystical experience. James wrote:

"The mother sea and fountainhead of all religions lie in the mystical experience of the individual, taking the word mystical in a very wide sense. All theologies and all ecclesiasticisms are secondary growths superimposed."

QUESTION: *Do you recommend that everyone seek the revelatory experience?*

STEIGER: The reason that I was inspired to write DIVINE FIRE was to state my belief that prophecy and revelation did not cease in apostolic times, that the Spirit of God, All That Is, remains accessible to us today. By the same token, DIVINE FIRE is full of warnings about testing the spirit and about "parasites of the soul."

A friend of mine, who is a Lutheran pastor as well as being a professor of science, says that we should encourage the revelation experience in our lives for without it there is no knowledge of God and religion is reduced to a moral code. If there is no encounter with the Divine, then all that is left is ten little rules for daily living — pretty sterile and pretty futile.

But we must not be easily impressed with just anyone's revelations or channeling. We must always test the spirit.

QUESTION: *You brought up channeling. What do you feel about the current faddish interest in channeling?*

STEIGER: I was astonished to witness the return of platform mediumship in the 1980s. J.Z. Knight, Kevin Reyeron, Lazaris — these are platform mediums permitting alleged entities to speak through them. Channeling a higher intelligence is usually a quiet thing and does not require costumes or one's pacing about a stage.

QUESTION: Do you believe that today's major channels are truly in touch with spirit entities thousands of years old?

STEIGER: It is not my place to judge them, but I wonder about certain things. For instance, if the Soul truly evolves, then why are these so-called enlightened beings still stuck thousands of years back? And since these same channels attest to the reality of reincarnation, why haven't these centuries-old entities reincarnated? And why would I seek the advice of someone who lived 35,000 years ago regarding the complex problems of the Space Age?

That is why I wrote *Aquarian Revelations: Channeling Higher Intelligence* for Inner Light. If it is channeling that you desire, you have all the necessary elements in your own psyche to become your own channel. Once again, of course, this process requires discipline and testing the so-called "higher intelligence." A lot of garbage and bad information can come through if the channel is credulous and open to just any old astral entity popping in. In **AQUARIAN REVELATIONS**, I have a number of exercises and techniques with colorful names that can assist one in developing the proper mental attitudes to reach beyond the here and now.

QUESTION: It would seem in some instances that certain channelers have almost developed occult movements or churches around themselves.

STEIGER: This is truly what disturbs me the most about the current fascination with channeling. As I have remarked, I feel that we should not be in the business of erecting any new barriers that prevent people of spirit from free and open communication with one another. So many men and women left the orthodox churches to enter the New Age as a means of escaping what they felt to be the stifling effects of denominationalism.

It really bothers me when I attend psychic conventions, "expos," and gatherings and witness what would appear to be New Age denominations growing up and around trance channelers. Sadly, at too many New Age conferences, one hears too much of the "my channeler can beat up your channeler" kind of talk. Some channelers declare that theirs is the only message, the only way. Other channelers forbid their followers to attend the sessions of other trance mediums. And then you see their followers standing smugly secure in their belief that they have found the "one true path to God." I am truly upset that we seem to have the New Age happily replicating all that it found soul-stifling about the orthodox churches.

As I said earlier in this interview, I think we should be about tearing down barriers between us, not erecting new ones. We have enough churches, sects, cults, and movements on this planet. Can we never begin recognizing our single human community and the Oneness of the spirit?

QUESTION: With all of your over-100 books, is this emphasis on the Oneness an important theme?

STEIGER: Most definitely. What I have always wanted most to do is to help build bridges of understanding between us so-called metaphysicians and the orthodox religious and scientific communities. I feel that this is all linked up somehow with what we have been labeling the "UFO intelligences," the ancient wisdoms, and the New Age. I believe that the transmitting of such concepts is my destiny, and now I have a true helpmate, Soulmate, and partner in Sherry.

QUESTION: Yes, we should discuss Sherry, for many people do not realize that you have remarried.

STEIGER: There are those awkward moments in the period of transition which Sherry handles with as much graciousness and good humor as she can. I must state that she has truly been my living crystal, allowing me to focus my abilities as never before. She is an extraordinary human being, and she has helped me to restore certain disciplines of spirit to my own life.

QUESTION: Interestingly, she is an ordained and licensed minister in a mainstream protestant church. Isn't that correct?

STEIGER: Yes, Sherry first became interested in UFOs when she was a student, and later a staff member, at the Lutheran School of Theology in Chicago.

QUESTION: And I guess this interest really peaked when she became Dr. J. Allen Hynek's manager and publicity director.

STEIGER: Yes, but there was quite a long road between her time of initial interest and her work with Dr. Hynek, the astronomer who began with the Air Force's Project Blue Book and who ended devoting his professional life to the study of UFOs.

Sherry became active in community work, spiritually serving those in the ghetto of Chicago. She worked with Dr. Martin Luther King, Jr. and Jesse Jackson. She went on to conduct crisis counseling and stress management programs for business, education, and religious groups.

Do you sometimes hear strange "voices" seemingly coming from "out of nowhere?" Do you believe there is a secret society of masterful beings with superhuman powers who have the ability to control others and help shape the destiny of mankind? Since a very young age Wm. Alexander Oribello (director of the Mystic Light Society) has been in contact with these "Wise men" who live in a spiritually advanced utopia known as the city of Shamballa located inside the Himalayan Mountains near Tibet. For centuries these great Masters known popularly as "THE GREAT WHITE BROTHER HOOD," have taught deserving souls great occult secrets known only to a trusted few in the outside world.

Here for the first time you will be taught how to actually communicate with—and meet on the astral plane—such loving immortal souls as:

- **COUNT ST. GERMAIN:** Said to have first lived in 18th century France and who appears—upon taking physical form—today to be about 40 years old. He serves as administrator of the Holy Spirit through the Violet Flame Energy.
- **KUTHUMI:** Also known as the Master K.H., he shares with Jesus the office of world teacher and has been incarnated as Pythagoras and St. Francis of Assisi.
- **EL MORYA:** This great being is the Master of Synthesis who inspires the blending of belief systems and philosophies into one unit of truth manifested. He is his job to unite all religions. He has incarnated as King Arthur and Sir Thomas Moore.

- **KUAN YIN:** This illustrious Lady Ascended Master is the Oriental representative of the Mother God aspect, as Mother Mary is to the Occidental world. She is the Goddess of mercy and prays for disciples on the path.

- **MASTER JOHN:** The entity that manifested as the young Apostle John and was the author of the original Gospel of St. John and the Book of Revelations. Today he represents the "I AM Presence" to all workers of the light.

COSMIC SECRETS EXPOSED

Here is a sample of what you can expect to find in **THE FINAL SOLUTION** which some have called the most important book written in the New Age so far: • The manifestation of God, Arch-angels, Angels, demons and what kingdoms they rule. • The divine names of God. • The types of beings who compose the Hierarchy. • The 10 rulers of darkness identified. • Why God placed us on this planet. • Earthbound entities and how best to deal with them. • Identifying good spirits and false prophets. • Channeled revelations from space from the Ashitar Command. • Secret signs of contact and protection. • The best time to make contact with the Masters. • How to make certain you get through to them. • Knowing your role in the Divine Plan.

EXTRA BLESSINGS—FREE

During one of their visitations to the Earth plane, the Masters told the author they wished all truth seekers to wear a specially blessed "Mystic Crystal Heart" that would act as a powerful magnet or "activator" to contact them whenever the wearer was in need of assistance or wished something of a positive nature to transpire in their life.

To communicate with them directly, a person need only rub the center of the heart in which there has been placed a genuine rhinestone, and repeat the invocation given on page 48 of **THE FINAL SOLUTION**,

whereupon, they should immediately feel a dramatic change come over their entire being.

The author of over 100 books, Brad Steiger along with his wife Sherry Hansen Steiger and channeler Diane Tessman whose book *THE TRANSFORMATION — CHANNELING FROM TIBUS* has just been published by Inner Light. Photo was taken by Tim Beckley at the National UFO Conference, Burbank, Calif.

Sherry is the co-creator of the highly acclaimed Celebrate Life Program, and she was one of the founding board members of the Wholistic Healing Board through the Institutes of Health and Education, Washington, D.C.

QUESTION: It would seem that Sherry has an excellent background that will enable you to speak, write, and research as a team.

STEIGER: Well, if I have striven in my life to be the Renaissance Man, she would have to be considered the Renaissance Woman. Even before she left the parish ministry, she had become popular as a model, and she has appeared in advertisements in *Family Circle*, *Redbook*, and *Woman's Day*, to name only a very few magazines. She became the creative director of an ad agency and conducted numerous national advertising campaigns for major companies. She directed television commercials, and then, as an actress, appeared in such films as ABC's *Amusement Park*, the highest-rated ever made-for-TV movie. After that she was asked by Norman Lear (*All in the Family*) to be the star in his first theatrical film.

Sherry has also been a publicist for the likes of Neil Diamond, Lou Rawls, Prince, the Fifth Dimension, Anite Baker, and Rick James.

QUESTION: You're right — a Renaissance Woman.

STEIGER: Sherry's editorial expertise is of enormous value to me. She edited *The Fellowship*, the current Doubleday book, and designed a brochure that brought about its sale to this major publisher. She also edited *THE UFO ABDUCTORS*, which Berkley will publish in August. And her creative input in updating *REVELATION: THE DIVINE FIRE* was invaluable.

QUESTION: And you'll probably co-author some works very soon?

STEIGER: Without question. We have several projects in the works in various stages of production.

QUESTION: I imagine there are those people who pointedly ask what happened between you and Francie.

STEIGER: I think most New Agers understand that we may have Karmic linkups that need to be worked out with certain people. It may be that we are to walk a particular path for a time in order to learn certain lessons. When we are dealing with individuals who may each have a particular kind of mission to accomplish, they will be aware when their time together has come to an end. To prolong such a relationship would be only to create destructive disagreements. Harmony of lifestyle, purpose, and mission are extremely important to the survival of any relationship.

QUESTION: I must say that I was quite upset to hear rumors that Francie did all the work on the STAR PEOPLE SERIES, and that you took the credit. Is it true that she created the questionnaire and did all the research for the Star People project?

STEIGER: It has really distressed me to have seen some of the advertisements that Francie has run in newspapers and in mailing circulars. Against a backdrop of book covers — with my name skillfully blotted out — she states that she is "... the motivating force behind the best-selling Star People series," that she "created the famous Star People Questionnaire," and that she was the "sole conductor" of the research in the Star People book, which she authored.

Francie may well believe that she was the "motivating force" behind the Star People series, but the Star People Pattern Profile, which was the basis of the questionnaire, was established before we met, late in 1975 and was the result of contributions by many individuals from coast-to-coast who had attended my early lectures on the subject. The Star People Pattern Profile was first published in GODS OF AQUARIUS, a book that was in the works when I met Francie. In THE STAR PEOPLE I note on page 10 that upon meeting Francie, she "... could check off every element in the Star People Pattern Profile that I had been accumulating." Earlier in that same chapter I mention that I had been meeting Star People for about nine years, which would place the research back to 1972. The questionnaire grew out of an earlier study which I conducted in 1968.

I certainly have no objection to Francie stating that she contributed to the questionnaire, but to claim that she created it and was the "sole conductor" of the research appearing in the book is not only ridiculous but slanderous. And it would certainly be more professional of Francie to state that she "co-authored" the STAR PEOPLE.

QUESTION: I have heard it said that you have become a wealthy man from writing about the New Age. People say that you have become a millionaire. Is that true?

STEIGER: Although I certainly see nothing wrong with one becoming the kind of spiritual alchemist who can transform the sweat of his labor into material wealth, it has not yet happened in my case. I am wealthy only in the sense that I have managed to earn a living during the past 30 years doing that which I most wish to do — communicate metaphysical concepts while supporting my family. My income, then, has been largely psychological and spiritual, and a very large chunk of any money actually received has been directed to research and travel expenses.

People are misled when they read about such writers as Whitley Strieber receiving a million-dollar advance for COMMUNION. Then there are the celebrity writers and movie and television stars who tell people how to slim thighs and tummies and who earn tremendous advances for agreeing to do so. Those are the exclusive few in writing who earn the megabucks. The average advances for genre or category authors haven't changed since I began writing in 1956, ranging from \$1500.00 to \$15,000.00 per book.

This has always been the case with the serious writer in every genre and in every era. It has always been necessary to supplement one's income with lectures, seminars, and the odd writing job here and there that may be quite unrelated to one's field of specialty and preference.

It becomes somewhat frustrating when, after years of researching and writing in a particular area, such as UFO abductions, other authors appear from unrelated fields to produce mammoth bestsellers. I would not be entirely truthful if I denied feeling a certain amount of sour grapes when a newcomer suddenly steps in front of the cosmic jackpot when it pays off. I try, though, to keep ever mindful of the larger picture and remember that it really does not matter who reveals these concepts to the masses — only that these ideas are revealed.

QUESTION: What is your attitude toward the so-called "scientific skeptics" who are rising up to debunk the paranormal wherever they might find it?

STEIGER: I am only troubled by the "will to disbelieve" that I find in so many of these people. The will to disbelieve can be as strong and as misleading as the will to believe.

To me, true scientific inquiry is conducted with an attitude of openness and the willingness to accept new concepts and ideas. I have no problem accepting both the reality of the material world and the reality of the spiritual world. I know that I am not alone. I know that there are scientists who accept the spiritual world, just as there are metaphysicians who revere science. It is my understanding that in the beginning of humankind's intellectual efforts to define the uni-

verse science and religion were one. And I am thoroughly convinced that there are several new discoveries in physics and mathematics that will reunite science and the spirit in a happy marriage.

I have no quarrel with healthy skepticism. In fact, I think it should be applied in all areas of existence. I am, though, troubled by those who proudly proclaim the title of skeptic, because that implies to me that that individual has already announced his prejudices. He is saying, I am a disbeliever in anything spiritual and proud of it in the same manner that a fundamentalist Christian announces that he is a believer in the literal interpretation of the Bible and will abide no liberalism. Too many avowed skeptics demonstrate that they already have their minds made up. History has proven time and again that science should be like the street system in any large city — always under repair and always being rebuilt.

QUESTION: You have said that you feel a particular sense of mission and destiny with Sherry. Can you tell us more about that mission?

STEIGER: I would be pleased to do so. Whether we are speaking of a time of transition, the end of an age, judgment day, or the millennium, all spiritually attuned men and women seem to be sensing a major cosmic event that is about to take place. Sherry and I feel an urgency to do our very best to help people prepare themselves for this time of great cleansing.

QUESTION: It seems that you are speaking of Armageddon?

STEIGER: We believe that we are in the Age of the Apocalypse, which, as Sherry points out in the original Greek meant, "Age of Revelation." We believe that the planet is about to experience certain very meaningful growth experiences that cannot occur without the shifting of certain energy fields. Humankind is on the very edge of a quantum leap forward, on both the biological and the spiritual levels of being.

QUESTION: The millennium has always been something of a mystery to me. How do you feel about this?

STEIGER: Well, it is a mystery to everyone. While the Second Coming of Christ is referred to over 300 times in the New Testament, the millennium is mentioned only six times — and all in sequential verses in Revelation, chapter 20. The central mystery of the one-thousand-

THE PROMISE OF A NEW—"GOLDEN"— AGE IS ABOUT TO UNFOLD IN OUR LIFETIME!

Dear Reader:

God is not dead! We are not alone in the Universe! Recently, a fully ordained minister with a Harvard doctorate conducted a survey of 14 different congregations and discovered the astonishing fact that thirty per cent of those questioned had *personally* experienced some sort of divine intervention in their lives. This included materializations of holy figures such as Christ or Mary, prophetic dreams, heavenly voices and visitations from spirit beings.

This same minister also suggested "there indeed may exist a spiritual world normally invisible to us, which may interpenetrate our space and manifest itself on occasion." In his studies, the clergy points out that those who experience such paranormal events are often "somewhat above the norm in education and intelligence, and somewhat less than average in religious involvement. . . This phenomena," he further notes, "is even happening to elite scientists who insist that such things cannot possibly happen."

And while I am by no means ordained (though my father was a minister), as a writer on spirituality who has devoted a lifetime to research, I can only come up with similar conclusions of my own.

DRAWING DOWN THE HOLY SPIRIT

As I conducted my interviews with revelators, theologians, psychologists, and various observers of the contemporary scene, I wanted to know if everyone agreed that there seemed to be a great outpouring of the Holy Spirit in our age. Did every one view our generation as the recipient of a profound spiritual revolution? Did everyone believe that there really was a basic, cosmic truth to the much-touted Age of Aquarius?

STRENGTH FROM HIGHER INTELLIGENCES

Scattered throughout the world, are small groups of sincere men and women who are clustered together in small circles, communicating with various energies, who may or may not be the same source. These groups are independently coming up with a great deal of the same material, the same communications, emphasizing that man may draw strength from Higher Intelligence, that man has all the requisite spiritual abilities within his own being, that man is One with all things, that man is approaching a New Age, a period of transition, that other-dimensional entities are present to assist man in leaving the old and adjusting to the new.

The consensus of orthodox religious opinion has it that the gifts of the Spirit promised by God through His Old Testament prophets was climaxed with the dancing tongues of flame on the heads of the Apostles on the Day of Pentecost in A.D. 30 and was terminated on the Isle of Patmos in A.D. 95. St. John's apocalyptic Revelations is the last book in the Christian Bible; and, in the eyes of orthodoxy, it seems to bring down the cosmic curtain on the Holy Spirit's dramatic interaction with humankind.

After exhaustive research and interviews, I am convinced that the soul-igniting mechanism of the gifts of Spirit did not cease with the prophets and saints of antiquity. I contend that the Divine Fire — the transfer of thought, spirit, and power from an Infinite Intelligence to a finite, human intelligence — is a vital, continuing process which observes no denominational boundaries and employs a spiritual mechanism that is timeless and universal. Daniel, Zechariah, the Apostles, and all of the world's great saints, mystics, and inspired men and women of history are our spiritual contemporaries.

COMING "DAY OF GLORY"

Saul, a young firebrand, a member of the Sanhedrin who were dedicated to halting the Apostles' preaching of Christ, was struck blind on the road to Damascus. When he recovered his

sight by heeding instructions given to him in a vision, he not only changed his name, his religion, and his life's work, but he may have altered the course of history. In like manner were a salesman in South Dakota, a businessman in New Jersey, and a policeman in Nebraska temporarily blinded by a strange and powerful light that appeared above them as they traveled lonely highways. When they recovered their sight, they changed their names, their occupations, and began to devote their lives to the preaching of peace, love, brotherhood, and the coming Day of Glory.

The boy Samuel heard his name being called at night. When no earthly voice could be found responsible, Eli, the priest whom Samuel would one day succeed, told the lad that it must be the Lord calling. Samuel was told to lie down and say, "Speak, Lord; for thy servant heareth." When Samuel did this, the Lord came and stood before him. Samuel became the last of the judges, the first of the prophets, and as founder of the monarchy, the sole ruler between Eli and Saul, whose principal mission was the organization of the Kingdom of Israel.

In like manner did a housewife in Colorado hear her name being called at night. When no earthly voice could be found responsible, she opened herself to the Lord. Now, a few months later, she is practicing touch healing, speaking in a tongue that confounds academic linguists, providing spiritual lessons to an ever-growing flock, and prophesying on both an international and a personal level.

WHEEL WITHIN A WHEEL

Ezekiel saw a wheel within a wheel land before him. He watched four angelic occupants emerge, and he felt the Spirit enter him when one of the beings spoke to him. From that day on, Ezekiel had the gift of prophecy and the ability to work miracles. In like manner a television copywriter in California, an Air Force pilot in Florida, and a college girl in Washington observed the landings of unknown aerial vehicles. They communicated with the occupants, felt the Spirit enter them, and later discovered that they had remarkable precognitive and clairvoyant abilities.

Moses spoke to the angel of the Lord as it appeared in a pillar of flame near a wilderness bush. The voice from the fire assured Moses of Divine aid and the power to work miracles. In like manner a voice from a glowing orb spoke to an artist from England, a clergyman from Illinois, and a sailor from Kentucky and promised them paranormal abilities. All have since forsaken their former callings and have devoted their lives to cleansing the Earth for the coming New Age.

Yours in Light & Love,
Brad Steiger

EARTHLY RICHES
NOTHING IS IMPOSSIBLE ONCE YOU HAVE UNLOCKED THE SECRETS
OF HOW...
AMERICAN INDIAN MAGIC CAN WORK
FOR YOU!
SACRED POW WOWS & HOPI PROPHECIES THAT ARE
GUARANTEED TO CHANGE YOUR LIFE**

Dear Friend:

My name is Brad Steiger. You most likely have heard of me as I've written over 100 different books with total worldwide sales topping ten million copies.

Though I am of Scandinavian heritage, nonetheless I am one of a handful of outsiders to have been honored by being initiated into an American Indian tribe. For you see, the Seneca have claimed me as Medicine Man and permitted me to witness many of their magical and highly spiritual rituals, and to learn firsthand many of the mysteries of the Sacred Pow Wows which have been kept a closely guarded secret until now.

Over the centuries since they arrived in North America from parts unknown (perhaps originating in the distant past on Atlantis or Mu, or in ancient Egypt), the native American priests—the Medicine Men and Women of the Amerindian tribes—have practiced a system of magic so powerful that it enables them to control the winds and the weather, to foresee coming events, and sometimes even to change the future. They have always possessed the ability to heal the sick, to walk over burning coals, to read minds, to send and receive telepathic thoughts, to communicate with the dead, speak to animals, and control others at a distance.

Now, after spending a great deal of time with these Medicine People, I have learned what I believe to be the most essential elements of Medicine Power or Native American Magic, which I am willing to share with those of you who sincerely wish to utilize this knowledge to better your own life, and, in general, bring about a more peaceful world.

EIGHT STEPS TO PERFECTION

Though it may be presumptuous of me, I believe it is possible to distill into eight easy steps the very essence of the cosmology of the American Indians. Once learned, anyone may be able to master all aspects of their life and reap valuable rewards consisting of good luck, fantastic richness, improved health, love, power and influence. These "EIGHT STEPS TO PERFECTION" are outlined in the opening chapter of my new book and should take only a few minutes to put into practical use.

For the first time anywhere, I am going to tell you how to...

- Hold your own "Vision Quest."
- Communicate with spirits and angels, and get them to assist you in all that you desire.
- Take total command of every situation and through a formal agreement with the forces of nature, receive incredible benefits that will

turn your life around for the better in just one day.

- Prepare your own "Medicine Bag" containing common objects that after a simple ritual become sacred and highly charged to the bearer.
- Accurately understand your dreams, which the Indians say are really "messages" from the next world that are given nightly to our subconscious and which we are meant to act upon when awakening.
- Ward off evil spirits and protect yourself from any harm others might be trying to send your way.
- Create a direct "link-up" with the Earth Mother herself in order to generate peace and harmony in your life, and to get others to like you instantaneously.
- Develop your Third Ear as well as your Third Eye.
- View the future and change it to suit yourself.
- Become a great "Spiritual Alchemist," the American Indian way.
- Send out "smoke signals" using your mind to contact and influence others many miles away.
- Break the "shackles of time" and travel out of body.

In addition, I will instruct you on how to focus all your energies on that which you consider to be the most important in life. I will show you how to attract all that is good for you, and turn negativity away before it can take root. I will teach you sacred Indian chants as well as a safe and easy method to meditate which will materialize into this world that which is deepest in your heart. And above all else, I swear none of this is difficult to accomplish, nor do you have to perform complicated and time consuming rituals. The Seneca showed me that the mind is your greatest tool, the most important friend you will ever have.

HOPI PROPHECIES AND SURVIVING THE "GREAT PURIFICATION"

And there is more! I have been instructed to reveal to those wise enough to listen, the truth about what the Indians call "The Great Purification," which is predicted in Biblical Revelations. It is said, that we are living in the "End Times" or "Last Days," and that the Earth is about to undergo a "cleansing" period during which there will be drastic changes in both land placement and in the structure of society. The Hopi tribe says that those who survive will join together and harmony will overcome the land. Find out what the vital signs of this "Doomsday" prophecy are, and how salvation is possible to deserving souls. Learn the role UFOs play in these matters and how the American Indians, tie in with God's divine plan for all of us now through the year 2000.

SECRETS REVEALED

What I will tell you doesn't stop here, and I trust you are interested enough to send for my full illustrated, 200 page, book titled AMERICAN INDIAN MAGIC: SACRED POW WOWS & HOPI PROPHECIES.

Included will be much that will absolutely blow your mind such as my dealings with:

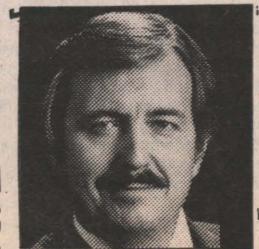

- The invisible dead of many tribes;
- A midnight seance on an Indian Reservation and the haunted house on sacred burial grounds;
- The terrifying power of the Chindi, supernatural beings feared even by the Indians;

Simply by "talking" with their stones, the Indians believe these natural gems are able to carry out their every command. DID T. LOBSANG RAMPA REALLY VISIT VENUS?

INTRODUCTION BY JOHN A. KEEL

AMAZING REVELATIONS NEVER BEFORE REVEALED THE OCCULT'S MOST POPULAR WRITER TELLS OF HIS FANTASTIC VOYAGE TO ANOTHER PLANET

Several decades ago, a London publisher brought out what they thought was a very good occult book. Never did they, nor the New York publishers, suspect that this volume called THE THIRDEYE would suddenly capture the imagination of two nations as the general public read the most fascinating book on the magic and mystery of Tibet ever published.

The book was said to be autobiographical and told the strange and inspiring story of a Tibetan monk who had progressed from neophyte to lamahood, and had eventually attained a certain occult faculty which comprised the title of the book.

Those who read the book from cover to cover were intrigued by the subject matter but couldn't help wondering how an easterner could have mastered the English language so vivaciously.

The reason was soon to come in the furor over the book which took place when some Tibetan scholars challenged the authenticity of THE THIRD EYE, as well as its author, T. Lobsang Rampa. There were even rumors that he was not a Tibetan and had never lived in Tibet!

Then, Rampa's side of the story was revealed. No, he had indeed never been to Tibet, in his present body. The spirit of a Tibetan lama had, he said, entered his body under unusual circumstances. Rampa, however, insisted that the story he told was absolutely true and that the information in his book was totally factual. He insisted that he now occupied the body of a western man, and now occupied it to the permanent and total exclusion of the former occupant.

THE FIRST "WALK-IN"

Rampa, in essence, became one of the first to talk of themselves in terms of being a "Walk-in." The lama stated his purpose in entering the body of the westerner thusly: "I had a special task to do because during my life in Tibet I had been in the Chang Tang Highlands where I had seen a device which enables people to view the human aura. I am clairvoyant and can see the aura as I have demonstrated to many people at many times. But I knew it was not possible for me to come to England in the body which I then had. I tried but to no avail."

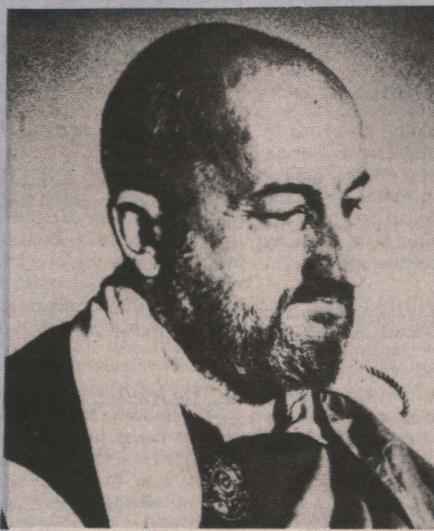

The change in Rampa's personality and character came about slowly, until one day while sitting quietly for some time speaking with his wife, he announced that he was going to change his name. Rampa's western wife noted that her husband would spend a great deal of time talking about the east and on occasions he did in fact wear eastern dress. "He often seemed to be very preoccupied in his manner, and I have known him to fall into a trance state and speak in an unfamiliar tongue which I now believe to be a language of the east." Eventually, the man who now claimed to be Rampa gave up his regular job and took to writing about his mysterious life in Tibet.

TRIP TO ANOTHER PLANET

And while most so-called "scholars" who read his early works were highly skeptical of his claims, little by little there were those who were not frightened to come forward and say that what T. Lobsang Rampa wrote was highly accurate. These even included members of Tibetan orders operating in the United States.

In his popular books Rampa wrote about such intriguing topics as levitation, teleportation, a race of beings who live inside the earth, telepathy, x-ray vision and much, much more that was thought to be forbidden knowledge. Rampa was a highly advanced spiritual being who was possessed of an uncanny knowledge that he was willing to pass on to the outside world who had always found Tibet culture to be so foreign and mysterious.

During his life, the ever popular T. Lobsang Rampa spoke of many mystical experiences which had taken place while he was head of the highest secret spiritual order in Tibet. Nowhere, however, in all his writings did he dare mention the most incredible episode of his lengthy career as a Tibetan Lama.

But one of the things that Rampa seemed somewhat reluctant to write about was his experiences with UFOs and visitors from other planets. For the most part the lama kept the subject of flying saucers and space travel out of his books, evidently afraid that these accounts might not be believed even among his most devoted followers. Some of his writings on the subject had been published by small UFO and New Age groups in privately circulated mimeographed editions.

Public awareness of the UFO phenomena, however, has come a long way since those days and after his recent passing Rampa's works on the subject were gathered and it was decided to issue a work that would include all his experiences and findings on this important subject. For not only did Rampa claim to have been inside a space craft, but he maintained up till the day that he died that he had actually met benevolent beings from another planet and actually traveled to their world in space.

MY VISIT TO VENUS offers genuine insights into an alien culture, how they live, what they believe, why they are coming to Earth, and how they would like to help the human race. You will find out what they look like, how they communicate among themselves, what their feelings are about religion, and a great deal more.

Some readers will feel that the lama's voyage was a physical experience, others will suggest that he went to another planet while astral projecting. But all will have to admit that there is great sincerity and truth in this tale. Some will be shocked by these revelations. They will say that it did not happen. Only the reader can truly be the final judge.

SPECIAL RAMPA MEDITATION TAPE

Over the years many of those who have read Rampa's various books have written letters saying that they would like to be given the opportunity to study with the lama and learn more of his secrets. Unfortunately, Rampa never offered any in person training. He did, however, put together a short thirty minute meditation which was circulated only to his "inner circle," but which is now being made available to serious students of New Age subjects. This tape is highly useful in assisting the listener in his or her own psychic and spiritual development. He leads the student into an altered state of awareness which will be of benefit to their lives. To receive your tape, check the appropriate portion of the coupon below.

AWARENESS LESSON BY DIANE TESSMAN

HAVE YOU LIVED BEFORE ON AN ALIEN WORLD?

These days, many people are beginning to wonder if they have lived a lifetime or many lifetimes on another planet. They feel strongly that Earth may not be the home planet of their soul's origin and energy. Are you one of these people? In what way might you be able to receive correct information on this fascinating question?

If you are intrigued, inspired, and curious about having lived an alien lifetime, this indicates that intuitively there are spiritual memories of another world that confront you. Your own soul's memories are the best pre-indicators that another planet has been your home at some time throughout the ages. A wonderful, dynamic energy is the soul and it does not forget, as the physical brain does, upon death of the physical body. The soul's energy is directly from the Creator Spirit and it is a part of the eternal cosmic wellspring. Trust the feelings of your soul as you receive intuitive input on a possible alien lifetime!

An important practical aspect to exploring your life on another planet is realizing that psychics and spiritually perceptive people vary on their insights into parallel lifetimes lived on alien worlds. Just as a person may be a genius at playing the piano but cannot sew a stitch, so physically gifted people vary in their exact talents. Many traditional psychics can tell a person if they will find a sum of money in the next twenty four hours, or if they will break their leg in the same time span! Other psychics are more attuned to the truths of other dimensions or even far distant planets and it is this kind of psychic who can perceive a lifetime for you, a lifetime lived on another world, a concept with which they have had much contact and experience. Therefore, realize that there are key people and key guideposts in your explorations of your alien lifetime; do not be discouraged with a psychic reading which centers on mundane insights when you had hoped an alien lifetime would manifest itself. It may well be that the psychic involved is not a specialist in this kind of perception. Again, allow your soul's own feelings to inspire you onward, despite possible setbacks.

As mentioned previously, your soul has some kind of emotional hint for you as to whether you have lived on another planet. Do you feel

"different" and "out of place" on Earth? Do you find yourself to be "too" sensitive to get along well and successfully on this world? Do you have keen insights into how easily serious wars and disputes could be settled if only unconditional love and a very basic, loving peaceful consciousness were adopted by both sides? Also, do you find yourself longing for a place which has different customs, different scenery, different ways of thinking, doing, and being than Earth? Does your fascination with this far distant memory transcend logical boundaries?

Do not assume that you are an Earthbound soul! Remember, the entire universe is God's, that souls can and do live lifetimes in all corners of the infinite cosmos.

As channeled through my "Special One" known as Tibus, here is further insight into parallel lifetimes on alien worlds:

This is Tibus. I come to you in love and light.

You are aware that people who have had contact with aliens often explain that we have told them we come from a variety of worlds, including Venus, the moons of Jupiter, and other natural satellites of the star Sol (which Earth people call "the sun").

However, we also point out that science tells you there can be no life on these planets because of poisonous atmospheres, extremes in temperatures, etc.

Who is incorrect?

Neither space contactees nor scientists are totally in error.

Scientists are dealing *only* with life in this dimension as exists on Earth. While Earth physicists are beginning to suspect that there are multiple, intersecting, dimensions, science in general has not yet put these two fields together (astronomy and physics).

The beings on Venus, for example, exist in an alternate dimension of that planet, and this dimension is not the poisonous atmosphere of Venus which scientists know. Scientists are correct in stating that humanoid beings could not survive on the boiling surface of mundane Venus; however, they are non-cognizant of the infinite other dimensions which intersect on Venus, as they do everywhere else in the universe.

Therefore, when we state that

we are both space travelers and dimension travelers, we mean exactly this! We do come from a point - a planet - out in space, but we reach humans through dimensional travel.

Never discount your soul's memories simply because science states that "there is no life out there." You, my fellow cosmic citizen, are a part of the life which most certainly is "out there!" Scientists are fond of making narrow-minded, authoritative statements, but allow your own heart to be your guide.

Most space/dimension travelers come from further away than any planet which orbits the star Sol. We come from a variety of worlds which have found the key to dimensional/space travel. Therefore, most humans who have lived lifetimes on other planets have lived them on worlds further away than those of the Solar System. You may well have lived a lifetime on a

far distant planet circling a far distant star. Jupiter's moon Titan, for instance, begins to appear as though it were in your own backyard in comparison to the vast distance to other worlds on which you have known a lifetime. And indeed, the Solar System is your own backyard... a galaxy, a universe stretches infinitely beyond that, and no point is out of reach!

Of course, each lifetime as you live it, seems non-alien. And even as you live an entirely different aspect (the lifetime you are living now, for example), that alien lifetime may tug at you, seeming very familiar and calling you to explore it with your mind as well as with your soul. If you feel this distant tug, this faint echo and memory, then it is your karmic obligation to explore this lifetime... and this exploration will give you great joy as well!

This is Tibus ending transmission.

Cross enlarged to show detail

'CROSS OF CRYSTAL'

DIANE TESSMAN (AS WRITTEN ABOUT IN RUTH MONTGOMERY'S NEW BOOK "ALIENS AMONG US")

Dear Reader:

My name is Diane Tessman. You might have seen me on TV or heard me on the radio telling my incredible story. I am an ordained minister and pastor of San Diego's Starlight Mystic Church. Up until just recently my life was pretty much a shambles. Because of the poor economy, I had lost my job as a teacher and found it impossible to get work. Things rapidly turned real sour — my car payments were overdue, my rent was behind, and I even had to get food stamps to feed my daughter.

But now — THANK GOD! — conditions have vastly improved. My luck has turned from bad to good. Suddenly my cup has runneth over and all because of a strange artifact I came across in my garden, which, I believe, was put there by beneficial beings who have helped guide my life and who have only positive thoughts for every peace loving person on this planet.

But let me start at the beginning... All my life, I have felt a closeness with God's universe. My experience is no lie! It has been verified by a University Professor who subjected me to a grueling two hour hypnotic session. He wanted to see if I was telling the truth. He is convinced I am, for I recalled events that happened many years ago as if they had only transpired recently.

CHILDHOOD EXPERIENCES

It was a warm summer's night and I was playing with my dog outside. It was after dark and a certain stillness filled the air that I shall never forget. As I looked around with my pet, I noticed a bizarre light a short distance away from

where we were.

Without warning, my familiar surroundings were gone and I was in a completely different environment. All around me were these strange beings, some of them human-like, others radically different than any life form I was familiar with.

But there was one particular being who I found myself more attracted to than the others. I especially was not scared of him. The one I conversed with was human and I loved him. I could feel that there was something — a certain bond — between us and to me he has always been my "Special One." Due to the nature of subsequent contacts with these angelic, God-loving beings from another dimension, I feel almost certain that I am only half human, and the other part of me is extraterrestrial. Somehow — and I can't begin to explain this in scientific terms — I believe that the soul of the "Special One" was implanted into me or duplicated into me electronically, and that the "Special One" has been a part of my consciousness ever since I was seven.

SHOCKING REVELATIONS

In recent times my contact with THEM has increased to the point where I have become an accomplished psychic, able to forecast major events before they happen. I have also helped many individuals who feel that they are "different," and that they do not "belong" on this planet. My mission to assist these "Star children" walking amongst us has been a huge success. In addition, I have been doing my best to alert all those who will listen to the coming

changes that are slated to take place here on earth culminating in a collapse of civilization and the end of the world as we know it. Nostradamus, Edgar Cayce and other attuned minds have told of catastrophic events which are to take place during our lives, and my friends from another dimension have added to our knowledge of such a monumental transition that is said to be only years away.

Since that night back in Iowa, I have experienced many things that cannot possibly be explained. I have seen and heard what others cannot see or hear. I have had "flashbacks," of previous incarnations. I have heard strange beeps inside and outside my home which emanate from toasters, radios and stereos. Mysterious voices have come over my CB set. I've encountered ghosts, and had a variety of invisible playmates. One of my most frightening experiences has to do with the time I was levitated off my bed and some invisible entities actually tried to pull me through the wall.

HOW THE CRYSTAL CROSS CAME TO ME

Several months ago, I had a series of very frightening prophetic dreams about the "Last Days," which the Bible refers to as "Armageddon." In these nighttime visions, I witnessed entire cities being destroyed and people looking for places to hide. Mother Nature had turned against humankind. There were floods everywhere, and tidal waves swept across the West Coast, while thunder and lightning the likes of which we have never witnessed flashed everywhere. Wars had broken out in many lands, and from my dreams it looked like there was no way out. That is, until fleets of glittering spaceships filled the sky and started taking deserving souls off this planet in a mass evacuation which was being directed by the mighty hands of Jesus Himself.

These "dreams" were so vivid that I would wake up in a cold sweat. And while these prophetic visions always differed slightly, the one element they all contained was the materialization of a huge crystal cross over the heads of the suffering multitudes.

Upon rising one morning, a voice inside my head directed me to walk outside to my garden. There glittering in the early rays of sunlight was a beautiful cross made of crystal, and though it was much smaller, it was very similar in design to the one I had repeatedly seen in my dreams.

Later that day, my "Special One," who often speaks to me, told me that there was great significance in the cross that I had found in my yard. He reminded me that crystals have always been known for their healing and spiritual powers and that sons ago, on the continent of Atlantis, scientists had harnessed the forces of the crystal and a great technology existed because of the positive use of these crystals.

My "Special One," recommended to me that everyone should own a cross for themselves and promised that those who carry such a crystal will experience many positive benefits throughout their life.

ARE YOU IN NEED?

Does your spirit cry out for relief from worldly tensions? If so I believe I can promise you...

- Financial security.
- A loved one to comfort you.
- A decent job.
- A means to lift all curses that have been placed on your soul, thus improving your karma.
- A way to own a new home.
- A means to win the lottery.
- To drive around in a beautiful new car.
- To have plenty of money in the bank.

And, above all else, would you eventually like to be taken from this planet to either some Heavenly realm, or a more peaceful dimension in space populated by advanced beings like the ones I've met? According to what I have learned, this is also no problem for those who respond to my unusual request.

My contacts with angelic entities from another dimension have indicated all this — and more — is within the realm of possibility, but that your chances of succeeding at **WHATEVER** you wish to achieve will be tenfold if you carry this powerful crystal cross with you at all times.

NOT FOR SALE

In another dream, I was warned that I must never sell the cross, but that it should be given to those who seek eternal comfort and spiritual awakening. Since the crosses are costly, there is no

way that I can send them to the tens of thousands of individuals who are likely to ask for one through this article. Therefore, I believe I have come upon a very fair and just manner in which to put these crosses into circulation as was intended and cover at least part of my expense.

Therefore, anyone who orders a copy of my book **THE TRANSFORMATION** will receive both a copy of my autobiography (which I think you will agree makes for fascinating reading and will tell you a great deal more about the coming tribulations to strike this planet and how to personally avoid them as much as possible), and a **FREE** crystal cross.

TAKE PART IN AN EXPERIMENT

I am very anxious to know what effect wearing the cross will have on you, so after carrying it on your person for thirty days won't you please drop me a line and let me know how your life has changed for the better?

I realize in distributing the crystal crosses that I am entering upon a totally new threshold in human understanding. I definitely **KNOW** from personal experience, that there are advanced beings out there who, with God's help, wish to assist those who will open their hearts and their minds to other realms and realities.

PATHWAYS TO INNER PERFECTION

by Maria D'Andrea

As those who have experienced the gift of extrasensory perception will tell you, there are various ways to enhance your psychic ability, a few of which we shall detail in this article.

Through my work in the New Age field, I have become convinced that everyone is clairvoyant. Some of us realize this on a conscious level, while others may not be aware of such a potential.

Believe it or not, imagination plays an important role in "seeing" the future.

When you use your imagination, you visualize what you want most in life. You can have an unlimited number of things once you become aware that it is possible to plan your visions. When you day dream, you are using your imagination to visualize and decide on a mental level what you want to happen. How you want to progress is strictly up to you. If you do not like the path you are taking, you simply change it to something more progressive.

You can use your imagination in a positive way. This process is called visualization. You can consciously create images and situations that you would like to be in. You can see yourself happy and healthy. You can see yourself in a positive relationship. You can imagine yourself with joy in your heart and being with the type of person you want most to be with. You can be wealthy. You can have material possessions. Concentrate on what you want in your mind as many times a day as possible. This will give you the force to be able to materialize all of this in the physical realm.

It is important, however, to visualize only positive things, as you do not want negative energy to dwell in your aura. Also, be sure of what you want since you will get that which you desire and which you deserve the most.

When you are dealing with psychic forces, picture the information that is already there within your consciousness. You are very passive and do not have control over the input in this case. It is much the same as a telephone when you are talking to someone. The person the information is for is at one end of the wire, and the information you receive is on the other end. You are merely the channel or wire in this instance.

Have you ever noticed that your first hunch is almost always accurate? This is psychic information being channeled to you. It is the same as someone telling you that the car you want to buy will break down. The information is there for your use. But because of free will we need to decide how to best utilize the information that is given us. We have two options:

1. You can ignore the information and buy the car anyway. In this case, when something goes wrong it was your decision and you cannot blame anyone else for your problem.

2. You can take advantage of the information and either not buy the car or have it looked at and worked on before paying for it. You can also argue about the asking price or take the car to a service station to be repaired. This is putting psychic input to positive use in your life.

Imagination and psychic ability are both waiting for us. You should consciously work with both and keep track of events as they unfold. You will be pleasantly surprised at what may happen to you.

LUCID DREAMS

Lucid dreams are also important in our spiritual and psychic development. In case you are not familiar with the term, lucid dreaming is the state of being conscious while being in the dream state.

Have you ever noticed that you can be *aware* that you are dreaming and still be in a dream state? This awareness is not very frequent among people. Some may never have this type of dream, while others may have such dreams two or three times a year. A few may have lucid dreams regularly.

Lucid dreaming is accessible to most people, and can be a power-

ful tool and experience. We can learn to open up, enjoy and utilize this ability if we know how to apply ourselves.

There are varied approaches to dreams, some of which hold back our dealing consciously with things on a positive level.

As an example: Freud and others had a standard approach towards dreams. They believed that dreams were a message from the unconscious. We need to analyze them and understand what they are telling us. This is also a positive way, since we can receive numerous input through dreams.

1-*Psychic* information — Can be precognitive dreams, telepathy.

2-*Physical* — Most are about ourselves. We will get symbols that connect to how we perceive things. This can give information on solving ailments, such as soaking sugar cubes in fresh lemon juice to stop a cough.

3-*Spiritual* — Dreams which show us how to advance on a higher level. How to avoid a crisis.

4-*Creative* — When a musician wakes up with the music he couldn't quite get correct. Or seeing how to fix something in a better and newer way.

However, this limits us in some ways. Since many feel that if we can not analyze the dream, it is useless. So we look for people, books or tapes to explain the dreams.

The other limit we put upon ourselves, is the supposition that we do not have a choice in what occurs in our dreams. That we are not responsible for our dreams. It happens to the dreamer. It is passive.

The formula for lucid dreams is entirely different. It is used frequently in dream therapy.

You need to separate the dream into two parts rather than one. The one being *the dream* itself. The two is *the dream* and the *content of the dream*.

1-*Content* — Shows you how you can grow. To get better. (Not necessarily that we *want* to grow) Shows Spiritual growth also.

2-*Dreamer* — Part of what is going on in the dream context.

In lucid dreams, you discover during your dreams that you are aware in the dream. You will wonder why you are more awake.

Think of these dreams as connecting the two realities or worlds. In this state you are standing on a margin between the two.

Such as people with near death or astral projection experiences. These people will experience seeing white light and going toward it. They feel content, blissful. In lucid dreams, you will also experience this happy feeling.

Normally in the dream state, if there is any discord, you will try to wake up. You may or may not succeed. If you feel you are about to die in a dream, you will automatically try to wake up, since you feel you do not have any control within the dream.

You will know you cannot die, and so you will have control. You can always wake yourself up if need be.

As an example: You are walking in the woods and enjoying the scene. All of a sudden a fierce lion jumps out from between two bushes. It looks as though he will attack and kill you. Now you can deal with this in two forms. You can wake yourself up, as you are accustomed to doing, or you can choose to go on until the end.

When you continue, consciously decide how you want to deal with the situation. First visualize yourself as being calm and happy in the dream. Then decide what to do next. You can do a vast number of things. Such as; letting the lion walk past you, no longer being aware that you are there. Or walking up to you, and feeling that you are not a threat, allowing you to pet him.

You've now changed the threat which was a symbol of some inner conflict. You come out victorious and now have the sense of that white light of peace and love. The white light being in all of us.

signifies. You will even find out the necessity of wearing certain crystals and gems during specific times of the week due to their astrological connection, as ruled by the magnetism of the planets.

MAGICAL STONES

Just about every type of stone has relevance in God's order of things. "Special Blessings" and protections can come to the wearer of a crystal or stone, if worn while repeating certain prayers or performing simple rituals.

Such stones can be utilized when business is bad; when you need to take a purification bath; when you need to receive information about another person; when money is needed; when you wish to attract good luck; a new friend; or a potential lover. You will be given specific rituals using stones that the author says can bring you great prosperity; can help in meditation; can promote harmony around you; can strengthen the user spiritually, and can grant all your wishes just like a magical lamp. You can even turn an ordinary glass of tap water into the "Fountain of Youth" with one of the formulas given in this book.

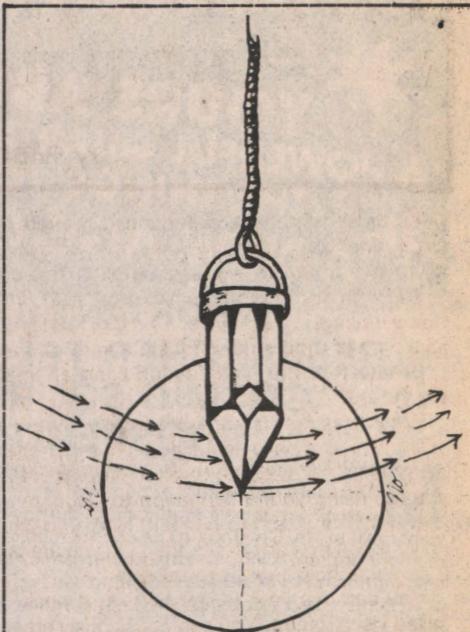

Furthermore, these "Magical Stones" need not be expensive gems like diamonds or rubies. In most cases, they are ordinary stones which have little—or no—monetary value and which you can easily obtain on your own.

PREDICTING THE FUTURE

Fortune tellers and diviners have always been with us. In addition to various forms of crystals, other stones can also be used to peer into the future. Using Maria D'Andrea's proven methods, the reader will learn how to have prophetic dreams with stones, how to pick up psychic vibrations from other people using crystals and gemstones, and how to see into the future in order to guide and shape your own life, as well as the lives of perfect strangers and those closest to you.

By using the various charts provided with this book, you can program your FREE Rose Quartz Pendulum to find out which natural vitamins may be missing from your system, what is causing particular problems to your body, mind, or spirit, and what your friends truly think about you.

Your Rose Quartz Pendulum is actually a beautiful piece of jewelry and comes complete with a lovely 16" chain. When you are not using it as a pendulum you can wear it around your neck or carry it in your pocket for added good luck as Rose Quartz doubles as a charm that is said to contain great power in and of itself.

If you've been following all that's recently been said about them, chances are you've either been seriously thinking about—or have already begun to wear—a quartz crystal or some other natural stone.

Probably, you've been lead to believe that all such objects radiate tremendous power than when drawn upon can offer a multitude of personal benefits from improved good health, to attracting good luck, to enhancing your own intuition, as well as spurring on self growth.

And while it is absolutely true that crystals and other natural gemstones do act as vast storehouses of energy that can improve human conditions, most people are unaware of the fact that not all crystals are the same! Nor do any two gemstones radiate identical energies.

In fact, the TRUTH is that you may be wearing the improper type of crystal or stone and thus may not be reaping the many positive benefits offered by the amazing New Age science of "Psychic Gemology."

Now for the first time, famed psychic advisor Maria D'Andrea has agreed to share her intimate esoteric knowledge concerning the mystic and occult vibrations to be found locked in crystals and gemstones. Born in Budapest, Hungary, D'Andrea's talents include crystal gazing, rune casting, the use of talismans and amulets, handwriting analysis, trance mediumship, automatic writing, as well as the teaching of Yoga.

After reading **PSYCHIC VIBRATIONS OF CRYSTALS, GEMS & STONES** you will be able to easily ascertain which stones are best suited for...

SACRED MAGIC

NOT OF THE DEVIL — BASED ON GOD'S WORD

THE SACRED MAGIC

As a youngster, William Alexander Oribello constantly asked questions about the mysteries of life and the Almighty Power of God. His parents and the family's minister answered his probing questions the best they could, but their answers were lacking until one day when little William was touched by the thunderous power of the Lord. A beautiful light surrounded him and he was given a divine message that he had been selected to receive and teach the most powerful lost secrets of THE SACREDMAGIC to all the world at the dawn of the GOLDEN AGE.

THE SACRED MAGIC is the essence of the mystic teachings given by the Magi and the Masters of Wisdom to Rev. Oribello. To determine if you have been so CHOSEN to receive this hidden knowledge, answer the following questions truthfully to yourself:

- () Do I want peace, joy, love and prosperity to fill my life completely?
- () Do I desire to know and work with the unseen forces of the universe for dynamic success in all that I do?
- () Do I desire to help others overcome their problems through and by the great magical power I gain?
- () Do I want total control of all situations which manifest in my life?
- () Do I possess an unrelenting need to know the answers to the mysteries of life, death, and the workings of the universe, both quickly and easily?

If you can answer "YES" to a majority of these questions then this is obviously the path for you... Here is a mere sample of what you can expect to learn from Rev. Oribello's SACRED MAGIC manuscript:

SEVEN GREAT MONEY SECRETS

Revealed for the first time are secrets possessed by the extremely powerful and extremely wealthy. Yes, there is a magical power in money and that power can be controlled. You will discover the seven great secrets of money and good fortune. You will also be provided with two potent money rituals to bring you greater prosperity. God wants you to prosper, and now you will find out how to obtain what you need and MORE and as soon as you need it.

POWER OF THE SPOKEN WORD

Hidden within the Holy Scriptures are words of power for good fortune, healing, success, love, business and personal relationships. Through these words you may overcome demons, negative thoughts, guilt, fear and other unwanted situations. This section reveals how one can use this power to obtain happiness, victory, confidence, trust and respect. It also reveals the illustrious 22 words of power and how to use them.

TRUE PSYCHIC/SPIRITUAL GIFTS

This section will clear up many misconceptions and fears regarding psychic powers. You will be given examples from the Holy Bible revealing their place in the true foundation of religion as practiced by Christians. You will be told of the great

magic word of the Magi and exercises which can help you to develop these wonderful powers which are positively God inspired and not from the Devil as some misguided theologians have lead many to believe.

MAKE A MAGIC MIRROR TO LOOK INTO THE FUTURE

Know what the future holds! You will be taught how to turn any mirror into a magic mirror and when to use it for best results. This Volume will tell you how mystics apply certain ingredients with a potent symbol to turn this magic mirror into a treasured tool which will enable you to: 1) Change your current habits; 2) Develop spiritual sight; 3) Communicate with the subconscious mind to know what is going on all around you even in invisible realms and other dimensions, all of which affects you; 4) Ask questions of Higher Intelligence in the spirit world and on other spiritually advanced planets; 5) See your past lives and understand how they affect you

STONES, COLORS & CANDLES

It will be revealed to the reader how mystics use certain stones to preserve youth, repel evil, develop psychic powers, and attract health, happiness and prosperity. You will discover the magical use of colors to influence yourself and others for healing, peace, inspirations and love. You will learn how to turn ordinary olive oil into a powerful blessing elixir. There is also a secret of how to convert a candle into a spiritual dynamo...even when to burn the candle.

KEY TO NATURE'S SECRETS

In this section, you will discover methods to improve health, stay youthful, and maintain harmony within your physical and spiritual being. THE SACRED MAGIC will also reveal the greatest realization of life as it was given to Rev. Oribello by a Mystic Adept who was over 300 years old.

ABOUT THE AUTHOR

William Alexander Oribello is an internationally known teacher of spiritual truths. Since 1965 he has delivered more than 3,000 lectures and is the author of several manuscripts containing higher metaphysical secrets. The author is also an ordained minister and director of the Mystic Light Society located in Philadelphia. Ever since childhood when he began having visions, Rev. Oribello has been in command of God's Universal Energy, which can—when applied properly—bring happiness, self-mastery and wealth to anyone. Now with the coming of the much prophesied NEW AGE, he has been told by the HIGHER MASTERS OF LEARNING to share this valuable information with those who seek it.

BRAD STEIGER/from pg. 6

year Millennial Reign is whether the promised Age of Blessedness occurs right here on Planet Earth or is the Ages of Eternity after flesh and blood have passed away. A more metaphysical interpretation holds that the millennium will take place after a species transformation to a higher awareness in fellowship with entities from Other Worlds or Other Universes.

QUESTION: But we are talking about that great climatic struggle between Good and Evil?

STEIGER: Yes, we discuss this in THE UFO ABDUCTORS and in THE DIVINE FIRE. Sherry and I believe there to be abundant political, economic, and cultural omens which indicate that the climatic struggle between the Forces of Light and the Forces of Darkness is about to begin. St. John's vision in the Book of Revelation tells us that in the latter days of Satan/the Negative Energies will make a furious effort to regain lost ground. Certainly those of us who seek to serve the Light have noted the increased energies of negativity directed against us in the last few years.

QUESTION: Yes, I think many Light workers can identify with that, Brad. Are there physical manifestations also occurring?

STEIGER: Consider the Iraqis' restoration of Babylon. A Biblical symbol of the humiliation of Satanic forces was the destruction of Babylon. Can it be mere coincidence that the Iraqis are now in the process of restoring the "mother of harlots" so that it will appear exactly as it would have looked 4,000 years ago?

According to many seers, the Age of Cataclysm has begun. Some say that Mt. St. Helens tripped the switch that will culminate in major geological changes on our planet.

Sherry and I review all these events from a wide variety of perspectives, including scholars of the Bible, scientific futurists, theologians, Native American prophets, psychic-sensitives, authorities on societal cycles, messages from alleged "Outer Space Beings," historians of cultural transformation, and New Age mystics.

The Amerindian prophets speak of a fast-approaching "Time of Great Cleansing" that is about to purify and to reconsecrate the Earth Mother. We believe that we must consider that such a cleansing might occur through the purgation of terrible nuclear fire. Then there is also the possibility that a vast number of the planet's population could be eliminated through a terrible disease, such as AIDS. Natural disasters could alter the entire face of Mother Earth through earthquakes, volcanisms, and massive internal upheavals.

QUESTION: Are these ghastly occurrences being visited upon us as punishment for our collective sins?

STEIGER: I prefer regarding such events from the viewpoint of the Native American prophets, such as those whom I quote in AMERICAN INDIAN MAGIC. In their interpretation, these disasters occur not because we are an evil species and need to be punished for our sins, but because, from time to time, the Earth Mother becomes in behavior like a great dog that wishes to shake the annoying fleas off its back. In other words, cataclysms are impersonal — unless you happen to be living in a place that will undergo a massive realignment.

QUESTION: I would prefer making a serious effort to survive these days of cleansing and planetary change, wouldn't you?

STEIGER: Sherry, a licensed and ordained minister, became fascinated with the Millennium years ago. She has invested nearly twenty years of research into the subject. She is quite convinced that Biblical prophecies — together with certain more contemporary prophets — can provide us with valuable insights concerning the best methods of surviving the Time of Transition that will make the final decade of this century both "the best of times and the worst of times." Sherry's rigorous personal program of meditation, contemplation, and prayer has permitted her to receive certain words of wisdom that will enable the perceptive to survive Armageddon. Both Sherry and I perceive the end result of this cleansing process as a quantum leap forward in humankind's physical evolution. We envision a transcendental transformation in which our species undergoes the metamorphosis from *Homo sapiens* to *Homo spiritus* — from "thinking" man to "spiritual" man.

QUESTION: I know from reading REVELATION: THE DIVINE FIRE that it offers a great deal of valuable information toward those same ends.

STEIGER: Yes, it will be an important building block for the series of books that Sherry and I are planning to produce over the next few years.

WINNING WITH WITCHCRAFT

Although my book is called "Winning With Witchcraft" it is not a book for witches. Fully fledged witches will not find anything really new in its pages and indeed they may disapprove of many of the things written in it. They will not like the fact that I have removed the "mystery" of witchcraft, dispensing with all the complicated paraphernalia usually associated with the Craft, in order to demonstrate to the ordinary person that to practise it is really very simple indeed. My book is definitely only for the everyday lay woman or man, the person who is fascinated by witchcraft and its possibilities, but is either too busy or apprehensive to actually get involved in it.

HOW TO WIN IN LIFE

I do not in my book beg the reader down with the theory or history of witchcraft. That can be found in other books; so, my work is an "action" book, one of practice rather than speculation. In it I show you how to win in life with witchcraft. There are two sides, or dimensions, to witchcraft: the religious, spiritual dimension, and the dynamic "active" dimension, i.e. that of deliberately manipulating events and circumstances for one's ends. My book is about this second, exciting dimension. But before I continue let me tell you something about myself. My name is Jean Williams, and for the last twenty years I have been actively practising witchcraft in the pursuit of securing personal objectives. I am a perfectly ordinary woman, not possessing special psychic powers of any kind. Neither am I particularly bright or good looking. I mention these points because I want to show you that the wonderful, fast acting powers of witchcraft can be at anyone's command, regardless of ability, once the secret of witchcraft is understood. I have never belonged to a coven or occult group of any kind. There is nothing special that you have "to be" or "no special" you have to know, in order for you to begin working wonders with witchcraft from the very moment you know what to do.

IMMEDIATE RESULTS

Immediately you have finished reading my book you can begin casting magic witchcraft spells to obtain whatever you desire. And you don't have to worry about trying to obtain difficult to get herbs or special equipment; almost all of the rituals I give involve very little or no paraphernalia, and what things you may have to get can be purchased very easily and inexpensively. For twenty years I have been "winning the game of life" through witchcraft. With my book you can start doing the very same the minute you have read it. With simple witchcraft spells and rituals I show how you can make any member of the opposite sex desire you immediately... compel a reluctant lover to marry you... stop the romantic interest of someone you would rather be without. With witchcraft you can forget about being a loser in love, in money, or anything else. By using witchcraft I show how you can actually take control of the "forces of chance" and make everything you touch seemingly turn to gold. You will be able to play a bingo game, place a bet, enter any contest, and know that you will win. You can have any man or woman you want, or any luxury you choose. With witchcraft these things become automatic when you use the appropriate spells or rituals to obtain them. I can say all this with absolute confidence for this has been my experience from practising witchcraft. I have benefited handsomely from witchcraft and I only seek the pleasure of sharing my knowledge with you. Witchcraft, I believe, should not be the jealously guarded secret of a selfish few, but should be made available to all who seek a better and more fulfilling life.

WHAT WITCHCRAFT CAN BRING YOU

In my book you read about:

- Winning the admiration and respect of people. Stop them exploiting and using you
- Using witchcraft to promote you self interests at all times, without harming the interests of others
- Commanding things to happen through powerful spells and incantations. With witchcraft you don't have to grovel or pray to God for help
- Magic witchcraft spells that quickly make you more self-assertive, confident, and sought after by the opposite sex
- The Binding Love Spell that makes someone of the oppositesex love you
- Simple witchcraft remedies that alleviate pain, reduce fever, stimulate hair growth

- A powerful ritual that compels an unwanted neighbour to move away
- A simple Moon Spell for miraculously solving financial difficulties
- An ancient ritual for making a barren womb fertile
- A simple divinatory rite for immediately telling if your mate is true or not
- Compel a thief to return stolen property
- A Stormy Love Spell for catching all the men you will ever want!
- A simple formula for finding out which of two lovers loves you the most
- An ultra-simple ritual for keeping your partner true
- How to use The Witchcraft Circle to break disease and ill health and regain perfect well being.
- How to leave your physical body and travel invisibly anywhere. You can invisibly "spy" on your lover, rival, enemy, completely without his/her knowledge! This way you always win in the game of life because you can anticipate in advance the actions of others! "Invisible travel" is easy; it only needs practice. I succeeded on my first try. It is not only easy, but fun, too, and it is perfectly safe.
- A simple step you can take for stopping any witch from invisibly spying on you!
- A powerful self-rejuvenation ritual for renewing your personality and character; extremely potent!
- How to use The Witchcraft Circle to break disease and ill health and regain perfect well being.

THE SECRET SCIENCE OF NATURE

It is unfortunate that many people associate witchcraft with devil-worship. Most witches don't even believe in the Devil! I certainly don't. Witchcraft is not Black Magic. But, fortunately, witchcraft can be used to protect one's self from Black Magic. My book shows how you can quickly and easily break any evil curse, and shows also how you can forever make yourself safe from harm and evil of every kind. Some people also harbour the idea that witchcraft is just "superstitious nonsense"; in fact quite the opposite is true. Witchcraft is the secret science of nature. It could not possibly work if it was merely based on old wives' tales. I personally am not superstitious. I was born on the 13th, I live in a house no. 13, I walk under ladders, etc.; but I very much definitely believe in the powers of witchcraft. You will believe, too, once you have tried the simple rituals in my book! Nor is witchcraft just "positive thinking". I know lots of people who use positive thinking and yet they are losers in life. Witchcraft is more dynamic. With witchcraft you don't, and cannot, fail; you only succeed and win.

THE ULTIMATE WITCHCRAFT RITUAL

The very end part of my book I have saved for what I consider to be the ultimate witchcraft ritual, at least in material terms; a ritual that unleashes a tremendous torrent of opportunity, riches and good fortune. I consider this ritual to be little short of sensational, but I will be frank with you; I have only ever used it once. It worked so well that I just couldn't handle all the good things that came from it. I am not one of those people who can handle immediate, or even gradual, wealth. But if you are one of those people who believe they can then you should try this ritual. It could change your life!

I do not claim my book to be the best or finest written on the subject of witchcraft. But I do claim it to be the most practical. If you are one of those people who has always wanted to try their hand at witchcraft, but were too busy or apprehensive to do so then my book is for you. It is written for you, and I promise you that what you pay for it will be the best spent money of your life. Witchcraft works. Those who practise it know. They are life's winners.

Solar Powered Necklace Relieves Anxiety, Depression, And Fatigue, While Increasing Vitality

Gentle Forces Of Solar Energizer Worn As Necklace Floods Body With Revitalizing Energy From The Sun

Users Report...

- Increased Energy
- Elevated Mood
- Feeling of Well-Being
- Improved Sleep
- Reduced Tension
- Relief of Pain

New Science of Bioelectronics

The effects electronic fields on the human mood and energy levels have long been known. Ionized air, lunar cycles and solar flares, and increased electrical activity during and preceding a storm are all known to effect the way we feel and act. But the correct techniques for controlling these forces to improve human health have been very elusive—until a recent breakthrough made by a remarkable Israeli inventor during his extensive research in the field of bioelectronics.

Simple Method of Energizing the Body Discovered by Inventor

In the early sixties, Leon Halfon joined the staff of the famous Dead Sea Clinic. He became part of a team that was developing methods of treating headaches, tension and insomnia with externally applied electrical energy. The dramatic results achieved by the clinical team inspired him to begin research on his own into ways of applying this knowledge to benefit people in all walks of life. His effort lead him to the discovery that a continuous flow of low-yield energy into the body would create a POWERFUL ENERGIZING EFFECT on the physical and emotional state of the recipient. And this energy could be easily supplied by the small solar cells used to power spacecraft!

A Functioning Space-Age Power Source

The "Solar Energizer" is more than just an attractive necklace—it is a functioning space-age power cell that delivers a continuous supply of energy when exposed to light. The positive and negative electrodes are formed by the chain, which delivers a gentle and continuous flow of ENERGIZING POWER THROUGHOUT THE BODY of the person wearing it. The energy produces no tingling sensation on the skin but any simple electronic multi-meter will detect its presence and verify that the energizer is working.

Renewed Energy Lets Body Heal Itself

After wearing the Solar Energizer, most people report increased energy, a feeling of

well-being, more relaxed and restful sleep—and many people report relief from chronic pain and headaches. Relief comes from the body's own natural ability to heal itself once it has the needed energy and vitality to do so.

Dramatic Improvement Within One Week

Although many people report a definite change in their mood and energy level within the first one or two hours, full beneficial effects take place gradually over a period of days. During tests with volunteers in Southern California most of the participants reported a dramatic improvement within one week! Increased energy, elevated mood, calm restful sleep, and reduced tension were all commonly reported. A common thread with many victims of chronic pain was an initial feeling of needing to sleep which was followed by an improvement of symptoms after the needed sleep was gained.

U.S. Patent Office Awards Patent

The Solar Energizer is a patented device that has been subjected to a thorough review by the U.S. Patent Office. Patent Number 4,173,229 was issued on November 6, 1979. The Summary Of The Invention begins with: "It is the object of the present

invention to provide an improved and decorative therapeutic adornment or jewelry object operable to generate a beneficial flow of electrical current through the body of a person wearing same".

30 Day Money Back Guarantee

Use the Solar Energizer continuously for 30 days and let the results speak for themselves. If you are not satisfied with the performance of the Solar Energizer, return it to us for a full refund!

For Men and Women

The Solar Energizer Necklace is attractively styled and may be worn by both men and women. Each energizer comes in a velvet jeweler's pouch and includes complete instructions and recommendations for correct wearing and use.

There is a point of leaving your body in dreams and heading toward the white light. A feeling of going home, of bliss, a feeling of oneness. It is reality and not an illusion.

To work with lucid dreams you will go through varied levels

- 1-Normal level - Not very active.
- 2-Tension - When the dream has a little stress.
- 3-Opposition - When you feel you will die in the dream. If you follow through instead, then you will grow
- 4-Yield - You can pray to have help to let everything go. It is the way to your deeper states of consciousness. You can experience Kundalini - or the Oneness.

You need to be aware that you are not trying to change your dreams. They have a purpose. You are changing your reaction. You will become more positive in your attitude and outlook.

How To Achieve Lucid Dreaming

- 1-Meditate.
- 2-Make sure you get enough sleep.
- 3-Before you go to sleep, first state that you will have a lucid dream.
- 4-Choose a dream that reoccurs if you have had one, and affirm that the next time it happens, you will awake within the dream and be aware.
- 5-Experiment and have fun with it. You will be on the path to inner growth once you have mastered these techniques.

**HAWAIIAN MYSTICS
KAHUNA
POWER**

- ATTAIN PERSONAL WEALTH & NON-STOP RICHES.
- EXPERIENCE ABUNDANT GOOD HEALTH & LONGEVITY.
- CONTROL UNSEEN FORCES.
- CONQUER ALL FEARS.

Dear Friend:

Recently I returned from the Hawaiian Islands where I saw and heard many mysterious things that few others possess knowledge of.

For while many visitors may speak freely about the absolute beauty of our 50th State, few outsiders dare discuss the supernatural ceremonies and strange rituals performed by the native Hawaiians, many of whom still follow the beliefs of their great ancestors.

In fact, so powerful was the magic of the "Kahuna" thought to be, that for over a century the occult practices of the wise and spiritually-minded Hawaiian priests were officially banned. It actually became illegal to worship the old gods who had served them so well for untold generations.

Along with highly respected psychic Maria Carta, I traveled to the islands not as a tourist, but as a serious researcher in search of the truth about the sacred charms, chants and prayers that were said to be so potent that when properly used they could actually bring back the dead!!!

Indeed, the mere mention of the name Kahuna strikes fear in the hearts and minds of many rational people who do not know that Kahuna simply means "keeper of the secret," or "heart lore."

A Kahuna was a priest, a minister, or an expert in a particular profession. He might have been a doctor, a surgeon, a scientist, herbalist, navigator, or musician. The secrets of the Kahuna were carefully guarded so that they did not fall into the wrong hands where they could be used for negative purposes. A Kahuna would only pass on his knowledge shortly before death, usually by whispering into the ear of his personally chosen successor.

By learning to control the forces of nature, the Kahuna harnessed powers that remain totally beyond the scope of modern science.

They were—and still are able to...

- Communicate with higher dimensions and the departed souls of loved ones whom they call upon for personal guidance and assistance in all matters of everyday life.
- Predict and even sometimes control the course of future events.
- Cure almost any disease or ailment through the proper use of herbs which they cultivate in the islands.
- Ward off negativity, anxiety and draw to them that which is of a higher—more positive—nature.
- Engage in mind-to-mind contact from one island to another, as well as walk over burning wood, and handle hot coals in their bare hands.
- Actually "talk" to animals and get them to do a person's bidding by having them interact with the invisible kingdom of elementals that exist all around us.

If all this sounds like so much "science fiction" be advised that I have personally walked among the Kahuna, heard their magical prayers, sang their powerful chants, and actually witnessed trances during which the voices of the long deceased came forth with shocking clarity.

Likewise, I have heard of magical potions so strong that with one pinch it is possible for the deceased to breathe once again. And while scientists may scoff at such accounts, they are slowly starting to accept as reality the Kahuna's reputation as a potent herbal "doctor" whose use of natural remedies are said to have cured a variety of diseases and chronic ailments from asthma, to bronchitis, diabetes, cancer, tonsillitis, kidney and bladder disorders, high blood pressure, backaches, blisters and insomnia. And while the author of KAHUNA POWER makes no claims as to their supernatural benefits, and offers strict caution about using such herbal formulas, several dozen pages are devoted to the Kahuna's practice of homeopathic remedies.

USE THE MYSTICAL CHANTS & PRAYERS OF THE SACRED HAWAIIAN HIGH PRIESTS TO POSSESS ALL YOU DESIRE & NOW!!!

Taking us into their confidence (due to our background in esoteric and spiritual matters), the practicing Kahuna of Hawaii told Maria and I much about their system of magic and how they are actually able to accomplish these astonishing "miracles" through the raising of what they call the "mana" from their lower physical body to a higher, more mental, state of consciousness. Properly tapped, the Kahuna claim this expanded state of awareness would allow all of us to obtain the seemingly impossible goals we seek. For the first time, I shall share with you the exact ritual and tell you how to perform seemingly "impossible" feats of magic even while you are asleep.

Furthermore, I was repeatedly told of the existence of the "Little People"—the Menehune—who a person can call upon to do all kinds of tasks

from providing gold to constructing houses overnight and nobody is the wiser. A few simple "direct commands" and they appear as if out of thin air to do as you request—NO QUESTIONS ASKED.

What anthropologists classify as superstition and folklore, many Hawaiians—due to their keen insight—accept as gospel. Also, while tourists may think of them in terms of "UFOs," the locals maintain that the bright, phosphorescent spheres that whiz across the night sky are actually the "Akuaelelo" or dwellers of the spirit land who carry messages over vast distances from one world to the next. Once you have found out the true meaning of such "Omens" it is possible to put them to beneficial use.

In KAHUNA POWER—AUTHENTIC CHANTS, PRAYERS & LEGENDS OF THE MYSTICAL HAWAIIANS, you will discover much about this "secret society" of magicians that can be applied to your everyday life and for the betterment of all. Not a small "pamphlet," this is a full length book of 160 pages, with many fine illustrations and quality, color, laminated cover for lasting protection.

Yours in Love & Light,
Timothy Green Beckley

THE RECENT FLAP OVER RONALD REAGAN'S INTEREST IN ASTROLOGY RECEIVED A GREAT DEAL OF MEDIA ATTENTION, BUT HE WAS BY NO MEANS THE FIRST PRESIDENT TO EXPRESS HIS BELIEF IN UNSEEN FORCES.

PSYCHICS IN THE WHITE HOUSE

by Arthur Crockett

The following story comes from 19th Century documentation now on display in the Library of Congress in Washington, D.C.

James Garfield was 20 years old when he had a driving urge to contact his dead father. To do so, he went to two famous spiritualists, Margaretta and Katie Fox, and paid them \$1 to conduct a seance.

In his diary for Wednesday, June 4, 1854, Garfield wrote: "I went to Cleveland to the Durham House, where Miss Fox of Rochester, New York, is attending to the 'spirit knockings.'

"I paid the doorkeeper \$1 and was conducted into the room where the ladies (Miss Fox and two others) were," he continued. "The company (16 in number) were seated around a table, the ladies sitting at the head.

"After the company were seated, one of the ladies asked if the spirits would communicate with us by rapping. Immediately, the rapping commenced on a settee or the wall and then on the table where we were sitting.

"The manner of proceeding was as follows:

"An individual first asked if there were any spirits that would communicate with him. If there were, it indicated by two or three raps! Or you might write a list of names and when you came to the right one, it would rap!

"There were many questions and correct answers infallibly given. I was a perfect stranger to everyone in the room."

"I called for the spirit of my father. It responded by rapping. The rapping of no two spirits was alike.

"I asked my father his name," Garfield wrote in his diary. "I called over several times and when the right one was named, it rapped!

"In this way, it told me my own name, that I had one brother living, told me his name. Said I had one brother in the spirit land, name given, age also, told me how many years he (father) had been dead.

"There were many other tests and correct answers to my questions that no person (not even myself) in the room possessed.

"So it is impossible that the girl could have made the rapping for she did not possess the intelligence. 'Tis a mystery, however, and I'll not speculate on it."

Until the day he was assassinated, President Garfield insisted that one day in the White House his dead father materialized and spoke to him. The President said that the conversation was carried on in normal tones of voice and that his father appeared to be as solid and clear to him as anyone alive. He did not reveal what the topics were.

WEIRD EXPERIENCES DURING THE GRANT ADMINISTRATION

Several members of President U.S. Grant's family believed that the spirits of the dead could communicate with the living. So it came as no surprise to them that the boy ghost who materialized in the White House was Lincoln's son, Willie, who died there.

After President Grant died, his sister, Mrs. Mary Grant Cramer, had a dream which foretold of the death of Grant's widow.

Mrs. Cramer lived with her sister, Mrs. Virginia Grant Corbin, in East Orange, New Jersey. The two were at breakfast one morning with a house guest, Mrs. Katherine Lawrence. Mrs. Cramer told the others, "Last night I thought that Mrs. Grant came to my bedside and, placing her hand

on my shoulder, said impressively, 'Mary, I have come to talk with you and to say goodbye, because I am not going to be with you much longer.'

Mrs. Lawrence, the house guest, was astonished. She, too, had a strange dream the night before. In her dream she saw herself, Mrs. Cramer and Mrs. Corbin, standing at the portal of Grant's tomb on Riverside Drive in New York City. There was a large crowd around them and they seemed to be waiting for a cavalcade of some sort.

Eight days later Mrs. Grant died and was buried in the tomb with her husband.

OUR MOST FAMOUS PSYCHIC PRESIDENT

It was Abraham Lincoln, of course, and often during the course of the Civil War he consulted mental mediums for solace and advice. The Chicago Tribune reports on April 23, 1863 that a medium, Charles E. Shockle, was brought to the Crimson Room in the White House to test his supernatural powers.

The first half hour proved impressive. Raps were heard and tables moved. A portrait of Henry Clay that hung on a wall swayed more than a foot. Two candelabra presented to President Adams by the Bey of Algiers were twice raised to the ceiling.

The man, apparently, had proved his worth.

Spiritualism in those days was an unpopular subject. Lincoln was severely criticized for indulging in it. Still, he was always interested in any phenomena that could not be explained in a normal way.

AMAZING LEVITATION IN WHITE HOUSE

At one time President Lincoln heard about a physical medium who was supposed to be adept

in her work. Her name was Mrs. Miller. Lincoln invited her to the White House for a psychic session.

Her first act when he arrived was to place her hand on a grand piano. It immediately rose into the air. Mrs. Miller repeated it again and again, until Lincoln finally said, "I think we can hold this instrument down." He climbed up on the piano and sat on it. So did the Honorable D.E. Somes, a former Congressman from Maine, and an unnamed man.

Mrs. Miller placed her hand on the piano and it began to rise. The instrument went up and down according to how she gestured. When she placed the piano at rest, finally, Lincoln said that if anyone who heard of this should doubt, they "should bring such a person here and when the piano seems to rise, have him slip his foot under the leg and be convinced by the weight of the evidence resting upon this understanding."

LINCOLN'S SPIRITUALISTS

Mrs. Miller and Miss Nellie Coburn were frequently consulted by the President, especially when the war was going badly for the north. Miss Coburn summoned great leaders from the spirit world and had them talk to Lincoln through her voice box. They gave the President advice, which he took under advisement. Lincoln said to Miss Coburn, "My child, you possess a most singular gift; that it is of God, I have no doubt."

Now it is possible to obtain all of your heart's desires by burning different colored candles in conjunction with reading specific Psalms in the Holy Bible.

Since ancient times, wise men, prophets, and mystics have used the Holy magical art of candle burning to dispel the darkness of negativity from their lives. Symbolic prayers have also been used down through the ages to channel the light of the universal mind into great benefits for deserving souls, in addition to the general well being of humankind.

MAGIC IN THE PSALMS

The Biblical Book of Psalms has long been regarded as a collective work that when properly utilized can enable an individual to gain power over unwelcomed situations, and attract that which is wanted the most.

In fact, it is widely believed that there are actually "secret meanings" hidden away in each of the 150 psalms, and that certain "Divinely inspired words" when repeated can provide the means to improving life's most unsettling conditions.

Actually, the Magic of the Psalms has long been regarded as a powerful tool to personal blessings by initiates of the Secret Wisdom of the Kabbalah, as it is thought they were originally given to the Prophet Moses by Angelic beings.

**BY FOLLOWING SIMPLE INSTRUCTIONS
EVERYTHING YOU DESIRE WILL MATERIALIZE INSTANTLY.
JUST SNAP YOUR FINGERS AND COUNT ONE, TWO, THREE**

YOU CAN BECOME A...

SUPER-~~HERO~~ BEING

CAST ALL DOUBT ASIDE. TECHNIQUES NOW DEVELOPED COULD EASILY GIVE YOU SUPERHUMAN QUALITIES THAT COULD ENHANCE YOUR LIFE. "SPLIT BRAIN MOTIVATION," "PSYCHOTRONICS," AND "PSIONICS" MAY SOUND LIKE SO MUCH "MUMBO JUMBO," BUT, IN REALITY, THEY ARE EASY TO APPLY APTITUDES THAT WILL GIVE YOU UNHEARD OF CAPABILITIES IN THE AREA OF ESP, TIME TRAVEL, BI-LOCATION, AND ENABLE YOU TO CONTACT OUTER SPACE KINGDOMS AND INVISIBLE LIFE FORMS ALL OF WHOM GOD CREATED TO ASSIST YOU! SEEM INCREDIBLE? IF YOU'RE COURAGEOUS AND WANT TO BE A "TAKE CHARGE" INDIVIDUAL PLEASE READ ON...

THIS MAN WILL SHOW YOU HOW TO TURN YOUR DREAMS INTO REALITY

As we head into the 21st Century, it will become common to see humans demonstrate what we now believe to be supernatural powers such as extended sight (the ability to see lower into the spectrum into the infra-red, or higher into the ultra-violet range), or extended hearing (the ability to ascertain voices and sounds that one perceives from within, but little understood). Others will develop what has been termed "clair-sentience," which is the ability to feel something at a distance without touching it due to an electro chemical change going on in the brain.

As these techniques become more common we will see an abrupt change in society. The human species will suddenly take a giant leap in it's ability to control all things created around it. In effect, a utopia will exist on earth. Pain and suffering will be eliminated. By utilizing the 90% of the

mind which now lays dormant, mankind will be in total control of its environment. **GOOD NEWS!!** You don't have to wait. Researcher Bill Cox has traveled the world learning secrets that have long been known by only a mighty few. His investigations has taken him to South America where he has penetrated the deepest jungles and deciphered the technology of civilizations which vanished centuries ago. In Egypt he has explored the hidden chambers of the high priests whose knowledge of universal laws was supreme.

Bill's relentless search for the truth has drawn him to some definite conclusions; the most far reaching being that our world is literally criss crossed by other dimensions, invisible realms and unseen kingdoms, each one interacting upon all others. Though our eyes may not see them, there are trillions of life forces around us at all times vibrating to high frequencies which put them beyond our spectrum of visibility. Bill Cox says that once we have educated ourselves to understand these things that the cosmos takes on new meaning and we realize that all of creation is **UNDER OUR COMMAND.**

creations, it is necessary to realize that God also created a host of other kingdoms. Right now—**ALL AROUND US**—there are uncountable tiny creatures which exist in what is called the "ether." They are just waiting for the instant in which they are called upon to do the work they perform so well. They do not look upon their task as a chore. In fact, they experience great ecstasy when they do what they are meant to do. Whether it is help in obtaining you money, fame, love or anything else your heart desires, they do what you want—as long as you know how to talk to them—without complaint or resistance. It is their nature to obey like we find in a colony of bees or ants. Besides, they would reject ecstasies awaiting their call should they rebel. There is a hierarchy, an angelic government that exists above these life forms and it too can be put to our best advantage just as the Lord intended.

MIND POWER TO CREATE AND TO HEAL

Using mind energy it is possible to move or alter an object at a distance. There is even a practical experiment that everyone can do regardless of training and you will find this fully explained on page 9.

One person who has adapted the principles in this book has been seen by the author to turn ordinary table butter into money. Likewise, there are those now living on our planet who can cure the ailments of others simply by saying a few

words, and thinking in the prescribed manner.

The universe, says Bill Cox, can be broken down into several planes, among which there is an order of invisible realms. Turn to page 11, and immediately you will find out the jobs performed by such invisible beings as Devas, Undines, Sylphs and Salamanders, and how these forces can be put to producing whatever we need to make our life more comfortable on the physical plane. After all why should we go without when God did not intend it that way? In this book you will find out how to create an archetypal form and thus bring into physical manifestation anything you desire no matter how impossible your dream seemed before.

THE ANCIENTS KNEW ABOUT IT

A long way from being uneducated, many ancient cultures existed that were far superior to ours when it came to knowledge of the universe. Time travel, bi-

location and energy accumulation were common feats to the masters of the past. For example, they realized that the pyramid shape was of great significance. That is why pyramids can be found not only in Egypt, but in China, Africa, Mexico, Central America and even off the coast of the United States.

The ancients knew about healing the body and developing the mind. They were familiar with space travel, having established communication with advanced beings from the stars who assisted in their achievements. They know how to read the aura, and how to project holographic structures in the sky. They were actually able to create "thoughtographs," and upper most they knew how to live in harmony with everything in nature.

Now you too can experience an incredible leap forward in time. No longer do you have to struggle through life. With the knowledge gained from this exciting new book you can now lead the pack and see your wildest dreams become a reality. Don't hold back any longer, become a **SUPERBEING** and achieve your destiny without delay!

YOU NEED NEVER BE ALONE...LOVING SPIRIT BEINGS EXIST TO PROTECT & GUIDE YOUR LIFE IN ALL MATTERS IN A SHORT WHILE YOU WILL BE ABLE TO...

CHANNEL YOUR OWN HIDDEN POWERS!

Dear Friend:

You've probably heard actress Shirley MacLaine talking about the mystical process know as "channeling". Or maybe you've read or heard the words of such enlightened entities as Seth, Lazaris, and Ramtha who speak from invisible realms said to exist all around us. In fact, channeling sessions have even taken place on prime time television, and now—some say—even exceed the use of the Ouija Board and Tarot Cards as a tool for psychic enhancement and spiritual growth.

As an investigator of the paranormal and author of over 100 metaphysical books, I am prepared to show you personally how to go about raising your own consciousness to allow "Higher Intelligence" to come through, thus enabling you to communicate with spirit beings who can assist you in obtaining all you desire on this the physical plane of life, plus protect you from all negativity and harm.

Over the years, I have come to accept as fact the idea that the universe is literally teeming with life which, because of our limited five senses, most of us are unable to see or communicate with. Yet, I can guarantee that by the time you have finished reading **AQUARIAN REVELATIONS: CHANNELING HIGHER INTELLIGENCE**, you will have set up harmonic convergence with the cosmic mind we call God. There are, I've discovered, three basic types of beings who we may actually call upon in times of personal need.

HELP FROM THE ANGELIC KINGDOM

In *Genesis* the Lord created the angelic kingdom to watch over humankind. In the Bible, angels guided to safety those lost in the wilderness, freed the persecuted from fiery furnaces and dank prisons. Jesus Himself was fed by angels, defended by angels, strengthened by angels. We are repeatedly told that angels are actual beings, that they are God's personal messengers, and *not* just symbolic. And while most of us take for granted that angels once interacted with the prophets, the saints, as well as early members of the Christian faith, few realize that the angelic kingdom is still very much active today and that these beings of pure light and love are at our beck and call whenever we need them the most.

MEETING YOUR SPIRIT GUIDE

Likewise, there exist other multidimensional beings who can—and frequently have!—materialized to aid humans during periods of crises or in moments of receptivity to universal teachings.

These beings can take on the form of personal spirit guides, master teachers, or loved ones who have passed on. Frequently, they appear in our dreams or in visions. Such concerned entities most often have our best wishes at heart, and upon being spoken to can direct our lives in a most positive manner. They have been known to show the way to buried treasures, missing wills, or other items of importance. They have even whispered the winning lottery numbers into the ears of deserving souls, and saved many individuals from what should have been certain death or injury.

LOVE, PEACE & BROTHERHOOD FROM BEYOND THE STARS

in the late 1940's, strange objects which defied science, and which became known as UFOs or flying saucers, were first seen by thousands around the world. Today, the reality of alien visitors is widely accepted, some going so far as to claim repeated physical and telepathic contact with more advanced creatures from outside our earthly reality. Stories

Master guides and spirit teachers exist to offer assistance in everyday matters. Here Brad Steiger seems to be surrounded by such entities in a photo taken for demonstration purposes.

abound of alien abductions, and there are those who say that advanced spiritual beings—termed the Space Brothers—are watching over our planet as we continue to walk the narrow path to global destruction. Offering humankind a way of salvation, these highly elevated souls have also been known to heal the sick, and, in general, bring love into the lives of those who have had close encounters with them.

A HOW-TO METAPHYSICAL COURSE THAT ACTUALLY WORKS!

During my years of personal involvement with metaphysics, I've learned many things which have changed my life, and which I can now assist you with. I will teach you how to listen with your "Inner Ear" to advice that our loving guardian angels, spirit guides and spacebrother friends are so willing to give.

I will actually open you up so that you will become more "in tune," more "receptive," more "sensitive" to universal and Godly influences. I will show you how to become your own "Channel" so that you can be a radio receiver for divine inspiration and speak directly to your "Higher Self" like Edgar Cayce and so many other great sensitives since Moses have done.

I will lay before you in simple words and terms the proper methods, meditations, chants and prayers that will elevate your soul.

- I will teach you how to...
 - See an aura.
 - Draw upon the energy of others in a beneficial way.
 - Turn negativity into a positive force.
 - Develop sensitivity to all living things be they of the earth or above it.
 - Train to become a master of the oversoul or macro-microcosm.
 - Maintain spiritual power once you have obtained it.
 - Use your dreams for problem solving.
 - Grow in harmony with the great spiritual Earth Mother.
 - Journey to unseen worlds beyond space and time.
 - Work in the light of eternal brotherhood.

Yours in Love & Light,
BRAD STEIGER

- THE KEY TO MAN'S PAST HAS BEEN DISCOVERED -

Lana Corrine Cantrell's

THE GREATEST STORY NEVER TOLD

*A Scientific Inquiry into the Evidence of the Fall of Man
from a Higher Civilization in Antiquity.*

Fully documented, hardbound, over 800 pages with 63 b/w illustrations. Published by BOOKCRAFTERS. Date of release: June 30, 1988. The author is a member of the: American Association for the Advancement of Science, American Institute of Biological Sciences, American Holistic Medical Foundation, Paleopathology Association, and the Ancient Astronaut Society.

The first in-depth, scholarly study which employs the natural sciences to uncover the hidden past of man, discovering that we did fall from a higher civilization just as ancient texts tell us. Conventional historians, unschooled in the life sciences, have misconstrued and falsely represented mankind's past history. By using these diverse sciences, a completely different interpretation emerges and suddenly our many mysteries about man and his role in the universe, both physically and mentally, now makes sense.

This is the first major investigation that unravels the actual history of the 'Gods', our forebearers, who left a legacy to man that has kept him in a shadowy veil of ignorance through time. Our ancestors did not come from space nor did they evolve in apeish forms on the savannahs of Africa, but here on a highly developed earth. This intense study reveals the struggle of our ancient ancestors as they lost a universal war and their subsequent travails, and how we, their descendants, were left here to struggle. This book discusses why we behave and react to the world as we do and how we may overcome our many problems. It also examines the physiology of the 'Gods' as the ancient texts describe them and the impact this has upon the mysteries of the human body. **This is the boldest, most critical examination of mankind ever undertaken.** with critical essays on many issues from the feminist movement to religion as they all have their foundations in these archaic times. There is no resorting to sensationalism or metaphysical disciplines, only scientific deduction through the use of paleopathology, embryology, scitology and other sciences. Discover what philosophers and scientists from Cicero to Einstein firmly believed in.

We will learn who the patriarchs of the Bible really were, one of the most shocking of these revelations, and we will see how man has been led by this blindness which touches our every life experience. This is the first study to parallel the stories of the Egyptian, Sumerian, Indian, and Hebrew peoples, and through psychobiology and forensic pathology to deduce what exactly did occur and thus divides myth from reality. From the Garden of Eden to the total destruction of the ancient Middle East, this book unfolds the dramatic and tragic story of two opposing families locked in mortal combat to gain control of the earth and wrench it from the intruders to whom they lost it. **And, we shall learn why our people cannot return.** This book sets a precedent for the new field of the holistic historian who employs all the sciences to reach deductions and by thus doing so an entire new historical page to man has been unraveled by this procedure rather than the traditional, stagnant, narrow-sighted modes of standard historical research. The enigma of Man and his origins is over. . . .

THE GREAT PYRAMID SPEAKS

FIRST TO CAST SPELLS

In about 350 B.C. King Nechtanebo found the powers of magic to his liking. When his kingdom was attacked by land or sea he would fight his enemies off with wax figures, animating these "robots" with the breath of life, using a ritual taken directly from the Book of the Dead, which was a stone ledger containing the world's most powerful incantations.

Nechtanebo won his battles time and time again without losing any of his real Army. The early Egyptians knew the importance of casting spells for good and for evil. Now you can learn of the mysterious and forbidden rite of the resurrection of Osiris and the sacred Mysteries of ancient Egypt and how they operated. Understanding these Mysteries enables a person to atone himself with the Heavens and experience spiritual bliss, which apparently only a few great philosophers such as Plato have understood and dared talk about.

PHARAOHS CONTACTED GUARDIAN ANGELS... YOU CAN TOO!

Excavators in Egypt have found both stone and wooden images of

unknown entities in tombs right alongside mummified remains. Many knowledgeable researchers steadfastly maintain these images are of the Pharaohs' guardian angel, said to be a supreme mover, a power, or force which enabled the leaders of Egypt to make their way to the spirit world without obstacle.

In THE GREAT PYRAMID SPEAKS you will find the exact name given to this special angel, and how if you chant its name repeatedly, it is said that you will receive all that you ask

MOSES — MOST FAMOUS INITIATE

While only the most scholarly of Biblical students may realize the fact, the truth is that Moses was half Hebrew, half Egyptian. As verification, the New Testament says, "Moses was instructed in all the wisdom of the Egyptians." What that statement means is that the deepest wisdom were laid open to him, and he was taught that which was forbidden for most others to know.

ATLANTIS AND THE ANCIENT ASTRONAUTS

There remains one great mystery about Egypt which has never been solved. It is the sudden blossoming of civilization. Researchers know that around 3100 B.C. the Egyptians

were still a primitive people. Then quite suddenly, about 3000 B.C., an advanced civilization sprung up almost overnight, a civilization that only 100 years before had used the most primitive of tools, but were now responsible the construction of the Great Pyramid which remains an architectural marvel.

THE GREAT PYRAMID SPEAKS answers these nagging questions:

- Was this development inspired by God?
- Did members of a super race from the lost continent of Atlantis, visit with the Egyptian high priests?
- Were the Egyptian leaders guided by visitors from another planet?

Among the burning evidence for these theories is the recent research conducted by an outstanding Soviet scientist who says he has concrete proof that extraterrestrial visitations took place during the reign of the early Pharaohs.

A TIME CAPSULE UNDER THE GREAT PYRAMID?

Many famed psychics who have lived in different countries—and in totally different cultures—have repeatedly stated that important information lies buried under the Sphinx as well as the Great Pyramid... information about the future of mankind and whether the human race will survive the atomic age.

Also, according to Edgar Cayce (the Sleeping Prophet of Virginia Beach), buried in a time capsule in a sealed vault beneath the great pyramid is the historical records of Atlantis, as well as unidentified mummies, gold artifacts, precious stones, as well as surgical instruments which could be of medical use today. There may even be, declare others, the secrets to how levitation can be accomplished, and how humans can live for extended periods of 1,000 years.

BONUS DARE YOU OPEN THE TOMB OF THE UNKNOWN MUMMY CONTAINING THE SECRET PROPHECIES OF THE PHARAOHS

Recently a series of startling prophecies were translated from hieroglyphics found on an unknown mummy's case deep inside the Great Pyramid. The actual origin of these predictions is unknown, though those who have seen the mummy's casement say it is highly unique, and totally different than any other so far discovered. They describe it as being hot to the touch and very hypnotic so that you cannot pull your eyes away. Researchers are also amazed at the size of the mummy that must have been buried within (the corpse is now missing), since the mummy's case is over eight feet long, indicating that the body that inhabited this death chamber must have been massive, unlike most of us born on earth. Now, for the first time, we are able to reveal the contents of these stunning predicts smuggled out of Egypt which were made thousands of years ago, but which deal with events of today and the immediate future. Since these prophecies may be highly traumatic to some who read this book, we have decided to place them in a special sealed chamber so that the weakhearted will have to break a seal in order to see what the future holds for us according to the masters of ancient Egypt.

WILL THE CROSS OF JESUS BE CRUCIFIED ON BE FOUND BENEATH THE PYRAMID?

Diane Tessman, a San Diego based minister who had repeated contacts with space beings since the age of seven, has received a wealth of data from her spiritual guides concerning the Great Pyramid what will eventually be uncovered underneath the desert sand in Egypt. The blonde-haired sensitive is able to receive telepathic messages from all sorts of highly evolved entities working on our planet under God's direct command. These entities (many of whom are invisible to the human eye, but can be sensed by those who are cosmically aware) have arrived here at this time to try and push the planet forward on the spiritual scale; earth currently being among the lowest on the evolutionary ladder in the entire universe.

Much of this information which Diane Tessman has "channeled" is of particular benefit for those who seek knowledge which has long been suppressed. In THE GREAT PYRAMID SPEAKS, Diane's ethereal contacts reveal the startling fact that the cross which the Almighty Jesus was crucified on is buried beneath the Great Pyramid and will be found within our lifetime as proof He will return.

MYSTERY OF A SPACE SHIP

In addition to the cross of the crucifixion, beneath the pyramid is also said to be a gigantic spacecraft which though dormant, now, will eventually be activated, and will be responsible for removing people from this planet in case of a global catastrophe. Diane reveals the newsmaking fact that the Israeli government, as well as its opposition forces of the Arab nations, know all about the existence of this spaceship, and are fighting for a lot more than oil in the Middle East—they are fighting for possession of this doomsday craft which can take their rulers to safety should we ever blow ourselves up.

GOLDEN OPPORTUNITY

It is impossible to list all the startling disclosures to be found in UFO REVIEW's latest release. THE GREAT PYRAMID SPEAKS is a very special book that is meant just for a select few.

All you have to do to order your copy of this amazing volume is fill out the order form below. REACH OUT TO OTHER DIMENSIONS WHEN YOU WEAR YOUR AMAZING "TELECRYSTAL"

NEW

Mystics have long believed that crystals could be used as "healing stones." UFO contactees have always worn crystals because they said it enhanced their telepathic ability and enabled them to operate as a more receptive and open channel with the Space Brotherhood. Ashtar, Commander-in-Chief of the Free Federation of Planets has said: "Wear the crystal at all times." Now you can find out for yourself what the crystal can do. In the book PROJECT WORLD EVACUATION by Tuella we are told that all light workers will be given a specially attuned crystal once aboard the evacuation mothership, and that crystals will power all forms of surface and air vehicles in the New Age. The "TELECRYSTAL" is the most powerful of crystals. We have a limited supply and now you can own your own. Comes complete with sturdy chain as well as a beautifully channeled message from "Crystal Love" who dwells in another solar system in a place called "Mirrored City."

Crystal, chain and special channeling sent by first class mail for extra protection. Total price \$17.50 Send now to:

DATA BEAMED DOWN INTO TINY CRYSTAL
NEW YORK - RCA Corp. said its researchers have developed a method of storing photographs, drawings, maps, statistics and computer data in a tiny crystal smaller than a sugar cube.
The system, which is still in the research stage, uses lasers to permanently implant images inside a new specially developed crystal, RCA said. The images are then read out by slowly rotating the crystal in a laser beam.
The company said the system theoretically could store a trillion bits of information in a cubic centimetre of the crystal.
