INVITATION TO OUR NEXT GIG

As most readers of this magazine already realize, publisher Tim Beckley has been involved with UFOs and the supernatural since he was very young (he had his first UFO sighting at the age of ten and was raised in a haunted house). But perhaps, above all else, he is to be respected for being one of the few individuals in this field to actually keep his feet on the ground, while at the same time being preoccupied with the heavens. He has been able to keep his various publications going—including a rapidly expanding book publishing company—even in the face of constantly rising postage rates and a seemingly never-ending recession.

Tim is also the only person I know of who can put on a successful New Age/UFO Conference at the level where he can get people as diverse in their opinions as aviation ace John Lear, abductee Betty Andreasson Luca, and evangelist Dr. Frank Stranges. Few people are able to get the support that Beckley does from such a wide—often highly diversified—group of speakers, authors and the public at large.

In San Diego this past March, for example, he sponsored the second annual National New Age and Truth About UFOs Conference, which featured the likes of Alfred Bielek, survivor of the Philadelphia Experiment; Jim Moseley, editor of *Saucer Smear*, who was Tim's inspiration as a teenager and from whom he learned a great deal about promoting such events; Brad and Sherry Steiger, who always stun audiences with their awareness of the entire spectrum of the paranormal (who else could take us on a Cosmic Vision Quest or through the rigors of the Divine Fire?). And let's not forget about the always-controversial William Cooper, whose tales of the Secret Government always attract an overflow crowd; or channel Robert Short; Larry Warren, witness to the UFO landing at Bentwaters Air Force Base. Or expert photo analyst Jim Dilello; Healer Sandra Michael; David Jungclaus, networker for the Space Brotherhood; Shurula Dux from the city beneath Mount Shasta, as well as a host of others who have become close friends over the last few years.

For all the "old timers" out there who have been to prior conferences, we say "hello" and hope to see you in Phoenix September 18-21, for the fourth annual **NATIONAL NEW AGE & ALIEN AGENDA CONFERENCE**. For those who have never had the opportunity to experience such an event first-hand, we offer this official invitation for you to join us at our forthcoming

EXCLUSIVE WEEKEND SEMINAR AT “AREA 51”

Located approximately 130 miles from Las Vegas, **AREA 51** is the military complex that houses the famous “Top Secret **DREAMLAB**” spoken about by Bob Lazar and others. It is where the government has been testing strange aerial devices utilizing an unknown propulsion system (anti-gravity). Some say these discs are based upon alien technology and that a group of ETs are actually living at the base cooperating with military intelligence. Hundreds of sightings have been recorded here (see William Hamilton's book, **COSMIC TOP SECRET** and **POPULAR SCIENCE** for December, 1991), and that UFOs can be seen frequently by those who patiently come to observe.

William Cooper's seminar will begin Friday evening at 8:30 PM with a get-acquainted social and the weekend long program will include hours of confidential new information with slides and videos and a skywatch on Saturday night that will last into the early hours.

TRAVEL & LODGING INFORMATION

Limited lodging is available at the Little A'Le'Inn (phone 702 729-2515) or “down the road” 50 miles away at the Meadow Lane Hotel at Alamo, Nevada (725-3371), or when they get full 65 miles distance at the Caliente Hot Springs Motel (726-3777), or Shady Motel (726-3106). Great home cooking and a full bar is provided by Pat & Joe Travis, owners of the Little A'Le'Inn (not included in price of seminar, but very moderately priced). You're welcome to bring RVs, tents or sleeping gear if you desire to camp. The drive takes over two hours from Las Vegas. Those flying into Vegas may rent cars and organize car pools to share driving and expenses. If you wish to do this or are willing to drive out folks from Vegas and surrounding areas, please include your daytime and evening phone numbers so we can share with others. A full schedule and detailed map will be provided to those registering for the seminar.

NOTE: Pre-registration is required as seating is very limited so let us hear from you ASAP. This is a weekend you are never going to forget!

MYSTERIOUS CRASH OF HELICOPTER AT AREA 51

POWER LINES SUSPECTED IN TEST SITE COPTER CRASH.
Worst accident ever: The Test Site has never suffered a greater loss of life in its 40-year history.

by Tim Dahiberg (Associate Press—Las Vegas office). From *Reno Gazette-Journal*, July 26, 1991.

Investigators from three federal agencies converged on the Nevada Test Site Thursday to probe the wreckage of a security helicopter crash that killed five people at the top-secret nuclear facility.

Two pilots and three security guards died when the Department of Energy helicopter crashed Wednesday night in rugged terrain on the sprawling testing range about 110 miles northwest of Las Vegas.

Initial indications were the helicopter may have struck power lines and crashed, but DOE spokeswoman Karen Pandolph said an official cause had not been determined. Persons on the site reported a power surge at the time of the crash.

"There were power lines down next to it," Randolph said. "Whether it hit the power lines and went down or the lines went down because of the crash we don't know yet."

The deaths were the worst single accident in the history of the 40-year old facility, where's the nation's-nuclear weapons are exploded in periodic underground tests.

Investigators from the DOE, the Federal Aviation Administration and the National Transportation Safety Board were all taking part in the probe, said another DOE spokesman, Chris West.

West said the victims were on a routine surveillance flight when the Messerschmitt BO-105 helicopter went down shortly after 9:15 pm, about 20 miles from where it took off.

The pilot checked in for a scheduled radio contact at 9:15, but did not make one at 9:30, West said. Planes from nearby Nellis Air Force Base were called in to assist in the search and burning wreckage was spotted about two hours later.

Killed were Glenn W. Ewton, Jr., 54, and Dennis J. Longman, 48, both pilots aboard the plane. West said it was not known which man was flying the craft.

Both were employees of EG&G/Energy Measurements Inc., which works under contract to DOE, and both had more than 20 years experience in flying helicopters.

Questions that should be asked about this case:

1. There were two pilots and three security guards that were killed in this helicopter crash. Why was there so many security guards on board this helicopter?
2. It was reported that the helicopter hit some lines after leaving their base. I have been in the area doing field research and I saw no power lines, but there are some telephone lines. I think that they (the spokespersons) are reading from a prepared statement that has been already authorized by higher officials.
3. It was reported that this was a routine surveillance flight, but it was first reported over the radio as a night navigation training flight for the pilots.
4. Why was the crew flying a Messerschmitt BO-105 helicopter? I know that the military must have hundreds of Huey helicopters that are not being used from the Vietnam era. Was this helicopter a new kind of "Blue Thunder" aircraft with the latest technology on detecting, locating, and identify any objects by either heat or movement?
5. The newspaper story stated that the helicopter took off about 20 miles from its base, but failed to mention the name of the base; was it Area 51?
6. The helicopter pilot called in at 9:15 pm, but not at 9:30 pm. Why was the pilot instructed to call-in every 15 minutes? Does the helicopter have a black box and if so was it recovered?
7. All three governmental agencies involved in this crash will probably be told what to say to the media or the public. Right now it's "too" hot to handle at this time and within one or two months the media as well as the public will probably forget about the whole thing.
8. The Nellis AFB was notified about this crash, but their pilots (some of the best in the world) could not find a burning helicopter during the

night until two hours later? A lot of things can be done in two hours. Some of the things that could have been are as follows:

- a. Have their back-up security team removed all the special equipment and bodies.
 - b. Have their heavy-duty helicopter (such as a Chinook, Flying Crane, or Huey) carry the damaged helicopter to another location. Away from the Area# 51 base.
 - c. Make sure that the new location has power lines in the area, so that the investigating team can make out their report and take photographs.
 - d. This kind of "accident" is probably covered in their base procedures (Area #51) in case of any of their helicopters had happened to crashed near the base.
9. Why were only the pilot's named and who they had worked for, but nothing was mentioned about the three security guards names and who they had worked for?
 10. There are probably two ways that this accident could have happened and they are as follows:

- a. 9:00 pm—The security umbrella system detected a vehicle and/or some personnel entering the restricted zone that was not authorized.

9:10 pm—The pilots and the security alert team boarded the helicopter and took off to check out this violation.

9:15 pm—The helicopter pilots call in to tell the base control that it's now over the area. The security team turns on their powerful searchlight and observes one vehicle with some personnel nearby. The security team, over their loudspeaker, informed the ground personnel not to attempt to leave the area until the helicopter lands. The men on the ground started to run to their vehicle and at this time the security guards fire their weapons as a warning not to move, but the men on the ground felt threatened by these warning shots from the security guards and fired back for their own protection. The helicopter received some hits from the ground fire and damaged the rotating blades, that caused the crash of the helicopter and the death of its five crew members.

- b. 9:00 pm—The security umbrella system detected an unknown flying object in the sky that was in a very low altitude and heading toward their base.

9:10 pm—The pilots and the security alert teams boarded the helicopter and took off to check out this low flying unknown object.

9:15 pm—The pilots called in to inform base control that they now see this low flying object ahead of them and will try to get a closer look on what it might be. The security guards turn on their powerful searchlight, but the unknown flying object might have felt threatened by this type of action by using the searchlight beam on them and decided to destroy the helicopter. It might be possible that they (the occupants in the flying object) thought the searchlight beam was some kind of weapon or laser beam.

11. Why was it mentioned in the newspaper that this accident happened at the Top-Secret Nuclear Facility, when the whole world knows about this kind of nuclear testing? Could it be possible that the reporter was actually writing about the Area# 51 base without realized what he was doing?

It has been reported to me while I was doing some field research in the area, that some of the local residents have encounter some strange lights in the sky at night and when the lights came closer to them the residents could not recognize the aircraft's shape or its design. When I asked them if they ever reported these incidents they stated they did not because of not wanting any government officials, the Lincoln County sheriff personnel stopping by their homes to question them or sign any documents. They also didn't want their friends or neighbors laughing at them over these incidents, so they just forgot about the whole thing until I had asked a few questions.

I realized that some of the above questions or theory may not justify any up-date report, but what *IF* something like this did happen. There is always a big *IF* in life and to hide something like like this is *NOT* in the best interest of this country. I guess that only time will tell us the whole truth about all of these reported UFO sightings.

Bill Cooper is a former U.S. Naval Intelligence Briefing Team member. His military career began with four years as an aircraft and missile pneudraulic technician with the Strategic Air Command of the U.S. Air Force. After this he entered the U.S. Navy, where he initially served on submarine duty. It was on the USS Tiru that he experienced, with four other crewmen, his only UFO sighting. He was trained by Naval Security and Intelligence and served in that capacity in Vietnam. There he was a combat patrol boat captain, where he earned several medals.

He was eventually transferred to the Intelligence Briefing Team of Admiral Clarey, the Commander-in-Chief of the U.S. Pacific Fleet. During this duty he had to review material higher than Top Secret, thereby obtaining personal knowledge of UFOs and extraterrestrials, the real facts about the Kennedy assassination, where drugs really come from and why we can't get rid of them, who the intelligence community really works for, and the facts about the Secret Government.

Bill has held positions of National Marketing Coordinator for United Education and Software; Executive Director of Adelphi Business College; Executive Director of Pacific Coast Technical Institute; and Executive Director of National Technical College.

IS IT TRUE?

The Underground World of Supermen Discovered by Admiral Byrd ...Under the North Pole...and Kept Secret by the U.S. Government!

Many noted scholars say that the true home of the flying saucers is a huge underground world whose entrance is at the North Polar opening. These experts believe that in the hollow interior of the Earth lives a super race that wants nothing to do with man on the surface. They launched their flying saucers only after man threatened the world with A-bombs.

Admiral Byrd, says sources quoted by the author, led a Navy team into the polar opening and came upon this underground region. It is free of ice and snow, has mountains covered with forests, lakes, rivers, vegetarian and strange animals. But the

CAN YOU EXPLAIN THE FOLLOWING

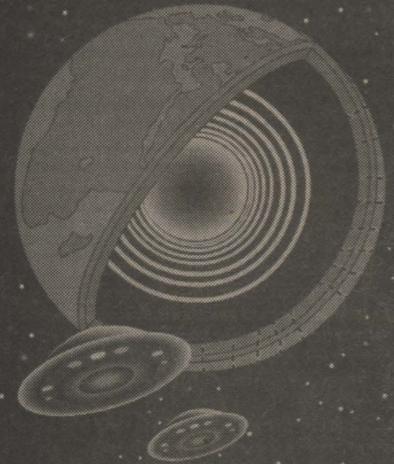

- Why does one find tropical seeds, plants and trees floating in the fresh water of icebergs?
- Why do millions of tropical birds and animals go farther North in the wintertime?
- If it is not hollow and warm inside the Earth at the Poles, then why does colored pollen color the Earth for thousands of miles?
- Why is it warmer at the Poles than 600 to 1000 miles away from them?
- Why does the North Wind in the Arctic get warmer as one sails North beyond 70° latitude?

news of the discovery was suppressed by the U.S. government in order to prevent other nations from exploring the inner world and claiming it.

In Tim Beckley's new book, *Subterranean Worlds Inside Earth*, discover this subterranean world and meet the civilization that occupies an underground area larger than North America! Beneath the 800 mile crust of the Earth is the greatest discovery in human history, inhabited by millions of super intelligent beings. WARNING: NOT FOR THE WEAK HEARTED!

ANCIENT UNDERGROUND RACE WAGES WAR ON SURFACE DWELLERS "DEROS" USE DEADLY RAYS & MIND CONTROL APPARATUS DIRECTED AT HUMANS FROM VAST SUBSURFACE CAVERNS BENEATH ALL MAJOR CITIES

By TIMOTHY GREEN BECKLEY

Author, *Subterranean Worlds Inside Earth*

Over the years, I have had the opportunity to break through the veil of secrecy surrounding many "hidden subjects," which normally do not receive any treatment in the daily news media.

For several decades I have been collecting a vast storehouse of material relating to the existence of a subterranean world which many experts sincerely believe exists beneath our very feet, kept hidden by the military and the scientific community for a variety of reasons—the least being that they have established an ongoing agreement with some of these entities, who are by no means benevolent in their feelings toward surface dwellers, coming here to sack the planet of its richest as well as carry off humans for a variety of experiments.

THE LITTLE PEOPLE

Though some may know them as aliens, in Irish folklore, they're called Leprechauns; among other nationalities they are known as fairies or elves. Shaver called them Dero, but not all subsurface dwellers are hostile. There are additional isolated groups throughout the world who seldom make contact with us. In the Peruvian Andes they are called "Muquis;" in Germany, "Kobolds!" in the Malayan tin mines, "Chong Fux;" and in England the Tommyknockers. In Brazil many tunnels are said to lead to quite beautiful looking descendants of early groups who were not affected by the radioactivity pouring down on Earth when atomic blasts from the raging wars on Atlantis caused holes to be poked in our atmosphere—resulting in many surface dwellers moving underground where they were met by beings from other worlds who established bases there so that they could not be easily detected.

FANTASTIC & BIZARRE TALES

Here are authentic stories and tales told by explorers, miners, prospectors and others who have stumbled upon this hidden world beneath our feet (including below such major cities as New York, Chicago, Boston, Toronto, Los Angeles and Portland).

• "Mr. X's" harrowing escape from a fiendish being with a bird-like tail dwelling in a "Haunted Mine" in the Southwest.

• The disappearance of Col. Fawcett while in search of a "hidden city" in the jungle.

• The existence of the "Jersey Devil" said to roam the shoreline on rain soaked nights.

HORROR OF HIDDEN WORLD EXPOSED!

Richard Shaver was working at the original Ford plant in Highland Park, Detroit, Michigan, when he underwent a strange personal experience that was to have a devastating effect on his life.

In his own words, Shaver says he was operating one of the welding guns when he began to hear strange voices. "I knew what was in my friend Bill's lunch box, which girl Bumpy was going to take out that night; the girl Hank's mother was planning to give his wife. I knew what the bosses upstairs were griping about; I heard everything I didn't want to hear all over the factory because that welding gun—by some freak of its coil's field attainments—was acting not as a radio, but a teleradio: a thought augments of great power which enabled me to hear the thoughts of others."

With the ability to "read" minds came a great deal of mental pain as Shaver began to eavesdrop on that which he should not hear. "There was cursing and torture going on around me and I could sense great evil." Little by little, Shaver realized the thoughts he was hearing didn't belong to just ordinary people, but was the torturous activities of a race of demented beings he called "Dero" who were living in caves underground, kidnapping humans and turning them into slaves for their own sadistic purposes.

Wishing to get his discovery off his chest, Shaver wrote a letter to Ray Palmer, a pulp science fiction magazine editor, who, realizing the sincerity of Shaver's words, rushed into print with his maddening story. In the months that followed the magazine received over 50,000 letters from its readership claiming that they knew what Shaver had revealed was the shocking truth because they had uncovered "certain facts" themselves. They too heard voices. Saw strange things. Witnessed "flying saucers" (believed by Shaver to be craft operated from underground bases) and knew that the Dero were using ancient and mind control devices to cause death and destruction wherever possible.

HOLLOW EARTH THEORY

Many great explorers believed that the Earth was actually hollow and that entraceways could be found at both the North and South Poles, leading to an inner world complete with its own sun. Through ridiculed in recent years, there are some who may know the real truth about this theory, including the late Admiral Richard E. Byrd, who traveled to a beautiful world beyond the Poles where he encountered a race of giants endowed with super intelligence

Richard Shaver told of dreaded underground race known as Dero.

(Hitler may have even known of their existence.)

In this, my latest book, I have gone through literally thousands of sources to give you all the proof and evidence for the existence of such a Hidden World. Though it is a frightening subject to many, it is a topic that should be openly discussed as the secrets of the Inner Earth may well provide us with clues to our very existence and the ability of our planet to survive in the days to come. I hope you will have the courage to join me on this voyage to lands and worlds long since erased from our minds.

Exposed! The Greatest Cover-Up In History

Mark Harp

What if the second most profound scientific discovery of all time also happened to become the single biggest government cover-up in history?

Would the public feel cheated and betrayed by their leaders? Yes, they would feel that way, although the political leaders probably have valid reasons for withholding some information from their citizens. My opening question is not rhetorical: that is precisely what happened in 1913. An American researcher-writer named Marshall Gardner "stumbled onto" the realization that not only is our Earth undeniably hollow, but that the exterior and interior worlds can relatively "easily" be travelled between! There is an important difference between the very popular novel of the famous French adventure writer Jules Verne's *A Journey to the Center of the Earth*, and Marshall Gardner's *A Journey to the Earth's Interior...or Have the Poles Really Been Discovered?* The former is an interesting work of fiction, while the latter is a document of incontrovertible fact, which I will now proceed to demonstrate.

The man who made this monumentally significant contribution to science was a native of Aurora, Illinois and his book was published by the Eugene Smith Company, first in 1913. In 1920, Gardner expanded his book to 450 pages. He had spent years investigating matters of Polar exploration, as well as an extensive study of astronomy. In so doing, he was drawn inexorably to solving the many mysteries associated with the Arctic and Antarctic regions, and consequently he also discovered the great truth about the configuration of the planet. So compelling was the case Gardner developed, that he sent copies of the original 1913 edition of his book to several heads of state, including President Woodrow Wilson. What follows is a comprehensive summary of the proof that the Earth is primarily a hollow sphere with a very thick shell.

The two principal factors that demonstrate that something besides just gravitational squeezing was involved in determining our planet's structure are these: One, after traveling hundreds of miles north, through the very harsh and bitterly cold conditions that exist in the Arctic, explorers observe a very unexpected thing—the climate gradually begins to reverse itself, eventually culminating in a land completely free of ice and snow and—if far enough north—temperatures as high as 70 degrees above zero. Where before they had journeyed for months over a jumbled mass of broken and shifting ice packs, eventually the explorers found themselves sailing on a seemingly limitless open warm sea or sledding to a point beyond which the blades can no longer move.

The snow is gone. Instead, it has gradually been replaced by fields of grass and weeds, a land in which it is often difficult to sleep because of swarms of flies. Daytime encounters with bees and butterflies become commonplace.

Two, the well-known but completely misunderstood phenomena known as the Northern Lights and Southern Lights or the Aurora Borealis and the Aurora Australis are not what the government has always claimed they are electricity. What exactly have we been told causes these beautiful and "mysterious" dancing displays of polar lights? In every government-sponsored publication in which this subject is mentioned, the ambiguous "explanation" generally states words to this effect: "caused by the electromagnetic interaction between the Earth and the Sun."

To refer to such a remark as vague is not to describe it accu-

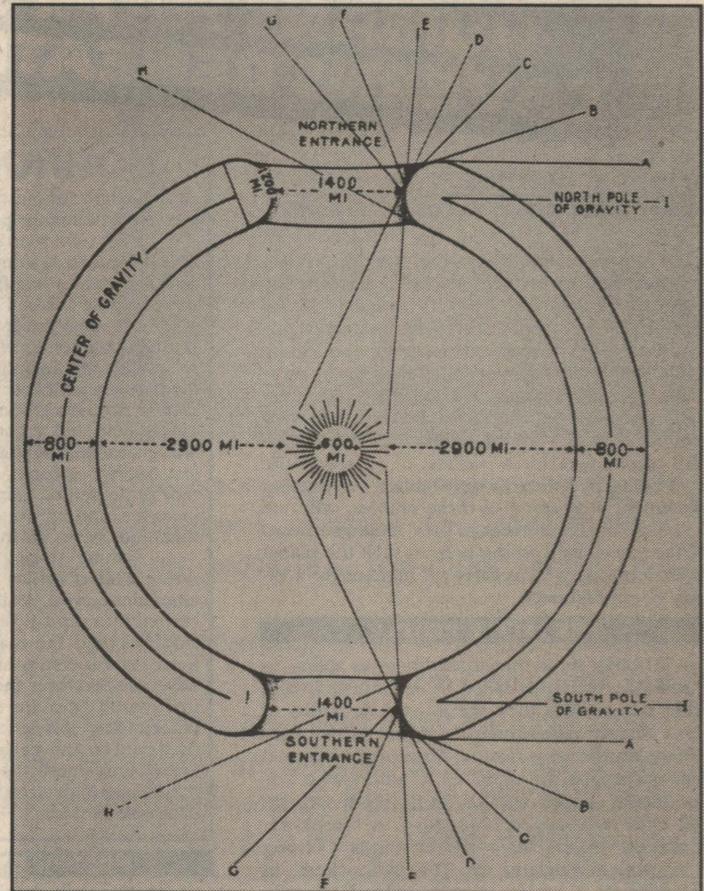

Diagram showing the earth as a hollow sphere with its polar openings and central sun. The letters at top and bottom of diagram indicate the various steps of an imaginary journey through the planet's interior. At the point marked "D," we catch our first glimpse of the corona of the central sun; at the point marked "E," we can see the central sun in its entirety.

ately, for indeed it is actually a deliberate lie and has been since at least 1913, possibly even earlier. The Auroras are positively not electricity—there are numerous records that show that they have *no affect* on compass needles or electrometers! Every explorer who has recorded his observations regarding these lights has been surprised to note zero response from the compass needle in connection with often dazzling displays. More about the polar lights later.

Why did the Earth acquire a hollow structure with immense openings at each pole and an interior sun in the exact center? Once Gardner figured out the missing ingredient in previous speculations about the origin of the Earth, his whole magnificent discovery came together as perfectly as a jigsaw puzzle. What other theorists had over-

looked was Centrifugal Force. All that usually was discussed in writings about how the planet was formed was Gravity.

The basic idea was like this: The original very hot and very large ball of cosmic gas that was eventually to become the Earth started to cool and contract awhile after the Big Bang got everything started. So after a million years, more or less, this sphere had finally cooled off

and shrunk down to a solid ball of approximately 8000 miles in diameter, just as it appears today. The big problem with this otherwise fine theory is the fact that it neglects to mention the other important ingredient in the planetary recipe—Centrifugal force. After all, this large and very hot ball of gas is not standing still. It is spinning. And we know what that necessarily implies. Or, at any rate, Gardner certainly knew what it implied—Picture, if you will, the huge ball rapidly whirling cosmic gas in space.

Like an ice-skater who begins spinning much more quickly when he pulls his arms tight against his body, this planetary nebulae was spinning faster as it contracted. So while Gravity was attempting to pull all of the material toward the center, it was being powerfully opposed by the Centrifugal Force, which was trying to hurl most of the material outward into space. Gravity won only a compromise. The material did eventually harden into the shape of a sphere and a small amount of the substance did get pulled into the exact geometric center (where to this day it continues to radiate heat and light), but Centrifugal Force succeeded also. Mostly the interior of the Earth remained hollow and the polar regions never managed to seal over.

As simple illustrations of the Centrifugal Force, it is interesting to note the result of allowing water to swirl down the drain of a tub. There is that same principle in action—a vortex or hollow space surrounded by the spinning material. As demonstration of the other place where “C” Force is also weak (besides at right angles to the direction of spin, the poles). If you were to sprinkle a layer of powder on a record album and turn the player on at high speed, what would be the outcome? A substantial majority of the powder would be hurled away—except for

Though chosen to share the 1912 Nobel Prize in Physics with Edison, Nikola Tesla refused the award and during his life tore up royalty contracts that would have earned him millions of dollars. Tesla held more than 1200 patents and yet he is one of the most mysterious men who ever lived. Though he is not mentioned in most textbooks and is virtually unknown to most Americans, Tesla actually discovered Alternating Current, produced the first electric motor, invented the radio (he preceded Marconi by several years), and the arc light, broadcasted the first television signals, and even created an earthquake that virtually rocked Manhattan in 1896. The device that shook buildings and shattered windows for miles was an apparatus so small it could be placed in a person's pocket. Later, before his passing, Tesla stated that this device was so powerful it could prevent a Third World War.

Not very much is known about this “strange loner,” as Tesla spent most of his life in total seclusion. However, those who did know him even slightly say he was not a normal human, but a real SUPERMAN, either a reincarnated master—or a spaceman with superior mental powers placed here to

NEWLY REVISED EDITION—MAY 1992

The Rampa Story

1.

- Here in this dynamic best seller, Tibet's most profound mystic reveals the true nature of all living things, and his attempts to bring his message to a world who—for the most part—refuses to listen.
- Here are the secrets never before revealed about Life After Death—Ways to Astral Project—Finding out Who You Were in a Previous Life.
- Learn of insights into the Akashic Records and their tie-in with Karmic Law.
- In **THE RAMPA STORY** you will journey with the author to unexplored dimensions and realms where he encounters a variety of spiritual teachers and adventures with supernatural entities. Rampa is a Shaman whose powers go beyond those of mortal humans. Size: 6x9—224 pages—\$12.95

His Powers Are Unsurpassed in the West

Rampa's books have sold over 15 million copies throughout the rest of the world, but have successfully been CENSORED in the United States. In cooperation with Rampa's estate, INNER LIGHT plans to bring out the Lama's collective works (some 25 titles) at the rate of one approximately every other month. The following titles are NOW available.

2. THE HERMIT

The cave which just moments before had been pitch black was now filled with excessive light and suddenly the old hermit—who had been blind for countless years—could see. Before him stood The Wise Ones—majestic beings with brilliant auras, perfect in nearly every way. Escorted into their bizarre (to him, anyway) craft, the Hermit was flown into space. Before him on a giant screen were flashed scenes of the seeding of Earth by the Creators; a fierce battle in the depths of space between Satan and God's Forces; the truth about all religions; the years Christ spent in Tibet; the Great Flood; the arrival of the Gardeners (their history goes back millions of years) from space.—\$12.95

3. MY VISIT TO VENUS

"Tibet," says Rampa, "is the most convenient country for flying saucers. It is remote from the bustle of the everybody world, and is peopled by those who place religion and scientific concepts before material gain. Throughout the centuries the people of Tibet have known the truth about flying saucers, what they are, why they are, how they work, and the purpose behind it all."—\$9.95

4. DOCTOR FROM LHASA

At the age of seven the Day of Prophecy arrived, and the court of astrologers pronounced their findings. It was proclaimed that Rampa was to enter the lamasery to be trained as a clairvoyant and as a healer. Many predictions were made about his life, including the fact that his work would be heralded around the world. While still very young, the author's Third Eye was opened, increasing his mental powers, as well as his ability to view the human aura, and to read thoughts. This volume discusses karma, the other side of death, the silver cord, seership, crystal power, ghosts, as well as astral projection.—\$12.95

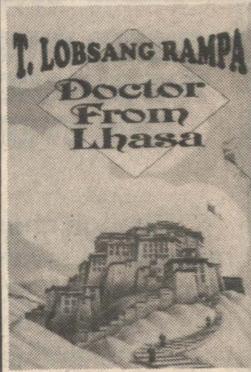

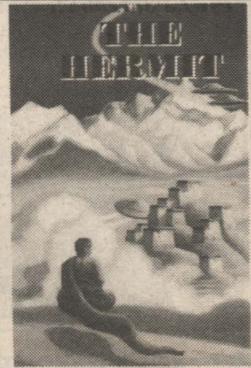

5. YOU FOREVER

Thirty metaphysical lessons designed for the reader to work at their own pace. Step-by-step methods for seeing the human aura, traveling in the astral plane. Learn to see clairvoyantly. Written in Rampa's usual warm, humorous and charming manner. A full 288 pages.—\$12.95

By special arrangement with Samuel Weiser, Inc.

6. FEEDING THE FLAME

As the author lay desperately ill in a hospital, he looked up with pleasure to see his old friend and mentor, the Lama Mingyar Donup, standing by his bedside. But it was with some dismay that he listened to the message that the Golden Figure had brought. Rampa's work on this plane was not, as he thought, completed...he was told that he could not as yet pass on to the next plane, but that he had more mystic truths to reveal to the world. Here is Rampa's observations on such intriguing subjects as Life After Death, Suicide, Meditation, Ouija Boards, Demons, the Astral Body, Organ Transplants, etc.—\$12.95

a portion at the precise center. That kind of example makes it very easy to understand the reason that a portion of the original planetary nebulae was forever to remain gravitationally held in the precise center of the Earth.

The portion of the original nebulae locked gravitationally in the middle of the Hollow Earth is referred to by Gardner as the Central Sun and its rays of light which occasionally manage to struggle through the usually thick cloud cover over the Polar Openings is the real cause of the Northern and Southern Lights. With Gardner's reasoning common sense is king. The Polar Openings are generally concealed by cloud cover because of the permanent merger of warm interior air with very cold Arctic exterior air. This accounts for the reason that the Auroras are only seen once in awhile rather than all of the time. It also explains why frequently when the lights are on display they are moving about in enormous streamers of beautiful multi-colored light; it all depends upon the various conditions that are present during the display, such as the thickness and shapes and movements of cloud masses in the interior as well as near the immense aperture. Besides the unassailable evidence that the Auroras have no association to electricity, as proven by numerous cases where even spectacular displays cause no movement of the compass needle, yet another consideration is this: lightning really is electric in nature and of course therefore it is also noisy. But the Polar Lights are *totally silent*.

According to Gardner's investigation of astronomer's reports on various comets and nebulae (often translucent, thereby revealing their Central Suns) his best estimation of our Earth's structural dimensions are as follows: Polar Apertures—1400 miles across, Earth's Crust—800 miles in thickness, Central Sun—600 miles diameter, Earth's whole diameter—8000 miles. As we can see, there is ample room in our interior sister world for continents and oceans just as we have on the exterior.

Evidence from our nearest neighbors: Mars and Venus. Many observatory records tell of remarkably large and swift changes in both the size and "reflectivity" of the alleged Martian Polar Ice Cap. flow could this happen suddenly and especially in view of the government's position declaring that "nowadays Mars is practically without a trace of water."? Also there are numerous records in observatory files which describe brilliant flashes of yellow light seen projecting from the so-called Ice Cap. Mere reflected light from the poles of Mars would be neither brilliant nor yellow.

So absurd is the government's attempt to ignore this natural planetary configuration that we even find then using the same lame "explanation" to account for brilliant yellow flashes of light seen emitting from the pole of Venus as they give for those of Mars. As inept as this scheme was to account for the situation on Mars, it is worse with Venus. In the case of Venus the official government position admits that the temperature there is "well in-excess of 800 degrees F." Quite a place to put an ice cap!

Back Down to Our Earth: In chapter after chapter, Gardner weaves a net of logic and common sense so powerful that the government from the beginning wisely adopted a strategy of utter simplicity—IGNORE. This policy has proven to be at least far more convenient than that which they had used to deal with the very well-known unidentified flying object (UFO) problem.

In the latter case the official strategy was to attack by means of claiming misidentifications of natural phenomena usually. And of course they *usually* were correct. The unfortunate part is that the government employed that allegation even when they were completely sure that it was *not* a misidentification of some ordinary object.

Here are some additional pieces of evidence summarized from Gardner's book: Whole trees bearing fresh buds have been found washed ashore on the northern coasts of many high Arctic islands, no deterioration caused by prolonged exposure to salt water as would be the case if these trees had come up from distant sub-Arctic lands. Icebergs are composed of millions of cubic feet of fresh water, not salt water. Such objects can have no other origin except outflowing interior rivers. Also many of these bergs are often found covered in varying degrees with pollen and/or dust. If this pollen and dust had come from anywhere except the interior over the vast gradual curve of the Polar Opening then why is it only found in the far north and not in lower Arctic regions? The birds of the very far north fly by the millions still farther north for their winter migrations.

The compass has been trying to tell us the great truth about the shape of the Earth ever since man first voyaged into Arctic waters. Instead of performing in a smooth reliable way and steadily leading explorers directly to the fabled 90 degrees, the needle begins to behave erratically after nearing the 83rd parallel. This fact has always utterly bewildered those who have travelled into the polar area. It is, however, explained perfectly and *only* by the fact that the planet is hollow and has Polar Openings leading into the interior. When allowed to register three-dimensionally by suspending the needle on an untwisted filament of silk, the now liberated instrument begins to move vertically in locations above 83 degrees of latitude—ironclad proof of its effort to seek the center of gravity midway "down" the 800 mile thick rim of the Opening!

On a purely circumstantial note, but fascinating nonetheless as it pertains to Gardner's discovery, are the journals of some of the pioneers of Arctic exploration that describe the astonishment of finding a race of people, the Eskimos, actually choosing to live in such a difficult climate. When inquiries were addressed to these people concerning where they came from originally, and primarily why, the explorers were told that they no longer really knew the circumstances that caused them to come there, but their ancestral tradition definitely stated that they originally came *from* a beautiful land far beyond the ice to the north.

"It is a land where the air is always warm and the sun never sets." Considering that we now have absolute evidence that such a world as the Eskimos described does exist, I can only say that their assertion is almost certainly does exist.

I can only say that their assertion is almost certainly true. At least there is no convincing alternative. Most of you have read of the huge elephants sometimes discovered encased in icebergs or glaciers and found to be in perfectly fresh condition. What an odd place to find an elephant. Shall we again ask for the official government position on yet another "mystery"? Okay, here it is: "Well, the Arctic used to be tropical and then something must have happened to make it cold." And why, may we ask, did not these shivering elephants simply "pack their trunks" and move south?

ANCIENT SECRETS TO BE REVEALED BEFORE TURN OF CENTURY!

THE AMERICAN INDIAN UFO-STARSEED CONNECTION

DO THE NATIVE
AMERICAN TRIBES
KNOW MORE ABOUT
UFOS THAN THE REST
OF US—INCLUDING
PERHAPS EVEN THE
GOVERNMENT?

Recently, an attempt was made to contact and communicate with the occupants of a UFO that had been observed time after time over Second Mesa on the Hopi Reservation in Arizona. Representatives of the news media gathered for what they considered to be another "human interest" story, not really expecting anything "out of the ordinary" to transpire. Suddenly, a bright object was seen hovering in the sky, and while it did not land those present went away convinced that they had witnessed a "miracle" in the form of a craft from another world.

When questioned, the "Wise Men" and Elders of the tribe expressed little skepticism over the incident, pointing out that their Native American tradition, included various legends relating to visitations to our planet centuries ago by space travelers who imparted their wisdom and technology to those who then occupied the land in a more civilized manner than the majority of us do today.

HOW DO THE INDIANS FIT INTO THE UFO PUZZLE?

There is evidence that these contacts between the Indians and the "Space Brothers" have continued down through the ages to this very day and that some of the ancient secrets now being closely guarded will soon be revealed to a stunned world. With chapters by some of the most astute writers on the subject (including Brad Steiger, Chris Warner, David Jungclaus and Jackie Blu), there is a growing belief among many that the Amerindians know more about UFOs than the rest of us—including perhaps even the U.S. government.

Edited by Timothy Green Beckley, **THE AMERICAN INDIAN UFO-STARSEED CONNECTION** covers a wide range of topics including the feeling among many psychics and those spiritually attuned that we are living in "troubled times" and that we may be about to enter the "Last Days" frequently spoke about. There is also a feeling among the "aware" that the Indians may lead us to a safe "New World" based upon their extensive contacts with extraterrestrials. Explored are many striking revelations and prophecies from the Hopis, as well as the truth about the Kachina spirits and their eventual return to our world. "There is," says Beckley, "a good reason why UFOs are so frequently seen over the various Indian reservations up to this very day!"

AMAZING CONTENTS

Here is but a partial listing of the various chapters and topics covered in this stunning new book.

■ AMERICAN INDIANS AND THE STAR PEOPLE

Researcher Brad Steiger traces the history of the Indians for centuries and finds that they have long had a tradition of contact with Star People and that these influences can be found in many of the legends of the various tribes, as well as in pictographs carved in caverns and on rocks throughout North America.

IS IT MERE COINCIDENCE THAT NUMEROUS UFO SIGHTINGS TAKE PLACE OVER SACRED INDIAN LAND?

■ SECRETS OF THE TOTEM

Every grade school pupil knows what a totem pole looks like, but not even the most educated grownup may realize the significant bit of symbolism to be found in the history of the Indians regarding these ancient wooden artifacts.

■ PLAYGROUND OF THE GODS

Is it a mere coincidence that a good number of UFO sightings take place to this day above sacred Indian spiritual places or over the various reservations? Do some Shamans still communicate with these Gods from other realms and dimensions and what is their message for humankind?

■ STAR GODS, HOPI REVELATIONS & THE MISSING SACRED STONE

What secrets are still held within by the Medicine Men of the Hopi and other tribes? What is the sacred meaning of the White Dove and the mysterious "Star Symbol" of the UFOonauts?

■ DO HOPI PROPHECIES HOLD KEY TO MYSTERIOUS ARTIFACT

Recently an amazing discovery of a mysterious artifact was made inside a pyramid. What is the connection between this artifact, the lost race of the Mayans, as well as Hopi prophecies to be fulfilled before the turn of the century?

■ HOW THE INDIANS CONTACT UFO INTELLIGENCE THROUGH DREAMS

ALL
NEW

Revealed—American Indians & The Gods From Outer Space

Not all UFO contacts need be made on a "physical level." For centuries the Indians have believed that one can enter another realm by dreaming, and this includes contacting the intelligence behind UFOs.

■ STRANGERS FROM ANOTHER WORLD

The Indians believe in many different worlds, some of them invisible to us under normal conditions. These worlds are populated by a variety of beings and creatures—including "little men" as well as Bigfoot. Here are numerous enchanting stories concerning these entities.

■ THE KACHINAS—REPRESENTATIVES OF THE GODS

The word "Kachina" reminds most people only of the small dolls or figures sold in souvenir shops throughout the western United States. Few realize that these dolls actually represent beings from another dimension that many Indians believe are soon to return providing to the world that there are other forces and more intelligent beings throughout the universe.

■ UFO STORIES OF THE NORTHWEST INDIANS

There are many abductions and contacts that can only now be told as well as many encounters of the Northwest Indians that are little known to those living outside the tribal towns. Here are the true tales of the modern-day Indians that go even beyond the legends of old.

■ VISION AT COURTHOUSE ROCK, SEDONA, AZ

One does not have to have Indian blood to experience a meeting with these hidden worlds well known to the Indians. A visit to Sedona's Courthouse Rock served as a transformational experience for David Jungclaus, and it can for anyone who goes on their own Vision Quest at such a Vortex.

VITAL INFORMATION

The material in this book took many years to compile. It contains over 110, 8 1/2 by 11 pages from the pens of many sincere researchers who have spent a good portion of their lives collecting this material. **THE AMERICAN INDIAN UFO-STARSEED CONNECTION** is a book that is important on many different levels. It is a must for serious students of UFO lore who are looking for little known historical references of space beings; to the New Age Light Worker seeking information on prophecies concerning the next few years, as well as those wishing to observe a little known cultural side to the Native American. For only \$2 a minute you can see an improvement in your life!

The NEW WORLD ORDER is destined to become the most important book of our time, a commentary on humanity and what can be done to end the pain and suffering that has encircled our globe. Some of those who have already read the twenty-seven messages broadcast to our civilization by Ashtar and those peaceful beings under his direct command, have stated that the contents of this book are "highly evolved," while at the same time being "most simplistic," just like the Ten Commandments given to Moses thousands of years ago.

Sharing a strong belief in the same God, and in the principles laid down by the Bible, these beings are able to see us as we REALLY are. Ashtar's philosophy will lift the hearts of all people. This is the only book able to offer a POSITIVE means by which we eventually will be able to join our friends among the stars in a bond of universal brotherhood.

NOW THE TRUTH CAN BE MADE KNOWN!

Despite censorship on the part of the government—and the governments of other nations—the reality of UFOs and ETs can no longer be kept a secret. Through their "messengers of light," the Space Brothers have made startling predictions regarding the following topics:

- In a World War there will be NO winner.
- UFOs monitor our radio & TV broadcasts on a daily basis.
- Folly of our political systems.
- The TOP-SECRET mission of the ETs.
- Spiritual development of mankind.
- The selection of the "Chosen Ones" to be removed from the planet in the event of a global disaster.
- The inside of our earth is inhabited.

• The physical changes our planet will undergo in the next decade.

• Many of the inhabitants of earth came from space in another incarnation.

• Upcoming earthquakes.

• The possible destruction of New York & California.

• Life aboard orbiting space cities.

• Meditation for lifting our vibrations.

• Space people will demonstrate their powers on a vast scale.

• Cities to turn into jungles.

• The coming of open relations between earth and other planets.

• Tapping into the universal forces of light.

• UFOs responsible for blackouts.

• Educational craft orbits earth.

• Using the rays of the sun.

• A wealth of plenty for all—no need to be poor.

• Negative beings have infiltrated the military & government.

• Precious minerals stolen from the earth by interplanetary pirates.

• UFOs—symbol of hope for humanity.

• No one in space to welcome "deserters," and earth's return to paradise.

• Teleportation and astral projection become common place.

• More assassination attempts.

• True meaning of "the beast" whose number is "666."

• A warning from Mars.

• Solar Star—healer for earth.

• Aura Raines—female pilot of a spaceship speaks her mind.

• There are those in the Universal Council who would like to intervene.

Several years ago a New York businessman went into a light trance. His facial expressions became more intense and his voice changed substantially. Suddenly, an entity identifying himself as "Ashtar—Commander in Chief of the Free Federation of Planets," started to speak. During the course of the next few minutes this alien being told about a wonderful NEW AGE he said earth should ready itself for. This highly advanced spiritual entity expressed concern for our way of life and said that there were thousands of extraterrestrials just like him who are willing to show us that a better way can be found to co-exist with one another and eventually come to live in total peace and harmony. These beings wish to be known as our SPACE BROTHERS.

CARRY A BEAUTIFUL SYMBOL OF THE NEW AGE

SPREAD THE WORD — JOIN THE LEGIONS OF LIGHT

Ashtar and the "Space Brothers" have repeatedly said that it is time we New Agers show our belief in the existence of more advanced life in space. As a special moment to coincide with the release of this important volume we are offering for a limited time only a beautiful medallion depicting the symbol of the New World Order—a rainbow with a flying saucer flying over it (see above illustration). This medallion can be worn, carried in your pocket or used as a key chain. Other "believers" will be able to spot you at a distance and the Space Brothers may even be able to pick up telepathically the fact that you have this in your possession. This medallion is not available anywhere else and is offered only to those who order a copy of Ashtar's existing new book that is crammed full of predictions for the LAST DAYS and thrilling tales about a wonderful future to come.

"Well, uh, the tropical Arctic changed to cold all of a sudden." Then how is it that only several unfortunate mammoths became "flash frozen" on that interesting day "about 100,000 years ago"? Why didn't the millions of acres of lush forest in which he was eating his last meal get "flash frozen" alongside him?

To reiterate the two chief pieces of evidence that unequivocally prove Gardner's contention that our Earth is hollow and its interior world accessible to travel from our exterior side: when explorers have succeeded in getting past the many hundreds of miles of bitter cold, they find that after attaining approximately the 80th parallel, the air, water, and soil are no longer continuing to become colder; whenever the wind blows from the north the temperature rises considerably. Then later on, after they arrive at about the 83rd parallel, the climate gradually starts to go into a full reversal, eventually leading to an open sea totally devoid of ice, and lands covered with weeds and flowers and having bees and butterflies becoming increasingly more common the further north the explorers travel.

Where far to the south temperatures of minus 50 degrees were frequently encountered, now the travellers are finding temperatures above 70 degrees! Of the pioneering Arctic scientists from whom Gardner was able to solve the riddle of the Earth's true shape, some of those who clearly voyaged to the Polar Curve itself and doubtless in some instances even partially inside the great aperture, these names are outstanding: Kane, Greeley, Hayes, and Nansen. The Aurora Borealis is frequently monitored with absolutely no affect on compass needles; also, "unlike the genuine electromagnetic phenomena of lightning, the Auroras are completely silent. In reality these Polar Lights are simply direct beams of light that now and then struggle through the usually cloudy Polar Opening. From satellites the cloud cover looks just like it would if there actually were a cap of solid ice.

Of course, the reason nobody will ever "see" the 1400 mile wide Opening is because it is much too immense and gradual of a curve to observe on the Earth. Just like, for example, the fact that we do not "see" that the Earth itself is round.

Why is the fact of the Earth being hollow also the biggest military cover-up of all time? Inasmuch as Gardner's revelation has been

established as truth beyond a shadow of a doubt, it seems to me that one and only one theory can be proposed to account for why the leading governments of the world have chosen to totally ignore this monumentally significant information—the Inner Earth is already occupied and we are certainly not welcome to colonize it. Otherwise it is impossible to explain humanity deliberately passing up the second greatest opportunity ever offered. This situation would be tantamount to the world saving "No thank you" when the Wright Brothers offered it the #1 greatest discovery—the ability to fly.

It is impossible not to make the logical connection between the Hollow Earth and the mysterious aircraft called UFOs or flying saucers, which began to be seen worldwide in very large numbers after 1947. I certainly do not plan here to put forward the evidence that proves the reality of UFOs; there are now hundreds of books out there that have already done that very satisfactorily. Suffice it to say that even if we ignored all other aspects of the matter, the case for these aircraft is rock-solid anyway based solely on the countless good radar returns gathered on both military and commercial scopes. Knowing positively of the existence of another viable world just hours away from our world by air travel (even conventional military jet) makes the "extraterrestrial" or other-planets idea wholly unnecessary to account for these undocumented aircraft.

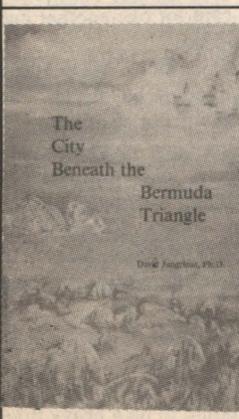

If you knew there was an active volcano ten miles from your house and you were fairly sure that there were many others a few hundred miles away also and then one afternoon you said a lava stone still warm fall onto your yard, wouldn't you find it much more likely that the stone came from the volcano that you knew was only ten miles from your house? As for the reason that these unregistered aircraft began to appear in fleet numbers only after 1947, it seems like the logical thing to expect from an advanced race that is aware of exterior humanity's noisy move into the age of nuclear detonations just a very short time before 1947—the Inner Earth naturally must share our same atmosphere. The pilots of the flying saucers should be concerned about anything we do that diminishes the quality of the air we must share; using nothing but common sense, the Hollow Earth and UFOs match as perfectly as a hand and a glove.

American Indian Medicine And The Coming Earth Changes

By Brad & Sherry Steiger

SPECIAL STARPEOPLE GATHERING:

Attend "Strangers to the Earth" Seminar with the Steigers in Las Vegas, June 12 and 13 at the Sahara Convention Center. Call (702) 435-5347 for details.

The "medicine" of which we speak in our two books, *American Indian Magic* and *Mystical Legends of the Shamans*, has nothing to do with prescribed pills and tonics from your pharmacy—and it deals only indirectly with herbs and diatal regimens. The Medicine to which we refer deals specifically with the spiritual path of the traditional American Indian. We feel the information relayed by the Medicine people from the various tribes is of vital concern to contemporary humankind. Even the ancient myths of legends, which we recounted in our books have an enormous value as stories with truths and powers to be applied in modern living.

Sometimes we are rebuffed by people who, upon hearing us speak of Medicine Power, accuse us of advocating a return to superstition and primitive life styles. This, of course, is not the case at all.

In our opinion, the cause of so many adult, civilized, and sophisticated men's and women's neuroses is their conscious or unconscious recognition that they have lost their mystical communion with Nature—the Earth Mother—and their sense of Oneness with the God-Force—the Great Mystery—that pervades all things. We believe that a practice of Medicine Power—and it can be blended harmoniously with whatever path you presently follow—can permit one to regain—at least symbolically—that state of union for which we feel so much longing and nostalgia.

While it would be quite foolish and wrong to apply primitive modes of action in our contemporary scientific paradigm of Space Age technology or to engage in superstitious practices in an attempt to establish a separate reality, Medicine Power presents us with an excellent means of dealing directly with the unconscious and of making firm contact with the archetypal psyche.

We believe that modern man desperately needs to re-establish meaningful union with the primitive layer of the psyche that views and understands life as an organic whole. To be primitive in our relationships with the external world of consensual reality which we all share is to be superstitious. But to be primitive in relation to the inner-world of the psyche is to be wise.

Our continued existence and survival on this planet depend on the extent to which the world is guided by spiritual men and women. We must never cease to reflect upon existence, God, and goodness. We must never permit the arts to die. We must not forsake the heritage of spirituality that has been bequeathed to us over thousands of years. We must never allow the pure technologist, the materialist, and the rivalry between the exact sciences to dictate the fate of humankind. Humankind must be guided by universal minds which are close to the secrets of the transcendental and which are able to bring to the Cosmic Scales of Balance more than the mere weight of technological progress.

For the past several years we have been traveling about the world, lecturing, researching, sharing thoughts with Medicine People and metaphysical visionaries. The most consistent element that we have found among these individuals is a sense of urgency which has caused a good many men and women to quite good jobs so they may await what their Medicine tells them will be a time of great cleansing and purification.

This sense of urgency is by no means limited to younger people. Men and women in their maturity are also experiencing a soul-deep sensation, which many describe as though they are standing on an enormous precipice, preparatory to leaping forward into free flight.

When we shuffle these impressions together and sort out their

Brad & Sherry Steiger

varying impulses, we find that these people are tuning in to an approaching major change which is about to transform society into something other than it presently encompasses.

We may be living in the most important time in all history. Recently, American Indian Medicine Priests and Shamans have been speaking out as never before. Information that has been very sacred and passed only from Medicine Priest to Medicine Priest is now being urgently shared with all who will listen, all who will treat the information with respect—and, hopefully, act upon it. This long-held secret information has to do with a Universal Plan of devastating earthquakes, famine, floods, and other major changes in our environment that will "shake us awake."

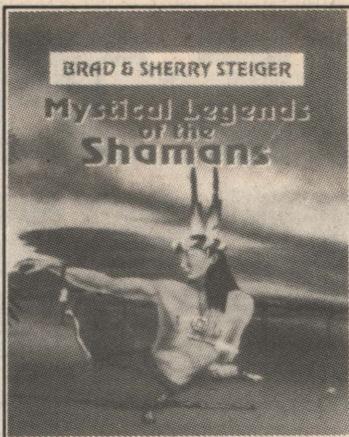

For the last ten years, the Shamans have been attempting to warn people of errant ways, to teach a path of harmony and a way of walking softly in balance on the Earth Mother. It has been the prayer and hope of the Medicine Priests that the warnings and catastrophes that they have foreseen could be avoided altogether, or at least lessened, if humankind would listen and change its ways and begin to care for one another and for all living creatures of the earth, land, sea, and sky.

Many have listened and are heeding the admonitions. Many others have not, and it appears that Terra will not much longer be "firma." The Earth Mother is severely out of balance and needs a major cleansing.

Over the years, we, as authors have each been entrusted with information regarding American Indian prophecies and Earth changes by such powerful Medicine Priests as Sun Bear, Rolling Thunder, Grandfather David, Twylah, Kuichy and many others. Although the Shamans are doing all possible to send the message loud and clear, it still gets distorted or misunderstood. They say it is imperative that the prophetic messages are told correctly!

Our own visions tell us that this coming time of great Earth changes will not herald the end of the world, but will mark another in a series of transitional periods which are necessary for humankind's spiritual evolution. That point made, however, it is going to be a heavy time coming down on us!

The traditional Medicine Person views the Earth Mother as a relation, as an entity possessed of a nervous system, just like a human body. When the nervous system of this planet becomes upset, it has to readjust itself, just like any other organism, to get its balance. One does not have to be too astute in our day of air pollution, diminishing rain forests, nuclear radiation, and threats of global warming to recognize how humankind has upset both the ecological and spiritual balance of this planet since the last Great Cleansing occurred, probably 20,000 years ago.

Yes, there is no denying that the approaching event will be an awful one, for when the Earth Mother purges herself, there will be catastrophes on its surface; and a whole lot of people—the just and the unjust—are going to go under.

But our visions have told us that the physical cataclysms attendant with this transitional period of cleansing will be as nothing compared to the psychological cataclysms which will be experienced by those men and women who have not prepared themselves for the coming changes in societal transformation and the advent of higher consciousness. For those people who will not release their hold on material reality, we fear mass suicides and incredible epidemics of nervous breakdowns. As each month passes, we feel that it becomes increasingly imperative that we, by our books, our seminars, and—it is to be hoped—our example, alert as many of our brothers and sisters as possible to the ever-expanding, ever-widening cracks in the world of material reality.

How do we prepare for the Great Cleansing?

On the physical level, many Medicine prophets have said that we should begin storing food and water and—most important—set about regaining our balance with the Earth Mother.

On the spiritual level, as Dallas Chief Eagle of the Teton Sioux phrased it, we are going to have to cleanse ourselves by getting rid of past concepts of materialism and negativity and by coming to harmony with the Earth Mother.

Can we avoid the Great Cleansing?

Medicine traditionalists, such as Sun Bear, say that the purgative event has already happened in the Spirit World. Soon spirit time will become our time, the great Chippewa Medicine Priest, founder of the Bear Tribe, declares. There is nothing man can do to stop it.

But as Sun Bear and other visionaries see it, good people of spiritual awareness will build a better world after the cleansing has occurred. Many prophets have foreseen a spiritual and a material renaissance which will follow the great purification.

Grandmother Twylah, Repositor of Wisdom for the Seneca, has been granted a vision in which she perceived that true Medicine people have always been together, evolving through many forms of former lives along the same level of development guided by the teachers of spiritual wisdom. "Medicine people cling as one by our devotion that links us to the Creator," she has said.

Medicine people who are of the Great Light have come to walk the pathway again in order to be of service during the great cleansing of Mother Earth.

"Medicine people will seed the decrees of the Creator into the next world after the cleansing of the Earth Mother," Twylah said. "When the final transition occurs, our spiritual light will guide and protect us. Some Medicine people will evolve as people of wisdom, some will be teachers, but many of us will carry on the duties of messengers."

What of specific Earth changes during the Great Cleansing?

A few years ago, the well-known Cherokee/Shoshone Medicine Priest Rolling Thunder said that seventeen volcanoes would erupt, starting with Mt. St. Helens [and it did soon after]. Rolling Thunder is in demand both as a lecturer and a Medicine Priest because of the amazing powers that he exhibits over the elements, abilities which have been examined and documented by such august institutions as The Menninger Clinic.

Sun Bear has named very precise geographical world-wide loca-

tions which will experience earthquakes, floods, and famine. Many Medicine Priests speak of World War III.

When we were in Peru, Kuichy, a South American Shaman shared prophecies nearly identical in content with his North American Medicine brothers and sisters. The Hopis, considered the keepers of American Indian prophecy, echo the same warnings.

Many Medicine Priests are receiving very specific things involving the coming events, "The Great Cleansing," and approximately when and where the most dramatic changes will occur. Concerned Shamans are issuing statements about what can be done about the "Purification" in terms of preparation and surviving.

Among the prophecies of forthcoming physical changes during the time of the Great Cleansing are the following:

In the years from 1991 to 2000: Major earthquakes will rock both the East and West coasts of the United States.

There will be a major submergence of land in the Great Lakes area, with portions of Wisconsin, Michigan, and Illinois going under water.

Land will rise in the North Sea.

Parts of the British Isles will submerge. The Atlantic will "lap" at London's door. Off the coast of Great Britain, small land masses will arise.

Major quakes will strike China, causing lakes to form west of Peking.

As the white Medicine Priest Edgar Cayce predicted, the area around Virginia Beach will remain stable and safe. Parts of Ohio, Indiana, Illinois, and the southern part of Canada will also remain firm.

South America will be rocked by severe earthquakes.

Large sections of Japan will be claimed by the Pacific.

Krakatoa will erupt once again.

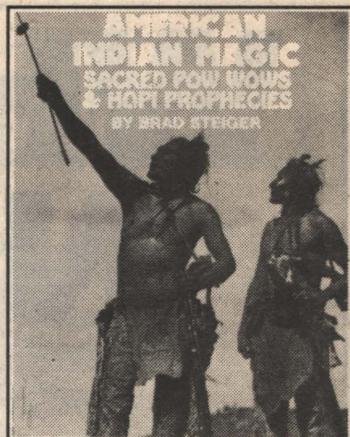

Most of the Hawaiian Islands will sink beneath the ocean.

The year 2000 may see a pole shift in which the Earth Mother will change her axis of rotation in sudden tumbling, "head over heels." The North and South poles will be dramatically shifted to new positions, and very different climactic conditions will be established.

By the year 2030, there will be a new emphasis on the planet's various governments seeking to help people develop self-reliance and self-awareness, rather than striving to regulate personal behavior and thought. Men and women of higher consciousness will find ways to incorporate the nurturing aspects of tribal life into large scale applications. Conditions will continue to develop which will blossom into a New World of oneness and love for all facets of the Great Mystery.

We can only pray that millions of men and women will come to heed the warnings of the Great Cleansing that are being sounded by Medicine priests through the world.

WHAT IS THE NEW AGE?

By Dr. John Rodgers
Author, *New Age Bible—Hidden Truth Revealed*
(See ad next page.)

What is an age?

Since the beginning, time has been calculated by the movements of heavenly bodies. The movement of the Earth on its axis is a day. The apparent movement of the Moon around the Earth is a month. The movement of the Earth around the Sun is a year, and so on.

The Sun makes north/south movements each year—the movements that describe our seasons. In the northern hemisphere, the further north the Sun is, the warmer it is. At its furthest northern point it is midsummer—June 21. At its furthest southern point we celebrate midwinter—the Christmas season. When the Sun is exactly halfway between these points we have an Equinox. This happens in September 21 and March 21 (the Vernal Equinox).

2000 years ago the Vernal Equinox occurred when the Sun was in the constellation Aries. Due to the movements of the Earth and the Solar System through space—called the precession of the equinox—this changes. About 2200 B.C. the Equinox occurred in the constellation Taurus and today the Equinox is occurring in the constellation Pisces. 2100 years from now it will be occurring in the constellation Aquarius.

Each of these periods of time are called ages and are named after the sign into which the Equinox is moving. We are now in the Age of Aquarius—the New Age—and this age will last for about 2100 years.

The movement from one age to another is much more than just the flipping of a gigantic calendar page. The movement from one age to another, actually changes the course of history. The nature of human consciousness changes as it moves into a new Age. The history of mankind can be seen as the unfolding of these ages. The passage from one age into another is usually marked by great turbulence in society and in the Earth itself, such as what we have been experiencing for the past 50 years. The last such change took place about 2000 years ago when the Age of Pisces began.

My new book, *The New Age Bible*, will deal with the changes that have taken place in the field of religion as the Earth moved from one age to another.

The Age of Pisces ended and the Age of Aquarius (the New Age) began, by our reckoning, January 1, 1981, when the planets Jupiter and Saturn completed the last in a series of conjunctions.

Spiritually, the New Age will expand human consciousness, as is illustrated by our growing interest in outer space and the inner man. The New Age will promote individual freedom and responsibility.

The idea of a New Age religion does not mean that all the religions from the Age of Pisces will cease to exist. No more than the religions of the Age of Aries came to an end when the Piscean Age began. The old religions simply adopted the newer philosophies and continued on. The same thing is happening now as the

Dr. John Rodgers

orthodox religions try to cope with the social changes that are occurring as we enter a new age.

Both the Old and New Testaments speak about some of the events that take place when the Earth moves from one age to another.

The people in Jerusalem were concerned about the unusual changes that were taking place in the world around them as the Earth moved from the Age of Aries to the Age of Pisces, so St. Peter quoted from the Book of Joel to them:

And it will come to pass at the end of the age, saith God. I will pour out of my Spirit upon all flesh, and your sons and your daughter shall prophesy, and your young men shall dream dreams, and on my servants and on my handmaidens I will pour out in those days of my spirit and they shall prophesy. And I will show wonders in heaven above and signs in the Earth beneath. Acts 2:17-19.

So it happened then and so it is happening now.

Today we find prophecy happening everywhere, only today we call it ESP and channeling.

The wonders in the heavens above are the UFOs and the signs in the Earth beneath are the crop circles.

We are truly living in a marvelous time. My book tells you about the marvelous times that preceded this one, and what is to be learned from that which came before.

The following volumes contain previously unknown facts.

#1—NEW!

NEW AGE BIBLE—THE HIDDEN TRUTH REVEALED

By Dr. John Rodgers

- WHAT IS THE NEW AGE & HAVE WE ENTERED IT?
- ARE ALL RELIGIONS COMPATIBLE?
- IS OUR CIVILIZATION ON A PATH TO HIGHER CONSCIOUSNESS?

This work contains the first comparative survey that shows the historical relationship of the major religions of the world—Wicca, Hinduism, Judaism, Zoroastrianism, Buddhism, Christianity, Islam and Spiritualism.

Rev. Dr. Rodgers' approach is based on a lifetime of personal research in theology. His unique viewpoints show us how, through the ages, religion has changed to reflect the evolution of civilization and the growth of human consciousness.

The author is recognized as an outspoken authority of New Age philosophy. He lives in Phoenix, Arizona, and is the founder of the New Age Community Church and its well known seminary programs. He also edits one of the oldest metaphysical publications in the country, the *OMEGA* newspaper.

The author says that the New Age "movement" will actually change the course of history and that UFOs are the "Signs of the Heavens" and the Crop Circles the Mysteries of the Earth.

FREE—YOUR OWN "IMMORTALITY TALISMAN"

COUNT SAINT GERMAIN—THE MOST MYSTERIOUS MAN OF ALL AGES—WOULD LIKE TO SHARE THE SECRET OF ETERNAL YOUTH WITH YOU!

SECRET FORMULAS OF THE WORLD'S GREATEST ALCHEMIST REVEALED FOR THE FIRST TIME

- ✓ Would you like to lead a happy, healthy and prosperous life of well over 200 years?
- ✓ Would you like to be able to apply certain ancient formulas and become rich beyond your wildest dreams?
- ✓ Do you wish to have more say in your life's destiny and added control of your mind and body?

Science may be on the verge of a fantastic breakthrough in life extension. At this very moment researchers in various universities and laboratories around the world are on the cusp of a monumental discovery which will allow each and every one of us to live longer, more productive, lives. It is speculated that a good percentage of us alive today could live to be 200 years old—and beyond!

Actually the secret of longevity has been known to spiritually advanced individuals for centuries. A reading of the Bible shows that it was not uncommon for those close to God to live to be a thousand years of age. Some theologians even suggest that one Biblical figure, St. John the Apostle, may never have passed away, but might have gone right on living, because his heart was so near to the Lord and he had befriended His only son Jesus.

Every age has its sages, its avatars, its prophets, and its master spiritual teachers.

Yet, no other figure in any age—including the time in which we currently live—is more revered than is the man of mystery known the world over as the Count Saint Germain—the man who never dies.

But who is Saint Germain? Does he really exist? And if so, what meaning can he possibly have in our lives?

Indeed, does he have an important message that he would like to share with each one of us? And if so, should we take what he has to say with a great deal of seriousness?

More and more, we see the name Count Saint Germain popping up in popular literature, from occult books to "dime store" historical novels.

There are those who claim to have met him personally, while others say he has "materialized" before them, or spoken to them on a regular basis, "channeling" messages of love, harmony, prosperity and immortality from a hidden city somewhere beneath Tibet.

YOU CAN BECOME AN ALCHEMIST

Here is said to be a man still alive and approaching the ripe old age of 400, who supposedly roamed Europe in the Seventeen Hundreds, helped the Founding Fathers draw up the Bill of Rights, and appeared on a television program in France as recently as ten years ago.

Furthermore, Saint Germain stumbled upon the secrets of the ancient art of learning how to restructure matter, rearrange atoms, and turn a lump of ordinary slag into a valuable piece of gold the size of a fist.

It can be proven he was rich beyond our wildest

A rare portrait of Count St. Germain commissioned in 1785, before faking his own death.

dreams...much richer than Rockefeller, the Rothschilds or any would-be dictator.

Saint Germain literally adored himself with diamonds (which he "manufactured" in an alchemist's furnace), and most importantly, came across an ancient Cabalistic spell which enabled him to create the legendary "Philosopher's Stone" for eternal youth.

A TRUE ASCENDED MASTER

Throughout the last four centuries, Saint Germain apparently has walked the Earth in a variety of disguises, easily mingling with world leaders in order to promote the virtues of freedom and democracy. He particularly loves the United States, and has saved this country from great harm several times when he appeared before our President to offer advice and wisdom from higher realms. He may have even helped avert a nuclear war with Russia during the Cuban missile crisis, and is said to have warned Kennedy not to go to Dallas.

NAPOLEON'S SECRET COMMISSION

Among others, Napoleon was so taken with Saint Germain's activities in Europe, that he had formed a special commission to investigate the life of this man to see if there was any truth to the many fantastic claims being widely spread about him. The commission's findings were destroyed in a fierce fire that is thought to be more than "coincidence."

What we've concluded is that Saint Germain's ability to never grow old, lies not just in metaphysical teachings, but in his very philosophy of living.

Now as we move further along into the New Age, it is possible for each of us to accomplish much of what Saint Germain has done; to literally become our own alchemist and discover for ourselves the secrets behind the "Philosopher's Stone."

If you are at all fascinated with the possibility of immortality for yourself, or wish to possess the secrets known to only a few "wise men" or adepts, then by all means you will want to place your order for this book using the coupon provided.

AMAZING REVELATIONS GUARANTEED TO CHANGE YOUR LIFE

The World Before

**DID GOD ALWAYS EXIST?
REVEALED: THE DIVINE CREATION OF LIFE ON EARTH.**

NEWSFLASH — CHERO, EGYPT

Archaeologists working with a group of laboratory tested clairvoyants near the Great Pyramid have made a series of amazing discoveries proving that the Great Pyramid was constructed with the assistance of the High Priests of Atlantis. These "Wizards" were masters of the mystical arts and there is now sufficient evidence that their extraordinary powers — including those of levitation, invisibility and faster than light travel — were originally presented to them by the "Old Ones" who came down out of the Heavens at the very dawn of humankind. Based upon inscriptions found in previously sealed tombs, these archaeologists proclaim that a great New Age will soon sweep the planet, to be perfectly timed with the rising of the "Lost Continent" and the re-emergence of the Overlords of Atlantis who are returning to this dimension at this key pivotal point in our world's history in order to shape the future destiny of humankind.

These discoveries have proven so startling that a total news blackout has been ordered to prevent the spread of this information which would, it is felt, alter the course of history virtually overnight. Vast changes in science, religion, world relations and cultural affairs have been predicted due to the Earth shaking nature of these undisputable facts about the evolution of our planet.

IN THE BEGINNING

Where did the world originate, and what was there before the "beginning"? What was the world like before the fall of humanity and the Great Flood? Where can one still travel to see the remains of Atlantis and other lost civilizations? How did we get the division of the sexes? Who are the Children of the Law of One? What is the true story of creation of mammals and the demise of the dinosaurs?

Did an Atlantean crystal power Noah's Ark? Did a "Death Ray" once exist that was more powerful than the A bomb? Who really built the Great Pyramid? Do pyramids exist throughout the world besides Egypt? Are there still some to be uncovered around the globe?

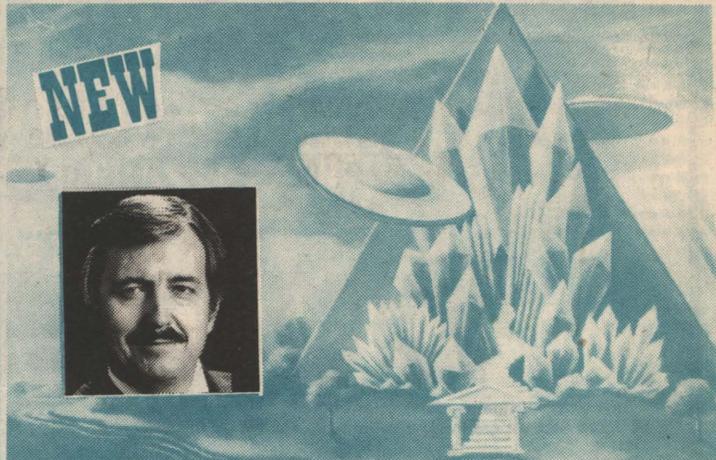

AIRSHIPS OF ANTIQUITY

What role did aliens play in the development of humankind on Earth? What sort of advanced relationship did the scientists of Atlantis have with the star people? Was air travel common in ancient Egypt around the time the pyramids were built? Did ETs help put the massive stones into place? Does a secret chamber still exist to this day beneath the sphinx that houses an authentic space ship from another world? Will the Atlanteans and the Space Brothers soon walk the Earth?

existed on the Lost Continent? What is our "karmic tie" to this fabulous super civilization? Is it true that many world leaders have known the truth but have remained silent? Is the Great Pyramid a repository of a Universal system of prophecy that we can learn to uncode, and what is the significance of these prophecies in our lives?

Did the Earth tilt on its axis eons ago? What became of those who lived on Atlantis and other lost continents? What dire warnings have we been given, but neglected to listen to? PREDICTED:

- APPEARANCE OF THE ANTI CHRIST - 666
- MASS LANDING OF SPACE SHIPS

- GRAVES OPENED & CORPSES GONE
- THOUSANDS VANISH

UFOS AND THE SPACE BROTHERS WANT YOU TO SURVIVE DOOMSDAY

Psychics, spiritual leaders, scientists and UFO contactees all agree that we are living in what has been called the END TIMES.

- The foundation of our civilization is about to crumble.
- The physical world as we know it is going to be destroyed.
- Psychic spiritual and "other-worldly" forces are about to take over!

THE TRUTH CAN NOW BE TOLD

An in depth study recently conducted by a highly qualified UFO researcher indicates drastic changes in our daily life, as well as in the shape and construction of our very planet, are imminent. This information has been channeled to at least 20 of the most highly respected contactees from more advanced beings who reside on other planets and in other dimensions. Unanimously, they agree that a global catastrophe will soon sweep over our nation as well as the rest of the world.

According to the SPACE BROTHERS whom they are in contact with time is *running out*. We are being told the Earth is rapidly entering the twelfth—AND FINAL!—hour for humankind. All indications are that a "time bomb of destruction" is about to go off ridding the planet of civilization as we have come to accept it. The Book of Revelations will be tomorrow's headlines as Armageddon engulfs the globe.

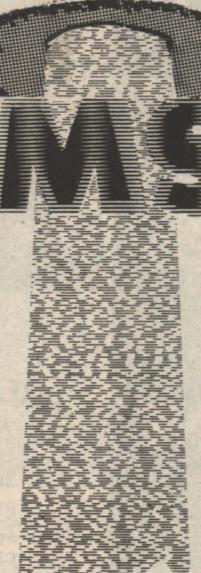

There are those who say a THIRD WORLD WAR is on the immediate horizon, that an ecological imbalance is now taking place, and a shifting of the North and South Poles is due, which could tip the earth out of its present orbit and send it hurtling toward the sun.

YOU CAN BE SAVED!

While utter chaos will take place all around us, all of those who have received this highly advanced, truly prophetic warning have said that the "Chosen Ones" who "are ready" will be saved and taken off this planet just in the nick of time.

Our special, fully illustrated report, a 50,000 word book titled **PSYCHIC & UFO REVELATIONS IN THE LAST DAYS**, is the most comprehensive volume ever put together on the subject. There is no other work like it as this book has been *inspired from above*. These are some of the important things you will learn—things you will NEED to know in order to make the transition from this physical dimension into a *higher realm*.

- Specific data on land changes. Find out which States will be geographically altered and the "safe" places to go to be out of immediate danger.
- A time table indicating when these events will begin to take place and the order in which they will occur.
- Exact "signs" and "wonders" to watch for which will indicate that only months are left.

- WHAT LIES AHEAD?
- POLAR SHIFT
- GLOBAL TENSION
- DAYS OF DARKNESS
- MASS UFO LANDINGS
- MILLIONS VANISH
- END OF MONEY SYSTEMS

- What material objects—"valuables"—you will need in order to survive, and where to obtain them.
- The day you will vanish from this planet—a mass evacuation by space ship will take place in which hundreds of flying saucers will come down out of the sky and "lift off" the worthy. What are your chances of being saved, and what can you do to make certain you are among "the chosen."

Some of those who have contributed to this valuable reference include *New Agers Brad and Francie Steiger; Space Channel Rober Short; the spiritual group Mark Age; UFO communicator Jane Allyson; Parapsychologist Warren Freiberg; and the space being known as Ashtar.*

If you have even a slight interest in UFOs you will want to order this book. This is not just another title filled with wild stories, but this volume actually presents useful data which could change your life and help you to survive DOOMSDAY!

WILL YOU BE ALIVE IN 1995?

CARRY A BEAUTIFUL SYMBOL OF THE NEW AGE SPREAD THE WORD—JOIN THE LEGIONS OF LIGHT

Ashtar and the "Space Brothers" have repeatedly said that it is time we New Agers show our belief in the existence of more advanced life in space. As a special momento to coincide with the release of this important volume we are offering for a limited time only a beautiful medallion depicting the symbol of the New World Order—a rainbow with a flying saucer flying over it (see above illustration). This medallion can be worn, carried in your pocket or used as a key chain. Other "believers" will be able to spot you at a distance and the Space Brothers may even be able to pick up telepathically the fact that you have this in your possession. This medallion is not available anywhere else and is offered only to those who order a copy of this exciting new book that is crammed full of predictions for the LAST DAYS and thrilling tales about a wonderful future to come.

Secret Prophecy of Fatima Revealed New Age Visions of The Virgin Mary

WHO IS THE "LADY IN WHITE" WHO HAS APPEARED OVER 200 TIMES THIS CENTURY TO ISSUE A VITAL WARNING TO HUMANKIND?

In 1917 in Portugal, three children reported a series of remarkable visitations from the Virgin Mary. The apparitions started when a "mysterious stranger"—or "angel"—told them that the Holy Mother had a vital message to give to Humankind concerning the fate of the world. Eventually over 100,000 took part in a miracle which included hundreds of documented healings as well as the phenomenon of the "Dancing Sun" (a possible UFO, states the authors).

The children were given three prophecies, two of which are well known and which have been endorsed by the Church, while the third has been kept a closely guarded secret.

Now the authors reveal the contents of this mysterious "Third Prophecy of Fatima," as well as delve into the dozens of other authentic appearances of the Virgin Mary in current times, speculating that there is a vital purpose behind these recent observations, leading up to a spiritual transformation by the end of the Century that is based upon solid New Age teachings. Here are prophecies for the "End Times,"

as well as remarkable photos of Mary as taken in the last few years in Egypt and Puerto Rico, which prove that the "Earth Mother" is always beside us, even in the most troubling of times.

This is a remarkable book that will fascinate many regardless of their religious backgrounds or beliefs.

ONE OF THE WORLD'S MOST WIDELY RESPECTED
PSYCHICS TELLS YOU HOW TO OBTAIN
**EVERYTHING
YOU DESIRE IN
THE TWINKLING
OF AN EYE**

by Tim Beckley

Bryce Bond is one of the most remarkable men of our age.

In addition to personally having observed many miracles in his life, he is a famed psychic whose talents have been witnessed by millions of television viewers who each week tune in to watch his popular **DIMENSIONS IN PARAPSYCHOLOGY** program seen throughout the New York metropolitan area.

Although a skeptic when it comes to things even slightly "supernatural" for a good part of his life, Bond found his belief structure radically changed as he stood in an open field near Stonehenge, England, and experienced a first-hand close encounter with superhuman beings from another world who had landed in a UFO.

Before this event, Bond had been a disk jockey and talk show host on a popular Manhattan radio station, "when an inner voice told me to quit my job right in the middle of a broadcast. As soon as the next record went on, I marched into my bosses office and informed him that I was going off the air. He couldn't believe what he was hearing, but I knew I had something more important to do in life besides spin Frank Sinatra tunes."

Over the course of the next few years, Bryce traveled to exotic corners of the globe tracking down what others would consider to be "unbelievable stories." Among the incredible feats of psychic powers he witnessed were:

- Out-of-body travel, where individuals near death actually looked down and observed their bodies below. Often these men and women passed through the door to heaven where they have encountered loved ones or even the Supreme Being before returning to their physical forms.

- Mental telepathy and communication with the dead.

- Psychic dentistry, in which missing teeth were mysteriously replaced by the "Holy Spirit" in a person's mouth.

- Amazing examples of healing with the simple laying on of hands.

- Bonified meetings with extraterrestrials.

- Astral projection, in which a person was able to travel through space and time while they physically remained seated in a chair.

Super Psychic

Training with those many experts he met, Bryce soon discovered that he was as much of a psychic as anyone else—only, perhaps more so. Today, this talented and intelligent broadcaster has de-

veloped his abilities to the extent where he can bend metal, act as a channeler and medium, as well as work in the healing arts (going so far as to be accepted as an accredited member of the National Federation of Spiritual Healers in Great Britain).

Says Bond: "Some healings can be done in just 30 seconds with the transfer of energy into another individual. As I place my hands on the troubled person, I visualize the affected area as totally perfect. Then, I flood the area—mentally—with white light."

As for what others have termed "channeling," Bryce also finds that he is quite receptive to picking up vital information from "other sources." "Much of the material I 'receive' is of a spiritual or personal growth nature, meant to enhance the lives of those I am counseling for. It is possible for me to tap into the collective unconscious much like the late Edgar Cayce did."

Anyone can possess amazing powers

According to Bryce Bond, everyone on Earth has the capability to be psychic and to use the hidden powers of the mind. "At birth we are given these powers but are taught at an early age that such things do not exist, so

Bryce Bond has taught others to use their psychic abilities, including how to bend metal with a few simple mental commands. His TV show **Dimensions in Parapsychology** has a viewing audience of millions in the New York metropolitan area. He has been written about widely including in the *New York Daily News* and *Omni* magazine.

we discard them from our life. Soon, as we grow older, our life becomes a mixture of hate, fear, jealousy, envy, anxiety and tension and we find ourselves missing out on that which we desire the most simply because we do not know how to 'tune in' to our higher—more perfect—self.

"All around us," insists Bond, "there is a psychic explosion going on that is going to create a New Age of enlightenment for all those who learn how to 'tap into' this new flow of cosmic energy."

Foremost Spokesperson

For the past few years, Bond has lectured to universities, civic groups and in front of large groups of businessmen and women. He has spoken at the United Nations, at New York University, Hofstra, Drew, Seton Hall, the University of Southern California, as well as had his views aired on the BBC in London. Now through an exclusive agreement with

Inner Light Publications, Bryce has put together a book that he is positive will help others who truly deserve to obtain all that they desire in life—and virtually in the twinkling of an eye.

Through a few simple techniques, the reader will find him or herself in total control of every situation—from the most common everyday, problem, to the unexpected that often throws us for a loop.
