Our Fourth Annual Bash is Now History

We arrived in Phoenix a few days before the start of the 4th annual National New Age & Alien Agenda Conference in order to prepare the way for hundreds of out of town arrivals. The lobby of the Holiday Inn in Mesa, where the vendors were to set up, was beautiful with all its greenery and palm trees and the various ball-rooms for lectures and workshops were the largest we have used to date.

By Friday morning, most of our speakers were on hand to speak to the press. Later in the day—and throughout the weekend—they were to share their knowledge with the public about the real UFO coverup and how it effects us all.

Timothy Green Beckley, President of Inner Light Publications and promoter of the event, was on hand, as was Dr. Frank E. Stranges to MC the program. Beckley says he often finds himself worried about cancellations, but out of a group of some 45 speakers, only two or three didn't show at the last minute.

Much of what was presented was excellent as far as information and knowledge goes. After hearing such presenters as John Lear, Jim Moseley, Al Bielek, and Bob Oechsler, it's hard to believe that something really important isn't going on as far as UFOs are concerned.

Some of the highlights of the conference included Robert Short presenting the latest channeled information from his Space

Brother friends, and Susan Gordon speaking on her belief in angelic beings. Randy Winter did a fine job of defending contactee Billy Meier and Michael Lindemann gave us a "Countdown to Alien Revelations," which included a good overview of the New World Order and the one world government which, he says, is being pushed upon us. William Cooper gave us an inside look at the various new conspiracy theories, while I covered the topic of Shamanism and how the ancient art of drumming can be used to alter our consciousness.

On Saturday night, Jim Dilettoso organized our entertainment when he premiered his new rock band called the Moony Blues Brothers, with Susan Gordon on keyboard, Randy Winters on guitar, Jerry Wills on bass and yours truly the drummer. Tim Beckley stole the show when he got up and sang his own version of Jimi Hendrix's "Gloria," using the phrase "alien" instead.

It was a fun evening and Jim promises to bring the group back when we meet next time, which will be in San Diego, March 12-15, 1993, at the Lafayette Hotel. This forthcoming show—billed as the 3rd Annual National New Age & Truth About UFOs Conference—will also feature the return of Max, the 10,000 year old crystal skull, said to have been brought to Earth by alien intelligence. There will be many other surprises and we hope to see you then.

HE CAME AS A MESSENGER TO OUR PLANET TO BRING PEACE, LOVE & FREEDOM.

JIMI HENDRIX: STARCHILD

By Timothy Green Beckley, Music writer/producer

Genius guitarist Jimi Hendrix came to Earth—I am convinced—from another time and another place. In the true sense of the word, he was not *one of us*, but he loved us all, and he showed his great love through his incredible musicianship like no one else who has ever lived.

Born in the body of James Marshall Hendrix on November 27, 1942, in Seattle, Jimi Hendrix was what New Agers might refer to as a "Walk-In." Though his parents were *normal* just like ours, there was something uniquely *different* about this amazing black man.

Curtis Knight knew Jimi perhaps best of all through their personal friendship, and because they played together in several bands. Curtis—as will be revealed—sincerely believes that Jimi Hendrix was a messenger from somewhere else who was sent at a very important time in our history to give us a message of Peace, Love and Freedom.

Those—perhaps of a different generation—who are prone to believe only what they read in the newspapers or hear on radio and television, will probably have major misconceptions of what Jimi Hendrix was all about. They will have probably associated him only with drugs, alcohol and a fast lifestyle, not realizing that there was a much more positive side to his personality that included a deep belief in metaphysics, and a need to tell the world about the negative way in which we continue to mistreat one another, and the planet we live on. To a large extent, Jimi's message was in his music, and he conveyed his beliefs very well through the words of these songs, and through his personal philosophy, which he shared with those willing to listen.

Not many people may realize it, but Jimi's life was greatly affected and influenced by the paranormal. In fact, as Curtis reveals throughout the pages of his new book, *Jimi Hendrix: Starchild*, Jimi had a good number of personal experiences. For example:

- UFOs seemed to follow Jimi about, and his life was even saved by an angelic space being.
- Jimi had had several prophetic dreams and out-of-body experiences.
- He knew about the existence of a race of beings living inside the Inner Earth.

- Jimi was telepathically *tuned in* to his close friends and was able to keep in touch with them mentally.
- Hendrix realized the significance of color and sound in the performance of music to elevate an individual's consciousness.
- Jimi knew *exactly* when he was going to leave the physical plane, and amazingly predicted his passing in a song written five years before his death.

To the "flower children" of the Sixties, Jimi was a living legend, especially after performing at the Woodstock Festival, though he had actually been playing for a number of years in clubs and concerts throughout the United States and in Europe prior to that. To a large extent, the parents of the flower power generation did not understand where Hendrix was *coming from*. They were confused about his purpose, his manner of dress, and even his music (the tempo and style of

which was 360 degrees removed from what they had listened to while growing up). Furthermore, the fact that Jimi was a black man with millions of dedicated white fans did nothing to stabilize their ambivalent feelings toward him.

What they did not know was that much of what they had heard about Jimi was probably true, but that he felt totally out of place—*alienated*—due to the fact that there is a good chance that he really did not belong here—that he had come from "elsewhere," and had simply found himself in a human body, unable to cope.

Jimi Hendrix fits perfectly many of the characteristics often representative of "Walk-Ins," or "Star Children."

Author and world traveler Bill Cox has investigated any number of "walk-in" cases (involving those individuals who have come here from other worlds, and with the permission of an

Earthly human, transplanted their spirits inside one of them). Often, Bill says, the original Earthly individual is not able to withstand the change in vibrations. He explains it best in the chapter, "Life Isn't Easy For Space Emissaries," in his book *Unseen Kingdoms* (Inner Light Publications).

"There are emissaries among us who know who they are. They know they are quite different from average men and women. They may even be misfits in the physical world....I find that among this group, some become excessively involved with alcohol, drugs, sex, anything to try and escape from this—our world." Jimi Hendrix could easily be placed into this category. Nobody would deny that."

Today, Jimi is more popular than ever, with radio airplay of his music being at an all time high. I am honored to write this brief introduction to what I believe is a very important book that will be treasured by those who have come to respect and love Hendrix since he left us for a place where, hopefully, he can still guide and direct our thinking, and help make this world a better place in which to live. But let us allow one of his best friends, Curtis

Knight, tell the story of Jimi's life as perhaps no one else can tell it. Jimi, we miss you more than ever!

AN OPEN LETTER TO ALL CITIZENS FROM

COMMANDER X

A FORMER MILITARY INTELLIGENCE OPERATIVE EXPOSES THE U.S. GOVERNMENT'S TOP SECRET COVER-UP OF ONE OF THE MOST IMPORTANT ALTERNATIVE SCIENTIFIC DISCOVERIES OF ALL TIME!

Dear Friend:

Currently, there is a growing belief among even the loyalist of Americans that the public is NOT being told the truth about many important subjects that potentially touch us all—from the release of the POWs to the Iran- Contra affair. Well this, my dear friend, only touches the tip of the iceberg as to what we are being repeatedly lied to about.

As a former military intelligence operative with an Above Top Secret clearance, I read many documents and heard first-hand about many matters that would make your hair curl. In my two previous books, *The Ultimate Deception* and *Underground Alien Bases*, I described in full detail how the military some years ago made a secret treaty with a group of extraterrestrials who are now living on this planet and are actually using humans as guinea pigs in a series of bizarre experiments taking place deep underground at various locations in the southwest.

Now I have decided to "spill the beans" concerning an even more vital matter that is being kept hidden from the American people and from the rest of humankind...a matter that would put a permanent halt to the recession and the *hard times* that have come to affect us all because of high taxes and the control of selected goods, services, and products that are being priced out of our reach by corporate greed.

GHASTLY SECRETS

Before I go on, allow me to let you in on a few ghastly secrets that I am sure will upset you as much as these revelations did me, when I first discovered that:

- The Persian Gulf conflict never had to take place!
- There never was a need to lose one, single life over a war that was essentially fought over the price of oil!
- Furthermore, the truth of the matter is that the United States military now has at its disposal—and has had for quite a number of years—disc-shaped or circular aircraft that are capable of flying three times higher and faster than any jet fighter that is "officially" known to the public! This same aircraft can virtually dematerialize and rematerialize elsewhere in a split second, as well as hover mere inches above the ground, thus frightening the hell out of any real or potential enemy.

Perhaps not so surprisingly, this very same aircraft utilizes a form of energy that is, to our current way of thinking, "highly revolutionary,"

yet it is so economical and readily available that the "forces that be" fear each day that it may tilt the "balance of power" out of their hands and radically change society overnight.

ALTERNATIVE FORM OF ENERGY

By now, you may be curious to know what form this energy takes and where it may be obtained from. You may also wonder why you have not heard of this startling disclosure before now. The answers to such questions are very simple:

- The energy is FREE ENERGY!
- It is available all around you—from the very air itself!
- And the reason you have not been told anything about it is because there is a massive conspiracy afoot on the part of the military-industrial complex to keep its existence a closely-guarded secret from the "masses of asses," who, it is felt, should remain in total ignorance so that the "corporate interests" can continue to rake in huge profits at the sake of life and limb—mainly ours!

NIKOLA TESLA— GRAND HUMANITARIAN

Over a century ago, one of the greatest "free thinkers" of all time arrived upon our cosmic shores in order to shape our technical and spiritual destiny.

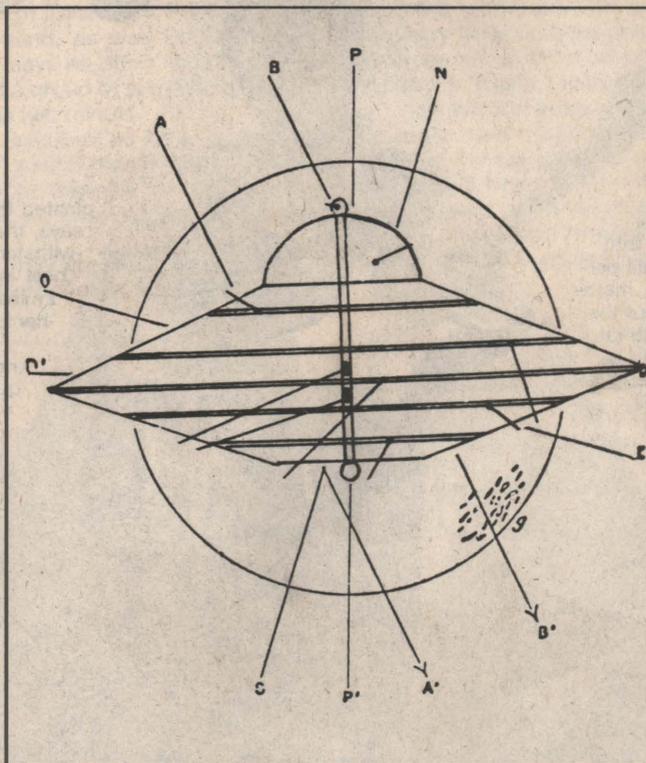

Nikola Tesla came from another *place* to alert the world to impending danger (World Wars I and II), while at the same time offering "solutions" to our problems and alternatives by which to greatly enhance our lives.

Holder of over a thousand patents for many marvelous scientific inventions, Tesla turned down millions of dollars in royalties as well as the Nobel Prize because he did not believe "big business" and "corporate giants" should control that which readily belongs to all of humanity.

Because of his beliefs, Tesla was repeatedly harassed and his life threatened. A true *cosmic being*, Tesla was dedicated to the advancement of all, regardless of race, creed or religion. He was, in essence, the living embodiment of peace and took the White Dove as his personal symbol. He lived his life to the fullest, yet died in virtual poverty when he could have been one of the richest persons who ever lived.

BREAKING FREE OF GRAVITY

Luckily, Tesla's amazing discoveries did not die with him, but much of what he learned was placed in the hands of students whom

he put much faith in, because of their spirituality, as well as their scientific capabilities (Tesla shunned all contact with big business and the corporate world, though he believed in free enterprise).

In my just-released, new book entitled **NIKOLA TESLA—FREE ENERGY AND THE WHITE DOVE**, you will learn first-hand of the work of such modern-day inventors as Otis T. Carr, Arthur H. Matthews, and Howard Menger, who have perfected alternative methods of propulsion that soon will place men and women on Mars and other planets, safely and economically.

Indeed, as these very words are being written, the very core of Newton's Laws of Gravity are being ripped apart, as new and more exciting laws of science are being written after nearly four centuries. You will, for example, learn about the incredible work being done at Thoku University in Sendai, Japan, where researchers have stumbled upon a way to defy gravity under scientific conditions. You will also learn of the incredible secret research conducted a number of years ago by individuals such as T. Townsend Brown and John Searl, who actually built aerial devices that flew through the sky using revolutionary systems of propulsion. Yet, both gentlemen have mysteriously disappeared and much of their actual research has either been stolen or burned, because of the amazing truth about **FREE ENERGY** that they discovered.

ALTERNATIVE FORM OF ENERGY

If you were tuned in to Geraldo Rivera recently you might have seen an expose of Area 51, a Top Secret military instillation located just short of 150 miles north-northwest of Las Vegas. For it is here at this vast 38,500 acre military complex—watched over most closely by Swat-like teams of private, para-military security guards hired from an outside agency in total defiance of all known Constitutional laws—that something very strange has been happening on a regular basis.

According to the testimony of what may now amount to hundreds of loyal American eyewitnesses who believe in freedom of speech, the military—or someone—is test flying aircraft so unusual in design and behavior that they disobey completely both the laws of aerodynamics and the law of gravity. From many observers have come reports of sudden acceleration, deceleration, zigzagging motions, and 90 degree turns, indicating that these craft are dependent upon an advanced form of technology with control over gravity.

More important than the ground-level reports of sincere observers, however, are the claims of those working inside Area 51, who say that their lives were threatened when they found out what was really going on at this locale.

The first to go public was theoretical physicist Robert Lazar, who says that he was blindfolded every day upon entering the base and taken in a bus with blacked out windows to an area seven levels underground. Here he was put to work on several different craft of extraterrestrial origin, which had either been captured by the government when they crash landed, or actually given to Uncle Sam by aliens looking for official consent to abduct humans in exchange for their technology. Later, when it was learned by the military—who placed a tap on his phone—that Lazar was scared for his life and ready to talk, the brass had him drugged and hypnotized so that he would not remember what he had seen or had been asked to work on.

According to Lazar—and here is where his story gets somewhat wild—the aliens at some point actually took control of certain areas of the base (presumably the lower levels—levels five, six and seven) by using force, going so far as to eradicate some scientists who had been cooperating with them. Lazar believes that he was hired by the military to replace one of those scientists who had been

“removed” from the operation. Lazar revealed in a series of interviews broadcast over Las Vegas radio and TV that the vehicles being flown over Area 51 (mostly at night, shortly before dawn) utilize a previously unknown principle of distorting space and time, “using gravity as a lens” with the power source being an anti-matter reactor powered by something the aliens brought with them called “Element 115.”

From a vantage spot known a “Mail Box Road,” near the town of Rachel, Nevada, a number of different types of craft have been seen by those who do not mind waiting into the wee hours and are patient enough to come to the area over and over until they, too, make an observation. Even NBC TV got into the act not so long ago when they took a news team to the area and managed to capture on video the flight of something that they acknowledged appeared to defy gravity. They identified it as being the test of an aircraft that comes under the category of a “black project,” in that the military does not have to account for the project in their annual budget (billions of dollars being covered up in this manner).

And if you think such rumors that are afloat regarding Area 51 are bizarre, you haven't heard anything yet, partner, as we explore through the pages of this book the amazing life of Nikola Tesla—a man from another world—and the legacy that he left for us.

Together we will discover much that is being kept secret from us, not for our own protection like some might claim, but because our lives would be better and easier if the truth about anti-gravity and UFOs were made known. Tesla knew through his heightened sixth sense that the upcoming years before the turn of the century could either be full of peace and prosperity for each one of us, or, if the Secret Government is victorious in its attempt to keep us under their thumb, there will be unending war, suffering, hunger and poverty, because this is the way in which they maintain their control over the world's population. It was for this very reason that Nikola Tesla chose the White Dove as his personal symbol of encouragement, representing freedom and personal dignity for us all. It is this hope for a better world in the stormy years just ahead that I want to convey in *Nikola Tesla: Free Energy and The White Dove*.

While we might not have heard very much from Bush, Clinton or Perot regarding any paranormal experiences they might have had, historical records indicate that quite a number of our previous leaders were very much "tuned in" to "other vibrations."

Our Psychic Presidents

Adapted from the just released *Prophecies of the Presidents*
by Tim Beckley and Art Crockett
(Published and available from Inner Light Publications)

Many of our trusted statesmen as well as their appointees have been gifted with a sixth sense that has enabled them to judge the right moves to make in moments of extreme crisis. Manly P. Hall, one of America's foremost metaphysical writers, mentions in his book, *Story of Astrology*, an authority named John Hazelrigg, who says that a good number of the signers of the Declaration of Independence were well versed in the mystical sciences.

This above statement is warranted, Hazelrigg notes by confirmation to be found "by annotations in the margins of the astrological books in the Thomas Jefferson Library, now in the Library of Congress; Franklin was a self-confessed votary, confirmed by his scientific delving and his *Poor Richard's Almanac*; and one cannot read Thomas Paine's *Age of Reason* without being convinced of his consensancy with the principles of astro-science and its philosophy; other signers could be included in this numeration."

President Theodore Roosevelt, we are told, kept his astrological chart mounted on a chess board and was said to consult it during crucial moments in his presidency. During the Franco-Prussian War the Germans consulted an astrologer named Raphael to find out when the planetary configurations were at the right points for starting their offensives. Raphael was probably right, because the Germans rewarded him after the war. Mussolini had his own astrologer in one Signor Rosconi, who told the Duce that he would annex territory in the next conflict, which is probably why he invaded Ethiopia.

Furthermore, Count Hamon (better known as Cheiro, one of the greatest astrologers of all time) stated that many well-known figures were true believers, among them Admiral Dewey, General Nelson A. Miles, and President Grover Cleveland.

But this data is pretty light weight when compared with the following historical facts...facts which show that many of our elected representatives, heroic military bigwigs and Chiefs of State knew of the future and possessed a highly accurate gift

of prophecy.

Prophecies Of The Presidents (Franklin D. Roosevelt)

Franklin Roosevelt was a firm believer that dreams were prophetic. He knew that his own were, and that one in particular was responsible for the saving of many lives.

He awoke one night from a sound sleep. For some reason he didn't quite understand, he was deeply worried. The dream he'd just had disturbed him. He saw a terrible accident take place at the airport in Washington, D.C.

Before he went back to sleep that night he placed a call to the airport authorities and asked them to check out the facilities. Because he was the President, the order was carried out right away. The investigation showed up a dangerous situation on the runway. It could have been responsible for a terrible disaster.

Because of FDR's dream, a new and safer airport was built.

FDR's Premonition Of His Death In Office

It is an established fact that when emotions are highly keyed, one may find that he has heightened perception. This must have been the case with President Roosevelt, who was known to open his Bible whenever he was beset by a personal problem. He would usually glance at the pages until he found a verse that stood out from the rest. He would accept this as his answer.

The day he was to take his oath of office for the third time was a cold and windy one. Just as he was about to place his hand on the open Bible, a breeze flipped the pages. He read the verse now open to him. It was II Corinthians, 13:1-3, and it said:

"This is the third time I am coming to you. In the mouth of two or three witnesses shall every word be established. I told you before, and foretell you, as if I were present...if I come again, I will not spare."

President Roosevelt told the incident to his friend, Louis Howe, and said that while he read the words they seemed to

brighten on the page. He told Howe that he knew now that he would not survive a fourth term in office.

President George Washington Appeared In A Vision, Made Prophecy

At one tragic point during the Civil War the Union forces were shattered. President Lincoln called on General George B. McClellan to take command and somehow restore order.

General McClellan responded immediately, and spent a long day at his desk laying the groundwork for the rehabilitation of the northern armies. Late that night he dozed off at the desk, but was suddenly awake again, and noticed that the whole room was filled with a radiant light.

He then heard a voice, and slowly the face of George Washington materialized. Washington's first words were a warning that Confederate troops were on their way to capture the nation's capital.

General McClellan felt at the time that the knowledge he received from George Washington was supernatural. Because he followed the first President's advice, he was able to stop the northern invasion by the Confederacy at Antietam in September, 1862.

General McClellan's Account

The general remembered that the voice of Washington was amazingly clear. He said:

"General McClellan, do you sleep at your post? Rouse you, or ere it can be prevented, the foe will be in Washington! You have been betrayed, and had God willed it otherwise, ere the sun of tomorrow had set, the Confederate flag would have waved above the Capital and your own grave. But note what you see. Your time is short."

The general said that while Washington spoke he saw a living map which showed all of the troop positions. He took up a pencil and copied down everything he saw—and what he saw were the enemy troops marching toward Washington. Actually, the troops were not marching, but they were the plans the Confederates had devised for the future!

When Washington was assured that General McClellan understood the military situation, he then talked to the general about the 20th century, when other perils would befall the nation.

Washington's Prophetic Words

"General McClellan, while yet in the flesh, I beheld the birth of the American Republic. It was indeed a hard and bloody one, but

God's blessing was upon the nation, and, therefore, through this, her first great struggle for existence...He sustained her, and with His mighty hand, He brought her out triumphantly.

"A century has not passed since then, and yet the child Republic has taken her position of peer with nations whose pages of history extend for ages into the past. She has, since those dark days, by the favor of God, greatly prospered. And now, by the very reason of that prosperity, has she been brought to her second great struggle.

"This is by far the most perilous ordeal she has to endure, passing as she is from childhood to open maturity, she is called on to accomplish that vast result, Self-Conquest; to learn that important lesson—self-control, self-rule, that in the future will place her in the van of power and civilization.

"It is here that all the nations have hitherto failed, and she, too—the Republic of the earth, had not God willed otherwise—would by tomorrow's sunset have been a heap of stones, cast up over the final grave of human liberty. But her cries have come up out of the borders like sweet incense into heaven. She shall be saved! Then, shall peace be upon her, and prosperity shall fill her with joy.

"But her mission will not be finished, for ere another century shall have gone by, the oppressors of the whole earth, hating and envying her exaltation, shall join themselves together and raise up their hands against her.

"But if she be found worthy of her calling, they shall be truly discomfited, and then will be ended her third and last struggle for existence.

"Henceforth, shall the Republic go on, increasing in goodness and power until her borders shall end only in the remotest corners of the earth, and the whole earth shall, beneath her shadowy wings, become a Universal Republic!"

Strange Marks on McClellan's Map

When the vision faded, the general went to his map and noticed all the markings and symbols on it showing how the Confederate Army planned to move on Washington. He wrote later:

"Our beloved, glorious Washington shall rest...until perhaps the end of the Prophetic Century approaches, that is to bring the Republic to a third and final struggle when he may once more... become a Messenger of Succor and Peace from the Great Ruler, who has all nations in his keeping..."

STRANGER AT THE PENTAGON

Who was the "Mysterious Visitor" with amazing powers who was a special "guest" of the United States military for three years? At first, an urgent message was received from the Alexandria, Va. Police Force indicating that two of their officers had picked up an extraterrestrial who had landed in a UFO some 14 miles south of the Pentagon. Later the alien occupant was transported to the Pentagon to converse with the President and Vice President. The author was given the opportunity to meet with this "stranger" who is still here on Earth. "The visitor looked remarkably human, wore a type of suit that could not be destroyed, had no fingerprints (because on their world there is no crime), possessed advanced psychic powers and was spiritually 'tuned in' with the universe." A real life "Day the Earth Stood Still!" NOT endorsed by the Air Force! NOT financed by the CIA! A story that could rock the Capitol!—\$12.95

THE PROMISE

by Dr. Fred Bell, as told to Brad Steiger

Based on actual events in the ongoing contact experiences of a former NASA space engineer with the Pleiadian female cosmonaut Semjase, Dr. Fred Bell began his career in science in 1952 at the age of nine. In his early teens he received educational grants to work on such projects as atomic energy and particle physics. His late teens found him in the U.S. Air Force and later in aerospace with Dr. Werner Von Braun. While studying the Eastern Masters, he established contact with these highly advanced space beings who are here to assist humankind. Brad Steiger has written about Dr. Bell previously in *The Fellowship*, and as a talented musician, Bell has conducted concerts to share his concepts of space and time. *THE PROMISE* presents in dramatic fashion an alien intervention in the life of one Earth person, providing us—if we elect to utilize this knowledge—with a technology that has great healing powers—both planetary and human. A possible motion picture is currently in the works—\$13.95

DOES A SECRET GOVERNMENT REALLY EXIST? WHO IS IN CONTROL OF WHAT WE THINK?

Though the public may not realize it, there is a "secret agenda" for America for the years just ahead that was long ago mapped out by our founding fathers. It is no "coincidence" that the likes of George Washington, Thomas Jefferson and Benjamin Franklin emerged when they did to help lay the foundation for what eventually became the United States. Indeed, it is more than simple "luck" that the Bill of Rights and the Constitution has stood for generations as the inspiration for free men and women everywhere.

There is now PROOF that the destiny of America has long-ago been revealed to our highest elected officials, in particular, to the Presidents of the United States. And while it has always remained a closely guarded secret, a careful check of historical facts show that the majority of our original leaders held a strong belief in supernatural forces and in the omnipresent power of a superior being.

AMAZING REVELATIONS TO BE MADE KNOWN!

In the startling new book, **PROPHECIES OF THE PRESIDENTS**, by Timothy Green Beckley and Arthur Crockett, the reader will find revealed some of the most amazing facts about the future of the United States. Questions discussed include:

- Will there be bloodshed in the streets of our cities and towns?
- Will America become financially bankrupt in the next three years?
- Do the spirits of Washington and Lincoln watch over America from Heaven?
- Are the UFOs piloted by "Angels" who plan to intervene in our affairs and guide us to eternal peace and prosperity?
- Will the negative "Dark Forces" who have cursed this Great Union win in their battle against the power of Almighty God?
- Is there a Curse on America?
- What is the Riddle behind the "Great Seal" of the United States?
- Will there be a revolution or Third World War?
- Do friendly Space Beings help guide America's future?
- Is America the "New Jerusalem," as predicted in the Book of Revelations?

In an election year—or at any other time—**PROPHECIES OF THE PRESIDENTS** is an important book for every American with vision who is concerned about their well-being and those they love. It is a deeply inspirational book that will answer many of the questions you have about the "Hidden Agenda" of this great nation.

THE STAR MAIDENS

Adapted from *The Other* by Brad Steiger

Humankind is opening its consciousness to all in a whole new species of man and woman.

AS I HAVE TRAVELED AROUND THE COUNTRY gathering research data and lecturing, I have made the acquaintance of a most unique group of individuals who claim either to have memories of having come to this planet from "somewhere else" or to have experienced interaction with paranormal entities—UFO intelligences—since their earliest childhood. Many of them laughingly recognize how a psychiatrist might interpret their alleged recollections and subjective experiences, but they insist that they have the wit and the wisdom to distinguish between fantasy and something basic and integral to their entire personal lifestyle. To have knowledge of the fact that one is essentially "star seed" and a "stranger in a strange land," they argue, does not necessitate one's withdrawing from the culture in which one finds oneself or in presenting an external behavior pattern that one's indigenous culture might find peculiar.

Indeed, each of the Star Maidens' I have met are exceedingly normal in appearance and are successfully integrated in contemporary society. They seem to have channeled this awareness and this energy into a most positive force for structuring their lives in an exceptionally productive manner. They are extremely judicious in choosing those in whom they confide their memories and experiences. Their apparent normalcy in societal integration would be quickly shattered if their "straight" friends, business associates, or employers discovered that the Star Maidens believe themselves to be products of alien-earthling genetic manipulation.

Over the years I have come to recognize Star Maidens. Perhaps I am able to do this mainly on an intuitive level, but it seems to me that I can also distinguish certain physical characteristics. Other UFOlogists, such as John A. Keel, have commented that many basic physical similarities are found among UFO contactees; in other words, many of the men and women who claim contact with UFO entities greatly resemble one another. The interesting people I have come to call Star Maidens also appear to share certain physical attributes and anomalies.

Whether the eyes of Star Maidens are blue or brown (they seem about equally divided, and all ethnic groups are represented), they have an extremely compelling quality. They

are also somewhat heavy-lidded in the manner often referred to as "bedroom eyes" or "sleepy eyes." One Star Maiden's mother was so frightened by her infant's eyes that she began to neglect her daughter with the "thousand-year-old eyes." The "strange girl" was placed in fourteen foster homes until the time she was able to fend for herself as an adult.

Few of the "people" were fortunate enough to have parents who understood their youngster's paranormal talents. One told me that an early talent for levitation was whipped out of her. Another remembers being prayed over by a team of Methodist ministers who had been commissioned to rid her of the demon.

Once the "people" have made contact with one another, they profess to be able to stay in touch on a telepathic basis, especially when responding to their brothers' and sisters' emotional crises.

Although they come in a wide range of physical shapes, I have yet to meet an unattractive Star Maiden. They all have great magnetism and intelligence. Most people are instantly attracted to them and pour out their life stories and intimate secrets moments after meeting them. In spite of their charisma and the fact that most of them are in teaching or counseling occupations, the Star Maidens are rather reticent to extend physical contact to casual relationships.

The "people" are meticulous about their personal appearance and seem almost obsessed with hygiene. They insist on bathing and washing themselves to antiseptic. Most of them are extremely cautious about their diet and appear to have a phobia about germs. Perhaps this is due to their feeling that they are "in the world but not of it." They do not wish too much of the world to smudge off on them.

They appear to get along on little sleep, many averaging no more than three to four hours a night. For them, time spent in the arms of Morpheus seems to be a waste of valuable working hours.

The "people" also appear to be very sensitive to electricity and any type of electromagnetic vibration or force field. Many have complained of vertigo when standing underneath neon lights. Many are able to walk into a department store and detect instantly where the burglar alarms have

SECRET REPORT CONCLUDES THE THREAT IS REAL!

UFOs COULD DOOM LIFE ON EARTH!

**THE UFO MYSTERY IS A LOT MORE COMPLEX THAN WE HAVE BEEN LED TO BELIEVE.
TO UNLOCK ITS SECRETS IS TO UNRAVEL THE RIDDLE OF THE UNIVERSE!**

"The very survival of Planet Earth and the human species depends upon our ability to achieve a balance with **THE OTHER**—the intelligence that exists behind the UFO mystery," concludes top-selling author Brad Steiger, whose books have sold over 15 million copies worldwide.

"For centuries," notes the renowned investigator of paranormal phenomena, "the UFO served as a cosmic midwife, overseeing our evolution as starseed. **THE OTHER** is a transformative intelligence of great power and productive energy that is leading

us to an evolutionary transformation."

Steiger says he realized long ago that, "Life is full of strange, wonderful, and exciting things; yet for most people, it is more of a giant puzzle replete with myriads of unsolved mysteries. Much of Earth's history and the history of humankind has been lost, buried or distorted throughout time. What we have been left with is a tiny peek-hole into reality, so there are many things that just do not make a lot of sense when we look at the whole picture."

Though he does not toss out the entire concept that at least some UFOs might be extraterrestrial, Steiger admits that he is more prone to look "closer to home" for an explanation to the UFO mystery. "It may be, he says, "that they are our neighbors right around the corner in another Space-Time continuum."

Having researched the subject since the 1950s, the best-selling author concludes that, "throughout history, some external intelligence has interacted with Homo sapiens in an effort to learn more about us—or in an effort to communicate to our species certain basic truths. I am also convinced that a subtle kind of symbiotic relationship exists between humankind and the UFO intelligence. I believe that in a way which we have yet to determine, they need us as much as we need them. It is quite possible that either or both species might once have had an extraterrestrial origin; but most important, it may be that the very biological and spiritual evolution of life on Earth depends upon the establishment of equilibrium between us and our cosmic cousins."

Brad Steiger explores this daring new belief structure in **THE OTHER**, a one-of-a-kind book that explores concepts and realities that could save humankind from extinction as we travel down a very troubled road in time.

BONUS

THE OTHER comes complete with over 40 charts, maps and illustrations, plus pictures showing the actual existence of an amazing universe that most often remains invisible to the human eye. Many of these pictures have previously been kept secret because of the violation of certain government "secrecy acts."

been hidden.

The "people" have unusually sharp hearing. Loud noises bother them, and they generally dislike crowds because they become audio sponges and soak up sound to a painful degree.

Nearly all of them have Rh negative type blood, and they all seem to have some kind of problem with their spines. Some have extra vertebrae. Others have undetermined pain in their lower backs.

They all have low, normal body temperatures. For them 98.6 degrees is a fever.

Most of the "people" appear to have full lips, which often seem pouting or sensuous.

They seem to have been "reborn" in cycles—for example, 1934-38, 1944-48, 1954-58, and so on.

Since earliest childhood they have had continuing series of episodes with "angels," "elves," "fairies," "masters," "teachers," and openly declared "UFO intelligences." They have learned to integrate their experiences into their lifestyles and to structure a separate reality so that they can function effectively with the consensual reality they share with family, friends, and the rest of the planet.

All of them, however, share a feeling, a knowing, an awareness that their ancestors came from another world, another dimension, another level of intelligence.

Some speak of a starship that came to this planet 20,000 years ago. The vehicle came to Earth to observe, to study, to blend with the evolving Homo sapiens. Their own seed would enrich the developing species and accelerate the time when their Earth cousins would begin to reach for the stars—and their cosmic home.

Why would such long-dormant memories, if memories they be, be surfacing suddenly today? Why should this genetically transmitted awareness be breaking forth as if implanted by some chromosome time-release mechanism?

The "people" say they are "remembering" and being "activated" now so that they might serve their brothers and sisters during the approaching time of transition, the great cleansing, which the entire species must endure and survive in order to attain a higher state of consciousness and to effect personal and societal transformation.

Sheila Schultz lives in Chicago, Illinois, but she claims that her true home is Venus. With her large, bright blue eyes, her platinum hair, her very charming manner, and her diaphanous robes, Sheila might indeed convince many that her spaceship is parked on the back lot.

I am certain the reader has already observed that Venus plays a very important role for many contactees. There is, of course, a rather long occult tradition which places Venus in a place of prominence in terms of interaction with humans. As early as the 1880's, Helen Blavatsky claimed contact with a group of advanced beings whom she called "The Masters," who were part of a governing hierarchy between man and the solar rulers of the universe. It is said that, from Venus six and one-half million years ago, the mighty beings who would later become Earth's adepts came. Venus is said to be the original home of the Lord of this World, the Head of the Hierarchy of Masters, and the Three Lords of the Flame.

Sheila does not claim to be a goddess of the flame, but a Venusian named Echo Leia, who came from Venus a couple of decades ago and landed among the remote mountains and desert wilderness of Nevada with her loving Uncle Odin. Both of them had arrived from Tuithania, the planet that we Earthlings call Venus.

As a child, Sheila decided to spend the rest of her life on Earth "as a matter of destiny more than anything else." Echo Leia says that she is among thousands of people from the neighboring planets who make Earth their home.

"Some of our people stay only long enough to complete special missions, but many have made the courageous decision to spend the rest of their lives here. Scientists, doctors, educators, artists, engineers, and ordinary citizens from these

advanced planets live and work secretly among the people of Earth."

It appears to take courage, even for a Venusian, to live on planet Earth. Contactees continually remind us of the negative aspects of Earth, and we are offered an interesting kind of paradox: Earth, on one level, seems to be such a polluted, fouled-up, confused, and chaotic ball of squirming energy that it would seem no one would ever want to come here, and yet there seems to be a steady stream of extraterrestrials visiting our mucked-up mudball.

Echo Leia assures us, as we have been told so many times by the contactees, that the civilizations of which she is aware are all spiritually and technically much more advanced than Earth and more ancient than any race living on Earth today. She tells us that man is truly a universal species, and she affirms that inner nerve or inner longing that Erich von Däniken has touched—that visitors from outer space have had an influence on the culture and technology of people around the globe.

Sheila, or Echo, is a most engaging young woman. She appears often on radio programs, receives serious questions, and, to my knowledge, has never been hooted off the airwaves. If she may not always be regarded as completely serious by those who hear her interesting story, she at least has never been openly or viciously attacked for her peculiar views of her true place of origin.

I must admit, though, fond as I am of Sheila, that she throws me a bit when she says that the Venusian village in which she was born and reared is called Teutonia, which means "descended from Germany." She explains that her village was named in memory of a brilliant German scientist who came to Venus and contributed to her people's growth.

"As a child I learned the story of man on Earth in Teutonia's Temple of History, a place of learning that is more like a time machine than a school," Sheila-Echo continued. "Many

millions of years ago our first expeditions landed on Kal Na-ar (Earth), the newest of the planets. The space scientists of several planets had watched Earth all through its formation, every so often sending ships to investigate. The planets of the solar system, I should mention, are not all created at once. They are continuously forming, maturing, and dying. New planets are constantly being colonized, and dying planets are constantly being abandoned."

So it would appear that Earth was colonized by those Venusian scientists who were pleased to find verification for their research that Earth was the greenest, most lushly vegetated planet in the solar system.

"But as beautiful as it was, the entire planet was soon considered unfit to be colonized. It was without a doubt very dangerous for any of our people to settle here. As the word spread, Earth became known as the hostile-negative planet."

Lest we cringe in terror, thinking that Earth was a bad place even before Homo sapiens arrived to foul things up still further, Sheila tells us, "The problem with Earth is that it only has one moon. Planets in the physical universe usually have two or more moons so that each can help balance the other's influence. To have only one is the worst possible thing that can happen to unbalance a planet. In this solar system Earth is, therefore, unique."

Our moon, an object of veneration by primitive religious movements and by lovers of all ages, is actually our undoing, according to Echo Leia. "Partly because of the water in our bodies, the moon has just as definite an influence on us as on the oceans. It adversely affects our minds and emotions, a condition that has existed throughout history and will exist as long as there is only one moon."

Since erecting and orbiting an artificial moon is a big job, the Venusians left man to develop on his own, and they watched from afar as ancient cultures rose and fell, as the great island-continent of Atlantis sank beneath the ocean, as

Lemuria crumbled into the Pacific.

"Through all of these turbulent years, the brotherhood of the planets looked upon Earth as a baby brother whose spiritual and technical growth needed guidance. As civilizations rose and fell, spaceships from Venus, Mars, Saturn, Jupiter, were here, and our people continued to come here to live," she said.

Sheila tells us that the Nordic types had their seed origin in the planet Venus, and while Earth's Scandinavians are generally on the tall side, on Venus they are between seven and eight feet tall and known for that same long blond hair and blue or green eyes as are Earth's Nordic people. But the Venusians were not only interested in helping man's seed develop and grow stronger. Echo Leia tells us that her people have always had a great influence on the spiritual growth of man.

"Many of the prophets and spiritual giants were planted here or guided by Venusians or the Martians. The Old Testament is replete with references to spaceships, heavenly beings coming from the sky, and leaders going off to speak with God. Many other parts of the world also had visits by the Gods from outer space, with spiritual truths for the growth of the people.

"In the past few hundred years our ships have come to Earth periodically, bringing more of us who had decided to live here and taking back those whose missions were completed as well as samples of minerals and vegetation not abundant on our own planet. In the meantime, the sciences and technology have again grown on Earth. Electricity, engines, steel, aircraft, nuclear power, and much more has been rediscovered. Wars have continued also, however, and most people know nothing of the inspiring kind of life of Earth's many neighbors."

Is Sheila-Echo really speaking as a Venusian when she says, "If our existence became common knowledge, it would signal an end of the widespread corruption and exploitation on planet Earth"?

Or is Sheila-Echo simply an extremely sensitive young woman whose psyche has created the persona of a Venusian lady so that she might more forcefully articulate the horror, disillusionment, and awful depression that mankind's entire collective unconscious may be experiencing as it attempts to adjust to the specter of nuclear annihilation, the grim biological reality of the population explosion, the sickening ecological truth of what may be an irreversible pollution problem, the incessant kindling of brush-fire wars throughout the globe, and a kind of inner-knowing that the Earth Mother is about to undergo an intense period of great purification?

I do not laugh at anyone anymore. Sheila, if she's not actually a Venusian, may carry within her genes, her subconscious, the knowing, the awareness, that she may be of mixed heritage—that of Homo sapiens and the Star People, whomever they may be.

That these UFO intelligences appear to certain people and refer to them as Venusians may, in actuality, be a kind of code, a kind of identifying term that applies to those who walk among us as representatives and members of our own species and also as partial representatives of the Other. I have suggested in other writings that the ideal program for the mingling of two species would be to select certain members of the same family and to interact with that family, generation after generation, shepherding, gently prodding, subtly leading those individuals whose progenitors had received mixed genes. Perhaps that is the way our species evolves. Perhaps Homo sapiens by himself is a rather dull, plodding creature. Perhaps it is only when, from time to time, he receives an infusion of the chromosomes and genes of the Other, a more ethereal, a less dense (both mentally and physically) species, that the muddy, polluted stream of evolving humanity receives an open floodgate of pure and fast-running spring water.

While writing about Sheila-Echo, I became a bit weary with references to Venus popping up in nearly every contactee message and of the contactees themselves claiming

T. LOBSANG RAMPA

His Powers Are Unsurpassed in the West!

Rampa's books have sold over 15 million copies throughout the rest of the world, but have successfully been CENSORED in the United States. In cooperation with Rampa's estate, INNER LIGHT plans to bring out the Lama's collective works (some 25 titles) at the rate of one approximately every other month. The following are titles are NOW available

THE HERMIT

The cave which just moments before had been pitch black was now filled with excessive light and suddenly the the old hermit—who had been blind for countless years—could see. Before him stood The Wise Ones—majestic beings with brilliant auras, perfect in nearly every way. Escorted into their bizarre (to him, anyway) craft, the Hermit was flown into space. Before him on a giant screen were flashed scenes of the seeding of Earth by the Creators; a fierce battle in the depths of space between Satan and God's Forces; the truth about all religions; the years Christ spent in Tibet; the Great Flood; the arrival of the Gardeners (their history goes back millions of years) from space.—\$12.95

MY VISIT TO VENUS

"Tibet," says Rampa, "is the most convenient country for flying saucers. It is remote from the bustle of the everyday world, and is peopled by those who place religion and scientific concepts before material gain. Throughout the centuries the people of Tibet have known the truth about flying saucers, what they are, why they are, how they work, and the purpose behind it all."—\$7.95

DOCTOR FROM LHASA

At the age of seven the Day of Prophecy arrived, and the court astrologers pronounced their findings. It was proclaimed that Rampa was to enter the lamasery to be trained as a clairvoyant and as a healer. Many predictions were made about his life, including the fact that his work would be heralded around the world. While still very young, the author's Third Eye was opened, increasing his mental powers, as well as his ability to view the human aura, and to read thoughts. This volume discusses karma, the other side of death, the silver cord, seership, crystal power, ghosts, as well as astral projection.—\$12.95

YOU FOREVER

Thirty metaphysical lessons designed for the reader to work at their own pace. Step-by-step methods for seeing the human aura, traveling in the astral plane. Learn to see clairvoyantly. Written in Rampa's usual warm, humorous and charming manner. A full 288 pages.—\$12.95

By special arrangement with Samuel Weiser, Inc.

FEEDING THE FLAME

As the author lay desperately ill in a hospital, he looked up with pleasure to see his old friend and mentor, the Lama Mingyar Donup, standing by his bedside. But it was with some dismay that he listened to the message that the Golden Figure had brought. Rampa's work on this plane was not, as he thought, completed... he was told that he could not as yet pass on to the next plane, but that he had more mystic truths to reveal to the world. Here is Rampa's observations on such intriguing subjects as Life After Death, Suicide, Meditation, Ouija Boards, Demons, the Astral Body, Organ Transplants, etc.—\$12.95

Venusian heritage or Venusian masters or Venusian teachers. Just as I was reaching the point of saying mentally, "Oh, come on!" and was about to give some of my contactee-correspondents a "C" for lack of originality, I received a letter from a very intelligent, rational, young writer friend, who is not given to wild flights of fantasy or egotistic indulgences designed to attract attention to himself.

I must disguise the names so that I will not invade the privacy of those concerned. With that bit of preamble, let me quote from his letter of January 26, 1976:

"I have mentioned my Theosophist grandmother, Bubba, as I always called her, was, you might say, a guardian of the threshold. Even though she died when I was in the sixth grade, all of my perceptions of her were that she was a truly evolved being. She was always very loving and exuded a sort of radiant and blissful energy. I never knew her to be angry or upset about anything. Shortly before Bubba died, she received a letter saying, 'We are sorry that you have to die now, but you are needed upon other planes.' It ended referring to my grandmother as 'our little Venusian.' Bubba died shortly thereafter of leukemia, whereupon the letter she had received vanished."

My friend went on to say that his home had recently been bothered by poltergeist phenomena. Such manifestations no longer affect him since his family has a long history of such phenomena; but he said that he had received a letter a week earlier that had totally unnerved him and at the same time had filled him with many good feelings.

He had written to a writer with whom he was personally unacquainted, asking about associations that that writer had made between quantum physics and mystical phenomena. Since my friend was two-thirds of the way through a manuscript which would be very similar to a book that the aforementioned writer had already published, my friend—call him Larry—wrote to suggest that they might collaborate and combine their talents into what might be considered a sequel.

The other writer replied that, because he was so filled with his own vision, collaboration would not be possible at that time. However, in the margin of the letter he wrote: "Now is not the time for a writing collaboration, as we are already collaborated."

"As you can see," Larry wrote me, "he signs the letter: 'Always with you, Bubba, projecting in temporarily as [the name of the writer].'"

"Another note, Brad, the golden uroboros that I told you earlier had vanished has reappeared. Bubba gave me the uroboros when I was a small child. I was unnerved when it was stolen. I was delighted when I found it resting on a stack of books in my bedroom. I'm not quite sure what to make of it all. I feel very good about receiving the letter. I feel a pressing urge to continue to push my work and to finish future projects. You may take this information for what it is worth—the letter, the reappearance of the golden uroboros. I rejoice in life and consciousness. Smiles. (Signed) Larry, projecting in temporarily as Larry."

Another puzzling bit of data to add to an already enigmatic dossier—little Venusians, perhaps only partially aware representatives of a co-mingled species, or an evolving species. A case suggestive of reincarnation. The survival of an essence, now "temporarily projecting in" as a writer who is making contributions to the scientific understanding and advancement of things that were formerly considered to exist only in the realm of esoteric metaphysics.

An awareness explosion is taking place now. A consciousness-raising fallout is occurring now. People in all walks of life are aware that man is treading very close to a transformative phase, a transitional level. Many strongly suspect that this transition will be not only that of consciousness, but that of the physical, molecular structure of the species as well.

So all around us at this point in our history we may have hundreds of thousands of awakening "little Venusians," score

upon score of men and women who have lying dormant within their psyches, within their chromosome makeup, the knowledge that they have a potential far beyond that which their sluggish Earth half-brothers and half-sisters can manifest.

When the UFO intelligence approaches one of its carefully shepherded slumberers, the experience itself may act as an activating mechanism. The fact that the entity addresses the contactee as a Venusian may be a further identification, an additional means of triggering a suggestion that may have been planted in the psyche since earliest childhood—an evolving, progressive, multilevel suggestion that may have been carefully, and almost literally, bred into certain people in a process that may have begun with an ancestor far removed.

At least a portion of the controversy that rages about Uri Geller, the remarkable and controversial Israeli psychic, has to do with certain assertions that he combines a "blood-of-the-gods" genetic inheritance with the contactee pattern of having received his superhuman abilities directly from a UFO when he was a boy. An interesting kind of phenomenon has occurred as Uri Geller has toured throughout the world to demonstrate his unique psycho-kinetic abilities. Wherever he performs, wherever he appears on television or radio, thousands of individuals, especially boys and girls under the age of 17, begin to go and do likewise—they bend spoons and repair broken watches with psychokinetic ability alone.

When Uri Geller appeared on NBC's Today show, he suggested that people watching at home should do as he does—get out of their broken watches and use their psychic powers to will them to start working again.

After Uri's remark, representatives of NBC said that the national switchboard "lit up like a Christmas tree." Arthur Oppenheimer, public relations director of the Today show, said, "We were swamped with hundreds of phone calls from viewers who said their watches had started working again

QUESTION: WHAT DO WILLIAM SHATNER, MUHAMMAD ALI AND JOHN LENNON HAVE IN COMMON?

ANSWER: THEY ARE AMONG THE WORLD'S MOST FAMOUS INDIVIDUALS TO HAVE HAD A CLOSE ENCOUNTER OR UFO SIGHTING...

ANNOUNCING THE PUBLICATION OF A VERY IMPORTANT NEW BOOK "UFOS AMONG THE STARS"

by Timothy Green Beckley
Author, and Celebrity Journalist

Dear Friend:

If you think that only the "whacky and the weird" believe in or have seen UFOs, you're sadly mistaken.

The truth of the matter is that observations of odd and unusual objects that dart and float about in the sky—as well as hover above our ego-inflated heads—have been made by stable folks from just about every walk of life.

Though I am perhaps best known as editor of various UFO publications, there is another side to my literary talents that may or may not be so well known, for over the course of a decade or more, I have been a very active freelance "stringer" for such tabloids as the *National Enquirer*, the *Star*, the *Examiner* and the *Globe*, just to name a few entertainment publications I have worked closely with.

Because of my background, I have come to realize not all UFOs are observed by pilots, doctors, bank presidents, farmers, housewives or New Age enthusiasts. Indeed, some time ago, I made the startling discovery that not all UFO sightings are made by "ordinary people," but among those who have had their lives changed in a single moment following a brush with the unknown, have been some very famous and influential folks from widely recognized celebrities, sports figures, politicians, astronauts, as well as a variety of rock and pop musicians, who you would never think of as UFO believers—but indeed they are!

For the most part, I've kept confidential most of these tales, which were told to me backstage or in private, though I once did a column called "Saucers and Celebrities" for *Saga's* long-since defunct *UFO Report* magazine, and have printed abbreviated accounts of some of these episodes in a number of the above-mentioned supermarket weeklies. Now, however, I believe it is the proper time to break this *silence* due to the very disturbing nature of many of the reports that are coming to our attention from a wide cross-section of the population.

In *UFOS Among The Stars*, you will read over sixty tantalizing—and often bizarre—stories as told to me by some of your all-time favorite celebrities.

CELEBRITY ROLL CALL

✧ WILLIAM SHATNER ✧

The star of *Star Trek* tells of a harrowing, real-life adventure that took place at high-noon in the blistering California desert, where his motorcycle overturned, leaving him unconscious in the sun. He credits "an object glistening in the heavens" for guiding him in the right direction to eventual safety.

✧ JACKIE GLEASON ✧

The "Great One" was an avid UFO buff, with a rare collection of thousands of occult books. In a seldom-told story, Gleason claims that he was taken to a "secret location" by a former President of the U.S., where he viewed, first-hand, the bodies of several small space aliens. Later he returned home to his wife, still pale and shaking from what he had been allowed to see.

✧ MUHAMMAD ALI ✧

The former World Heavyweight Champion believes in UFOs with a religious fervor, after multiple close sightings going back many years. In 1970, he was "buzzed" two nights in a row at his mountain top training camp in Pennsylvania. Now he proclaims that UFOs are of "tremendous importance to the whole world," and even provides readers with artwork of one of the craft he witnessed.

✧ GLENN FORD ✧

Actor Glenn Ford, while sitting on a beach in England, was treated to a thirty-minute display of other-worldly aerial acrobatics, as a disc-shaped object darted back and forth and made what he described as "impossible" right-angle turns while moving at fantastic speeds.

✧ DICK GREGORY ✧

The noted, black humorist believes there is a Secret Government who would like to foster a widespread belief in UFOs so that they can set up a One-World Government (a/k/a the New World Order). He believes that celebrities may be "set up" and used to promote this plan. He has seen and photographed these objects himself.

✧ JOHN LENNON ✧

The Beatle had a shocking encounter while living in a Manhattan penthouse. He and girlfriend May Pang were amazed to see a "circular object with many brilliant lights around the rim" fly directly over their building and then off in the direction of Brooklyn. According to Pang, for

WILLIAM SHATNER—Star of *Star Trek*, says his motorcycle stalled in the desert and a strange object in the sky led him to safety.

the rest of the night, John kept repeating, "I can't believe it. I saw a flying saucer."

✧ RUTH WARRICK ✧

The long-time star of TV's popular soap *All My Children*, is an outspoken believer in UFOs and the entire realm of psychic phenomena. She has taken part in Skywatch events in New York City, has had vivid out-of-body experiences," and has an adult son who believes he is in contact with space beings.

✧ STUART WHITMAN ✧

During the "Great Blackout" of 1965, the actor was asleep in his twelfth-floor hotel room in Manhattan, when he was awakened by a loud buzzing sound and heard his name being called as if over a loudspeaker. Looking out the window facing Central Park, he was amazed to see two glowing, egg-shaped objects hovering there. Projected voices told him they—the aliens—were causing the blackout, and that it was a demonstration to the people of Earth, as well as a warning to stop nuclear proliferation.

✧ DAVID BOWIE ✧

The Superstar of rock has been a confirmed UFO enthusiast since his early days in his native England. He and his friends had frequent sightings of as many as six craft at a time. Later, as his stature in the music field grew, his strong interest in Other Worlds was manifest in such hits as "Space Oddity," and in his movie, *the Man Who Fell To Earth*.

✧ ED ASNER ✧

The actor describes a rash of sightings over the army base in New Jersey where he was stationed during training. The entire base was in an uproar for several days as the disc were tracked through binoculars, but the soldiers were given stern warnings by superior "brass" to maintain complete silence about what they had witnessed.

✧ HELEN WHEELS ✧

The "Queen of Punk Rock," along with her brother, were both abducted as children living in Long Island, and examined by small, grey, beings from onboard the ship who have reappeared to them from time to time in a frightening series of experiences.

✧ SOUPY SALES ✧

The famed comedian is quite serious when he says he can identify aliens walking amongst us by a certain look they have in their eyes!

✧ ROBERT KLEIN ✧

While at summer camp as a youth, the famous comic saw—along with 25 others—a formation of six cigar-shaped UFOs that he has not forgotten about to this very day. "They were in formation, one right behind the other," he says.

✧ CHARLES BRONSON ✧

One day, while away from his Bel Air Estate, Bronson's late wife, Jill Ireland, saw a large object hovering above their home. "It just kept rising higher and higher into the sky, traveling against the wind."

✧ ANTHONY HOPKINS ✧

"By using fundamental logic, we can safely and mathematically assume that there must be millions and millions of forms of civilizations and that some of them may be highly advanced," proclaims the Academy Award winner, who believes some UFOs may originate from another dimension.

✧ SAMMY DAVIS, JR. ✧

"I was never afraid of aliens or whatever it is that pilots call these UFOs," Sammy confessed before his death. He had at least two sightings, including one in Palm Springs with a group of others. The object literally "floated overhead," giving him a near perfect view.

✧ EMMETT KELLY, JR. ✧

The world's most famous clown tells about UFOs in ancient Egypt and Atlantis and discusses his own hair raising encounters near Brown Mountain, North Carolina.

Also special sections on Presidents, Politicians, World Leaders and A Conquering General, Plus Astronauts, an anthropologist and an Ace Aviator. From all walks of life, they have come to relate their experiences.

JACKIE GLEASON—Famed funnyman told his wife and a few close friends how he, along with a former President, actually examined the bodies of aliens.

MEL TORMÉ—While out walking his dog, a UFO hovered above him in the sky. His son recently was involved in producing the CBS mini-series, *The Intruders*

during the show."

A check with NBC affiliates in cities such as Atlanta and Chicago indicated the same kind of response. Letters poured into the various stations. Since the Today show has approximately ten million viewers nationwide, Arthur Oppenheimer has suggested that, gauging from the New York response alone, "It's clear the experiment must have worked with thousands—it could have been as many as forty thousand people."

Professor John Taylor, Professor of Applied Mathematics at Kings College, London, has stated his research findings indicate that hundreds of kids in the British Isles possess the same remarkable powers as Uri Geller. Taylor met Geller when he was invited to appear as a scientific observer on a British television program so that he could do a "hatchet job" on the Israeli psychic. But Professor Taylor came away convinced of Geller's abilities.

After the show, as he tells it, Taylor was swamped by reports of people all over England with similar powers. He learned that the majority of those with real ability were children under 17 years of age.

Taylor selected three boys and three girls for a number of experiments. He found that two of them could fold paper clips into balls just by concentrating upon them. He found one boy who could, by thinking about the shape of a dog, make the paper clips twist into the form of a dog. Taylor has recently written a book, Superminds, on the strange phenomenon, in which he says that he knows of 46 British children with psychokinetic abilities similar to those of Uri Gellers'. Later he said that he now estimates the number as being at least ten times as many.

In Denmark, seventeen-year-old college freshman Lena Duse emerged to be declared "the most powerful psychic I have ever come across—and that includes Uri Geller!" by Dr.

Richard Mattuck, Senior Physicist at Denmark's prestigious Orsted Physics Institute at Copenhagen University. Under strictly controlled experiments at the institute, the teenager used the power of her mind to bend thick iron nails, even while one was encased in a sealed, glass container, to divert a compass needle, to speed up time on a switch, and to boost the temperature on a thermometer.

Lena does not intend to offer competition to Uri Geller, however. She is a shy young lady who prizes her privacy far above international fame and controversy. Although she did appear at a press conference with Uri Geller on one of his visits to Denmark, she has since adamantly refused to talk with any member of the press. Her father has told those who try to force the issue that Lena is determined that she will not become a curiosity. She says that she is frightened by the powers that have beset her, and that she wishes they would go away. She just wants to be a normal girl.

In explanations of human character, the word "normal" can offer a stumbling block in many situations. It may be that it is quite normal to have abilities such as those of Uri Geller, and that most children have these abilities carefully tutored out of them as they progress through the average educational institution in the Western world. Or it may be, as some people have suggested, that a root race is now emerging in which abilities such as bending metal, influencing one's environment, and developing and expressing all sorts of psi abilities would be considered extremely normal.

For many years now, those who study various esoteric teachings have been predicting the dawn of a new root race, with births occurring on a planetary scale. The children will represent a quantum leap in terms of their advancement on the evolutionary scale.

Why were these men **SILENCED**?

One by one, the leading figures among flying saucer researchers, who have challenged the government denial that saucers come from outer space, have been silenced. They are still alive, still living where they used to. But they will no longer talk about flying saucers, or reveal why they refuse to do so.

Who were the three men in dark suits that visited them? Were they government agents, or agents of other planets? Whoever they were, they have silenced the researchers.

Now...in **THEY KNEW TOO MUCH ABOUT FLYING SAUCERS**, you may read the facts behind this frightening story—facts never before published!

Gray Barker, the author, was Chief Investigator for the International Flying Saucer Bureau—an organization which had its principal leader silenced by three men in black before he could reveal to the world his solution to the flying saucer mystery. Other leading investigators have also been intimidated. All their stories are here.

They Knew Too Much About Flying Saucers

Before his death, Gray Barker remained one of the unsilenced few. His true, amazing report includes eye-witness accounts of the famed Flatwoods “monster” which landed on a dark West Virginia hillside.

CIA/ALIEN CONNECTION EXPOSED!

The following books contain dramatic details concerning the U.S. government's attempt to keep hidden from the public the greatest truth of all time...the fact that interplanetary visitors have arrived upon our cosmic shores. Eight U.S. Presidents have been aware of the facts.

It has been said that John F. Kennedy was assassinated because he was about to reveal the existence of a super intelligence group known as "MJ-12" who have had in their possession since the late 1940s wreckage of space craft as well as bodies of small, gray-colored extraterrestrials.

**WARNING: READ THESE BOOKS

by Brad & Sherry Steiger with Alfred Blelek

In 1943, the U.S. Navy secretly accomplished the teleportation of a warship from Philadelphia to a dock near Norfolk by successfully applying Einstein's Unified Field Theory. The experiment also caused the crew of the ship to become invisible, during which time they were sent to a time-space warp into another dimension. The majority of the crew continued to experience devastating "side effects" the rest of their lives, becoming invisible and catching on fire. For the first time a survivor of the experiment tells his personal story and how the project was actually the result of alien technology. The book also covers other classified "Black Projects" such as genetic cloning, age regression and progression and time travel—\$15.00.

③ COSMIC TOP SECRET—AMERICA'S SECRET UFO PROGRAM
by William Hamilton (Introduction by John Lear)

At this very moment within the confines of a secret military base in Nevada the U.S. military is test flying craft from other worlds which they have obtained as the result of these objects crash landing on Earth. This is a conspiracy that leads right up to the front gate of the White House, and involves the agreement forged between the military and a group of ETs referred to as the EBEs (short for Extraterrestrial Biological Entities). As part of this conspiracy, the government has literally "sold out" our citizens by extending to the EBEs the right to abduct humans and to plant monitoring devices in their brains, in exchange for technical and scientific data. "Our only hope for survival," says Commander X, "is a second group of benevolent ETs—most commonly referred to as the 'Nordic-types'—who believe in the universal law of 'non-interference.'"—\$15.00.

⑥ UNDERGROUND ALIEN BASES
by Commander X

Aliens have established underground bases around the planet. An ancient tunnel system has existed on Earth since the time of Atlantis. Entrance ways can be found in many major cities. Shasta, California, as well as in the Andes. Here also are the first-hand reports of individuals who have been abducted, and have survived genetic experiments in these locations—\$15.00.

⑦ THE UFO SILENCERS—MYSTERY OF THE MEN IN BLACK
by Timothy Green Beckley

One by one they have warned witnesses to remain silent! Who are these strange beings who have become so much a part of unexplained aerial phenomena? Are they military agents? ANCIENT SECRETS TO BE REVEALED BEFORE TURN OF CENTURY!

THE AMERICAN INDIAN UFO-STARSEED CONNECTION

DO THE NATIVE AMERICAN TRIBES KNOW MORE ABOUT UFOS THAN THE REST OF US—INCLUDING PERHAPS EVEN THE GOVERNMENT?

Recently, an attempt was made to contact and communicate with the occupants of a UFO that had been observed time after time over Second Mesa on the Hopi Reservation in Arizona. Representatives of the news media gathered for what they considered to be another "human interest" story, not really expecting anything "out of the ordinary" to transpire. Suddenly, a bright object was seen hovering in the sky, and while it did not land those present went away convinced that they had witnessed a "miracle" in the form of a craft from another world.

When questioned, the "Wise Men" and Elders of the tribe expressed little skepticism over the incident, pointing out that their Native American tradition, included various legends relating to visitations to our planet centuries ago by space travelers who imparted their wisdom and technology to those who then occupied the land in a more civilized manner than the majority of us do today.

HOW DO THE INDIANS FIT INTO THE UFO PUZZLE?

here is evidence that these contacts between the Indians and the "Space Brothers" have continued down through the ages to this very day and that some of the ancient secrets now being closely guarded will soon be revealed to a stunned world. With chapters by some of the most astute writers on the subject (including Brad Steiger, Chris Warner, David Jungclaus and Jackie Blue), there is a growing belief among many that the Amerindians know more about UFOs than the rest of us—including perhaps even the U.S. government.

Edited by Timothy Green Beckley, **THE AMERICAN INDIAN UFO-STARSEED CONNECTION** covers a wide range of topics including the feeling among many psychics and those spiritually attuned that we are living in "troubled times" and that we may be about to enter the "Last Days" frequently spoke about.

here is also a feeling among the "aware" that the Indians may lead us to a safe "New World" based upon their extensive contacts with extraterrestrials. Explored are many striking revelations and prophecies from the Hopis, as well as the truth about the Kachina spirits and their eventual return to our world. " here is," says Beckley, "a good reason why UFOs are so frequently seen over the various Indian reservations up to this very day!"

AMAZING CONTENTS

Here is but a partial listing of the various chapters and topics covered in this stunning new book.

■ AMERICAN INDIANS AND THE STAR PEOPLE

Researcher Brad Steiger traces the history of the Indians for centuries and finds that they have long had a tradition of contact with Star People and that these influences can be found in many of the legends of the various tribes, as well as in pictographs carved in caverns and on rocks throughout North America.

IS IT MERE COINCIDENCE THAT NUMEROUS UFO SIGHTINGS TAKE PLACE OVER SACRED INDIAN LAND?

■ SECRETS OF THE TOTEM

Every grade school pupil knows what a totem pole looks like, but not even the most educated grownup may realize the significant bit of symbolism to be found in the history of the Indians regarding these ancient wooden artifacts.

■ PLAYGROUND OF THE GODS

Is it a mere coincidence that a good number of UFO sightings take place to this day above sacred Indian spiritual places or over the various reservations? Do some Shamans still communicate with these Gods from other realms and dimensions and what is their message for humankind?

■ STAR GODS, HOPI REVELATIONS & THE MISSING SACRED STON

What secrets are still held within by the Medicine Men of the Hopi and other tribes? What is the sacred meaning of the White Dove and the mysterious "Star Symbol" of the UFOonauts?

■ DO HOPI PROPHECIES HOLD KEY TO MYSTERIOUS ARTIFACT

Recently an amazing discovery of a mysterious artifact was made inside a pyramid. What is the connection between this artifact, the lost race of the Mayans, as well as Hopi prophecies to be fulfilled before the turn of the century?

■ HOW THE INDIANS CONTACT UFO INTELLIGENCE THROUGH DREAMS

Revealed—American Indians & The Gods From Outer Space

Not all UFO contacts need be made on a "physical level." For centuries the Indians have believed that one can enter another realm by dreaming, and this includes contacting the intelligence behind UFOs.

■ STRANGERS FROM ANOTHER WORLD

he Indians believe in many different worlds, some of them invisible to us under normal conditions. these worlds are populated by a variety of beings and creatures—including "little men" as well as Bigfoot. Here are numerous enchanting stories concerning these entities.

■ THE KACHINAS—REPRESENTATIVES OF THE GODS

he word "Kachina" reminds most people only of the small dolls or figures sold in souvenir shops throughout the western United States. Few realize that these dolls actually represent beings from another dimension that many Indians believe are soon to return providing to the world that there are other forces and more intelligent beings throughout the universe.

■ UFO STORIES OF THE NORTHWEST INDIANS

here are many abductions and contacts that can only now be told as well as many encounters of the Northwest Indians that are little known to those living outside the tribal towns. Here are the true tales of the modern-day Indians that go even beyond the legends of old.

■ VISION AT COURTHOUSE ROCK, SEDONA, AZ

One does not have to have Indian blood to experience a meeting with these hidden worlds well known to the Indians. A visit to Sedona's Courthouse Rock served as a transformational experience for David Jungclaus, and it can for anyone who goes on their own Vision Quest at such a Vortex.

NOW! THE ORIGINAL WHITE SANDS UFO CONTACT THAT SIGNALLED A NEW ERA

IN ITS 17th PRINTING. IN 8 FOREIGN LANGUAGE EDITIONS. Horus House Press is proud to offer a reprint of this UFO classic contact case. As a young engineer at White Sands Proving Ground, Dr. Daniel Fry was contacted by UFOnuts, given an evening 8,000 mile ride from New Mexico to high above New York City and then returned to White Sands in a little over one hour. In the initial contact of July 4th, 1950, and in future contacts, Dr. Fry was instructed and informed as to the prospects of our future troubled world. Don't miss this description of the first public, and perhaps the most convincing, UFO contact case on record. Dr. Fry had little to gain and much professional reputation to lose in presenting his case to the public. In spite of official and unofficial pressures of then and now, he readily accepted the mission offered to him. It is much to his credit that Dr. Fry never faltered in offering his inherently sensational story with simplicity and dignity.

FREE—YOUR OWN "IMMORTALITY TALISMAN"

COUNT SAINT GERMAIN—THE MOST MYSTERIOUS MAN OF ALL AGES—WOULD LIKE TO SHARE THE SECRET OF ETERNAL YOUTH WITH YOU!

SECRET FORMULAS OF THE WORLD'S GREATEST ALCHEMIST REVEALED FOR THE FIRST TIME

- ✓ Would you like to lead a happy, healthy and prosperous life of well over 200 years?
- ✓ Would you like to be able to apply certain ancient formulas and become rich beyond your wildest dreams?
- ✓ Do you wish to have more say in your life's destiny and added control of your mind and body?

Science may be on the verge of a fantastic breakthrough in life extension. At this very moment researchers in various universities and laboratories around the world are on the cusp of a monumental discovery which will allow each and every one of us to live longer, more productive, lives. It is speculated that a good percentage of us alive today could live to be 200 years old—and beyond!

Actually the secret of longevity has been known to spiritually advanced individuals for centuries. A reading of the Bible shows that it was not uncommon for those close to God to live to be a thousand years of age. Some theologians even suggest that one Biblical figure, St. John the Apostle, may never have passed away, but might have gone right on living, because his heart was so near to the Lord and he had befriended His only son Jesus.

Every age has its sages, its avatars, its prophets, and its master spiritual teachers.

Yet, no other figure in any age—including the time in which we currently live—is more revered than is the man of mystery known the world over as the Count Saint Germain—the man who never dies.

But who is Saint Germain? Does he really exist? And if so, what meaning can he possibly have in our lives?

Indeed, does he have an important message that he would like to share with each one of us? And if so, should we take what he has to say with a great deal of seriousness?

More and more, we see the name Count Saint Germain popping up in popular literature, from occult books to "dime store" historical novels.

There are those who claim to have met him personally, while others say he has "materialized" before them, or spoken to them on a regular basis, "channeling" messages of love, harmony, prosperity and immortality from a hidden city somewhere beneath Tibet.

YOU CAN BECOME AN ALCHEMIST

Here is said to be a man still alive and approaching the ripe old age of 400, who supposedly roamed Europe in the Seventeen Hundreds, helped the Founding Fathers draw up the Bill of Rights, and appeared on a television program in France as recently as ten years ago.

Furthermore, Saint Germain stumbled upon the secrets of the ancient art of learning how to restructure matter, rearrange atoms, and turn a lump of ordinary slag into a valuable piece of gold the size of a fist.

It can be proven he was rich beyond our wildest

A rare portrait of Count St. Germain commissioned in 1785, before faking his own death.

dreams...much richer than Rockefeller, the Rothschilds or any would-be dictator.

Saint Germain literally adorned himself with diamonds (which he "manufactured" in an alchemist's furnace), and most importantly, came across an ancient Cabalistic spell which enabled him to create the legendary "Philosopher's Stone" for eternal youth.

A TRUE ASCENDED MASTER

Throughout the last four centuries, Saint Germain apparently has walked the Earth in a variety of disguises, easily mingling with world leaders in order to promote the virtues of freedom and democracy. He particularly loves the United States, and has saved this country from great harm several times when he appeared before our President to offer advice and wisdom from higher realms. He may have even helped avert a nuclear war with Russia during the Cuban missile crisis, and is said to have warned Kennedy not to go to Dallas.

NAPOLEON'S SECRET COMMISSION

Among others, Napoleon was so taken with Saint Germain's activities in Europe, that he had formed a special commission to investigate the life of this man to see if there was any truth to the many fantastic claims being widely spread about him. The commission's findings were destroyed in a fierce fire that is thought to be more than "coincidence."

What we've concluded is that Saint Germain's ability to never grow old, lies not just in metaphysical teachings, but in his very philosophy of living.

Now as we move further along into the New Age, it is possible for each of us to accomplish much of what Saint Germain has done; to literally become our own alchemist and discover for ourselves the secrets behind the "Philosopher's Stone."

If you are at all fascinated with the possibility of immortality for yourself, or wish to possess the secrets known to only a few "wise men" or adepts, then by all means you will want to place your order for this book using the coupon provided.

The World Before

DID GOD ALWAYS EXIST? REVEALED: THE DIVINE CREATION OF LIFE ON EARTH.

NEWSFLASH — CHERO, EGYPT

Archaeologists working with a group of laboratory tested clairvoyants near the Great Pyramid have made a series of amazing discoveries proving that the Great Pyramid was constructed with the assistance of the High Priests of Atlantis. These "Wizards" were masters of the mystical arts and there is now sufficient evidence that their extraordinary powers — including those of levitation, invisibility and faster than light travel — were originally presented to them by the "Old Ones" who came down out of the Heavens at the very dawn of humankind. Based upon inscriptions found in previously sealed tombs, these archaeologists proclaim that a great New Age will soon sweep the planet, to be perfectly timed with the rising of the "Lost Continent" and the re-emergence of the Overlords of Atlantis who are returning to this dimension at this key pivotal point in our world's history in order to shape the future destiny of humankind.

These discoveries have proven so startling that a total news blackout has been ordered to prevent the spread of this information which would, it is felt, alter the course of history virtually overnight. Vast changes in science, religion, world relations and cultural affairs have been predicted due to the Earth shaking nature of these undisputable facts about the evolution of our planet.

IN THE BEGINNING

Where did the world originate, and what was there before the "beginning"? What was the world like before the fall of humanity and the Great Flood? Where can one still travel to see the remains of Atlantis and other lost civilizations? How did we get the division of the sexes? Who are the Children of the Law of One? What is the true story of creation of mammals and the demise of the dinosaurs?

MAN IN THE EARTH

Did an Atlantean crystal power Noah's Ark? Did a "Death Ray" once exist that was more powerful than the A bomb? Who really built the Great Pyramid? Do pyramids exist throughout the world besides Egypt? Are there still some to be uncovered around the globe?

AIRSHIPS OF ANTIQUITY

What role did aliens play in the development of humankind on Earth? What sort of advanced relationship did the scientists of Atlantis have with the star people? Was air travel common in ancient Egypt around the time the pyramids were built? Did ETs help put the massive stones into place? Does a secret chamber still exist to this day beneath the sphynx that houses an authentic space ship from another world? Will the Atlanteans and the Space Brothers soon walk the Earth

Return of the Ancient Wisdom

by William Alexander Oribello
Author, *Sacred Magic*

Several thousand years ago, one of the oldest religions in the world was set to become established: not a dogmatic religion of blind faith—but one that believed in the hidden laws of nature and being as *Divine Mind* in all things. Furthermore, the “wise ones” believed that these hidden laws of life were to be used by humankind, to improve our condition, and affect the outcome of day to day, as well as major affairs, so long as it was in harmony with the *Divine Master Plan* for the highest good of all involved. This ancient religion later became known as Magic.

Many well meaning—but misinformed—people associate magic with something evil or forbidden. This is because of misguided religious leaders who have, for centuries, tried to keep the masses in the grip of fear and ignorance. But, as one age passes into another, we find that many people are claiming their *Divine Right* to decide for themselves what or what not to do. As we enter the long-awaited Aquarian Age of Enlightenment, we find that even in this epoch of modern technology, people are still searching for the roots of an ancient Secret Wisdom to control their own lives, bringing about greater well-beingness, more success and prosperity. People—it seems—are returning to Magic.

The Holy Order of the Magi

To return to the opening statement made in this article, an Ancient Religion of Magic was found, in the part of our globe later known as Persia. A man known as Zoroaster founded this religion. Later, some of the keepers of his Esoteric Teachings migrated to the continent of Africa, and were known there as “the Medianites.” There is, I have found, a definite connection between this Religion of Magic and characters found within the Holy Bible. I am able to demonstrate that even some modern religious practices—as well as new age groups—focus on the intellectual approach toward enlightenment, revealing the roots of magic in their presentation and practices.

Magic in the Holy Bible

In the opening chapters of the Book of Exodus, we learn that Moses was raised on and tutored in the Knowledge and Wisdom of Egypt. However, at that time the Egyptian Priesthood was corrupt, and either withheld or had lost some of the Secret Wisdom (this became obvious later).

When Moses realized that he was of Hebrew Origin, he tried to free his people from the grip of human slavery, but failed because he lacked sufficient wisdom and personal power to accomplish the task. The whole affair resulted in his falling out of grace with the ruling

Pharaoh, and even in his murdering a slave master. This man who was raised in honor within the royal palace, was now made a figure of public disgrace, and exiled from Egypt, banished to his own fate as a drifter in the desert. But he found his true destiny when he met Jethro, the Priest of Median (A Magi Initiate) and married his daughter.

Moses kept Jethro's Flock on the back side of the desert for 40 years, until one day, when he experienced Divine realization in the recorded incident of “the Burning Bush.” After this experience, he returned to Egypt with the Wisdom and Power to work his wonders and ultimately free his people from bondage.

Soon after the birth of Jesus Christ, three Magi visited him, offering gifts of Gold (symbolic of nobility of character), Frankincense (symbolic of Divine Wisdom), and Myrrh (symbolic of personal power and self-mastery).

In some translations of the Bible these three men were called Astrologers, Kings of the East (Advanced Initiates), but the term ‘Wise Men’ is the most commonly used. Today, these three souls are now members of the Cosmic Hierarchy (also known as the Ascended Masters of the Wisdom).

Magic in Modern Religion

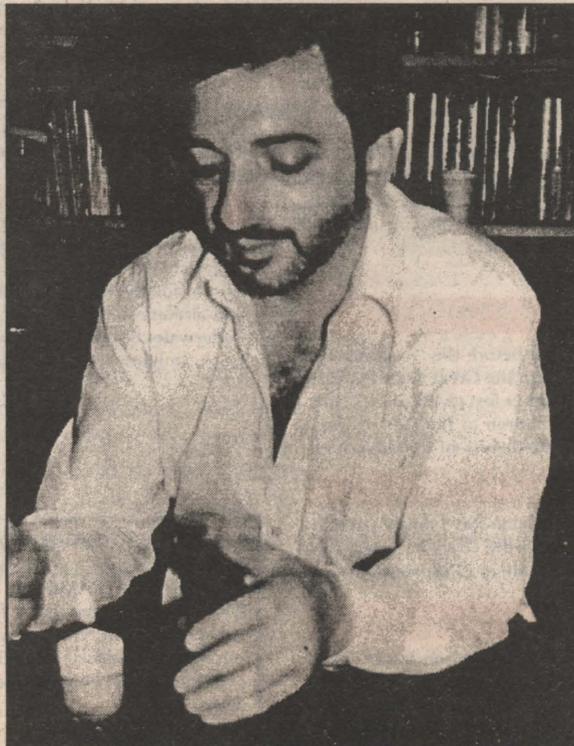

To this day, several Christian denominations use incantations, candles, incense, hand gestures, and other practices, many of which were borrowed from the Ancient Mysteries—the religion of Magic.

Some Charismatic Christians even work themselves up into a state of Religious Ecstasy by the clapping and raising of hands to “Praise the Lord,” at the strong downbeat of Gospel Music having strong “Rock” overtones. This is similar to the practices of the Amerindian, and the “Whirling Dervishes,” as well as other magical practices, ancient and modern.

Magic in New Age Practices

Some of the New Age practices, such as “Aromatherapy,” “Rebirthing,” “Yogic Chanting,” etc., have their roots in ancient and more modern magical practices. For centuries, people have believed in the power of aromatic oils, created by mixing certain herbs with an oil base to bring about desired results to transform the conditions of one's life. These oils were (and still are) used to anoint candles, things, houses, and even people for desired results.

The “wise ones of old,” as they observed the Hidden Laws of nature, recorded the effects of certain herbal combinations, incense and candleburning. They even used

SACRED MAGIC

NOT OF THE DEVIL — BASED ON GOD'S WORD

THE SACRED MAGIC

As a youngster, William Alexander Oribello constantly asked questions about the mysteries of life and the Almighty Power of God. His parents and the family's minister answered his probing questions the best they could, but their answers were lacking until one day when little William was touched by the thunderous power of the Lord. A beautiful light surrounded him and he was given a divine message that he had been selected to receive and teach the most powerful lost secrets of THE SACRED MAGIC to all the world at the dawn of the GOLDEN AGE.

THE SACRED MAGIC is the essence of the mystic teachings given by the Magi and the Masters of Wisdom to Rev. Oribello. To determine if you have been so CHOSEN to receive this hidden knowledge, answer the following questions truthfully to yourself:

() Do I want peace, joy, love and prosperity to fill my life completely?

() Do I desire to know and work with the unseen forces of the universe for dynamic success in all that I do?

() Do I desire to help others overcome their problems through and by the great magical power I gain?

() Do I want total control of all situations which manifest in my life?

() Do I possess an unrelenting need to know the answers to the mysteries of life, death, and the workings of the universe, both quickly and easily?

If you can answer "YES" to a majority of these questions then this is obviously the path for you... Here is a mere sample of what you can expect to learn from Rev. Oribello's SACRED MAGIC manuscript:

These talismans are said to have originated with King Solomon. You will be given special instructions as to what to do with these talismans which will be included with your book. There is even a miniature replica of the Staff of Moses which is said to be the most powerful symbol given to humankind by God. Through the ages these talismans have been carried by the most influential individuals, including many world leaders who knew of the power they possessed.

PLUS THE HAND OF GLORY

Also included with your copy of THE SACRED MAGIC will be the complete illustrated version of the famous "Hand of Glory" also called the "Hand of the Mysteries." For many centuries mystics believed that to have even a picture of this powerful symbol in their home would protect their dwelling from all evil works. You can learn for yourself the secret ritual which is said to activate the power of the hand. You are warned to keep the instructions secret—as they are meant for you and you alone.

ABOUT THE AUTHOR

William Alexander Oribello is an internationally known teacher of spiritual truths. Since 1965 he has delivered more than 3,000 lectures and is the author of several manuscripts containing higher metaphysical secrets. The author is also an ordained minister and director of the Mystic Light Society located in Philadelphia. Ever since childhood when he began having visions, Rev. Oribello has been in command of God's Universal Energy, which can—when applied properly—bring happiness, self-mastery and wealth to anyone. Now with the coming of the much prophesized NEW AGE, he has been told by the HIGHER MASTERS OF LEARNING to share this valuable information with those who seek it.

an advanced form of Hypnotism in their Initiation Rites, similar to rebirthing, to free the initiate of any subconscious blocks, so that their lives would be transformed into one of great power. The ancient Magi taught that "He who possesses the Power of the Spoken Word was the greatest initiate." This reminds us of modern day "Affirmations" and "Yogic Chanting."

Magic is Good

Magic, religion and government all started out the same way—for the benefit of humankind. Therefore, all these things are essentially good. It is the misuse of these things that has given them (including religion) a bad name.

My Personal Experiences

My memory goes back to a very early time in life. I can actually remember being in my crib, trying to adapt to people, events and the language of those around me, while memories of a glorious realm began to fade with each passing day. By the time I was two years old, I began to ask questions about God and the Mysteries of Life. My elders thought that there might be something wrong with me to ask such deep questions at such an early age. Some of them tried to answer these questions the best they could, others admitted not knowing.

Throughout early life, I received visions and visitations of the Angelic type. These were rare and brief, but I was slowly being prepared for my life's work. My family met and entertained different people, many of whom were visiting, studying or working in America from abroad. Most of these people were ordinary, yet intelligent and interesting people. However, there were a few who seemed to befriend my family just to get a message to me. At the first opportunity of being alone with me in the living room, they would mention some of the things I was experiencing at the time, and told no one about, and give me certain secret instructions. This continued for a few years, and resulted in three notable experiences.

The first experience was a materialized manifestation of Jesus the Christ, the second was of Lord Buddha, and the third was of the Three Wise Men. It was in 1964 that I was suddenly awakened out of sleep to find these Three Men dressed in the garb of the Magi, standing in my room. One of them opened a large, old looking book (like an old family Bible). Throughout the night, I read the pages of the book, which was handwritten, and it contained words that explained Life's Mysteries and Secret Pow-

ers. Every word seemed to burn its way into my innermost consciousness as the pages were turned quickly. I was told that the knowledge and wisdom would be hidden within my heart, and that it would manifest when I needed it to help and guide people. Before they vanished from physical sight, they also informed me that I would write down some of this information in future books.

In 1965, at the age of 18, I officially started my work as a Spiritual Science Teacher, Healer and Counselor. For several years, I traveled widely, lecturing and consulting with people from all walks of life. Then, in the early 1980s, I began to write. One of the first manuscripts was "Sacred Magic," written in Los Angeles in 1983. A privately published edition was issued to my students in California and abroad. But a person's name kept coming into my consciousness—the name was Timothy Green Beckley.

On my return to Philadelphia in 1984, I successfully made contact with Mr. Beckley, and shared some of my experiences with him, and told him of my recent writings. Although a very busy man, he took the time to listen and rejoice with me in my experiences with the Divine. I sent him review copies of *Sacred Magic*, and, within a few months, Inner Light Publications issued a global edition of this book. *Sacred Magic* has gone through several printings since then, but now I have some glorious news to share with you.

An enlarged and revised edition of *Sacred Magic* is now being made available. This new edition contains all the vital information in the old edition—PLUS new information that may now be revealed. The *New Edition* of *Sacred Magic* is packed with dynamic magical and spiritual information that will transform your life into a living dynamo of good fortune, prosperity, better health, success in money, love, self-esteem and all matters of life. JUST HAVING A COPY OF THE NEW EDITION OF SACRED MAGIC IN YOUR KEEPING WILL BE LIKE HAVING ONE OF THE MOST POWERFUL TALISMANS OF MAGIC IN THE WORLD. It is a combination of information written in some of my privately published monographs, other books of the past, things which I was not permitted to reveal until now, in addition to all of the information in the first publication.

These are times when YOU NEED THIS INFORMATION—more than ever. More and more people are using the Ancient Wisdom to solve modern-day problems. Until our next communication, may the greatest Divine Blessings be yours.

PREDICTED:

- GRAVES OPENED & CORPSES GONE
- THOUSANDS VANISH

UFOS AND THE SPACE BROTHERS WANT YOU TO SURVIVE DOOMSDAY

Psychics, spiritual leaders, scientists and UFO contactees all agree that we are living in what has been called the END TIMES.

- The foundation of our civilization is about to crumble.
- The physical world as we know it is going to be destroyed.
- Psychic spiritual and "other-worldly" forces are about to take over!

THE TRUTH CAN NOW BE TOLD

An in depth study recently conducted by a highly qualified UFO researcher indicates drastic changes in our daily life, as well as in the shape and construction of our very planet, are imminent. This information has been channeled to at least 20 of the most highly respected contactees from more advanced beings who reside on other planets and in other dimensions. Unanimously, they agree that a global catastrophe will soon sweep over our nation as well as the rest of the world.

According to the SPACE BROTHERS whom they are in contact with time is *running out*. We are being told the Earth is rapidly entering the twelfth—AND FINAL!—hour for humankind. All indications are that a "time bomb of destruction" is about to go off ridding the planet of civilization as we have come to accept it. The Book of Revelations will be tomorrow's headlines as Armageddon engulfs the globe.

There are those who say a THIRD WORLD WAR is on the immediate horizon, that an ecological imbalance is now taking place, and a shifting of the North and South Poles is due, which could tip the earth out of its present orbit and send it hurtling toward the sun.

YOU CAN BE SAVED!

While utter chaos will take place all around us, all of those who have received this highly advanced, truly prophetic warning have said that the "Chosen Ones" who "are ready" will be saved and taken off this planet just in the nick of time.

Our special, fully illustrated report, a 50,000 word book titled **PSYCHIC & UFO REVELATIONS IN THE LAST DAYS**, is the most comprehensive volume ever put together on the subject. There is no other work like it as this book has been *inspired from above*. These are some of the important things you will learn—things you will NEED to know in order to make the transition from this physical dimension into a *higher* realm.

- Specific data on land changes. Find out which States will be geographically altered and the "safe" places to go to be out of immediate danger.
- A time table indicating when these events will begin to take place and the order in which they will occur.
- Exact "signs" and "wonders" to watch for which will indicate that only months are left.

- What material objects—"valuables"—you will need in order to survive, and where to obtain them.
- The day you will vanish from this planet—a mass evacuation by space ship will take place in which hundreds of flying saucers will come down out of the sky and "lift off" the worthy. What are your chances of being saved, and what can you do to make certain you are among "the chosen."

Some of those who have contributed to this valuable reference include *New Agers Brad and Francie Stelger; Space Channel Rober Short; the spiritual group Mark Age; UFO communicator Jane Allyson; Parasychologist Warren Freilberg; and the space being known as Ashtar.*

If you have even a slight interest in UFOs you will want to order this book. This is not just another title filled with wild stories, but this volume actually presents useful data which could change your life and help you to survive DOOMSDAY!

WILL YOU BE ALIVE IN 1995?

CARRY A BEAUTIFUL SYMBOL OF THE NEW AGE SPREAD THE WORD—JOIN THE LEGIONS OF LIGHT

Ashtar and the "Space Brothers" have repeatedly said that it is time we New Agers show our belief in the existence of more advanced life in space. As a special momento to coincide with the release of this important volume we are offering for a limited time only a beautiful medallion depicting the symbol of the New World Order—a rainbow with a flying saucer flying over it (see above illustration). This medallion can be worn, carried in your pocket or used as a key chain. Other "believers" will be able to spot you at a distance and the Space Brothers may even be able to pick up telepathically the fact that you have this in your possession. This medallion is not available anywhere else and is offered only to those who order a copy of this exciting new book that is crammed full of predictions for the LAST DAYS and thrilling tales about a wonderful future to come.

ONE OF THE WORLD'S MOST WIDELY RESPECTED
PSYCHICS TELLS YOU HOW TO OBTAIN
EVERYTHING
YOU DESIRE IN
THE TWINKLING
OF AN EYE

by Tim Beckley

Bryce Bond is one of the most remarkable men of our age.

In addition to personally having observed many miracles in his life, he is a famed psychic whose talents have been witnessed by millions of television viewers who each week tune in to watch his popular **DIMENSIONS IN PARAPSYCHOLOGY** program seen throughout the New York metropolitan area.

Although a skeptic when it comes to things even slightly "supernatural" for a good part of his life, Bond found his belief structure radically changed as he stood in an open field near Stonehenge, England, and experienced a first-hand close encounter with superhuman beings from another world who had landed in a UFO.

Before this event, Bond had been a disk jockey and talk show host on a popular Manhattan radio station, "when an inner voice told me to quit my job right in the middle of a broadcast. As soon as the next record went on, I marched into my bosses office and informed him that I was going off the air. He couldn't believe what he was hearing, but I knew I had something more important to do in life besides spin Frank Sinatra tunes."

Over the course of the next few years, Bryce traveled to exotic corners of the globe tracking down what others would consider to be "unbelievable stories." Among the incredible feats of psychic powers he witnessed were:

- Out-of-body travel, where individuals near death actually looked down and observed their bodies below. Often these men and women passed through the door to heaven where they have encountered loved ones or even the Supreme Being before returning to their physical forms.

- Mental telepathy and communication with the dead.

- Psychic dentistry, in which missing teeth were mysteriously replaced by the "Holy Spirit" in a person's mouth.

- Amazing examples of healing with the simple laying on of hands.

- Bonified meetings with extraterrestrials.

- Astral projection, in which a person was able to travel through space and time while they physically remained seated in a chair.

Super Psychic

Training with those many experts he met, Bryce soon discovered that he was as much of a psychic as anyone else—only, perhaps more so. Today, this talented and intelligent broadcaster has de-

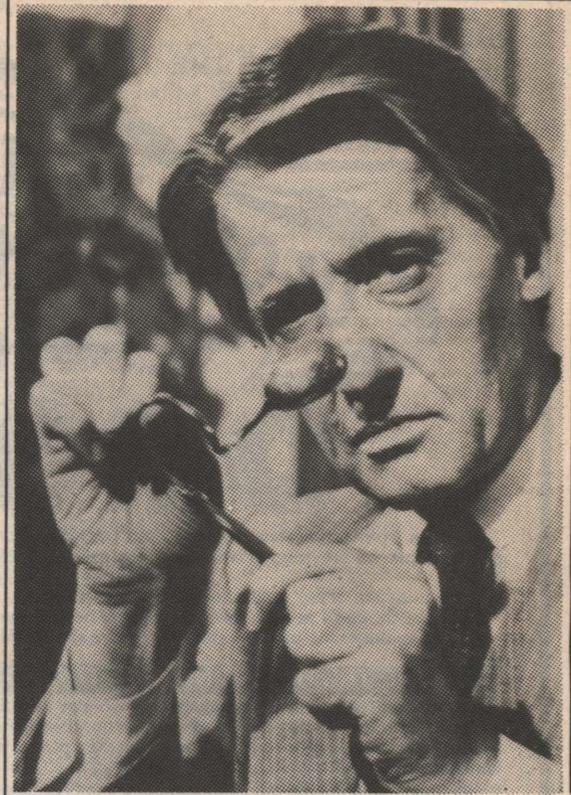

veloped his abilities to the extent where he can bend metal, act as a channeler and medium, as well as work in the healing arts (going so far as to be accepted as an accredited member of the National Federation of Spiritual Healers in Great Britain).

Says Bond: "Some healings can be done in just 30 seconds with the transfer of energy into another individual. As I place my hands on the troubled person, I visualize the affected area as totally perfect. Then, I flood the area—mentally—with white light."

As for what others have termed "channeling," Bryce also finds that he is quite receptive to picking up vital information from "other sources." "Much of the material I 'receive' is of a spiritual or personal growth nature, meant to enhance the lives of those I am counseling for. It is possible for me to tap into the collective unconscious much like the late Edgar Cayce did."

Anyone can possess amazing powers

According to Bryce Bond, everyone on Earth has the capability to be psychic and to use the hidden powers of the mind. "At birth we are given these powers but are taught at an early age that such things do not exist, so

Bryce Bond has taught others to use their psychic abilities, including how to bend metal with a few simple mental commands. His TV show **Dimensions In Parapsychology** has a viewing audience of millions in the New York metropolitan area. He has been written about widely including in the *New York Daily News* and *Omni* magazine.

we discard them from our life. Soon, as we grow older, our life becomes a mixture of hate, fear, jealousy, envy, anxiety and tension and we find ourselves missing out on that which we desire the most simply because we do not know how to 'tune in' to our higher—more perfect—self.

"All around us," insists Bond, "there is a psychic explosion going on that is going to create a New Age of enlightenment for all those who learn how to 'tap into' this new flow of cosmic energy."

Foremost Spokesperson

For the past few years, Bond has lectured to universities, civic groups and in front of large groups of businessmen and women. He has spoken at the United Nations, at New York University, Hofstra, Drew, Seton Hall, the University of Southern California, as well as had his views aired on the BBC in London. Now through an exclusive agreement with

Inner Light Publications, Bryce has put together a book that he is positive will help others who truly deserve to obtain all that they desire in life—and virtually in the twinkling of an eye.

Through a few simple techniques, the reader will find him or herself in total control of every situation—from the most common everyday, problem, to the unexpected that often throws us for a loop.
