Up Front & Personal With Publisher Tim Beckley Announcing Several New Titles & Our Forthcoming San Diego Fest With Dozens of Exciting Speakers

Publisher Beckley

Way back in the early 1960s, when we got into this field, there were just a handful of establishments around this country who dared to carry anything that remotely smacked of a New Age or a UFO book. There were, at best, a handful of mail order firms who stocked some of the better known titles and a few "stores" (if you want to call them that) that operated out of living rooms and back porches that customarily sold to a dozen or so people who might be into these "far out subjects" in the largest of communities. In those days, polite folks didn't dare mention such bizarre matters as alien abductions, reincarnation, angelic visitations, near death experiences, ghosts and a wide range of other paranormal subjects. And the only publication around was a little digest magazine called *Fate* (which is still being published) that dealers, for the most part, hid away on a bottom rack where it couldn't easily be found.

But "we've come a long way, baby," to parrot a popular expression.

Today, you can find our books in quite a few bookstores (even in some of the large chains). The number of so-called New Age or metaphysical shops have multiplied to around 2,000 nationally, and though many of them disappear almost as soon as they appear, several have thrived successfully for a decade or more. And while we're happy to be able to reach many new customers by this means who have never heard of us before, the mainstay of our existence is still those who buy our books by mail.

Which brings us up to the point of this short, personal message.

We Have Some Great New Books To Offer You This Issue!

Throughout the pages of this issue, you'll find some wonderful new offers. We particularly want to bring your attention to the following:

- **ON EARTH ASSIGNMENT**—Compiled through Tuella by the Ashtar Command. If you've ever wondered if you are a *Walk-In* or a *Star Person*, or wished to know what your "task" might be on Earth with regard to the New Age, this book is a must for you. Tuella's previous *Project World Evacuation* is considered "must reading" by thousands. Now she has gone even further in regard to her mission as a representative of the forces of love and light that are arriving here to protect our planet.

- **THE CONTROLLERS—THE HIDDEN RULERS OF EARTH IDENTIFIED**—By Commander X. This book manages to project the other side of the coin. Just as there is good and evil in everything, there are those, says the retired military intelligence operative, who are trying to control our thoughts as well as our bodies to enslave us. Those who believe in a global conspiracy theory will want to latch on to this new title right away.

- **THE SMOKY GOD AND OTHER INNER EARTH MYSTERIES**—This is a title I'm particularly proud of, since I edited and compiled the material in its pages. Those who are fascinated with the idea that there are vast unexplored areas inside our very own earth will want to add this volume to their library.

- **THE PHILADELPHIA EXPERIMENT CHRONICLES**—Another work put together by the ever-mysterious Commander X. It reads like a science fiction thriller, but it's the real thing! We all know about the megaton battleship that was rendered invisible and vanished into another dimension. Now there is additional proof that such an experiment took place as well as facts about one of the few survivors (Alfred Bielek, whom we discovered in Phoenix just a few years ago). In addition, Commander X unravels the mystery surrounding the death of the renowned astronomer Dr. Morris K. Jessup who is believed to have "committed suicide" because he knew too much about this terrifying subject.

- **THE EXTRATERRESTRIAL PAPERS**—This is an entirely new mystery involving actual correspondence from someone who pos-

sesses supernatural powers and cannot possibly be "from here." Much of what this ET has to say is fascinating and of great importance. It will empower the reader with fantastic insights into Universal Law.

Hope To See You in San Diego

At this time we are still putting together our fabulous show to be held May 20-23, 1994, in San Diego. It's the fourth annual **National New Age, Cosmic Conspiracies and UFO Conference**, and our program promises to be a "mind blowing" experience. There will be 40 speakers, over 30 workshops, and dozens of vendors to delight and entertain. We are even going to have visitors from Russia to discuss the latest in close encounters and other dramatic UFO-related events. Several new films will be screened, there will be heated debates, a concert, and lots of new friends and associates to get acquainted with.

So see our "Early Bird" special elsewhere in this issue that allows you to sign up for the entire weekend at a reduced rate. A partial list of speakers is also included with many surprises and special guests to be added to what promises to be an exciting conference.

By all means let us see you in San Diego!

Until then (or when your next issue arrives in the mail), enjoy and prosper in life.

Leading Scientist Confirms Existence of "The Controllers"

by Commander X

It's hard to imagine my initial shock when I learned that a leading astrophysicist had arrived at pretty much the same conclusions as I on how this planet seems to be the playground for aliens whom I have dubbed "The Controllers."

As a former military intelligence operative who has been privileged to view specific documents about the presence of ETs on Earth, I have realized for a number of years that we are not really in charge of our own destiny, that far from benevolent aliens actually decide to a large degree the outcome of global situations and how we think on a variety of topics.

From what I have heard, these "Controllers" have been with us since the beginning of time—may have actually been responsible for seeding the planet during the act of creation—and have made many of us into virtual slaves to do their bidding regardless of the consequences to our own Earthly race of human beings.

Their sinister plan of operation is known by the majority of our rulers who have—for one reason or another—decided to turn their backs so that they may continue to act in a position of power, benefitting those who would keep us as sheep in a cosmic chess game.

Over the centuries, those who have discovered the truth about our situation have either been locked up, laughed at, or done away with. Anyone even suggesting that the status quo on Earth may not really be what it purports to be finds themselves, ultimately, in deep trouble. They are either tossed in jail, taken underground into a cavern world (replaced by "duplicates" in their regular jobs and lives) or shipped away to a far-off destination among the stars. Throughout history, only a handful have dared to stand up and tell it like it is.

One of these gentlemen actually held a press conference back in 1971 (though I didn't know about it until recently, when I saw a clipping on the meeting), but very few heeded his warning that our planet is actually under the command of intelligent beings from space who have fantastic powers over us. As far as I know, these statements have since been totally forgotten. They should not be.

• • •

Human beings are simply pawns in the games of alien minds that control our every move. Our whole life and the

complete existence of this universe is at the whim of these creatures that hold fantastic mental powers over us.

So says Fred Hoyle, the famed British astrophysicist and author.

"They are everywhere," he said in a special press conference held in London, "in the sky, on the sea and on the earth. They have been there since the beginning of time and control nearly everything we do!"

Hoyle explained the many reasons why the majority of people had no idea of this.

"Panic is the major reason that no general announcement was ever made," he said. "But there have been some books out on the theory.

"But the books have really only circulated in scientific circles and academic markets. The theory and arguments around it are much too technical for non scientists.

"They seem to be totally free of any physical restrictions, such as bodies. They are like pure thought and can be anywhere at any time they please."

Hoyle then explained that they had the power to appear anywhere as anything.

"They can take any shape or form. They can appear as a tiger in one place or a person in another. They can appear as a gas or a cloud or anything that can be seen by the human eye and even by some forms that cannot be seen by the naked eye.

Hoyle pointed out that this intelligence probably controlled our complete evolution and continues to control our minds. All that man has built and become was done because of tinkering of these intelligent forces.

"And the weirdest thing about it," said Hoyle, "is that at times they actually appear in physical forms."

Hoyle told the press conference that a large part of the scientific establishment is convinced that another intelligence exists on this planet.

"It is not an intelligence from another planet. It is actually from another universe. It entered our universe at the very beginning and has been controlling all that has happened since."

This second universe, says Hoyle, where these powerful minds originally came from, is much like ours and yet on a totally different plane. "It is probably three dimensional like ours and may even have a fourth or fifth dimension which

breaks the time and space barriers that restrict us. But their laws of chemistry and physics are no doubt completely different from ours because they are a much more advanced type of intelligence.

"In this way, they have been responsible for almost all of the legends in different countries which are scoffed at today. They also had a hand in the different things which were discovered in only some parts of the world and not others." Astrophysicist Hoyle, who is known throughout the world as one of the best, could not give concrete details about the intelligence. "They are so different from what we know, that to try and describe them in a language that everyone would understand would be impossible."

"Hoyle said that the most recent documented incident of their appearance was at sea. Dozens of ships were following something on their sonar. It was traveling at 250 knots and 20,000 feet deep. There is nothing on earth that can go that far and that deep.

Hoyle said he didn't expect many people to believe everything he said at the press conference. "Most people...will think that this is a hair-brained theory and just laugh it off. Others will be worried and check with police or governments.

"Naturally the government will deny everything. But most scientists know about it and agreed that it would be a good thing to get the story out and let the public chew on it. A little at a time, more facts will be released until everyone has access to all the information that is now only in the hands of scientists and government officials."

...

If any readers want to buck the trend and look into these

matters for themselves, they will see that what I have to say is the truth and nothing but the truth. Researchers like William Cooper have only dared to touch the surface in their writings, blaming the international atmosphere and global crisis on select groups of individuals or at best "Secret Societies," when I know for a fact that the "Controllers" are not made up of any Earthly organization, though they do have many working on their behalf, both knowingly and without knowledge of the situation at hand.

And while matters may seem to be going from bad to worse, I do believe that ultimately there is a way out of the situation we find ourselves in.

In my latest book, **THE CONTROLLERS**, I describe this ghastly dilemma in great detail and point out ways in which we can straighten out this awful mess.

Readers of this publication are actually being exposed to this material for the first time. My publishers have promised to spend a nice sum advertising the book, but basically with all good literature the best way to get out the word is by telling your friends who may be interested in such matters.

I promise that I will not be silent unless I am killed.

There is much I have learned that I will go out to share with you.

There is more to come in the way of exposing "The Controllers" and those who help them in their global conquest of the human race.

With this knowledge, it will be easier for the whole of humanity to survive any of the coming catastrophes that are planned for us.

We can—in fact—change the face of our future. Let's at least try!!

RED ALERT!

CLASSIFIED! ABOVE TOP SECRET

THE MOST SENSATIONAL GOVERNMENT CONSPIRACY OF OUR TIME IS FINALLY REVEALED TO THE WORLD BY A RETIRED MILITARY OFFICER

SHOCKING DISCLOSURES

- ✓ The U.S. Has Made a Secret Deal With Aliens From Space.
- ✓ ETs Have Set Up Underground Bases in Caverns Beneath The Earth.
- ✓ Space Beings Are Abducting Humans For Weird Experiments With The Complete Knowledge of The Government.
- ✓ John Kennedy Was Assassinated Because He Was About To Tell The World About This Great Conspiracy.
- ✓ Russia & U.S. Join Forces To Safeguard Earth.

This is without a doubt the most shocking story of the century...a story that is so strange and so bizarre as to almost defy believability. And yet it is a story that concerns all of us, as it poses a dire threat to the entire human race.

According to "highly placed" sources, at this very moment certain members of the government and military are attempting to keep under careful wraps the biggest cover-up in United States history. It is a conspiracy that involves a project so hush-hush that only the President and a handful of his most trusted advisors—members of the Defense Department, the CIA, and the National Security Council—are even aware of the very existence of this classified Above Top Secret matter that could well alter the course of our very lives.

Those in the military—because of their dutiful assignments—who have stumbled upon this "secret," have found themselves undergoing intense personal and psychological persecutions that extend for years beyond their being drummed out of the service, because they literally discovered what is happening under our very noses.

This "deception" involves the fact that visitors from outer space have not only set foot on this planet and exchanged scientific data with the military, but have been maintaining bases here for years. Several groups of aliens have actually established ongoing relationships with our leaders. And we have even sent representatives to other worlds, and welcomed with open arms their "astronauts," who continue to live here under tight security. Some of these ETs are benevolent, but at least one group, known as the "Greys," or EBEs, continue to abduct thousands of humans each year for breeding and genetic experimentation, holding them in huge cavern-like laboratory bunkers beneath Earth's surface.

COMMANDER X

Several months ago, a well-known UFO group received a fascinating dossier of documents. This package of ABOVE TOP SECRET material was from an individual who claimed to be a member of the intelligence community. The "Source" stated that he was willing to share some very disturbing information which has involved a massive Cover-Up of gigantic proportions... but only if his true identity was kept a closely guarded secret. He further stated that he wished to be known simply as "Commander X." The bulk of the material he subsequently delivered involves a conspiracy that leads right up to the front gate of the White House, and behind the Kremlin walls, and proves that the recent events in

Eastern Europe were actually orchestrated in unison by the U.S. and Soviet Governments for reasons that involve the security of the entire planet, and NOT just one nation.

PRESIDENTS INVOLVED

Commander X revealed that every President since Truman has been involved in the massive cover-up. Most of us are probably familiar with the so-called *Majestic-12* documents, which tell of the crash of a UFO and the recovery of its humanoid occupants near Roswell, New Mexico in 1947. Many other Top Secret projects have come about due to the retrieval of this flying disc. For the first time the purpose of Project Redlight, Project Aquarius, Project Snowball are revealed. All of these classified projects deal with the arrival of aliens and an attempt to construct a real flying saucer based on the technology derived from captured extraterrestrial craft and from cooperating with these "visitors" who seem intent on going about their "dirty deeds" without any interference on our part. You will learn what Eisenhower, Kennedy, Nixon, Carter and our nation's other leaders learned upon entering the Oval

STARTLING REVELATIONS

- How the early UFO movement was used to spread alien propaganda and disinformation.
- "Insider" testimony of the landing of a spaceship at Muroc Air Force Base, witnessed by President Eisenhower.
- Data on crashes in which the ETs actually survived and were taken into "protective custody."
- The UFO that came down in the Canadian wilderness.
- A case less than a year old from South Africa, in which a surviving ET was handed over to the U.S. and ended up being taken to the infamous "Hangar 18".
- How the recent end to the "Cold War" was orchestrated.
- Suicide carried out by government officials unable to "handle" the information they possessed.
- The man who sits in prison accused of murder, who says while in the service he not only saw several alien bodies, but discovered the AIDS virus was manufactured as part of a chemical-biological warfare program.
- Photographic evidence withheld by the Carter Administration which shows a doughnut-shaped UFO following the President's private helicopter over Panama. Shortly thereafter, Carter is said to have had his own Close Encounter.
- Story of an Air Force Colonel who was observed going into a UFO, and was never seen again. He is reported as "missing in action" in military records.
- Held against their will at various locations, and mistaken for "Greys," there is a plan to "break out" the aliens from captivity.

Office. This conspiracy has been dubbed "The Ultimate Deception."

WHY IS THIS STORY BEING TOLD NOW?

Though he has kept silent for many years despite what he knows, Commander X maintains that he can no longer refrain from giving the inside story. "As someone with close military ties," he explains, "and due to the fact that the government went behind the public's backs in order to conceal this agreement, I believe it is my patriotic duty to reveal all that I know, regardless of the possible consequences. We live in a great country, a nation that believes in free speech and free elections, and I see absolutely no reason why this information shouldn't be divulged—especially before it is too late and while we are still able to stamp out the menace among us."

"This conspiracy has gone on far too long, and it surely would continue were it not for a few brave souls who have literally risked their very lives to leak the story to a public who has been left in 'blissful ignorance.'"

SPECIAL OFFER!

THE ULTIMATE DECEPTION by Commander X is NOT available in bookstores. It must be ordered through the mail, and is available only in a limited edition that is meant for the sincere TRUTH SEEKER. SEEM INCREDIBLE? IF YOU'RE COURAGEOUS AND WANT TO BE A "TAKE CHARGE" INDIVIDUAL PLEASE READ ON...

As we head into the 21st Century, it will be common to see humans demonstrate what we now believe to be supernatural powers such as extended sight (the ability to see lower into the spectrum into the infra-red, or higher into the ultra-violet range), or extended hearing (the ability to ascertain voices and sounds that one perceives from within, but little understood). Others will develop what has been termed "clairsentience," which is the ability to feel something at a distance without touching it due to an electro chemical change going on in the brain.

As these techniques become more common we will see an abrupt change in society. The human species will suddenly take a giant leap in it's ability to control all things created around it, in effect, a utopia will exist on earth. Pain and suffering will be eliminated. By utilizing the 90% of the mind which now lays dormant, mankind will be in total control of its environment.

GOOD NEWS!!! You don't have to wait. Researcher Bill Cox has traveled the world learning secrets that have long been known by only a mighty few. His investigations have taken him to South America where he has penetrated the deepest jungles and deciphered the technology of civilizations which vanished centuries ago. In Egypt he has explored the hidden chambers of the high priests whose knowledge of universal laws was supreme.

Bill's relentless search for the truth has drawn him to some definite conclusions; the most far reaching being that our world is literally criss crossed by other dimensions, invisible realms and unseen kingdoms, each one interacting upon all others. Though our eyes may not see them, there are trillions of life forces around us at all times vibrating to high frequencies which put them beyond our spectrum of visibility. Bill Cox says that once we have educated ourselves to understand these things that the cosmos takes on new meaning and we realize that all of creation is **UNDER OUR COMMAND.**

THE ELEMENTAL & ANGELIC KINGDOMS

When the earth was formed, God made man and woman in his image and gave them power over all domain. But in order to truly establish a rapport with his creations, it is necessary to realize that God also created a host of other kingdoms. Right now **ALL AROUND US** there are uncountable tiny creatures which exist in what is called the "ether". They are just waiting for the instant in which they are called upon to do the work they perform so well. They do not look upon their task as a chore. In fact, they experience great ecstasy when they do what they are meant to do. Whether it is help in obtaining you money, fame, love or anything else your heart desires, they do what you want as long as you know how to talk to them without complaint or resistance. It is their nature to obey like we find in a colony of bees or ants. Besides, they would reject ecstasies awaiting their call should they rebel. There is a hierarchy, an angelic government that exists above these life forms and it too can be put to our best advantage just as the Lord intended.

MIND POWER TO CREATE AND TO HEAL

Using mind energy it is possible to move or alter an object at a distance. There is even a practical experiment that everyone can do regardless of training and you will find this fully explained on page 9.

One person who has adapted the principles in this book has been seen by the author to turn ordinary table butter into money. Likewise, there are those now living on our planet who can cure the ailments of others simply by saying a few words, and thinking in the prescribed manner.

The universe, says Bill Cox, can be broken down into several planes, among which there is an order of invisible realms. Turn to page 11, and immediately you will find out the jobs performed by such invisible beings as Devas, Undines, Sylphs and Salamanders, and how these forces can be put to producing whatever we need to make our life more comfortable on the physical plane. After all why should we go without when God did not intend it that way? In this book you will find out how to create an archetypal form and thus bring into physical manifestation anything you desire no matter how impossible your dream seemed before.

THE ANCIENTS KNEW ABOUT IT

A long way from being uneducated, many ancient cultures existed that were far superior to ours when it came to

knowledge of the universe. Time travel, bi-location and energy accumulation were common feats to the masters of the past. For example, they realized that the pyramid shape was of great significance. That is why pyramids can be found not only in Egypt, but in China, Africa, Mexico, Central America and even off the coast of the United States.

The ancients knew about healing the body and developing the mind. They were familiar with space travel, having established communication with advanced beings from the stars who assisted in their achievements. They knew how to read the aura, and how to project holographic structures in the sky. They were actually able to create "thoughtographs," and upper most they knew how to live in harmony with everything in nature.

Now you too can experience an incredible leap forward in time. No longer do you have to struggle through life. With the knowledge gained from this exciting new book you can now lead the pack and see your wildest dreams become a reality. Don't hold back any longer, become a **SUPERBEING** and achieve your destiny without delay!

Place: Travelodge (at the Zoo), 2223 El Cajon Blvd., San Diego, CA

Very Special Keynote Speakers

TRAVIS WALTON & MIKE RODGERS*

On November 5, 1975, six Arizona woodcutters fled as they saw their co-worker, Travis Walton, struck by a beam from a hovering UFO. When they returned to the scene, the object and Travis were gone. When Mr. Walton showed up five days later, claiming aliens took him, he elicited outrage and division in the small community where he lives, in the White Mountains. Polygraph tests administered to Travis and the witnesses (of whom Mike Rodgers is one) shows the claims of all of those involved to be legitimate. To this day, almost two decades later, the Travis Walton incident remains one of the landmarks of UFO abduction cases and has even spawned a Hollywood movie, *Fire in the Sky*.

“UFO SECRETS OF THE THIRD REICH”

Presented by Vladimir Terziski of the American Academy of Dissident Sciences. Here is amazing historical footage of actual German-made flying disks, a time machine, as well as 20 models of antigravity magnetically levitated free energy craft. It could be that strange airforms being flown inside “Area 51” are based on information obtained from German scientists brought to the U.S. after World War II. Excellent production values and bone-chilling—if not terribly disturbing—information proving not ALL saucers are extraterrestrial!

What is your task to be as an Earth-based Commander?

The Space Missionaries Have Arrived

by Tuella

**As channeled through the Ashtar Command
(Preview of the new book *On Earth Assignment*.)**

The planet earth at this time is heavily populated with Ambassadors from far flung vistas of our Universe, a vast corps of volunteers. These dedicated ones are here on heavenly assignments to aid the coming of Light and Understanding to mankind enduring the limitations of fleshly existence to fulfill that ideal. Are you one of them?

They are the "seed souls" through whom great ideals are transferable, incorporated within creative personalities through whom the past and future become integrated. One light worker has put it this way.

"Being a Star Person is possessing a Universal Consciousness; humankind's next evolutionary state of being. It is the ability to attain the perspective of one who views the planet from a Universal standpoint, understanding that all life is ONE upon its surface, interrelated and symbiotically dependent on one another, existing with a purpose as part of a Divine Plan."

Earth volunteers are programmed within their memory cells with all of the answers and directions to perform their mission successfully. How they use that power is in their hands. Only by becoming permanently embodied could we remain long enough to accomplish a meaningful mission, therefore we have laid aside the glory of other dimensions and the splendor of life as it was, before the veils were dropped upon this incognito existence.

At this time, that encodement is pushing forward through human consciousness at an accelerated pace. As memory cells expel an inner knowingness, a tremendous planetary awakening is taking place. Your keen interest in this publication is proof of your involvement. The new age movement is helping in the de-

codement of thousands and thousands of earth volunteers through the reprogramming made possible through programs of mediation, affirmations, readings, regressions, and knowledge. The corps of universal volunteers is intrinsically drawn to these programs and nothing can prevent their finding them as the memory cell explosion begins.

In the book, *Cosmic Countdown* by Lucy Colson, Andromeda Rex has stated,

"The 144,000 have volunteered for earth missions ever since the time when the Children of God mingled with the Children of Earth, and produced a mutant race with destructive characteristics and from your great spiritual centers many were able to make their final ascent out of earth plane. Not all of the 144,000 were on earth at once, as they are now in place around the world. Slowly they are awakening to their role and destiny in the planet's future. Within them is a 'timing device' to be triggered by a certain vibrational frequency, which eventually unfolds a quiet leadership."

Previous to this excerpt, Andromeda had mentioned that the planetary alignment of 1982 and

its seven eclipse patterns had activated this mystical number of souls.

Investigation, under hypnosis, has consistently revealed a special sadness upon these souls when they enter here. Sadness at

"Almost 50% of the Hierarchy of this galaxy is now embodied in your midst, quietly penetrating the auric envelope of humanity's millions, letting their inner Light inundate the astral world and physical layers of the planet. No longer must enlightened souls hold their tongues, nor hide their wisdom. There is a mighty emanation of Divine frequency flowing throughout the earth, causing men's hearts to yield to their inherent spiritual instincts and responses.

"Much has been said concerning the trials and tribulations that face you in this decade, but these trials are as nothing compared to the overpowering of Spirit that will flood the earth.

"So take heart, beloved children of the stars. This is your day; this is your hour, when your words and works will dot the earth in radiance and Light and you will be scarcely able to contain your joy. We, the Spiritual Hierarchy of this solar system, have combined our own energies to send to your world a mighty spiritual outpouring that will cause your hearts to burst for joy.

"In spite of the works of darkness that will be present, in this day and this hour we promise you, the representatives of Light, a great vindication, a great victory for the God force in your midst. I am Kuthumi, and I promise you these things in the name of the Council of the Ascended Masters of the Celestial Government. As darkness deepens, so all the brighter will shine the Great Light of Our Radiant One. So shall it be."

PROJECT WORLD EVACUATION

Learn about the arrival of the huge "City Ships" (UFOs) that will transport the "Chosen" to a safe "New World" following global disasters. Here is all you must do in order to be part of the predicted "Lift Off" from this planet by the year 2,000.

the prospect of duty on Earth is certainly understandable. Some have compared it to volunteering for service in the Marine Corps. The recruit knows it will be rough but believes that mastering the challenge will bring him maturity. The Marines build men, earth incarnation builds Masters. George Hunt Williamson has written:

"They volunteered to come to Earth and go through the reincarnation cycle here. (That means many lifetimes—Tuella) They are exactly the same as all other earthly people except for one thing. They don't belong here. They occupy physical vehicles to fulfill their missions to Earth."

This inner sadness has been reiterated by many earth volunteers. Deep within, the inner loneliness can be very intense. Unhappy love lives is a recurring characteristic, stemming from the soul's longing for its twin flame, left behind. There is often a strong recognition of other volunteers in the decodement of similar frequencies and the shared realization of strangeness in a strange place. There is a drawing toward the Spacecraft of other worlds since it was a craft such as these, which originally transported the soul to the atmosphere of earth, in preparation for its embodiment cycle.

The Commitment Crisis

At this time, the Space Commands are stepping up interaction with their incarnated representatives. There yet remains members of the fleet in this dimension, who have not awakened to that identity. The Interstellar Commands request that we lovingly share our awareness of our missions and purposes and information concerning their program for Earth, their "call to arms" to these earth-based volunteers. The book, *On Earth Assignment*, is a direct response to that call.

The term "volunteers" is valid, for each one has personally

made the choice before embodiment or appearance, to respond to that clarion call. We are individually encoded to our personal assignment, and to the beings who guide us, and the group responsibilities. We are irrevocably committed in the inner levels of our being, to fulfill that mission that none other could have done as your own uniqueness would have. Most of you are now experiencing the lifting of your veils in preparation for the full recall of that which is yours to accomplish, your distinct part of the greater whole. Be not dismayed, but learn to listen, and trust as you listen. You are being guided to awareness and understanding of your individual goal in embodiment and your unique contribution of Light to the planet.

sent us these words from Ashtar:

"We have once again doing a countdown on the number of workers of the Light Legion of Volunteers. Only approximately one third are actively involved in their commitments made prior to embodiment. An increase in the workloads of active ones is necessitated by the fact that we are working closely with the others who have chosen a less committed route. Assignments are being increased, modified, and changed. We continually evaluate potential, as you adapt to alterations, to determine our next steps. Walk-ins from the Fleet are taking on form at this hour. You need assistance. I cannot stress enough the importance of the role each is playing in relation to the planet."

My friends, it is indeed time to awaken and acknowledge why we have come, and to be "about our Father's business." We are members of a Cosmic Family. In our agreement to come here, we agreed to be veiled. The most serious hazard we face is not preparing ourselves to fully awaken. To become so involved and caught up in earth's activities and pleasures that we lose sight of our inherent identity.

The sorrow of this day is that all too many have not yet awakened sufficiently to assume their missions in the time that remains! Many at the front lines of influence have had to undertake greater responsibilities and more extended tours of duty than originally contracted for.

The Summons of Star Born Representatives

An oversimplified term for these individuals refers to them as "Walk-Ins." Ashtar has stated:

"This program in assisting earth is not new, however past implementations have been scattered, even rare events. But in this generation and an important point in time in the transition of earth into its new frequency, multitudes of special helpers are needed. Walk-in souls are now appearing almost daily. Their acclamation to this dimension is sometimes as drastic as the new born. They need to be discerned and assisted. A severe or devastating illness, or a tremendous healing experience may be in the record."

In an issue of our former quarterly journal, *Universal Network*, we carried an article dictated by Nathant, a representative of the Great White Brotherhood, who spoke of this phenomena.

"When the exchange is made, often the body recovers completely but contains a new personality. The new awareness is aware of the memory patterns, which permits the recollection of all former life and environment. Therefore life can, for the most part, be resumed as permitted by the physical recovery.

"The new awareness is now possessed of a past, and conditions for an earthly environment, and the urgency of the purpose, or mission to be performed. The higher awareness decides what amount of veiling of the 'true self' is required. Also at what rate the memory of the mission and the nature of the true self can be released. Earthman would be surprised to know how many of us are among your society. Eventually you will accept it as commonplace in your existence. Each representative thus privileged must obey the same general laws in the process. The dominion of the higher awareness realizes the conscious physical organism and function in the earth environment. Veils are lifted as the new awareness senses the higher calling and pursues the purpose of the mission."

Ashtar makes clear that these representatives:

"...have a human consciousness through which they must pull their slow awareness and be helped as the infant is helped by its elders. A limited period of confusion is to be expected, but will pass swiftly with the timed release of programming within. They will find a light to guide their understanding and the early mists will clear away."

WHERE SCIENCE & THE PARANORMAL MEET

NO LONGER DO OUR ACADEMIC BELIEFS NEED TO CONFLICT WITH OUR ACCEPTANCE OF NEW AGE IDEAS & THEORIES

Now it is possible to prove through "Scientific Means" the existence of other dimensions and life on other worlds.

Here are two important works that have been kept off library and bookstore shelves.

THE ICELAND PAPERS

Edited by Andrija Puharich, M.D., LL.D.

This work covers three distinct areas of research that are almost completely ignored.

The first area is experimental work on the acquisition of information at a distance by humans under conditions known as "Remote Viewing" in which the *physical signals* are attenuated to near zero level.

- The second area describes the "Geller Effect," best known as "metal bending," which goes back to 41 A.D. when Apollonius was imprisoned and chained in fetters. His disciple Damis witnessed the removal of the iron fetters by Apollonius by an act of his will—in other words, "metal bending."

- The idea that humans can influence matter by using mental powers is also investigated and the existence of telepathy, telekinesis and precognition adequately proven.

Chapters included by Dr. Harold Putchoff; Russel Targ; Elizabeth Rauscher, Ph.D., Professor of Physics, John F. Kennedy University; John B. Hasted, Dept. Physics, University of London; Richard Mattuck, Lektor in Physics, University of Copenhagen; and many others.

ADVENT OF THE COSMIC VIEWPOINT

By Dr. Bryant Reeve

For centuries, Man on Earth has gazed out at endless space and looked at life from his own limited human view. Now, however, as Earthman, he is assaying to conquer "Space." This book presents a challenging inquiry into the tremendous impact that the New Age can have on our human thinking and human institutions, and how we may best prepare for the many changes that lie ahead.

Starting out as a rank skeptic in the UFO and paranormal fields, the author went on a 23,000 mile quest to learn the truth—and what he discovered changed his life forever. It taught him that the UFOs act as a stepping stone to broaden the individual's view of the universe and life itself. His thesis is that by open-mindedly synthesizing the great truths of life from all available sources without fear or favor, a much higher, truer and more satisfying view can be attained, to the great benefit of humankind in this swiftly changing age.

ANCIENT SECRETS TO BE REVEALED BEFORE TURN OF CENTURY!

THE AMERICAN INDIAN UFO-STARSEED CONNECTION

**DO THE NATIVE
AMERICAN TRIBES
KNOW MORE ABOUT
UFOS THAN THE REST
OF US—INCLUDING
PERHAPS EVEN THE
GOVERNMENT?**

Recently, an attempt was made to contact and communicate with the occupants of a UFO that had been observed time after time over Second Mesa on the Hopi Reservation in Arizona. Representatives of the news media gathered for what they considered to be another "human interest" story, not really expecting anything "out of the ordinary" to transpire. Suddenly, a bright object was seen hovering in the sky, and while it did not land those present went away convinced that they had witnessed a "miracle" in the form of a craft from another world.

When questioned, the "Wise Men" and Elders of the tribe expressed little skepticism over the incident, pointing out that their Native American tradition, included various legends relating to visitations to our planet centuries ago by space travelers who imparted their wisdom and technology to those who then occupied the land in a more civilized manner than the majority of us do today.

HOW DO THE INDIANS FIT INTO THE UFO PUZZLE?

Here is evidence that these contacts between the Indians and the "Space Brothers" have continued down through the ages to this very day and that some of the ancient secrets now being closely guarded will soon be revealed to a stunned world. With chapters by some of the most astute writers on the subject (including Brad Steiger, Chris Warner, David Junglaus and Jackie Blue), there is a growing belief among many that the Amerindians know more about UFOs than the rest of us—including perhaps even the U.S. government.

Edited by Timothy Green Beckley, **THE AMERICAN INDIAN UFO-STARSEED CONNECTION** covers a wide range of topics including the feeling among many psychics and those spiritually attuned that we are living in "troubled times" and that we may be about to enter the "Last Days" frequently spoke about.

There is also a feeling among the "aware" that the Indians may lead us to a safe "New World" based upon their extensive contacts with extraterrestrials. Explored are many striking revelations and prophecies from the Hopis, as well as the truth about the Kachina spirits and their eventual return to our world. "Here is," says Beckley, "a good reason why UFOs are so frequently seen over the various Indian reservations up to this very day!"

AMAZING CONTENTS

Here is but a partial listing of the various chapters and topics covered in this stunning new book.

■ AMERICAN INDIANS AND THE STAR PEOPLE

Researcher Brad Steiger traces the history of the Indians for centuries and finds that they have long had a tradition of contact with Star People and that these influences can be found in many of the legends of the various tribes, as well as in pictographs carved in caverns and on rocks throughout North America.

IS IT MERE COINCIDENCE THAT NUMEROUS UFO SIGHTINGS TAKE PLACE OVER SACRED INDIAN LAND?

■ SECRETS OF THE TOTEM

Every grade school pupil knows what a totem pole looks like, but not even the most educated grownup may realize the significant bit of symbolism to be found in the history of the Indians regarding these ancient wooden artifacts.

■ PLAYGROUND OF THE GODS

Is it a mere coincidence that a good number of UFO sightings take place to this day above sacred Indian spiritual places or over the various reservations? Do some Shamans still communicate with these Gods from other realms and dimensions and what is their message for humankind?

■ STAR GODS, HOPI REVELATIONS & THE MISSING SACRED STONE

What secrets are still held within by the Medicine Men of the Hopi and other tribes? What is the sacred meaning of the White Dove and the mysterious "Star Symbol" of the UFOonauts?

■ DO HOPI PROPHECIES HOLD KEY TO MYSTERIOUS ARTIFACT

Recently an amazing discovery of a mysterious artifact was made inside a pyramid. What is the connection between this artifact, the lost race of the Mayans, as well as Hopi prophecies to be fulfilled before the turn of the century?

■ HOW THE INDIANS CONTACT UFO INTELLIGENCE THROUGH DREAMS

Revealed—American Indians & The Gods From Outer Space

Not all UFO contacts need be made on a "physical level." For centuries the Indians have believed that one can enter another realm by dreaming, and this includes contacting the intelligence behind UFOs.

■ STRANGERS FROM ANOTHER WORLD

The Indians believe in many different worlds, some of them invisible to us under normal conditions. These worlds are populated by a variety of beings and creatures—including "little men" as well as Bigfoot. Here are numerous enchanting stories concerning these entities.

■ THE KACHINAS—REPRESENTATIVES OF THE GODS

The word "Kachina" reminds most people only of the small dolls or figures sold in souvenir shops throughout the western United States. Few realize that these dolls actually represent beings from another dimension that many Indians believe are soon to return providing to the world that there are other forces and more intelligent beings throughout the universe.

■ UFO STORIES OF THE NORTHWEST INDIANS

There are many abductions and contacts that can only now be told as well as many encounters of the Northwest Indians that are little known to those living outside the tribal towns. Here are the true tales of the modern-day Indians that go even beyond the legends of old.

■ VISION AT COURTHOUSE ROCK, SEDONA, AZ

One does not have to have Indian blood to experience a meeting with these hidden worlds well known to the Indians. A visit to Sedona's Courthouse Rock served as a transformational experience for David Junglaus, and it can for anyone who goes on their own Vision Quest at such a Vortex.

VITAL INFORMATION

The material in this book took many years to compile. It contains over 110, 8½ by 11 pages from the pens of many sincere researchers who have spent a good portion of their lives collecting this material. **THE AMERICAN INDIAN UFO-STARSEED CONNECTION** is a book that is important on many different levels. It is a must for serious students of UFO lore who are looking for little known historical references of space beings; to the New Age Light Worker seeking information on prophecies concerning the next few years, as well as those wishing to observe a little known cultural side to the Native American. This book is being issued in a limited edition and includes a beautiful 4-color rendering by a well-known artist, James Dallmeier. Order your copy by using the coupon provided below.

THE TRUE - LONG LOST - HISTORY OF THE PLANET EARTH

IS OUR WORLD A VAST COSMIC LABORATORY?

- WAS HUMANKIND GENETICALLY ENGINEERED?

HERE - FOR THE FIRST TIME - ARE SHOCKING REVELATIONS

HIDDEN AND DENIED FOR CENTURIES

- HUMANS AND DINOSAURS ONCE ROAMED THE EARTH TOGETHER - NOT THOUSANDS OF YEARS APART AS SCIENCE TEACHES US!
- SPACE TRAVEL WAS A PART OF THE CULTURE OF ATLANTIS AND OTHER "LOST WORLDS" AND IS NOT A PRODUCT OF MODERN DAY TECHNOLOGY!
- A SECRET, WELL HIDDEN, "SERPENT RACE" HAS CO-EXISTED ALONGSIDE HUMANKIND SINCE THE BEGINNING OF TIME, DETERMINED TO DO EVIL!
- NOAH'S ARK REALLY EXISTED AND WAS POWERED BY ELECTRICITY!
- "ADVANCED" FORMS OF ASTRONOMY AND MEDICINE WERE PRACTICED IN "ANCIENT" TIMES!
- THERE IS WORLD-WIDE EVIDENCE OF ANCIENT NUCLEAR TESTING!

SUPER SCIENTISTS OF ATLANTIS & OTHER UNKNOWN WORLDS provides startling evidence that giants once roamed the Earth and that "those were the mighty men of renown."

At long last, here is evidence that ours is NOT the first highly-evolved civilization to have existed on Earth. Brad and Sherry Steiger have spent more than twenty years researching and compiling the material presented in SUPER SCIENTISTS OF ATLANTIS - AND OTHER UNKNOWN WORLDS. Recently uncovered archeological artifacts, ancient documents and buried historical treasures WORLD WIDE give a perspective of the Earth's history that will change the way you think about life forever.

The Steigers contend that there have been other races that have long since vanished from the face of our planet, but which once stood tall and mighty.

Documented evidence abounds from around the globe - but especially in Israel, the Middle East and in Peru - that a super race of scientists once explored nearby planets; had the cure for many diseases; and knew how to extend life for hundreds of years. Yet, despite their highly advanced technology, humankind still could not live in peace and harmony and nuclear or atomic weapons might have been used as late as two thousand years ago in widespread battles.

These tracks were removed from the Paluxy river bed in Utah. One is a track of a dinosaur and the other is the left footprint of a giant man.

Eighteen foot woman recently uncovered in Italy.

PREDICTED:

- APPEARANCE OF THE ANTI CHRIST - 666
- MASS LANDING OF SPACE SHIPS

- GRAVES OPENED & CORPSES GONE
- THOUSANDS VANISH

UFOS AND THE SPACE BROTHERS WANT YOU TO SURVIVE

DOOMSDAY

Psychics, spiritual leaders, scientists and UFO contactees all agree that we are living in what has been called the END TIMES.

- The foundation of our civilization is about to crumble.
- The physical world as we know it is going to be destroyed.
- Psychic spiritual and "other-worldly" forces are about to take over!

THE TRUTH CAN NOW BE TOLD

An in depth study recently conducted by a highly qualified UFO researcher indicates drastic changes in our daily life, as well as in the shape and construction of our very planet, are imminent. This information has been channeled to at least 20 of the most highly respected contactees from more advanced beings who reside on other planets and in other dimensions. Unanimously, they agree that a global catastrophe will soon sweep over our nation as well as the rest of the world.

According to the SPACE BROTHERS whom they are in contact with time is *running out*. We are being told the Earth is rapidly entering the twelfth—AND FINAL!—hour for humankind. All indications are that a "time bomb of destruction" is about to go off ridding the planet of civilization as we have come to accept it. The Book of Revelations will be tomorrow's headlines as Armageddon engulfs the globe.

There are those who say a THIRD WORLD WAR is on the immediate horizon, that an ecological imbalance is now taking place, and a shifting of the North and South Poles is due, which could tip the earth out of its present orbit and send it hurtling toward the sun.

YOU CAN BE SAVED!

While utter chaos will take place all around us, all of those who have received this highly advanced, truly prophetic warning have said that the "Chosen Ones" who "are ready" will be saved and taken off this planet just in the nick of time.

Our special, fully illustrated report, a 50,000 word book titled **PSYCHIC & UFO REVELATIONS IN THE LAST DAYS**, is the most comprehensive volume ever put together on the subject. There is no other work like it as this book has been *inspired from above*. These are some of the important things you will learn—things you will NEED to know in order to make the transition from this physical dimension into a *higher* realm.

- Specific data on land changes. Find out which States will be geographically altered and the "safe" places to go to be out of immediate danger.
- A time table indicating when these events will begin to take place and the order in which they will occur.
- Exact "signs" and "wonders" to watch for which will indicate that only months are left.

- What material objects—"valuables"—you will need in order to survive, and where to obtain them.

- The day you will vanish from this planet—a mass evacuation by space ship will take place in which hundreds of flying saucers will come down out of the sky and "lift off" the worthy. What are your chances of being saved, and what can you do to make certain you are among "the chosen."

Some of those who have contributed to this valuable reference include *New Agers* Brad and Francie Steiger; *Space Channel* Rober Short; the spiritual group Mark Age; *UFO communicator* Jane Allyson; *Parapsychologist* Warren Freilberg; and the space being known as Ashtar.

If you have even a slight interest in UFOs you will want to order this book. This is not just another title filled with wild stories, but this volume actually presents useful data which could change your life and help you to survive DOOMSDAY!

WILL YOU BE ALIVE IN 1995?

Beyond The Philadelphia Experiment: *Alfred Bielek & The Phoenix Project* by Commander X

Editor's Note: The following brief excerpt is from the new Inner Light book, as edited by our most popular author, Commander X. **THE PHILADELPHIA EXPERIMENT CHRONICLES** updates what has been previously reportedly on this weird experiment into invisibility and teleportation and includes the strange story of one survivor, Alfred Bielek, who was brainwashed by the military and forced to forget for decades what had transported—as well as the “apparent suicide” of famed astronomer Dr. Morris K. Jessup, who stumbled upon the strange secrets surrounding the Philadelphia Experiment and paid for it with his life.

...

The Phoenix Project started at Brookhaven National Laboratories in Long Island, and was concerned with a group of immigrants who were scientists known prior to World War II. Research started on things like mind control and related projects. After I was disposed of, the UFO crashed in 1947 in the Roswell, New Mexico, area. A government team was set up to investigate this thing after the Army had picked it up and after the Army made its announcements (that they had captured a UFO). They sent it to the Roswell papers and it is still part of a TV commentary and documentary out of Las Vegas, “UFOs as Evidence” by George Knapp.

One of the sequences in it deals with the actual history of what happened in 1947, the way they started a major coverup at that time. The crashed UFO on the ranch near Roswell contained dead aliens that looked more like locusts than humans. But the thing that really threw them into a tizzy and caused total pandemonium in Washington was the fact that there were human body parts within the wreckage. So who'd they call in to make their investigations? Dr. Vannevar Bush, the scientific Presidential advisor. Who was his assistant? Dr. John Von Neumann—also a matter of public record.

They investigated this crash. A second one occurred in 1947, and also in 1948 and 1949. In 1949 they captured a live one, only the live one they captured wasn't like the dead ones. The live one they called EBE I was running around the fields. I'll have to conjecture a bit here because I never did ask them about it. I met Von Neumann later as Bielek and have some memory of some things. I never did ask him if he talked to this guy. I assume he did, because from someplace Von Neumann obtained the clues as to what was wrong with the Philadelphia Experiment.

Time Locks

The thing that was wrong and what had to be corrected sounds very simple in theory, but was very difficult to correct in practice. Every human being that is born on this planet, actually from the time of conception on, has what is called a set of time locks. The soul is locked to that point in the stream of time when conception takes place so everything flows forward at a normal rate of flow at the time function, mainly

the fourth dimension. So you're part of society from day to day. When you wake up you wake up at the proper time, you know all the same people, everything's the same and you haven't slipped into another reality overnight. You are locked into a time span.

These locks stay with you your entire life. When you die they are gone and you are free to go elsewhere, so to speak, in time. You can reincarnate at another time, not necessarily later. You could go backwards. There are some records that indicate this. But those time locks are the things that were ruptured by the extreme power of the fields generated by Von Neumann's approach.

Von Neumann used four huge Teslacoil devices. They were not the usual Tesla coils; Tesla built coils conically shaped. They were driven, in pairs, by each of the 75-rw generators operating at a fairly low frequency (pulsed). There were four rf transmitters, two megawatts each (cw); they also were pulsed at a 10% duty cycle. I won't go into the frequencies. Equivalent power was about 80 megawatts (pulsed). The antenna was on the ship's mast and the personnel on deck were almost next to that antenna. No one in history to that point had ever subjected a human being to such incredibly intense power fields, much less such incredibly intense magnetic fields. Nobody had any idea what would happen. Nobody gave it any consideration except Tesla, who knew something was going to happen.

Von Neumann finally agreed, probably something would happen. It did, of course. They wound up with insane people; they wound up with some people who lost their time locks, walked through nowhere and disappeared forever. They had others who were less fortunate. Four of them who had moved from their original position wound up in the steel deck. While the ship's fields were up there was no problem. When the fields collapsed and their time locks were gone, if they had, unfortunately, changed position, drifted and rematerialized in our dimension, our universe (because they were out of it) at a slightly different place or were unfortunate enough to be where the steel decking was, the steel of the deck literally molded with the molecules of their body. Not a very pleasant way to die. That is what happened.

Inventing a Computer to Solve the Problem

Now, the question was, what do you do to prevent it? The problem entailed understanding, which Von Neumann had to go back and do, basic metaphysics. Can you imagine a hardheaded Dutchman steeped in mathematics and with a particularly tough materialistic mind suddenly having to approach metaphysics? I'm sure that he was a little bit nauseated at first, but nevertheless he did his homework. And he found the problem. I do not know how he solved it, but he knew he had to have a computer.

In that day there were no real computers, no electronic computers, so he literally invented it. He did it at the Institute between 1949 and 1951.

NEW RELEASE: COMMANDER X PRESENTS STARTLING NEW DATA NEVER BEFORE RELEASED

THE PHILADELPHIA EXPERIMENT CHRONICLES

Exploring The Strange Case of Alfred Bielek & Dr. M.K. Jessup

Much has been written about the highly classified—Above Top Secret—project conducted by the Navy in 1943 that has become widely known as the Philadelphia Experiment, which involved the teleportation of the *U.S.S. Eldridge* (a mega-ton destroyer) from its dry dock in the Philadelphia Naval Yard to Norfolk Virginia—a distance of around 400 miles.

During at least part of the time, the *Eldridge* was “missing” from the City of Brotherly Love. The destroyer was said to have been transported into another dimension—a sort of no man’s land of darkness and silence from which few have been known to come back. Indeed, upon returning to this time and space, most of the ship’s crew—all of whom had been left totally unprepared and unprotected by those scientists put in charge of the project—either “caught on fire,” got literally frozen into the hull of the ship, or went stark, raving mad.

Those who were “lucky” and appeared to return to some semblance of normality after the experiment was officially shut down, soon found themselves living a hellish existence as they were repeatedly pulled back into this alternate reality to relive the horrors of the Philadelphia Experiment over and over again—until there were only two survivors left in the world.

Here is the *inside* story on a massive government conspiracy and cover-up that involved our War Department, Albert Einstein, Nikola Tesla, as well as facts concerning a massive black hole that was blown

The books are still on the shelves on the Von Neumann-Goldstein computer development, the theory, logic diagrams—I've seen them. In 1951 he had a computer that was fully operational in 1952. He built one for the Navy using a new approach to the project. Somehow he solved the time-lock problem, but I really don't know how.

The Fourth Test Leading to Project Phoenix

In 1953 they had another test: another ship, another crew. Fully successful. No problem with people walking through walls or disappearing or turning up in the back room of a bar that didn't exist in downtown Philadelphia (which is one of the stories). Everything worked properly. So what did they do? The Navy cancelled Project Rainbow and renamed it Project Phoenix, and it became part of the already ongoing Project Phoenix in another capacity, another guise.

That project continued onward for a number of years and eventually resulted in all the hardware which it has generated since—the Stealth hardware, the Stealth bomber (invisibility). They now have invisibility fields and shields for our large ships, the carriers. There is public information on this about our carriers disappearing off the radar screens and even from private aircraft following a carrier in the Pacific—just disappearing one day and three days later showing up 3,000 or so miles away on radar and again optically visible. So the problem, then, was solved, and Von Neumann, of course, went on to other things.

What happened after that is rather strange. The Phoenix Project continued onward. The aspects of mind control, which was one of the original functions of that project, were all under government control in the government laboratory at Brookhaven. Like all government laboratories, they must write monthly reports called progress reports. They've got them; they went someplace in Congress. Nobody knows exactly where, but someplace around 1958, somebody decided to read them. (Sometimes it takes Congress a long time to wake up.) They reacted: "Mind control? —who wants this? We don't want to have any part of it; they might use it on us. Cancel the project." They did.

The scientists were thrown out of Brookhaven, so they went looking for a new home. Actually it was around 1967–1968 that this occurred, insofar as the mind-control project was concerned. At that point Fort Hero was already under Air Force jurisdiction for the Sage Project, which was, of course, the early warning radar in 25 stations around the perimeter of the United States. The Army people thought, "Well, it might be a good idea to have them out here and continue their research," so the scientists moved to Fort Hero. Eventually the Air Force abandoned that project because along came Dew Line and then the BEM Early Warning System. So all of these Sage projects went down. After that a lot of things happened. Basically they went into time travel and other projects, some of which we don't even know to this day.

The Monster Created by Project Phoenix

On the 12th of August 1983, Project Phoenix locked into the Philadelphia Experiment. What happened to the Phoenix project? It crashed that night, a night of horror in which a well-described monster looking much like an "abominable" snowman, a Sasquatch, which was described (depending upon how panicked people were who saw it) as 12 to 30 feet high. It went around smashing buildings and people. So the director of the project at that time—it was Jack Pruett—said "We've got to shut this station down." And they again had the same problem we did; they couldn't shut it down by pulling the switch handles. They went outside and cut the power cables that were feeding the station. It didn't make any difference. The station kept running, but with no power feeding it. Pruett was very panicked himself, telling everybody, "Get out of here! I'll take care of it."

It is interesting to note that what happened there is almost exactly what Einstein himself warned about many years before that. He said, "if you create a machine with sufficient complexity and give it enough power, it will become intelligent of itself." And that apparently is what happened there. This machine called the Phoenix Project had a massive computer complex. It found out how to tap a power source—the Dirac sea, and fed its own energy in. It didn't need local power to run it. At that point the only way to shut it down was to destroy its brains, which means its computer connections, feed connections and modulators, and cut them to pieces. The brain no longer functioning, the machine went down; Junior, the monster, disappeared and that was the end of the Phoenix project—late that night of 12 August 1983.

COSMIC PATRIOT FILES

- Some may find these books to be among the "nuttiest" ever written.
- Many may find their contents utterly devastating and impossible to accept, taking comfort in the words of the Bible, or giving up their New Age studies altogether.
- Others will become hopping mad when they realize to what extent their lives are being manipulated by what till now has been an "unseen force."

The **COSMIC PATRIOT FILES** represent years of dedicated research into some of the most thought provoking—and certainly scariest—topics you are likely ever to be confronted with. And while its contents may be difficult for some to accept at face value, those who carefully scrutinize this closely written text will realize its true significance as being the most important such document of our age (if not of all time)!

It is the conclusion of those who compiled this book that the human race has long been led astray by a secret—or "shadow"—government, best known to outsiders as the Illuminati, the grand-daddy of all Secret Societies thought to exist. It is this group of "global monsters" who have for centuries been in control of what the human race is allowed to believe and think.

It is said that the Illuminati is responsible for all wars, for the assassination of world leaders not willing to "give in" to this secret agency's sinister ways, and for controlling the flow of international currency and reaping financial disaster and mayhem wherever—and whenever—possible.

The **COSMIC PATRIOT FILES** are definitely NOT meant for everyone. "The Committee of 12 to Save The Earth," fully realizes this massive work would only likely reach a "select" audience who needs to know the truth about these many hidden—and previously forbidden—subjects.

The **COSMIC PATRIOT FILES** is broken down into

eleven separate sections—and presented in two separate volumes for easy handling and readability. There are no pictures or graphics to take up needless room, but page after page after page of all-important documentation—the documentation you may need in order to survive the troubled times just up ahead as the forces of evil attempt to send out to anti-christ to do their bidding in the world.

HUNDREDS OF VITAL TOPICS NOW REVEALED FOR THE FIRST TIME!

Here are some of the intriguing topics you will find discussed within the pages of this all-important—historical—work:

- ✓ The founding of the Secret Order of the Illuminati (and for what purpose).
- ✓ Mystical significance of the layout of Washington, D.C. and the placement of the Washington Monument, the Pentagon and actual streets and other geographical locations.
- ✓ Identification of global leaders involved in conspiracy to formulate a "New World Order" or "One World Government," and why they would want to do so.
- ✓ Actual power behind the rise of communism, as well as the eventual fall of the Red Empire worldwide.
- ✓ Was George Orwell secretly assassinated because he came close to exposing the truth?
- ✓ What is the possible connection between the mafia—

the CIA—and the large oil companies?

✓ Many "front groups" exposed, including the International Working Man's League, and Masonic Lodges.

✓ Secret societies identified that go back as far as the Old Testament (many practiced human sacrifices).

✓ The "Eleven Committee" and the CHO CHIN CHING (number 666 identified).

✓ Formation of the secret cult of the Skull and Bones Society that several U.S. presidents have belonged to.

✓ Revelations concerning the "Beast" of Biblical prophecy.

✓ Jack the Ripper, a hired assassin?

✓ Use of "black helicopters" in keeping tabs on dissident citizens, including UFO witnesses and, especially, abductees.

✓ "Secret Police" to be deployed in U.S. and brought in from foreign countries to keep certain citizens in line.

✓ Activities of the "Brotherhood of Shadows" and the "Black Sorcerers."

✓ National Guard to be converted into National Police Force during national "emer-

banded together to break through the wall of secrecy surrounding so many vital subjects that are being ignored by the popular press and media. They have gone against existing orders and know what the "ramifications" would be should their identities be made public.

The Extraterrestrial Papers

MESSAGES TO HUMANKIND FROM OUR FRIENDS AMONG THE STARS

Humankind is not alone in the universe!

There are other life forms on other planets who have our well-being at heart and see no reason not to share with us their wisdom and knowledge.

In the last couple of years, we have heard a lot about the ability of some individuals to act as channelers for messages from spirit beings as well as an assortment of masters and extraterrestrials. And yet as popular and well-meaning as these channels may be there is little that we can do to judge the legitimacy of that which they have received. We know for a fact that it's possible for the human mind to conjure up all sorts of fanciful daydreams—the subconscious is, indeed, a powerful tool. This is not to say that beings such as Ashtar don't exist, and that there aren't huge mother ships circling the Earth thousands of miles outside of our lower layers of atmosphere. It's just that it's nearly impossible to check on the legitimacy of such claims and to know precisely which parts of the messages are real and which parts may be imagined in whole or at least in part.

The case of "Tony" (we must hide his true identity for security reasons) is—on the other hand—quite different.

For the messages that Tony receives are not channeled through him, but actually arrive in his mailbox on a regular basis.

It all started during the summer of 1993, after a particularly hot spell in his native Canada. In order to cool off one evening, Tony found himself sleeping out among the stars instead of in his rural home that has no air conditioning.

"It must have been around 2:00 or 3:00 AM when I first noticed this high-pitched hum in the air," Tony explains. "At first I thought maybe a high tension line near the house had snapped, but when I looked in the direction of a nearby utility pole, I saw something that made my hair stand on end.

"About 50 or 100 yards away was this remarkably bright light hovering in the sky. It was so intense that I could hardly look at it for more than a period of a second or two at a time."

Suddenly, according to Tony, the light dimmed and the object headed out over a nearby clearing directly behind his residence.

"As far as I could tell, the craft never actually landed, but it did seem to light up and then dim down several times over a period of the ten minutes or so that it remained in view."

Without any sound, the UFO took off straight up into the sky and Tony never saw—or heard—it again.

However, two days later his life was to change abruptly when he began to receive a series of mysterious messages in his mail box that were delivered without a return address.

"The first letter stated that the individual writing to me knew all about my low-level UFO sighting and indicated that

he was actually onboard the craft at the time of the encounter.

"He said that by picking up on my vibrations, they were able to tell that I was no threat to their continuing operations in my area and that, basically, I was a kind person at heart—one that really cared about other people and wished to see those around me prosperous and live a life of harmony with what they called the 'laws of creation.'"

Over a period of time, Tony has received numerous letters, all of which seem to indicate an alien presence on Earth. "It's as if they are living amongst us—know our troubles and are able to offer advice on the subjects that matter to us the most."

And while the messages received by Tony may be delivered by his friendly rural mail carrier in an ordinary manner, this is not the first time that such unusual—and apparently otherworldly—communications have come through the postal system. In the foreword to this important work, columnist Antonio Huneus describes the incredible circumstances surrounding the much-debated "UMMO Papers" that arrived in the hands of Spanish UFOlogists. The circumstances surrounding these two cases—which take place half a world apart—is most uncanny.

Naturally, there is no way to be 100% certain about the origins of these papers. Perhaps there is a logical explanation for the material Tony has been receiving, but he insists he told no one about his UFO sightings and that, in fact, his closest neighbor is approximately half a mile away and his home is neither visible from the road or from anyone living nearby.

"Not only have I kept the details of my sighting to myself, but the nature of the messages just ring with a great deal of honesty. I don't see any reason for anybody to go to the trouble of making this stuff up. For what purpose? What could be their motive?" Tony says he has mulled this matter over and over in his mind but cannot come up with any plausible—logical—explanation, but that these are genuine letters from an extraterrestrial.

New Book, *The Smoky God and Other Inner Earth Mysteries*, exposes amazing facts about hidden areas of the Earth.

Subsurface Worlds—A Challenge to Secrecy

Introduction

THE LATE Ray Palmer started writing science-fiction in the 1930s, and later became editor of *Amazing Stories* and other science-fiction magazines in the 1940s. He soon shocked the world when he published the "true tales" of one reader—Richard Shaver—who maintained that he was in contact with beings from the depth of the Earth.

Later on, as editor of his own magazine—*Flying Saucers*—Palmer shocked the sensibilities of his readers when he proclaimed, in the December, 1959 issue, that the Earth was hollow and could be entered at either the North or South Pole. This is a condensed version of the astounding revelations he brought to the public. A full version can be found in *The Smoky God and Other Inner Earth Mysteries*

...

Flying Saucers has amassed a large file of evidence which its editors consider unassailable, to prove that the flying saucers are native to the planet Earth; that the governments of more than one nation (if not all of them) know this to be fact; that a concerted effort is being made to learn all about them, and to explore their native land; that the facts already known are considered so important that they are the world's top secret; that the danger is so great that to offer public proof is to risk widespread panic; that public knowledge would bring public demand for action which would topple governments both helpless and unwilling to comply; that the inherent nature of the flying saucers and their origination area is completely disruptive to political and economic status-quo.

Since the day Kenneth Arnold first brought flying saucers to wide public attention by his famous sighting, one fact has been consistently brought forth by investigation—flying saucers did not originate with that sighting, but have been with humanity for centuries if not thousands of years. Flying Saucers is the popular term for Unidentified Flying Objects (UFO), or Unidentified

Aerial Phenomena (UAP). The popular "saucer" shape is only a segment of the phenomena. Properly, the important fact to consider is that intelligently controlled phenomena appear in our atmosphere. Their exact nature is a matter for conjecture, and is quite varied in configuration (to use a favorite Air Force word). It is this fact of antiquity which poses the most important single factor in analyzing the phenomena. At one stroke it eliminates contemporary earth governments as the originators of the mysterious phenomena.

How well-known is the Earth? Is there any area on Earth which can be regarded as a possible origin for the flying saucers? There are two, speaking in major terms.

Here, then, are the facts: At both the North and South Poles exist unknown and vast land areas, not in the least uninhabitable, extending for distances which can only be called tremendous, because they encompass an area bigger than any known continental area! The North Polar Mystery Land seen by Admiral Byrd and his crew is at least 1700 miles across its traversed direction, and cannot be conceived to be merely a narrow

strip, as the factor of coincidence in flying precisely along its longest extent is improbable. It is a land area perhaps as large as the entire United States! The land area at the South Pole, considering that the flight began 400 miles west of the Pole, and thus covers a continuous land area of 2700 miles in one direction,

Embark On A Journey to The Inner World

A rare—century old, but all too true—book tells of a fantastic journey made inside the earth where the author meets a race of giants who befriend him. This valuable manuscript was believed lost for all time, but is now reprinted in its entirety, along with other incredible material that provides important evidence that our Earth is hollow and populated by a super race believed related to those who once resided on the continents of Lemuria and Atlantis.

Additional material includes:

- ◆ Secrets of the Subterranean City beneath Mt. Shasta
- ◆ Exclusive interview with "Princess Sharula" from Telos, headquarters for Mu beneath the Earth's surface.
- ◆ Flying saucers come from our planet's hollow core!

means a land area possibly as big as North America in addition to the known extent of the South Polar Continent, which is located north of the Pole whereas the 2300-mile land traversed by the Navy plane is "beyond" the Pole. Once more the same condition of navigation exists: progress was made to the Pole and then straight on beyond it, with the one difference that the South Geographic Pole is located 2300 miles away from the South Magnetic Pole, and it is not necessary to perform the navigational maneuver described previously. If navigating from the South Magnetic Pole, the procedure is again necessary, with differences due to the greater angle of inclination to the stars, and the possibility of navigation entirely by the stars rather than with the aid of a compass.

Let's stop here and make a statement that logically follows: the flying saucers could come from these two unknown lands "beyond the Poles". It is the opinion of the editors of *Flying Saucers* that the existence of these lands cannot be disproved by anyone, considering the facts which we have outlined. These facts can be checked by anyone. You have merely to read the newspapers of the day. If there is anyone who can satisfactorily explain away these two expeditions, and the statements of Admiral Richard E. Byrd concerning them, *Flying Saucers* will give him every inch of space necessary to complete his explanation.

Just for the record, let's present the actual announcement carried by press and radio on February 5, 1956: "On January 13, members of the United States expedition accomplished a flight of 2700 miles from the base at McMurado Sound which is 400 miles west of the South Pole, and penetrated a land extent of 2300 miles beyond the Pole."

And on March 13, Admiral Byrd reported, upon his return from the South Pole: "The present expedition has opened up a vast new land."

Finally, in 1957, before his death, he reported it as: "That enchanted continent in the sky, land of everlasting mystery!" Which statement remains to your editors as the most mysterious of all, and almost inexplicable. "Enchanted continent in the sky..." Everlasting mystery, indeed!

One of the reports from Byrd's expedition was the sighting of a huge animal with dark fur. Are there such animals, or traces of them, in the Arctic? Beginning in Siberia, along the Lena river, there lie exposed on the soil, and buried within it, the bones and tusks of literally millions of mammoths and mastodons. The consensus of scientific opinion is that these are prehistoric remains, and that the mammoth existed some 20,000 years ago, and was wiped out in the unknown catastrophe we now call the last Ice Age. In 1799, a fisherman named Schumachoff, living in Tongoose (Siberia), discovered a complete mammoth frozen in a clear block of ice. Hacking it free, he despoiled it of its huge tusks and left the carcass of fresh meat be devoured by wolves. Later an expedition set out to examine it, and today its skeleton may still be seen in the Museum of Natural History in Petrograd (then St. Petersburg).

We have taken the mammoth as a rather sensational modern evidence of Byrd's mysterious land, but there are many lesser proofs that an unknown originating point exists somewhere in the northern reaches. We will merely list a few, suggesting that the reader, in examining the records of polar explorers for the past two centuries, will find evidences of both fauna and flora impossible to reconcile with the known areas of land mentioned early in this presentation of facts, those areas surrounding the Polar Area on your present-day maps.

The musk-ox, contrary to expectations, migrates north in the wintertime. Repeatedly, Arctic explorers have observed bear heading north into an area where there is no food for them. Foxes

A MESSAGE FROM THE STARS

Mary M. Wunder

Abduction * Earth Change Essays * ET Sign Language

Author Mary M. Wunder has all the scars in all the right places and photographs and witnesses to verify her account. But "A Message From The Stars" is much more than an interesting abduction story. Her experiences have made her not a victim but a messenger with a unique series of messages. Her main contact, Alexdia, an extraterrestrial from the constellation of Andromeda, has communicated to her the signs of a most extraordinary pictographic language reproduced in full in this book. What is more, Mary has been given five unique essays, also reproduced here, which detail imminent catastrophic earth changes about to wrack our planet. We are told about the three extraterrestrial races working in harmony to prepare the evacuation of survivors to several new worlds where human life will continue to develop. Most remarkably, "A Message From The Stars" seems to begin where the Book of Revelation ends.

EXTRATERRESTRIALS IN BIBLICAL PROPHECY

G. Cope Schellhorn

If you have suspected that today's UFOs might be related to the events of End Time or the Last Days as described in Scripture, you will find your suspicions confirmed by a bold book that takes a careful new look at the Old and New Testaments. "Extraterrestrials In Biblical Prophecy and the New Age Great Experiment" offers the reader in a simple straightforward style an in-depth, down-to-earth look at the new evidence which suggests that our Scriptures have even more to say to us than we previously believed. Now open to us is a new dimension of meaning that is as startling as it is finally reassuring. Discover - What the government doesn't want you to know about the connections between UFOs and the Bible. Why theologians, because of past mistranslation of several key Semitic words in the Bible, have failed to see the greater truth. Why extraterrestrials conducted biological experiments on early man. How and why the prophets were "programmed" by ET's to carry a particular message to mankind. How the pre-Hebrew Sumerian-Babylonians knew about Wormwood and the havoc it periodically causes and much more.

SERPENTS OF THE SKY, DRAGONS OF THE EARTH

F. W. Holiday

F. W. Holiday's lifelong "investigations of the fantastic" left him with two stunning conclusions. First, there is strong hard evidence that the Loch Ness Monster and its Irish and English counterparts do in fact exist. Secondly, man's oldest religious beliefs make heavy use of not only the monster phenomena (the earth dragons) but also UFO phenomena (the sky serpents). "Serpents of the Sky, Dragons of the Earth" presents verbally and photographically his documentation of the fascinating intermarriage of both phenomenal fields from early cave art, the Bronze Age in the British Isles, ancient civilizations of Asia and Africa, North American Indians, medieval art and mythology from all over the world. In F. W. Holiday's hands, high strangeness often becomes, after careful thought, logical and credible. Serpents and saucers have influenced us all, he demonstrates, whether we are now aware or have forgotten.

also are found north of the ninth parallel, heading north, obviously well-fed. Without exception, Arctic explorers agree that the further north one goes, the warmer it gets. Invariably, a north wind brings warmer weather. Coniferous trees drift ashore, from out of the north. Butterflies and bees are found in the far north, but never hundreds miles further south; not until Canadian and Alaskan climate conducive to such insect life are reached. Unknown varieties of flowers are found. Birds resembling snipe, but unlike any known species of bird, come out of the north, and return there. Hare are plentiful in an area where no vegetation ever grows, but where vegetation appears as drifting debris from the northern open waters. Eskimo tribes, migrating northward, have left unmistakable traces of their migration in their temporary camps, always advancing northward. Southern Eskimos themselves speak of tribes that live in the far north. The Ross gull, common at Point Barrow, migrates in October toward the north. Only Admiral Byrd's "mystery land" can account for these inexplicable facts and migrations.

The Scandinavian legend of a wonderful land far to the North called "Ultima Thule" (commonly confused today with Greenland) is significant when studied in detail, because of its remarkable resemblance to the kind of land seen by Byrd, and its remarkable far north location. To assume that Ultima Thule is Greenland is to come face to face with the contradiction of the Greenland Ice Cap, which fill the entire Greenland basin to a depth of 10,000 feet. A green, fertile land in this location places itself so deep in antiquity that it postulates an overturn of the Earth, and a new North Pole area (see National Geographic's exploration of the Greenland Ice Cap and its possible significance).

Is Admiral Byrd's land of mystery, center of the great unknown, the same as the Ultima Thule of the Scandinavian legends?

☐ A JOURNEY TO THE EARTH'S INTERIOR

Marshall B. Gardner

The author has "marshalled" what is probably the best number of incredible factual observations regarding the Hollow Earth and the polar explorations of many explorers, including Peary, Sir John Franklin, Lieutenant McClintock, Dr. Kane, Dr. L.I. Hayes, Sr. John Ross, Greeley, Adolf Norden-skiold, Nansen, Admiral Melville, Captain Cook.

He relies heavily on the best minds of the day to prove once and for all that it is possible to travel inside the Earth—and that such trips have actually taken place.

Here is a bold work that has been kept out of libraries and institutions for over half a century.

Nearly 500 pages, a dozen illustrations.

Copies have sold to collectors for \$200 and up!

Our price—only \$20.00

☐ ETIDORPHA

John Uri Lloyd

President of the American Pharmaceutical Society, the author was a chemist, an inventor and an occultist who tells the remarkable story of meeting a strange, sightless, being at the mouth of a cave in Kentucky, who serves as his guide to a journey to a world with little gravity, a nutrient-rich atmosphere, exotic plants, strange vehicles that travel at remarkable speed and a world consisting of vast exotic wonders and pleasures.

Copies have long since been hard to find and have been in great demand. Our price for this 254 page book—\$18.95

☐ THE MISSING DIARY OF ADMIRAL RICHARD E. BYRD

For years rumors have persisted that Admiral Byrd on his historic flight to the North Pole went "beyond" the Pole into an actual opening that leads inside the Earth. Here he met with masterful beings who revealed to Byrd that truth about the mysteries of the Inner Earth. Now you can learn the FACTS as written by Byrd in his secret log and diary.

CALL UPON YOUR GUARDIAN ANGEL FOR GUIDANCE AND PROTECTION

Psalms 90:11-13 states: "The Lord hath given his angels charge over thee. to keep thee in all thy ways."

Evangelist Billy Graham tells us: "When Christians die, an angel will be there to comfort us, to give us peace and joy even at that most critical hour, and to usher us into the presence of God, where we shall dwell with the Lord forever..."

Jesus himself revealed the wonderful truth that the faithful each have a guardian angel to attend to them throughout their life: "Behold I will send my angel, who shall go forth before thee, and keep thee in thy journey, and bring thee into the place that I shall have prepared."

Now for the FIRST TIME, you can learn all there is to know about God's "special helpers"—why angels were created: what their purpose in the Lord's scheme of things really is; and most important of all, how you can call upon them directly for guidance and protection, in order to make your own life more peaceful and fruitful.

Here's a sample of what you can expect to read in an amazing new book just released titled **ANGELS OF THE LORD**:

ANGELS WALK AMONGST US

It may come as a shock to many, but according to evidence, we are often confronted by angels, but do not know it. Yes, angels are visible quite often, only they don't always appear to us as spiritual beings with wings, but rather as men, and even as strangers. They come when they are most needed. You may even pass an angel on the street who is bent on doing some good for someone that can't be accomplished in his invisible state.

NINE SPECIFIC WAYS OUR PERSONAL ANGEL PROTECTS US

Biblical scholars insist that angels do more than follow us about. It is said that they have a special mission that they must carry out. Among other things they must protect our spirituality; defend us from the seduction of Satan; shield us from sudden

dangers; help in the saving of our soul; pray for and with us; assist us in praising God and; help when it is time for us to "cross over." Each of the nine ways is described in detail so you will know what to expect from your personal angel and what you must do in return.

HIERARCHY OF ANGELS

Generally, it is not known that there is an actual organization of angels. The divisions include: Archangels, Seraphim, Cherubim, Principalities, Authorities, Powers, Thrones, Might and Dominion. Find out how these various angels are ranked and what their individual duties consist of.

DOCUMENTED CASES OF PEOPLE HELPED BY THEIR GUARDIAN ANGEL

Many startling, modern day case histories are written about. For example: • The New York woman whose guardian angel led her to a job when she was totally destitute • The "Angel of Mercy" who prevented the killing of Chinese citizens by the Japanese during World War II • The battalion of angels who fought it out with the enemy in the skies over Europe as testified to by Lord Hugh Dowding • The band of angels that prevented dozens of GI's from freezing in Korea.

ROLE OF ANGELS IN HISTORY

• George Washington had a vision in which an angel appeared to him and foretold the future history of the United States. • The famous flying ace, Charles Lindberg, claimed that his guardian angel was with him in the cockpit of the Spirit of St. Louis as he crossed the Atlantic. • Saintly Pedro Polo, the stigmatic priest, frequently carried on conversations with not only his guardian angel, but the guardian angels of others. • St. Benedict claims that angels actually joined the holy monks in song.

• St. Nicholas was permitted to hear his guardian angel and other angels for the last six months of his life. • St. Frances often read at night by the light given off by the glowing hair of her guardian angel. • There is even evidence that the writing of the Constitution was done with the help of an angel.

UFOS OR ANGELS?

Some experts now believe that the strange objects observed in the sky may actually be angels and not extraterrestrial craft. The fact that UFOs do not show up on Radar screens is significant, since angels are not usually of flesh and blood, and therefore would not register on even our most advanced technical equipment. Scriptures tend to verify this theory.

LANGUAGE OF ANGELS AND HOW THEY TRAVEL

We are told that angels have a language all their own which we may possibly learn to speak. Also, angels can travel thousands of miles in the twinkling of an eye, utilizing a method that science has only begun to dream of.

WAR WITH SATAN

Not all angels are good. The Bible tells us that Satan was once an angel and that he was thrown out of heaven. One third of all angels could be demons and we are warned that the devil is out to take over the world and capture our very souls. Learn of the tools that Satan uses to trick us, and how we can prevent being possessed. Discover why baptism is important in this age-old war, and what it means to follow the "Great White Light."

A POWERFUL FREE GIFT TO ENRICH YOUR LIFE

When you order your personal copy of **ANGELS OF THE LORD**, we will send you free of charge a special talisman in the form of a prayer that will enable you to contact your own guardian angel. To evoke this special blessing, it is necessary to carry this talisman on your person at all times. God wants you to be in touch with your personal guardian angel, and you will be properly equipped.
