NEXT MEETING --MAY 23 --WORKERS ONLY

The next meeting will be held at the First National Bank Building, at 8 o'clock, on May 23rd.

This will be a departure from the usual meeting, as there will be no program. The purpose of the meeting will be WORK !

We don't have much time before the Convention, we have a lot of work to do, and we need a lot of HELP ! ! !

If you would like to help to make this the biggest and best Flying Saucer Convention ever held in Michigan, please come to the meeting and offer your aid. You need not have a special talent, all that is necessary is willingness. We have more than enough work for everyone, so don't stay away just because you feel that you can't do anything, -- we will find something for you to do.

There will be no entertainment at this meeting, nothing to interest anyone who doesn't want to work. Please do NOT come unless you are ready and willing to help plan this Convention, and carry through what you start.

If you are unable to attend this meeting, but still wish to work on the Convention, Contact- Bill Maier, K.F.S.S.C. Chairman, John Brinson, M.F.S.F. Chairman or Rachel Simbulan, K.F.S. S. C. Secretary.

P.S. We have only had time to hear from a few of the many who are being invited to participate in this convention. We hope to make this the best, biggest and most interesting Saucer Convention in 1958 east of the Mississippi River. We plan to have representatives from a large number of the nations many active Saucer Study Groups. Please notify the newspaper and radio and T.V. stations in your city of this convention and announce it to your group.
