Dear Mrs. C.

You ask -- What is "THE NEW SOCIETY OF MIDWIVES" mentioned in our last issue. "Volunteers badly needed," and you ask how you can help:

"THE NEW SOCIETY OF MIDWIVES" is, according to THE LITTLE LISTENING POST'S long-time observations, a growing group of people all over the world who have "taken fire" inside with the Vision of a New World that is being born. They are dedicated to helping in its convulsive birth. They realize time is short! That the life of a World hangs in the balance. They are beyond the need of organization. Their work is "of the spirit." Their number is multiplying! A network is forming! They are swept forward by the chain reaction of love for a world in travail and for a far happier world that is to come -- or else!

If you are of this number -- no one need tell you. The fire within you will light the path. It will force you to find the work you are best fitted to do at this crucial hour.

"THE NEW SOCIETY OF MIDWIVES" is a powerful Group, directed solely by the surge and spontaneity of the spirit. IT BROOKS NO DEFEAT. "Peace now is within our reach," says Secretary Dulles. ... "You don't go to heaven -- you grow to heaven," many declare.

SCIENCE IS CRASHING BARRIERS! A glorious Vision trembles above the brink! --where "Nothing shall hurt nor destroy in all My holy mountain."

"And the last enemy that shall be overcome is Death."

"And there shall be no more death, neither sorrow nor crying, neither shall there be any more pain, for the former things are passed away." -- St. John.

"And the delusion of death shall pass -- the delusion of mounded earth --."

This is a per-view of the New World, -- a World beginning to be faintly in sight -- through rational processes. And through emerging consciousness. ("When the desire is intense enough it creates conditions.")

THE LITTLE LISTENING POST, in watching phenomena and sleuthing on Science, is trying to alert other Watchers at this midnight hour on significant "symptoms" in the progress of this greatest of all "obstetrical" operations, - the birth of a New World.

"THE NEW SOCIETY OF MIDWIVES," according to our tune-in, is a dedicated and uncounted Number who have vowed there shall be no Stillbirth!

We trust this answers your question.

Sincerely,

THE LITTLE LISTENING POST
