Many Groups sending open letters to their congressmen demanding to know why the public is kept in ignorance concerning phenomena in our skies. Maj. Keyhoe demanding congressional investigation! Has an "inner group" the right to prevent "THE HORIZONS OF HUMANITY BEING OPENED UP INTO HERE-TO-FORE UNKNOWN & WONDERFUL HEIGHTS?" A.F. Chief of Staff Twining said at Amarillo, Tex, 5/15/54 "The best brains of the Air Force are working on this problem of Unidentified Flying Objects, trying to solve this riddle." Since phenomena is global public now demands that the files be opened so they can take part in this unprecedented SEARCH! Unknown intelligences are in our atmosphere! "Who is responsible for the censorship and for deciding that the American public is not mature enough to be told?" ... Moods are mounting! Patience is thinning! The A.F. "cover-up" statement of last Oct is backfiring! "Statement represents secrecy & smear of its own pilots" charges one writer. A New Zealand editor describes it as a "shamefully misleading & deliberately untruthful statement." Recent message states "soon as a few more changes take place on earth space people will land & extend friendship, want nothing in return only our friendship. In western world trend seems to follow law of "growth by division". Orthodoxy splinters off into more close-knit groups; advanced members of these now catching the breath-taking implications of Space contact. Many recognizing "there is nothing higher than facts in nature" and Nature, today, is rolling back like a scroll! In the highest sense "religion is poetry". And "Poetry is a 'listening'".
